LIQUOR-LADEN AUTODESTROYED

Raymond Swanson and Harry Noon, both of Columbus, and Glen Holloway, of Indianapolis, plead not guilty to the charge of possessing liquor when they were arraigned before Judge Irving Carpenter at Norwalk, Monday morning.

The three men were taken off a B. & O. freight train near Nova Saturday afternoon and were held in the county jail following the belief that they were in the car that slipped into the ditch just west of Jay Woodworth's home on Route 17.

According to farmers nearby who witness the car rolled into the ditch three men were riding in the machine. They hurriedly carried something away from the car before it was completely destroyed by the blaze, and hid it in an adjoining corn field. A later investigation proved it to be 100 gallons of liquor.

The witnesses immediately notified the sheriff's office at Norwalk. Deputy sheriffs Leroy Bell and David Berry responded and drove the county's Ford car to the scene in twenty minutes. The distance is 18 miles.

The three men, evidently fearful of arrest had, in the meantime, made their escape and managed to board an east bound B. & O. freight train. The constable at Nova and the marshal at Lodi were notified at once that the men had boarded the train and that they should be on the lookout for them. The men were taken off the train at Nova.

Eye witnesses at first stated that they thought that two of the young men were negroes. It was noted that when the men who were arrested at Nova were arraigned in court that they were dark colored. However, it may have led the witnesses to believe they were negroes, especially since the accident occurred in the early morning light. This threw the authorities off the scent for a time but the mistake was discovered soon enough to prevent further arrest.

It is understood that at least two people, claimed to be eye witnesses of the car going into the ditch, identified the young men in court without hesitation.

The car was a Chandler. It was traveling on the Benjamin Franklin highway just east of New Bremen. It skidded on the slippery road and went into the ditch just opposite the Wadsworth farm. For some unknown reason the car caught fire after it landed in the ditch. A sawed off shut gun was found in the burned car.

While two of the young men stated that they lived at Columbus and the other at Indianapolis, it was noted that the license plate was issued at Fishing, east of Norwalk. It is expected that they will have a hearing Saturday. It is stated that a Columbus attorney was in Norwalk Monday morning to represent the three young men.

LOCAL MAN HURT AT SHELBY.

Harry Chromator, of this place, an employe of the Logan Gas Co., was injured Monday evening in Shelby. He was parked in front of the Jack Love tire shop on North Cambie street, and was pumping up a tire, when Fred Boyer passed in a car. The wheel of the Boyer automobile passed over one of Chromator's heels, and the hub cap on the wheel struck him wrenching his back. He also sustained a bruised ankle. He was taken at once to the Shelby hospital where he was given medical attention.

TO SPEND THE WINTER IN FLORIDA

Mr. and Mrs. Maurice Bachrach, Mr. and Mrs. Robert Bachrach and Miss Jennie Bachrach left Saturday for Florida where they expect to spend several months touring the state.

Mr. James E. Ladov and Mr. Hoffmann departed for Plymouth Monday afternoon. Mr. Hoffmann and Mrs. R. E. Craven of Mansfield left Saturday for Florida where they expect to spend several months touring the state.

Many Attend the Library Benefit Last Thursday

Twenty tables were in play at the Library Benefit Bridge Party on Thursday night, December 5th, in the K. of P. Hall. A pound box of MacDearmids candy was given at each table for high score. At the close of the evening the ladies in charge served sandwiches and coffee. The Library Xmas tree graced the center of the room lighted in varied colors giving a seasonal atmosphere to the occasion as well as reminding those present that a campaign is on for funds to see the Library through next year. \$23.00 had been received and \$15.00 pledged by two local organizations, making a total of \$43.00 to date. The Bridge Party netted \$43.52 bringing our total to \$36.52. Our goal is \$150.00.

The Library Board wishes to thank the ladies who so kindly furnished sandwiches and the patrons of their Bridge Benefit.

WORK RESUMED AT NEW SCHOOL

Workmen at the new high school building here are again back on the job repairing the slight damage that was done to the plaster in various parts of the building by the unexpected cold weather after Thanksgiving. This damage was not even as bad as was reported last week since it was noted that after the frost had gone out much of the blistered appearance that had developed disappeared.

Heat of sufficient amount is now in the building to take care of any further cold weather that might come. This will also speed up the work, and it is understood that the repair work to the plaster will be completed within a few days.

Since the unexpected set back of two weeks ago with the work it is not known for sure just when the building will be occupied, although it is hoped that the time that previously stated may still be realized. That is, soon after the first of the year.

One thing has been definitely established and that is the auditorium will be used for the first home basketball game of the season. This will be on December 27th with Shiloh. That is the hope that makes Christmas really Christmas and outshines any light that is made by man. That then, more than all else, is the real Christmas spirit.

TOWN GLEAMS WITH LIGHTS

Plymouth's business district after the show of wreaths and garlands a blaze of colored lights. Sparkling stars of red, green, yellow and blue twinkle through the frosty air and give to our public square that warm Christmas feeling that is, of course, so appropriate at this time of year.

It will be remembered that this was announced some time ago. The town itself is furnishing the wire, sockets and the electricity, while the local merchants are furnishing the colored bulbs.

