SHILOH MAY GET FIRE APPARATUS

A few weeks ago E. Gabriel, special representative of the Prospect Fire Engine Company met with the Village council for the purpose of introducing a fire apparatus for a community benefit. Immediate action was deferred until careful deliberation and an investigation was made. At a later meeting Mr. Gabriel presented a resolution for the consideration of the council. At a regular meeting this resolution was finally accepted, and in it the council agreed to pay the sum of \$2,000.00 for the apparatus if the farmers in the community would also pay a like sum. A committee of representative citizens consisting of A. J. Willett, S. C. Holtz, Simon Brown, Walter Melrose, A. W. Pirtz and E. H. Chief W. S. Garrett were appointed, any or all to accompany the agent for the purpose of endorsing the project.

T. H. Finnefrock of the Company was to remain on the field for the purpose. Active work was finally commenced the next day and Mr. Finnefrock made his first report to the council last Wednesday evening. He stated that about one dozen had subscribed, and others had promised to do so. The maximum rate asked of the farmers is \$25 from those having good and well kept buildings on all other farms according to the size and upkeep. This is all the money the farmers will give, as the storage and maintenance of the fire apparatus must be supplied by the town. Men will also be secured for the town who respond readily to all calls within the required radius. Before actual work was commenced a demonstration of this apparatus was given in Ganges. The run was made from Shiloh to Ganges in a few minutes, and the citizens were well pleased with the work. Further announcements will be made following the report of progress made by Mr. Finnefrock.

SHILOH TO BE AIR-MARKED

Mayor B. R. Guthrie received a notice from the Ohio Bureau of Aeronautics, Columbus which read as follows:

"Notice is hereby given, in accordance with Section 6310-04 of the General Code of the State of Ohio, that the marking of your municipality for aeronautical purposes, subject to the rules and regulations inclosed herewith, is required within sixty days after receipt of this notice. At this meeting of the council on Wednesday evening, Mayor Guthrie offered the terms of his business was unanimously accepted by the council.

According to specifications the letters shall be chrome yellow on a dead black background. Plain vertical Gothic or block capital lettering shall be used, the thickness of all strokes shall be one-seventh of the height of the letter and letters shall be spaced one-fourth of the letter height apart. Mayor Guthrie also received a communication from W. C. Watt of North East Pa., and a copy of a proposed franchise for the furnishing of gas for the town. The gas situation and the proposal were discussed by the members, but no action was taken as Mr. Watt was not present to support the views in regard to the terms of the franchise, some of which could not be accepted by the council.

HUGE CATFISH CAUGHT IN RIVER NORTH OF MILAN

Last Saturday night, E. F. Buck of 436 Jefferson St., Elyria, caught a 41 pound Mississippi cat fish in the Huron river, near Dan Miller's cottage just south of Abbot's bridge. He used a common steel rod, a 40 pound test line, a No. 4 hook and a 12-inch sucker for bait. Anglers say that fish of this species have found their way into the Great Lakes system through the Chicago drainage canal and that they have worked their way up Lake Michigan, and down through Lakes Huron, St. Clair, the Detroit River and into Lake Erie and its feeder streams. Edward Stout of Norwalk caught a 40 pound cat fish in the Huron River at Huron last year and about three weeks ago a number of thirty three pound caught a 50 pound catfish near Dan Miller's cottage.

Local Fishermen Get a "Big One"

C. M. Loftand and W. C. McFadden, who are somewhere in the wilds of Minnesota, were able to send a word to a Plymouth friend after tramping four days and two nights to get to a post office. The boys state that the largest fish they have landed so far weighed 73 pounds. The photo on the post card shows the lake from whence the fish was pulled and Doc Gaslin, local well known fisherman, states that a fish over 15 pounds in weight wouldn't be able to survive in such a small body of water.

Anyway, we are going to stick up for the boys until they are proved wrong. Loftand had to write the message home as Mack hadn't recovered from the shock. We hope they bring pictures of the fish and a sworn statement from a reliable prohibition officer.

SHERIFF COLLECTS

On September 4th, W. E. Lawson, driver of a Union Line auto bus, was arrested by deputy sheriffs on the charge of driving past a Wakeman school bus two and one-half miles west of Wakeman. He was fined \$50 by Justice A. M. Beattie and stated that the check would be sent at once from Steubenville, headquarters of the company. Sheriff Gregory, when the check did not arrive promptly wrote the company that the next Union Line bus to pass through Norwalk would be attached unless the fine was paid. A check of \$50.00 arrived through the mail.

NEW YORK—Burt M. McConnell, writer, proposes to live in the wilds of New Brunswick this Thanksgiving as a primitive man. He will wear only spectacles. No food will be taken on along. He hopes to make himself a bow and arrow and kill game to live on. He desires to prove that he is feasible and healthy for the average middle aged man to get back to the cave man stage. He is 40 years old.

