The Town Doctor

The DOCTOR OF TOWNS SAYS

MANY CITIES LIKE TOSPY HAVE "JUST GROWED" In the past, the mental genius of the entire country has been devoted to invention, and the creating and studying of scientific manufacturing and production methods—a mechanical age with very little thought, comparatively, to the analysis of the community.

These things that were, but are not now, did not know they were "slipping," could not help themselves, so cannot be blamed—they could not think, therefore a warning of their predicament was useless.

There is a new order of things. Look around you—you will see it on everykay. Business, industry, know it—you can't help but recognize it. But look at your town! Has it kept pace? Has it grown? Has it ridden the crest of the wave—like Topsy, has it "just grown," with little or no thought, consideration, or analysis that is vital to continued growth, expansion and prosperity.

TRAFFIC LIGHT IS PURCHASED SIDELIGHTS

Another sure sign of spring is the "band talk" which is going around the Square. The business men this year will have better opportunities than ever to secure a successful band for Maurice Davis, who has been directing the Shelby and Crestline organizations, states that should his organization be chosen for the summer concert that he will be able to furnish thirty or forty pieces instead of fifteen such as the case last year.

It might be well to say here that Mr. Davis has had much honor bestowed upon him the past few months and one of his greatest achievements was the program recently rendered by the Shelby and Crestline bands under his direction. Mr. Davis has the talent of a director and he has made much progress with the material which he has had to work with, mostly high school students and when you hear one of his concerts you'll agree with us.

There will no doubt be some friction this year as in past years over the band concerts, but it is well time for the business men to begin talking the matter over, and we see no reason why the business men alone should bear all the financial responsibilities. The people of the community, we believe, would be willing to contribute from \$1 up to \$10 toward financing the band concert.

It is quite remarkable the perspective some people have of their community. Just the other day we were talking to a prominent citizen in business in a nearby town. Our conversation drifted to "small town" business and he asked me the question: "In these days such things as a newspaper chain?" I replied that there was, especially among the larger cities. And you, dear reader, would be surprised to know that one person could be so pessimistic, especially over the outlook of the smaller towns. And on top of all this pessimism he states that he could tell within \$25 just what amount of business he had done for the year. That sounds a little fussy.

SOMETIMES I lose confidence and faith in advertising," says a well known business man in Huron county. And why shouldn't he? Advertising improperly written or displayed has about as much appeal as a piece of cheese on a fish hook. Advertising in recent years, especially the past few, has been overworked. Advertising is intended for one thing and one thing only, and that is a source of information to the buying public. And when any merchant advertises for a purpose more than this he is certainly headed for disappointment.

PAGE after page could be written on advertising, its plan and purpose, its buying power and forcefulness, its creativeness, etc., but what's the use. Industry demands truthful advertising, and advertising will never be substituted for matter in what form you may take it, trade journals, newspapers, magazines, billboards, or whatnot. Advertising has made too many successes to be left out in the cold and the average wideawake merchant will continue to use what he thinks necessary.

WINS JUDGMENT IN DAMAGE SUIT Judgment for the defendant in the case of Isaac Devier versus Walter Thrush was returned by the jury in common pleas court at Mansfield Monday afternoon.

The case was the result of an accident on the Bucyrus-Plymouth road late in 1927 when the plaintiff alleged the buggy in which he was riding was struck by an automobile driven by the defendant.

The case went on trial shortly before noon Monday and was finished by 4 o'clock. The hearing attracted a good sized crowd to the court room the majority of them being the neighbors and friends of one or both parties involved in the controversy.

The plaintiff sought to secure \$2000 damages for injuries alleged to have been sustained.