The work was begun the fore party of the week and now completely encircles the business district, which not only includes the square itself but the streets leading off from it wherever there are business houses.

These colored lights speak a welcome to all who visit the town during the next few weeks. As it is noted this was written there was no snow on the ground but it is hoped that there will be within a few days. Certainly no more beautiful sight can be imagined than to have these colored lights reflecting off the snow covered ground.

To help promote the Christmas spirit the merchants of the town have decorated their windows in appropriate style with all the Christmas wreaths, bells, ornaments, lights, tinsel, imitation snow and Christmas trees. These window decorations carry on the invitation that is extended by the colored electric lights that are strung around the town.

The people of Plymouth along with the business men have caught the Christmas spirit as is testified by the decorations that appear in the windows of great number of the homes in Plymouth along with all other communities have fallen in step with the season and the hearts of all are glad.

It is hardly necessary to say that this is the happiest season of all the year, and poor and alone indeed in the eyes of those that have their happiness within him. Christmas is the oldest of holidays, but yet it is the youngest. Each year it is new because there are new joys in the day as year succeeds year. Walk down the street, catch the light in the eyes of men, women and little children. That is the light that makes Christmas really Christmas and outshines any light that is made by man. That then, more than all else, is the real Christmas spirit.

HAND MANGLED IN CORN HUSKER

Clyde Sloan, a well known farmer living a mile and a half east of Shiloh, suffered severe injuries to his left hand last Friday afternoon while operating a corn husker at his home.

He was rushed to the Shelby hospital in the McQuate laundry car. It was found by surgeons there that it was necessary to amputate the index finger and the first joint of each of the remaining three fingers on the injured hand.

Sloan was feeding the machine when a corn stalk became wrapped around his left wrist and his hand was pulled into the roller of the machine.

RETURNS TO PLYMOUTH

Ben Woollett, who sustained a broken leg in an automobile accident near Bellevue November 21st, has returned to his home here. He is able to be about on crutches. Since the accident Woollett had been confined at the home of Mr. and Mrs. Jack Mellick at Bellevue, where he was taken following his injury.

TWO WINS COUNTY CONTEST

The Tiro entrant, Miss Dorothy Devoe, won the Prince of Peace Decadent contest for Crawford County held at Bucyrus Sunday evening. Miss Devoe, a Junior in Tiro high school, is a stepdaughter of Sherman Daugherty of Tiro. The latter is well known by a number of people in this vicinity.

Ship: "I know that the score will be before the game starts." Stub: "What?" Ship: "Nothing to nothing, before it starts."

LOCAL PEOPLE HURT IN WRECK

John Fogel and his sister Theresa Fogel of this place, sustained severe cuts about the face and body when their car, a Chevrolet sedan, crashed into a truck loaded with heavy structural steel near New Haven early Wednesday morning.

A passing motorist picked them up and brought them to their home on Mills avenue here. Dr. G. J. Searle sr., was summoned, and gave medical attention.

Mr. Fogel sustained a severe wound on the left elbow and was cut on the left side of the head and face. Miss Fogel received a wound on the left eye lid, a deep cut in the mouth and the left side and was badly bruised. It required several stitches to close the wounds of both injured people. Their injuries while severe, are not thought to be serious.

The young people were on their way to work at the Pioneer Pubber Co. at Willard where they are employed. It was before daylight when they state that the truck which had no lights, was cross ways in the road. They did not see the truck until it was too late to avert the accident. Both were thrown against the windshield, which caused the cuts and bruises.

The front end of the Chevrolet was completely demolished, and the windshield was broken entirely out. The car was towed to Paul Russell's garage at this place.

It was learned Wednesday afternoon that there is complete insurance coverage on the car.

It could not be learned who was the owner of the truck. It was loaded with steel T beams.

BENEFACTOR OF POOR PEOPLE

Among those who have helped the suffering people in the New Haven marsh west of here the name of Dr. G. J. Searle, Jr. should not be left unmentioned. It is even stated by some that he is the greatest benefactor that these people have. He has made a large number of trips to that region, often accompanied by his wife, and a great amount of this work has been done gratis. Often Dr. Searle knows there is no hope of receiving any pay but he does it for the simple reason that he knows these people need his help.

The people in this marsh land present a real problem to those living in the richer communities nearby. Temporary relief, if that is help for the moment, is not the complete answer to the problem. They should be helped in some way that would make it permanent. Probably the best way would be to provide work for the head of each family. Providing work in that region in the winter time, however, is a problem in itself.

SERIOUSLY INJURED WHEN CAR OVERTURNS

John West, of Steuben, formerly of North Fairport, was seriously injured Saturday morning when his car skidded on the road between Newman's Corners and Willard, striking a culvert and then overturning in the ditch. West was immediately rushed to the Willard hospital. It is stated that he sustained a fractured skull, one eye was injured to an extent that it is believed that he will lose his sight, and also other injuries.

Sleepy conditions of the road is believed to have caused the accident.

LAWRENCE WILL SELECT CENSUS ENUMERATORS

It is announced that the 30 census enumerators, to work in Hiron county under G. W. Lawrence of Norwalk, will be selected by Mr. Lawrence from a list of eligible candidates to be submitted by the government from Washington. Examinations will be carried out by mail under the supervision of the government. Candidates may obtain information regarding these examinations through Mr. Lawrence or by writing the census department at Washington.

