The regular monthly meeting of the Plymouth Grange was held on Thursday evening, November 16, at the North School house. The meeting was opened and the usual manner of business followed. Roll Call revealed three officers absent. Substitutes filled the vacancies and the annual election of officers took place.

The Worthy Master, Sam Sponsellor was elected to begin his third year of leadership of the Plymouth Grange. A slight shuffle of other officers was made in the official staff, and all is ready for the next year's work. This Grange has reversed the figures in the number of members in the past two years. Starting with fifteen members two years ago this month, the number of members now is fifty-one and gradually increasing.

Members of the Grange went to Mansfield Tuesday evening, Nov. 21st, when the traveling picture of the seven founders of the Grange was presented to the Winning Grange in this year's County contest.

Due to the absence of the lecturer no program was presented, but a potluck supper was enjoyed instead.

The next meeting of the Plymouth Grange will be held Thursday evening, Dec. 21st, and will feature another pot luck supper, and each member is also asked to bring a 10¢ article for a white elephant sale. All members are requested to be present for an enjoyable evening.

### Yep, Santa Is Coming To Those This Year Who Met Him Halfway

**MORE THAN \$3,000 TO BE MAILED OUT TO CHRISTMAS CLUB MEMBERS BY THE PEOPLES NATIONAL BANK.**

Yes, siree, Christmas is right around the corner, and there are several hundred Plymouth people who believe in a number of the old axioms: "Save for a rainy day—or Xmas. . . or a stitch in time saves nine . . . or look after the pennies—the dollars will take care of themselves."

Well, anyway, those Christmas Club members who have managed to pull through 1939, are just about to be rewarded by The Peoples National Bank in preparing to mail out over \$3,000 in checks between the first and 10th of December.

Getting a Christmas Club check at this time of the year will give any one a thrill, and especially those who have made a sacrifice to keep up the weekly payments. And that's the way to get a check to do, for the weekly amounts are so small until it is hardly noticeable.

John I. Beckman, J. E. Nimmmons, C. M. Lofland and Miss Dorothy Sponsellor will be glad to tell you all about the new 1940 Club which opens right after Christmas. Better start making your plans now and see if you can't be among the happy folks next year when the Christmas Club money is mailed out.

elders smile at his joys. This is because of our democratic spirit.

Shall we show some of our contrasts of our age? In our churches we worship our God unalloyed, while in other countries many dare not claim affiliation to any deity. The hymns and psalms are contrasted with curses and blasphemy. Ours is a freedom of worship as compared with a dictated one. We educate our youth in the arts, sciences, and ethics while many are educated and

### Hunting Party Comes To Tragic End When Auto Crashes Into Train

**WRECK CAUSES DEATH OF AKRON MAN AND SENDS THREE TO HOSPITAL; POOR VISIBILITY IS GIVEN AS CAUSE.**

A hunting party, composed of four Akron men, came to a tragic end when the car in which they were riding, crashed into a Baltimore & Ohio passenger train early Saturday morning, bringing death to Kenneth Spade, and sending the other three to the Willard hospital.

The accident occurred on State Highway 224, two miles west of New Haven. Robert Smith, owner of the Terraplane sedan, and also driver of the car, stated that he did not see the passenger train until it was too late to stop. The impact crushed the front end of the automobile as though it had been through a food grinder. Spade, who was riding in the rear seat of the machine, is believed to have died from injuries received when an object rammed through the rear window of the car.

Blood stains were on the seat that Spade occupied. He received severe cuts about the head from broken glass. Death came instantly.

Harold Clayton, 19, another member of the hunting party, was badly shaken up and bruised from the impact, and his injuries were very painful. Harold Capplinger, 20, also an occupant of the fateful car, was given emergency treatment at the hospital and was released a short time afterwards.

Robert Smith, driver of the car escaped unhurt, other than severe shock. A heavy fog at 7:15, the time of the wreck, prevented Smith from seeing the oncoming passenger train, which is due in

Since our President has once again proclaimed that America should observe Thanksgiving in an appropriate way, we wonder why such an order has been coming from the Executive Branch of our Government. But as we look about us and read of the news of the world, our gratitude should be more exemplified than ever before.