C. L. Sellen and T. R. Robinson were counsel for the plaintiff and C. H. Hesel represented the defendant.

ADVERTISEMENTS AND NEWS

The Parson's Column

Some years ago a mother came to me one day saying, "Pastor I am wor-

ried about my boys, they are losing all interest in the church and religion, why I can hardly get them to go to Sunday School anymore." Those boys were in their middle teens, just at that period in life when a lad is questioning the factors in his environ-

ment with more discomfitment that adults sometimes realize. My reply to that mother was something like this: "Your boys are not going to take any interest in the church or religion until you and their father take more interest than you do at present."

The case was simply this: To this man and his wife the church was just an organization to which all respectable people belonged just as one might join the Masonic order or any other lodge, because the best people in the community belonged. They attended church when it was convenient to do or when there was no place else they desired to go. Many times during the summer months Sunday after Sunday they got into their automobile and went off on excursions. It was perfectly alright for the boys to miss Sunday School to accompany them. Was it not logical for the boys to conclude that on any other Sabbath, when they had other plans of their own that it was perfectly all right for them to cut Sunday School.

At another time a lady said to me with a wail in her voice; "I do hope brother— will resign and find some other pastorate, he simply does not fit here, he has no appeal to the young folks, the other churches are getting all of our young people. Why even my own girls are going to the Sunday School because their pastor's wife has organized a group of campfire girls. Our pastor don't try to do anything like that and of course the girls like that kind of thing and so I let them go."

I discovered that Mother would never take any responsibility in the church for fear it would interfere with her social life. The father paid fifty dollars a year to the current expenses of the church and thought his religious responsibilities discharged.

The same evil was at the root of both of these problems. There was no vital religion in the home. Believe me or not parents; if those boys and girls of yours, who are passing from childhood to adulthood, have any religious convictions and sense of spiritual values that are worth while, they will have to find the primary influence to find such, in the home influence you create.

If your religion falls short of that genuineness of which the man of Nazareth spoke, when he said, "Seek ye first the kingdom of God," they are going to be repelled therefrom rather than attracted thereto. For goodness sake at least be honest enough not to blame your shortcomings upon the inability of a pastor to amuse your children.

NEWS FROM DELPHI

WELL KNOWN RESIDENT DIES

In the death of Joseph Willis, a week or so ago Ripley lost a unique citizen—well known and useful and 103 gifted with great gifts, so that even the little child or most aged found him easy to approach. Was a kind and obliging neighbor, never married, always lived with his parents, after their death he and his unmarried sister kept the home, when early in 1925 she passed away, leaving the last of a family of seven children to go alone in the midst of a community who saw that their aged neighbor was well cared for.

He was among the men that stopped the raid of John organ in Ohio during the Civil War. He was continuously in office as constable in Ripley for 49 years. A courageous man was he.

DEATH OF G. W. BRINSON

G. W. Brinson, one of Ripley's well known citizens passed to his reward Sunday, March 3rd, 1929 at his home in south Ripley, aged 69 years. He was Ripley born having spent his life in the home where he was born. He was thrifty, accommodating and helpful. He knew how to save as well as earn. His wife and one daughter preceded him in death several years ago. He is survived by three sons and one daughter and one sister, Mrs. G. M. King of Greenwich, O. Funeral was held Tuesday, March 5th. Rev. H. H. Crim of the Delphi church was pastor. Interment in Shiloh cemetery.

Charles Howard of Norwalk was a Sunday caller at S. C. Howards and also attended church and Sunday school.

R. A. Boardman has remodeled the house and barn on his south farm. W.

J. Smith did the barn work and S. C. Howard did the mason work in the house. His son Cecil will soon take possession of the farm.

Dr. Whistler of Willard was called to see the sick baby at Raymond Blacks Saturday.

Kent McParlin has purchased a tractor to further his work.

Mrs. Ruth Blichelmer and niece of Toledo were end guests of her parents Mr. and Mrs. L. A. Goyen.

George Howard and sister Sylvia of Tiffin were week end guests of their relatives in Shiloh and Delphi.

Franklin Garner will move on the P. C. Young farm south of the center of Ripley to be vacated by Cecil Boardman.

