

Large Crowd at Sunday's Service; Fine Programs During Celebration

"The zeal of the early members has made this church what it is and the zeal of its present members will determine what this church shall yet be." With these stirring words the Rev. Herbert Veier aroused the large audience at the Lutheran church last Sunday morning to open its 100th Anniversary celebration.

The church was filled to the doors and a joyous spirit reigned over the whole service. Rev. Veier's message was both inspiring and practical. He called upon the members of the church to carry the saving message of Jesus Christ and His crucifixion to men hungry for that message in our day.

Beautiful music added to the worship as Miss Eleanor Searle sang Mendelssohn's "Tear Ye, Israel" from the "Elijah" and the senior choir sang Chas. Gounod's powerful anthem, "Praise Ye the Father."

Tuesday evening was organization night and many of the organizations of the church participated in the program. Life histories of the two outstanding pioneers of the church, Samuel H. Trauger and Felix Fenner, Sr., were presented by E. Trauger and Paul Fenner, respectively. A review of the various organizations of the church was made by members.

Wednesday evening was Home Coming Night, at which time the four living former pastors of the church returned. The Rev. F. E. Heibert, the Rev. Chas. DeLauter, the Rev. A. M. Himes, and the Rev. M. A. Stull. Miss Searle again delighted the congregation with the beauty of her singing as she sang "The Voice in the Wilderness," by John Pringle Scott. Mrs. Francis Guthrie, who is now organist at the First Church, Shelby, played a beautiful organ solo.

Each of the former pastors had a part in the service. Rev. DeLauter gave the invocation; Rev. Heibert led in the responsive reading of Psalm 33, while Rev. Himes offered the prayer and Rev. Stull pronounced the benediction.

Following the service light refreshments were served in the annex by the church class, taught by Rev. Wolf.

This evening (Thursday) will be Community Night at the Lutheran church. It will be a night of "open houses" with the church.

PLYMOUTH GETS AUTO TAG MONEY

Richland county and seven of its cities and villages received a total of \$4,294 today in an allocation of automobile license funds to the state.

More than half of the money or \$3,466, went into the county's road and bridge fund. The remainder will be distributed to the subdivisions on the basis of their motor registrations.

Plymouth received a total of \$40,711; Shiloh, \$291 and Bellville, \$51.81.

Auto Accident On Plymouth-Shelby Rd.

William Sprague, Shelby, driving a 1941 Hudson car, escaped serious injury when his car was hit by an auto driven by a Willard youth.

Sprague was driving into Shelby from Willard Sunday evening, and as he approached the Eckstein farm on the Shelby-Plymouth road, noticed a car in front of him. He stopped to offer his assistance and was almost to a complete standstill when the Willard car ran into him, completely turning it over. The drivers escaped serious injury. Sprague's car was badly damaged, and was towed to the Bourgeois Motor sales at Shelby.

James Major, who is receiving treatment at the Shelby Memorial hospital, continues to show improvement and expects to be taken to his home the latter part of the week.

Keop Greenlawn Beautiful

Certainly every resident in Plymouth is somewhat proud of Greenlawn cemetery. Such a beautiful spot for those at rest. And, unlike most cemeteries, which add a touch of fear, Greenlawn seems so beautiful and peaceful, until it makes one almost glad to know that some day it will be their last resting place.

Now, if Plymouth is to keep up Greenlawn as should be, it is going to take cash. Some years ago the "perpetual care plan" was inaugurated to do the job. So far a sufficient number of lots have not been sold. However in the course of time, the cemetery will be somewhat self-supporting.

When you figure the monthly salary of the caretaker, and other items incident to the general upkeep, it takes around \$1300 a year. In order to have the necessary money the voters of Plymouth will be asked to vote for a one mill levy at the November election. Surely, this amounts to very little to the average taxpayer. One mill equals 10c per hundred dollars on tax valuation, or \$100 per thousand.