FARMINGDALE, N. Y.—And now a college band has to have pre-season training just like the football team. New York University's musicians, 70 strong has succumbed to camp to get into shape for strenuous support of the athletes.

NORTH BAY, Ont.—For extensive fisher, J. A. Lambert of Xenia, Ohio, is out \$20 plus aid all his equipment. He was found with 67 fish weighing 300 pounds, just 77 more pounds than he was supposed to catch. Besides he had no license and that's what the fine plus costs was imposed for.

The ladies of the Lutheran church are planning to hold a supper and bazaar on the 21st of November at the church and parsonage. Further announcements later.

MONTHLY SPECIAL—Hand embroidered Pillow Cases, Dress Scarf or Bridge Set for 95c. On Sale Sept. 10 to Sept. 30—Lippus Dry Goods Store.

SUNDAY GUESTS

Guests Sunday in the home of Mr. and Mrs. John Jewett and son were: Mr. Harry Hills and Mr. Otis Hills, Detroit; Mr. and Mrs. Oscar O'Toole and Mr. and Mrs. Union Schoogover, Ashland; Mr. and Mrs. Leo Ketchum, daughter Mildred, Mrs. Cora Rolfe, Miss Leona Barnes and Mr. Lawrence Ketchum, New London; Miss Eloise Lungecker, Shelby; Mr. Elton Robertson, Mansfield; Mrs. Mary E. Hills and family of Sandusky; Mr. Henry Mellick of near Tiro.

ROAD WORK IS GOING AHEAD WELL IN COUNTY

Road improvements are being carried out in Huron county on a large scale. Contractor J. H. Blausny has completed the construction of a bituminous macadam driving surface on the Greenwich and Huron roads. Contractor Dehmer of Tiffin, is busy giving various roads in the county surface treatment.

WILL NOT SERVE

Ben Woollet and A. McDougal, who have been serving on the council, are not out for reelection. Mr. Woollet expects to go to California, and Mr. McDougal will continue his residence in Plymouth. Joe Laseh and Maurice Bachrach are out for membership on the council ticket.

AGED MAN IS KILLED BY AUTO

WILLARD—Injuries sustained when he was struck by an automobile driven by Mrs. Robert Fry, wife of a rural mail carrier of Willard, proved fatal to Fred Gosch, 75, who died here at noon Tuesday, a few hours after he had been run down while walking along the Grange rd., west of here. In her story to Dr. J. C. Steiner, who attended Gosch, Mrs. Fry is said to have reported that she was enroute to the lawn school, where she is employed as a teacher, shortly after 8 o'clock Tuesday morning, when the accident occurred. It is said that she was about to pass the aged man, who was walking in the same direction along the highway, and who stepped to one side of the road, when he suddenly stepped back in front of the machine.

After striking Gosch, Mrs. Fry brought him to Dr. Steiner, where he was placed in the emergency ward. An examination revealed he had suffered a fractured skull and death followed shortly afterward.

The victim resided about two miles west of here on the Grange rd., with John Work. He is survived by three sisters, one of whom is Mrs. John Vogel, also of the Grange rd. Funeral services will be conducted this afternoon at the Vogel home with the Rev. M. George Hefelinger of the Trinity Lutheran Church officiating.

ONE DIES, 3 INJURED IN AUTO WRECK

One person is dead and three others injured as a result of an auto wreck eight miles south of New London Monday afternoon. Mrs. Caroline Heister, 75, of Charleston, W. Va., is the crash victim, and Mrs. Fred Thompson, driver of the machine, and her two children, received painful injuries. They were removed to the New London Hospital. The accident occurred on the Ashland road, about two miles south of Bugies. In some way, Mrs. Thompson applied the brakes suddenly, causing the machine to go into the ditch.

The occupants of the car, from whom the car, from whom the car can be learned, were enroute from Richmond to Detroit.

CHRISTENING

Lenard Fenne, infant son of Mr. and Mrs. Karl Fenne of Nichols Ave. was christened Sunday, Sept. 1st in the Catholic Mission with Father Moran of Willard officiating.

Relatives from Milan and Sandusky were present for the event while at noon a bounteous dinner was served to thirty-six guests including neighbors and friends who were invited in.

BIRTHS

Born to Mr. and Mrs. Everett Wilson of West Broadway a baby son on August 29th. Mrs. Wilson will be remembered as Miss Mabel Sourwine. Mother and son doing nicely.

WOMAN BURNED IN EXPLOSION

Mrs. Everett Goin is recovering at her home from burns she received last Friday morning when attempting to start a fire in the kitchen stove with coal oil. Mrs. Goin had gone to the kitchen to prepare breakfast for the children and get them off to school, and in a hurry, she threw a quantity of coal oil onto the hot embers in the stove, causing an explosion from which she received severe burns about the arms and limbs. Dr. G. J. Searie was summoned and he rendered medical aid.

The Goin live southeast of town near the Willett farm. Mr. Goin is employed at the local plant here.