We had the pleasure of dropping in to see Tom and Lew B. Sibbett and their boys. The men in their boyhood used to help make their tractor happy in his work. We were always good friends.

Mrs. Hermie, wife of L. B. teaches school in Rome, east of Shiloh. She drops in each evening to see how the men get along in housekeeping. Besides they have a black Raccoon farm with 18 inmates all the way from \$50 to \$500 A good place to visit.

Charles Brown has everything all set for the manufacture of maple syrup and sugar in the L. A. Goon camp.

Cecil Watts and family of Vermilion were over Sunday guests of his parents Mr. and Mrs. Arthur Watts.

Clifford Campbell was a Saturday and Sunday guest of his sister in Cleveland.

Mr. and Mrs. W. J. Wilkinson of North Fairfield were callers at the Catlin home Sunday evening.

Mr. and Mrs. A. E. Hanville of North Fairfield and Mr. and Mrs. W. J. Dole of Boughtonville were guests at the home of Mr. and Mrs. Wm. Van Buskirk Sunday.

Penrod & Co. were still "holding the fort" in Boughtonville, offering the remainder of their stock of goods at cut rates.

Marvin Howard of Shiloh, born in Delphi, with his nephew and nephew, Geo. and Sylvia Howard of Tiffin spent Saturday evening at the Catlin home. Marvin was in our school back in the early '80.

Maxwell Shauck of Mansfield was a Saturday evening and Sunday guest of his grandparents and other friends in Delphi.

E. L. Goon has replaced his Atraker K with a new built by his uncle Daniel Goon of Toledo.

The young people of Ripley met Sunday afternoon with Mr. and Mrs. Garvin King, newlyweds to offer their congratulations and show their appreciation of the popular young friends.

Through the courtesy of Mr. and Mrs. Wm. Penrod we had the pleasure of spending Inauguration Day in Washington by radio. It was our first time outside of the newspaper—we were sitting in a cozy room while many in the parade were taking their ducking in the rain—we are voting for the radio.

RESOLUTIONS OF RESPECT
In Memory of Henry Jones Votaw, who died February 20th, 1929

Death has again served our neighbor Hall and called to the Eternal Home a dearly beloved brother who has completed his faithful labor here in ministering to the cry of the orphan, to the call of want and to the agonizing wall of sorrow, and as a recompense, has received the welcome placid "well done," from the Great Master.

And, Whereas, the loving Father has called our beloved and respected brother home, and he having been a true and faithful member of our Myrtle Order, therefore be it Resolved that Plymouth Chapter No. 231, Order of the Eastern Star of Plymouth, Ohio, in testimony of its loss, drapes its Charter in mourning for thirty days, and that we tender to the family of our deceased brother our sincere condolences in their deep affliction, and that a copy of these resolutions be sent to the family.

EXAMINATION IS PASSED

Mr. Dalton McDougal of Mansfield, son of Mr. and Mrs. Warren McDougal passed the State examination last week for first class engineer's license with high grades.

Mr. McDougal has carried a second class license for sometime back and is one of the youngest men in the State to carry a first class license. Out of a group of ten, only two passed successfully, Mr. McDougal the Engineer's examination and another Mansfield man the Firemen's examination. He is employed at one of the Rubber Companies at Mansfield and is a former Plymouth resident.

Best wishes are being extended Mr. McDougal in which the Advertiser joins and hopes for future successes.

Tires for the new Ford are specially made to give long wear

WHEN the new Ford was designed, it was immediately apparent that a new tire would have to be made to match the car's performance. It was distinctly a new problem, for here was a car with quicker acceleration, greater speed and more braking efficiency than any car of similar size or weight.

So that every Ford owner might be assured of maximum tire mileage at the lowest cost, the Ford Motor Company devoted many months to research and experiment in conjunction with the leading tire manufacturers.

