## MANY JOINING CHRISTMAS CLUB

Christmas Savings Clubs are becoming more popular each year, says J. E. Nimmons, cashier of The Peoples National Bank. "People are realizing that through this method of systematic saving throughout the year, that they eliminate a lot of worry over necessary cash at the Christmas season," Mr. Nimmons pointed out. The plan is a simple one, and even the smallest child may participate, depositing each week as low as 25c and adults may pay into clubs as high as \$5.00. The average club this year at the bank was \$2.50 and the Christmas Club checks which were mailed out the first of December brought happiness and satisfaction to many Plymouth people.

Over \$12,000,000 were distributed in Ohio this year and this fact alone proves that the public likes the Christmas club idea. Talk it over tonight and see how many members of your family can afford to start a club. Surely there is no better method of teaching thrift to the children than through the Christmas club idea. Start one for your child and let them enjoy seeing it grow as the months roll by.

The Peoples Bank will give all necessary information concerning Christmas clubs and you will be under no obligation when you make an inquiry. But let us suggest that you start today for the club plan closes Jan. 1.

## PLYMOUTH HAS NEW INDUSTRY

C. G. Cale this week announces the opening of The Plymouth Dairy Products Co., manufacturers of high grade dairy butter and fresh cottage cheese. Mr. Cale has been connected with the milk industry here for some time and a few months ago conceived the idea of furnishing the community with a high grade butter and cottage cheese. The newest type of machinery has been installed in a sanitary and modern building and Mr. Cale is inaugurating his opening with a certain degree of pride in the belief that she is giving the public creamery products that are the best.

A milk route has been worked out by Mr. Cale and the farmers have given him splendid support. Local grocery stores will handle the products here and stores in nearby towns will also carry Plymouth butter and cheese. The dairy butter is put up in pound cartons and has that fresh country butter taste and flavor.

## ELECTRIC SERVICE STATION OPENS

C. R. Thornhill announces the opening of a complete electrical service station for automobiles. Mr. Thornhill states that he has the most modern equipment for the purpose of checking up on lighting and ignition systems, batteries, etc., and carries a complete line of parts and supplies. If you are experiencing lighting and starter trouble or electrical defective signs of any kind on your automobile, you are assured of real service at The Point Filling and Electrical Service Station.

A repair department is also maintained and the service station is ready to give excellent service in the repairing of armatures, timers and batteries and also the recharging of batteries and mechanical repairing of all kinds. An inspection of the plant is invited at all times.

## NEW LONDON GETS FACTORY

Foretts Garment Company to Start January 1st  
NEW LONDON—Operations are expected to begin about January 1st at the new Foretts Garment Company, located in the Hibbard block. The company has recently been incorporated with the following men interested: Robert E. Kelley, John T. Kelley, Frank P. Ford, Clark A. Blackman and John T. Hognett. Robert E. Kelley is president, John T. Kelley is vice-president, Mr. Hognett is secretary and Mr. Ford is treasurer and general manager.

The new concern will manufacture aprons, frocks and other wearing apparel.

## SUBSTITUTING

Mrs. Paul Fisher substituted Monday at New Harvard schools pending the arrival of a new teacher.

## A Merry Christmas to All

### NEW PLATES MAY BE USED FRIDAY

The new 1929 license tags may be used tomorrow. And as usual a grand rush is predicted for the new license plates, and most of the automobile clubs and individuals who are handling them are ready and willing to render the best service possible. However, auto owners making applications should have their bill of sale recorded and other credentials necessary. This will be a great help in making out the papers and securing your plates.

Paul Russell, who handled the tags for Plymouth in such a fine shape last year, is again on the job and Paul states that he will not be open after 8 p. m. in the evenings. So far few tags have been sold in Plymouth and this story should serve as a reminder of the fact that January 1st will be the best day for the old 1928 tags.

The new tags have a light background of apple green with black numerals. They are very attractive.

### W. C. T. U. MEETING HELD THURSDAY

The Plymouth W. C. T. U. met at the home of Mrs. J. W. Pate Thursday December 13th. 2:30 p. m. The meeting was called to order by the president, Mrs. Baltzell. Mrs. Ada Shepherd read Psalm 98, and led in prayer. The committee reported that no frames had been found for the Frances Willard pictures; they were authorized to price frames for two of the pictures. Anyone having a frame 1925 to donate, should notify Mrs. Shepherd or Mrs. Ferguson.

The L. T. L. plus were reported received. After the business session "Peace" was the topic of the program. An article telling of the first peace society founded in 1815 and "Peace and Arbitration" adopted by the national W. C. T. U. in 1885 was read. Peace quotations from George Washington, John J. Pershing, Sen. Borah, Herbert Hoover, Frances Willard, Anna A. Gordon and others were given by various members.

The creed of believers in a warless world as adopted by the Federal Council of Churches was read. The present navy bill before congress was discussed. The meeting adjourned with the Missal benediction.

### TWO NEW FORDS

Messrs. Floyd Russell and Mart Moser drove two new Fords to Plymouth Monday. One of the machines was a tudor and the other a fordor sedan. They are for Shiloh residents. The Ford Motor Co. is now completing 5,000 cars every 24 hours and Ford expects to make 2,000,000 cars in 1929. During the change over from the Model A to the Model A Ford lost his place in the production line in 1928, Chevrolet taking the lead, but reports from reliable sources now state that Ford is again on the top in production by 500 cars a day. It is said that by the first of the year he will be turning out 10,000 cars a day.

### SHERIFF'S SALE

Last week Sheriff C. D. Tinsman of Huron county, conducted a sale of a large bit of personal property on the G. B. Stockhouse farm in Fairfield township.

Mr. and Mrs. H. Keadle and family visited Mrs. Keadle's sister in Leona Sunday.

### NEW BUS LINE

Plymouth may have another bus line, according to a story appearing last week in The Willard Times. The Times, in its account of a meeting of the Willard Civic Club states that the Fleetwood Coach line had been organized to operate buses between Willard and Willard. It is reported that two new 17-passenger coach type buses would be purchased and that application had been made to the State Public Utilities Commission. The Civic Club was asked by the coach line to give its endorsement to help get a permit from the Utilities Commission. It was stated that the line would make Willard its main terminus and would arrange its schedule to connect with Baltimore and Ohio trains, and especially the Capitol Limited. The coaches would travel the way of Celeryville, Plymouth, Shiloh and Mansfield.