"CITY SLICKERS" GET DIAMONDS

A pair of city slickers slobbered Louis O'Dell, Norwalk jeweler, out of \$600 in diamonds late last Wednesday afternoon. It seems that the pair had practiced their art to perfection, and entering the jewelry store asked to see some diamond rings. A ring valued \$500 was first shown, and later the woman wanted to try on a ring of less value. Mr. O'Dell then showed a ring worth \$100 and after the woman tried it on, she apparently pulled it off, stating that they would be back later.

After the pair had left the store it was revealed that the woman had left a phony ring, an imitation of the \$500 ring, and had also made away with the \$500 ring. They were at ease and very alert in their transaction. The woman appeared to be about 30, and the man of the same age. Both were well dressed and appeared prosperous. They were very clever, and their apprehension is very doubtful.

FARM BOARD'S WEEKLY LETTER

The average value of automobiles owned in Ohio is \$121 each, based on the total value of those listed for taxation. L. B. Palmer, general chairman of the Ohio Tax League and president of the Ohio Farm Bureau Federation, has declared in an address on the proposed "Tax Limit Amendment" to the Ohio Constitution recently.

That is, Mr. Palmer explained, there are many cars owned in Ohio that are not listed for taxation despite legal requirements. This brings the average for the state down considerably. There is also a county in the state where only one man is listed on the tax duplicate as possessing a gold watch. Such evasion and falsification of tax returns would be largely eliminated, Mr. Palmer said, if Ohio's tax system was less antiquated and more equitable and just.

The proposed "Tax Limit Amendment" will go far, he said, toward enabling the legislature to frame an up-to-date, efficient tax plan that will end falsification and evasion, in that it will change the Constitution in such a way as to permit enactment of wise tax laws.

The organization plan of the Ohio Farm Bureau may be used as a basis for a farmer's organization in Yugoslavia. Recently an inquiry was received at the Home Office of the Ohio Farm Bureau in Columbus from Antun Peric, state dairy specialist for the Yugoslavian government at Skofjaska, Slovenia.

The data was sent him, and with it a request for data about farming conditions in that country. As a result a feature on the Ohio Farm Bureau News will carry articles on Yugoslavian agriculture, by Mr. Peric, illustrated by photographs sent by the author.

The objectives of the new Federal Farm Board can be attained through producer-owned and producer-controlled marketing associations, James C. Stone, vice chairman of the board, declared in an address before 5,000 Ohio farmers at a meeting of the Agalgize County Farm Bureau recently.

These objectives, he said, are: Strengthening and expansion of existing co-operatives; coordination of efforts of various co-operatives; assistance in developing sound cooperative programs in unorganized areas; assistance for co-operatives in developing better business relations with manufacturers, mills, processors and other users of farm products; and the cooperation of growers and state and national government agricultural agencies in developing an educational program on cooperative marketing that will reach not only the producer but the consumer in the city.

"At a Farm Risk Rate" is the title of a two-reel motion picture play just completed by the Ohio Farm Bureau Corporation, showing how important it is that the farmer motorist have his car covered by insurance, and explaining why Farm Bureau auto insurance, obtainable at a lower rate than any other auto insurance, will help the farmer to cut his operating costs.

M. E. Foltz, of the Claim Department, Farm Bureau Mutual Automobile Insurance Company, will be the Ohio Farm Bureau's radio speaker at next Tuesday noon, September 17th. Foltz will speak on "Autumn Driving Hazards." He will talk over WATL, Columbus.

"Uncle George" Cooley, known and beloved to thousands of Ohio farmers as "Father of the Farm Bureau," will be in charge, September 17th, Foltz will speak on "Autumn Driving Hazards." He will talk over WATL, Columbus.

OPERA IN EUROPE

Madame Schumann-Heink, celebrated opera star, has at last given one reason why grand opera in America should be sung in English.

Inasmuch as America is given up as the most progressive country of the world, where stars and artists are made overnight, and where opera is finding a haven of rest.

WE NEED RELIEF

In this day of jazz and tin-can music when everything almost is being done mechanically or electrically, man needs something to relieve the nerve tension of the brain.

It seems that it would be a good point of judgment on the part of the case to get some relief from the radio when there is static in the air.

SOMETHING TO THINK ABOUT

Here's a hot little story from down in Georgia, and we are confident that it will make a lot of our readers think.

Those who imbibe moonshine liquor should think about this story told by J. O. Stewart, federal prohibition officer, the next time a drink is in order.

After some time the hiding place for the whiskey was found, under the floor of a back room of the barber shop. There was a small hole leading to the container for the whiskey not more than two inches in diameter.

According to him, he had many white and colored customers who regularly bought his product.

Stewart says that this is the most novel way of bottling whiskey he has seen and is making it a "Tee Wee" Behr.

ALCOHOLIC DEATH RATE

WASHINGTON—A mounting death rate from alcoholism and increased alcoholic insanity are pictured in charts published by the association.

These manifestations, it says, are accompanied by evidences of increased production and consumption of illicit liquor.

