Bucyrus Male Chorus to Be Guests of Brotherhood Friday

The Brotherhood holds its February meeting tomorrow evening at 6:30 p. m. The program committee lists this meeting as "special" which means that the committee of E. K. Trauger, Harry Dawson and Rev. Wolf are supposed to keep their plans under their hats until that evening.

However the program is so good that the committee does not want anyone to miss it. The main attraction will be the Bucyrus Male Chorus, an organization which has made a name for itself not only in this locality but thru out Ohio. Under the leadership of Dr. D. A. Bumstead the men will bring a varied program of secular music which will be good.

In addition to the program by the chorus all the men will have a chance to try their luck at bingo—the prizes being of such a nature that no one will become either rich or prosperous. The game will be played for the fun that is in it and not for the prizes. The kitchen committee promises a meal the equal of last year's which means that it will be a fine meal, and lots of it. The March meeting is scheduled for March 15th and will be Father and Daughter Night with the committee composed of E. L. Bailey, R. L. Hoffman and C. C. Sheely.

GARDEN CLUB ENJOYS POT LUCK DINNER

The Plymouth Garden Club enjoyed a bountiful potluck supper at the home of Mr. and Mrs. Carroll Robinson, Friday evening, Feb. 16th. This is an annual affair and is much enjoyed by all the members. True, gas was cheaper in the "good old days" but, also, certainly the service was cheaper. Gas pressures varied and often the supply failed. Appliances were crude affairs. Modern gas service is dependable, pressures are even, quality standardized. This kind of gas service is worth more — but it still does its work for less than other fuels. Sportsmen, Farmers to Meet at N. Lake Park, Mansfield, Feb. 29th

C. I. Kimmel, Game Protector in Richland County, was in Plymouth Monday in the interest of a meeting of sportsmen and farmers of the county to be held at the North Lake Park Pavilion in Mansfield on Thursday evening, February 29th at 7:30 p. m. All existing sportsmen and farmers are urged to attend and it is expected that the attendance will be large as there has been general interest in the recently announced new program of the Ohio Division of Conservation and Natural Resources.

Not only will the new 15-point program announced by Conservation Commissioner Don Waters be explained but a county conservation committee will be formed and two representatives—one a farmer and the other a sportsman—will be named to represent Richland county on the district conservation committee. Later, all existing sportsmen and farmers of the seven district committees two representatives will be selected, it is announced, to act as spokesmen from the District public hearings conducted by the Conservation and Natural Resources Commission and to attend, upon invitation, meetings of the Commission, acting in an advisory capacity.

Conservation Officer C. F. Blakeman, who will serve as district supervisor in District No. 2, of a Richland County sportsman, will call the meeting to order, turning it over to officers to be selected by those attending the meeting. Representatives of the Ohio Division of Conservation and Natural Resources will be present to fully explain the plan and to aid in every way possible.

Distributes Rabbits in Richland County

Two hundred sixteen Missouri Rabbits were liberated in Richland County last Wednesday, every township in the county received a pair of rabbits.

This announcement was made by Game Protector Kimmel who visited in Plymouth Monday. The rabbits were distributed through the Richland County Fish and Game League and the Shelby Conservation.

Approximately 170 of the bunnies have been trapped on the closed propagation area on the Clem Bloom farm northwest of Ganges and freed in other portions of the county for re-stocking purposes.

The Wildlife Institute at O. S. U. estimates a kill of 4,600,000 rabbits in Ohio last season. Lou Clifford, a statistical minded sportsman of Akron, points out that, figuring a rabbit at about two feet in length and weighing three pounds, these rabbits would fill 138 fifty-ton cars; their length would be 9,200,000 feet, or 1740 miles, making a string of rabbits in single file reaching from Akron to El Paso, Texas.

TEMPTING MENUS

by **PAULINE SCHOFIELD**

"Straight From The Tropics"

Green tipped, yellow, or flecked with brown, bananas are always available in the market. Use them on every smart menu these days: in appetizers, salads, entrees, desserts, beverages, and baked goods. There's just no avoiding them!

