Baseball Season Closes This Week

The Shiloh Drummer boys will close their baseball season Friday May 17. They will play Willard here. This year has been a very successful season only losing the County finals to Belleville. We do not play, but the Drummer boys were off form in the Belleville game. Only 14 errors were committed by Shiloh. Belleville has some power of casting the "jitters" on the Drummer boys. Mr. Richards is to be congratulated for producing such a fine ball club this spring.

The following Senior boys will play their last game of the High School Friday, Donald Dawson catcher; Dean Dawson, pitcher and right field; Robert Bushey, pitcher and right field, Ellsworth Daup, second base; Charles Noble, first base; John Reynolds, short stop.

DIES SUDDENLY

MRS. ADDIE REX DICKERSON SUCCUMBS FRIDAY; SERVICES HELD SUNDAY.

Mrs. Addie Rex Dickerson died suddenly Friday morning at her home on West Main Street. She was born Feb. 12, 1858 and was the daughter of Jeremiah and Mary Ann Rex.

She had lived nearly all of her life in and near Shiloh and had lived in the home where she died for sixty-two years.

She was a woman with a generous sense of humor, had learned the art of growing old gracefully, and was respected by young and old. She was a help in shaping the morale of this community, following the foundation of her predecessors, the pioneers.

Dispensing of her time and strength to neighborly help in a most unobtrusively but with a genuine Christian spirit.

She was a reader of good literature even to her last few days. The beautiful rounded out life passed on, just as she would have wished with a fitting climax—a daughter and son to lay her body to rest on Mother's Day. She was a member of Mt. Hope Lutheran Church many years.

The passing of this Christian woman leaves a void which will be felt for a long time.

Surviving are the daughter, Mrs. Mary Selbe of Columbus, and the son, L. S. Dickerson of Mt. Victory; three grandchildren and three great grandchildren.

Funeral services were held on Sunday afternoon at 2 o'clock at the McQuate funeral home.

Rev. P. M. Dickey, pastor of the Brethren Church brought the message which carried comfort, courage and faith. Burial was in Mt. Hope cemetery.

Out-of-town relatives and friends at the services were Mr. and Mrs. Harold Robertson and family, Mr. and Mrs. E. G. Seibel of Columbus; Mr. and Mrs. Lee Dickerson and Leroy Dickerson of Mt. Victory; Mr. and Mrs. George Small and family of Sidney; Mr. and Mrs. George McBride of Sterling; Mr. and Mrs. F. Long, Miss Stella Clowes, Mr. and Mrs. M. B. Momm, Miss Mirth Momm and the family of Rev. Searle all of Shelby and Mr. and Mrs. Floyd Kennard and family of Willard.

Van Horn Rites Conducted Tuesday

Services for Mrs. Martha Van Horn 74, who died at the family home Saturday, were held Tuesday at 2:30 p. m. at the McQuate funeral home.

Rev. P. M. Dickey, pastor of the Adario Methodist Church officiated and burial was in the Ashland cemetery.

Surviving are her husband George VanHorn who has been an invalid the past three years and one son Paul Mathews at home.

The VanHorns were former residents of Plymouth.

MAKE PLANS

BEST POST ARRANGING MEMORIAL DAY SERVICES.

Plans have been made by Best Post to hold their Memorial service on Thursday, May 30th. The observance of the day will begin early by committees decorating the soldier's graves in the cemeteries of the surrounding communities.

The afternoon program will feature a parade beginning at 1 o'clock. All school children, young people and adults are invited to join in the procession.

A speaker has been secured and the services will be held at Mt. Hope Lutheran Church.

Paul Eley, instructor of music in Cass Township schools, will have charge of the music.

Your Bank

What Would You Do Without It?

The best way to visualize the importance of banks in your daily life is to imagine carrying on without them. How would you protect your money? How would you pay your obligations? Where would you keep your cash reserve? Without banks our whole economic machine would stall. We would go back to the primitive, unsafe and uncertain financial procedures that existed at the time of the Revolutionary War. Whether or not you are a depositor, banks are important to you and deserve your full cooperation and support.

