NUMBER 32

HOLDER CO. BUYS MCINTIRE STORE

A business deal of exceptional importance to the retail business life of the community was closed on Thursday...

The new owners, of which C. A. Holder, whose home is in Fremont, is at the present time the active manager...

It is the plan of the new owners to conduct a clearance sale at once...

It is natural that the impression might get started that the new owners are chain store operators...

The Holder Co. owns but one other store, that being a department store at Fremont...

Cities Service, one of the most sought after stocks in the country during the past few months...

Undoubtedly if the market is stabilized Cities Service will regain some of the lost ground...

IN AUTO ACCIDENT NEAR GREENWICH Three young men from Willard were injured...

INTERESTING ELECTION IN NEW HAVEN TOWNSHIP In New Haven township, Huron county, there are four candidates for the office of trustee with three to be elected. The four candidates are R. H. Nimmmons of Plymouth, H. C. Griffin of Willard, Charles Warratt of New Haven and William Garret, also of New Haven...

Tonight Is The Night We Are Waiting For

Everything is all set for the big Halloween "blow out," that is to be held in Plymouth this Thursday night. This is the event given under the auspices of the local Lions Club...

The local band that has been happily whipped into shape for this occasion will furnish the stirring music for the big event.

During the latter part of the evening there will be a big masquerade dance and orchestra music for this part of the celebration.

Everyone is invited to forget their troubles on this night and come and make whoopee as the guests of the local club.

Cities Service Goes With the Downward Plunge The stock market has been plunging toward the bottom that has everyone bewildered.

CANDIDATES FOR SCHOOL READY BY JANUARY

Work on Plymouth's new high school building continues and all indications are that there is no question but that it will be completed and occupied on schedule time. That is January 1st.

This week the partitions are being put up and also the plastering being applied. The glass is also being installed in the windows.

The roof will be entirely completed probably by the end of this week. That means that all the finishing touches on the roof will be completed.

At the next regular meeting of the board of education of the Plymouth district, which will be on November 12th, bids will be received for lighting the new building.

Lutherans Have Joint Service At Shelby The Lutheran church of Plymouth, together with the Lutheran churches at Shelby and vicinity, met in a union reformation service at the Shelby Lutheran church Sunday evening.

ROBBER OF WILLARD FILLING STATION FOUND Dwight Zimmerman of Shelby, recently arrested for robbing a filling station at Willard about two weeks ago, according to information received here...

A. & P. STORE IN NEW LOCATION The Plymouth A. & P. store will soon be in its new location on the south side of the square. They had expected to make the move on Wednesday evening of this week...

CHEMIST TO TALK BEFORE LIONS CLUB The next meeting of the Lions club will be held on next Tuesday evening, November 5th, at 8:15 in the parlors of the Methodist church.

CHRISTMAS CANTATA Practice Begins The Christmas Cantata "The Christmas Adoration" by Carrie B. Adams will be given by the combined choirs of Plymouth-Shiloh Churches during the holidays...

NEW ADDITION AT LOCAL FACTORY IS COMPLETED

The new addition at the Fate-Rooth Co. at this place has been completed. This part of the factory will be ready for operation within the future be the machine shop.

The new machinery is being installed and it is stated that the room will be ready for operation within the next couple of weeks. This is a big addition to the factory and one that is needed. It will speed up the production of the Plymouth locomotives...

Officials at the factory report that orders are holding up in an excellent shape and a large volume of business is looked forward to during the coming winter.

A. Ainley, who was formerly assistant chief engineer at the plant was recently transferred to the Cleveland Sales office, which covers all of Ohio, western Pennsylvania, and all of west Virginia.

Robber of Willard Filling Station Found Dwight Zimmerman of Shelby, recently arrested for robbing a filling station at Willard about two weeks ago, according to information received here...

PROPOSE NEW STATE HIGHWAY

The state of Ohio proposes to establish a new state highway that will be of vital importance to this community. This proposed new highway starts at the public square in Plymouth and runs due east along the Richland and Huron county lines into Ashland county and to intersect State Route No. 60.

