

MUSIC FESTIVAL ACCLAIMED BY A HUGE AUDIENCE

Adequate adjectives are not in the vocabulary to describe the reception given to the Plymouth Schools' Music Festival which was presented Friday night, April 26.

The program was planned so that each month of the year was represented by special music. The musical opened with the Month of June instead of scheduled as it is.

The guests were brought in by Mrs. Derr. Guests were brought in by the ushers, Dent Steele, Danny Eby, Bobby Derr, Mac Dick, Billy Watts, and Melvin Pump.

Others who took part in the wedding were: Maid of honor, Joan Tremaine; groom's mother, Carol Joyce Teer; groom's father, John Root; flower girls, Peggy Lofland, Susanne Daugherty, and Georgia Anna Pitzner; best man, Paul Torian; minister, Charles Hannum; bride's mother, Betty Damm; bride's father, Louis Root; groom, Larry Schreck.

It would be quite impossible to mention the names of all those who took part in the program and did their jobs well, but they deserve special attention.

The Christmas season was appropriately honored with the singing of "We Three Kings" and "Silent Night."

James Shepherd at Shelby has accepted a position at the Shelby Western Auto Associate store.

Rev. M. A. Stull to Be Guest Speaker At Brotherhood

The regular May meeting of the Brotherhood will be held without a sermon on the scheduled date of May 17th.

The officers of the Brotherhood regret the circumstances which necessitated the cancellation of the program for April and steps are being taken to avoid such a situation in the future.

Mr. Ford has revealed that those who remember Rev. M. A. Stull, former pastor of the Lutheran church, with such pleasure, and there are many of you, will have the opportunity to renew your fellowship with him on Friday night, May 17th for he will be the speaker for the evening.

In addition Messrs. A. F. Donnenwerth and Charles Davis promise that the kitchen committee will provide a good meal. All this points to a fine meeting.

SERVICES FOR MRS. E. WATTS

DEATH COMES TO PLYMOUTH WOMAN AFTER YEAR'S ILLNESS; BURIED IN NEW HAVEN SUNDAY

Mrs. Anna Watts, 55, died in a Toledo hospital Thursday, April 25, after a lingering illness which lasted for more than a year.

Funeral services were held Sunday afternoon at the Secor funeral home in Willard with Rev. Richard C. Wolf, pastor of the Plymouth Lutheran church, officiating.

Interment was made in the cemetery at New Haven.

The deceased was born at Peru, Ohio, Jan. 18, 1885, the daughter of George and Katherine DeHee Lamm.

On Dec. 25, 1906 she was united in marriage to Estell Watts and to this union were born four children: Henry of Plymouth, Woodrow and Mrs. Leo Shodorff of Willard and a son who died in infancy.

Besides the husband, two sons and the daughter, Mrs. Watts is survived by one sister, Mrs. Chas. Meyer of Clyde, two brothers, Theodore Lamm of Norwalk and Arthur Lamm of Cleveland, and five grandchildren.

Moving to Plymouth from the farm near here, Mrs. Watts was associated in the restaurant business and through her contact with the public won for herself many friends who regret to learn of her death.

As a mother and wife she was deeply interested in her family circle, and with kind perseverance in her daily routine she won for herself innumerable friends.

RITES HELD FOR C. S. CARNAHAN

WELL-KNOWN RESIDENT DIES SUDDENLY LAST THURSDAY; DEATH DUE TO HEART AFFECTION

The entire community was shocked last Thursday when news of the sudden death of C. S. Carnahan, retired farmer, was made known.

Mr. Carnahan, who was 70 years, was out on his farm southwest of Plymouth, supervising some work, when he suffered a heart attack at 10:30. He was taken to his home on West Broadway and given medical attention, but to no avail, death coming at 12:20.

Although considered not in the best of health, Mr. Carnahan had enjoyed a fall winter without interruption from his daily activities. His sudden death last Thursday was due to a heart ailment, and the news brought profound sorrow to his many friends and acquaintances.

The deceased was born in Bluffton, Ohio, Hancock county, Oct. 18, 1869. For many years he operated a farm southwest of Plymouth and a few years ago he retired from this work, moving to his home on West Broadway. It was during his residence here and on the farm that "Sim" Carnahan, as he was known to everyone, made a host of friends.

Mr. Carnahan was a man of high integrity and industry, he leaves a vacancy in the community that will be hard to fill.

