MANY CARS IN SUNDAY CRASH

Several automobiles were mixed up in a crash which occurred on the Shelby-Mansfield road, near the Hart May home, about 9 o'clock Sunday night. O. Weiser was driving into the city when he ran out of gas, near the May home. His car was pushed off to the north side of the road while he could go and get some gas. Isaac Jones, coming into Shelby, was right up behind the Weiser machine before he noticed it and he turned out quickly to go around it. As he did so he met Mr. and Mrs. L. C. Hughes in a Pontiac sedan, going toward Mansfield. The cars sidwiped and both had difficulty in getting straightened up. Before the Pontiac was righted another car, driven by Howard Guthrie and coming from Mansfield, collided with the Pontiac, turning it over at the north side of the road. Mrs. Hughes was bruised and hurt but Mr. Hughes escaped with slight bruises. Glenn Ewers and Carl Meyer, driving a De Soto roadster, were the next ones to get into the mix-up, running into the rear of the Jones car, and damaged the body of the machine. McBride, driving south, was the last unfortunate driver to crash into the wreckage. Shelby Globe.

Funeral Services For Greenwich Woman

GREENWICH—Funeral services for Mrs. M. H. Morrow were held at the Baptist church at Fitchville Sunday afternoon conducted by the pastor. The facts attending the death of Mrs. Morrow are extremely sad. She had been in rather poor health for several weeks and that combined with an injury to the health of one of her sons seemed to bring a mental unbalancing and while the gasoline engine was working at the Morrow barn she took the shot gun and going into a clump of high weeds near the garden shot herself. A posse of fifty men gathered Saturday morning and searched the weeds and surrounding country. The body was found by Monroe Underwood of Fitchville. Coroner Bell was summoned and after examination the body was removed. Mr. Fitch to his undertaking parlors at New London and prepared for burial. Mrs. Morrow was a most devoted mother and wife and besides her husband leaves six sons all residing at home. They are Lynn, Robert, Herbert, Carl, Wayne and Kenneth. She was about eighty years of age. Mr. Morrow was about fifty. Mr. Morrow is local manager of the North Central Ohio Co-operative dairy sales association. He with his sons has the sincere sympathy of the community.

THE RITTERS ARE INJURED IN RECK

Mr. and Mrs. W. O. Ritter, former Plymouth residents, are in Memorial hospital, Norwalk, recovering from injuries sustained in an auto wreck Saturday night which occurred seven miles west of Norwalk when two cars came together injuring seven people, one of the most terrible accidents that has ever happened in Huron county.

Late reports from the hospital state that Mr. Ritter will probably lose the sight of his right eye, which was badly injured by flying glass, and it is said that the removal is necessary in order to save the sight of the left eye. He is also suffering from a broken wrist and several cracked ribs. Mrs. Ritter's injuries are very painful. She received a fracture of the arm, right knee cap cut in two, and a badly injured left shoulder.

Five members of the Roberts family of Toledo also suffered injuries, and they are listed as follows: James Roberts, Toledo, about 35, front part of car crushed, may live. Thomas D. Roberts, Toledo, left arm broken, bad lacerations about head.

Mrs. Violet Roberts, Toledo, hip cut, severe lacerations about right knee, arms and head.

Mrs. Esther Roberts, Toledo, both arms broken, head and face lacerated. Dorothy Roberts, a young child, severely cut and bruised and both legs broken near hips.

It is said that the driver of an automobile which a trailer attached, hauling a boat, was the cause of the accident. The Whippet car containing the members of the Roberts family was going eastward and the Essex car, in which Mr. and Mrs. Ritter were riding, was headed toward Clyde. The driver of the Essex car was reported to make a short visit before returning to their home with their two children who have been visiting at Clyde. It is reported that the two cars crashed head-on at a high rate of speed.

The injured were removed to the hospital at Norwalk, where medical attention was administered.

It was very evident at the time of the wreck that James Roberts, and one or two more, would succumb to their injuries. However, late reports indicate they have a fair chance for recovery.

BELL ADDRESSES LIONS CLUB HERE

On last Tuesday night the Lions Club held an enthusiastic meeting in the spacious dining room of the basement of the Presbyterian Church. A group of ladies from the E. E. S. Class served an appetizing banquet. Prof. C. E. Bell, County Superintendent of Schools of Huron County, was the guest and speaker of the evening. His subject was America's Menace. The education and the result is that the present conditions. Reference was made to the Crime Wave and Law Enforcement. There is a menace of the lawless minority controlling the law abiding majority.

