CLASS SERMON GIVEN BY REV. FRED SHIREY - SERVICES HELD IN CHURCH.

The annual class sermon and baccalaureate services will be given and held in the Mt. Hope Lutheran church on Sunday evening at 8 o'clock.

Rev. Fred Shirey, pastor of Mt. Hope church will deliver the class sermon to the graduating class of the local high school. He will be assisted in the services by Rev. O. M. Peoples, pastor of the local M. E. church.

Music will be furnished by members of the Junior High chorus, the Girls' Glee Club, and Nellie Patterson, soprano soloist, under the direction of Miss Elizabeth Phillips, supervisor of music.

The Seniors will be in the official grey high school cap and gown; will be accompanied by the school faculty and students of the high school, and will proceed from the school building in a procession to the church.

Services will be held at 8 p. m. and the public is cordially invited to honor these young people in this service.

Bricks hurled at Heidelberg.

Bricks were hurled through windows at the Heidelberg College Friday and Dr. Charles E. Miller, president of the school, narrowly escaped injury.

The attack, which sent showers of glass about the president's office is regarded as an outcome of a controversy over dismissal of Dr. Newell W. Sawyer, professor of English.

Discontent is said to have been rampant on the campus since announcement that Dr. Sawyer a popular member of the faculty, would not be reappointed for next year. Dr. Sawyer's contract will expire in June.

TO MOTHER

For My Mother
There's one whose love will linger last,
Than any I have met or passed,
My love is most for her than any other.
And that will always be my Mother.
LeRoy Briggs, 6th Grade.

A Toast to Mother

A toast to my Mother
To a kind and loving heart,
From whose love,
I will never depart.
Mary Fanner

A Toast to Mother

I drink to one whose image may never part,
So loving, giving, down in her heart,
The one who loved me best,
In my heart her memory will never pass—my Mother.
CELETA LASCH—6th Grade

A Toast to Mother

I drink to one who loves me and shall forever,
Deep in this heart of mine,
Till days are gone and still she will love me forever.
HELEN HACKETT, 6th Grade

"Mother"

God gave us sister and brother and neighbors,
And gave us the right to love one another.
But He only gives us one "Mother."
MAXINE MYERS, 6th Grade.

A Toast to Mother

I drink to one, that is true,
She's always thoughtful of me too,
She never minds a rainy day,
She's always happy, always gay.
You think it's another,
But it's my dear and thoughtful mother.
AGNES RAE ANDERSON.

CHAPEL

Chapel Wednesday morning began with "America, the Beautiful," directed by Correl Scott. It was followed by the Scripture reading from the twenty-eighth chapter of Proverbs by John Dick, and "Flow Gently, Sweet Afton," concluded by Marguerite Dwyer. After this a very clever reading was given by Paul Stodd, which was followed by Mr. Miller's announcements and the singing of "Old Folks at Home," conducted by Arnold Munn.

CALENDAR

Week of May, 9th.
Wednesday—Chapel, Clubs.
Friday—Senior Class Play "Seventeen."
Saturday—Ashland, Mansfield Triangular Track meet.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicines as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath hint of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.

P. H. S. SHOWS UP WELL AT ASHLAND TRACK MEET

Saturday, May 9th.—In the three-way meet at Ashland the P. H. S. trackmen considering that not all of their team was on hand, made a very fair showing. The fact that they brought home a first place, two seconds and three thirds for a total of 20 points from the strong class "A" teams of Mansfield and Ashland speaks well for their prospects at the district track meet next week. They compete against teams of their own class then. Last year Plymouth finished third in the district out of 25 or more schools and was the right to go to State.

The men who were responsible for points at Ashland were: Briggs, half-mile, who won that event in 2:12, and ran on the half mile relay which placed second. His total was 5 3-4 points. Long and Webber each took a second and third run and ran on the relay team to boost their total to 23 1/2. Long placed 19th, 4:15 in the broad jump to take second and placed third in the 100 yard dash. Webber tossed the shot 40 feet to get a second and took third in the discus with a heave of 104 feet. Ross, high hurdler, ran third in that event and collected two points. The mile relay team was composed of Long, Briggs, Storck, Webber.

