

### S. N. & M. ELECTRIC

#### Railroad Will Be Sold About April 15. Receivers Have Had Charge for 5 Years.

The Norwalk Reflector of last week Friday, in speaking of the coming sale of the Sandusky, Norwalk & Mansfield Electric railway says: "The S. N. & M. Electric railway, which has been in the hands of receivers for the past five years, will be ordered sold by the United States District Court, on or about April 15. C. G. Taylor, receiver, announced yesterday. The first step in closing Mr. Taylor's receivership will be taken tomorrow, when Robert H. Lindsay, of the National Audit Co., appointed by Judge Killits as accountant for the company, will tender his final report. The court will then designate a date for a hearing on the report and for the adjustment of any outstanding claims and suits against the company, some time within the next two weeks. After the hearing, the court will issue an order of sale, and the receiver must then advertise the property for six consecutive weeks, so that all arrangements incidental to the sale of the property may be completed before April 15, unless some unforeseen contingency prevents. According to Mr. Taylor, the minimum price which will be accepted by the court is \$275,000.

Pittsburg interests, representing the Guaranty Title and Trust Co. of Pittsburg, constructed the operation in 1904, and it first began operating in 1905. The venture was overcapitalized from the start and although in the opinion of some of the best construction could not have exceeded \$300,000, the syndicate financed the road on issue of \$600,000 in bonds, many of which interested business men and farmers throughout Huron county.

The company paid interest on its bonded indebtedness for some time, but when nothing was forthcoming for the bondholders in 1911 it was forced into a receivership, in which an application made by Pittsburg, who hold about sixty per cent of the bonds. The United States district court appointed Wilbur Hoyt and C. P. Brooks, of this county, and George B. Dusenberry, of Cleveland receivers, and they conducted the affairs of the company for more than a year. Mr. Taylor was appointed Nov. 16, 1912, by Judge Killits, in the United States District court, at Toledo.

The financial condition of the company has steadily improved under Mr. Taylor's management and when he is discharged from his receivership, the road will be practically clear of all debt except the bonded indebtedness, and the bonds, which have materially increased in value, at the last public sale of the bonds in 1913, eleven cents on the dollar was the high bid. At present the bondholders' committee offers these bonds for sixty cents on the dollar. The par value of the bonds is \$100 and they were first sold at 80.

During Mr. Taylor's administration, the passenger and freight earnings of the company have shown marked increase, and the road has been able to pay off many old accounts with its earnings. The operating costs issued by the first receivers when the purchase of equipment was found necessary, have been retired.

All claims against the road and the receivers have been adjusted with the exception of one action which involves the Plymouth and Shelby Tractor Co. This case will be settled as soon as the accountant's report has been filed, probably within the next ten days.

### Obituary.

The remains of Mrs. Caroline Snyder were brought to Plymouth in a funeral car from Cleveland Tuesday afternoon of this week. Mrs. Snyder was the wife of the townsman, Mr. Bert Snyder, and years ago lived at Six Corners in Plymouth township. Mrs. Snyder was born in Huron county, Pa., Dec. 8, 1838, and died Feb. 3, 1917, at the home of her daughter, Mrs. E. Reeve in Hiram, Ohio, at the age of 78 years. She was married Sept. 14, 1859, to Mr. John M. Snyder, who died Aug. 22, 1911. She was the mother of 11 children, eight of whom survive. For many years she has been a member of the Lutheran church. For ten years she has been an invalid, but a very patient sufferer. Besides eight children, she leaves one grandchild, Mrs. John Ball of Waterford, Pa.; 23 grandchildren and 12 great-grandchildren. A brief religious service was conducted in the Chapel in Greenlawn cemetery by the Rev. Chas. F. Mott of the Methodist Episcopal church, and the burial was beside her husband in the family lot.

