

DEATH CAUSED BY HEMORRHAGE

Mrs. Mary Gilbert Blair, 79, widow of Ira W. Blair, died Monday, January 28, of cerebral hemorrhage at the Cleveland hospital, Lima. Death followed an illness of eight months. She was born in Buffalo, N. Y., and since 1920 has been living with her daughter, Miss Genevieve Blair, Adgate-apts. 300 1-2 S. Main St., Lima, Ohio.

Mrs. Blair was originally of Plymouth, O., coming here in 1880. She was a member of the Christ Church Episcopal and the Plymouth order of the Eastern Star lodge, in addition to the daughter, she is survived by a brother, D. F. Gilbert, of Battle Creek, Mich., and a sister, Mrs. Frank Gilbert Tyson of Plymouth. Funeral services were held at 10 a. m. Wednesday at the residence. The Rev. Victor A. Smith, rector of the Christ Church Episcopal officiated. Burial was made at Plymouth.

TOURIST CLUB ENTERTAINED

Mrs. Ralph Hoffman was hostess to ten members of the Tourist Club on Monday evening, January 28th. A beautiful dinner was served and enjoyed followed by a short business session. Miss Harriet Fortner then led a very interesting discussion on Arizona "The Baby State." Years ago the Chicago Hrs. Apaches still scalped settlers in this part of our country and Philadelphia had passed its Centennial before a pioneer crossed the Yuma Desert. But drew

BIRTHDAYS CELEBRATED

Last Friday evening friends and neighbors numbering forty-five gathered at the home of Mr. and Mrs. Andrew Myers to help celebrate their birthdays, Mrs. Myers' birthday falling on Friday and Mr. Myers birthday being only a few days' previous.

Both Mr. and Mrs. Myers received many nice presents.
Lunch was served to the guests and at a late hour everyone present wished them many more happy birthdays and adjourned.

Mr. and Mrs. Chas. Henry and Mrs. Dan Bradford of Willard and Joe Penpacker of Lewistown, Pa., were Sunday evening visitors of Mr. and Mrs. John Bradford.

Mrs. Pete Habic and daughter Josephine and the Misses Marie and Mabel Kerr of Tiffin spent Sunday afternoon with Mrs. O. J. Lybarger and son Vincent.

ANNUAL MEETING HURON COUNTY FARM BUREAU

The Huron County Farm Bureau held its Annual Meeting in the English Lutheran Church at Norwalk, Friday, January 18th.

The meeting began at 10 o'clock with the reading of the minutes of the last meeting by Mr. Finlay Hester, Secretary. Reports were made by Acting County Agent, G. A. Hummer; Home Demonstration Agent, Mabel G. Fernald; and Service Manager, Newell S. Odor. About 110 enjoyed a fine fish dinner which was served by the ladies of the church.

In the afternoon, Miss Verna Klingler of the Home and Community Department of the Ohio Farm Bureau Federation, held the close attention of the audience as she spoke of the responsibility of the members. The important thing is the effort put into the organization. This is even more important for the individual member than that of an officer, for it is the individual activity which counts most. Progress is to improve agricultural education. Miss Klingler urged the people to undertake work which would promote the best home life, educational life, moral and religious life, health, safety and community beautification. Her talk was well given and won the close attention of all.

Mr. O. J. Bailey of Tacoma, Bell County, President of the Board of Directors of the O. F. F. and vice president of the Ohio Farm Bureau Corporation, explained the relationship between the Farm Bureau Federation and the Ohio Farm Bureau Corporation and Service Company. He made some very long strides forward in the solving of Farmers' problems. Miss Elizabeth Brooks of Bronson Township, who was a delegate to 4-H Club Congress at Columbus, gave the audience a very interesting description of her trip. In her talk she expressed her appreciation to the County Commissioner and the Extension Department, who help to make it possible for the outstanding club members to take this trip each year.

