SHILOH KEEPS LEAGUE LEAD

PLYMOUTH TIGERS LOSE IN EXCITING GAME 27-22.

The pace-setting "Drummer Boys" from Shiloh increased their hold on the top position in the Twin Valley League by defeating the "Tigers" of P. H. S. by a 27 to 22 score Friday winning on the local count. Coach Dunham's boys started out with a bang and took the count 5 to 1 in the first quarter, which ended with the Puritans on the long end of a 6 to 4 count. But from that point on the game was all Shiloh's, except for the closing minutes of the final stanza. Holding Plymouth to two foul shots, the invaders collected 12 for themselves. Again in the third quarter Shiloh counted 9 to put 3 for P. H. S.

The "Tigers" made things a bit more interesting in the last period. The entire visiting team opponents 11 to 2 but fell five short of Shiloh total. The local boys displayed a fine floor game, but they were unable to compete with Shiloh's superior shooting ability, especially shots from under the basket. The work of Hugh and Hoffman was outstanding at guard, while Kitchin and Rule scored 6 each for local scoring honors. Dean Dawson and McFadden turned in the game's stellar performances and scored 10 and 9 points respectively for Shiloh. The entire visiting team played commendable ball and lived up to their enviable record of this year which boasts no defeats.

The line-up is as follows: Plymouth... G. F. T. P. Kitchin... 3 0 6. Rule... 2 2 6. McFadden... 1 1 3. Hoffman... 1 1 3.

Job Insurance Tax For Last 1939 Quarter Due

Columbus, O., Jan. 4 — Payments of Ohio unemployment contributions for the fourth quarter of 1939 are now due. Employers operating in this state must pay their contributions not later than January 31 in order to avoid interest charges. G. B. Kallenbach, director of the unemployment compensation division of the Bureau of Unemployment Compensation declared recently: As in preceding quarters, the payroll tax of 2 per cent on employees' payrolls is due, subject to the Ohio State unemployment compensation law. Contributions are generally payable from Ohio individuals or companies who had three or more workers in their employ during some part of a day in 1939. In cases where employers fail to make their quarterly contributions, payments by January 31, a per cent interest will be assessed, Kallenbach said.

OPEN BIDS JAN. 15

Unusual Meeting Of Stockholders Held Monday; Officers Re-Elected

The annual Stockholders meeting of the Shiloh Savings Bank Co. was held Monday evening, Jan. 8, at the School Auditorium. A lovely chicken dinner was served to the Stockholders and their guests by a committee from the P. T. A. at 6:30.

The business session followed the banquet and was opened by the president George Wolever, who explained the object of this kind of meeting as a get-together or getting acquainted meeting. He also explained how each state divided their bank meetings into county and group meetings and stated that we belong to group six, which includes Richland, Huron, Ashland, Morrow, Crawford and Knox counties.

A. W. Firestone the secretary-treasurer of the bank gave a very interesting history of the bank since its organization.

Mr. Firestone was employed by Mr. Wolever since when he was asked to come to Shiloh and organize a bank here. The first bank in town was a private bank owned by David Omer and later by Jerry Wolf. Mr. Firestone came here in 1901, and the present bank was incorporated and the first meeting of Stockholders was held May 24, 1901. There were fifteen members on the first board of directors.

The meeting on Monday evening was the thirty-eighth annual meeting of the stockholders and there was the largest number in attendance of any previous meeting.

This organization has had four

presidents: Jerry Wolf, F. J. Praine, C. G. Wolever and George Wolever.

Following the reading of the minutes of the former meeting a board of directors was chosen for the ensuing year. They are: George Wolever; A. W. Firestone; T. A. Barnes; G. W. Shafer; C. R. Wolford; W. S. Garrett and L. D. Woleverberger.

The question of service charge was discussed, but no action taken. Mr. Wolever closed the meeting with an instructive talk in which he referred to the changes of economic conditions, competition and sound banking judgment.

Thirty-eight years of successful business without a loss to one depositor is a record of which few banks can boast.

This year was the first time the stockholders held a banquet in connection with its annual meeting and it proved a grand success. The entire program was constructive. The conservative level headed business men who direct the affairs of the Shiloh Savings Bank Co., typify reliability, stability and integrity, and the bank begins the year 1940 full of hope.

The bank officials then went to the bank building for the election of officers.