On November 8, 1891, Mr. Carnahan was united in marriage to Ella May Deisler in Attica, Ohio. To this union were born four children, two sons and two daughters. The sons are Russell F. of Ashland and Carl of Plymouth, and the daughters are Mrs. Essie P. Caldwell of Plymouth and Neppa May Cook of Attica, Ohio.

Mr. Carnahan preceded her husband by death on March 28, 1937. In November, 1939, Mr. Carnahan was again united in marriage to Josephine Clymer of Bluffton, who, with the four children, one brother, Lemuel H. Carnahan of Benton Ridge, Ohio, and several grandchildren survive.

The last rites for this well-known and beloved citizen were held Sunday afternoon at the late home on West Broadway, with Rev. Richard C. Wolf, pastor of the Lutheran church, officiating.

Interment was made in the mausoleum at Greenlawn cemetery. Miller-McQuate were in charge of arrangements.

If he possessed any peculiarities or dislikes "Sim" Carnahan was capable of keeping them to himself for his appearance to his fellowman was one of genuine pleasantness and kind regard for all.

He was a man of "square dealings," whose philosophy of life was doing more for the other fellow than was being done for him.

Kind, congenial and understanding, he made a model husband and father for his family who, along with the entire community, will miss him in the family circle.

That he was held in high regard was expressed by the many beautiful floral offerings and the condolences received by the bereaved members of the immediate family. Time alone can fill this vacant place.

Man, 79, Asks For Jail Sentence and Judge Grants It

A 79-year-old man who pleaded guilty to an indictment for larceny was sent to the Richland county jail Monday for 30 days at his own request because he wanted to continue medical treatments by jail physician.

Protesting when Judge C. H. Huston suspended a 90-day workhouse sentence and ordered him to the Pennsylvania, Edward W. Corson, a transient, was sent back to jail and told to leave the state when his 30-day sentence is up. Corson will continue his treatments.

"In fact, we have a jail doctor you like; we used to hear some complaints about them," Judge Huston commented.

Corson admitted the theft of two watches, two rings, and a pair of men's trousers from the home of Mrs. DeLancy of West Broadway where he had been residing.

Clifford DeLancy had the aged man in custody when he saw him on a Bucyrus street with the pants over his arm and recognized them as his own.

Improving Our fellow townsman, Hiram Beckwith who is ill at his home on Park Avenue, with a heart ailment, is slowly improving.

Annual Spring Convention of Richland County C. E. Sunday at Lexington, O.

The Richland County Christian Endeavor Societies will hold their annual spring convention at the Presbyterian church in Lexington on Sunday, May 6th.

The registration in the afternoon will begin at 2:30, and the evening meeting starts at 7 o'clock. The speaker of the evening will be Dr. Rank of Ashland Seminary.

There will be installation of officers in the evening. Miss Geneva Craig of Mansfield who is devotional superintendent of the International Society of Christian Endeavor will be in charge of this part of the evening program.

All are cordially invited to attend the county meetings. Meetings of the local society are always open to the public. Won't you come and help us push that growing organization Christian Endeavor.

FORMER RESIDENTS SUFFER ACCIDENTS Mrs. H. H. Sargent, the former Miss Anna King of Plymouth, is in the Toledo hospital with a fractured hip, the result of a fall in her home in that city.

Word has also been received in Plymouth that Fred Schaffer of Pleasant Hill, Ohio, fell at his home and broke his hip. He is well known in Plymouth.

TO SECURE NYA PARK PROJECT

With spring at hand much interest is being centered in the gardens and yards in Plymouth. Everyone who has a small plot of ground and a few seeds to plant cannot let any time lapse in getting them into the ground.

And it is of interest here that is creating for Plymouth a park, which in time to come may prove a worthwhile asset to the community. It is very gratifying to know that the Plymouth Garden Club is actively planning a program which will aid much to the natural beauty of the park site.

It is definitely understood that Plymouth is in line for an NYA program which will bring a number of youths to the community to aid in plotting out and building up the park.

It is definitely understood that citizens of Plymouth get behind the park movement, and to see that cooperation is given on every hand. If you know a youth who is idle unemployed and is between the ages of 18 to 25 have him stop in and register with Supt. E. L. Bailey or see E. B. Miller at the Brown & Miller Hardware Store, or Edward H. Curpen at Curpen's Jewelry Store. This is very important.

It is hoped that by the middle of May much work will be under way at the park including the installation of a sewer, improvement of the grounds in general, the building of pavilion as well as the continuance of the roadway improvement.

There is no reason why, if everyone pulls together, that Plymouth cannot boast of a park site that is second to none in natural beauty and conveniences. And it will be only through the complete cooperation of everyone that will make the movement a real success.