### "BOB" NIMMONS SMILES AT '73

Reaching the seventy-third milestone is a privilege few men can boast. And to be active and enjoy life at this age is something that most of us hope for. We read biographies of industrial heads and business executives in many national magazines, but there is not a more colorful life pictured in any of them than that of Robert H. Nimmons, better known to the community as "Bob" Nimmons. And at 73 years of age Mr. Nimmons is capable of supervising one of the strongest financial institutions in this section of the state—The Peoples National Bank. For thirty years Mr. Nimmons was associated with the hardware firm of Nimmons and Nimmons and in 1916 he became associated with The Peoples National Bank as vice-president, later becoming president of the institution, a position he has held for ten years.

"Bob" Nimmons has been a real benefactor to his community in more ways than one and at present is trapped in the New Haven township. He was also mayor of the village at one time. Although bank president and business man "Bob" still retains his love for the farm, and in the balmy days of early spring he is seen dressed in a pair of overalls with that familiar black hat and his faithful old "Lizzie" headed for the farm, and he attributes the outdoor work as a key to his health.

Just the other day the writer asked of Mr. Nimmons what he intended to do on Christmas day, and the reply was: "I expect to go out on the farm and do a little work." In the early hours of the winter morn he attends to his business affairs at the bank and throughout the long hours of the day he is actively engaged over an adding machine or ledger with that familiar "We of the community meet 'Bob' daily and we know that he is well, healthy and active, but there are hundreds of our readers that will be glad to learn that he is 'bitting on all six' at seventy-three years of age. The Advertiser joins with the community in extending to him the best returns of his birthday.

### FORMER SUPERINTENDENT VISITS HERE

Prof. and Mrs. L. S. Focht and son Raymond of Tiffin, Ohio, were visitors in the home of J. L. Judson Sunday. Prof. Focht is a former superintendent of our local schools.

### COMBINED CHOIRS TO GIVE CANTATA

A very appropriate cantata for the Christmas season will be rendered at the Methodist church next Sunday evening when the Plymouth and Shiloh choirs under the direction of L. Z. Davis, will render "Chimes of the Holy Night." The first Sunday night after Christmas the cantata will be given at the Shiloh church. The program will begin promptly at 7:30. The program follows:

- Christmas Bells are Ringing Choir
- How Beautiful Upon the Mountains (Solo) Mrs. Price and Mrs. Davis
- But Thou, Bethlehem (soprano solo) Mrs. Rank
- Women's Chorus and Choir
- Earth's Weary Waiting Done (soprano and alto duet—Mrs. McEwen and Mrs. McDowell) Choir
- In the Watches of the Night (soprano solo) Miss Lamereaux

- The Lord is Born Today (final chorus) Choir
- Plymouth M. E. church, Sunday evening, December 23rd. Shiloh M. E. church, Sunday evening, December 30th.

### A SOPHOMORE

A Plymouth girl who has gone away to college this year is Miss Betty Bachrach, who is a student in the College for Women of Western Reserve University, Cleveland. Miss Bachrach is a member of the Sophomore class. Western Reserve University has a unique distinction in being one of the few institutions in America having coordinate education, that is, separate undergraduate colleges of liberal arts and sciences for men and women. The College for Women, which Miss Bachrach is attending, has this year an enrollment of 824 students.

### MAY PUT VIOLATORS TO WORK ON ROADS

Belmont county is sponsoring an ideal solution to the overcrowded jail. County commissioners are considering a recommendation of State Probation Inspector George Babym, who operates in the St. Charlesville district, of placing all liquor law violators at work on the county roads. The inspector stated that the county could save at least \$50,000 annually from road construction if thirty prisoners, half the average number confined in the county jail each month, were put to work on the roads. It is said that if the suggestion be adopted stone quarries would be opened and the prisoners set to the task of getting out material for the thirty miles of new highway to be constructed in Belmont county in 1929. The use of prisoners on road work has been found very valuable in many northern states and there is no reason why any state should have, cloths and food a violator, and let him aid in the manufacture of commercial articles, when road work would be more suitable to the taxpayer.

### ANNUAL INSPECTION

The D. of U. V's held their annual inspection in their tent room at Shiloh by Friday night. Their inspectors were Mr. Bert Droz, (mother of this organization), from Mansfield. She was accompanied by Miss Cochran who was president of Mansfield tent at the time the Shiloh tent was formed and was the officer in charge during the instituting exercises. Miss Harriet Beck, Past District president was also present. Those in attendance from Plymouth were Mrs. W. C. McFadden, Mrs. Doyle, Miss M. M. Leach, Mrs. Phillips, Miss Harriet Rogers and from Shiloh were Mrs. Arthur McBride and Mrs. Reynolds.

### HUGH DIAMOND HERE TONIGHT

A very interesting program to which the public is invited has been planned by the Parent-Teachers association for their meeting which will be held tonight at the Presbyterian church, and includes Hugh Diamond as the main speaker of the evening. Mr. Diamond needs an introduction to Plymouth for he has spoken here before and has a large host of warm friends in the community who will receive him with much applause. Mr. Diamond is considered one of Ohio's best entertainers from the platform and he always leaves his audience something to think about. His address will be found full of humor and best of all he'll send you home, proud of your community, proud of your influence and proud of your home life.

If you've never heard of Hugh Diamond come out tonight and receive inspiration that you've never before had, and those who have had the pleasure of hearing this good gentleman will be there without any urging. The Parent Teachers have gone the length to make this the most interesting meeting they've ever held and there'll not be a slow minute in the entire evening. It is plainly stated that no admission will be charged but at the end of the program a collection will be taken.