A few facts concerning these interestingly popular menu-builders are:

1. Green-tipped and yellow bananas are used for cooking.
2. Brown-flecked bananas are served as natural.
3. Bananas are ripened at room temperature—not refrigerated.
4. Bananas are kept from turning dark by dipping into or sprinkling with grapefruit or pineapple juice.

Spring these new ones on the family:

1. Flute the fruit for salads.
2. Serve them hot and baked with your favorite fruit sauce.
3. Bake them peeled or unpeeled, broil, or saute them in deep or shallow fat.

Now for something specific to try in the kitchen!

- Banana Ham Rolls**
- 1 Tbsp. soft butter
 - 1 tsp. prepared mustard
 - 2 thin slices baked ham
 - 6 firm bananas, peeled
 - Cheese sauce

Mix together butter and mustard and spread on ham. Wrap a slice of prepared ham around each banana and fasten with toothpicks. Place in a buttered shallow pan and pour cheese sauce over bananas. Bake in a moderate oven (350 degrees) for 20 minutes, or until bananas are tender. Serve with crisp salad and hot rolls.

- Cinnamon Bananas**
- 6 firm bananas
 - 2 Tbsp. brown sugar
 - 2 Tbsp. melted butter
 - 1 Tsp. sugar
 - 1 Tsp. cinnamon

Peel bananas. Place into a well-buttered baking pan. Brush with butter, then with lemon juice. Sprinkle with mixture of sugar and cinnamon. Bake in moderate oven (375 degrees) 15 to 20 minutes, or until bananas are tender. Serve hot as a sweet entree with meat.

- Banana Tea Muffins**
- 1/4 C. sifted cake flour
 - 1/2 C. baking powder
 - 1/2 C. soda
 - 3/4 C. salt
 - 1/2 C. orange marmalade
 - 1/2 C. sugar
 - 1 egg
 - 1 C. mashed bananas (3 or 4)

Sift together flour, baking powder, soda, and salt. Cream shortening well. Add sugar gradually and continue creaming until light and fluffy. Add egg and beat thoroughly. Add remaining ingredients, mixing until batter is smooth. Turn into well-greased small muffin tins and bake in a moderately hot oven (400 degrees) about 20 minutes, or until muffins are done. Makes 18 small muffins.

- Banana Scallops**
- Beat 1 egg with 1/2 tsp. salt.
 - Beat 6 firm bananas, which have been peeled, into pieces 3/4 to 1 inch long. Dip into milk and drain 3 or 4 minutes. Roll in 3/4 C. fine corn flake crumbs, bread or cracker crumbs, or corn meal.
 - Fry in hot deep fat (375 degrees) 1 1/2 to 2 minutes, or until scallops are brown and tender. Drain on absorbent paper. Serve very hot. Serves six.

Sales Tax Reflects Business Activity

Columbus, February 19 — According to Don H. Ehrhart, Treasurer of State, receipts of Prepaid Sales Tax Stamps continued to show a gain over 1939, both in total and in selected industries which were leaders last year.

In his regular weekly news release the Treasurer pointed out as an outstanding example of business gain the motor vehicle industry, which, reflected in receipts of Sales Tax Stamps, for the period from January 1, 1940 to February 3, 1940, registered a gain of 39 per cent over the same period of 1939.

Auto vendors have bought Tax Stamps from agents of the Treasurer of State in the amount of \$607,627.41 so far this year, while last year they purchased \$494,585.39 during the same time.

It will be remembered that in 1939 motor vehicle business was continuously ahead of 1938, and tax receipts at the end of last year were 47.7 per cent above those of 1938.

Lenten Vespers Well Attended Sunday Even At Lutheran Church

The Lenten Vesper Services at the Lutheran Church on Sunday evenings at 7:30 have been well attended. It is a pleasure for both the Pastor and the people of the Lutheran Church to have members of the other churches of town come in to share the worship.

Pastor Wolf is preaching a series of sermons on "The Cross." The first sermon, preached Sunday night two weeks ago dealt with "The Cross—Its Place in Christian Life." Last week the sermon theme was "The Cross—Courage." In the coming four weeks Pastor Wolf will preach on

The Stamp of Health Wins Your Stamp of Approval . . .