Norma McGinty Chosen Winner in Declamation Contest at Luth. Church

The Declamation Contest of the Luther League of the Synod of Ohio of the United Lutheran Church in America, began this past Sunday morning with the contest in the local Lutheran Church.

This contest, backed by the Luther League, carries with it a prize of a scholarship to Wittenberg College for the State winner.

Using Declamations on the theme "To Battle For the Right" written by Lutheran Pastors, the contestants are judged on general effect, fluency, memory, platform presence, voice and articulation.

The two entrants in the local contest, Miss Norma McGinty and Miss Dorothy Sourin, chose the declamations written by Dr. Bruce Young of Shelby and Rev. Herbert Velder of Lorain respectively.

The decision of the judges was rendered in favor of Miss McGinty who will represent the local church in the District Contest to be held at Bucyrus on Friday evening.

In addition to Miss McGinty a group of about twenty young people will go to Bucyrus to share in the fellowship of the Annual Banquet of the Northern Federation of Lutheran Churches, the Central Conference of the Synod of Ohio.

REMOVED HOME Walter St. Clair was removed Sunday from the Willard Hospital to his home on West Broadway.

THANKS, MEN We don't know just whom to direct thanks for the improvements made on the Public Square Tuesday and Wednesday, but we assume the fact that the State Highway Department is responsible for placing tar and stone in the large holes which have worked into the main thoroughfare through the Square, and which proved somewhat of a nuisance since spring.

While the work is of a temporary nature The Advertiser hopes that the highway department will have a clear plan to place a new surface on the entire width of the road at a later date.

WITH THE VACATION SEASON at hand, the Richland County Auto Club already has begun to prepare a library of maps and travel literature at its office on North Mulberry Street, in Mansfield for the benefit of motorists planning trips this summer. Maps and literature from numerous vacation resorts and cities in the United States and Canada have been ordered, and will be displayed at the office in four large racks which arrived last week, according to Jack R. Berger, assistant secretary.

LAST WEDNESDAY, APRIL 24 marked the 40th year of the Daily Globe in Shelby. The paper was originally started by Moore, Stambaugh, Kern and Castor. The paper is now owned by Stambaugh and Stambaugh.

Of the four founders, three are now living. S. J. Kern, who left the Globe for work on Lorain and Cleveland papers, died in the latter city some years ago. C. S. Bessie is now residing in Daytona Beach, Fla. J. H. Castor is present editor of the paper, having served in the same capacity the entire 40 years.

Our congratulations are extended to the staff for their good work.

FISH SUPPER "Fishes in the brook, daddy catches with a hook . . ." But that isn't true for Friday night when the boys of the American Legion Post give a fish fry. For those fish were caught in nets in Lake Erie—right from the water to the frying pan, and if you like fish you will not hesitate in being present. Golden-brown, tender and flaky fish that fairly melt in your mouth. There will be plenty of them, and you'll say after it's all over that it's the best fish supper you ever ate.

Now the boys of Eret Post, American Legion, are doing a lot of fine work and they derive their money from the fish supper. So you're not only satisfying your appetite, but you're also helping a worthy cause by attending.

So tell the wife, and you tell your friends that you're going to join the Legion boys for that fish supper, Friday night. Starts around 6:30 o'clock.

FIRE DAMAGE Exko Cok Home Damaged By Fire Bucket Brigade Does Splendid Job of Fighting

A fire, evidently started by a spark, and which was discovered by a youngster playing in the yard, probably saved the Cok home at Celeryville from being completely destroyed by the blaze.

The fire was discovered at 1:30 last Saturday afternoon and within a few minutes a bucket brigade formed by more than 50 volunteers, soon had the fire under control. Damage is estimated around \$600 and is fully covered by insurance.

The fire, it is believed, was started when a spark from a near-by greenhouse landed on the roof causing it to ignite. Only through the quick effort of neighbors in removing the furniture and doing a splendid job of fire fighting was the home saved from complete destruction.

INJURED IN COLLISION

O. E. ROBINSON SAVES LIVES OF MRS. GEO. MARTIN AND SON.

Mrs. George Martin who was seriously injured in an accident Saturday afternoon was removed from the Willard hospital to her home near Adario Tuesday. The car Mrs. Martin was driving struck the gasoline truck of Morris Kissell near the Kirkwood home a short distance south of Shenandoah, and the contents of the truck sprayed the car causing a fire at once.

