

BROMFIELD PLAY TO BE STAGED SOON

Mansfield, Ohio—Here Today, Gone Tomorrow, now Louis Bromfield-George Hawkins play scheduled for a world premiere here on December 3, might be subtitled "The Farmer's Wife Goes To Town".

That's not because the play is, in any sense, a phantasm of the farmlands. On the contrary, it's about the show world and the people in it. But, cast in the role of Aunt Minnie, the vehicle's leading part—is Mrs. Lester Bauer, who—in private life is the wife of Bromfield's tenant farmer.

Never before on the stage, even as an amateur, Mrs. Bauer is going to town in nothing less than a great big way.

"Here Today, Gone Tomorrow" is being produced by the Mansfield Community Players, a non-professional group organized over 16 years ago. Tryouts for parts in the play were open to all of the town's aspiring amateur actors.

When Mrs. Bauer appeared for the tryouts and announced it was the Aunt Min role, she was after, no one was more surprised than Louis Bromfield. Nor was anyone more surprised than Bromfield when Mrs. Bauer did a better job of reading the part than any of the dozen other contenders for the role.

The part—the kind in which the late Marie Dressler used to excel—dominates the action throughout the production, and calls for some rather heavy acting to say the least.

Mrs. Bauer has no intention of continuing her theatrical career after two performances in "Here Today, Gone Tomorrow". She still prefers the farm to the show lights.

"But," says she, "I had a hunch the boss might need some help on that one part. I'd read the script and I knew what the part called for. I seriously thought I had both the voice and the appearance to play Aunt Min, and I guess I wasn't wrong. All I hope now is that the critics will agree with me."

TIGERS TAKE FIRST GAMES

TIGERS TAKE BOTH GAMES FROM FAIRFIELD IN SEASON'S OPENER

A gala first-nighter, an altogether happy occasion as far as Plymouth-roofers were concerned, took place at P. H. S. Tuesday night when the Tigers defeated their ancient and honored rival, North Fairfield, in a double-featured lunking. Not only was it a happy occasion because the varsity won 36 to 25 and the reserves enjoyed a 16-8 victory, but also because there was a large and noisy crowd, considering the inclement weather, to welcome the Tigers in their 1940-41 hardwood debut.

Boistered by a crew of promising freshmen, the reserves played one of the best games seen here in several years. They exhibited alert, aggressive ball which swept their opponents off their feet.

At 6:30 to a fast start, the P. H. S. "juniors" led six to one at the quarter and 12 to one at the half. Hoffman was high-point man with six while Rhine and Vandervort tallied 4 apiece. Van Wagner and Fazio also turned in commendable performances.

The P. H. S. varsity got off to a slow start and trailed 7-3 in the first quarter. Biller, "boving" into the blood work basket ball, first high scored a foul shot, but Fairfield's Burd, Skelton, and West dropped in baskets to give their team a comfortable lead, while Kitchin scored a goal for Plymouth. But with Kitchin hitting the net for three baskets, Moore, Kitchin and Rule two goals, P. H. S. stood on the long end of a 13-11 score at intermission.

An even bigger third quarter put the game on ice. With Moore getting "hotter" than he ever got before with three beautiful baskets and a foul, with Kitchin crashing through with a couple of buckets and fouls, and with

CHURCH CHOIR WILL FEATURE XMAS MUSICAL

Everything is rounding into shape for the annual-Christmas Candle Light Service of the Lutheran church on Christmas Eve. The senior choir is practicing twice weekly on the very finest of Christmas music. The beautiful programs have arrived and the copy is being prepared for the printer. Three hundred small candles are on their way, and it is hoped that this number will make it possible for everyone to have a candle. Last year two hundred fifty candles were not enough.

For this year the candle light service will have an additional feature. The junior choir will participate with the senior choir. This has been made possible by the Ladies Aid Society which has undertaken to supply the robes will be used for the first time at this service. The additional beauty of sweet, childish voices singing their praise to the Child of Bethlehem cannot help adding a touching measure of value to the whole service.

As in years gone by the program will be the gift of the church to the town. This free offering of loving service is made possible by the Alpha Guild, the senior and intermediate Luther leagues, who are providing the candles and the programs. The music which will be used has been lent to the Plymouth choir by the St. James' Lutheran church of Gettysburg, Pa., thru its church director and organist, Mrs. Pauline Fretz, who is Rev. Wolf's assistant for four years. The music used for the candle light service has come from this source.