It is true that at the last election when the village asked for the one mill levy, that Huron county as a whole, was also asking the voters for a two mill levy for county operation. This defeated the tax levy in the village on the Huron county side.

May we ask that you give careful consideration to our own immediate needs, and although a county levy may be on the ballot, you are privileged to vote against it, but won't you VOTE for the ONE MILL CEMETERY LEVY? By doing this you will insure the continuance of the upkeep and beautification of Greenlawn cemetery.

Tigers To Clash With Huron Six

A mighty gridiron team from Huron visits here tomorrow night for the last home game of the current season for the Tigers. However, there are still two games on opponents' fields. This is the first time these two teams have met each other. Many of us have heard or read of this outfit but never have seen any actual play by them.

Huron comes with the best reputation of any team to tackle the Tigers. They were rated one of the first six man teams in the state last year and about fifteenth in the country. Their squad is composed of around twenty-five boys. All of these boys are big, heavy, husky and hard-to-fuse. A speedy blocking backfield and fast charging forward wall paved the way to victory against most of their opponents. Only twice have they been beaten this year, this being due mostly because of injury to two of their most valuable players. However, these boys are ready for service against Plymouth. Many of their plays are centered around Meano, a sensational half-back, who can either run or pass. He is a very good yard blocker while a fellow grid member carries the ball.

The Plymouth boys were granted a three-day rest after their defeat by Shiloh last Tuesday, since no game was scheduled for last Friday. They are now on the playing list—all raring to go against Huron. A victory over that tough team would mean a good deal to the Tigers. The game on the field and play hard to the last second of the game to overcome this opponent.

The game time is set for 3:30. The admission is the small sum of 25 cents and 15 cents. The P. H. S. boys play for your pleasure. Let's many yards of Be here at 3:30 for the kick-off. Come! A good game!

FAIL TO APPEAR

When the case of Elsie M. Stauffer, Plymouth restaurant employe, came up for trial Tuesday, the defendants, Ollie Ward, et al. of Plymouth, failed to appear. Judge E. S. Miller returned a default judgment of \$700, the full amount asked for by the plaintiff, who filed suit on the grounds she had lost her finger as the result of a mixer accident sustained while employed in the kitchen of the defendants at Plymouth.

Judge E. S. Miller represented the plaintiff.

She was born and reared near Shiloh and resided on the County Line road about a mile and a half east of Plymouth. A graduate of the class of 1916 of the Shiloh High school, she was aged 42 years at the time of her death.

Mrs. Echelberger had been in ill health for some time and was removed to the Mansfield hospital only Monday afternoon. Surviving besides her husband, Don G., she was the mother of eight children—four daughters and one son; Mrs. Orva Sawatzky; Plymouth; Mrs. Duane Arnold, Shiloh; Mrs. Ivan Beatty, Mansfield; Mrs. Lucille Jeannette, Betty and Ella Jane at home, and the son, Don Mac, also at home. NONPAREIL CLASS MEETING

Twenty-four members and five children were in attendance on Monday evening when the Nonpareil class of the Methodist church met at the country home of Mr. and Mrs. George Cheesman.

The opening exercises and devotions were in charge of E. E. Markley, followed by the roll call and the business session. The class voted to pay half of their yearly pledge and to sponsor a picture show at the Plymouth theatre on Monday night, Nov. 12 and 13. Captains were appointed, who will work out a program to canvass the town.

The entertainment committee, Messrs. Dunham and Derr, offered a number of interesting prizes with prizes awarded to the winners.

Mrs. Cheesman and her assistants, Mrs. L. Knading, then served tempting lunch in keeping with the Halloween season and the group adjourned to meet for their regular meeting at the home of Mr. and Mrs. E. E. Markley. Devotions will be in charge of Mrs. Wintermute, and the program will be directed by Mr. Ralph Ream and Willard Ross.

Business Men Hear Reports

With Plymouth's fall festival a thing of the past, the Business Men's organization are determining that interest in civic projects shall not be abandoned. Plans are going forth for a bigger and better festival next year.