- The program for tonight follows:
- Prelude by Orchestra
- Opening of Meeting by Presentation
- Play Play Salutes and Star Spangled Banner
- Business Session
- Soprano Solo "Love is the Word"
- Humorous Lecture—Hugh Diamond
- Contra Alto Solo "Even as the Flowery"—by Frederick Logan
- Mrs. Clarence Stroup
- Orchestra
- Duet—"The Night Wind"—by Ernest Ball
- Mrs. Weaver and Mrs. E. J. Ball
- Orchestra
- Everybody is invited to attend this meeting.

The High School and Junior High are invited to attend and all pupils below the eighth grade may come if accompanied by their parents.

### YOUTHS HELD

Alfred Wiley and Merle Greenwald, both of Monroeville were turned over to the juvenile court at Norwalk last Thursday. They were arrested a few days ago for an investigation in the matter of a number of robberies which had been committed around Norwalk and Monroeville. Police report that the young Wiley admitted having participated in about eleven robberies in Monroeville and Norwalk, including garage, automobile, school buildings and other places of business.

## SHORT CULLINGS AROUND TOWN

Many little interesting items have happened the past two weeks, but the crush of Christmas business has made it impossible for us to handle everything in the news line.

Frank BeVier is again with us after an absence of several weeks in Oberlin where he conducted a riding academy. Frank recently sold out to an Oberlin veterinarian and he says the horse-riding habit is coming back. "The College girls are certainly up-to-the-minute," says Frank, and he is intimidated that smoking cigarettes is about as popular among the young set as any other habit.

The Rule Clothing Store set an example last week that other Plymouth merchants should follow up, not this Christmas but next. This enterprising firm has purchased a Christmas tree and placed it in front of the store, beautifully lighted with the smallest colored lights. Shiloh has the custom of placing trees with lights as well as Shiloh. And we think that the American Legion or individual firms should see to it that next Christmas will find our town appropriately decorated.

Rev. F. H. Herbert of Lancaster was here last week where he assisted in the service for the late Jackson BeVier. Mr. BeVier's passing removes one more of Plymouth's beloved citizens and he will be missed by his many friends. The old folks on and in the cities which were honoring this man of noble character.

Postmaster W. M. Johns says the public is getting accustomed to the "mail early" idea and that this year the post office department is making a greater effort to mail the mail more efficiently. In the smaller towns it has always been customary for the parcel post and letters to lay over at some terminal on Sundays and then shipped in on Mondays. This year, however, all parcels passing through Plymouth, Ohio, will take on and discharge mail. It is believed this will aid in the mail service.

The installation of officers was held recently by Richard Lodge, P. A. M. The officers of the lodge at the event was the most pleasant one. The officers installed for the coming year were: Worshipful Master Carl Robinson; Senior Warden J. B. Derr; Junior Warden, Joe BeVier; Treasurer, Elton Nimmans; Secretary, Allen Norris; Senior Deacon, Harold Ruckman; Junior Deacon, Henry Munn; Tyler, Arthur Brumback; Stewards, Basil Scott and Glenn Dick.

The village council at its last meeting passed a resolution for the improvement of certain sidewalks in the village. This is a good move. There are many bad walks that need attention and they are dangerous especially at night. The official notice was published last week.

While many of the city merchants are kicking about the weather and its effect on business, most of our local stores are reporting a good increase up to last year's business and a little over, which proves that the weather doesn't always affect business. However, had we enjoyed a good snow and colder weather it is probable that a good size increase would have been experienced over last week's sales.

The new telephone directory will be ready for distribution by the first of the year. The copy has been in the hands of the printer for some time and everything is in readiness for its completion. However, until you receive your copy, ask the operator for anyone residence by name and you will receive prompt and courteous service.

Our telephone operators are to be commended for the splendid service which they are now rendering and they are striving to please with their efficient service, and yet, we notice so often a subscriber calling a number without the "please." It is a habit of ours in following up a number with "please," and you don't know how good it makes the "hello girl" feel. Try it some time. Courtesy is always extended those who are courteous.

### IMPROVING

Mrs. Maurice Bachrach was removed to her home last week from a Columbus Hospital where she was confined following an operation. Mrs. Bachrach is getting along nicely.

**On Christmas Day**  
By Anne Campbell, in Chicago Daily News.

God has rich gifts on Christmas day to bless  
A heart bowed down with misery and tears.  
The backward glance to joys of other years  
Threatens the mind with poignant loneliness.  
But from our troubles we find swift release  
When we recall His promised gift of peace.

Today God is the Host to those we love—  
Dear gentle angels with their folded wings  
Before a table laid with holy things.  
Perhaps they speak of us in realms above  
And pity us, who set such childish store  
By Christmas toys and holly on the door.

Because He promised us we should go on  
Through star-pierced clouds until we reached His side,  
We think of our beloved, satisfied,  
They have found happiness behind the down,  
And we, who dine today on lonely fare,  
Have learned to see beyond the empty chair.

## Alfalfa Hopeless Until Its Tried

Putting Question to Proof in Muskingum County Gets Big Results.

Alfalfa was a washout in Muskingum County. Too uncertain and too expensive. In an agriculture changing rapidly from general farming to dairying alfalfa and other legumes were badly needed for feed and for soil improvement. But alfalfa was a washout.

Until John Tom of Rich Hill township, in cooperation with W. S. Barnhart, county extension agent, put the question to the proof. On a three-acre plot Tom spent \$48 in 1928, for four and one-half tons of hydrated lime, costing \$40; superphosphate, 560 pounds of it, costing \$16, and alfalfa seed, 15 pounds to the acre, costing \$12. Superphosphate and lime applications were made after soil tests and the alfalfa planted with a light seeding of oats which was later cut for hay.

The same year Tom harvested seven tons of alfalfa from the three acres worth \$20 a ton. In 1927 the yield was six tons, and in 1928, eight tons. In all, 21 tons of \$18 worth of hay in three years. And no superphosphate or lime was added after the first year.

"I can produce milk more economically on alfalfa than on mixed hay, and the cost of lime and phosphate isn't going to keep me from having another 10-acre field of alfalfa as soon as I can," is Tom's verdict. He is a dairyman and a producer of purebred Jerseys.

## HEAT AND LIGHTS MEAN MORE EGGS

Big Idea is Maintaining Feed Consumption in Sudden Cold Spells.