#### Aliens in America Total 1,425,000.

There are in the United States approximately 350,000 unaturalized Germans, and 1,075,000 unaturalized Austrians and Hungarians. These would be subject to the rules of war in the event of hostilities. Treaties with Prussia signed in 1785 and 1828, would exempt German citizens from molestation for nine months after war is declared, and German merchants may depart without restriction. The same applies to Americans in Prussia. The foreign-born in America are based upon the number of unaturalized immigrants from the central and eastern parts of the United States at the time of the last official census, and immigration from those countries up to January 1.

Aliens admitted to the United States last December numbered 30,902, including 12,852 women. The total immigration for the six months ended in December was 159,803. Only 1,087 Germans came to the country in December, while in the last six months there were 5,971.

As combined with the records of the census and the immigration bureau shows there are in this country 2,893,538 persons of German birth, 765,000 of Austrian birth and 1,061,052 of Hungarian birth, the total for the dual monarchy being 2,834,689. According to the last census, the greatest number of persons of German birth reside in Illinois, Wisconsin, Ohio, New York, Pennsylvania, Louisiana, and Michigan. New York had the great number, followed by Ohio and Wisconsin. Pennsylvania led all the other states in the number of Austrians and Hungarians. New York and Illinois followed, the numbers in other states being small in comparison.

### Methodist Notes.

This series of sermons will continue until the protracted meetings begin, a few weeks before Easter Sunday. Sunday Schools are a better national defense than standing armies. Show your patriotism by going to Sunday School.

A general theme for the evening services will be, "A glimpse at some of the religions of the world," and the subject next Sunday night will be, "The Day's Religion: Buddhism."

The pastor announces two series of sermons beginning next Sunday. The theme for the morning will be, "The Religion of Christ to His People," and the first subject will be, "Christ a Companion."

The next regular meeting of the Sunday School will be held at the home of H. P. L. Amoureux, on next Monday evening, Feb. 12, at seven o'clock. The presence of every adult member of the School is welcome.

The duplex envelopes have now been used for one month in the Sunday School. Last Sunday the secretary made the gratifying report that of all persons present during the month, fifty-four per cent had contributed one or more Sundays in the red pocket of the envelope. The red pocket is the side for Missions and for others, and not ourselves. Mrs. Cole's class made the best record, 80 per cent of those present so contributing, and Mrs. Mott's class second with 77 per cent contributing.

#### The Twentieth Century Circle.

Mrs. Postle was hostess to the Twentieth Century Circle, 2221 Program for the evening was as follows: "Ellis and Angel Island," paper prepared by Miss Shutt and read by Mrs. McClintock; Mrs. Shutt being unable to be at central on account of her mother's illness. Debate, Resolved, That immigration is a menace. Affirmative: Madams Searle and Nimmons; neg. Madams Messias Walker, Sacer and McClintock. Negative without the affirmative made the decision hard for the judges. Original poem "The Housewife's Tale," by Mrs. Soutard was very good.

The extreme cold weather and illness in the families of several members of the Circle was the cause of the small attendance at the regular meeting Feb. 5th, at the pleasant home of Mrs. J. T. Gaskill. Miss Ruby Clark favored the Circle with a vocal solo. An original poem by Miss Fleming was much enjoyed. Mrs. Gaskill read an account of the dinner of the National Geographic Society at Washington, D. C. when the 40th anniversary of the awarding of the patent for the invention of the telephone to Alexander Graham Bell was celebrated. 5000 people seated at tables in the banquet hall of the New Willard, each with a telephone, listened to voices and sounds carried by telephone wires, and by wireless from Arlington, Va., San Francisco, Florida, Ottawa, Canada, El Paso, New York and Seattle. It was splendid. An original poem by Dr. Alexander Graham Bell, inventor of the telephone, to Mr. G. Marconi, inventor of the wireless. Mr. John J. Cartz, chief engineer, and Mr. Theo. Vail, president of the telephone company, who were among the guests at the dinner.