The entire length of the proposed new state highway is fourteen miles. It will pass about one mile north of Shiloh and terminate one and one-half miles northwest of Savannah.

A hearing on the proposal will be held by the State Director of Highways at the court house at Norwalk next Wednesday afternoon, November 6th, at 2 o'clock.

Everyone is urged to attend this meeting. It should be understood that this is the present road that starts in front of the Delaware Theatre at this place and runs straight east.

It is important that a delegation from this community should attend this meeting in order that the people of Plymouth are interested in the proposition. Let us all work together and get this state highway in our community.

INTERESTING ELECTION IN NEW HAVEN TOWNSHIP In New Haven township, Huron county, there are four candidates for the office of trustee with three to be elected. The four candidates are R. H. Nimmmons of Plymouth, H. C. Griffin of Willard, Charles Warratt of New Haven and William Garret, also of New Haven...

# The P. H. S. POST

Dr. Monte Memorial O. K. We had a special chapel service on Monday morning in memory of Dr. Monte who died on Wednesday noon (Oct. 23). He has spoken here previously, and we was looking forward to his speaking here again. Mr. Miller told us that Dr. Monte had an air of geniality that was quite noticeable when he was around. Though Dr. Monte is dead his influence goes on. He led a vigorous life and had a very alert mind for a man of his age. In memory of him we had a few moments of silence and then Mr. Miller gave a short prayer. The chapel service was closed with the hymn "Have Thine own way Lord."

CHAPEL The speaker last Wednesday morning was Rev. McBroome, who gave us an interesting talk upon the power man has got under control. He read in the 8th psalm, and explained what it meant, that everything we have is the gift of God, that when we go deeply into Science we are just finding out what God has hidden for us. We concluded by saying that man has great power under his control and should use it for the service of humanity.

TRACK CAPTAIN ELECTED The members of the Plymouth H. S. Spring track team, have selected as their captain, Junior Bachrach. He is the only senior of last years track team and incidentally was high scorer for the season of 29. In six meets he

scored a total of 31 1-2 points. Although "June" has had only one years experience at track, he is a veteran of three years on the basketball team and he is the logical man for captain. Last year was the first year for the P. H. S. track team and they made a fine showing for such a small school. After losing only three letters from the team they are expected to "go places and do things" next spring.

Cross Country The cross country team of P. H. S. made an unsuccessful attempt to win the "Willard" "putters" last Saturday at Willard just previous to the football game and were downed 6-15 (low score wins) but they hope to improve before Thursday when the two teams again meet here. The boys have three or four more meets yet. This fall. The season ends November 9.

Clubs The Commercial Club of P. H. S. on Wednesday October 16, 1929. The following officers were elected; President—William Moore; vice president—Mary Anderson; secretary and treasurer—Eleanor Snyder; Reporter—Vince Taylor. After the election of officers a few business matters were discussed and motion for adjournment was then made and the meeting was closed in due form.

**Better English Club**  
The Better English Club held a meeting, Wednesday afternoon of last week to elect new officers. The club had been an organized club from last year and the same rules are to be adopted this year with a few more added to them. The main point is to promote Better English in school. The new officers elected were: President—Dorothy E. Miller; Vice President—Ruth Fenner; Secretary—David Bachrach.

**Clubs**  
A photography club has been organized in the High School. The first meeting was held on October 23. At this meeting the following officers were elected: President, Marjorie Becker; vice president, Ruth Fenner; Secretary, Eleanor Snyder. Suggestions were received as to the object and program of this club. Some of these were: a series of Camera hikes, and a contest for the best picture-taker. No program however, has been definitely decided upon.