Heat and light in the hen house mean more eggs when eggs are high in price. And the purpose of both heating and lighting is to keep the laying hen eating as much feed as she can be persuaded to take.

No slump in egg production is likely to accompany a sudden cold snap if the normal feed consumption is maintained, according to the poultry husbandry department of the Ohio State University. One method of controlling the temperature is through insulation of the chicken house. This, however, may nearly double the cost of the structure. Some poultrymen are finding that by placing brooder stores in the laying houses and firing them during the extremely cold weather, they can sufficiently raise the temperature. In case neither insulation nor artificial heat is practicable, the poultry specialists recommend the feeding of small quantities of milk-moistened mash and small quantities of grain at frequent intervals during the day.

When artificial lights are used to increase egg production, they should not be used to give more than a total of 14 hours of light a day. Failure to supply lights regularly, or to provide water and feed when the lights go on, also give bad results.

## PROMINENT IN MUSIC CIRCLES

GREENWICH—A former Greenwich man has heard the call of Hollywood, the mecca of beauty that disseminates its wonder all over the world through the long rolls of celluloid.

He is Orjee Weaver, pianist, vocalist, and prominent musician. In Hollywood he is engaged in directing chorus work and recently he presented a Men's Chorus of a Hollywood church in a concert that was so well directed that he and his work were praised by the Hollywood press.

Mr. Weaver was born in Greenwich, the only child of Mr. and Mrs. Jacob Weaver to reach maturity. He was director of music in Greenwich schools about twenty years ago.

The musician is a graduate of the New England Conservatory of Music at Boston, Mass., and he has been the instructor of many famous musicians. Among his associates were the late Alfred Arthur and Charles Edwin Clemens, the latter a prominent Cleveland organist.

He was instructor in music at Baldwin University, and Cleveland College of Music. Mr. Weaver was professor of public school music at Valparaiso, Ind., dean of music at University of Arizona and director of music at glen clubs there.

Mr. Weaver is a master of the piano and possesses a beautiful baritone voice. His wife is a well-known singer and broadcasts from western radio station.

## NEWS FROM DELPHI

A Merry Christmas to all.

### PARRATT BROTHERS RECEIVE FOOTBALL LETTERS AT MIAMI

Lloyd Parratt, a graduate of No. Fairfield high school last year, has been awarded a freshman football letters at Miami University. His brother, Harold, is a varsity Miami guard. The Parratt brothers and Bob Whittaker of Norwalk, a varsity Miami back, received their letters at the big football banquet recently held at Miami U.

### STATE TAXES SHOW INCREASE

Total taxes collected in Ohio during the fiscal year 1926-27 were \$347,156,972 or an increase of 27.3 per cent. as compared with 1912-13, according to a statement being sent members of the Ohio Chamber of Commerce by the Research Department of that organization. A study of these tax collections reveals that population increase only 27.4 per cent. and total value of taxable property 101 per cent. during the same period. Per capita tax collections increased from \$18.40 in 1912-13 to \$53.84 in 1926-27 or in increase of 193 per cent.

The Research Department of the Ohio Chamber of Commerce has shown that the burden of this great increase in tax collections is carried by general property which increased \$222,163,246 or 290 per cent in 1926-27 over 1912-13. Prior to the inauguration of gasoline taxes, which started in 1925, general property taxes shared over 88 per cent of total collection. In the year 1926-27, which includes gasoline tax collections, general property shared over 86 per cent of collections. The next greatest tax collection was that of gasoline which realized a per cent. of the total while automobile taxes bring 3.05 per cent. The source from which the lowest tax is collected, aside from liquor is building and loan associations which shares only .64 per cent.

Taxes collected for state purposes only tell another story, the Research Department says. In 1926-27 there was collected \$43,335,107 for state purposes which represents an increase of \$30,136,884, or 288 per cent over 1912-13.

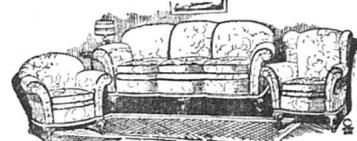

The percentage distribution as shown by the state collections, exclusive of gasoline taxes, indicates that most of these collections come from public utilities which share 24.4 per cent of the total for state purposes. Automobiles pay 18.5 per cent; insurance companies 16.99 per cent; domestic corporations in franchise taxes 14 per cent; and state levy on property 10.3 per cent. When gasoline taxes are included in state tax collections, they account for 32 per cent. of total collections for state purposes. A most interesting comparison of excise tax collections from public utilities from 1918 to 1927 inclusive shows that railroads have been paying over

90 per cent of the total. In 1927 there was collected \$2,621,125.16 from railroads or 50.4 per cent of all collections from public utilities. Electric light utilities rank second with 15.65 per cent. Electric light utilities have increased more rapidly than any other utility since 1918. In 1918 they paid \$203,229 in collections or 4.7 per cent of the total while in 1927 they paid \$1,124,577 or 15.65 per cent of the taxes paid by all utilities.

### The Parson's Column

Merry Christmas! What a world of meaning there is in the greeting and yet how varied that meaning may be. To some it is but a formal passage of the time of day, a certain season of the year, to others it is but the expression of "Hale Fellow Well Met." But to him who has ever taken the time amidst the press and rush of the daily routine to go in spirit on a Holy Pilgrimage to the manger cradle at Bethlehem, there is kneel, as did wise men of old, in homage to the "Prince of Peace" it is more than a mere pleasantry. It is the expression of a joy of living under the sway of so glorious a sovereign.

How the spirit of the season grips us. We remember by scores of loved ones and friends. The currents of life move on from year to year. Those with whom we were intimate a few years past have been carried one way, another, and in the divergence of the currents we all but forget one another. Then comes the Christmas-tide and with exchange of greetings old memories are revived and friendship's fires rekindled.

It is as it should be, for did not Jesus the babe of Bethlehem come amidst an angelic chorus of "Peace on Earth Good Will Towards Men" He, who formed so close a companionship with the twelve and said to the One Hundred and Twenty, "Lo I am with you always" would surely have us nurture those friendships, all too few, which by the grace of God come to us.