Under the system adopted Mr. Lawrence will be employed to name the enumerators for the entire 12th congressional district from the qualified list.

IMPROVING

Mr. Alex Bachrach is improving nicely following several weeks' illness.

Library Christmas Tree Now Ready For Contributions

The Plymouth Library Christmas tree is located in the window of the Plymouth Hardware Store at the corner of the square and Plymouth street. On the tree are pasted the names of all those who have donated to the local library. At 2 o'clock Wednesday afternoon a count revealed that there were twenty-eight names on the tree.

This is a worthy cause for anyone to contribute to, large and small are welcomed. The money will be used to pay necessary expenses for maintaining the library.

As was stated last week the library will be moved to the north side of the Bevier home on Plymouth street the first week in January. This will provide much larger and better facilities and, it is believed, will make it more satisfactory to the patrons of the library. Naturally there will be an increased expense in maintaining, and the donations that are being made now will be used for this purpose.

All in the community are asked to make a donation and get their name on the Christmas tree. It will mean a Bigger and Better Library for Plymouth.

E. W. HEATH NEW BOARD MEMBER

Earl W. Heath is the new member of the Plymouth board of education, succeeding J. E. Nimmons who recently resigned as a member of that body.

Heath was chosen at the regular meeting of the board of education held on Tuesday evening. He will accept the appointment it is understood, and takes office at once.

Dr. G. J. Searle, Jr., board member, succeeds to the office of president of the body. Since Mr. Nimmons was presiding officer of the board his resignation necessitated the electing of a new president. Dr. Searle had been the vice-president of the board. The new vice-president is H. F. Root, another member.

G. W. Pickens remains as clerk of the board. Accordingly the present board is made up of the following: Dr. Searle, Mr. Root, Mr. Pickens, Willard Ross, and the new member Mr. Heath.

Mr. Heath will not only serve the present unexpired term until January 1st, but will also serve the new three-year term beginning on that date. That was the time for which Mr. Nimmons had been elected on last November 5th.

The appointment of Earl Heath as a member of the board will meet with general satisfaction in the community. He is known as one of the leading young men of the town. He has always been a careful student of school problems and there is no doubt but what he will take a very active interest in the work. That last is a certain fact because it is well known that Mr. Heath always takes the greatest interest in anything which will be of benefit to the public. His difference is not his nature. The board is to be commended on their selection.

At the board meeting Tuesday night business of a routine nature was transacted, and Clerk Pickens states that on January 1st is the completed report of the state inspector of schools for the town. It was stated last week that a very careful inspection of the books of the school district was made by Miss Mary J. Haupt, State Inspector of Public Records. She made her preliminary report stating that everything was in perfect condition. The more complete report will be received the first of the year.

To further remove all pessimism in regard to damage done by the early cold weather at the new school building, Clerk Pickens stated Wednesday morning that there was absolutely no temporary disfiguration that had appeared on the plaster was being corrected. At the time the building was turned over to the board of education none of this cold weather effect will show.

PIONEER CITIZEN DIED SUNDAY

William A. Clark, well known and long respected citizen of Plymouth died at his home here Sunday evening at 8:30, after a lingering illness of three years.

Funeral services were held at 2 o'clock Wednesday afternoon at the home on Plymouth street, with Rev. Clark Himes, pastor of the Lutheran church, officiating. Rev. W. Miller, pastor of the Presbyterian church, assisted at the services. Burial was made in Greenlawn cemetery at this place. Charles Miller, local funeral director, was in charge of the funeral.

Mr. Clark was born on a farm south of Plymouth near Aurora, and died at the time of death was aged 73 years, 4 months and 2 days. He was the eldest of five children of John and Nancy Kirkpatrick Clark. When a young man he learned the carpenter trade and followed this occupation for many years.

In January, 1885, he was married to Laura E. Case. To this union were born three children. In his later years Mr. Clark was in the real estate business, and was active in this until failing health kept him confined to his home.

Three years ago while remodeling his home he fell and suffered injuries from which he never fully recovered. On October 31st of this year he suffered a cerebral hemorrhage and during the five weeks that followed he lingered in great distress until death came as a welcome relief to the aged man.

The deceased is survived by his widow, and also three children, Carl Clark, a United States marine, stationed at Guam; Lotta, wife of M. M. Ux of New London; and Miss Alma Clark, a teacher in the public schools of East Cleveland. He is also survived by one brother, Dr. E. Clark of West Broadway, at this place, and one sister, Mrs. Nora M. Hingley of North Fairfield.

Mr. Clark spent his entire lifetime as a teacher. He became well known for his honesty and other sterling traits of character. He identified himself with all things that were for the betterment of his home community and was a leader in many of the civic activities. Early in life he showed his admirable qualities when at the age of 18 his father died leaving a widow with five children. William was the oldest but he immediately assumed a great share of the burden of providing for the younger children, and was a great help to his widowed mother.

ILL

Mr. Ike Croninger who resides at the Sourwine home is quite ill with bronchial pneumonia. Mr. and Mrs. Seymour Croninger of Toledo have arrived to assist in taking care of him.