Mr. Kissell whose truck was new having had it only a week had stopped to aid another fellow traveler, Orra E. Robison of Mansfield when the accident happened. The prompt assistance given by Mr. Robison saved the lives of Mrs. Martin and 13 year old son, who were unconscious in the burning car. Mr. Robison received severe burns on hands and arms. The car and truck were both destroyed.

Mrs. Martin is the daughter-in-law of Mr. and Mrs. Elza Martin of this place.

SPRINGTIME MEAT LOAF to serve sliced cold

Dorothy Greig
EVERYTHING seems to lighten up in the spring, including meals. That does not mean we must change our whole scheme in planning meals. But it does mean that a bit of springlike atmosphere is a welcome change from the heavy

Mushroom Meat Loaf is sliced and served cold for springtime meals.

- foods of winter.
- For instance, take this meat loaf. In cold weather it is savory served over-hot, accompanied by gravy and cooked hot vegetables. But for bright springlike days let us bring it to the table sliced cold and garnished with raw green pepper rings and radish roses. Start the meal with a stimulating hot soup, such as chicken soup, end it with fresh fruit and you have a delicious meal from start to finish—and a satisfying one, too.
- Mushroom Meat Loaf**
- 1 pound veal ground
 - 1 pound smoked ham, ground
 - 4 tablespoons tomato catsup
 - 2 tablespoons green pepper, finely chopped
 - 1 cup onion
 - 1 cup bread crumbs
 - 1 small onion, finely chopped
 - 1 cup fine dry bread crumbs
 - 1 teaspoon salt
 - 1 teaspoon pepper
- Mix the ingredients in the order given and pack into a loaf pan. Bake in a moderate oven (350°) for one hour to one hour and fifteen minutes. Serves 8.

A Good Candidate and One who has made a good record in Public Life

Ruling Handed Down By Attorney General Herbert

The law permitting redemption of used sales tax stamps at \$3 per \$100 from churches and other civic organizations is constitutional, Franklin County Common Pleas Judge Edward C. Turner ruled this week in dismissing the suit of a Cleveland Heights taxpayer to enjoin further payments.

Suit was filed against the tax commission challenging the law on the ground that it permitted expenditure of public money for purposes other than that for which it was levied.

In granting Attorney General Thomas J. Herbert's plea to dismiss the suit Judge Turner agreed that the law is valid. Approximately \$500,000 has been paid religious, and similar organizations for used tax stamps. The practice has, however, resulted in a huge increase in sales tax collections because customers demand the tax receipt, Mr. Herbert told Judge Turner.

Maintenance and subsistence granted a public employee means his own board and keep, but don't include feed, bed and general care of ponies owned by him, Attorney General Thomas J. Herbert ruled in an opinion to the Bureau of Inspection and Supervision of Public Offices.

The question has arisen in an examination of accounts of the City of Cleveland for years prior the examiner could make a find to 1931. Mr. Herbert held that ing against a former "farm" superintendent for keep of the ponies and also for money spent in keeping his wife's relatives and a maid.

Non profit hospital service as-

sociations are insurance companies and must pay the annual franchise tax, Attorney General Thomas J. Herbert ruled this week in an opinion to John A. Lloyd, state insurance superintendent.

The statute under which these associations are formed exempts them from property tax, but a franchise tax is not a property tax, but a charge for the privilege of doing business and was not repealed by the hospital service law, Mr. Herbert said.

In another opinion to Ward C. Cross, Ashtabula county prosecutor, Mr. Herbert ruled that when 75 per cent or more of the employees of a county wish to subscribe to a hospitalization insurance plan the county is to be considered as a single unit and not several units such as auditors office, treasurer and recorder.

Under this law the county commissioners are the employers although they have no authority whatever over the deputies in the several offices.

The school board of Deereck township in Madison county does not have to collect the penalty against the contractor building the new centralized school building because of failure to complete the building on time, Attorney General Thomas J. Herbert ruled in an opinion to D. H. Jackman, Madison county prosecutor.

Insertion of a penalty clause in a contract is not mandatory for school boards in their building contracts. If for good reason it desires to waive the damages for failure to do the work within time specified it may do so under the law, Mr. Herbert said.

Edna Danner, Helen Akers, Grace Felkes, Esther Hama ton, Messrs. Sheumate, LaMar, Fleagle and R. Byron Griest, Mr. and Mrs. Clay Hulbert, Mr. and Mrs. Chris Sheely, Mr. and Mrs. R. C. McBeth, Mr. and Mrs. Frank Davis, Mr. and Mrs. P. B. Stewart and Miss Mary Sheely.