#### MUST BELIEVE IT.

#### When Well Knows Plymouth People Tell It So Plainly.

When public endorsement is made by a representative citizen of Plymouth the proof is positive. You must believe it. Lead this testimony. Every sufferer of kidney back ache, every man, woman or child with kidney trouble will do well to read the following:

H. C. Lofland, retired farmer, Sandusky St., Plymouth, says: "I had a severe attack of lumbago and for several days could hardly get around. Three boxes of Doan's Kidney Pills cured the attack. I have used Doan's Kidney Pills occasionally since, when my back has been lame and my kidneys haven't been acting regularly. I have always had prompt relief." Feb. 5th, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Lofland had. Foster-Milburn Co., Props., Buffalo, N. Y.

#### OVERWORKED MOTHER Finds Health In Our Vinol

Collinsville, Ill.—"I suffered from a nervous condition and terrible headaches and was tired all over, totally worn out and discouraged, but as I had a large family I had to work despite my suffering. I saw Vinol advertised and decided to try it, and within two weeks noticed a decided improvement, and now I am a well woman."—Mrs. ANA BROWN.

We guarantee Vinol, our non-acretic tonic, to strengthen and build up weak, run-down, overworked mothers, delicate children and feeble old people. Karl Webber, Druggist, Plymouth, Ohio, and all druggists in the U. S.

### BOARD OF AGRICULTURE

#### Of Ohio Bureau of Junior Contests.

To the Friends of the Farm: The Board of Agriculture of Ohio has planned for the boys and men to work together in the 1917 Corn Growing Contests.

The inspirations and lessons of the Junior Corn Contests prompted the board to put on a Senior Corn Growing Contest for 1917.

These contests are the worst enemies of poverty—they have no fellowship with any vice—they are friends to every virtue.

#### 1917 Junior Corn Contests.

A Junior Corn Contest must raise one acre. It has four methods by which he may win, as follows:

1. If he assists in doing all the work up to and including the planting and the rest of all the cultivating on an acre, he may win a trip to Washington.
2. If a Junior does all of the work on the single acre of corn, he may win a trip to Washington.
3. If a Junior farms five or more acres of corn in one plot, he may select any acre of it upon which to win a trip to Washington.
4. If a Junior works with a Senior Contestant on the Senior Contestant's acre, the Junior may then select any acre in the plot to trip to Washington on the 1917 trip is the reward of the Junior Corn Growing Contests.

#### 1917 Senior Corn Contests.

A Senior Corn Contest will be put up in every county, open to men over twenty years of age. The Senior Contest must be carried on upon a ten-acre plot. A boy may have his own acre in his father's ten-acre plot, but the acre must be in the Senior Contest.

The prizes in the Senior Corn Contest are as follows:

1. A grand prize of \$100 will be given to the man who raises the most corn in all the state.
2. A prize of \$75 will be given to the champion of each of the four Corn Districts.
3. A prize of \$50 will be given the champion in the Senior Corn Contest in each county. Seniors, however, may select any acre in the 1917 Tour to Washington in lieu of their \$50.

Trips to Washington will be given in every county for the boys and girls.

For all rules and regulations in both Junior and Senior Contests, write to the Director of Agriculture, Columbus, Ohio.

#### Save Your Stomach

#### By Helping It

It's a well-known fact, if you diet your stomach won't bother you, but for goodness sake, how long are you going to last at that rate?

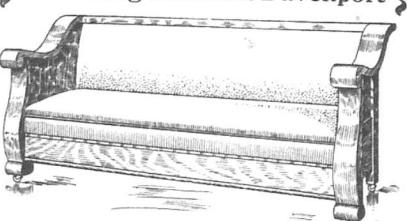

Your body needs nourishment—you must eat if you want strength. The fact that your stomach can't take care of the food you eat doesn't necessarily mean that you must leave your body deteriorate. No indeed—the thing for you to do is to find a way to help the stomach.

Help your stomach and it will help you.