Having a Republican form of government is a constructive criticism of the political affairs of the country. After all does not the voter speak last, and is not his decision law? Many voters have had little or no education and the result is that they need the right kind of leadership, an unselfish leadership. To whom shall they look for guidance, but to those who are numbered among the privileged, who have the strong arm and the trained mind. The true American student will soar above and beyond the shadows of social and racial prejudice, and be loyal to his home, his country and his God.

YOUNG THIEVES STEAL TIRES OFF AUTOMOBILES

Thursday evening while Clifford Martin of Wakeman was fishing with a companion in the Vermilion river, two young men took the tires from his Model T Ford car. Deputy sheriffs responded promptly but no trace of the thieves could be learned until Martin and his companions caught sight of them near Birmingham. Martin had borrowed a shot gun and when the thieves realized that a battle was imminent they fled, leaving an old Ford car of little value, which apparently had been stolen in Chicago or somewhere else in Illinois. A fishing license found in the abandoned car was issued to W. E. Dyer at Carpentersville, Ill. The tires were restored to Martin. Both of the tire thieves were armed.

C. L. MORFOOT DIES SUDDENLY

C. L. Morfoot, 54, well-known Plymouth resident, died at his home here Saturday afternoon at 3:00 o'clock after a very brief illness. Mr. Morfoot returning home from his work Friday evening, enjoyed a good supper, after which he began mowing the front lawn. He was stricken with a pain in his chest, and in a few minutes he was relieved. The second and third pain appeared and in the early evening he was summoned. Saturday morning his condition was somewhat improved and Saturday noon he requested his dinner. Shortly after noon Mr. Morfoot went off to sleep and about 3:00 o'clock death came.

Mr. Morfoot was born in Bucyrus, Ohio. About fifteen years ago he moved to North Parkersville where he resided until four years ago he made Plymouth his home. While a resident of Parkersville he was active through out the community. He was connected with the State Highway Department at the time of his death. The deceased was a member of the Masonic Order at North Parkersville, the Elks Club and Knights of Pythias. Also a member of the Eastern Star. Lawrence Morfoot was held in the highest esteem by his fellowmen and will be greatly missed in the community.

Besides the widow and one daughter, the father and one brother survive. Funeral services were held at the Methodist church at Parkersville, Ohio, where friends gathered for the last rites. Interment was made in the Bucyrus cemetery.

CARL LAWRENCE MORFOOT

Carl Lawrence Morfoot, the son of Geo. A. and Malinda (Carter) Morfoot, of Parkersville, Ohio, died in Plymouth, Ohio, August 31, 1929, being in the 64th year of his age.

On March 3rd, 1888, he was united in marriage to Miss Clara Mollenpuck. To this union one daughter was born, Mrs. Thelma Mollenpuck of Plymouth, Ohio, who with the widow, his father and one brother, Delmar C. Morfoot of near Steuben, Ohio survive.

Mr. Morfoot was a member of the Masonic order, the Eastern Star, Odd Fellows and Knights of Pythias. He was always very friendly and brotherly in all of his business and social contacts and a host of friends realize a real loss at his passing from our midst.

The funeral services were conducted Tuesday, September 3rd, by the pastor, E. H. McBroom.

BRIDGE WRECKED BY BUICK AUTO

A Buick car carrying five passengers enroute from Jefferson to a family reunion at Atlica and going at a high rate of speed suffered a flat tire as they approached the one way bridge west of Ruggles Center. The tire going out at that moment together with their speed drove the car to the side of the road and hit the north abutment of the bridge in the center of the hood driving the railing thru the windshield past the steering wheel. The fact that they straddled the railing was all that saved the car and passengers from being pitched down the gravel embankment to the river below. When the car was removed the bridge settled two feet and was found to be torn loose from its foundations. The passengers were taken to the New London hospital but were found to be not seriously injured. The state authorities were called and in a surprisingly short time the road was being patrolled to keep traffic from the road. Monday the old bridge was torn out and a temporary bridge straddled which was finished early this week.

Many File Petitions For Marriage Offices

Thursday (today) Sept. 5, is the last day for filing of petitions for those who aspire to hold various village offices. Public in Plymouth so far have been very quiet but there is an undercurrent that will probably be exploded on election day.

It is understood that J. B. Derr and Dr. Geo. J. Searle are candidates for mayor. Derr has served two terms, while Dr. Searle has never served.