The alcoholic death rate is described as "almost up to pre-war levels," having shown "a steady rise" since 1920.

Statistics of New York and Massachusetts, which are back far enough to be significant, are employed to present the picture.

G. W. Hatch Tells of Michigan Farms and Their Problems

Michigan farms and farmers, according to G. W. Hatch, who is visiting at Grand Ledge, Mich., have their up and downs, and we are convinced that George would rather attempt to "make a living" down in Ohio.

Grand Ledge, Mich. Sept. 5, 1929

Friend Thomas: You no doubt will be surprised to hear from us away out here, but after looking over The Advertiser and seeing that we had not been missed, will let you know where we are.

As soon as we got here we said they had no use for the Volstead Act. The everything is as dry as it can be. The bean crop, one of the main industries, is from nothing to one-third of a crop.

Another crop that grows in abundance and without any cultivation is the Canada Thistle, but there doesn't seem to be any market for it.

The fruit crop of all kinds is a failure. There are bad forest fires just north of here which are doing much damage.

Well, Tommy, if this doesn't fill you up on beans and Holstein cows perhaps I can give you another dose later as we are here for an indefinite stay.

Yours truly, George W. Hatch

FAMILY REUNION

An annual event in the life of the Ezekiel Griffin family and one always celebrated at the home of Mrs. Lucy Starkey at Greenwich was celebrated here on Labor Day when fifty descendants of this branch of Griffins gathered in honor of the day. The weather was ideal and the forenoon was spent in renewing acquaintances and preparing the splendid picnic dinner which was spread on the shady lawn.

Following the feast officers were elected as follows: President, Jay Griffin; Vice president, Milton Griffin and secretary and treasurer, Orin Griffin. A very amusing time with games and stunts was enjoyed in the back yard after which the piano was moved to the lawn and a splendid musical program was given. Special guests of the reunion were Dr. and Mrs. Beth and Mr. and Mrs. Bert Wean and Cleveland and Mrs. Smith of Woodbury. The family circle was reported as not having been broken by death during the year and had been enriched by one birth, Barbara Jean Paine of Plymouth. Ice cream and cake was served before the company departed for their several homes at evening.

Mrs. Lucy Starkey was historian for the day and some extracts are given from her account which was read at the reunion.

Ezekiel Griffin was born in New York State near the Catskill mountains, October 11th, 1799. At the age of twenty-four years he came to Ohio looking for more fertile fields and better opportunity. They were men of sterling qualities, moral, honest, well educated and industrious. They came to Fitchville township in Huron County 1822 and located there each buying a large acreage and paying one dollar and thirty-three cents per acre. They were pioneers and came to clear the land and leave the fertile fields. Ezekiel Griffin was well educated, getting most of his learning from the common schools. He was also a splendid Latin scholar and a natural poet. His favorite author was Sir Walter Scott. He was Justice of the Peace for years and always called "Squire Griffin". Two years after he came to Ohio he married Esther Rose of Pennsylvania. They set up their family after on the old Griffin farm between Greenwich Center and Fitchville now owned and occupied by Al Snopce and there their son children were born, Edwin, James, Riley, Julia, Tilden, Abigail, Myron and Charles. Edwin, Alfred and Irene died but the seven remaining grew to manhood and womanhood and raised the families that make the Ezekiel Griffin family reunion possible. Esther Rose Griffin was an ideal mother, a good neighbor and loved by

all who knew her. The descendants of the Ezekiel Griffin family can well be very proud of their ancestry. One descendant of the family resides in Plymouth, Carl Paine, eldest son of Mr. and Mrs. Walter Paine, and is engaged in the grocery business there.

CLASS PARTIES

Mrs. Reed and Mr. and Mrs. Thomas Moss entertained the Loyal Welcome class of the Church at Christ at the home of Mr. and Mrs. Moss Wednesday evening. During the business session the class decided to change their regular meeting night from the first to the second Friday evening of each month. The committee were assisted by Mrs. Emma Moss Sawyer in entertaining and at the close of games and contests served ice cream and cake which was most acceptable as the evening was exceedingly warm.

The boys and girls of the Loyal person class have been having a contest and on Friday evening the girls paid their debt of defeat to the boys at the home of Miss Gladys Maynard. The evening was entirely social. The boys reported the girls wonderful entertainers with a full list of new games, sandwiches, punch, ice cream and cake was served at a late hour. Twenty-two were present.

MISSIONARY MEETINGS

The Missionary society of the Church of Christ met Tuesday evening with Mrs. Anna Brown. The meeting was presided over by the President, Mrs. Isabelle Goodacre and the main program was spent reading the interesting story of a church missionary in Tibet. Ice cream, cake and coffee were enjoyed following the adjournment.