INSPECT SCHOOL BOARD INVITES INSPECTION OF GRADE SCHOOL BUILDING

The state building inspector visited the school buildings of Plymouth Tuesday morning of last week. He was very much gratified with the condition of the high school building, but quite hesitant about recommending changes in the grade school building. The Tuesday morning inspection, due to the fact that each change would necessitate time and money and thereby create a great expenditure of money on an old building.

He called attention to the recent Sulphur Springs fire. The building was a fire proof building with some composite construction, even so the expense will be keenly felt by that board. It is the desire of the Plymouth Board of Education that each patron or resident of the school district visit the grade building, inspect it to their own satisfaction and then report their desire to the board. Tuesday changes have been considered in the past few months by the board of education, but they desire to know the wishes of the people regarding the same. The children of the lower grades are entitled to every protection which the patron of a school district sanction the board to give.

Will you please express your attitude and interest by talking with the board members?

26 BUSINESSES SHOW AGAIN

Columbus, Ohio, Nov. 28—The industrial classification of sales tax receipts made a bright picture for Ohio business as latest figures of tax collections were released today by H. Ebricht, treasurer of the state.

Mr. Ebricht said that of the thirty-one distinct categories of businesses from which the Ohio sales tax is collected, twenty-six show increases for the year to November 9th, and the remaining few which have no gain are almost equal to collections for the same date of last year.

It has been generally accepted that the fluctuation of these tax revenues is often indicative of similar and proportionate fluctuations in the businesses from which they are collected.

YOUNG WOMAN DIES SUDDENLY

SERVICES TO BE HELD SATURDAY AT HOME; BURIAL HERE

The sympathy of the entire community goes out to J. Frederick Blackford in the sudden loss of his wife, Grace Longnecker Blackford, Wednesday evening. In ill health for a number of years Mrs. Blackford just recently underwent an operation in the hope of bettering her condition and apparently was greatly improved. Death is thought to be due to a blood clot causing her sudden death.

The deceased was born in Shelby in 1908, the daughter of the late Foster and Pearl Longnecker. The family moved to Plymouth and Mrs. Blackford graduated from the local high school in 1926. Returning to Shelby to make their home, Mrs. Blackford resided in that city until 1939 when she again returned to Plymouth as a bride and has resided with her husband west of Plymouth.

Besides her husband she is survived by a brother, John Longnecker of Tiro, one sister, Mrs. Elton Robertson of Plymouth, one nephew Keith Longnecker and two nieces Janet and Mary Robertson.

Funeral services will be held Saturday afternoon at the home at 2 o'clock with interment in Greenlawn cemetery, Plymouth. The Miller-McQuate funeral home are in charge of arrangements.

ACCEPTS POSITION

Miss Betty Redden, daughter of Mrs. Clark Sourwine, has accepted a clerkship in the Kroger Store.

PLYMOUTH IS SHORT IN QUOTA

As the Red Cross Roll Call slowly draws to its close it seems apparent that the village of Plymouth and its township are not going to respond as they have in the past.

The quota for the town and township is two hundred and sixty dollars. Thus far only one hundred and forty-eight dollars and thirty-five cents have been secured by the workers who have reported. Mrs. W. C. McFadden, chairman of the local roll call, expressed the hope that seventy-five dollars more might be received in town and twenty-five dollars more in the township. Even this would leave Plymouth short of its quota when many other towns around are not only attaining their quota, but are exceeding it.

The Red Cross is worthy of a more generous support in Plymouth than this. It has come into the community time after time with first aid instruction, courses on the care of the sick and similar services. More than this, it had provided spectacles for our school children who had no other way of having the defects of their eyes remedied.

The Red Cross has answered our calls for service. Let us answer its call by a one hundred per cent filled quota.

THE GAS FOR YOUR COOKING TODAY, MADAM THE COST IS ONLY 3 CENTS

If we were to deliver your cooking gas to you each day in a drum, the size of the container would be 4 feet in diameter and over 3 feet high. This would contain over 40 cubic feet of gas — a liberal amount to cook three meals for four people. Charging the national average domestic rate of 74 cents per 1000 cubic feet for this gas, the cost of cooking fuel would be three cents a day, or a penny a meal. Such a bargain stands head and shoulders above every other value in your household purchases — proving again that YOUR GAS CENT IS WELL SPENT.