Shall we enumerate a few of our blessings which are near and dear to us?

We have, in our country, been privileged to reap bountiful harvests from our cultivated fields. From these come our foods which sustain our bodies and feed the livestock of our farms. By careful supervision, the dust storms have been minimized. The rich top soil has been prevented from blowing away, through the studies and aids of our helpers.

Our people are granted the right to think and act in an unmoored way, while in war torn Europe, such is not the case. The youth of our country are granted happiness and joy, and the shadows, and heartaches, we have Joy, Peace, and Happiness.

Ours is a special day of thankfulness that we live in a land founded by a devout people, desirous of establishing homes where all may worship as they pleased, educate in the principles of right, and secure a universal justice for all mankind. Thanksgiving, the day of Gratitude: Happy are we that we live in America where we can observe this year a day of peace, prosperity and happiness.

trained in destruction. Instead of listening to the sound of military marches, ours is a march to the athletic fields and gymnasiums. In place of the sound of martial music, we listen to the various synopses which lead to joy and pleasure. Beside the listening of men for a screaming shell or the bursting bomb, we enjoy the sound of the mill whistle of industries. Contrasted with the black night, our streets and homes are allowed to be illuminated in the brightest fashion. Instead of building hospitals for wounded men of wars, we construct them as agents of mercy. Rather than destroy humanity, we try to prolong life. Where great craters are formed by dropping shells, we are happy to drop seeds that they might grow and bloom into beautiful flowers. Rather than see our youth march to destruction we enjoy seeing them trudge to schools and colleges. In place of gas masks, muskets and mess kits, our boys carry books and implements of work. Instead of the bridled thought and tongue, we possess the Freedom of Speech. Compared with the foreign sorrow,

## YOUNG PEOPLE ATTEND RALLY AT YOUNGSTOWN

Rev. Wintermute of the Methodist Church is taking a group of delegates to Youngstown on Friday and Saturday of this week to attend the Annual Youth Rally of the North East Ohio Conference of the Methodist Church to be held in Trinity Church. Dr. Frank Slutz of Dayton, a nationally known young people's speaker, will give the main address. Also there will be other local speakers and discussion group leaders. Those planning to attend are Miss Ruth Hunter, Miss Margaret Sampson and Willard Ross of Plymouth and Earl Stiving and Gordon England of Shiloh.

## TO BE MARRIED DECEMBER EIGHTH

Miss Daisy Hills, who will become the bride of William Mowry on December 8th, was honored recently with a miscellaneous shower given by her mother, Mrs. Charles Barnett of Sandusky. Miss Hills resided in Plymouth a number of years ago prior to the family's departure for Sandusky where they have since resided.

## NON PARELL CLASS ELECT OFFICERS

Adopting a new system whereby only one new officer is elected yearly, the following will be in charge of the Non Parell Class of the Methodist Church for the ensuing year.

President—Mrs. Raymond Brooks  
Vice Pres.—Mrs. P. W. Thomas  
Secretary—E. E. Markley  
Treasurer—Mrs. Jack Lowery

Mrs. Willard Ross is the retiring president. This action was taken Monday evening, when the class convened at the home of Mr. and Mrs. Ira Ross on the Bucyrus Road. Seventeen members and one guest, Miss Lehman of Bloomville were present for the evening's program. A number of other important issues to the class were brought up and discussed and action taken on them. At the close of the evening, refreshments were served by the hostess and her assistant, Mrs. H. L. Kendig. Another interesting feature was the presentation of a birthday cake to Mr. Willard Ross, as a surprise from his wife.

The December meeting will be the Christmas party at the home of Mrs. P. W. Thomas with Mrs. Elizabeth Brooks assisting.

## Grade School News

## NOT THE FIRST TIME

Why are so many people beefing because the President moved Thanksgiving up a week? He isn't the first one that did it. Andrew Jackson changed the date of Thanksgiving when he was President; and if people want to observe Thanksgiving on the old date as well, why surely two Thanksgivings wouldn't be too many to cover all the blessings we have here in America.