CLUBS

The Mayflower, the Student Council and the Press Club held their meetings last week. The meeting of the Press Club was called together by the president, and it was decided that the P. H. S. Post should be continued a week or two after school is finished and a week or two before it opens. Nominees were elected to accomplish the respective offices during this period.

LOCAL STUDENTS RECEIVE CERTIFICATES OF HONOR

Superintendent R. R. Miller has just received from the State Department of Education certificates of honor for four of the group who recently took the State Eighth Grade Examinations here. Other certificates are granted to the upper 25 per cent in each group but these certificates are granted only to those who rank 10 per cent of all who took the examination throughout the whole state of Ohio.

Those receiving these State Certificates are: William Root, Jean Curpen, Betty Brown, of the Plymouth Village School, and Robert Brothers of the Trumbull School of Plymouth Township, of which Mrs. McCollough is teacher.

BELLADONNA

The Belladonna is an "European plant. It is a native of Britain. All parts of the plant are poisonous, and incantuous eating of the berries has often produced death. The inspissated juice is used in medicine for the extract of belladonna. It is narcotic and poisonous, but is a great value in medicine, especially in nervous ailments. It has the property of causing the pupil of the eye to dilate. The fruit of the plant is a dark brownish shining berry. The same signifies "beautiful lady," and is said to have been given from the use of the plant as a cosmetic.

GIRLS' PHYSICAL EDUCATION ACTIVITIES

After roll call and marching drill (quite a bit of marching for some of the girls were drilled) into two teams to play kitenball. Elsie Shaver was captain and manager of Team One, Lucille Pugh, captain and manager of Team Two. The game was staged on a bare lot north of the school building (believe me that ground wasn't so sticky). Team One won the game 1 to 5. The same teams under the same captains played again Wednesday. This game was very close, at the end of the third inning we were almost "rained out" but continued to play till the end of the fifth inning. Team One came out on top again, but only won by one run.

MAYFLOWER NEWS

The cover for the Mayflower has been chosen. A black cover with a white modernistic design will appear.

SENIOR CLASS PLAY WAS VERY SUCCESSFUL

"Seventeen," by Booth Tarkington, was presented at the High school auditorium, Friday May 7, by an able cast selected from the Senior Class of the New Washington. Many fine musical numbers were given on the occasion which met with much approval.

The play itself was dramatically successful, due to the coaching of Mr. Miller and Miss Fenner. A large crowd was responsible for the financial success of the play.

The Senior class takes this opportunity to thank all those who aided in its favorable outcome.

REMOVED TO HOSPITAL

Mrs. Warren BeYler was removed Saturday to Willard Municipal Hospital for a minor operation. She is improving nicely.

Mrs. Harold Brown was taken in the Miller Ambulance to Willard Hospital Friday for diagnosis and treatment.

OPEN NEW GRAVEL PIT

A gravel pit opened by the county on the Pfeiffer farm in Hartland township, on the Exchange Road, No. 179 is believed to be one of the largest in this district. The quality of the gravel is excellent. County commissioners hope to improve many secondary roads in the eastern part of the county with this gravel.

Ripley Center

The following teachers were hired for the coming term by the Ripley school board last Friday evening: First and second grades, Lois Gumbert; third and fourth grades, Helen Smith; fifth and sixth grades, Helen Emerson; seventh and eighth grades, Murray Hunter. We are glad to have these former Ripley teachers with us another year.

Mr. and Mrs. Laurence Smith and little son of Greenwich spent Sunday at the home of Mr. and Mrs. Clyde Young and family.

Mr. and Mrs. E. Perry and family are moving to the King property south of Ripley Center.

SAY CHILD HAS RARE DISEASE

Patry Ruth Miller, four year old daughter of Mr. and Mrs. Kennard Miller, of near Tiffin, is seriously ill, a victim of a rare disease.