TRACTOR IN DITCH

Chas. Lillo almost lost his tractor last Thursday when one of his employees, a young man, attempted to operate the machine in one of the celery fields. The youth, who was not familiar with its operation, attempted to do some plowing in a field. Coming to the end of the row, which was near a deep ditch, the boy could not stop the tractor before it made a plunge into the ditch. The tractor was salvaged with no apparent damage to the equipment.

YOUR OHIO COAL DOLLAR KEEPS HIS FUEL OFF ALIVE

The first of a series of 4 postcard seals boosting the sale of Ohio Coal was received today in Plymouth. It is a colorful little sticker, printed in black and yellow on a white background, about 2 in. x 2 1/2 in., illustrated with a coal miner waving goodbye to his family, and bearing the legend "Your Ohio Coal Dollar Keeps His Family Off Relief." The slogan "Burn Ohio Coal" will appear on all six of the series, according to word received from the Ohio Coal Soundation at Glouster, the sponsors of this campaign for the promotion of the Ohio coal industry.

"The State of Ohio consumes over three times as much coal as is produced in the state," it was stated by Charles Wallace, president of the Foundation. "Where per cent increase in the consumption of Ohio coal would nearly eliminate unemployment and relief in Southeastern Ohio, where unemployment conditions are desperate," Wallace continued.

"The slogan of the Ohio coal miner has always been 'Work, not Relief,' and the use of Ohio coal is not only a matter of state loyalty, but represents the saving of millions of dollars in relief costs."

The Ohio Coal Foundation, unusual in that it is organized and financed by the miners and business and professional men of Southeastern Ohio. A large number of the local unions make a check-off of ten cents per month per man, and other members pay a dollar a month dues. The Ohio Coal Exhibit at the State Fair was also sponsored by this organization.

Frank Weck, Lloyd Lippus and C. C. Moore attended the fiftieth conference of the American Legion held Sunday at Fremont.

Strange aftermaths not foreseen by the Ouija's inventors. Supposed to contact the spirit world, the mystic gadget kept the living and dead folk brothers apart, caused all kinds of trouble, even murder, in other families, but is credited with good deeds, too, such as transmitting ghost literature and finding lost music. Read about this strange case in The American Weekly, the magazine distributed with next Sunday's Chicago Herald-American.

Wheat Losses Due To Flood, Eligible For AAA Insurance

Indemnities on flood damaged wheat insured under the AAA wheat crop insurance plan will be paid as soon as verification of the loss is made by local county committees, Robert E. Finlay, County AAA Chairman, announced this week.

Farmers suffering total losses should request an inspection of the crop. If the inspection shows the crop to be a total or "substantially total" loss, the farmer may immediately file a claim for indemnity and obtain permission to put the insured acreage to other use. Full amount of the insurance in wheat or cash equivalent will be paid in the event of a total loss. Partial losses will be identified after harvest, when extent of actual damage can be determined.

Mr. Finlay pointed out that farmers may use the "deferred settlement" method of claiming losses. "If a grower wishes to postpone payment of the indemnity—as he might in time of rising market, he may ask for a deferred settlement with the privilege of rescheduling payment within 90 days. "In such cases," the chairman explained, "the cash equivalent of the indemnity will be figured on the basis of the price in effect of the day the notice is received by the Federal Crop Insurance Corporation at its Oak Harbor, Mich. Republic branch office."

MITE BOX OPENING AT MISSIONARY

Mrs. H. B. Postle opened her home Friday afternoon for the Attica, Bellevue and Smithville Quarterly Tea of the Methodist Missionary Society. Lutheran Sunday School Starts Drive For New Members

The First Lutheran Sunday School will begin a drive for new members, Sunday, May 4, at the regular 9:30 Sunday School hour. Two sides have been chosen to attempt to set a new stratosphere altitude record, one in the "Blue Dirigible" and the other in the "Red Airplane." The Classes that are to fly in the "Blue Dirigible" are the Alpha, the Young People, the Bright Star, the Fidelity, and the Primary Girls, while the passenger list of the

"Red Airplane" includes the Alice Willet Marcus, Sunshine, Primary Boys, and the Beginners.

Altitude points will be given for regular members who attend, for visitors, for new members, and for high offering side each Sunday. The side which flies the highest during the month of May will be treated to a covered dish picnic by the losers during the first week in June.

With the contest the Lutheran Cross and Crown pin system will be inaugurated for those who are regular in attendance. Special music has been planned for every Sunday, and a Sunday School or-

chestra has been organized to help with the hymn singing. Everyone is cordially invited to attend the First Lutheran Sunday School. Old members are especially urged to attend and those not belonging to a S. S. will be made most welcome.