But with our greetings let us send by way of the mercy seat a prayer for one another.

**"COME SOUTH, INDUSTRY"**

Many years ago Horace Greeley advised young men to "go West." Thousands followed the great editor's counsel. Today the decided advantages offered certain industries by Southern States are saying "Come South, Industry." Many industries, especially the new ones growing out of the tremendous chemical developments since are world war, are responding. A notable instance is found in increasing concentration of rayon manufacturing in the land of Dixie.

One of the largest rayon plants in the Southland is that of the Du Pont Company at Old Hickory, near Nashville, Tennessee. With a present production of 10,000,000 pounds annually the putting into operation of a third unit will largely increase the yearly total of rayon at the Old Hickory plant. Another important expansion of the same company is well under way near Richmond, Virginia, where a large plant is under construction.

The building of the Virginia plant has developed the fact that the idea that "rayon is rayon" is soon to be dispelled from the public mind. In other words, consumers are to learn that there are not alone grades of rayon but also rayon with widely differing characteristics. Limits to the uses of rayon are fast being removed by the development of manufacturing processes which in various respects differ widely from the original basic process. In effect these new kinds of rayon are as revolutionary in the rayon field as was the introduction of rayon in the textile field. Virtually new textiles are resulting from the advancements being made in the production of rayon yarn. The manufacture of "Aeolee," an acetate-process rayon, at the Du Pont plant in the Old Dominion State will mark one of the great advances in textile production.

**FAMOUS FANS by Haile T. Hendrix.**

THE FEMALE OF UNCERTAIN YEARS WHO HURNS IN AT ALL THE DANCES

Aeolee affords an example of how modern industrial chemistry responds to demand for new materials. In this acetate product the great French designers have found means to produce "creations" such as never before have been seen. For the simple reason that no other material is like Aeolee. With the beginning of the making of Aeolee in Virginia, the women of America will have another important item to add to their shopping lists.

Textile manufacturers are expected to benefit largely from the production of Aeolee because of its excellent winding and weaving qualities. Its uniformity in taking dyes its evenness and other properties.

**SANTA AND HIS TREE**

By W. H. Fetters  
Of all the trees I ever seen  
Bearing fruit it is so blessed  
The Christmas tree so ever green  
Is the one I love the best.  
It was never known to ever bloom  
But bears fruit as if it had  
Yields fruit of so many kind  
That makes the children glad.  
Bears once, the fruit is good.  
We all do this much enjoy  
Many things the children need  
Down to the little toy  
It brings joy to young and old  
To children it is a thrill  
It yields the fruit of Santa.  
As the many orders do fill.

Santa will say these stockings  
That did once hang on his tree  
The amount it took to fill them  
Will now fill just three.

Old Santa is so busy just now  
Getting letters from everywhere  
Selecting the many presents  
With the greatest of all care.

Now Santa you have our names  
You remember our young faces  
Most of us live where we did  
Some have changed places.

Every child loves old Santa  
He loves the girls and boys  
He works from Christmas to  
Christmas, making many toys.

Santa has sold his reindeers  
They could not keep up a speed  
He bought him a big auto  
His business did this need.

In Santas wonderful auto  
Provided with room in the back.  
He will hook and step on the gas  
As he has no whip for to crack.

Please Santa don't forget us  
We have waiters just one year  
No one has brought so many things  
As you, since you were here.

Years roll on we grow up  
And no longer girls and boys  
We bid farewell to Santa Claus  
We no longer need his toys.

The little green tree laden down  
With things a sparkling glow,  
No day like our Christmas day  
We want you all to know.

O. E. S. ENTERTAINED  
The O. E. S. Social Circle held a kid's party, the evening of Dec. 5th, at the home of Mrs. Gladys Fetters, with Mrs. Jennie Ruckman, assisting hostess. **MRS. L. WAITE DIED MONDAY**

After a lingering illness of many months Mrs. Ludoka Waite, 84, passed away at the Shelby Memorial hospital at one o'clock Monday morning. Due to her age Mrs. Waite had been in feeble health for a number of years. The remains were brought to the Miller mortuary and prepared for burial.

Funeral services were conducted Wednesday afternoon at 2 o'clock at the Lutheran church with Rev. A. M. Himes officiating. Members of the O. E. S. attended in body.

Mrs. Waite was a life-long resident of Plymouth and was held in high esteem by the entire community. She was a faithful member of the Lutheran church, and past grand matron of the Eastern Stars. She was always active in any movement for the betterment of her community and was always true to her friends.

Mrs. Waite leaves one son, Delbert Waite, who is now in California, also several relatives and a host of friends.

Mr. and Mrs. Geo. B. Hatch were in Marion, O., over Saturday and Sunday, visiting relatives and friends and also attending church there.

**REMAINS BROUGHT HERE**

The remains of David, Kirkeendall, former Plymouth resident, were laid to rest here Monday afternoon in Greenlawn. The last rites were held at Greenlawn chapel where many friends gathered to pay their last respect. Mr. Kirkeendall was born in Plymouth and married Miss Florence Nixon. They made their home here until about twenty-five years ago. While here he was employed by the old J. D. Fate Co. as a machinist. Mrs. Kirkeendall preceded him in death about four years ago. No children survive, but the deceased leaves several near relatives and a host of friends. Chas. G. Miller was in charge of funeral arrangements.

**EXTENSION OF TIME FOR PAYING TAXES**

The County Commissioners of Huron County have granted an extension time for paying the December taxes to January 30th, 1929. This has been customary in the past and is made necessary this year owing to many special levies voted upon in the November election.

G. A. Stoutenburg, County Treasurer  
Mrs. Chas. Miller and daughter, Mary Louise, were in Sandusky last week.

The Alpha Guild of the Lutheran church will hold a bake sale Saturday starting at 1:30 o'clock at Brokaw's Drug Store.

**Washes, Carries Coal, Woman Gains 18 Pounds**

"I wash, iron and carry coal and don't get tired, since taking Vinol. Also, I have gained 18 pounds."—Mrs. S. Cortes.  
Vinol is a delicious compound of cod liver, pepton, iron, etc. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. The very FIRST bottle often adds several pounds weight to thin children or adults. Tastes delicious. Karl P. Webber, Druggist.