"That They May Live"

Scheduled for 8-Day

Run in Cleveland

The most amazing and daring motion picture ever presented on a screen will be offered movie goers for a limited engagement of eight days starting Saturday, May 18 at the Hanna Theatre, Cleveland.

It is that sensational and astounding love story "That They May Live" which will serve to introduce a new policy of entertainment for theatre-goers. There will be only two performances a day, matinees at 2:45 P. M. and evenings at 8:45 P. M. No patron will be seated during the time any short subject or the feature is on the screen.

The opening performance will be a gala occasion. Besides a reserved seat performance, patrons and guests for the opening who plan to sit on the orchestra floor will be requested to be attired in formal or summer formal dress. The course applies only to the Hollywood premiere on Saturday night May 18th at which time northern Ohioans will be accorded the privilege of witnessing a genuine Hollywood premiere supervised by Howard Hawkins, who is responsible for most of the celebrated premieres in the movie colony in Los Angeles.

The regular two day reserved seat policy open to the public will start on Sunday matinee May 19 and twice daily thereafter. All seats for the matinees will be 50c tax included, while the evening prices will be balcony 55c tax included and orchestra 85c tax included.

"That They May Live" brings to the movie lovers a new screen star Victor France, who renders a soul-stirring performance. "That They May Live" has already been acclaimed by leading critics in those principal cities as poignant to be significant and as daring, striking and, not to be missed by anyone. It is the emotional love drama which has been banned throughout Europe but approved by the movie censors in this country.

A specially selected supporting program of entertaining short subjects will complete an interesting and entertaining afternoon or evening at the Hanna Theatre, Cleveland during the engagement of "That They May Live."

Garden Club Plant Shrubs and Trees

Some members of the Plymouth Garden Club enjoyed a picnic supper at the new Park Thursday evening. The purpose of the outing was to plant shrubs and trees there. About sixty shrubs were planted, lilac, syringa, snowberry, rambler roses, deutzia, ivy, honeysuckle, hydrangeas, etc. and one evergreen, a spruce tree.

Those donating these shrubs were Mrs. Eva Smith, Mr. and Mrs. Chatfield, Mr. and Mrs. Wm. Wechter, Mr. and Mrs. Shepherd and Mrs. Ford. Of course these are not large shrubs, and will not make much show this year. Mr. T. E. Ford donated the use of his trailer for hauling.

The Garden Club wishes to thank Eddie Barber, Ray Ford, Dan Shepherd and Joe Fazio for their help in the use of the trailer. If anyone has any shrubs to donate for this purpose, it will be necessary for you to have them dug and ready for collection. Please get in touch with Mrs. Bartholomew about this.

REPORT GIVEN ON XMAS SEALS

\$63.85 RETURNED TO HEAD-QUARTERS FROM PLYMOUTH.

A return of \$4652.43 from sale of Christmas seals by the Richland County Tuberculosis Association, was announced today by Mrs. R. C. Rehder, chairman of the sale committee. Seals were mailed to over 10,000 persons last December, and with return even yet incomplete, The Richland County Tuberculosis Assn. will be able to go ahead with its program of anti-tuberculosis clinics and its educational program.

Mrs. Rehder stated that \$4339.42 had been returned by mail to the Association headquarters, and that \$313.01 had been contributed thru seal sales in post offices, hotels, etc., and from the bangle days in the various schools of Mansfield, Shelby, and the county. Mrs. Rehder estimates that there are over 500 persons who have forgotten to send their contributions to the Association, and it is hoped that these persons will make their returns and reveal the amount to the original goal of \$5000.

Dr. Heringhaus, president of the Association said that it is planning to go ahead with the contemplated program of 15 diagnostic and re-check clinics during the year, and the educational program in the schools, and the skin testing program of discovering tuberculosis among school children. He stated that the skin testing program will be conducted in the county schools, and had already been completed in the Shelby schools. He stated that the majority of the funds will be spent for X-rays and examinations of the hands, which are served at the clinics—which are available to any Richland County person referred by a doctor.