The Kitchen Orchestra composed of members of the Ripley Township Farm Women's Club, and led by Mrs. Howard Washburn, played a number of selections. This caused much enjoyment of all.

The vote resulted in the election of F. W. Liles of Collins, for President, and E. Miller of Willard for vice-president. These men were both re-elected and have proven strong leaders.

Miss Alberta Hale, a student at Marietta College, spent the week end with her parents Mr. and Mrs. Dave Scrafeld.

Burial Vault

It is a well-known principle of Physics that water cannot enter an air-filled chamber from beneath, hence this vault will keep casket and remains DRY indefinitely.

It is imperative to water and becomes stronger and harder with age; furthermore, it is AIR SEALED.

There are many reasons for the ease of steering the new Ford

THE new Ford is exceptionally easy to steer because of the well proportioned weight of the car, the steel-spoke wheels, the co-ordinated design of springs and shock absorbers, the size and design of the steering wheel, and the simple mechanical construction of the steering gear.

The Ford steering gear is of the worm and sector type used on high-priced cars and is three-quarter irreversible.

In simple, non-technical language, this means that the car responds easily and quickly to the steering wheel, yet there is no danger of the wheel being jerked from the hands of the driver by ruts or bumps in the road. A light touch guides the car, yet you always have that necessary feel-of-the-road so essential to good driving.

Strength of materials and careful workmanship give unusual stability to the Ford steering gear and housing.

The steering worm, for instance, is spined to the steering worm shaft and is stronger, of course, than if a single key were used to hold

the shaft and worm together. The steering worm is forged and machined in the same piece with its shaft.

The housing of the steering gear mechanism is made of three steel forgings, electrically welded together. This housing is then electrically welded to the steering column. Such a one-piece steel unit is naturally much sturdier than if several parts were used and bolted or riveted together.

Throughout, the new Ford steering mechanism is so simple in design and so carefully made that it requires practically no attention.

The only thing for you to do is to have the front steering spindles, spindle connecting rods, and drag link lubricated every 500 miles and the steering gear lubricated every 2000 miles.

For this work, you will find it best to consult the Ford dealer. He has been specially trained and equipped to help you get the greatest possible use from your car over the long, rest period of time at a minimum of trouble and expense.

UNIQUE ROMANTIC DRAMA AT SHELBY OPERA HOUSE

It is difficult to conceive Nancy Carroll as a showgirl. She is too bright, too elegant, too lovely to give even the faintest suggestion of what the word connotes. Yet she is "The Showgirl Angel" in the absorbing new feature at the Shelby Opera House Monday and Tuesday, Gary Cooper, the popular young player of the Paramount studio, is featured with her in this picture.

Nancy Carroll and Gary Cooper are a unique pair of screen lovers. Neither is the dainty, super-sensitized little chorine who has probed the heights and depths of Broadway and has sought and purchased its glittering, luxury.

Gary is the shy, bashful, awkward boy from the West, who gets to New York for the first time, when his company mobilizes there on its way to France. These two meet, the clean-minded youth and the gilded Broadway beauty. These two love. Then Nancy realizes that he loves her for what he thinks she is, not for what

COURTESY

High School students, we shall be the men and women of tomorrow. Shall we men and women without manners? Shall we break down the customs established by our forefathers?

Now is the time to start being manly and courteous. Practice using your best manners at school. Treat your fellow classmates and upper classmen with courtesy. Remember the courtesy due to your teachers. Things to observe:

- Pardon yourself when passing in front of anyone.
- Remove hat when entering building. Do not be histerous.
- Do not interrupt.
- Do not break into room before class is dismissed.
- If you do not understand a question do not say "Huh," say "pardon please."

Pass quietly from one room to the other.
Come! Let us cooperate in courtesy. Show visitors we know how.

MISS LEFEVRE'S VISIT
As the community probably knows,

Miss LeVeve has been absent on account of infection in her hand which grew very serious. She made a visit to Plymouth High School, having been absent since Christmas vacation. She was welcomed very heartily by everyone.