As a result, certain definite specifications were developed for tires for the new Ford. These specify cords of certain strength and texture, a large volume of tread and side-wall rubber, sturdy non-skid design, and reinforced plies for protection against bruise breaks—all the strong features of construction formerly considered for only the largest tires.

Great care also was taken to secure the best riding qualities in connection with the transverse springs and the Bend-Sville shock absorbers.

Though the Ford tires are designated as 30 x 4.50, they have the resiliency and air space of much larger tires because of the drop center rim of the steel-spoke wheels.

For best results, the tires on the new Ford should be kept inflated to an air pressure of 35 pounds and checked regularly to insure this pressure all the time. This is important. Low inflation breaks down the side-walls of a tire. By causing overheating, it also destroys the rubber that acts as an insulation, with consequent separation of the cord.

At the end of each 5000 miles, when you have the front wheels packed with grease, it is a good plan to have the wheel alignment checked. This will prevent premature wear.

When punctures come, as they will with any tire, you will find the Ford dealer particularly well-equipped to make repairs quickly and at small cost. See him, too, for replacements. Then you will be sure of getting tires built specially for the Ford car according to definite Ford specifications.

ALPHA GUILDS WERE GUESTS AT SCOTT HOME TUESDAY
The members of the Alpha Guild were the guests of the Misses Cornelia Berier, and Grace Earnest, and Mrs. Russell Scott Tuesday evening, March 6, at the Scott home on West Broadway. Emerald green was the prevailing color, and after the regular business meeting of the Guild the evening was spent in frolic. The Guild was divided into groups according to the months of birth, each group furnishing entertainment for the remainder of the members. January and February in a realistic

manner brought to mind the little animal so much talked of as fearing his shadow. March and April represented the lion and the lamb, and the fierce winds usually prevailing during the third month. May and June thrillingly pictured the happy June bride. July-August and September rated Sally for insurance in the charade "Salutations." October, November and December with fairy-like (?) grace gave an Irish folk dance. Each guest paid for his supper with a hearty laugh, three kind words, and a sweet smile. During supper many a hearty laugh was enjoyed at the expense of the poor Pat, who would have been exceedingly embarrassed had he been present. At a late hour, after a most delightful evening, the Guild adjourned to meet in regular session March 19.

TWENTIETH CENTURY CIRCLE
The Twentieth Century Circle met with Mrs. Alberts Hoffman Monday evening, March 4 with sixteen members and one guest, Mrs. Cora Miller, present. A very interesting program was rendered by Mrs. Eileen Nimmons who gave a number of notes on the inauguration of President Hoover. Miss Nye a reading, Why not a Woman in the Cabinet and Miss Harriet Rogers one on The Ceremonies of Inauguration. At the close of the meeting the hosts served delicious refreshments. The next meeting, the last one of the year, will be held at the home of

Mrs. Beck, and a pot luck supper will be served.

QUEEN ESTHER MEETING PROVES ENJOYABLE AFFAIR

The Queen Esther Circle of the M. E. Church held their regular monthly meeting at the home of Mrs. E. A. Stotts, Monday evening, eight members being present. After the business meeting a short program followed. The Circle has started to study the book "Youth and the New America." Miss Helen Colyer read the first chapter, entitled, "The Characteristics of an American." Contests and a social time were the entertainments of the evening. At a reasonable hour a splendid lunch was served by the hostess.

Then came the surprise! Miss Opal Phillips, the president, was asked to sit at a table in the center of the room. Mrs. Stotts entered, carrying a white cake with candles (I won't tell how many) being the birthday of Miss Phillips. As soon as Opal recovered from the surprise, she blew out the candles. Two remained burning! Later, we each had a piece of the cake and ice cream, which was enjoyed by all. At a late hour all returned to their homes, declaring Mrs. Stotts a royal entertainer. Those present included Mrs. Florence Broak, director, Mrs. Wendell Phillips, Misses Grace Longsacker of Shelby, Opal Phillips, Alice Johnston, Helen and Mary Payne, Ruth St.