At the meeting Monday evening held at Allen's restaurant, twenty-five business men enjoyed the delicious meal and attended the business session following. A balance of approximately \$149 was reported from the festival by after all bills were paid.

The group decided not to postpone the festival, but to present a home talent play in the near future. This will be under the supervision of Richard Hendricks of the Hitching Post, who capably handled a large portion of the fall festival. Mr. Hendricks holds a degree in dramatics from Ohio State and is well qualified for this work.

Another project voted by the association was to sponsor a movie at the Plymouth theatre, once a month during the winter season on Thursday, Friday and Saturday nights. Dates will be announced later.

Another important matter discussed was the resurfacing of the County Line road, commencing at the Plymouth Theatre and connecting with Route 13. This road is badly in need of repairs and cooperation from the entire village is asked in backing this project.

The next meeting will be at Fortney's night club on Monday evening, November 4, at 6:30.

Mrs. Albert Feichtner is attending an American Lutheran Missionary Federation at Sandusky this week.

SHILOH TROUNCES FAIRFIELD FRIDAY

The Drummer boys turned in their fourth victory in the fall ball season by defeating North Fairfield last Friday on the home field by the score of 34-0.

The Shilohs put up stubborn resistance in the first quarter, keeping Shiloh in defensive territory most of the time and the three period ended without a score for either team.

Early in the second period Shiloh's offensive machine started rolling and a pass from Ruckman to Nesbitt hit its mark, scoring the first touchdown. The try for points by James was blocked by the fast charging Fairfield line-men. Fairfield elected to receive, marched up the field but finally lost the ball on downs. One in the sameperiod the home team scored again when Nesbitt skirted the end for another six points. Again the try for extra point was blocked and the gun soon cracked to end the half.

The second half opened with Shiloh receiving a short, hard kick that drove straight into the arms of Lutz, who smothered the ball. Shiloh's line backs started working and the ball was advanced to scoring territory where a pass to Harrington made the score 14-0.

Fielding failed again and the kick for points was blocked.

Another touchdown in the second period was scored when Nesbitt did some nice open field running after grabbing a forward pass. This time the kick by James was good. The score at the end of the third period 26-0.

Fairfield really broke loose in the last period and drove all the way to the fifteen yard line. Here misfortune robbed them of a touchdown when a perfectly good pass fell into the hands of a Fairfield end. The ball then went to the local team and Ruckman soon drove through the line to break loose for 70 yards for the final touchdown. James' kick was again good and the final score was 34-0 in favor of Shiloh.

Nesbitt and Ruckman were outstanding on offensive plays and James handpicked by a band playing house-tunes in a real job of signal calling. Harrington, Clark and Lutz were the mainstays on defense with some able assistance from Hamman, Myers, and Hedeon.

HOME ECONOMICS CLASS

The Home Economics class this year is really out to do some work. Miss Pettit, herself, said that the cream puffs were the first made by any class to ever taste. Some up-side-down cakes were made and for the first time they were excellent. I don't care what anyone says, I don't think there is anyone who can beat the class in making doughnuts.

SENIOR NEWS

On Friday, Oct. 18, the seniors had their pictures taken in a group. After that we had an action picture taken. The seniors walked up the road to the school while Mr. DeVito took this picture. Pictures are taken every year because the seniors enjoy keeping them to remember the good old days.

MOVING PICTURES

A picture was taken of the boys who play football in their uniforms. Then a moving picture was taken of the team. A moving picture was taken of the typing class, the flag raising before

the Fairfield-Shiloh game, and Mr. Joseph and Mr. Richards in the office.

SOPHOMORE CLASS

We held a meeting Oct. 17th, 1940. We decided to have a party on the 4th of October at the school house and go hallowe'en'ing after the party. We will hold the party right after the Plymouth-Shiloh football game. Come on out all you sophomores! See the game and stay for our party.