There is absolutely no "if" for articular pains, gas, cramps, flatulency, nausea, heartburn, indigestion or any distress after a meal. These conditions are easily prevented at very little cost. Ask your druggist for a small twenty-cent pack of Peppin's. Take one of these powerful little tablets after each meal for a few days. No more stomach pain—no more belching—no more distress. In fact your food will digest promptly, and will do you good the day after tomorrow. Peppin's has had thousands and it will help you. Stop at the drug store today, at once and prevent all stomach distress. Peppin's is a guaranteed remedy, so you can't lose. Sample from The Neuro-Pharmaceutical Company, Wapakoneta, Ohio.

### Envelopes Cost More.

Uncle Sam is beginning to feel the result of inflated prices as postmasters throughout the country have received word from Washington of an advance in the price of stamped envelopes.

The increase is due to the greatly advanced price of paper and ranges from 36 cents on the smaller and cheaper grades to 100 cents on the larger and better grades. Upon some classes of envelopes the increase will not become effective until after the stocks are sold.

Postoffices throughout the country will soon be supplied with stamped "window" envelopes, with part of the address side transparent, which heretofore have been unavailable. The department decided to put on sale this class of envelopes as a means of enabling commercial concerns to do away with addressing as well as stamps.

Special request envelopes, such as addressed by business men in quantities, may still be secured on from 20 to 24 days' notice.

### Senate Puts O. K. on Lighting Bill.

The state senate has passed the bill requiring lights on all vehicles at night.

The approval of the house also is expected as several organizations which seek the general safety of the highways are supporting the measure.

An increasing sentiment in its favor is reported from the rural districts, where there is an ever-growing demand for safety on all roads. The bill requiring all vehicles to be drawn as well as motor cars, to carry a light at night. Automobiles are relieved of the burden of carrying adequate head and tail lights, but wagons may comply with the proposed law merely with a lantern. Provision requiring all vehicles to be drawn as well as motor cars, to carry a light at night. ### Whose Fault?

What is going wrong with the railroads? Who is at fault? We hear at one place that the reason traffic is congested, and trains are late is because the men will not work; because they are laying down on their jobs; because they are sore over the rejection of the proposed Adamson 8-hour bill received. And from another source we get it that the trouble is with the management of the railroads—that they are not trying to move freight; that they are congesting their lines with cars of coal; that they are not giving the men a square deal; and that the men are late because the men are not worth the wages they are now getting, let alone receiving more through government compulsion. Make up your mind and take your choice, but the fact remains that before this winter has there been more handling of the public's business by the railroads. Just whose fault is it or would have difficulty in saying, but it remains that if it had not been in much longer, converts will be made by the score for government ownership and operation of the roads.

### PRESENT COLD WAVE

Claimed to be the Most Severe in Years.

The cold wave just passed is claimed to be the most severe in years. Chicago had from ten to twenty-two degrees below zero to Friday. Jacksonville, Florida, had a sharp dip above zero and killing frosts. North Dakota points had forty below Friday. Illinois, Minnesota, Wisconsin and Iowa points, from ten to twenty-two below. The Minnesota readings are the lowest in history. Many Indiana plows had eight below. Oregon railroads were closed with snow for eighty miles. Trains were held up and rotary snow plows failed to work. Bacon, Oregon, had a depth of six feet deep. Virginia had a sixty degree drop, to five above zero, Friday. Dallas, Texas, had 13 above zero, a new record. The Rio Grande, Texas, valley vegetable growers will lose millions of dollars by reason of the freeze Friday. Three hundred cattle in open range died at death at Fond du Lac, Wisconsin, Friday. It was twenty below there. New Orleans, with twenty-seven above, had the coldest weather in years.