Grade "A" MILK

You can now buy Grade "A" Milk which means you milk that is PURE and HEALTHFUL. The ability to offer Grade "A" Milk requires cows to be tested for "T. B." and Bang's Disease; milk must be tested for bacteria. Bams and milk house receive a thorough inspection. All water must be approved and the cooling and bottling process must be sanitary. So with these requirements, you are assured of high-quality Grade A Milk.

Farm Oddities
By Sam Guard

Radio Commentator on The Farmers' Forum

PERHAPS the idea never will be very popular with farmers, but a beauty contest for cows is something new that recently was held by the Agricultural Club of Chicago. At this unusual event a five-year-old brown Swiss cow from the Service Marylande farms of Kane county, Illinois, was selected the winner. The cow judged second most beautiful was from the Borg farms of Delavan, Wis., and the third place winner was a Holstein. It is something a real farmer can see beauty in any fine animal and it would be very difficult to pick a winner from a large number of cows, horses or sheep. Perhaps the judges, who in these cases were lunchbox guests, could give as some pointers, but I doubt if beauty contests will ever attract the best breeders. Love stock judges will not begin to worry about their jobs for a time, even if the winners move the site of the contest to Atlantic City.

It is sometimes a hard thing for Jesse Holley, Negro, of Edenton, North Carolina, to resist the appeal of a new egg. Not long ago Jesse saw a rainbow-went, double-breasted number which he wanted more than anything at the moment. Jesse figured it out this way. He did not have the money, he went to the haberdasher and made him a proposition. Jesse gave the merchant a mortgage on his leg. He signed the indenture himself, his two red shoats and their increase. The store took the chance. Jesse got the suit.

Meet **J. Harry McGregor**

Republican Nominee for CONGRESS from the 17th District

I am grateful for my nomination. While the time between now and the Special Congressional Election on February 27th is very short, I am doing my best to meet the people of this district and learn at first hand the program they want me to follow in Congress. Since I cannot possibly meet you all, I take this means of declaring the principles for which I stand and the things which a lifetime residence in this district has convinced me are for the general good.

A prominent speaker recently said "The American people are tired of life on the flying trapeze." I am sure that reflects the majority opinion of the 17th district. You want the Federal Government run on a common sense basis: — to stop wholesale deficit spending and return the nation in an orderly manner to a pay-as-you-go basis. Above all else, you want the government to do no act and adopt no policy which might draw us into war.

These things for which I believe all of you stand, will be my guide if you elect me to Congress. My record is an open book; if you like it, I shall appreciate your vote.

Signed
J. HARRY MCGREGOR

DO FISH MOVE UNDER ICE?
In January, Conservation Division fish management agents fished for several days with a trap net under 8 to 9 inches of ice at Buckeye Lake. This trap was lifted each morning, the fish removed, measured, marked and released. Among other things the experiment proved that fish move and go about their daily business under ice about the same as in normal seasons. The 1527 fish caught in 135 hours of fishing ran by percentage: Bluegill, 15 percent; black crappies, 15 percent; channel catfish, 3 percent; white crappies, 2 percent; large mouth bass, 1 percent; redear sunfish, suckers and gizzard shad.

"HONEST JOHN" BURIED AT CLYDE
Oscar W. Howell, 81, known among farmers and residents of this area as "Honest John," died in Willard Municipal Hospital after a brief illness Monday.

Born Jan. 5, 1858 in Green-tp Sandusky-co, he had operated a small truck farm on U. S. Route 224 west of New Haven for a number of years, selling his produce at a roadside market to earn his livelihood. Despite his advanced age, he did all of his own gardening and housework.

He survived only by a daughter, Miss Nellie Howell, Clyde, employed in the Clyde postoffice. The body was removed to the Fisher Funeral Home in Clyde where funeral services were held at 2 p. m. Wednesday with the Rev. Harry Griffith of Clyde Presbyterian Church officiating. Burial made in McPherson Cemetery.

EXPECT TO FIND WORK ON MILAN PROJECT

Employment of about 300 Erie-area workers is expected this week when the \$80,000 WPA sewer project at Milan is scheduled to open, it was learned recently.

Mayor H. D. Moore of Milan, said the opening of the project had been delayed a few days, but expected that it would be in operation some time this week.

The project provides for the construction of a complete sewer system for the village of Milan.