Naomi Wolford and Betty Rose have new clarinets. Boy, are they swell! At least, Naomi and Betty think so.

THE HONOR ROLL

The honor roll consists of those pupils receiving the grades of A or B. No C's are included in this list:

- Grade 1—Elsie Dick, Carolyn Lee, Fred Predmore, Duane Laughbaum.
- Grade 2—Marilyn Baird, Willis Joseph, Della Lacer, Mary Seaman, Beverly Young.
- Grade 3—Jean Moser, Virginia Prater, Mary Lou Russell.
- Grade 4—Margaret Fagan, Dale Lauer, Ruby Zehner.

CANDLE LIGHTING SERVICE

The Girl Reserves held their Candle Lighting Service Wednesday, Oct. 23. Mrs. Parker Young, who has just returned from Sierra Leone, West Africa, gave a very interesting talk. At this service the girls received their Girl Reserve emblems. After a very interesting program refreshments were served. A very good time was had by all.

The girls have picked their sponsors for this year. They are as follows:

- Mrs. Alfred James, Mrs. England.
- Mrs. W. W. Pittenger, Mrs. Moritz, Mrs. Stanley Moser and Mrs. Butler.
- Miss West and Miss Southwick have been made honorary members.

We, the Girl Reserves, plan to meet at anyone's home, if you can't. We are all going to do our part.

BAND

Although very muddy, the Shiloh high school band was on hand at the North Fairfield-Shiloh game, to entertain the audience at the beginning, at the half and at the end of the football game.

As customary the band marched down through town playing two popular marches. When they returned they marched up to the flag pole and played "The Star Spangled Banner," while the flag was raised.

At the half the band divided into six parts forming single lines, when they came together they formed the N. F. for our visitors, North Fairfield, in front of the cheering section. The band counter-marched, turned around, and marched back down the field to form an airplane. This plane flew half way up the

field and then broke up to form an S for Shiloh.

While doing these formations and while the Drum Majorettes, Janice Moser and Drum Majorces, Joan and Donna Hoffman were twirling, Mr. DeVito from Shelby took moving pictures.

To end the marching for the day, the band had their "victory march" through town, ending at the school house where they held a cheering section outside the locker room, and where the football boys were.

SEVENTH GRADE

In Geography we are studying about G. C. The first game was to make a court or booklet about minerals, etc. of Ohio. We also have words to look up and define. Up to this time we have found all the counties and county seats. So come on seventh grade, let's learn them all!

The seventh and eighth grades have started a new football league. Bob Swartz's team has played two games. The first game his team was defeated by Harold Diebert's, 14-0. On Thursday, Bob's team tied with Jim Neely's, 6-6. On Monday Swartz's plays McQuate.

CHAPEL NEWS

On Wednesday, Oct. 23, the weekly chapel program was given in the school auditorium. The band played some selections and there was group singing of hymns. This week, Rev. Wolf pastor of the Lutheran church of Plymouth was our speaker. He gave us an interesting and inspiring talk. Kathleen James, president of the student council, presided at the meeting. Dean Ruckman was the leader of devotion.

These chapels have been received so enthusiastically that we plan to continue them.

THIRD AND FOURTH GRADE

We were very much interested in the letter Mary Ann Miller brought us from her cousin in Cambridge, England. It told us about the air raids and that because of the rationing of food there is no fear of food scarcity. We learned that even the babies have gas helmets.

A. W. MOSER HARDWARE

Shiloh, Ohio

The name—Jean or (Gene) seems to be the most popular this year. There are Jean Alfrey and Jean Moser, Eugene Fagan and Eugene Mitchell, Winegene Cline, Sara Ann Colyer, Betty, Jean Stewart and Laura Jean Otto and Dean Seaman's name sounds similar. Other confusing names are Charles Watershek, Charles Wolfersberger, and Charles Carrick; Robert Thomas, Robert Pittenger and Robert Oney; James Huston and James Brown; Danny Guthrie and Donna Phelps; Richard Rader and Richard Baird; Virginia Diebert and Virginia Prater; and Gerald Alfrey, Harold Johnson and Carol Witche.