**Manual Training Department Proving Itself Useful.**  
Besides the many articles which the boys are making for themselves, several projects are now under way which will save money for the school budget. The eighth grade classes are making combination cafeteria tables and benches for the hot lunch. The ninth grade class are making portable bleachers which will be used on the stage of the new building during ball games. Some of the more advanced students are making some oak tables for the Home Economics room. All together, these projects will result in a saving of money which will be available for the many things needed to properly equip the new building.

**GRADE NEWS**  
**Fifth Grade**  
The fifth grade is very sorry that Alexander Dowds has moved away. Monday morning the Doctor and nurse came in our room and gave a health talk and movie which we enjoyed. We have a new pupil, Gretta Koeler from New Haven—Room Reporter—Lucille Eichelbore.

**Sixth Grade**  
We had a program for P. T. A. October 17. Our subject was "Safety First" All the pupils were in it. We were excited to get our grade cards but when we got them, some of us were disappointed about our grades. There was no school Friday. The teachers went to Cleveland for a meeting. The boys and girls were very glad and played all day. Our room has chosen Phyllis Clark for Health Officer for this coming month—Room Reporter—Andry Dingler.

**SUNDAY GUESTS**  
A splendid dinner was enjoyed Sunday in the home of Mr. and Mrs. Ed Phillips who had as their guest Mr. and Mrs. Charles Kirkpatrick and daughter Alice, Mr. and Mrs. J. D. McCards and Mr. Harold Traxley of near Mt. Vernon, Mr. and Mrs. W. E. Phillips and Mrs. Emma Rank of Plymouth.

**"FANNY CROSBY" EVENING**  
The "Fanny Crosby" service planned for Sunday evening, October 20th was postponed two weeks because of the weather. This service will be held Sunday evening, November 3rd at seven-thirty. The service includes a reading of this well known hymn writer's life and a number of the songs written by her. The Addie Maurer circle and the Junior Choir will occupy the choir. The congregation will be requested to join in the singing. A special number will be rendered. A silver offering will be received. A cordial invitation is extended to all. Time 7:30.

**NEW BUSINESS BLOCK WILL BE ERRECTED IN NORWALK**  
The H. A. Pohl properties on East Main street in Norwalk, will be torn down and replaced with a modern new business block, according to an announcement received from that city the latter part of last week. At the same time the Scott Stores of Chicago, have taken a thirty year lease on the entire building. This firm is a subsidiary of the Butler Bros. Wholesale House, and specializes in the selling of merchandise priced from five cents to \$1.00.

**ATTENDING 4-H CLUB CONGRESS IN COLUMBUS**  
Six boys and girls from the 4-H clubs of Huron County are delegates to the 4-H Club Congress being held in Columbus this week. The honored guests are: Grace Washburn, daughter of Mr. and Mrs. Howard Washburn of Greenwich; Eleanor Ryerson, daughter of Mr. and Mrs. Charles Ryerson of North Fairfield; Vera Ritz, daughter of S. E. Ritz of Williams; Allen Smith, son of Mr. and Mrs. William Smith of Hartland; Leonard Brundage, son M. A. Brundage of New London; and William Timbs, son of Mr. and Mrs. G. E. Timbs of Wakeman. These six were selected to represent the county at the State Congress in recognition of their outstanding work in the club, on the basis of number of years in the work, projects carried out, offices held, prizes won, number of years attending camp and spirit sportsmanship. The six were picked from a total membership of 410 in the county. The delegates left Bellevue early Monday morning for Columbus. The week is being spent in the state capitol with a helpful and enjoyable program of conferences, luncheons and sight-seeing. All their expenses are being paid by the Huron County Agricultural Society and the County Commissioners.

## EDITORIAL

This store building and fixtures have been sold to "The Holder Co." of Fremont, who are conducting this sale for the purpose of clearing away the entire \$35,000 stock of the J. W. McIntire Co., and while only a small part of the sale story can be told on these two big pages—hundreds of items of equal importance remain unadvertised. This is your big buying opportunity. The entire stock must be disposed of as quickly as possible and the sale will continue from day to day until our purpose has been accomplished.