Clair, Helen Colyer and the hostess, Mrs. E. A. Stotts.

SOURWINE-WILSON NUPTIALS
Coming as a surprise to their many friends is the announcement of the marriage of Miss Mabel Sourwine to Everett Wilson last October at Mansfield and has since been kept a secret. Mrs. Wilson is the daughter of Mr. and Mrs. Vern Sourwine and a graduate of Plymouth High School of the class of 1926; she also attended Tiffin Business University. For the past several years, she has been employed in the office of Russell and Reynolds, Ford Dealers and has a large circle of friends who are extending their best wishes. The young couple expect to reside on a farm near Sycamore.

KUHN SCHOOL
The regular Parent and Teachers business meeting was held February 11. There was an extra good attendance. The meeting was opened with the secretary's report, followed by the treasurer's report. Mrs. Moore entertained with her pupils for Valentine's Day. The program was opened with a "Welcome Greetings," by Mary Jane Eganer. Edith Preston gave a reading entitled "The Origin of Valentine's Day," which was very interesting. Orva Dayton gave a vocal solo "Old Man Sunshiner," and was accompanied on the organ by Miss Harmon, the music teacher.

Mrs. Eganer sponsored two contests Mr. Charley Koller winning one prize, and Mr. and Mrs. Vard Vance receiving the second contest prize. Mrs. Eganer and Mrs. Moore served popcorn balls and fudge which everyone enjoyed to the fullest extent. Mr. and Mrs. Weber, Mr. and Mrs. Jones are on the program committee for March 11 Everyone com. for a good time. **MRS. VANCE, Sec.**

Geo. W. BRINSON
Geo. W. Brinson, son of James and Elizabeth Brinson, was born Sept. 6, 1888, and departed March 3, 1929, aged 60 years, 5 months, 27 days. The deceased was born, lived and died at his home in Deight. He was united in marriage the 12th of April, 1905 to Mary Hannah of Loudonville, O., who preceded him in death April 7, 1922. To this union was born seven children, Mildred E., who died May 7, 1919; Martha L., who died in infancy; James E., Glenn R., Frank M., Lena E., and Maurice M. Funeral services were held at the late home Tuesday afternoon with burial at Shiloh Cemetery. Chas. G. Miller in charge of arrangements. The children and relatives mourn the loss of a loving and kind father and a good neighbor.

BIRTHDAY PARTY
Master Dicky Rule celebrated his 6th Birthday Saturday by entertaining the following little friends: Miss Betty and Barbara Pickens, Miss Jane Lipus, Miss Margaret Bradford, Miss Mildred Flannigan, Miss Geraldine Figley. Mrs. Burt Rule and Mrs. Roy Hatch attended the Castamba theatre in Shelby Tuesday evening.

KEEP OFF THE GRASS
Spring is coming! The birds are beginning to wander back. All of nature is preparing for the beautiful summer, which follows close behind. The ground is soft everywhere. The grass is beginning to grow. It will grow and make the beautiful yards for next summer. What is prettier in summer than a well kept yard? A pretty lawn makes a schoolhouse look nice and it makes the place more pleasant. The thing for all of us to do is to think now of what will make the lawn pretty. Everyone of us should practice staying off the lawn. Everything we walk over the lawn when it is soft, we are killing some grass. Let's all stay off the school lawn and not only the school lawn but also everyone's lawn.

of today. She told how young boys and girls of today could spend their time more profitably than going to picture shows that have an unclean plot. She told us how producers often think that they have to put some smutty things in an otherwise clean show to please the crowd. She suggested that if we would live these parts instead of applauding them, then the producers would know we wanted clean shows, and since the producers always give the people what they want, we would have clean shows. Along the line of clean living she spoke about refraining from cigarettes and booze, and therefore this would help make the people clean.