#### O. E. S. INSTALLATION

On Wednesday evening, December 12th, the following officers of Plymouth chapter No. 211 O. E. S. were installed for the year:

Worthy Matron—Wanda Bevier  
Worthy Patron—R. R. Miller  
Associate Matron—Stella Eastman  
Secretary—Miriam Herhartz  
Treasurer—Mabel Boyle  
Conductress—Jean Miller  
Associate Conductress—Ruth Anderson

Organist—Gladys Fetters  
Adah—Mabelle Stewart  
Ruth—Donna Hawkins  
Evelyn—Grace Heath  
Martha—Agnes K. Sillman  
Elicia—Margaret Miller  
Wanda—Lydia, Bettac  
Sentinel—Alio Munn

The retiring Worthy Patron E. K. Trauger and retiring Worthy Matron Mrs. Anona Root were each presented by Mrs. Ruth Anderson, with lovely gifts from the O. E. S. Social Circle. The gift to the retiring Patron was a lovely Past Patron's Jewel, and to the retiring Matron was a beautiful basket of flowers.

Mr. Trauger has been Worthy Patron of Plymouth Chapter for eight different years.

The Chapter having decided to show its appreciation to all Past Matrons and the retiring Matron of the Chapter, Mr. E. K. Trauger presented each with a beautiful Past Patron's pin.

A lovely basket of chrysanthemums were presented to the Worthy Matron Mrs. Wanda Bevier by Mrs. Alberta Hoffman, from her officers.

The rest of the evening was a social time and delicious refreshments were served by Mesdames Hattie Dick, Josie Root, LaTrne Brumback, Daisy Derr, and Miss Rilla Trauger.

#### ATTEMPT BUS HOLD-UP

Six men attempted to hold up a Canton-Ravenna bus last Wednesday night when they blocked the road and used flashlights as a signal. The driver of the bus thinking a passenger was wanting aboard, almost came to a stop when he noticed the men with guns and flashlights. He instructed his four passengers to lay on the floor and he ran the gauntlet of the gunmen, eight bullets taking effect in the body of the bus.

#### CHRISTMAS BOX

The Queen Esther Circle met Monday evening with Miss Opal Phillips to pack their second Christmas box. This box containing toys, books and candy will be sent to the Mining Districts of Jefferson County.

#### LARKIN CLUB HOLDS ALL DAY MEETING

Mrs. Bob Gilger was hostess to members of her Larkin club at an all day meeting Thursday, with a pot luck dinner featuring at noon.

A Christmas tree holding a gift for each member which were presented by the secretary, Mrs. Carrie Sturtz, added considerable to the days' enjoyment.

Those enjoying Mrs. Gilger's hospitality were: Mrs. Mabel Trauger, Mrs. Mary Parcel, Mrs. Alice Williams and son Jimmy, Mrs. Hazel Anderson, Mrs. Edna Martin and daughter Hilda Jane, Mrs. Clara Steele and children, Mrs. Bertha McDougal, Mrs. Carrie Sturtz, Mrs. Artie McDougal and daughter and the hostess.

#### LARKIN CLUB

Mrs. Harold Biller entertained her Larkin club members Monday evening. Games and a social hour enlivened the guests with refreshments served at a late hour to the following: Mrs. Ber Marvin, Mrs. Albert Marvin, Mrs. D. E. Blosser, Mrs. Flegley, Mrs. Ethel Straub and Mrs. Harold Biller.

#### A BIRTHDAY SURPRISE

A very pleasant party was given Sunday 16th, by Miss Ruth Nimmons at her home on Sandusky street, honoring her grandfather's 73rd birthday.

At 1:30 a four course dinner was served the climax to this being the big cake with the candles, which "granddadd Nimmons" blew out, secretly making good wishes for the "future" of his two granddaughters.

The afternoon was spent in visiting and listening to the music furnished by the hostess, Miss Ruth, and sister Margaret.

The Plymouth guests were Mrs. Catherine Taylor, Miss Elvora Taylor Dr. and Mrs. S. S. Holtz, while those from out-of-town were Mrs. Frank Twiddle of Cleveland and Mr. Harold Dugan of Norwalk.

The color scheme was red and green in keeping with the coming holiday season.

#### MISSIONARY SOCIETY

"Learning to live together" was the lesson taken from the study book "What you in Missions" interesting

by told by Mrs. L. Z. Davis at their Friday meeting of the M. E. Missionary Society.

The Society met with Mrs. E. A. Stotts of Sandusky street and Mrs. A. A. Ross took charge of the devotional. Eleven members and one guest were present.

The January meeting will be held the Fourth Friday at the home of Mrs. F. M. Glendon.

#### CHRISTMAS PARTY

The Christmas spirit prevailed at the home of Mrs. G. W. Pickens, Thursday evening when she entertained a group of friends with Mrs. Beryl Miller as associate hostess.

A miniature Christmas tree, brilliantly lighted and with other Xmas decorations used throughout the rooms gave a pleasing effect.

Games and contests provided merriment with the unique answers to questions asked. A delicious lunch was then served, followed by a Christmas exchange which brought to an end a delightful evening.

The evening's guest list included: Messrs and Mesdames, Stacy Brown, Donald Ford, H. J. Lippus, F. W. Thomas, Ted Jenkins, R. R. Miller, Beryl Miller and G. W. Pickens.

#### PYTHIAN SISTERS GIVE SOCIAL TEA

The first social tea given by the Pythian sisters to their families last Thursday evening, Dec. 13th in the Pythian Hall was well attended, about fifty being present.

The evening was spent socially, with music cards and dancing. At the close of the evening a lunch was served by the committee.

About the midnight hour, they all departed for their respective homes wishing to each and every one a Merry Christmas.

Mrs. Bertha McDougal, Press Corr.

#### MISS POIZEL HONORED

On Monday evening Ruth Nimmons and Miss Ruth L'Amoureux entertained at the Nimmons' home on Sandusky Street, in honor of Miss Helen M. Poizel, whose nuptials will be an event of the holiday season.