"MOTHER-IN-LAW BLUES"

The cast for the Junior Class play, "Mother-in-Law Blues," has been selected by Miss West and Mr. Joseph after tryouts by the students of the Junior class. Much time has been put on picking out the characters and with a great deal of hard work from the class, we hope to make this play a success. The cast is as follows:

Honey Dillon—A lovely young bride—Ann Kopine.

Widow Dillon—Her adoring but troubled husband—Harold Russell.

Mrs. Tabatha Squib—Just a mother-in-law—Marjorie Homerick.

Frances Biddle—A hum a hum broadcasting station—Eileen Miller.

Angel—A colored maid—Thelma Carrick.

Lucky Mills—Who thinks a lot of himself—Eugene Russell.

Harvey Mortimer—A wealthy manufacturer—George Adams.

Rita Harvard—Airline hostess—Rita Reynolds.

Arson Tuttle—Formerly elected to Honorary Member—Sylvia Arthur—Honey's closest girl friend—Doris Moritz.

Mrs. Anna Hart—A young widow—Dorothy Witche.

Hester Cummings—who arrives without an invitation—Dorothy Witche.

This play a comedy in three acts, is to be given on Friday evening, November 15, at the Shiloh high school auditorium. Don't miss one of the outstanding plays of the year, "Mother-in-Law Blues."

"And Dear God, do take good care of yourself, because if you are bombed, we are sunk."

Ohio Needs Him in Washington

Ohio Needs Him in Washington

If American liberties are to survive, a strong Congress is vital necessity. Harold H. Burton has the strength of character that Ohio needs to voice its sentiments in Washington. His capabilities have been repeatedly proved in positions of public trust. He served with distinction in our State Legislature. The great city of Cleveland, which is normally Democratic, elected this outstanding Republican as its Mayor for three consecutive terms. The middle caused by the encroachments of executive dictation in national affairs must be straightened out. Ohio can do its share by electing Harold H. Burton to the U. S. Senate.

In 1912, Harold H. Burton began practice law. He volunteered in 1917 and served as a Infantry Captain in the front lines. In 1928 he was elected to the Ohio General Assembly and, after acting in numerous other public capacities, was elected Mayor of Cleveland in 1931, 1937 and 1939. Ohio is a pivotal state in these times of stress. It can give the strongest concern for the national welfare by electing Harold H. Burton on November 5th.

TO OPEN CREAM STATION IN BUILDING FORMERLY OCCUPIED BY MRS CHAP

Representing the Isaly company, Ira E. Haindel announces that he has opened a cream station in the location on the south-side of the Square, formerly occupied by Mary E. Chappell.

Several years ago Mr. Haindel conducted a grocery store and cream station here, and he is not new to Plymouth citizens and farmers in this vicinity.

We are glad to welcome Mr. Haindel to our community again, and we are certain that those who bring in their cream will get prompt and courteous service.

OFFICIAL WARNING

It seems strange that year after year the same warning must be sent out by town officials in regard to the destruction of property. Already this despicable work has commenced and they call it Hallow'een. But if they were honor students or civic-minded citizens, they would learn an entirely different meaning. Officials send out this final warning. If they find out who has been guilty of these dirty deeds, it makes no difference who they are, there will be no leniency shown.

There is a very stiff fine for destruction of property and if someone will have to pay the penalty.

INJURED ARM HEALING
Mrs. Pete Smith is still nursing a broken arm as the result of a fall out of a hay mow on their farm. She is quite fortunate that more serious injuries were not received.

WE HAVE TEM TOO!
A pedestrian is leary crossing the street, even when the red light is on. Some drivers will come rushing up to within a few feet of the crossing and stop suddenly, and if brakes fail work, the pedestrian would be hit. Some stop midway across the crossing. A talker over the radio related an incident of this kind in which a sedan stopped, and to eliminate going around in front or behind, he opened the door, climbed into the car, then opened the other door and descended to the street, leaving both doors open.