WE NEED YOUR SUBSCRIPTION!
You will soon be meeting one of the Seniors from P. H. S., who will ask you for your subscription to the "Mayflower" for 1929. This is the first time since 1923 that the "Mayflower" has been published and we want it to be a fine one. Please remember, that this is distinctly a Plymouth annual—it is not the county type that has been published the last few years. So when you meet a senior who asks for your subscription think of the interesting things you will find in that book. Think how nice it will be to look into it many years from now. The price is only \$1.00 and we only ask for your subscription, you can pay the price when the annuals are delivered, about May 15th.

We sincerely wish to make this Mayflower successful, you can help us with your subscription.

JOKES
Mr. Miller: "Do you know why they always say "Amen" instead of "A woman" after religious songs?"
"Liver": "Can't say that I do."
Mr. Miller: "Because they are hymns" (hims) instead of "hers."
Mildred Sheeley: "Well I showed up the teacher today before the whole class."
"Hay": "Yeh!"
Sheeley: "He asked me for Lincoln's Gettysburg address and I told him he never lived there."
Mrs. Harssema: "Can you prove that the square of the hypotenuse is equal to the sum of the square on the other two sides of this triangle."
"Tubby" Webber: "I don't have to prove it, I admit it."

FIFTH GRADE
Mrs. Shaver and Mrs. Robertson were visitors in our room one day last week in Mary Mann is our new Health Officer. Friday, March first the Fifth and Sixth Grade girls watched the boys play Basket Ball. Room Reporter, Audrey Dintinger

NEW HAVEN SCHOOL NOTES

BASKET BALL
The New Haven Basket Ball team journeyed to Ontario the evening of February 27th and was defeated by a score of 25-28. The tables were turned, however, Monday evening, when New Haven defeated Ontario 25-19. Denning of New Haven starred in the game, scoring ten field goals and two fouls.

Despite the fact that New Haven was defeated in their first game at the tournament, one of her players, Clifford Denning, was chosen for the all-county team. Denning has done outstanding work on the basket ball floor this season and is well deserving of this honor.

LITERARY MEETING
March 1st, marked the fourth program presented by the Oyo Literary Society this year. The following numbers were presented:

- Ethel Thumma Current Events
- Thelma Fox "History of Ohio"
- Helen Babcock Monologue
- Freddie Keeler Biography
- Henry Wilcox Talk
- Pauline Fox Class Prophecy
- Dale Osborn Reading
- Harry Struyk Play "A Photographer's Troubles"
- Lenore Cole, Evelyn Sharpless, Harry Duffy, Autobiography
- Chester Lofland Saxophone Solo
- Lenore Cole High School News
- Chester Lofland, Luther Waters Talk
- Delmer Rennard Biography of Lee
- Robert Lewis Critic's Report
- Margarette Duffy

Because of the Literary Contest to be held in the near future, the next program to be given by the Excelsior society will be postponed.

Through the kindness and courtesy of Miller and Brown of Plymouth, a radio was installed in the school Monday and the students of the High School and Junior High were able to enjoy the inaugural proceedings.

HELD FROM LAST WEEK
3rd and 4th Grades
Frank Smith returned to school Monday after an absence of three weeks.

The third and fourth grades have a display of "Washington and His Mt. Vernon Home."
Ethel Mae Alesert received all one hundred in spelling for this six weeks.

Literary was held last Friday morning with Fred Waldhaus presiding. Gertrude Conrad and Mary Emerson had charge of a very interesting February program. The president, Mildred Louise Van Warner and Mildred Woodworth to select a March program. At the conclusion of the meeting a contest was held to see who could make the most words out of George Washington. Gertrude Conrad received the prize.

We all enjoyed our half holiday last week. Wilbur Wyandt still holds the record for not being absent.

Jeanette Doerflinger, Patty Whisler, Gene Lewis, Sara Ellen Hoshen, Mary Louise Maroney and Kathleen McCroody visited our school last Friday. Miss Ryan has given us some very attractive posters displaying "Child Life in Other Lands."