### Music and Study Club.

The Music and Study Club met with Miss Mildred Howard on the evening of January 30. The following program was given:

- Hymn. Club
- Biography of Beethoven Miss Ruby Clark
- Piano Solo—Pathetique Sonata, Beethoven: Miss Lucile Helmhuth
- Reading. Miss Benedict Selected
- Vocal Solo—"Jean" Burleigh: Miss Alice Stephens
- Review of Beethoven's Life Club.
- Violin Solo—Minuet. Beethoven: Gertrude Shafer
- Slow Movement—Moonlight Sonata Beethoven: Mrs. McClintchee
- Picture Game. Club

The accompaniments were played by Mrs. McClintchee and Miss Helmhuth.

A particular feature of the program was the review of Beethoven, each member giving some incident in connection with the composer's life. The picture game was interesting as well as instructive. The program committee had provided pictures of eighteen composers and musicians, the identity of each to be guessed by the club. The program for the next meeting will be from Wagner's Tannhauser.

### Obituary.

William H. Skinner, son of John and Maria Skinner, was born at New Haven, O., Sept. 30, 1838. Passed away after a long season of declining health on Jan. 28, 1917, at the age of 78 years, 3 months and 28 days. He has always lived on his farm south of New Haven, until three years ago, when he moved his home with his sister, Mrs. Ralph Snyder, at whose home he passed away. Mr. Skinner leaves to mourn his departure one brother, Edw. H. Skinner, one sister, Mrs. Anna Snyder, both of New Haven; one sister, Mrs. Harriet Blanchard, preceded him to the spirit world. There are also two nephews, Mr. Elsie Blanchard and Mr. William Skinner, and three nieces, Mrs. E. L. Davis, Mrs. Harry Brooks and Mrs. Andrew Mills. Funeral services were held at New Haven on Wednesday, at 1 o'clock, by Rev. Matt, assisted by Rev. Vail. The remains were placed in the vault at Plymouth, to await future burial which will be in the cemetery at New Haven.

### CARD OF THANKS

We sincerely desire to thank all who have so kindly assisted during the sickness and death of our brother, William Skinner. Also those who have given the use of their automobiles, and those that have given the beautiful flowers, the quartet for the beautiful service, and Rev. Mott and Rev. Neff for their services. Mr. and Mrs. Ralph Snyder, Mr. and Mrs. Edward Skinner.

 Mr. and Mrs. J. F. Wynne have sold their residence property in the east part of town to Kell Dewitt, who is to take possession shortly. Mr. and Mrs. Wynne will move to Sandusky to make that place their future home.  
 The scarlet fever scare in Plymouth is well at an end, the cases, Philip and Gertrude Willett, being well now near recovery. Both cases were extremely light, and as no other cases have developed in our midst it is now thought all danger is past.  
 In order to get away from the delivery business, a Shelby butcher will deduct two cents from each purchase when the customer calls and takes his meal along with him. This seems like a good idea. The business course of a year will run well up into the dollars.  
 Reduction of the high cost of living through increase in the amount of beef raised in Ohio is sought in a bill introduced by Sen. Crawford. The bill prevents the killing of calves, which then would be allowed to grow and be slaughtered as beef, Senator Miller says.  
 Brumback & Devere will hold a public sale, mostly of live stock, on the Brumback farm, one-half mile south of the public square, Wednesday, Feb. 21, beginning promptly at 10 o'clock. In this sale will be included 9 head of horses, 23 head of cattle, 31 sheep, 1 hog, a few farm implements and many other things.  
 The New Haven Macabees had an installation of officers Thursday evening. Deputy Winters of Castalia, being the installing officer, at the close of which work all members of this lodge will be treated to a family indulged in an oyster supper. Visiting members from Plymouth and Chicago Junction were present.  
 The New Washington high school basketball team will be here this (Friday) for a game with the school boys. As a preliminary to the above game the New Washington high school girls will also contest for honors with our school girls. The game will be called at 7:30 and it is hoped the citizens will give our boys teams support, at least to the amount of a good attendance.  
 People of Plymouth will have a rare opportunity Wednesday evening, Feb. 22, to witness the eight reel photo drama, "The Christian," which will be shown at the Desler Theatre. This picture has been shown in all the large cities and in many places the admission was \$1.00, but the price here will be 50¢ and 10¢, the picture an opportunity to see this wonderful production.