The Missionary society of the United Methodist Church met Friday afternoon with Mrs. Harry McLaughlin with twelve members and two guests present. The following officers were elected: President, Mrs. Nettie Strimple; Vice presidents, Miss Lettie Mead, Mrs. Peterson and Mrs. George King; secretary, Mrs. Fay Skoy and treasurer, Mrs. Sibyl Mead. The program was short as the business session consumed some time. A pot luck luncheon was served at the close of the meeting proper.

ENTERTAINERS AT DINNER

Mr. and Mrs. Lelan Snyder had as dinner guests on Sunday Mr. and Mrs. Judd Patterson of Plymouth, Mr. and Mrs. Jessie Hammon and Mr. and Mrs. Charles Hammon of Shiloh and Mrs. Florence Carter of Greenwich.

AFTERNOON BRIDGE

ORDINANCE NO.

AN ORDINANCE PROVIDING FOR THE ISSUING OF BONDS IN THE VILLAGE OF PLYMOUTH FOR THE PURPOSE OF PAYING THE VILLAGERS PORTION OF THE COST OF CONSTRUCTING AND RECONSTRUCTING A STORM SEWER IN SANDUSKY STREET IN SAID VILLAGE OF PLYMOUTH.

WHEREAS, this council has requested the Village Clerk to issue a certificate as to the estimated life of the improvement proposed to be constructed from the proceeds of the bonds hereinafter referred to and that the estimated life of said improvement exceeds five years and that the maximum maturity of such bonds is twenty-five years and

WHEREAS, the notes issued in anticipation of the issuance of the bonds hereinafter referred to are about to fall due, now therefore,

BE IT OBTAINED BY THE COUNCIL OF THE VILLAGE OF PLYMOUTH, STATE OF OHIO:

Section 1. That it is deemed necessary for the purpose of the Village of Plymouth in the principal sum of \$125,790 and in order to provide a fund for the payment of the portion of the cost of constructing and reconstructing a storm sewer in Sandusky Street and to provide a fund for the payment of not to exceed one year's interest on said bonds.

Section 2. That the Village of Plymouth shall be issued in the principal sum of \$125,790 for the purpose aforesaid in the form of bonds of the denomination of \$400.00, except Bond No. 1, which shall be of the denomination of \$100.00 and shall be dated October 1st, 1929 and shall bear interest at the rate of 5 per cent per annum payable semi-annually on the first days of April and October of each year until the principal and its said interest is paid in full.

Section 3. That said bonds shall express upon their face the purpose for which they are issued; that they are issued in pursuance of this ordinance and shall be signed by the Mayor and Clerk and sealed with the corporate seal of said city. The interest coupons attached to said bonds shall bear the facsimile signatures of the Mayor and Clerk and shall bear consecutive numbers as the Village Clerk shall determine.

Section 4. That for the purpose of providing the necessary funds to pay the interest on the foregoing issue of bonds, promptly when due, the same falls due and also to provide a fund sufficient to discharge the said bonds at maturity, the same shall be and is hereby levied on all the taxable property in said Village of Plymouth, in and out of all other taxes, a direct tax annually during the period said bonds are to run in an amount sufficient to provide funds to pay interest upon said bonds and when the same falls due and also to provide a fund for the discharge of the principal of said serial bonds at maturity, which tax shall be not less than the interest and sinking fund tax required by Section 11 of Article XII of the Constitution.

Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of said years are certified, levied and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in a separate and distinct fund, which together with all interest collected on the same, shall be irrevocably pledged for the payment of the interest and principal of said bonds when and as the same fall due.

Section 5. That said bonds shall be first offered at par and accrued interest to the Trustees of the Sinking Fund in their official capacity, and if said trustees refuse to purchase any or all of said bonds, then said bonds not so taken shall be advertised for public sale and sold at public auction or bids for such bonds based upon their bearing a different rate of interest than hereinafter provided and provided that where a fractional interest rate is bid, such fraction shall be one-quarter of one per cent in excess thereof. The proceeds from the sale of said bonds, except the premiums and accrued interest thereon for interest, shall be used for the purpose aforesaid and for no other purpose. The amount of accrued interest received from such sale and the amount of said bonds shall be transferred to the Trustees of the Sinking Fund to be applied by them in the payment of the principal and interest on said bonds in the manner provided by law.

Section 6. This ordinance is hereby directed to be and shall be a certified copy of the Village Clerk to the County Auditor.

Section 7. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

OBITUARY

BERTHA D. PETTIT

"In the midst of Life, we are in Death." But a few days ago the subject of this sketch was, seemingly, in the full enjoyment of health, with hope of continued usefulness in her chosen vocation and the promise of life. Today, sorrowing friends are paying Bertha D. Pettit their last respects.

Her life has been one that had for its object the advancement of the young. She started as a teacher in the public schools and gave her all to the work. First in the Shiloh school, then followed LaGrange, Bedford and Brexental grade schools. Later she took up a domestic science and art course at the Thomas Normal Training School at Detroit, Michigan and following graduation, spent two years as instructor in Eben College at Jackson, Mississippi. The Cleveland Heights Schools next offered her advancement and her work has continued there up to this time. In the meantime she also took a post-graduate course at Columbia University.