The evening was spent informally, in homing in on the tree, home, making of a bride's book, in which each guest wrote "tested recipes" and social conversation.

At the close of the evening the guests were invited to the dining room, where a tempting luncheon was served, a color scheme of pink and green being cleverly carried out.

Those present were Mrs. Dora Barr, Mrs. Glenn Dick, Mrs. Jean Seville

and the Misses Grace Earnest, Ruth Donnenwirth, Mary Jo Fate and the guest of honor.

#### ANNUAL CHRISTMAS PARTY

The annual Christmas party of the Friendship class was held Tuesday evening at the home of Mrs. S. S. Holtz. Her assistants included Mesdames J. W. McIntire, Frank Kene-trick, Ira Haindel, L. C. Moorfoot and Mrs. Close.

Mrs. E. A. Stotts took charge of devotional and roll call was responded with Christmas verses, readings and scripture. Miss Ruth L'Amoureux responded with a pantomime, Mrs. S. M. Brokaw gave two readings which were enthusiastically received, and Miss May Homing also gave an appropriate reading. Several Christmas songs by the class concluded the program.

The Holtz home was beautifully decorated, a Christmas tree holding the center of attention with its tinsel, bright colored balls and lights. The rest of the house was also decorated with seasonal trimming, giving forth that air of Christmas feeling.

Following the exchange of gifts which was a prominent feature of the evening's entertainment, lovely refreshments were served to the forty members and guests.

#### CHRISTMAS PARTY

Decorations in keeping with the holiday spirit formed a beautiful background for the bridge and Christmas party given by Miss Florence Danner Tuesday evening at her home on North street when several of her friends gathered for an evening of bridge and exchange of gifts. Those present were Misses Maxine Hartzell, Lucille Fenner, Grace Trimmer, Ruth McClelland, Madeline Smith, Harriett Gill, Mrs. Andrew Harsosma and the hostess, Miss Danner.

Bridge was the diversion for the early part of the evening and first prize went to Miss Fenner while Mrs. Harsosma was consoled. Miss Smith received the guest prize. Dainty refreshments were served and this was followed by exchanging gifts which proved to be of much merriment. Decorations were enhanced by a beautifully lighted Christmas tree with all the holiday trinkets.

#### SCARLET FEVER

Marion Ruth Nimmons, daughter of Mr. and Mrs. Elden Nimmons has a slight attack of scarlet fever but is getting along nicely.

The Alpha Guild of the Lutheran church will hold a bake sale Saturday starting at 1:30 o'clock at Brokaw's Drug Store.

May the spirit of Christmas bring you joys that last . . . May its happiness linger when Christmas is past.

## P. H. S. DEFEATS ADARIO

After battling through the first half and seeing the score go down 16 to 5 against them, the Pilgrims staged great comeback and beat Adario 28-18. All five of the points made by Plymouth in the first half were made from the charity mark. In the second half, while Adario was making three points, also all from the charity mark, Plymouth was making twenty-three. The boys did not hit their stride until the second half but then they played an excellent brand of basketball. Believe me, those boys deserve Plymouth's loyal support whenever they go.

Before this edition goes to press, Plymouth will have played Willard at Willard on Wednesday, December 19th. Lucas will be at Plymouth on Friday, December 21st.

Using a little figuring I find out that Plymouth should beat Lucas (7). It's this way:

Lucas beat Adario by 8 points at Lucas. Plymouth beat Adario by 9

points at Adario. Then Plymouth should beat Lucas by at least 5 points. I thank you.

The summary of the Adario game:

Substitute—Plymouth—D. Bachrach. Adario—Blaney, Glenn. Referee—Baylor.

H. L. Becker and Sheely run wild as Plymouth swamps Adario.

Coach LeFevre's fighting six took a little jaunt to Adario and returned victors by a large margin. M. Becker accounted for 23 points while M. Sheely, playing only the first half, ran up 13 markers. L. Moore came through with 6 points, making a total of 42 to 8. The battling ended from P. H. S. simply outclassed their rivals in every department of the game, showed a fine team work at all times. Folks this team is on the road to another county championship. Come out and give the girls a big hand.

## FAIR PLAY

Fair play is an essential of athletics. In high school, where sports are about the only means of establishing friendly relationship with other schools, it is necessary to stress fair play. Good sportsmanship should be shown by spectators as well as players. Plymouth High School has always taken pride in fair play and we hope that we have established a reputation for good sportsmanship. To all members of P. H. S. and all the loyal "rooters" of Plymouth we say, come out and back the teams to the finish; but in doing this, remember that P. H. S. stands for fair play, first, last, and always, both in victory and defeat."

## CHAPEL

Superintendent Miller delivered the speech in Chapel Wednesday morning. After reading the fable of Jotham, he explained the difference between a parable and a fable, giving illustrations of each by modern application. The talk was very interesting and instructive.

## I AIN'T A HANTEN

Before the fire place one Xmas eve I find a stocking clean and small. With a paper ever and ever so long pinned together on the wall.

Dear Santa Claus—it started out—"I hear you've lots of toys to give to each and all Of us good girls and boys.

But I don't want nothin', Just want to see poor kids Get everything they want, From trains to pots and lids.

You know what I'd like to have? A great big 'lectric train! But I ain't a hanten, Say Santa you got a brain!

To remember all us kids In each and every town, I don't see how ya do it An never wear a crown.

You know, Santa, I'm just crazy for a great big coat or sled, One that's long and wide And painted a real bright red.

But I ain't a hanten, Jest tellin' ya what I'd like. Oh! Yes! and say, Santa, I'd love to have a bike.

No velocipede this time, One that's got two wheels You know what I mean One just like Ray Teals.

But I ain't a hanten, Oh dear me NO! Oh, yes! and say, for mother A book of Poetry by Poe.

And candy and puts and fruit 'Em! I could live on that, But I ain't a hanten, So put that in your hat.

And skates— Both roller kind and ice, And don't you dare tell mother But I'd like a pair of dice.