On the council list appear the names of Chas. West, Ned Earnest, Clay Hulbert and T. R. Ford, who have been serving for the past term and who have done some good work for the town. These gentlemen have filed their petitions and are in the race for re-election. McDougall and Wooley are to continue on the council!

The Public Health Officer has John Fleming, Carl Lofland and Stacy Brown as candidates. Brown succeeded W. H. Potters earlier this year. E. K. Trauger has filed for clerk of the village, while a Mr. Poth has filed for assessor.

There are three vacancies to be filled on the school board. The present members, G. W. Pickens, J. E. Simmons and Willard Ross have filed for re-election. H. Root and Dr. Geo. C. Searle Jr. continue on the board.

In the course of a few short weeks politics will get into citizens some of them to talk about and to doubt the pot will begin to boil to a high degree about election day.

Changes Name

Seven years ago, a group of young people met at the Presbyterian Church, under the guiding hand of Mrs. J. W. Miller, and organized, calling themselves the Junior Aid Society. Thru the years, new members were added, a few moved away, but the rest struggled on, achieving worthwhile things, until now we have a thriving organization of young people, with the help of the young men.

Thru it all, work and social activities, laughter and tears, Mrs. Miller went with us, making us, as brothers and sisters. Thru her, it was possible for us to have such an organization, by guiding us until the close of her life. Her influence is with us still.

ANOTHER BAD AUTO WRECK

Another accident occurred Sunday when a car containing four young persons was traveling on the Wooster, Ashland, Norwalk Highway. A narrow bridge, a sharp curve and very dense dust combined with a high rate of speed, caused a car to leap from the road and turn over twice near Carl Myers residence not far from Ruggles. The driver was thrown out and seriously injured. Mrs. Myers who saw the accident called Dr. Smith of New London, who arrived with ambulance and took the quartet to the hospital at Ashland. All were found to be badly injured. This is a very treacherous spot and should be traveled with less speed than is usually observed on this road.

A LESSON FROM MICHIGAN

Harold Titus, discussing in New Republic the state of devastation in Michigan lands, makes the statement that fifty years of reckless timber cutting in the United States have left a third of a billion acres which once yielded rich forests lying more or less barren.

Leading up to an existing condition in the State of Michigan, once one of the greatest forest areas of the country, the fact is recited that 50,000,000 acres which a generation ago were covered with forests, today grow little or nothing of immediate value.

This word picture, which will strike a familiar vision in the mind of the Georgia reader, is presented in the publication:

The chief uses for cut-over forest lands must obviously be either agriculture or the production of more forests. As all hope of seeing much of this soil under the plow vanished, and it became evident that private enterprise was reluctant to embark on reforestation to any great extent, Michigan has gradually realized, within the past ten years, that public initiative alone will pay lasting acre to work.

Michigan has been a tourist state ever since the nineties, but after the war, when American legend led to play, when nightclubs were established, and the automobile came into wide use, travelers began to swarm.

One can almost imagine the similarity in a vast area of Southern Georgia, an area once dense with magnificent forests where now there are vast stretches of cut-over, idle lands in no great whatever of utilization.

Georgians have seen it. Like Michigan, they already have realized that "nothing had to be done." The start has been made here, as it was there.

There's a lesson in Michigan's experience and her solution, from which our state might profit.—The Macon Telegraph.

'HEARTS IN DIXIE' AT THE TEMPLE

When "Hearts in Dixie," Fox Movietone production with an all-colored cast is seen and heard on the screen of the Temple Theatre next week it is almost certain that the singing of the spirituals and folk songs will linger in the memories of all who hear them for a long time.

Particularly will this be true of "Lonesome Road," the strains of which bring the story to a close when "Nappus," played by Clarence Muse, an old negro, takes his son "Chinapan" to the levee to board the "Nelly Bly" for his journey north and for an education.

The history of "Lonesome Road" is somewhat vague. Evelyn Cary Williams of Lynchburg, Virginia, who has done extensive researches on the subject of folk songs was unable to trace the origin of "Lonesome Road," or her than to find it was taken down from the singing of Charles Galloway, a black man, uneducated, and a worker on the roads in a Virginia.

"Hearts in Dixie" abounds in spirituals rendered by a mixed chorus of 40 voices and faithfully reproduced on the screen through the medium of Fox Movietone.

"KEEP Your Credit GOOD"

"You want your money when due---
so does the Other Fellow!"