Of the total contributions, \$3,118.25 came from Mansfield; \$946.16 from Shelby; Bellville, \$84.71; \$74.52 from Lexington; \$63.85 from Plymouth; \$45.28 from Lucas; \$46.61 from Shiloh, \$31.35 from Elyria, and the balance from Madison and Springfield Township and miscellaneous sources within the County.

ARE YOU GUILTY

About the meanest person in the world is the one who will fill up his automobile with garbage and then take a drive along our highways and at some appropriate spot throw out a bagful of unsightly garbage that gives our roadways a very bad appearance. The state highway department spends thousands of dollars each year in keeping our highways beautiful, and the thoughtless person who is so prone to destroy its beauty by dumping garbage and other refuse, should spend at least thirty days in the workhouse. The only plan to eliminate such a person and his habits is for any passing motorist who observes such an act being committed to report the license number of the offender and let the proper authorities enforce that section of the law which forbids the dumping of refuse on public highways.

Common Sense WITH GUNS

ALL sportsmen are interested in the question how shooting casualties may be reduced. The annual Ohio Conservation Division reports indicating that accidents occur show that they are occasioned mostly through the violation of a few simple rules that should suggest themselves to everybody, according to Conservation Commissioner Wisers. Modern firearms are far more complicated than they were in the old days, and notices should be careful to seek such instruction as will enable them to know what they are doing.

Pointing a gun in the direction of another person may seem funny, or devoid of danger under some circumstances—but it's bad practice anytime, anywhere. Three positions for carrying the gun in the field are recognized as safe and good: First—Over the shoulder with the muzzle pointing upward; Second—Over the hollow of the arm, pointed away from companions and dogs; Third—Under the arm with the barrel pointed toward the ground.

DON'TS

In addition to the pictured don'ts at the left, add these: Don't jump a ditch with a loaded gun. Don't load a gun in the house. Don't take a revolver on a hunting trip. Don't shoot until you know what is within range; it may save you a lifetime of regret, or at least the loss of a good dog or the farmer's pig. Don't put a wrong gauge shell into your gun. Don't use shot cartridges in a rifle. Don't threaten to shoot anyone, in fun or otherwise—this advice includes land owners. Don't take risks.

Release Dates For Horse Pulling Contests

The 1940 dates and location of Horse Pulling Contests to be conducted this season were released recently by Ray Hennessy, Bellefontaine, Ohio, Secretary of The Horse Pulling Association of Ohio, Inc.

The Association will open its fifth consecutive season Sunday, June 2, at the Fayette County Fairgrounds, Washington C. H., O., June 9, Shelbyville, Ind., June 16, Zanesville, O., June 23, Norwalk, O., June 30, Greenville, O., July 7, Goshen, Ind., July 14, Delaware, O., July 21, Canton, O., July 28, Hamilton, O., Aug. 4, Cassopolis, Mich.

This sport, founded but a few years ago at once obscure County Fair has grown into national prominence with Ohio leading the van. By actual check thousands of keenly interested spectators attend these events and cheer alike both winner and loser. This year one of the features in connection with the contests will be Rudy Rudyoff and Family with their educated horses and dogs. Mr. Rudyoff, until this past season, has been for many years one of the main attractions with The World's Greatest Circus, "Ringling Brothers & Barnum & Bailey."

Why I Sell GAS REFRIGERATORS

By Your GAS COMPANY SALESMAN. Our records show that the average Gas Company salesman is 37 years of age and that he has been with the company about 3 years. These records further reveal that over 86% of all Gas Company salesmen are married, that a great many of them own their homes. Gas company salesmen are substantial citizens of their communities.

PERHAPS it is because I'm completely sold on gas refrigeration myself, that I have been successful in selling it to others. Gas refrigeration, in my opinion, is one of the greatest developments in the modern home appliance field. It is the different operating principle of the gas refrigerator that places it ahead of all others. There are no moving parts in the freezing system. Instead, this refrigerant is circulated by a tiny gas flame. You don't have to be an engineer to understand the greater efficiency of such a principle. To top this off, The Gas Company now is backing the 1940 Servel Electrolux gas refrigerator with a ten-year guarantee on the complete refrigerating system. In addition to it being the best buy, there is still another reason why I sell the gas refrigerator. Its ever increasing acceptance has added to the possibilities of my earnings from its sale. Now that I've told you why I sell gas refrigerators, I'd like the opportunity of showing you why you should buy one.