She has also been for several years acting as dietitian at Camp Brigg Offa at Rhinelander, Wisconsin, and her sudden death took place in Wisconsin, just at the close of the camp season.

Bertha D. Pettit was the daughter of Charles E. Pettit and his McCormick. She was born at Camp, Ohio, June 30, 1883, and departed this life August 25th, 1929 at the early age of 46 years. Her mother died when she was four years old and she after that made her home with her grandparents Thomas M. and Mary Pettit.

Bertha Pettit was descended from ancestors who were among the founders of the country, and emigrants to New Netherlands, 1684, Salem, Mass., 1628, Boston, 1620 and New Haven, Conn., 1633.

Her nearest kin are her three brothers, Ross, Lee, and Harold Pettit.

In the deceased's early life, she affiliated with the Lutheran Church at Shiloh with which church relation she continued through life.

She was also a member of the Order of Eastern Star.

STARNER—PEARCE

A quiet wedding took place last Tuesday at 4 p. m. when Mr. Bert O. Starner and Miss Margaret M. Pearce of Willard came over to the Manor on High Street and asked Mr. J. W. Miller, pastor of the Presbyterian Church to make them husband and wife. The ceremony was performed in the presence of the mother and sister of the bride.

Mr. Starner is employed by the B. & O. R. R. and the bride is a teacher of music. Both are held in high esteem, and their many friends wish them much happiness as they journey down the road of life together.

MANY FOXES RAISED AT GREENWICH FARM

Since our last issue the editor made a visit to the Greenwich Silver Fox farm just east of town which is owned and managed by G. B. Baker and Harry H. Crum. The farm has at the present time more than 300 foxes, all bearing excellent markings attesting to the expert care and attention in breeding in order to bring out the most desired colorings.

Harry Weatherbie, the caretaker, an expert in the care of the Silver Fox and has spent a great deal of his life studying the habits and best methods for caring for this particular breed of foxes, and just the proper feed to give them and when to give it. The pens and pup houses are all clean and no small prevails such as we have witnessed at two other fox farms in Pennsylvania and New York. State. Mr. Weatherbie deserves much credit for the orderliness of the farm and the small losses sustained by its owners through sickness of the foxes during his administration as caretaker.

Mr. Weatherbie has been spending a vacation at his old home at Prince Edward Island, starting for the return journey to Greenwich last Monday. During his absence Arthur Reed has been feeding and caring for the foxes. The Greenwich Silver Fox Farm has been in operation only five years during which time they have stocked five complete ranges and have raised more than 1000 pups. The average is about four and one-tenth pups per litter. The average price is about \$1100 each which makes it a very profitable business.

Mr. Baker states that they shipped foxes this year to Huron, Ohio, Cathay, N. Dakota for storking fox farms and to the West. It is worth while to pay the Greenwich Silver Fox Farm a visit whether you are interested in buying a pair of foxes or not or just merely sight-seeing. But whatever you do don't miss seeing them as they are beautiful Greenwicks. Wednesday.

You'll enjoy your visit . . .

UNIVERSITY HALL TOWER, LANDMARK AT OHIO STATE, HAVING ITS FACE LIFTED

COLUMBUS, O., Sept. 6 — After more than forty years, the historic tower of University Hall, one of the landmarks of the Ohio State University campus, is having its face lifted.

The tower was badly damaged in a heavy storm last spring. Slate was blown from the tower and it was discovered that the roof was in a weakened condition.

In the next few weeks the tower will be strengthened and restored. But in the process its height will be lowered slightly, the tower clock given up by the class of 1903 will be lowered to a new position and a new flagpole will be mounted on the tower, with a new railing.

To safeguard the tower against lightning, which has struck it a number of times, the flagpole will be connected with a lightning rod. The change is also expected to improve the timekeeping qualities of the clock.

Which has been noted for its eccentricities, due to being exposed to the weather.

Cost of rebuilding the tower is estimated by Prof. J. N. Bradford, uni-

versity architect, at \$5,000. The lower part of the tower will be left as is unless structural weakness is disclosed.

"IN OLD ARIZONA" AT SHELBY

"In Old Arizona" is not only infinitely better than the usual crop of films, but it is significant because it is the first outdoor talkie and really the first one to combine the technique of the screen and the stage, and the first one to make me forget the mechanical sound device. It has all the gentle satire and irony of that great short story writer, O. Henry, and the stretch of desert country is so gorgeous and the mountainous country so effective that you would be content just to look at some of the magnificent scenic effects. Warner Baxter as the bandit has never been seen in a portrayal that is presented with so much feeling. Edmund Lowe is again a hardboiled sergeant—the same kind that won him plaudits in "Why Play Golf?" Dorothy Burgess' performance of Tania Maria is a classic. There is credit enough for both RKO and Irving Cummings for the direction of the picture. Take my advice and see "In Old Arizona." It is

well worth your time and money." "Old Arizona" will be at the Castamba Theatre, Shelby, Friday and Saturday. See and hear it!