BABY CLINIC HELD

A well baby clinic was held at the Plymouth school building Tuesday afternoon from 2 to 4 p. m. Dr. Paul Garvin, of Mansfield, was in charge. He was assisted by Mrs. Kate Kohl-saat, a nurse, also from Mansfield.

EIGHTEEN NOW ASSUMED FOR LOCAL BAND

J. M. Crimmon, of Marion, the band instructor that has been secured for the local community, gave fifteen private lessons at the school building Monday.

It is expected that this will be completed at least eighteen next Monday. These lessons are ready to start taking lessons. It is understood, but the instruments which they proposed to rent had not yet arrived.

Supr. R. R. Miller, of the local school, and others who are behind the band project, are well pleased with the progress shown. They feel that there is every reason to believe that Plymouth will really have a band next spring and it is hoped that by the start of summer the service of the band can be offered to give the regular concerts on the square during the summer.

Considerable credit is due Supr. R. R. Miller for the success of the band project so far. He has given a considerable amount of his spare time in getting things started, and this work has been done, of course, at no compensation.

CHRISTMAS SEALS

Christmas seals are now on hand in every store in town:
 Some picture seals and Santas too. And snow flakes flying down.

But, we find a seal to suit Each package that we wrap, A Christmas scene for mother's dress, A Santa for babies cap.

A chorus of Christmas carolers: For Granites slippers, small, A little blue, with a ribbon bright For daddies gloves, and all.

A little doll all bright and gay, Now posed all ready to sing On your sweethearts present small, A lovely diamond ring.

But what has this to do with health: A Santa, doll and things, It only adds to the beauty, No happiness it brings.

Why not just use a RED CROSS SEAL.
 'Twill make your package bright, And it helps to cure the sick And make the world all right.

If each and every one of us A RED CROSS SEAL would buy, How many precious lives 'twould save Bring blessings from on high.

CHAPEL

The Chapel speakers last Wednesday morning were Lucille Pugh and Eloise Shaver. Lucille gave her Prince of Peace Declaration and Eloise talked on the school's Alma-Mater. Miss Shaver refreshed the pupils

minds on the fact that the rules of the school's Alma Mater were not heeded correctly. They are going to try their best from now on to do better.

After announcements the Program closed with the singing of the Alma Mater.

PRINCE OF PEACE

DECLARATION OF PEACE
 The annual Prince of Peace Declaration Contest was held at the Park Avenue Baptist Church in Mansfield, Sunday evening, December 8th. There were four young people competing in the contest. First place was won by Mary Twitchell from the Congregational Church of Mansfield. She was awarded the silver medal by the pastor of the Baptist church. The local contestant, Lucille Pugh, took second place. Her declaration was well given.

The judges were Miss Bernice Winter, a teacher in Shelby, Mr. Cramer attorney from Mansfield and the Reverend H. M. Braker, pastor of the Park Avenue Baptist Church. The program was enjoyed by a large attendance.

THE JUNIOR CLASS PLAY

The complete Junior class were present Thursday night at the choosing of the cast for the Junior class play, "The Eighteen Carat Book." The judges were Prof. J. E. Reed, Prof. R. R. Miller, Miss Hartzel and Miss Vance. The following cast was chosen, Eloise Shaver, Jane De Witt, Mary Anderson, Kenneth Myers, Freddie Keeler, Hulda Davis, Lucille Pugh, Harry Long, Don Elmsel, Jr., Thomas Webber, Miriam Dennen and David Bachrach.

The play will be given some time in January.

PLYMOUTH-SHILOH GAME (Boys)

Say Folks! Speaking of basketball games, anyone who missed the Plymouth-Shiloh boys game last Friday night, may be seen kicking himself around the streets of Plymouth; so if you see any such actions, this may be a plausible explanation. The fact that the score was tied eight times throughout the game shows what kind of game it was. When it wasn't tied, one team was ahead by one or two points only. At the half, the score was 10-9 in Shiloh's favor, but the Plymouth boys came back "all pepped up" and kept up the good work until the end of the game, when the score

was tied, 20-20. In boys rules, a three-minute overtime period is allowed to determine the winner. After three minutes hard playing, the score was again tied, 24-24. According to the rules another overtime period could have been played, but since both teams were so nearly exhausted the referee used his power to declare the game ended.

Games cannot describe games like this one properly so it's up to you Boosters, to come see for yourselves on December 27th, when Shiloh comes for the return game to be played in our new gym.

PLYMOUTH-MONROEVILLE

The Plymouth Hi cagers journeyed to Monroeville, Saturday night and came out on the short end of an 18-8 score. The game was featured by close guarding on both teams, as the score shows. The P. H. S. team, worn out by their overtime game with Shiloh the night before, held the strong Monroeville quietest during the first half 7-4. In the last half, the Hi on County champs pulled away from the locals to "put the game on ice." Scheide was the "big gun" for the winners, while all the locals played a steady game. Monroeville will play a return game at Plymouth, February 3th, 1930.

SCIENCE CLUB

The Science club held its regular meeting last Wednesday afternoon at three o'clock. We made a battery and experimented in electroplating. The battery registered one-half amp.

In electroplating we used the following materials: A storage battery, sulphuric acid, copper sulphate, a copper strip and two copper wires. We connected the wires to the battery and copper strip and put the strip in acid. We then dropped several steel articles into the acid and when we took them out, we found they had a thin coating of copper on them.