She stated she was going to have an x-ray taken of her hand, and it may be necessary to undergo an operation the first part of this week. It is hoped she will have a rapid recovery, and will return to us soon.

PLYMOUTH SEXTET

WALLOP MADISON
The fighting six from P. H. S. rambled over Madison way, Friday night, February 1st, in order to do battle with the Madison lassies. Well it was some scrap-and mean game. The ladies from P. H. S. had plenty of fight, great team work, and a keen eye for the basket. "The results was inevitable. The score at halftime stood 6-4 favoring the winners, but it was in the last half that Plymouth literally ran away from their opponents. Final score 22-12. Sheely lead with 12 points, while Becker was close behind with 8 markers.

P. H. S. QUINTET DEFEATED BY MADISON

Friday Plymouth boys journeyed to Madison and were defeated in a game being 24-16. After Plymouth made the first two baskets Madison decided to start for four they were to take behind. The gun sounded, and the quarter and the score standing 5-6 in favor of Madison. The second quarter began with Plymouth fighting hard. The half ended with the score eleven up (11-11). As the whistle blew for the starting of the second half each team came on the floor with the determination to win. The period was a battle ending with the score standing 19-15. The last quarter was a tussle to keep Madison from scoring. The final gun was heard, the score being 24-16.

ZANDER-GUMP NUPTIALS

An elaborate and impressive wedding ceremony took place at Thursday evening when beautiful Mrs. Zander, widow of late A. Zander, became the sparkling blushing bride of Benjamin Gump, son of Mr. Gump and uncle of A. Gump, all of Combsburg.

The bride was bedecked in a long, silken garment trimmed in lace while the groom wore a good fitting dark suit. He was attended by his nephew Andrew Gump, wearing no man's collar. Mrs. A. Gump acted as bridesmaid. The famous Major Hoopie tied the everlasting knot.

After the ceremony was completed and congratulations were hurled in every direction the happy couple announced that they would go on their honeymoon abroad, included in their trip were several interesting places, namely, Washington's monument and the groom's grave stone. Also the grave of the former, Mr. Zander. They left Friday morning amid the good wishes of their friends in Combsburg.

"Tell me who you go with and I'll tell you who you are." That has a familiar ring, hasn't it? But you seldom hear it any more. People have a better way of judging other people now. They simply look at the family automobile... And that is why the Pontiac Big Six is meeting with greater success than any other Pontiac ever built. The Pontiac Big Six provides big car qualities to the fullest degree. It has big car beauty. It offers big car engineering features by the score... And every day, the number of Pontiac Big Sixes on the road is increasing—because progressive people welcome the idea of stepping up in motor car quality without stepping out of the low-priced field!

SHILOH SCHOOL NEWS

BASKETBALL
Shiloh High's "red" honors with Lucas last Friday evening in their game played on the local floor. The girls found very little trouble in conquering Lucas last night. The score was 17-5.

The story of the boys same however is much different. The game was hard fought from the beginning until the final whistle. The two teams were evenly matched. Lucas was far as the boys concerned. The score was a tie and took extra until the final quarter when the Lucas boys forged ahead for an 8 point lead. This score was 31-21.

TATLER
The next issue of the Tatler will come off the press next Monday and will be delivered Monday evening.

The regular meeting of the P. T. A. for February was postponed until March due to many activities which have been occupying our time for the past week. The February program committee will carry over until March.

SENIORS PLAN TO ISSUE ANNUAL
At a meeting of the Senior Class Monday noon it was decided to publish an annual as the last edition of the Tatler. An effort will be made during the next week to obtain enough subscriptions as well as enough advertising to insure the publication.