All those wishing dehorning done this month, call on Dr. C. W. Babcock or phone 71.

 From present indications Plymouth experiences quite a building boom this coming summer, several arrangements to build dwellings just as soon as the weather opens up sufficiently to enable them to start work.  
 The evangelist in a burst of passionate eloquence in announcement of world's wickedness declared: "Hell is full of cocktails, high balls, and peck-a-bow waists. A masculine friend of mine said, 'Well, I don't say: "Oh, death there is thy thing!"'  
 The remains of Mrs. Jno. Snyder, some years ago a resident of this place, in the care of George and Bert Snyder, were brought here over the S. N. & M., electric in the funeral car, Dolores, from Cleveland Tuesday afternoon for interment in Greenlawn cemetery, her husband having preceded her in death several years ago.  
 The abbreviated month of the year is with us again with all its arduous duties. The calendar of the erratic twenty-ninth. We have already passed groundhog day. In quick succession we will be given Ash Wednesday, the twelfth, Valentine's day on the fourteenth, and Washington's birthday on the twentieth-second. Pretty good for one day.  
 As a result of a falling given Don G. Eichelberger aid bride, who previous to her marriage was Miss Marcie McBride of Shioh, Wednesday evening, Ed Sullivan, is now carrying a bullet in his left thigh, the result of the carelessness of one of the bellers. No attempt has been made to remove the bullet, but, however, the wound will keep Ed housed up for some little time.  
 A. C. Morse, general manager of the Ohio Seamless Tube company of Shioh, was operated upon Monday night at Lake's hospital, Cleveland. Recently, Mr. Morse fell and fractured his left leg above the ankle, and an X-ray examination showed that the break was through the bone. The bones of the leg were not united and an operation was found necessary to relieve the pressure and reset the displaced ankle.  
 While getting out of bed at her home on Plymouth street, at last week Thursday morning, Mrs. J. H. Randall sustained a fall in which she had a broken hip, broken leg, and a broken arm. The bones were not united and an operation was found necessary to relieve the pressure and reset the displaced ankle.  
 Being short of skilled help, and after numerous and urgent solicitations from the J. D. Fats Co., Robert Clark of the grocery firm of Clark Bros Co. has resumed his old position in the machinery department of the above mentioned company, having started in Monday morning. This will in no way affect the firm of Clark Bros Co. as additional help will be employed to take his place while he is out of the store.  
 The probate court has appointed S. F. Sturtevant, executor of the estate of Mrs. J. H. Randall, who was appointed executor of the estate both of whom died and Judge Cummins made the new appointment in order that S. F. Sturtevant could have authority to cancel a mortgage which had been paid the former executor who failed to cancel the mortgage of record. Lester O'Keefe and Harry Dawson now own the land mortgaged, and it was necessary to resort to the procedure to remove the mortgage from the record and give a perfect merchantable abstract.

Salaries of Ohio jurors will be \$9 a day instead of \$2 per day. If the senate concurs in the Myers bill, providing for the increase. It also provides mileage at 5 cents a mile and prohibits any citizen from serving on a jury more than once every two years.