LATIN CLUB

The second meeting of the Latin club was held on November 4th, 1929. At the roll call each member was requested to answer in Latin. After the meeting some Latin games were played. Each member was given a Latin name by which he will be known in the future. The meeting was then adjourned and the club will meet again in three weeks.

COMMERCIAL CLUB

The Commercial club of P. H. S. held its regular meeting, December 4th, 1929. Reports were given on the following topics: "Mercantile Business" by Lucille Moore; "Development of Business by the Modern Corporation" by Vance Snyder; "The Credit Man, His Duties and Opportunities" by Leola Hackett.

These reports were very well given indicating the fact that these people spent much time preparing their talks. After these reports were given, a few business matters were discussed and the meeting was brought to a close.

Third Grade News

The third grade High Captain for this six weeks is Thelma Cuywood. We drew names for Christmas last Friday.

We have sold about two hundred Christmas seals and hope to sell more. We have a new classmate, Viola Smedley from Shelby.

In English class we wrote friendly letters to each other. One of them follows:
 Friend Elmer:

I am going to tell you about my visit to the country last summer. My brother was with me. We played we were at war. We had supper and it was a good one. At night we sat near the light and read the paper. After we went to bed, we looked out the window and it was pitch dark. The next morning when we got up, the morning milking was done and we had some of the good fresh milk from the cow. Then we started to play again.

Well I have written a long letter and will have to stop.

DELPHI NEWS

T. G. Campbell has installed electric lights.
Charles and William Howard are occupying the new house recently built by their brother Fred of Norwalk.
Fred Howard of Norwalk was a Sunday caller in Delphi.

Richard Smith has been appointed agent for the Sunday morning news. He has regular patronage of nearly twenty.

Mrs. Ella Blackmore is spending a part of the winter with her daughter Lucille Frank in Akron, whose husband is seriously ill with tubercular troubles in a Pittsburgh hospital.

G. W. Tooker while passing out of his house Friday night slipped on an icy stone step and broke one hip and fractured two others. Dr. Hayhurst was called and started the Y. M. C. A. man on the road to an early recovery. The truck of the New Haven Perillous factory is making regular trips with the dead.

The next regular meeting of the W. F. M. S. will be held this week Thursday. Mrs. Clara Wakeman, hostess, and an all day service. Pot luck dinner—a cordial welcome to all interested.

A musical and literary program is already launched for Christmas by the appointed committee—Lester Young, G. R. Young and Edith Alberta Boardman. They have already placed W. C. Gleason, Geo. Young, sr., Harley Smith and G. S. Castle on the base end of the choir. The younger people will have important parts.

Mrs. Minnie DeWitt, accompanied by her daughter Ruth Huff, went to spend a part of the winter with her daughter Florence and husband near Cleveland.

Seeing we have not written since Thanksgiving week—it will not be out of place to say our people did not forget their fraternalism during that week. The Rev. and Mrs. Henderson were truly surprised and captured in their menses by thirty-five or forty of their former parishioners of Fairport who came in on them with well filled baskets and prepared them a feast which blended with social converse was superlative.

Our boys and girls in college spent the day with their parents and friends.

Ross and Ethel Van Baakirk, husband and wife, have contracted for the purchase of the John H. Guest farm from his heirs. Transfer to be April 1st, 1930.

Below we have a report of the annual meeting of the Farm Art Club, by the reporter Mrs. Catlin. The delay of this report was through no fault of hers—we take all the blame. Ladies Home and Art club were entertained at the home of Mrs. Ollie Catlin, for an all day meeting. A covered dish dinner served at the noon hour, was followed by a short program, led by Mrs. Clara Young. Mrs. Verna Harvland gave a reading, followed by the election of officers as follows:

President—Mrs. Arthur Vatta
Vice President—Mrs. Verna Harvland
Secretary—Mrs. Wilma DeWitt
Treasurer—Mrs. Elizabeth Gooss
Flower Committee—Mrs. Ruth Huff
Reporter—Mrs. Ollie Catlin

One new member, Mrs. H. W. Smith, four visitors Mrs. DeWitt, Miss Frances Wakeman, Mrs. Mait and Mrs. Shauk of Mansfield. The club will hold its next meeting December 18th at the home of Mrs. Amia Funk, North Fairfield. There will be exchange of Xmas gifts at this meeting.

ATTEMPTING TO LIGHT CIGARET CAUSED CAR TO GO IN DITCH

Attempting to light a cigarette while driving an automobile caused the death of one person and the injury of four others, two seriously, when the automobile went into the ditch six feet south of Norwalk, Tuesday afternoon.

Mrs. Myrtle Dunn, aged about 40, was killed, and the injured were, W. W. Dunn, 41, her husband; Mrs. Susan J. Dunn, mother of W. W. Dunn; Everett Stout, aged 4; and Mrs. Everett Stout, all from Norwalk.

The party was enroute to Mansfield to attend a funeral of a relative. Dunn was driving, and started to light a cigarette. He asked his wife, who was beside him, to hold the wheel. During the operation the car got out of control, hit the road and ran through a ditch and against a tree.