The girl is said to be afflicted with Raitnos' disease, a rare malady, only two such cases of which are on record in Seneca County. Four fingers on each hand were affected, turning black as the disease interfered with the circulation of the blood. The three middle toes on each foot were also affected. The disease attacks only fingers and toes it is said.

A diagnosis was made at Ann Arbor, Michigan, by physicians at the medical college. She was also taken

CARD OF THANKS

I wish to thank friends and neighbors for the many kind deeds shown during the illness and death of my wife, especially those who sent food and floral offerings. I appreciate the sympathetic sympathy expressed to me by all my friends.

CURFEW TO BLOW AT GREENWICH FOR KIDDIES

No longer will mothers be worried wondering where their children are if the curfew system inaugurated in Greenwich Monday proves effective. This measure, enacted a month or so ago by the village council, makes it illegal for children less than 17 from being abroad after 8 p. m. from Oct. 1 to April 1, and after 9 p. m. from April 1, to Oct. 1, unless accompanied by guardians.

The ordinance provides that the village fire siren shall be sounded at the time children are required to be off the streets. A fine of \$5.00 is provided. Children are not permitted to loiter on the streets or make any "undue noise by shouting or yelling to disturb the peace" after the prescribed hours.

PAIN

HEADACHES NEURITIS NEURALGIA, COLDS

Whenever you have some nagging ache or pain, take some tablets of Bayer Aspirin. Relief is immediate!

There's scarcely ever an ache or pain that Bayer Aspirin won't relieve—and never a time when you can't take it.

The tablets with the Bayer cross are always safe. They don't depress the heart, or otherwise harm you. Use them just as often as they can spare you any pain or discomfort. Just be sure to buy the genuine. Examine the package. Beware of imitations.

Aspirin is the trade-mark of Bayer manufacture of monoaceticacid ester of salicylic acid.

On Sunday evening, May 17, the Rev. G. L. Kettinger will give the class

address on the subject, "By What Authority," at the New London M. E. Church.

The class has been laudably active in scholarship endeavor music, dramatic work, vocational work, home economics, athletics and other student activities.

COLLECTION OF COUNTY TAXES ABOUT NORMAL

That Huron county is financially sound is indicated by the extraordinary collection of taxes on the last period. The total amount reports County Treasurer Kent Woodard, is about \$40,000. It was announced about a month ago that the collection would be possibly five per cent short of normal. But since that time, practically all the accounts have been paid and the delinquency will be no more than the normal amount.

TIRO RESIDENT ESCAPES INJURY

Frank F. Dick, an elderly resident of Tiro, narrowly escaped injury about 10 o'clock Wednesday morning when he fell from a ladder while trimming trees for the Co-operative Breeding and Hatching Company.

His daughter, Mrs. Chester Fetter, was notified at once and took him to his home. Dr. Douds was called from Shelby and after a careful examination it was believed there were no serious injuries. However, his back is sprained, and it is expected he will be confined to his home for a few days.

MONTGOMERY NAME WILL BE RETAINED

Definite announcement has been made that the name of C. W. Montgomery, Inc., will be retained for the store that for the past six years has been headed by that gentleman, who retired last week.

The management is now in the hands of Richard C. Fowler, a New York walk boy who started in the R. C. Taber Co. as a subordinate in the carpet section and by force of merit has become head of the establishment.

"NOT SO HOT"

Kyanston, Ill.—There is a student at Northwestern University who thinks Gracie Garbo is a myth and a professor who believes Sinclair Lewis an "oil baron." It was disclosed today as "others" were checked on a questionnaire regarding notable persons.

One student listed former Gov. James M. Cox of Ohio as "the head of Coxey's army."

Another thought Theodore Roberts, late film actor, was a full-back at Yale. Still another listed Floyd Collins of Kentucky cave trap fame as a "one-eyed correspondent and radio announcer."