### Final Day for Village Bonds is Saturday

On this Saturday at noon is the final hour for receiving bids for the purchase of bonds for the village of Plymouth which are being issued for the purchase of the fire truck and for the cost of the sewer construction on Sandusky street.

The bonds for the purchase of the fire engine total \$4,000.00. They are eight in number of \$500.00 each, and bearing 6 per cent interest. The bonds bear the date of April 1st, 1929. The first bond will fall due on April 1st, 1931, and each April 1st thereafter until April 1st, 1937, when the last will fall due.

The bonds for the Sandusky Street sewer are in two lots. The first is four bonds totaling \$1,555.79 and represent the village share of the cost of constructing the sewer. The other lot is four bonds totaling \$327.90 and is the property owners share of the cost. Both lots of bonds will fall due at 6 per cent and are dated October 1st, 1929. In each case the first bond falls due on October 1st, 1931, and each October 1st thereafter until October 1st, 1934, when the last two bonds fall due.

While the bids will be received until noon Saturday, it is not known just when they will be opened, although it will likely be at the next regular meeting of the village council on next Tuesday night.

### County School Supt. Urges Road Tax Levy

John W. Kern, superintendent of the rural schools of Richland County, and in whose jurisdiction are the Plymouth schools, in a statement made public recently stated that in the course of good and wide spread education improved roads are needed in the county. Particularly in this true, he says, where there are centralized

schools and where pupils come from a considerable distance.

In making this statement, Superintendent Kern urges favorable action on the proposed county road tax levy, which will be submitted for approval of the people at the election on November 6th.

He goes on to say that the public conveyances for school children can not carry their loads unless the roads are good. Where the roads are improved the buses can cover more territory at less expense and carry more children. This, then, he says, is not only a matter of convenience but a matter of dollars and cents.

"I know that one of the first demands of fathers and mothers on public officials is for good education for their children. Every improvement on roads gives the opportunity for better schooling for a larger number of pupils and a general rise in the culture and training of the coming generation of American people."

### LAKESIDE WILL BE REBUILT

The fire that swept through Lakeside on Sunday, October 29th, was not a death blow to the little community, judging from reports sent out from there the latter part of last week.

A number of the cottages that were destroyed in the blaze will be rebuilt, according to plans of some of the owners. The plant of the Peninsula News, which was destroyed in the office and subsequently the L. & M. depot. A small part of the equipment had been saved and this was moved to the new location. They are again in operation. The depot, it is understood, may become their permanent head location.

Plans are underway for the construction of a new Methodist church. However, nothing definite has been decided as yet. In the meantime the congregation convenes in Orchestra Hall, association owned movie, for its services.

Miss Grace Trummer of Columbus, spent the weekend with her parents, Mr. and Mrs. W. W. Trummer.

### Warning About Coon Dogs Given

Richland County Dog Warden Albert Gray has issued a warning to coon dog fanciers of the county that they should use extreme care when in the act of "running" their dogs at this time of year.

At this time of year coon dog owners "run" or practice with their dogs in preparation for the opening of the coon season. Warden Gray pointed out the danger they are incurring for themselves as well as the farmers. The dog owners usually do not think of the farmer's side of the question on whose land the dogs are allowed to run. Often times when a dog is seen running in a field or woods, the farmer, at a man's of protestmen first, will shoot the dog. He is within the law when he does this, according to Gray. He points out that suppose a farmer has several sheep killed by dogs. He is on the lookout for their return and when he sees a strange dog on his property he will in all probability take a shot at it. Gray suggests that sportsmen first ask permission of the land owner before running their dogs on his property. This will protect the dog from being hot and also holds the sportsman responsibility for any damage that might incur.

To Plymouth Township and Village Voters:

Five good paved and improved roads lead into Plymouth through Plymouth Township, including the county line with its two branches of improved roads, which makes Plymouth easy to get to and the logical business center and home town of the North half of Plymouth Township. More than two-thirds of the total population of the township and village live in the village and north half of the township. The Plymouth township office is now located within the village, the proper place for it, and satisfactory to a large majority of the residents of Plymouth Township and Village. It is also an advantage to have the Township Clerk-Treasurer residing in the village.