Opportunity To Attend C.M.T.C.

HURON COUNTY COURT NOTES

Opportunity for a few boys from Huron County to attend the annual Citizens' Military Training Camp at Fort Benjamin Harrison during July still remains but it will require prompt action to insure the month's vacation at Uncle Sam's expense.

Major David S. Doggett, Executive Officer of the Toledo Military District, has announced that the boys in the cities and larger towns of Northwestern Ohio are rapidly filling their quotas.

Most of the rural counties have relatively small quotas for the camp and if not filled promptly are taken up by those from other districts.

The camp is from July 2 to 31 at Fort Benjamin Harrison, Indiana, for young men 17 to 24 years of age, physically sound, of good character, and normal intelligence. All expenses incident to the month's training are borne by the Federal Government which includes among other things transportation to and from camp and food, clothing and medical attention while there. The camp seeks to provide sports training, rudiments of military drill and training in citizenship. Many college scholarships are available to boys who make a good record at camp. The honor system governs camp discipline — there are no court-martials nor guard houses. If a boy persistently misbehaves he is sent home. Virtually all boys who attend camp gain in weight for they get good wholesome food and plenty of it. They acquire a better posture and physical set-up.

Boys in this county should get in touch with Major P. H. Fullstow, 90 West Main Street, Norwalk, Ohio, County Chairman, to make application, or write directly to Major Doggett, 402 U. S. Customs & Court House, Toledo, Ohio.

The death claim case of Mrs. Ada E. Good versus the Nickel Plate Railway, went to trial Monday morning before Judge E. G. Martin the following jury: F. T. Robbins, Mrs. Arthur Poins, Mrs. Mina L. Ove, Jennie Garner, Melvin Lutz, Mrs. Rolland Anthony, Isabel Evans, Will H. Darling, Clarence Miller, Mrs. Herman Daniel, Mrs. Hazel Coer and E. R. Reilly. The husband of Mrs. Good died of injuries received while employed at the ice plant in the Nickel Plate yards at Bellevue.

ASHLAND, OHIO

Astro-Aid .. Department

C. O. L.—You inquire about business conditions during 1940. It appears that the past-gone year has been rather a negative, erratic one for you. During May, June, and the summer months, you can make solid, worth while headway if on the alert for every possible opportunity. Some time during the year you will progress. Moon squares your birth Sun; this usually indicates a crisis, domestically and professionally, but the month when this aspect will operate cannot be determined as your birth hour is not at hand.

However, you have a favorable Mercury-Venus progressed aspect on during the spring and summer. This should benefit you in a material way, bring opportunities for financial increase, and if not married, a chance for a union. Pleasant trips and changes promised. Deal with young people. If interested in artistic affairs, push your intertal work along such lines. Overcome "competition" by cooperating with your rivals, by observing their tactics and improving on them.

F. A. G.—"Chances for Wealth." Your horoscope shows a strong money bias, as you were born with the Sun, and three planets all clustered in Scorpio, sign signifying the finances of partnership, and of others. You can gain through partnership, marriage, and in affairs connected with the dead. Also in business, if you develop your more practical assets. Money-making possibilities show up so make the most of them! During 1940 and 1941, you have a Mars-Uranus sextile aspect on, promising gain through travel, change, invention, political or governmental work, electric machinery, and aggressive business methods.

M. I. J.—Business conditions should be fairly good during the year. However, certain astro-points in your chart warn you to be wary in financial dealings with others, and with money which may be connected with partners. Try to progress more independently. You should always be careful in your travels, or signing contracts and notes.

and in relations with the press or publishing interests. Gain can come through real estate and property development.

R. J.—This child, born in 1932, may eventually show musical inclinations, but I think literature offers the best vocational promise. He is more mental than artistic, is ambitious, sensitive and intuitive and should ultimately show an ability for writing. Speaking also will be right in his line. The intellectual side of the nature should be developed all possible.

"Traveler"—You inquire about health, danger of accidents. Physically, you should be right robust, possessed with a wiry, vital constitution. You may suffer sudden, sharp, acute ailments at times in your life, but should always make a gallant "come-back," as your recuperative powers are pronounced. You are subject to accidents involving the head, limbs, gastric upsets due to excesses and unwise eating habits; deficient circulation. Plenty of fresh air and out-door exercise, coupled with adequate sleep represent your best tonic. Protect the eyes from strain and accident. Also avoid sudden physical, mental or emotional changes which might bring on strain. The back and heart will suffer from overwork, physical or emotional. Practice moderation in everything.