Of the 15 students, five-co-eds, and five instructors questioned there were 16 who could not identify Correll and Gooden as Amos and Andy.

The professors were in the test. They were 78 per cent right. The men students scored an average of 82, and the co-eds made an average grade of 40.

A NEW DAUGHTER

Mr. and Mrs. Burton Rivers of Toledo are the proud parents of a baby daughter, named Kathryn Patricia, born May 6th and weighed six pounds and eleven ounces.

LEGAL NOTICE

Sealed proposals will be received at the office of the Clerk of the Village of Plymouth, State of Ohio, until 12 o'clock noon of Saturday, May 23, for the purchase of bonds of the said Village of Plymouth in the aggregate sum of \$15,000.00 dated the first day of April 1931.

Said bonds will be eighteen in number and numbered from one to eighteen, both inclusive. Each of said bonds shall be of the denomination of One Thousand Dollars (\$1,000.00) and will draw interest at the rate of 6 per cent per annum payable semi-annually on the first days of April and October of each year upon presentation and surrender of the interest coupons to be attached to each of said bonds. Said bonds will be due and payable as follows:

Bond No. 1 for \$1,000.00 April 1, 1933, and one bond for \$1,000.00 April 1, 1960.

Said bonds are issued for the purpose of providing funds to improve the water supply of the Village of Plymouth, in compliance with the orders of the State Director of Health, and are issued under authority of C. C. 1253-1, and under ordinance entitled "AN ORDINANCE PROVIDING FOR THE ISSUANCE OF BONDS OF THE VILLAGE OF PLYMOUTH FOR THE

PURPOSE OF IMPROVING THE WATER SUPPLY OF THIS VILLAGE OF PLYMOUTH AND FOR THE INTERESTS THEREOF," as passed December 23, 1929 and amended on the 24th day of April 1931.

Said bonds will be sold to the highest and best bidder for not less than par and accrued interest. All bids must state the number of bonds bid for and the gross amount of the bid and interest to date of delivery, and must be accompanied by a certified check, payable to the treasurer of the Village for 10 per cent of the amount of the bid, upon condition that if the bid is accepted, the bidder will take and pay for said bonds within 10 days from the time of award, said check to be retained by the Village if said condition is not fulfilled. Provided that bids may be filed for a less rate of interest than that specified in the ordinance, but the rate so bid must be even or if a fraction of one cent in bid it must be a fraction of one-fourth or a multiple thereof. The Village reserves the right to reject any and all bids.

Talks On Bee Management

There are perhaps five or six hundred bee keepers in Huron county who are annually confronted with the spring management problems. Virgil N. Argo, Extension Specialist in the Bee Keeping, started at a meeting held at Norwalk last Friday, that the two story brood nest is proving most satisfactory throughout the year. By the two story brood nest we mean, two standard Langstroth hive bodies containing ten combs each, devoted entirely to the queen and her bees for the purpose of brood rearing and the storage of honey and pollen. No honey is taken from either of these bodies by the bee keeper.

It was observed at the demonstration meeting at Mr. G. H. Myers, Norwalk, that those bees packed over winter in two story brood nests had from ten to thirteen combs of brood. Mr. Argo pointed out that these colonies should be watched very carefully and additional super placed on them as soon as warm weather and the honey flow appears. The queen sealed and emerging brood, and empty comb found in the two brood bodies should be placed in the lower story, with a queen excluder next to an extracting super, with the other body of the two brood nests placed on top with combs containing eggs, young larva, and honey.

If cold, wet weather sets in for several days to one week, they should be examined for amount of stores. Colonies developing a large amount of brood are sure to run low on food when these rainy spells set in. Mr. Argo stated that many apparently strong colonies starve before clover bloom during cold rainy periods.

When one finds it necessary to feed bees, a super of disease free honey is

HUGE SIGN TO BE PUT ON U. S. ROUTE NO. 20

Route No. 20, the Arrow Route, will get publicity galore from a 35 foot long illuminated sign to be erected west of Toledo under the direction of the Route 20 Association. This sign is to be put up this month. Another similar sign is planned for the same highway west of Cleveland at Rocky River.