Mr. Dunn received injuries about the head and is in serious condition at Memorial hospital at Norwalk. Mrs. Susan Dunn received serious injuries to her shoulder and ankle. Everett Stout was seriously injured in the head. Mrs. Stout was shaken up and bruised but not seriously hurt.

The body of Mrs. Dunn was taken to a morgue at Norwalk. She is survived by her husband and three children.

HAULS BOOZE IN SYRUP CANS

Harry Schulte, a young Cincinnati man, was arrested last Thursday night on road No. 17 near Willard with 80 gallons of booze in his possession. He appeared in Judge Carberry's court at Norwalk Friday morning, but the case was continued.

The liquor was put up in tin cans resembling maple syrup cans, and was being transported in an automobile. Deputy sheriffs made the arrest.

NEW STORE SIGN

The Holder Co. has painted a new sign across the front of the store here that tells all the passing world that within is "The Holder Co." It is painted in red letters on a grey background. They are also having the front of their store painted grey.

ARRESTED FOR PASSING SCHOOL BUS

The first arrest of an automobile driver passing a standing school bus is reported in Huron county. Peter Kingsley of Florence township was fined \$12.50 by Justice W. W. Scott of Mansfield on a charge of driving past a school bus at a reckless speed and endangering the lives of the children.

Deputy Sheriff Leroy Bedell arrested the young man, who is said to be a native of Hungary.

This law relative to the passing of school busses while taking on or unloading children was passed by the last session of the legislature. It would be well for all auto drivers to heed the law.

NEW LONDON M. E. CHURCH CELEBRATES GOLDEN ANNIVERSARY

The 60th anniversary of the building of the Methodist church at New London was celebrated Sunday at that place with appropriate services.

There was a large attendance in the morning and in the evening the church was crowded.

An interesting feature of the evening service was the solo by Mrs. Cal Starbuck of Norwalk. She was one of the singers when the church was dedicated fifty years ago.

G. W. MOORE DIES AT WILLARD

George W. Moore, aged 47, died at his home in Willard Monday morning following a brief illness.

Funeral services will be held this Thursday afternoon at 1:30 from the home of his sister, Mrs. L. H. Gaylord, in that city. The services were conducted by Rev. P. M. Redd, pastor of the Willard United Brethren church, and burial was made in the New Haven cemetery.

He is survived by the following brothers and sisters: Mrs. Charles Manson, of Chicago, Ill.; Mrs. Harry Workman, of Youngstown; James Moore of New Lebanon, Ind.; Will Moore, of Belleair; Lloyd Moore, of Fondulac, Wisconsin; R. W. Moore, of Portland, Oregon; and Mrs. Gaylord of Willard.

ADVOCATES GOOD OLD FASHIONED SPANKING

Dr. Gerry C. Meyers of Cleveland, speaking at the Huron county teachers institute held at Norwalk Saturday, came out flat footed for the old fashioned family discipline. He stated that it is far better to spank a child to teach obedience than to have the child run over in the street and perhaps killed or seriously injured.

The speaker also declared that parents should not let their young sons and daughters be insolent, disobedient and contradictory, and he declared that the schools are really made up of the school systems and the parents. Without parental backing, the schools are handicapped, the speaker said. The idea was brought out that it is wrong for parents to let their children lead them around by the nose and that the nearly going, mostly mouthed parent is wrong, despite the fact that many think it the proper thing these days to let the youngsters run the house.

Another speaker at the institute was J. G. Engleman, president of Kent State Normal School. In his talk on the use of English Dr. Engleman said that subject should be carried into every study and into every walk of life. Pupils should strive to use good English while they are studying other subjects including mathematics. Poor enunciation and poor articulation, it was stated, work against the proper use of English, and the speaker said that the dictionary habit is a good habit.

DIETRIC! MAGICIAN!

An exceptional program will be given at 8:00 o'clock at the local Presbyterian Church, Tuesday evening, December 17th. This program sponsored by the Junior class, will be given by Dietric & Co., Master Magicians, Musicians and Entertainers.

This program differs from others as it has a combination of music, play-lets, and magic all in one night's fun and will keep the crowd in an uproar throughout the entire program. His varied programs are arranged for the enjoyment of all.

Everyone desires a change, something out of the ordinary run of amusements, in brief something different. To obtain this it would be difficult to find a program that would be more to the point than this one.

Mr. Charles Dietric and his assistant recently presented this program before an audience in Shelby, with much success. They present a program of good, clean and wholesome amusement which will be enjoyed by all.

If anyone has grown tired of the usual run of entertainments which have been given in the past try this one and revive your interest. Spend an enjoyable evening with Dietric and his assistant as your entertainers.

CARD OF THANKS

I want to thank all those who remembered me during my illness in the hospital, with cards, letters, flowers, and also Friendship Class for plant. MRS. IRA HAINDEL

QUEEN ESTHER CIRCLE

Members of the Queen Esther Circle are urged to be present at their meeting to be held tonight, Thursday, December 12th at 7 o'clock in the church parlors. A covered dish supper will feature followed by the packing of the Xmas box to be sent to a minister's daughter in North Carolina. This is a reminder for each girl to bring their gift.