SEAL CAMPAIGN UNDER WAY

MRS. DR. HANNUM TO HEAD PLYMOUTH SEAL CAMPAIGN

With the Christmas season at hand, word comes from Mansfield that on November 25 the local anti-tuberculosis Christmas seal campaign got under way. This year the mail system, which has proven very effective in the past, will again be used. General plans have already been made for the campaign with sales committees, etc., ready for announcement. This year the local sales will be in charge of Mrs. Dr. Hannum in addition to Mrs. Hannum, the Richland county central organization will be composed of the following:

President — Dr. F. J. Heringhaus of Mansfield. Vice president and general seal chairman — Mrs. C. C. Brokaw of Shelby.

Mail Seal Chairman — Mrs. Ray Rehder of Mansfield, who will be assisted by the Richland county medical association auxiliary. School Posters and Bangles Chairman — Mrs. C. Fred Rollins of Shelby.

Publicity Committee — G. L. Cherp of the Bellville Star; P. W. Thomas of the Plymouth Advertiser; Miss Jane Williams of the Mansfield News-Journal; Mrs. Mary Castor Purdy of the Shelby Daily Globe, assisted by Mrs. Carl F. Yetzer of Shelby.

This year there will be no house-to-house campaign or personal solicitation. Accordingly when you receive your seals thru the mail, this will be the only time you will be called upon. The former campaigns conducted in the schools and by school children and other organizations have been abolished. If, however, a person fails to receive the seals through the mail and wishes his or her customary quota, the same may be secured by writing the mail seal committee, or contacting Mrs. Hannum in Plymouth.

With a goal of \$4800 set, it is hoped that everyone receiving seals will do his part in attaining this goal. There are very few of us who will be unable to use Christmas seals and by so doing we will be aiding in controlling one of the nation's most dreaded diseases — tuberculosis.

A Shining Example

How many days have you been absent? You say not any. Well, well, if only we had more students like you in our school. You get up every morning whether it is raining or whether the sun is shining and you go to school. Perhaps you didn't feel like coming to a picture show, or maybe you were up town and played bingo, and didn't get home until late last night, and when you went to get-up this morning you didn't feel like coming but still there was something about going to school that you didn't want to miss. Maybe you didn't have your history book, or your math book, or you thought about not coming and still you wanted to come and here you are. You're the kind of a student we wish to set up as an example. We hope many of the other students will follow in your footsteps.

WARNING TO ALL HUNTERS

SHERIFF WARNS HUNTERS AGAINST SHOOTING NEAR HOUSES; TRESPASSING

The hunting season to farmers in this vicinity in general is most likely "a pain in the neck," but when it reaches the proportion of a "shot in the foreleg" to one of his best cows, that is just adding injury to insult, according to one farmer on the County Line Road. Absent from home for Thanksgiving day, he returned to find his cow badly injured and as if that were not bad enough, some hunter who had no regard for other's property, left the gate wide open and the farmer was compelled to spend considerable time in hunting his livestock which wandered down the highway.

So many complaints have been made that Sheriff E. P. Long of Mansfield reminds hunters "that there is a state law against hunting without permission and the destruction of property by hunters, and that we are going to enforce it on the county."

He also urged farmers and other property owners to get the hunting license numbers of trespassers and file affidavits against the violators. Hunters are required to wear their numbers on the backs of their hunting coats where they can be seen easily. Hunters can't be too careful about shooting around farm buildings and homes, even when they have permission to hunt, and Sheriff Long states the law will be enforced against violators.

NEWS BREVITIES

WE LIKE WHAT PAUL MALLON, in his column in the Plain Dealer, has to say about Ickes and the free press. "The press," says Mallon, "is certainly not going to allow impairment of its freedom as long as that guarantee is in the Constitution and there is a line of type left to fight with."

An attempt was made to bar Mallon, who has been a reporter in Washington for 20 years, from the White House press conference with Roosevelt. No published reason has been given except a different interpretation had been taken from some of the reporter's phrases and again, as Mallon states, "it might be interpreted as a suppressive example set up conspicuously before every other newsgatherer here."

MAYBE JIM LANGHURST couldn't stop Tommy Typhoon Harmon last Saturday but Our Neighbors can say that at least he got in Harmon's way more than anybody else did that dismal day!

HAVE YOU LOCATED CUNNINGHAM'S comet yet? It is supposed to be visible in the skies from around now until January, but I found it too cloudy for nocturnal inspection.

YVONNE BRUMBACH, granddaughter of Ye Bank President, and granddaughter also of Mrs. Brumbach of High street, is an alto member of the 65-voice capella choir of the Shelby high school, which gave their third annual Thanksgiving program this season. Both young ladies, who visit Plymouth frequently, are also members of the Speaker's Bureau of the Shelby High school.