Coming soon! Al Johnson in "Say It With Songs" at the Castamba, Shelby. The songs of Western Electric sound device. See and hear Johnson at his best!

PAGEANT TO BE STAGED NIGHTLY AT COUNTY FAIR

One thousand persons are to take a part in the pageant which will be presented nightly in front of the grand stand at the fairgrounds during the days and nights of Richland county's annual fair which is scheduled to get under way Sept. 24 and continue for four days.

In the past several years offerings have been made in connection with the fair but never before, according to Harry W. "Tim" Roberts who is in active charge of the pageant, has anything been attempted on such a lavish scale.

The talent has been recruited from the various Four-H clubs of the county and the principals have been chosen with great care. "While it is called a pageant, it is in reality an immense revue," Roberts explained. "There is drama, comedy and song all interwoven in the plot which is unfolded as the story is told."

A timely story is told in a modernistic manner. The revue depicts the life of the farmer of today; it shows his joys and his sorrows, his work and his recreation. It reveals the dependence of industry and civilization upon the man who tills in the rural sections."

The costuming for the pageant is said to be elaborate while the settings have attracted much favorable attention. George Lehrer, representative of the Lloyd George studios in New York City, is in direct charge of the staging and presentation and rehearsals are now under way.

The pageant will be given each night and during the day, according to the announced plans.

New Haven School News

The New Haven schools opened last week with the largest enrollment in their history. Every room is filled to capacity with still a few more pupils to enter.

In the high school the classes have organized and have chosen their class advisers. The first party of the year will be given by the Sophomore class one week from Friday night.

On Friday night of this week the P. T. A. will hold their first meeting. All are urged to attend as this meeting will give the parents an opportunity to meet the new teachers, and shake hands with the old ones.

The boys are working on the baseball diamond after school. They are very grateful to Mr. Roy Lofland, who hitched a road drag to his truck and helped them get the infield in playing condition.

MRS. HELEN GETMAN DEAD

Night letters were received by friends from Mrs. Mable Getman White of Topeka, Kansas, announcing the death of her mother, which took place Sunday evening at St. Francis hospital in Topeka. About ten days ago Mrs. Getman fell, breaking her hip, which resulted in her death. Mrs. Getman was the widow of John Getman, a former superintendent of the Plymouth school. She is also the sister of Mrs. F. J. Frame of this place. Mrs. Getman was a native of Ohio having been born at Fitchville, and was a resident of this state many years. Her son Walter Getman who was well known here preceded her in death by a few weeks, and she leaves besides her sister, one daughter, Mrs. Mable White with whom Mrs. Getman lived, and whom the mother always called, "her wonderful daughter."

Mrs. Getman had reached the advanced age of 91 years. The burial was made Tuesday afternoon at Columbus, Kansas, by the side of her husband.

WHY

SAVE?

Why not spend it while you have it? The answers are to be found in the personal histories of the folk who succeed and those who fail. Monied men almost without exception have built the nucleus of their fortunes by steadily feeding a savings account. And it's a safe bet that Mr. Down-and-outer isn't the sort who saved when he was earning. Yes, save!

Red Top Steel Fence Posts

Temporary Fences Save Time, Labor and Money

THEY cut labor costs by letting the stock do much of the harvesting. They turn into money much forage so often allowed to go to waste, enable you to rotate stock and hogs over different fields and maintain fertility. Live stock as well as hogs salvage much grain left in the field.

For instance—dividing either permanent or temporary pastures, hogging off part of your corn, turning in on legume crops—all these practices are profitable and all can be followed through using a few stretches of temporary fence here and there on the farm.

Temporary fences can be quickly erected on Red Top Steel Posts. With a Red Top Driver these drive easily through hardest soil at the rate of 200 to 300 a day. And after using them for temporary fences they can be withdrawn and used in your permanent fence line—makes your fence post dollar do double duty.

Come in and let us show you the advantages of the Red Top Post that make it the most dependable and economical post for you to use for all purposes.

And There Was No Escape

Suppose you were in a room where there were hundreds of VERMINE and there was no place for you to get away. You would just have to wait until you were stricken and fall your BLOOD running from the WOUNDS that mean life to you. This is the position your hens are in. Every night they go to roost the Red Mites swarm on them and the faithful hens cannot get away. You are trying to get eggs but the feed only keeps the mites alive as long as the hens live.

We have Woodstock Brand Paint that is guaranteed for a year and Woodstock Louse Death that will absolutely keep your poultry house free of mites if you will follow our directions and you can do it with little work.

AL JOLSON PICKED NEW FILM STAR

Davey Lee, the four-year-old screen star of Warner Bros. new picture, "Sonny Boy," at the Temple Theatre, was selected by Al Jolson, star of Warner Bros. "The Singing Fool."

A child was needed for "The Singing Fool," and all kinds of tests had been made of boys who had appeared in various pictures. None of them quite filled the bill. Neither the director nor the star were satisfied.