CATHERINE REED CATHINE REED

Mrs. Ed. Childs was hostess to the members of the Catherine Reed Class Tuesday afternoon, December 10th. Christmas decorations throughout the rooms added to the pleasure of the annual Christmas meeting.

Mrs. B. F. Beck led the devotions and a short business session followed. Different members contributed readings on the subject of Christmas and a program of contests and games were enjoyed closing with the exchange of gifts. The long table in the dining room was filled to overflowing with the pot luck supper and the guests were said that Christmas feasts of the past could not excel those of the present.

The January meeting will be held at the home of Mrs. B. F. Beck.

SUNSHINE CLUB MEETING

The next regular meeting of the Sunshine Club will be held at the home of Mrs. Leola Kuhn Thursday, December 12th, at 7:30 p. m. Mrs. Kuhn will be present as also is the Christmas meeting. Also some charity work to be taken care of.

WELL KNOWN GREENWICH MAN DIES

Fred Miller, aged 55, owner of a barber shop and one of the best known citizens of Greenwich, died at his home in that village last Thursday morning.

Funeral services were held Saturday afternoon with burial in the Greenwich cemetery.

Mr. Miller had been in poor health for some time. The Saturday before death occurred it was necessary to take him home from his place of business. From that time on he grew rapidly worse until death came last week.

ALPHA GUILD

The Alpha Guild of the Lutheran Church will hold their annual Christmas party at the home of Mrs. T. J. Gaskill of North Street on Tuesday evening, December 10th at 7:30 o'clock. The assistant hostesses for the evening are Mrs. San Trauger and Mrs. Harry Diez.

Each member is also reminded to bring a gift not exceeding 25c in price for the annual Christmas exchange.

NEW GARAGE

Charles Moore of Mansfield has just completed at the Caldwell residence on West Broadway a back porch and a one-car frame garage.

WEEK-END GUESTS

Miss Elsie Bowman of Cleveland and Miss Lela Bridges were week-end guests in Delaware. On Saturday afternoon they attended an Informal Dinner and in the evening a Formal dinner and a dance given by the Sigma Alpha Epsilon Fraternity The "Scarlet Mask" orchestra of Ohio State University furnished the music.

ENTERTAINS AT PARTY

Mrs. Chas. Barr entertained at a party Saturday evening, November 31st, for Miss Jennie Bachrach before she left to spend the winter in Florida. Cards and a social good time was had by those present, they being Mrs. Ida Mittenhuber of Mansfield, Mrs. Norma Sutton of Atkin, Miss Thera Boyer of Columbus, Mrs. Della Hills, Mrs. Hanna Bistline, Mrs. John Fleming, Mrs. William Wechter, Mrs. Mack Rogers, Misses Kathryn and Elizabeth Weber and Miss Harriett Rogers.

TOURIST CLUB MEETING

Monday evening Mrs. Ralph Hoffman was hostess to the Tourist Club

CIVIL WAR VETERAN DIES

Charles Davis, aged 56, Civil War veteran, died at his home in Norwalk township, Huron county, on Wednesday last week.

Funeral services were held at 2 p. m. Friday with Rev. George Gibson, pastor of the Methodist church at Norwalk, officiating.

He is survived by his 85 year old widow and four children, Elva, Dan, Ernest and Alice, all at home.

The deceased was one of the few surviving veterans of the Great Rebellion living in Huron county. He was born in New Haven township, but he had spent most of his life on the farm near Centon. During the war he served three years with Co. I, Third Ohio Cavalry.

RURAL MAIL CARRIER

Donald Ford, Plymouth rural mail carrier, escaped injury Saturday morning when his car, a Chevrolet sedan, turned over on the road near his home north-east of town. Mr. Ford was on his way to Plymouth to attend to his daily work of carrying mail. It is probable that the car skidded on the slippery road which caused it to overturn. The car was only slightly damaged.

As leaders in the Cooperative Extension work in Home Economics Miss Marjorie Ebert and Mrs. Nellie Smith gave a very interesting demonstration at Mrs. Smith's home with twenty known as present near us.

Candy making, also a simple dessert and a pudding was very nicely demonstrated. The next meeting will be at the home of Mrs. Ira Ross, Friday afternoon, December 13th with Mrs. Foraker, Mrs. Phillips, Mrs. Black and Mrs. Weaver as leaders.

"YOU MUST BE BORN A MUSICIAN"

Says Ted Lewis, "If Not, Study is Useless. You Can't Win."

"Musicians are born, not made." Ted Lewis is talking — and in the event that you do not know who Ted Lewis is (though that hardly seems possible), a few facts will enlighten you. Known as the "rhythm-battered tragedian of jazz," he has been Vanderbilt's most popular entertainer for years, beginning his musical career at the age of nine in his birthplace, Circleville, Ohio, playing the piccolo in the local boys' band, he received the only instruction of his entire life. Now he plays practically every musical instrument known and sings as well! Temple Theatre—Sunday, Monday and Tuesday, Dec. 15-16-17.

FARM WOMEN RECONSTRUCTION FURNITURE

Chairs and other furniture that had been discarded have been put in to first class condition by the women of a number of townships in Huron county, among them being New Haven township.