 The constitutionality of the Adamson eight hour law, passed by congress last summer to avert a nationwide railroad strike, will not be determined by the supreme court of the present congress. The supreme court adjourned Monday until March 5 without handing down a decision in this case.  
 Fifty years ago, one who had a fortune of \$100,000, or even \$50,000, or for that matter \$25,000, in the United States, was "somebody," while to be a millionaire now is so common that little if any distinction attaches to it. There are 10,671 millionaires in the country at present and many more are on the way.  
 In probate court, Nora Cain has been granted a divorce from William Cain on the grounds of gross neglect of duty and extreme cruelty. She is given the custody of the child, and he is to pay \$8 a month during the first six months of 1917 and \$12 a month the last six months for the support of the child. He is to contribute in same proportion until the child is 16 years of age. All property rights were settled out of court.  
 "The Three Godfathers," which will be filmed at the Deisler Theatre Wednesday evening, is the best story that has appeared in the Saturday Evening Post for a long time. Harry D. Carey enacts the leading role, while his supporting cast is also above the average, making an offering of more than ordinary historic ability. "The Three Godfathers" is thoroughly interesting throughout and coupled with good acting and photography make an acceptable offering.  
 With a registration of over 4,000 persons, the fifth annual Farmers' week program held at the Ohio state university at Columbus last week, broke all records in the United States for attendance at similar gatherings. The statement is made after careful investigation. Twenty-five states and Canada were represented, exclusive of the 200 speakers from different parts of the country. As of the first registered ranged from 5 to 90 years. Richland county sent a delegation of 14 persons.  
 Clay Hulbert, the popular horse shoe and blacksmith, who conducts a shop on Porter street, has sold a half interest in his business to Dan Bryant, who for the past three months has been employed in this shop. Mr. Bryant has twenty-five years of practical experience in horse shoeing, having worked in some of the best shops in the country and is short of an all around blacksmith. The new firm, hope by doing satisfactory work, and at the same time retain all their old patrons and add many new customers. Give them a trial.  
 Chas. E. West and H. L. Mellick, two of our well known farmers, have decided to lighten the labors of poor old "doubt," and at the same time accomplish more work by purchasing Avery tractors through J. W. Promentrencher, Shelby, O., representative of Northern Ohio, whose list will be found elsewhere in this issue. The Avery Kerosene Tractors have long since passed the experimental stage and are a proven success on any farm and others in this locality are considering a purchase this spring, realizing with the scarcity of help this is the only solution to economical and progressive farming.  
 For Sale—Twin cylinder Harley Davidson Motorcycle, in excellent condition, cheap. Call on Mrs. Sullivan's evenings after 8 o'clock.

## A Money Saving Service to All Auto Owners.

THERE has opened up in Plymouth a shop where any kind of a pneumatic tire—in almost any condition can be replaced in running order—good for many miles of hard road use. And if the tire isn't worth repairing, we tell you so—if it is—and we fix it—that repairs it

### Unconditionally Guaranteed

The plant which we have installed is the best make that money can buy—it is designed to repair successfully any "fixable" injury on any kind of tire—from 2 1/2 in. motorcycle to 5 1/2 in. tires. And our workmen have learned the tire repair business in the local shops of the manufacturers. The best equipment that we can get and the best practical training to be had, put us in a position to produce the best tire work that can be done.

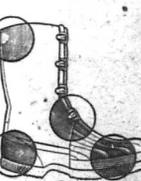

Remember! We guarantee every nickel's worth of work we do.

## CONSTIPATION AN UNNECESSARY EVIL

"Taking cathartics is simply a habit, a habit brought about through the influence of that very unnecessary evil, constipation.

Why not break away from cathartics? You can if you will. Cathartics tear the bowels and simply compel you to take more and more all the time. Isn't it true? You know it is. A small dose answers very nicely at first, but you soon find a larger dose necessary, which in the course of time less its effect.

The up-to-date method is entirely new and safe. Instead of torturing the bowels this new method tones them up. It works in an entirely different manner from cathartics and laxatives. It does its work through the stomach.

Most all bowel trouble is caused by indigestion food. Popocate, this new method, starts right in and takes care of the food as soon as it enters the stomach. Popocate thoroughly digests every particle of food, thereby preventing undigested, bowel-clogging stuff entering the bowels.

Why not try this new method and cure your trouble. Ask your druggist for a small vest pocket bottle. It will cost you twenty-five cents and will last you for a week or ten days. The Newo Pharmaceutical Company, Wapakoneta, Ohio.

Person slain, sixty-eight, was found to death by a bull in his barn near Prudley. His skull was crushed and a leg broken.

## Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.