## GOOD FELLOWSHIP

A good fellow's friendship is worth more than gold. It's not hard for the asking. No place is it sold. You can't find it by trying. Nor is it a hook on the shelf. You've just got to be a Good Fellow yourself.

## MONROEVILLE PLAYS HERE NEXT WEDNES.

The P. H. S. "Tigers" will meet the representatives of Monroeville High on the local high school basketball court Wednesday, November 29th. This should really start the season off with a bang as the visitors always have a fine team and are putting a great combination on the hardwood this year.

Coach Dunham and the boys have been preparing for the opener. With Hough, Kitchin, and Hoffman back, great odds are expected of the local 'ds. They, however, have been snubbed by lack of time to practice due to the lateness of the football season. Season tickets are now on sale or all the home games at 75c for students \$1.25 for adults. This is a saving of 75c on each. This ticket includes seven home games, it does not admit one to the home game. The reserve game Wednesday is scheduled for 7:30 with thearsity contest immediately following. The prices will be 25c for adults and 15c for students. 'Coast our team to victory this year!

## SENIOR GIRLS' CLUB

The P. O. P. of Plymouth High school met at the home of Sallie Jenner Monday evening. The evening was spent in dancing and playing cards. Delicious refreshments were served by the hostess. The meeting was adjourned and the next one will be held at the home of Merium Pump on December 18. Those present were Helen Moon, Evelyn Cunningham, Merium Pump, Anna Turson, Juanita Chronister, Mary Derr, Doris Carrick and the hostess.

Mrs. Laura Stock of Shelby, was a recent guest of Mrs. Orpha Brown.

Miss Barbara Anna Hoffman, student at Miami University, Oxford, O., was a week-end guest of her parents, Mr. and Mrs. R. L. Hoffman.

## SOPHOMORES STAGE SADIE HAWKINS' DAY

"Oh Yippee! Wahoo! Happy Day," cried Daisy Mae (Jeanne Dorr) as she stepped on the stage (Eddie Barber) in the Sadie Hawkins' day race staged by the Sophomore Class Wednesday afternoon at the weekly chapel program. But Daisy Mae's joy was short-lived for the next day at the wedding held at the Yokum residence Mayor Dogpatch (Ray Ross) turned out to be unhappy first for poor Daisy Mae, but to Lil' Abner it was again, "Yippee! Wahoo! Happy Day!"

The first act opened in the Yokum's parlor when a thingie was being held by the mountain folk in honor of Sadie Hawkins' day. Shortly after the curtain, which revealed the Yokum household in readiness for the party, the guests began to arrive. First of course came Matilda Magpie (Thelma Carrick), so that she would not miss a thing that was on. Soon afterward arrived Marrylin' Sam (Willard Ross), Billy Hill (Dick Roy), Corra Carrot (Betty Entler), Hamfat Gooch (Clyde Hurburg), and Sarah Scapboard (Marilyn Earnest). The next knock on the door brought Cymanthia Cornstalk (Juanita Ruckman), Lulu Lapdog (Maxine Ream), Dippy Dogwood (Bill Day), Cornelius Corncon (Leland Predmore), Of Man Mose (Edward Croft), Tommy Tomstone (Russell Entler), Grace Gravens (Corydon Sourin), Benjamin Beansoup (Vance Hoffman), and Hairless Joe (Joe Moore).

Finally, uninvited, came Mitty Mudrak, who replied to Lil' Abner's remark "You all wasn't invited"—"Have a chaw!" Mammy and Pappy Yokum (Luella Vandervort and Jimmy Cunningham) had prepared a fine program for their guests. First pappy entertained by reading a Lena Pry comic strip from the wall, with which the Yokum cabin was papered. Cymantia Cornstalk and Sourin, given by Cornelius Corncon, at the close of the evening Hairless Joe announced "Soup's on!" and all the guests made a dive for the food as the curtain closed.