The furniture has been reconditioned and refinished and when completed is ready for the best room in the house. The work is being done under the direction of Mabel G. Pernal, Home Demonstration Agent of Huron county, co-operating with Anne Biebricher, Home Furnishing Specialist of the Extension Department of Ohio State University.

The repair of broken and discarded furniture requires much energy and time so far that reason only furniture which is good in design and which is well built is worthy of attention.

The women from New Haven township who have been doing this work are:

CHRISTMAS PARTY

Mrs. Paul Curtis proved a hospitable hostess last Wednesday when members of her Larkin Club gathered for their annual Christmas party.

It was an all day affair with a covered dish dinner served at noon to eleven members and two guests, Mrs. Glen Dick and Mrs. Shirely Shields.

The home was decorated in colors, in keeping with the holiday season and a gaily lighted Christmas tree hung with gifts for all present, which in due time were presented by the secretary Mrs. Carrie Sturtz, held place of honor. Mrs. Sturtz has been secretary of the club for some years and as a token of their appreciation, the club then presented her with a beautiful Indian Blanket.

The next meeting will be held with Mrs. Carrie Sturtz.

WOULD KEEP TAX AMENDMENT FROM BECOMING LAW

A suit for an injunction to restrain state officials from certifying the returns on the classification tax amendment to the state constitution was filed in common pleas court of Franklin county by Ephraim R. Eyles, a taxpayer. The amendment had carried at the general election November 6th by a majority of over two hundred thousand.

Eyles claims that he and others would suffer loss if the amendment were permitted to become a law.

The main injunction action was directed against Governor Cooper, Secretary of State C. J. Brown and Attorney General Gilbert Bettman.

Eyles claims that the voters were

"misled, deceived and defrauded" on three grounds, first because the sponsors of the amendment left off the purpose clause, second because the amendment and the repeal of the old section were carried on the same ballot, and third because the law provided that all amendments be submitted to the voters on separate ballots.

The amendment is to become a law on January 1st, 1931. The governor has already issued his proclamation declaring it a part of the constitution. Attorney General Bettman, in commenting on the suit stated that he believed that the action was too late because all the requirements of the law had been met.

NEWS OF THE GRAND JURY

In the recent session of the Huron county grand jury a number of cases were ignored. Among them were the following:

Lacey Barnett and Arlie Bandy, both of Willard marsh, charged with rape; Barnett bound over in Justice F. A. Powers court, and Bandy was bound over by justice A. M. Beattie.

John Spangler, bound over by Mayor C. L. Willoughby of Willard on charge of making menacing threats in the Willard marsh.

Bernice Brandt, charged with third liquor offense.

Joe North, colored of Willard, charged with furnishing poison liquor that caused the death of Edward O'Brien, Willard railway worker.

Indictments were returned as follows: James Parker of Clarkfield and Joe Hand of Birmingham; larceny; both arrested on charge of stealing eight chickens valued at \$ and \$5 worth of honey from an uninhabited building on the farm of Jesse Hayes in Clarkfield township.

Pete Chaplin and Roscoe Crockett colored men, charged with tampering with air brakes on a B. & O. freight train.

Michael Merrick, petit larceny, arrested at Springfield, Mass., on charge of robbing store of Earl C. Wyatt at Willard.

James Johnson, arrested at Trumpton, N. Y. on the charge of stealing about \$25 from the store of E. M. Alberts at Monroeville.

Chaplin and Crockett pleaded guilty. Judge Carpenter sentenced them to 60 days each and \$50 fine each.

SIEGENTHALERS

68 N. Main St. Mansfield, O.

and they will return to America in April.

The parents of the young men came from Holland and settled in the rich north end of the marsh land to the west of Plymouth thirty years ago. The family has been extremely successful in raising celery in the rich black soil that has been reclaimed from the apparently almost worthless marshes only after years of hard toil.

The young men have always had a desire to return and visit the native land of their parents and this winter they find their ambition is realized.

of Bucyrus was the visitor, and the man who hurled the name at Myers. The latter leaped to his feet, and before Ginery could arise from his chair, Myers had landed several telling blows. As soon as Ginery could get his wits together he retaliated and it is said, landed at least one very effective blow.

After it was all over and the smoke of battle had cleared away, the net result was: Ginery had sore spots, there was a trace of blood on Myers' chin, and hard feelings were aroused that will undoubtedly echo and re-echo down through the coming political campaign next fall, when Myers will undoubtedly be a candidate for reelection.

The argument started, it is said by witnesses, when Ginery called to confer with the board. The visitor and Myers, it seems, got into a debate and then into a veritable verbal battle over some road improvement that had been made in the past. The two are neighbors, and it is said distant cousins, although, Ginery says he discounts the relationship. Finally, as stated, Ginery said Myers was a liar and then added that he was a blank blank liar. The fictitious encounter ensued.

A. J. Huber, chairman of the board, and the only other commissioner present, parried the two batters and then peace reigned.

Myers is the first republican commissioner that was ever elected in Crawford county, at least the first one for a half century or more. He made quite a name for himself in the campaign of 1928 as a verbal brawler, but this is the first time that his pugilistic prowess had ever come to the front.

Myers, it is said, stated to the other commissioners some time ago that he would be a candidate for reelection in 1930 but that it would be on the democratic ticket and not on the republican ticket. It is not known just what would cause him to make this decision.