At the death of Albert Kirkpatrick, who for many years was the efficient Clerk-Treasurer of Plymouth Township, the Township Trustees asked E. K. Trauger to take up the duties of the office and subsequently he was elected to the position without opposition. Mr. Trauger has been a diligent and efficient officer in the position. The township books and records were examined last April by the State Examiner and found in fine condition. Mr. Trauger is a candidate for re-election to the position of Township Clerk-Treasurer and is deserving of the support of the Plymouth Village and Township voters at the election on November 6th.

Mr. and Mrs. Kirk Wilson were six o'clock dinner guests Tuesday at the home of Mr. and Mrs. W. W. Trummer.

### G. W. Lawrence of Norwalk is Census Supervisor

George Willis Lawrence of Norwalk will be Supervisor of the 13th Ohio Census District, of which the north half of Plymouth is a part. If the recommendations of Congressman Joe E. Baird, of the 13th Ohio District, prevail at the census bureau.

At the same time it is announced that Mrs. Jennie F. Peck, of Sandusky will be named assistant supervisor. Since the recommendations of the congressman is considered equivalent to an appointment it can be expected that both Lawrence and Mrs. Peck will have charge of the census in the 13th district.

Mr. Lawrence is manager of the A. W. Davis Printing Co. at Norwalk. He is a prominent member of the American Legion and is Grand Secretary of the 40 and 8 of the state of Ohio. His wife is a state officer of the Legion Auxiliary. He is a member of the Huron County election board, but he will resign this position he has indicated, in order that he may devote more of his time to the census work. He was formerly a member of the Norwalk city council.

The new census supervisor has been a life long republican and has served on various committees of the Huron County McKinley Club. For the past two years he has been one of the two Vice Presidents of the organization. In the last election he was District Chairman of the Republican service, and his work in that capacity won him warm commendation of state leaders.

Mr. Lawrence has a large circle of friends throughout the entire 13th district who will congratulate him in his new position.

Watch Water Supply of Rural Schools

The water supply of the rural schools of Richland county are being closely watched by the county health department. In every case a sample of the water has been taken and an analysis will be made. A report will be made later.

About half of the rural schools have their own wells, while others depend on the wells of neighboring farm houses. A few in the southern part of the county are reported to be getting their drinking water from springs. This source of supply will be watched in particular.

If the water supply of any school or school proves unsatisfactory in the test that is being made steps will be taken to get other supplies.

No hunting or trespassing allowed on the farm of the undersigned.

### IN MEMORY

In loving memory of Rollie H. Bittinger, who departed this life on October 27th, 1928:

We miss the voice of one we love; A precious form has passed away. To join the angel throng above, In realms of endless day.

There let the way appear  
Steps unto heaven;  
All that thou sendest me  
In mercy given;  
Angels to beckon me,  
Nearer, My God, to Thee,  
Nearer to Thee.

Fred H. Nimmons, who has been ill for the past two weeks, was taken to Cleveland last Thursday where he underwent an operation for the removal of a tooth that had grown into the roof of his mouth. He was accompanied by Dr. Geo. Seaside. Mr. Nimmons is reported to be getting along very well since the operation.

### NOTICE

**ADVISES STUDENTS NOT TO LEAVE SCHOOL**  
The following letter was received at the local school from John M. Kearn, superintendent of the Richmond county schools. The letter was originally sent out by Hon. J. L. Clifton, state director of education at Columbus. This letter contains some valuable advice to those in school and especially to those who are considering leaving school before graduation.  
High School Students of Ohio:  
Dear Young Friends:  
Today there came to my office a man past middle age with what was for him a very serious problem. He is principal of an elementary school in a good-sized city of Ohio, which fact alone is sufficient to prove that he is a man of more than ordinary ability. In fact he has the very best of native talents as concerned, to be superintendent of the schools of the city in which he is now employed, but he will never be superintendent there or elsewhere; and the worst feature of the situation is that he knows it.