The costumes of the players are worthy of particular mention. The characters of Al Capp's "Lil' Abner" in the daily funnies really came to life in a detail. Mitty Mudrak's braid stood straight up in the air, according to the artist's conception in the comic strip. Much credit is due to Luella Vandervort who wrote the script for the play. The programs, each of which had a character of Lil' Abner pasted on it, were the work of a committee composed of Yvonne Barker, Dolores Bettae, Ruth Bevier, Alma Bland, Evelyn Biller, Evelyn Burkett and Clarabell Jacobs. The acting was completed by Bill Peters, Gerald Scott and Gene Rudd. Jane Lipkus, Helen Gowitka and Juanita Ruckman prepared the musical program given between acts. The assembly was held in scripture and prayer by Edna Hackett. The entire program was under the direction of Mr. Molst, Sophomore class sponsor.

Oh! Yes! folks, we nearly forgot Salmey, Lil' Abner's Pig, but she too was there to make the day complete.

At the close of the program two movies were shown. "Westward Ho," a traveltogue of the West and "Dixie," a three reel picture of the Civil War.

## FIFTY MEN GATHER AT BROTHERHOOD

More than fifty men gathered in the annex of the Lutheran Church last Friday night for Agricultural Night with the Brotherhood. With Mr. J. F. Stambaugh as chief speaker for the occasion, aided by Mr. Robert Findley, the men learned a great many things about farm work, and chiefly about the potato.

Not only were they told about the potato, they had a chance to sample some of Mr. Stambaugh's potatoes first hand in the meal, and they all agreed that they were some potatoes.

Among the interesting facts, Mr. Stambaugh told was the fact that fifty percent of the people in Europe today owe their lives indirectly to the Irish potato which alone gave Europe a large enough stable crop to support its increasing population. The potato has been known only for the past 150 years and has played a large part in effecting the world's history in those years.

The meal of Swiss steak, baked potatoes, lima beans, celery, bread and butter, coffee and peaches went across big with the men. Every one had enough to eat and to spare. Don Ford and his kitchen crew did another fine job.

The December meeting, scheduled at present for Dec. 15th is Father and Son Night. This should be one of the great meetings of the winter. Some of the men who have no sons of their own have already started to look for sons for that night. Arrangements are being made for an excellent speaker and an overflow meeting.

## Workers Report Red Cross Roll Call

The Red Cross Roll Call is almost completed in Plymouth. The final check-up will be made tomorrow before the funds are taken to Mansfield for deposit with the Richland County Chapter.

The partial returns already in by the workers are encouraging, for already the town has reached the hundred dollar mark, and this without the report from the shop or the township. It is to be hoped that when these last reports come in that the total will be swelled above our last year's high mark.

The workers report that their reception this year has been unusually kind and hearty, and that the response has been more willing than for several years in the past.

School began at 2:45 in the afternoon, dismissed for supper at 5:45, and at 7:00 took up again for the evening session. No effort was made to provide special displays or recognition for visitors, but rather the daily routine of each class was observed in order to show what goes on every day during a normal class period.

At 8:00 the visitors and students assembled in the auditorium for chapel. The orchestra played three marches, "Old English" and "Brighten Up" by Ludwig and "Follow the Ball" by Norris. The Girls' Glee Club sang "When I Grow Too Old to Dream." The remainder of the evening's program consisted of the showing of two movies, "Dixie" and "Westward Ho!"

"Thanksgiving"

It is almost Thanksgiving! Time to cast worries and cares to the wind and let the spirit of friendliness and hospitality reign supreme. It is in the kitchen that most of the excitement prevails for the Thanksgiving dinner is the event of the day. Only the most impudent would even suggest a departure from the studied, tried, the homely vegetables, the pie or pudding the family has been led by tradition to expect. The extras offer you a chance to go gay and to surround the memory-mixed menu with intimate variety that custom cannot stifle.

For the families who look forward to Thanksgiving as the time of the "fatted gobble," here is a menu planned around that festive bird.

Menu Cranberry and Pineapple Juice Cocktail Roast Turkey Giblet Gravy "Rice and Sausage Stuffing" Creamed Onions "Sweet Potatoes and Pineapple Rings" Midget Cherehise Speed Watermelon Rind Hot Mincemeat Cranberry Jelly "Pumpkin Ginger Meringue Pie

Mix and Sausage Stuffing

1/2 C. bread crumbs 1/2 C. milk 1 C. minced onion in broth 1 medium onion, minced 1 small clove garlic, minced by tradition to expect. The extras offer you a chance to go gay and to surround the memory-mixed menu with intimate variety that custom cannot stifle.