THANKSGIVING SET
Thanksgiving Day will be observed in Ohio on the day decided upon by President Roosevelt—Nov. 21. Thirty-one states will observe this date. 16 will observe the traditional date—Nov. 28, and one state is undecided.

ANNOUNCE BIRTH
Mr. and Mrs. Orin Corman of Elyria, announce the birth of a daughter, born Friday, Oct. 18, at the Elyria hospital. The baby has been named Patricia Ann. Mrs. Corman was formerly Miss Elizabeth Smith, daughter of Mr. and Mrs. Arthur Smith of Volunteer Bay, and former residents of Plymouth.

CARD OF THANKS
We wish to thank the neighbors and friends for the fine floral tributes and the sympathy extended to us during our recent bereavement. Also want to thank the McQuate funeral home, Shelby Memorial hospital and Rev. Baker for their kind and thoughtful assistance.

The Truth About Schools and Taxes

The Bricker administration is on the defensive along a broad front. So they have resorted to bald misrepresentation regarding schools and taxes, to divert attention from their tragic failures. Here is the truth.

The Davey Administration gave the School Foundation Law to Ohio. Bricker, as Attorney General, suited while this great work was being done. Davey opened the schools and guaranteed their financial stability. Davey gave definite State taxes to the schools. Bricker took these taxes away from the schools, and upset the program.

Davey left six and a half million dollars in the Public School Fund. It was pledged by law to the payment of school notes. Bricker wrongfully took from the schools this six and a half million, and put it in his General Revenue Fund, to make his own budget look better. This was a grossly immoral act, even if it was done by law.

The democratic state platform says definitely that the obnoxious sales tax will not be repealed until a satisfactory substitute is found. Then, and only then, will it be repealed. The schools and every function of the State government will be protected. The schools will be safer under Davey, than under Bricker's financial juggling.

Certain lobbyists have been using the schools to keep the iniquitous sales tax saddled on the people. These lobbyists operate slyly behind the scenes. An officer of the Ohio Educational

DAVEY ON RADIO Monday Evening at 7:15 — State Hook-up.

Association is said to be Bricker's choice for Director of Education, and he has lent himself to this campaign of misrepresentation. Davey is a life-long friend of the schools. His administration pushed through the School Foundation Law, and saved the schools from their most serious crisis. This is the greatest thing ever done for the schools of Ohio. All school people owe a deep obligation to Davey, and will never be guilty of ingratitude.

Mark well this fact! The State of Ohio cannot tax real estate, without a vote of the people. The constitution forbids it. And the people will never vote for it. Even your local officials cannot tax real estate more than one per cent of its value, unless you vote for it. Again the constitution forbids it. Real estate is protected by iron-bound conditions in the State Constitution—as it should be. See Article XII, Section 2, of Ohio's Constitution.

If anyone tries to tell you that real estate taxes will be affected by repealing the sales tax, or by any other State activity, tell him that he is either execrably ignorant or resorting to a willful falsehood. Tell him he needs to read the Ohio Constitution.

Martin L. Davey is one of the best friends of the schools of Ohio ever had. He is a deeply interested and sincere friend. His record and his pledged word guarantee the full safety of the schools.

WORD RECEIVED FROM MRS. JOSIE ROGERS Plymouth friends have received cards from Mrs. Josephine Rogers from Portland, Maine, where she is vacationing. Mrs. Rogers, whose home is in Long Beach, Calif., recently enjoyed a three weeks' visit in Ply-

mouth, leaving here for the east a short time ago. The card stated she had attended the huge Mother Christian Science church in Boston, visited at Portland, Maine, the World's Fair at New York, but the weather was so bitter cold she felt she "needed her red flannels." Before returning to California, Mrs. Rogers expects to visit a number of cities in the south and southwest.