E. J. Frome. SERVEL. GAS DOESN'T BURN YOUR MONEY.

Kitchen Ketchall

Pineapple Stuffed Pork Chops
1 double thick pork chops
1/2 tsp. salt
1/2 tsp. pepper
Dressing:
1 C. dry bread crumbs
3 slices or 1/4 C. crushed pineapple (drained)
1/2 C. chopped celery
1 egg
2 Tbsp. pineapple juice
2 Tbsp. melted butter
1/2 tsp. salt

Have rib pork chops cut double thickness and pocketed for stuffing on the bone side of the chop. Dressing by mixing bread crumbs, pineapple (cut fine), juice, seasonings, celery, beaten egg, and melted butter. The dressing should look quite dry. Pack it into the pockets formed in the chops. Lay chops on a greased roasting pan and bake at 425 degrees for 30 minutes or until lightly browned. Cover and continue baking at 350 degrees for 1 hour. Serve with half circles of pineapple, heated in the dripping.

Corn and Kidney Beans
1 medium-size can kidney beans
1 medium-size can corn
1 green pepper
1/2 tsp. salt
1 egg
3 Tbsp. grated cheese
2 Tbsp. buttered bread crumbs

Mix the beans, corn, green pepper, minced finely, salt and the egg, well together into a batter. Spread in a greased baking dish, topped with cheese and a sprinkle of buttered crumbs, and bake in a moderate oven, 350 degrees, for 30 to 45 minutes.

Orange Cake
2 1/4 C. sifted cake flour
1/2 tsp. baking powder
1/4 C. butter, softened
1 C. sugar
3 eggs, separated
2 Tbsp. grated orange rind
1/4 C. orange juice
1/2 C. water
1/2 tsp. salt

Mix flour and baking powder and sift three times. Cream butter well, add sugar gradually and continue creaming until light and fluffy. Add egg yolks which have been beaten until thick and lemon colored. Add orange rind and mix well. Combine orange juice and water. Add approximately 1/4 of sifted dry ingredients to butter mixture; beat approximately 1 minute. Repeat until all dry ingredients and orange juice mixture have been added, beating until smooth after each addition. Beat egg whites until foamy, sprinkle salt over top and beat until a point of egg white will stand upright when whip is pulled out. Fold beaten egg whites into batter. Bake in a pre-heated oven, 375 degrees, for about 30 minutes. Cool cakes on wire racks. Spread Raggedy Ann Frosting between layers and on top and side of cake. Sprinkle with coconut.

Raggedy Ann Frosting
Put 1 unbeaten egg white, 1 C. sugar, 3 Tbsp. orange juice, 1 tsp. lemon juice, and 2 Tbsp. grated orange rind in top part of double boiler and beat constantly with rotary beater about 7 minutes or until frosting will hold its shape. Remove from heat and beat until thick enough to spread.

MAP TRAVEL

\$1.00 a plate.
"One theatre is most beautiful, built along strict western style, but I wonder if so much gingerbread stuff wouldn't rather pall on one in time. Good shows at popular prices. Noah Berry, Jr. and his young wife stopped over in the city on the way home from their Mexican honeymoon. I saw him in the lobby."
"Well, we must head towards the Pacific again, and home."
"And so, Mrs. Rogers, we leave your Greynound bus, winding around the Rocky mountain roads, its many lights finally growing dimmer and then vanishing around a curve in the distance."

And we also hope that you visit somewhere again, real soon (Won't you Tuesday evening, and write to us about it; I always have wanted to go there.)

Wilberforce in the early 1800's said: "I dare not marry, the future is so dark and unsettled."
Crey in 1912: "... believed everything was tending to a convulsion."
The Duke of Wellington on the eve of his death in 1811: "... thanked God he would be spared from seeing the consummation of ruin that is gathering around."

Queen Adelaide said: "... had only one desire, to play the part of Marie Antoinette with bravery in the revolution that was coming to England."