Mix the moistened and squeezed-dry bread crumbs with the minced onion and garlic in the shortening. Mix with the bread crumbs. Add all the other ingredients.

Gratinized Onions

Boil 8 or 8 medium-sized onions in salted water 15 to 20 minutes until tender but not soft. Remove the centers and chop. Brown the chopped onion in 3 Tbsp. butter, and add 1 1/2 C. bread crumbs, 1/2 C. grated cheese, 1/4 tsp. salt, few grains pepper, and a few grains sage. Stir onions with this mixture, place in a butter pan and dot with butter. Add enough water to cover bottom of pan and bake in a moderate oven (325 degrees) 1/2 hour, basting occasionally. Serves 6.

Sweet Potatoes With Pineapple Ring

8 C. cooked sweet potatoes 1/4 C. butter 1 tsp. baking powder 1 tsp. salt 1 pineapple sliced 8 marshmallows Mash the cooked sweet potatoes and beat thoroughly. Add butter, baking powder, and salt. Place in greased casserole and top with pineapple slices. Place one marshmallow in the center of each pineapple slice. Bake in a moderate oven (350 degrees) for 25 to 30 minutes.

Pumpkin Ginger Meringue Pie

After your favorite pumpkin pie is baked and cooled, spread ginger marmalade or finely chopped preserved ginger (with syrup) over the top and cover with a meringue made as follows: Beat 2 egg whites until they peak. Then add 4 Tbsp. granulated sugar and beat constantly, until stiff. Now add 1/2 tsp. minced, crystallized ginger and a drop or two of lemon extract. Brown 8 days, even at 300 degrees for 15 minutes.

**Mrs. E. L. Bailey Entertains Twentieth Century Club Members**

The Twentieth Century Circle was entertained Monday evening at the home of Mrs. E. L. Bailey. Twenty-five members and three guests, Mrs. McBeth, Mrs. Dunham and Mrs. Pollock of Mansfield, were present. After routine business a very interesting program followed with Mrs. Gaskill reading an article from the Reader's Digest on turkey farming giving a general idea of the extent which this industry has grown and some of the complications involved with regard to disease and fright — especially from airplanes—often resulting in the loss of hundreds of dollars.

Miss Virginia Fenner reviewed Dorothy Canfield Fisher's book, "The Deepening Stream" which portrayed the life of Matey, first as a gay, lively little American girl living with a prim, sedate family in France; then her return to America and her marriage with a Quaker boy, the son of a banker who held in trust her inheritance, and their honeymoon in France deepening the friendship between the families. One of the phases of the book pictured the

advent of the World War and Matey and her husband's decision to return to France to help their friends; the husband becoming an ambulance driver because of his ideas against bearing arms. With the arrival of the American troops and supplies Matey was able to accomplish much for the impoverished, under-nourished French children and people. The end of the war brought the little American family back home the husband very disillusioned, feeling that nothing had really been accomplished after all — which time has proven so true.

Mrs. Earnest conducted a very interesting quiz pertaining to the village of Plymouth, a few general questions, some slogans, historical sayings and emblems or symbols of various countries and organizations.

Response to roll call was mainly in the nature of Thankgiving items. Very delicious refreshments were served at the close of the meeting.

The club will meet December 4th, at the home of Miss Grace Earnest with the usual Christmas gift exchange being observed.

**THANKSGIVING DAY GUESTS**

**PRESBYTERIAN MEN CHALLENGE WOMEN**  
At this Thanksgiving time of the year, the members of the Presbyterian Sunday School decided to sponsor a membership campaign, in this campaign it is the men on the one side, versus the women on the other side. Mrs. Harold Sams was chosen to lead the women, while the men chose Mr. Richard Hampton, better known as "Dick," to lead the men. The losing team to banquet the winning team to a good chicken dinner. It is our desire, and we are making an effort to contact all non going church members of our church, as well as all those not affiliated with any church to come with us in all or some of our activities of the church. It has been hinted to the writer that the men are going to win, so we suggest you line up with us in this contest that you may be known as those wonderful cooks these ladies really are. Some of our members will call on you very soon.