During the present year, you may undergo a disappointment in love, so make no rash agreements with the opposite sex.

"Sitts and Gumpfrey" (wins)—Born within five minutes of each other, one horoscope serves for both of these maidens. Nursing, among other things, would be a good bet, vocationally speaking. Technical, secretarial and work demanding a quick, analytical mind is right in their line. . . One of the mental-manual trades is suggested. They may show artistic inclinations, and their horoscope indicates some talent for the dramatic. Money-earning powers are shown clearly; in fact, they should derive much pleasure from handling money. Possibly they will want to be writers in time! There should be no trouble in their becoming properly vocationally oriented, for their chart indicates that they possess a sufficiently strong urge, or inner drive, to eventually decide for themselves what step to take.

Lutheran Church to Commemorate Mother's Day, Sunday, May 12

In keeping with the now well established custom the Lutheran Church will hold a special service to commemorate Mother's Day on Sunday, May 12th.

Each year this Service has grown in beauty and meaning as more and more Mothers worship with their families in the Service of the day. Last year seven dozen rose buds were distributed to the Mothers as a fitting reminder of the beauty of the lives which they have brought into the world.

The Church and its Pastor sincerely hope that the Mothers of the Congregation and all others who want to share in the joy of this beautiful Service will be present on Sunday May 12th together with their families.

TEMPTING MENUS

by PAULINE SCHOFIELD

"Request Numbers"

Recently during one of my contacts with a housewife who is also an employed business woman, a charming hostess and a most devoted mother—the conversation centered around food, as it often does. Her story was of such interest to me that I felt sure you would enjoy hearing about it. This mother sets aside Saturday as request day for the five members in her family. On this particular day—she plans a meal including the various request numbers each person has looked forward to during the week.

Perhaps this little story brings a smile to your face because your own family has many times said, "Mother, I'm hungry for . . ."

Are these among their favorites?

- Ham Loaf**
 - 1 1/2 lb. lean smoked ham, ground
 - 3/4 lb. lean fresh pork, ground
 - 1/4 C. soft bread crumbs
 - 1 1/2 tsp. Worcestershire sauce
 - 1/4 tsp. pepper
 - 1 egg
 - 1 C. milk
 - Flour
 - 6 medium-sized potatoes
- Mix together meats, crumbs, seasonings, egg, and milk; shape in loaf, lay in greased roaster and sprinkle with flour. Place potatoes, parboiled 10 minutes, around roast and bake in moderately hot oven, 375 degrees, about 1 hour, or until browned, turning potatoes several times during baking. Serves 6.

- Hot Potato Salad**
 - 4 medium-sized potatoes
 - 1 lb. bacon
 - 2 Tbsp. sugar
 - 1/4 C. vinegar
 - 1/4 C. water
 - 1 tsp. salt
 - Pepper
 - 4 hard cooked eggs (optional)
 - 1 onion
 - Parsley or chives
- Boil potatoes, peel and slice while hot. Cut bacon in small pieces, saute. Pour off most of the fat. Add sugar, vinegar and water to bacon and part of the fat. Heat but do not boil. Add to potatoes with salt, pepper, two eggs sliced, and onion. Use remaining eggs, sliced, as a garnish with parsley or chives.

- Fudge Cake**
- Cook together in double boiler until well blended:
- 1/2 C. sugar
- 1/2 C. milk
- 1/2 C. cocoa or 3 sq. unsweetened chocolate

Allow to cool while preparing the following batter:

- 1/2 C. shortening
- 1/2 C. sugar
- 3 eggs, separated
- 1 tsp. vanilla extract
- 2 1/4 C. sifted flour
- 1 tsp. baking powder
- 1/2 tsp. soda
- 1/2 tsp. salt
- 1/2 C. sour milk or buttermilk

Cream shortening and sugar until light and fluffy. Add well-beaten egg yolks and vanilla. Add remaining ingredients. Sift flour, baking powder, salt and soda together and add to creamed mixture. Fold in stiffly beaten egg whites. Bake in greased layer cake tin in moderate oven, 350 degrees, for 25 minutes. Makes three 9-inch layers. Put together with your favorite fudge frosting.

Huron County WPA Sew 14,837 Garments

Hundreds of needy Huron County families have benefited through WPA sewing projects operated during the past four and one-half years. All of the 14,837 garments and other articles made during this period have been distributed free to relief families by the Huron County Relief Agency. G. W. Lawrence, Referral Agent, County Commissioners who sponsored this project were O. K. Austin, C. H. McMann and Eben Lawrence.