At the meeting held by the directors of the association here on Monday, many important projects were discussed. On Friday night the association is to hold a mass meeting at Dover. Next week, a meeting will take place in Elyria. The association has given attention to the Bellevue subway, the Wakeman bridge widening project, the proposed D. A. R. matter near Oberlin, the paving of the approaches to the bridge between Maumee and Perrysburg, and the purchase of two city lots to afford a parallel city street to route 20 at Bellevue.

PURCHASES FARM AT PUBLIC SALE

always best. When this cannot be used, a sugar syrup, made of the best sugar obtainable, may be fed. Two and one-half parts of sugar (by volume) in one part water, and one teaspoon of tartaric acid to every twenty pounds of sugar is the formula used. Care should be taken not to add too much sugar, as it is possible that old crystals are dissolved.

Further information on feeding and management may be secured from the Agricultural Extension Office.

On smooth Steel Rails foods slide in and out of FRIGIDAIRE!

Push a heavy bowl of soup-stock into a Frigidaire—it doesn't stop its way to the back of the shelf—slipping over as it goes. And when you want it again it doesn't have to be ceased to come out—it seems absolutely eager to obey your guiding hand...

This is because Frigidaire Food Shelves are made of smooth steel rails all running one way—from front to back.

Now, in themselves, easy-riding rails on food shelves are small things. But they are one of the many things that go to make Frigidaire Convenience, which (millions of women will tell you) is a Very Big Thing, indeed!

THE NEW ALL WHITE PORCELAIN-ON-STEEL FRIGIDAIRE'S ARE SOLD WITH A 3 YEAR COMPLETE GUARANTEE

Easy-riding, one-way rails on all food shelves are one of the very real advantages of Frigidaire Advanced Refrigerators. There are many others. We invite you to come in and learn all about them.

ARREST CHICKEN THIEVES

Huron County farmers will be interested in the case of Stanley Horse, 27, and his brother, Phil, 19, both of Elyria, who were sentenced at Fremont on the charge of chicken stealing.

The most significant feature of the affair is the statement that the two men probably have been guilty of committing what is known as "Brace and Bill" chicken thefts.

Under this method, thieves remove parts of the rear walls of chicken houses by the noiseless method of boring many large holes with augurs. About 150 chickens were stolen two years or so ago from the Underhill farm just west of Norwalk by the "Brace and Bill" system. Stanley Horse was sent to the penitentiary and his brother sentenced to Mansfield. The brothers were indicted on the charge of stealing 70 chickens of the farm of B. E. Parish, two miles east of Fremont, February 20.

WORLD GOOD-WILL DAY TO BE OBSERVED MAY 18

Monday, May 18th, is World Good-will Day, under the auspices of the World Federation of Education Associations, in cooperation with the National Council for Prevention of War. On that day a unique world telephone conversation is to take place. Beginning at eight o'clock in the morning on the Pacific Coast, school boys and girls are to telephone from capital to capital of every state, zigzagging across the country until the call reaches Washington. Calls will also reach there from foreign countries, students talking across the ocean. Analle E. Minor of Bolger, will represent Ohio, having made the highest score in the recent State Senior Scholarship Contest.

Full Up

The following announcement appeared recently in an English parish magazine: "The annual choir dinner will be held in the village West-day evening at 6:30, to be followed by a service in the church at 8 p. m. with full choir."

SEMINOLE BARN PAINT
For all Farm Buildings

SEMINOLE BARN PAINT is the ideal coating for barns and all farm buildings because both in first cost and in the finished result it affords you the most inexpensive coating you can apply. It is made heavy-bodied so that by adding one-half gallon of linseed oil to each gallon of Seminole, you have a paint of the right consistency to give excellent coverage and long years of wear. You are sure of its long life because you yourself put in the paint's durability when you add the linseed oil.