**By Ad Cas**  
Tuberculosis adopted the double-barred cross as its insignia in 1902. Dr. Gilbert Sempron of Paris made a plea for its use as an emblem, calling it an emblem of peace and of fraternal understanding to spread our message throughout the world.  
The cross, also known as the Lorraine Cross, was taken over by Godfrey de Bouillon, Duke of Lorraine, the first Christian ruler of Jerusalem, as the insignia of his House. It had previously been used by the leaders of the First Crusade as their standard and to them meant a symbol of peace and hope.  
A modern variant of the double-barred cross was adopted as the insignia of the 79th Division of the American Expeditionary Force in the World War, Dr. Doan added.

**FARMERS SHARE AAA PROGRAM**

**"GO SIGNAL" GIVEN 1940 AAA PARITY PAYMENT PROGRAM.**  
The "Go Signal" was given the 1940 AAA Parity Payment Program in Huron County recently with the announcement from Robert E. Finlay, Chairman of the Huron County AAA Committee of the terms and conditions under which parity payments will be made to producers of corn and wheat.

"The provisions are similar to those in effect for the 1939 parity payments," the chairman said, "but they have been strengthened by the additional requirements intended to bring about a more effective administration of the program than has been possible under previous regulations."  
Persons interested in a corn crop on a single farm will be eligible for a corn parity payment under the AAA Farm Program by planting within the corn allotment, and by keeping within the wheat allotment. However, if the wheat allotment for the farm has been exceeded this fall, the farmer may still earn a corn parity payment next spring by reducing his corn acreage sufficient below his corn allotment to offset the excess acreage of wheat.  
They may earn a wheat parity payment by planting within the wheat allotment and keeping within the corn allotment for the farm.

In every case the sum of the planted acreage of corn and wheat should not exceed the sum of the allotments for these crops.  
A landlord tenant or shareholder interested in two or more farms in one county is eligible for corn and wheat parity payments in 1940 by meeting all the requirements for a single farm, and planning his farming operations so that his total share of the corn and wheat crops on all of the farms does not exceed the sum of his share of the allotments for these crops.

Under the 1939 Parity Payment Program, a producer could qualify for a payment by keeping within his allotment for one commodity even though he overplanted the acreage allotment of another commodity on the same farm or overplanted the same commodity on another farm. The new provisions make it possible for the county or state AAA committee to withhold all or part of the payment in such cases under the 1940 program.  
The Chairman said that the parity payment rates will be announced later after the 1939 season average prices are determined. Approximately 143,000 corn and wheat producers so far have received \$4,617,118 under the 1939 Parity Payment Program. Farmers who have kept within their corn allotments received 6 cents per bushel on the normal yield of their acreage allotment. Wheat producers received 11 cents per bushel on the normal yield of the wheat allotment.  
In Huron County, 2482 farmers have received \$2,820,000 parity payments under the 1939 AAA

Program, for an average of \$21.16 per application.  
"Parity payments are made to farmers in order to bring the prices they receive for commodities more in line with the prices they pay for other goods," the chairman said. These payments are in addition to the regular agricultural conservation payments made under the AAA Farm Program.  
1940 Winter wheat producers may apply for and receive 1940 parity payments before their 1940 performance is checked on corn by agreeing to make refunds if subsequent checkups show that they have overplanted their corn allotment, the chairman explained.

**THEME OF THE SEAL**

Plans are going forward rapidly to insure a successful start to the Christmas Seal Campaign which opens on December 1st in Ohio and throughout the United States, announced Dr. C. A. Doan, Columbus, president of the Ohio Public Health Association.  
Rockwell Kent, American artist, writer and lecturer, is the designer of this year's seal, which shows an angel with outstretched arm against a brilliant blue background. A large double-barred cross, international badge of the fight against tuberculosis, is prominently displayed.  
Believing that Ohioans who have so faithfully supported the campaign for many years would be interested in an explanation of the use of the double-barred cross, Dr. Doan continued, "The First International Conference on