First and Second Grades
Roger Smith has returned after several weeks of absence.

Patricia Whisler of Willard was a visitor Friday. The first graders have begun to read in their new books called "Surprise Stories." Those in the second grade who have received 100 in spelling this six weeks are: Elsie McClatchy, Wanda Holmes, Gaylord McCullough, Donald Chap-

man, Pearl Alesert, Melvin Holt, Wanda Jane Sieber, Jean Youngs. Honor Roll
1st Grade—Virginia Feikes, Jane Thumma, Helen Moon
2nd Grade—Wanda Holmes, Gaylord McCullough, Donald Chapman, Wanda Jane Sieber, James Youngs.
The 2nd graders are quite proud of the fact that they can now do simple multiplication and division.

Fifth and Sixth Grades
Leon Osborne is the only one who has been present every day this school year.

The Willing Workers Literary Society gave its program last Friday. Vera Ritz of Willard was a visitor which it is hoped will be soon.

Agnes Moon wrote the most interesting Lincoln story. Marguerite Wischel wrote the most interesting Washington story. The ones to be for the next weeks are: Laurence Harssema, librarian; Anne Stanford, room inspector; Steward Shackley, door tender.

CHAPEL
The High School and Junior High enjoyed a most interesting chapel service, Tuesday morning with Rev. Heffeldinger of Willard as speaker. Long faces and grumpiness were quickly put out of existence as the speaker talked on the general theme of optimism presented under such subjects as "Cracked Canteen," "Bouncing Baseball's Blues," and "Christian Optimism." Rev. Heffeldinger left the students with enough wholesome reasons for smiling to last until his return.

Tournament
Large crowds enjoyed the Huron County Tournament at Norwalk last Friday night in which the Monroeville team was the victor. Although New Haven did not get to compete in the semi-finals, the Wakeman-New Haven game Friday night was deemed by many to be the best of the tournament. Both teams put up a good fight and New Haven was held favorite by many, but they seemed unable to find the basket. A series of lucky long shots won the game for Wakeman 25-21.

A foul shooting contest was held in which Monroeville won by making 17 out of 20. Wakeman was second, scoring 16 out of 20.

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, expert dietitian, nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking a pill, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly in these times when nujol should always be taken. Take a spoonful every night for a few days. It's thoroughly tested and harmless method. It won't cause distress or griping."
"It's different from any other substance. It contains no drugs or medicine. It can be taken safely at any time. Now you see feeling because it is so pure and harmless, and works so fast. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine."

Three Boys Paroled

John Wallace, 21, his brother, Howard, aged 19, and William Houghton, 20, indicted recently on the charge of stealing an automobile here to drive to a dancing party at a home on the Berlinville road, east of Milan, have been paroled and will remain at liberty pending good behavior.

erty pending good behavior.

To improve 13 Miles of Road Tuesday bids will be opened here for the improvement of Section Line Road No. 8 From the Olona road just north of Pritchville, the improvement will extend westward to the Centerville road, a distance of something like 18 miles. The mile or so of concrete road extending westward from North Fairfield will not be included in the project and the macadam tar surface road extending from Fairfield Center westward to North Fairfield will probably not require a relatively great deal of attention.

THIEVES BLOW LAUNDRY SAFE WILLARD, O.—Thieves obtained \$100 in cash early Tuesday morning when they blew a safe at the Ideal Laundry here.

Entrance was gained by way of a coal bin on the east side of the build-

ing and the safe was taken out of the

office into the plant, where it was wrecked with a sledge hammer and explosives. Blankets found in the laundry, were used to deaden the report of the explosion.

The burglary was discovered Tuesday morning about 8 o'clock by Clyde Maynard, fireman at the plant, when he arrived for work. Police found tracks of an auto leading to the building and tracks showing that the same machine had backed out. No one has yet been found to the identity of the thieves.