WHEN you buy goods or service on "open account"---the seller is demonstrating a friendly trust in you---by extending credit. When you pay promptly, you prove this trust was rightly placed.

WHEN you do not meet your obligations as mutually understood, you are not only abusing this friendly confidence---you are retarding the whole commercial cycle---for you embarrass the seller in his efforts to meet his obligations promptly.

THE whole credit idea is interwoven. It can only be continued to the degree that all of us meet our obligations promptly.

BE with the majority pay up and keep your credit good!

CUT OUT FOR REFERENCE

To the Theatre-goers of Plymouth and vicinity:

The Western Electric Vitaphone has proven to be one of the best installations in Ohio. Our patrons have been unanimous in that it is the last word in talking and sound apparatus.

The management is making every effort to book the best pictures of the motion picture industry for the fall and winter season, and we shall appreciate it if you will tell and write your friends of this Vitaphone installation. Shelby is the smallest town in the state of Ohio to have a Western Electric Vitaphone and Movietone instrument. Many film executives in Cleveland said this apparatus would not be a profitable investment in Shelby but we think it will be, as we know our patrons will cooperate with us in advertising it.

Thanking you for your patronage and assuring you that we shall do our utmost to please and entertain you with the finest productions made, we are

Sincerely yours,

RESOLUTIONS OF RESPECT

Whereas, it has pleased the Supreme Ruler of the Universe to call our Brother, Lawrence C. Morfoot to his presence, and
Whereas, by his act he has been advanced to a higher rank for being faithful in the commission of his duty during life;

OBITUARY

JAMES S. LEWIS
 James S. Lewis was born March 31, 1849 and passed away at his home August 23rd, 1929.

His parents were eastern people who came to Ohio in pioneer days and settled in New Haven when the country was a dense forest. They with two brothers have preceded him to the Great Beyond.

On January 23rd, 1879 he was united in marriage to Mary E. Long. Soon after this they purchased the old homestead where his bride was born and reared, and here they spent their happy wedded life on the farm.

They celebrated their Golden Wedding at the beginning of this year; an occasion never to be forgotten by the loved ones and friends who were present.

Recently he had a fall which no doubt hastened the end. His death was a great shock to the community. He is survived by his wife, two nieces in Illinois and one at Mt. Vernon, O. He was quiet and unassuming; loved his home; was a loyal friend and always ready to assist in any time of trouble.

Mr. Lewis was a member of the M. E. Church at Delphi, Ohio having joined in the early eighties.

Funeral services will be held Sunday and one clear call for me. And may there be no moaning of the lute.

When I put out to sea,
 But such a tide as moving seems asleep
 When that which drew from out the boundless deep
 Turns again home.
 Twilight and evening bell
 And after that dark
 And may there be no sadness of farewell
 When I embark.
 For though from out your bourne of time and place
 The flood may bear me far
 I hope to see my pilot face to face
 When I have crossed the Bar.
 Your dear one is absent but cannot be far
 While safe on the bosom of love,
 That holdeth you also, and hope as a star
 Is shining so brightly above.
 Oh faith can be patient, whatever the time
 To wait in the shadow and pain
 While nearer is coming the glory divine,
 To bring you together again.

Know the Facts and you will choose Oakland

America's finest medium-priced automobile

Oakland supremacy in every phase of motor car quality has been proved indisputably in one of the most complete analyses of automobile values ever made. Below are some of the facts obtained in comparing today's All-American Six with 20 other medium-priced automobiles. There are dozens of other facts which we will gladly show you, pointing out their significance and explaining what they will mean to you in satisfaction with the All-American Six. Come in for this information... and while you are here we will give you a demonstration which will substantiate our most enthusiastic claims for Oakland—America's finest medium-priced car.

FACTS REVEALED BY COMPARISON

PISTON DISPLACEMENT Oakland's 218 cubic inch piston displacement is greater than 12 of the 20 cars in its price field. Of the 8 remaining 7 are higher priced than Oakland.

BRAKES Only Oakland and one other car in its field equals Oakland's 210 square inches of brake band area. Oakland's separate emergency brake operates on the transmission. Seven cars in the field have no separate emergency brakes, although three of them exceed Oakland in piston.

WHEELBASE Only one car as low-priced as Oakland's has a wheelbase as long as Oakland's, which is 117 inches. That car requires a turning circle of 43 feet as compared with Oakland's 36 feet. Six higher-priced cars have shorter wheelbases.