If I should ask you to guess why, you would make many good guesses before you hit the real reason for this man's predicament. So, I may as well tell you that when he was your age he did not think it worth while to finish high school. He could get a job in those days, even as a teacher in the public schools, without a high school diploma. But since that there have been many changes in the teaching profession, and here he is past middle age struggling to keep up with the profession and realizing that he never can be what he might have been had he put a secure educational foundation under himself when in his youth he had the opportunity to do so.

I know another man who is an uneducated assistant book-keeper and is getting old and would like for the assistant, who is still in his thirties, to succeed to the thriving business which he has built up. But the law requires four years of high school for the equivalent for admission to any school of embalmers in Ohio, and this the younger man neglected to get while he might have gotten it—so the door of his opportunity is closed.

I know another man who went to business college a year, instead of staying in high school. He wanted to get to earning money instead of looking his valuable time away in high school. And so he did, and became a good bookkeeper and accountant, because he had real ability. Mean time the profession of certified public accountant has come into existence, and an accountant who can write three letters or more after his signature commands a salary several times higher than the one who cannot use the title. But the C. P. A. examination has to be passed first, and it requires four years of high school, or the equivalent, to be admitted to this examination. So, you see, if you go back and let men of less ability but who were wise or fortunate enough to finish high school when they could do so, take the higher places and get the big money.

I could tell you of another man nearing 40, who has spent many years of age who wants to study law or medicine or dentistry or other good profession for which they are well fitted, but the four-year high school requirement, a result of higher standards in every profession and calling in life, and, of course, necessary to protect these professions from the uninitiated and unprepared, stands as a bar to their entering the college courses necessary to prepare them for these preferred professions.

It is common here to see a practice to spend much time in hunting for the easy courses and to be satisfied with just enough units to graduate. A wiser plan is to estimate your ability as highly as you feel justifiable, and then to select enough courses, including those of sufficient difficulty, to work up to your limit all the time. In many junior high schools, students obtain as many as seven units of high school credit. Then they are content with obtaining three units in each of the tenth, eleventh, and twelfth grades and to graduate with the high school standards of our state require three years of work in senior high school at this rate might result in graduation with nineteen or even more units, but such an achievement could not possibly be a hindrance to anyone. In fact it might mean the difference between success and failure in the job of life work. Then, too, there is a tendency in accrediting agencies to require at least two units of credit from the high school for unconditional entrance to college.

But after all a high school education does more for folks than to prepare them for college or to be engineers or lawyers or doctors or anything else; it broadens the outlook upon life, deepens the capacity to enjoy people and books and travel and work, and serves as a convenient stepping stone to higher accomplishment in any field to which one may decide to devote his energies and talents. You may never go to college at all, but, if you finish a well selected high school course you will have a start in life equal to that of the college graduate of fifty years ago, and, in a vocation or trade for which you may at least get a good start in high

**STATEMENT OF THE OWNERSHIP OR MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24th, 1912, OF THE PLYMOUTH ADVERTISER.**  
State of Ohio, County of Huron, ss:  
Before me, a notary public in and for the state and county aforesaid, personally appeared P. W. **TO THE VOTERS OF PLYMOUTH**  
W. Henry Poth, as candidate for Marshal, gives you the opportunity to cast your vote for a man of exceptionally good character, who will live up to the oath taken when sworn into office.  
Mr. Poth has been a resident of Plymouth for two years. He is endorsed by the leading citizens of the town and is highly recommended by authority in Crestline, where he served seven years as marshal, and two years as Deputy Sheriff of Crawford county.  
By the following statements and signatures it is asserted that W. Henry Poth is a highly honorable and moral man and will enforce the law as it stands.  
To Whom it may Concern:  
Mr. Poth was a respected citizen of this community for a great many years and we gladly give him our recommendation.  
Respectfully,  
Wm. C. MARQUART R. P. RAGAR  
E. B. DAVIS S. H. KNAPP  
W. E. LYMAN ANTHONY IMS  
H. E. KEMP