No workers have yet been assigned to the project, but assignments are expected before the end of this week.

Clarence Voigt of Sandusky, is engineer in charge of the project.

"HONEST JOHN" BURIED AT CLYDE
Oscar W. Howell, 81, known among farmers and residents of this area as "Honest John," died in Willard Municipal Hospital after a brief illness Monday.

Born Jan. 5, 1858 in Green-tp Sandusky-co, he had operated a small truck farm on U. S. Route 224 west of New Haven for a number of years, selling his produce at a roadside market to earn his livelihood. Despite his advanced age, he did all of his own gardening and housework.

He survived only by a daughter, Miss Nellie Howell, Clyde, employed in the Clyde postoffice. The body was removed to the Fisher Funeral Home in Clyde where funeral services were held at 2 p. m. Wednesday with the Rev. Harry Griffith of Clyde Presbyterian Church officiating. Burial made in McPherson Cemetery.

this more than any other factor led to their defeat. Hole played an excellent game for the winners scoring eight points.

The junior "Tigers" were outclassed 21 to 9 in the opener.

The Fur Crop in Ohio

The fur crop in Ohio for 1939 was worth approximately two million dollars according to estimates released by the Conservation Division. These estimates were taken from reports from field men of the Division.

An average county report shows the number and value of the animals as follows: Beaver, 11,165,026.00; skunk, 665, 90c; mink, 17,000, \$1,200.00; bobcat, 1,000, \$441.75; weasel, 335, \$83.75; mink, 29, \$414.00; foxes, 4, \$5.00; otter, 1, \$2.00; badger, 2, \$0c; \$1.00; coyote, 1, \$2.00. Total pelts 18,270, which brought \$19,475.00, mostly to farm boy trappers.

TAKEN TO HOSPITAL
Mrs. Eva Chapman, residing with her niece, Miss Agnes Kurtz Silliman, east of Plymouth, was taken to Shelby Memorial hospital, for treatment, Monday, in the Miller-Scott ambulance.

Mr. and Mrs. R. Rundell, Galion, Ohio, and Mr. Paul Snyder, Dayton, Ohio, Mr. and Mrs. Roy Traylor and two sons of Mansfield spent Sunday in the home of Mr. and Mrs. L. E. Snyder.

PLAY FOR TITLE
(Continued from Page 1)
first Huron-co. championship having never held the title. Donald Moist, of Dayton, a graduate of Ashland College, is in his first year coaching at New Haven but has previously served for two years at Townsend-tp (Sandusky-co). This year New Haven has the best team in the history of the school while Raymond Kipp leading all scores with a total of 247 points. Besides Kipp, other varsity players include: Melvin Ho, 51, Raymond Smith, 59, Dean Wise, 37, Robert Fennore, 46, Richard Burdge, 33, Wayne Vance, 26, Gerald Van Loos, 25, Paul Burdge, 4, John VanLaar, 6, and Roger Smith, 4 points. New Haven won second place in the Twin Valley League.

North Fairfield Watched
North Fairfield High Indians is expected to be the "dark horse" team of the tournament, even though the team has made a poor record of three wins in ten games this year. With plenty of size, height, and speed they may prove a difficult hurdle to jump. James P. Wilder, who graduated from Kent State University last year, is therefore appointing our present coach, Ray Kipp leading all scores with a total of 247 points. Besides Kipp, other varsity players include: Melvin Ho, 51, Raymond Smith, 59, Dean Wise, 37, Robert Fennore, 46, Richard Burdge, 33, Wayne Vance, 26, Gerald Van Loos, 25, Paul Burdge, 4, John VanLaar, 6, and Roger Smith, 4 points. New Haven won second place in the Twin Valley League.

Wakeman High will enter the tournament with one of the most experienced teams in county courts history. Selected as a high school square squad hit as hard as was Wakeman when all 13 letter-men graduated. ?

Payment for fire hydrants and street lighting—Page 17—Fire hydrant service and Street Lighting will be charged to general revenue fund and credited to water and light fund.

BRINKERHOFF FUND—Page 07.—The examiner refers here to the \$1040 mortgage on the 4th; 2 Moore property dated on 4/13; 1933, upon which at date of examination in May 1939 \$800.00 had been paid.