Then Jolson wandered out on a set for another picture that was not in use. He found Davey Lee there and they were soon deep in a game.

When the director at last found him Jolson held the boy up in his arms. "Here's the boy to act the part of my son in 'The Singing Fool,'" he said. "Nobody else will do."

So Davey got the part, made a hit second only to that of the star and became a star in his own right a few months later in "Sonny Boy."

Edward Everett Horton and Betty Brown are chief in the support.

Thursday, Friday, Saturday, Sept. 13, 20, 21, Temple Theatre, Willard.

NOTICE

The regular meeting of the Friendship Class will be held at the home of Mrs. Ruckman on Tuesday evening, September 16th.

MRS. MARY WARD DIES SUDDENLY

The many friends of Mrs. Mary Ward, wife of James Ward, were shocked when they learned of her death which occurred at her home just south of Norwalk Saturday morning. Mrs. Ward was seized with a stroke of paralysis about 9 o'clock in the morning and she passed away without regaining consciousness.

Funeral services were held Wednesday afternoon at 2 o'clock at the home. Interment was made in Woodland cemetery, Norwalk.

Surviving are the husband, three sons, Phillip Ward of Cleveland, Ezra and Lloyd, both of Norwalk, and the daughters, Mrs. Ruth Stras of Waukegan, Wis., Mrs. Mary Hart of Germantown and Mrs. Stella Lane of Attica. Horace Ward, a son, fell in battle while fighting in the American army in France during the World War.

The decedent was a very estimable woman and possessed many friends. She was a member of the Pythian Sisters, the Service Star organization, and the American Legion Auxiliary, and the Woman's Benefit Association of the Macabees. Mrs. Ward was born in Rome, just south of here, and was well-known and respected throughout the community.

The sympathy of the community is extended to the husband and immediate family in their loss.

LADIES AFTER SHORT ILLNESS

Funeral services were held Tuesday afternoon for little Woodford Adams at the home of the parents, Mr. and Mrs. George Adams, west of New Haven. The little lad was stricken with an acute attack of appendicitis and he was removed to the Memorial hospital, Norwalk, where an operation was performed, and from which the lad never rallied, death coming at midnight Sunday. The remains were removed to Miller's mortuary where they were prepared for burial and later taken to the home. Woodford Adams had brought five years of sunshine and happiness to the Adams home, and he was loved by all who knew him. The sudden passing of the little boy was felt throughout the community, and the sympathy of the neighbors and community was shown by the beautiful floral offerings and the large attendance at the last rites.

The services Tuesday were conducted by Rev. May of Findley, and interment was made at the New Haven cemetery.

Mrs. Frank Davis, Mrs. N. B. Rule, Mr. and Mrs. Arts and Connie Marvin attended the races at Medina, O. Wednesday afternoon.

Chas. G. Miller was in Toledo Wednesday on business at the State hospital.

Mr. and Mrs. C. R. Thornhill announce the birth of a daughter, Barbara Jean, born Aug. 28rd, Mother and baby are doing nicely.

BUS DRIVER FINED

W. E. Lawson, a Union Line auto bus driver, made the mistake of driving at a rate of 62 miles before a stopped school bus near Wakeman on the main road and it cost him \$50 and costs when his case was heard before Justice A. M. Bestie. It is said that this line boasts of making fast time and of beating out the Greyhound company and other systems in the same business. Sheriff Edw. Gregory of Huron County reports that the state law which covers the case is very clear and is as follows:

The driver of a vehicle, when approaching the front or rear of a school bus that has come to a stop on a road or highway, outside the limits of a municipal corporation, while in the act of receiving or discharging school children, shall stop such vehicle not less than ten feet from such school bus and keep said vehicle stationary until such children have entered said bus or have alighted and reached the nearest adjacent side of such road or highway.

RIVER-ANDREWS WEDDING

One of the prettiest fall weddings of the season was solemnized at Norristown, Pa., recently, when Miss Kathryn Criswell Andrews of Norristown, became the bride of LeRoy Burton Rivers, of Essington, Pa. The wedding was an elaborate church affair with a large number of friends present. The bride who is popularly known in that vicinity was a member of the faculty of Roosevelt school and a graduate of Montana State College. Miss Andrews is a granddaughter of Mr. and Mrs. B. F. Criswell. Mr. Rivers is employed in the engineering department of the Gulf Refining Co., at Pittsburgh and will be at home to their many friends there after Sept. 15th.

Paul Snyder, was home recently on a visit to his home. Paul is attending the Wilcox Commercial School at Cleveland.

Mrs. Ruth Ruckman with Mrs. Annetta Carter assisting hostesses, Auxiliary, on Wednesday next they will be entertained by Mrs. Luella Wilson, Sandusky street.

HAMILTON, Ont.—They get after honkers here. Allan Graham has been fined \$50 for making unnecessary noise with his automobile horn.