To Whom it May Concern:  
Having known Mr. Henry Poth for the past nineteen years, and have always found him honest in every business and official transaction.  
Yours truly,  
CARL M. LESLEY

To Whom it May Concern:  
I have known Mr. Poth many years; always found him honest and worthy of your support.  
A. FRED GREYER

To Whom it May Concern:  
Mr. Poth was a respected citizen of this community for a great many years and I gladly give him my recommendation.  
Respectfully,  
L. A. WEST

To Whom it May Concern:  
The undersigned has known Henry Poth for fifteen years and had business dealings with him. We have always found him to be strictly honorable in all his dealings.

**C. E. MORRIS**  
Trustee in Bankruptcy, Max Oxman, Bankrupt.

**COLORED MAN  
CHARGED WITH  
MANSLAUGHTER**

Joe North, Willard colored man, was bound over to the grand jury of the Huron County Common Pleas Court, in Justice A. M. Beattie's court at Norwalk, Saturday on a charge of manslaughter, in connection with the death of Edward O'Brien of Willard. O'Brien died last Thursday night and after an autopsy Coroner C. L. Bell, of Norwalk, he stated that death was caused by drinking poison moonshine liquor Friday afternoon. North, the colored man was picked up in Willard. He had a bottle of moonshine liquor and an analysis of this disclosed that it contained fusil oil, a deadly poison. He was taken to Norwalk and lodged in the county jail. Saturday morning at the hearing in Justice court North plead not guilty and waived examination. It was charged that he sold the poison booze that was said to have caused O'Brien's death. His bond was fixed at \$2,000. He was unable to furnish the bond and he was again lodged in the county jail to await the decision of the grand jury.

O'Brien, aged 52, was a B. & O. railroad employe, and the father of seven children. He was known as an honest and industrious man by his friends and neighbors, and was a capable workman in the B. & O. round house.

After O'Brien died Willard police were struck with the mystery of the case, and at once started an investigation. They asked for the help of county officials. Sheriff Gregory detailed Deputy Sheriff L. S. Bedell and the County Road Officer to work on the case. They made the arrest at about 3 p. m. Friday but it was first necessary for them to smash two doors. The owner of the property threatened to have them arrested for destroying property, and he was told that he could consider himself lucky that he was not arrested on the charge of owning a building where liquor was sold. When North was arrested many empty bottles, jugs and containers were found in addition to the quart of raw liquor found in the place.

It is understood that North has figured in a number of police cases in Willard.

**RICHLAND CO.  
FAIR NEXT YEAR**

It is now assured that there will be a Richland county fair next year. The County Commissioners and the county fair board met in joint session Saturday and the former promised sufficient support assuring a fair at Mansfield in 1930.

At this meeting a favorable tentative report was submitted by the fair board to the commissioners and the decision to continue the fair for at least another year was reached. No definite report was available but it was indicated that this will be made public in the near future when all obligations both for and against the fair board are settled.

This committee meeting was a postponed affair from the first meeting which was held a few weeks ago. It is a known fact that the fair was a losing proposition this year, in so far as finances was concerned. This was blamed, to a great extent, on the bad weather that was experienced during fair week. No definite date has been set for the 1930 fair, but it is believed that it will be held at an earlier date than was the case this year. In doing this there is a good chance of avoiding the bad weather of late September.

People over the entire county are hoping that the fair can be continued in future years. Especially is this true in the rural districts. To them the joint decision of the fair board and the county commissioners will be welcome news.

**Man So Nervous Feels  
His Stomach Jump**

"I got so nervous my stomach felt like it was jumping. Vinol entirely relieved the trouble. I feel better than in years."—J. C. Duke.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious. Karl F. Webber, Druggist.