Trust Funds—Pages 17-18.—Tubbs Fund—\$500.00 invested U. S. 3 1/2 funds.

Byrer Fund \$1500.00 — For upkeep of Byrer lot and water cemetery—Invested in village mortgage bonds.

Lockwood poor — Bank stock sold \$950.00 inactive.

Moore trust — \$500.00 upkeep certain cemetery lots—Village mortgage bonds.

Ferrel Trust—\$2500.00 for care of a maintenance certain cemetery lots.

Brinkerhoff Fuel Fund—Principal sum \$2000.00 loaned to Thurman B. Ford, 6 percent mortgage — Feb. 14, 1922 — Orders foreclosure proceedings.

Wilmet Trust \$200.00—Village mortgage bond.

Gribben Fund—\$1000.00 — Invested in Village judgment bonds.

It is my opinion that these inactive items which are now in the bank and drawing only 1 percent annually should be put to work.

Levy for Retirement of Judgment bonds—Page 14.—No tax has been levied to retirement of the bonds.

Unpaid Bills due from Village—Page 19.—Unpaid Cemetery accounts—Pages 21-23.—the ex-

amination disclosed that unpaid cemetery accounts in the sum of \$1687.87 were unpaid at that time. Some of these bills have been paid. On page 23 he (the examiner) recommends that since the cemetery funds are depleted that these bills be either collected or the lots taken back and resold;

Redemption Funds paid by each purchaser of lots after Nov. 12, 1935—pages 23, 24.—Total in said fund \$1571.95 — inactive. This approximately \$5000.00 of Village funds in these various trusts remain inactive.

Unpaid Water Bills — Pages 25-26-27-28-29 — The report shows unpaid water bills in the amount of \$4939.84. On page 25 of his report he (the examiner) says that there is absolutely no excuse for the village not receiving payment for water and light furnished.

Unpaid Light bills—Pages 32 to 40.—The report shows unpaid light bills in the sum of \$2,714.02.

Recommendations of Examiner. Page 41.—It can be readily seen that if we expect to get these matters straightened out we must take immediately. Day by day debtors of this village are either moving away, going out of business or dying and we are losing the Mayor, and so far as it relates to this report reads as follows: Any mayor of a village is

hereby authorized and required to employ an attorney for such purpose securing payment of these items due the village) who shall be paid out of the treasury of the Village on warrants approved by the mayor and on warrants of the village clerk, and the amount of such compensation shall constitute a charge against said village notwithstanding the failure of the council thereof to appropriate money or levy a tax therefor.

I earnestly hope that we will all work together, hand in hand, in these matters to the end that when the next examination of village financial affairs are made by the bureau of inspection he will find the matters complained of corrected.

To accomplish this a tremendous amount of work will be necessary, and it will cost the village some money. While we are bound by oath to see that these things are done, we must recognize that none of us have the time to do it and that these matters must be placed in the hands of some one who has both the time and ability to get it done.

It therefore appoint our present village solicitor, W. S. Kimball, as the attorney for this village in charge of all things that may be necessary to take personal charge of the investigation of all claims due the village and if necessary to bring suit in the name of the village to collect the claims. These duties, not being routine, shall be covered by the ordinance and not being covered by the ordinance employing him, Mr. Kimball shall be paid extra compensation for this work upon warrants submitted by him and approved by me. I make this appointment under the authority of Sec. 286 of the Code of Ohio governing the bureau of inspection of public office.

In order that he may proceed with diligence and dispatch he should have right of access to all village records and documents and shall have the right to call upon all village officials, either elective or appointed, for assistance. Books and documents in the control of the various boards of the village shall be made available to him upon request.

In all of these matters I hereby ask your earnest cooperation. While on the subject I wish to call your attention to the present condition of our code of ordinances. It was adopted in 1932 and is very much out of date. Unless this code is revised the village is bound to sustain loss of such revenue, since all fines assessed under the state laws must be paid into the county treasury, while all fines assessed under village ordinances remain with us. Under the present condition of our code many such violations will have to be brought under the state law until we have adopted legal village ordinances.

Again asking your cooperation and advice I am, "Respectfully yours, "Wm. H. JOHNS, "Mayor of Plymouth."