IT ISN'T ONLY THE ADVERTISER that makes a mistake. Take the "PD" for example—running a story about a quadrant over three centuries old that was made in 1936! Anyway one Dr. found the quadrant, and another Dr. found the instruction book that was supposed to be with it, and now the men from Missouri are learning to determine the time of day. Tsh! Tsh! ALIEN REGISTER DEADLINE DEC. 26

Alien registration will end on December 26 and all non-citizens who have not yet registered are warned that severe penalties will follow failure to comply with this Federal law.

All aliens, 14 years of age and older, must register in person and be fingerprinted.

Alien children, under 14, must be registered by their parents or guardians.

Registration takes place at the post offices.

There is no charge of any kind connected with alien registration. The Department of Justice warns aliens to beware of racketeers.

The Post Office Department and the Department of Justice will willingly assist the alien in every possible way.

Earl G. Harrison, Director of Alien Registration of the Department, suggests that those aliens who have not yet registered do so as soon as possible and avoid the Christmas rush at the post offices.

Claude Sourwine, local postmaster, states that thirty aliens have registered in Plymouth.

TIGERS TAKE

(Continued from Page 1)
 Biller swishing two goals through — Plymouth held Fairfield to a measly four counters and lead 30 to 15 at three-quarter's time.

The Tigers employed stallion tactics through most of the last quarter and were outscored ten points to six, with Moore gathering all of these.

Three freshmen, Thomas, Biller and Rhine, showed promise in their first game. Moore played the best game of his career, and was high-point-man with 15. Kitchin failed 14 to rate a close second. Rule played a good defensive ball at all times. Burdge, who scored seven points, was outstanding for the visitors.

A word must be said for the cheer-leaders: Adeline Fainup, Junior Marvin and Tom Cunningham, whose snappy new uniforms and clever cheers inspired the crowd to verbally support the boys in a noble manner.

More enthusiasm was evidenced at the game than has been seen in several moons.

The next game will be played Saturday, Dec. 7, here, when P. H. S. entertains Lexington, the first county league rival.

Plan Winter Program For Wildlife

The first snows have called attention to the fact that it is time to give attention to winter feeding programs.

Sportsmen's clubs, youth organizations, farmers and others will join with the field men of the Ohio Division of Conservation and Natural Resources in winter programs which will include the feeding of wildlife, the live trapping of rabbits, pheasants and perhaps other species where numbers warrant, from refuge areas.

Reports made to Conservation Commissioner Don Waters indicate that all records were broken during the past year in the planting of food patches and foodbearing trees and shrubs. This effort is being reflected in the amount of game in the field and Mr. Waters is again appealing to all interested in wildlife to cooperate with the division in its winter program which will immediately follow the hunting season. The splendid co-operation given last year, he points out, aided the division immeasurably.

ASKS BIDS

Notice has been posted in the lobby of the local post office where proposals are solicited to be received in the office of the post office inspector, J. F. Cordery, at Lima, Ohio, up to and including December 20, 1940 to furnish quarters suitable for post office purposes at Plymouth, O.

The proposal calls for a lease subject to the provisions of the standard form of lease used by the post office department at a stated price per annum, including heat, light, power, and all the necessary furniture and fixtures, for a term of five or ten years from July 1, 1941. The floor space required is approximately 1200 square feet.

General building requirements, equipment specifications, and form of proposal, together with informing the provision of the lease may be obtained from Postmaster Claude Sourwine.

CASS TOWNSHIP EXCEEDS QUOTA

Word comes this week from the American Red Cross headquarters in Mansfield that Cass township was the first township in Richland county to make a final report in the current Red Cross roll call. They not only completed their work first, but also exceeded their quota by \$26.60. The quota set was \$85.00 and the sum of money turned in was \$111.60. This accomplishment of the Cass township people sets a standard for the balance of Richland county to strive toward. The drive which opened on November 11 will close on November 30.

There were two groups of workers, those working out in the township and those working in Shiloh. Mrs. Dewey Reynolds was the township chairman and those working with her were Mrs. Edith Rose, Mrs. Merle Malone, Mrs. Ben Nelson, Miss Glendora Swartz, Mrs. Bernice Sparks, Mrs. George England, Mrs. Rudy Rader, Jr., Mrs. Raymond Richards, and Mrs. Lucy Downend. In Shiloh, Mrs. W. W. Nesbitt was the chairman and those working with her were Mrs. Robert Forsythe, Miss Jane Stiving, Miss Lucille Gedney, and Miss Janice Moser.