But I ain't a hanten, Jest say in what I'd like And say bring some blocks To bab' brother like.

But, Santa, let me say, If you've anything left o'er I'd jest as leave take 'em Since you're puttin' 'em in a store.

But remember, dear old Santa, I ain't no selfish boy, And I ain't a hanten! For one tiny little toy!

## FOURTH GRADE

We got our Red Cross plus Wednesday, December 12th, 1928. We are having a small Christmas play. We are learning nice songs. We are going to have a party December 21st, 1928. We are going to exchange gifts. We made some Christmas decorations Thursday, December 13th, 1928. Room Reporter, Bonnie Curpen

## SEVENTH GRADE NEWS

Seventh graders are practicing very hard in preparation for their Christmas program. It will be given December 21st at Harmon Hall, at 1:15 p. m. The program will be given by pupils from various rooms with the seventh grade furnishing a humorous dialogue entitled "Wait a Minute"; a play called "Santa and Son" and a short opera, "At the End of Santa Claus' Trail". This opera will reveal the characters that Tom and Alice Benton meet on their way to the home of King Winter—in their search for Santa Claus. The plot is given in dialogue, solos and chorus work. We will welcome all our school friends at these exercises.

## JOKES

"Failed in Latin, Flunked in Math," They heard the softly hiss, It's like to find the guy who said, "That ignorance is bliss."

We might suggest for the motorists of today that if they would slow down when going around corners, they wouldn't have to hang on to each other's necks so frequently.

Teacher: "If you were going to define the word 'part' (having reference to the part in one's hair) how would you go about to do it?" Freshie: "Well er-I guess just a path through a vacant lot."

Senior: "Say, do you know you put me in mind of a lat book?" Freshie (very chasty): "Thanks a lot, I didn't know I looked so intelligent, but what about the book do I look the most like?" Senior: "The Blank Page."

### PLOWS GET TESTS IN TOLEDO AREAS

Manufacturers Lend Equipment for Experiments in Borer Control by U. S. D. A.

Plows of more than 30 different kinds and sizes are being tested in the corn borer area near Toledo, for their usefulness in destroying the borer by plowing under cornstalks and other refuse. Twelve leading manufacturers of plows have lent plows for experiments by the agricultural engineers of the government.

The implements assembled for the test constitute an interesting exhibit of farm machinery, aside from their special purpose. The plows range in size from the old style 12 inch horse-drawn walking plow to the newest type of 18-inch gangs pulled by tractors. No two mouldboards are quite the same. Some turn low, sharp furrows; others lift the dirt high and drop it in an easy curve, and one has a power-driven beater to pulverize the earth as it is turned.

Several manufacturers have also submitted to the test special attachments designed to completely bury the rubbish.

Research specialists and engineers in the employ of the plow manufacturers are assisting in the testing work, with the government engineers. Both the effectiveness of the different plows and the power required in operating them are being checked.

"THE TWO OUTSIDE"  
Two boys were out gathering walnuts. When they had all they could carry they reluctantly started for home, for there were many more nuts on the ground. On their way they crossed a cemetery. This, they decided, would be a good place where they might divide their walnuts, so they climbed over the wall. In so doing one boy dropped two walnuts and started back for them, but the other boy said, "Never mind, we will get them after awhile."  
Inside the wall they piled up the walnuts and began to divide them saying:

"I'll take this one."  
"I'll take that one."  
"I'll take this one."  
"I'll take that one."  
A negro man passing the cemetery heard these voices saying:  
"I'll take this one."  
"I'll take that one."  
"I'll take this one."  
And the negro was scared.  
He said, "De debil an' de Lord am a 'viding up de folks!"  
Half a mile up the road a white man stopped him. "Here, Sam, what are you running for?"  
"Let me go, lemme go! Back hiar in the graveyard de debil an' de Lord am a 'viding up de folks."  
"O now, now, Sam, you're scared, nigger. What's the matter?"  
"Let me go! Lemme go quick. I wants to get away from hiar."  
"No, I want you to come back with me. I want to see about this."  
"No, suh! No, suh! I dunn been dyar!"  
But the white man forced the negro to go with him. As they stood outside the cemetery wall they listened. Sure enough, there were voices:  
"I'll take this one."  
"I'll take that one."  
"I'll take this one."  
"I'll take that one."  
Then one voice said: "Now we'll get the two outside and we'll be done." And they say the white man beat the negro running.

ILL WITH FLU  
Mrs. Bert Marvin was called by Shelby Monday owing to the illness of her daughter Mrs. Mildred Gadd with an attack of the flu. Mrs. Gadd's husband and her two sons are also ill with the same malady.

NEW HAVEN COMMUNITY CHRISTMAS CANCELED  
Due to a rapid spread of influenza in the New Haven schools it was deemed advisable to cancel the community Christmas program which was scheduled for Friday night. Instead each room will have a short program and exchange their gifts.  
This action is taken on advice from state health officers that all assembling of crowds should be avoided.

Special until Christmas nice fat hens \$1 each; also strictly fresh eggs. Will deliver evenings. Mrs. F. W. Blackford. Phone 2A-78. 20-pd.

ASSISTING WITH RUSH  
Miss Marion Kappenberg, senior at Ohio State University arrived home Saturday. She is assisting Postman J. O. Schreck with the Christmas rush.

Miss Kappenberg will receive her degree Friday at the mid-year graduation exercises.

SUNDAY GUESTS  
Mr. and Mrs. F. B. Stewart entertained on Sunday Mr. and Mrs. C. L. Beal, Mr. and Mrs. Will Ernest, both of Shelby and Mr. and Mrs. Harry Knight of Plymouth.

PROPERTY PURCHASED  
The frame and brick houses and lot belonging to E. B. Heifer on Plymouth Street were purchased last week by J. O. Schreck. It is understood that one of the buildings will be used as a display and storage room for farm machinery.

Dear Old Santa:  
I am a boy of four years of age. I would like to have a picture book, a dump truck and some games. Please don't forget my little brother. He is one year old. Please bring him a box of blocks, a toy machine and a picture book. We are two good little boys and we would like very much to have the things that we ask for. John and Robert.