School nurse says all girls should know this
Talk to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking mild, since it works mechanically and can't disturb the normal functions of any organ of the body. It's particularly with girls there are times when relief should always be taken. This is a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or any pain or griping. It's different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Lesson and a properly equipped conservatory mother power. She also gave some fine illustrations of the successful kitchen contents which had been made in several counties.

Thursday afternoon the president A. O. Morton called the meeting to order. Mrs. McEwen then gave the names of the nominating committee made their report which was accepted. The following officers will have charge of the institute: President George Page, Vice President C. S. Swartz, Secy. Treas. T. A. Barnes, Lady Correspondent Mrs. John Ensel.

Mrs. McEwen then gave the names of the poster winners, and also explained rule for selecting the best 50% for advancing value, 25% for originality, and 25% neatness.

London school, Peati Dillon. Primary grades, Jesse Wayne Hamman, and 6 grades Mary Sloan.

High school James Guzman. Mrs. McEwen talks were interesting and included the topics, House furnishings, and Proper food for each.

Mr. Hetrick of the Smith-Hughes Dept. gave a short talk on his work and the progress being made through the meeting of the farmers together at various times for instruction pertaining to farm crops.

County Agent John Gilkey gave an instructive talk on "Keeping the Rich in Richland." Among the many good points he gave the reason for improved cultural methods, was that native fertility is gone caused by soil erosion.

What is the best cash crop? Potatoes production rapidly increasing. He also gave the average crop production, the kind of fertilizer necessary for each crop and also examples of successful farmers who have experimented and extension service. Mrs. Gilkey also favored the institute with a very fine lecture. Miss Ellen Froyer, representative of the schools, and graciously responded to the anchor which she received. The music of the afternoon was heartily received.

In the absence of some members and by special request Miss Agnes Shiloh was present and gave a humorous reading for which she received much commendation.

The poultry prizes were awarded as follows: Best pen white rock chickens--Edwin Watanan last, Ross Russell 2nd. Best pen barred rocks--Perry Gou drum. Best pen white leghorn--A. O. Morton last, Rev. McBroom 2nd. Best pen buff leghorn--Glen Boyd. Best pen Silver laced wyandottes--H. S. Marling. Jersey Glants--Mrs. Clinker.

Saturday night a capacity house greeted the Shemanshah community club when each member took their respective parts, and gave the play in a manner which was a credit not only to themselves but also to their community.

GRADE NEWS

NIAGARA IN WINTER
 Evidently a number of our grade teachers are not anticipating matrimony and the traditional trip to the falls in the near future, or they wish to have a basis for contrasting the appearance of the mighty cataract in mid-winter and in balmy June. Be that as it may, a group of them had a merry party over the week end, and leave us the following description:
 We arrived at Niagara at 7:30 Saturday morning. A sightseeing trip was arranged soon after our arrival, which included a visit to the Falls, Whirlpool Rapids, Prospect Park, Queen's Park, Victoria Park and a view of the Falls on the Canadian side.
 The trees in Prospect Park were covered with snow and frozen mist and it all looked like a picture of fairyland.
 The main part of the Falls was not frozen over but around the edges were ice formations and also in some parts of the river. We were told that at one time last year they were completely frozen for twelve hours. Owing to our open winters this does not often happen.

About 7:30 in the evening bright lights were thrown on the Falls from the Canadian side. For half an hour various colors were used which presented a very spectacular scene.

SIXTH GRADE
 Robert Cornell is health officer for this month.
 We appreciate very much the flags which the American Legion presented to us.
 The Literary club has decided to subscribe for the "Current Events" with the money taken for dues.
 Our room had the honor of selling the highest amount of tickets for the P. T. A. play. We sold 35.

SEVENTH GRADE
 Lawrence Cornell was the winner for the coloring contest in the Seventh grade. As a reward he received a paid admission to "Custer's Last Fight."
 On the honorable mention list were Betty Asakob, Thomas Himes, Helen Dick.
 100's in Spelling went to Doris Cramer and Garrold Dodge.