Of the 14,837 garments distributed, 1591 were men's; 3432, women's; 1761, boys'; 2433, girls'; 2329, infants and other articles, 3291. It is held by the relief agencies that the distribution of this clothing has materially lightened the burden of cash expenditure for relief.

Above are shown typical scenes from a WPA sewing unit such as has been operated in this county. Top picture shows how workers, under experienced forewomen, are grouped for high speed production; lower left, all garments

must meet high standards of workmanship, every garment being inspected as shown, lower right, pockets and other details needing extra strength are reinforced by special tacking machines.

Program For Recovery Outlined By White

DUDLEY A. WHITE

COLUMBUS — (Special)—Congressman Dudley A. White, of Norwalk, candidate for the Republican nomination for United States Senator, is on record in favor of no compromise on the principles of the Republican recovery program. He outlined the program at the Republican state-wide meeting here.

"If this nation will take politics out of relief," he said, "if it will preserve the American market for the American farmer; substitute a program of plenty for the doctrine of scarcity; if it will put more business into government and less government into business; return to a sound fiscal policy to restore confidence, curb reckless spending and waste; if it will take the guess and gamble out of Social Security laws and administration; if it will restore the government to its proper role of impartial referee in labor disputes; if it will restore to Congress the powers delegated to bureaucracy and above all, if it will reestablish constitutional government, then we shall see the greatest forward surge of recovery and re-employment ever recorded in history."

OBITUARY

MRS. ANNA LAMM WATTS—Anna Lamm was born at Peru, Ohio, Jan. 18, 1885. She died at Toledo, Ohio, April 30, 1940. She was the daughter of Geo. and Katherine Dehee Lamm. At an early age she united with the Universalist church of Peru. She received her education in the Peru schools and later became a teacher in some of the rural schools of this county. On December 25, 1899 she was united in marriage with Estell Watts. To this union four children were born, Henry of Plymouth, Woodrow and Mrs. Lee Shodorf of Willard and a son who died in infancy. Besides the husband, two sons and the daughter, she is survived by one sister, Mrs. Charles Meyer of Clyde, two brothers, Theodore Lamm of Newark and Arthur Lamm of Cleveland, and five grandchildren.

Mrs. Anna Watts was of a jovial disposition and until illness overcame her she was ever happy in her walk of life, whether she was a matron in the farm home or was engaged in other lines of work. Her husband, two sons and the daughter, she is survived by one sister, Mrs. Charles Meyer of Clyde, two brothers, Theodore Lamm of Newark and Arthur Lamm of Cleveland, and five grandchildren.

lines of work. We remember her as a contented, happy wife, mother and a friend to all. She loved life and would have been happy to have lingered longer, had it been God's will.

"Dear one, thy trials are ended,
From pain and sorrow free;
And the loved ad ever loving
Can but rejoice with thee.

All joys of earth are fleeting
Breath, as the morning dew;
And tender ties now broken
'Twere cruel to renew.

'Tis hard to know thee breathless
'And mingled with the dust;
'To know the ship has sunk,
Voiceless, into dust.

But even in the watchful hours
A wreck will end us all,
And the morning as well as the evening,
Will grow dark at the Father's Call.

Clarence Simeon Carnahan
Clarence Simeon Carnahan was born Oct. 18, 1869 in Bluffton, O. The son of David and Elizabeth Carnahan, both of whom preceded him in death.

On November 8, 1891 he was united in holy matrimony with Ella May Deisler in Attica, Ohio. To this union were born four children, two sons and two daughters. The daughters are namely, Bessie P. Caldwell of Plymouth, and Nema May Cook of Attica, Ohio, and the sons, Russell F. of Ashland and Carl C. of Plymouth. His wife, Ella May, preceded him in death on April 23, 1937.

In November, 1939, he was united in marriage to Josephine Clymer of Bluffton, Ohio, who remains to mourn his departure with the children, also seven grandchildren, and one great grandchild, and one brother Lemuel H. of Benton Ridge, Ohio.

The passing of this beloved man removes from the community one whose presence will not only be missed by the immediate family and friends, but the entire community.

HOME FROM THE OLD SOUTHLAND

Back from Florida—that is the story which the lighted windows in the home of Mrs. Hattie Perry on West Broadway told to her neighbors on Sunday evening.

Mrs. Perry, and her friend, Mrs. Nora Clark Henry of North Fairfield, after spending the winter months at Lake Worth, Florida, drove back north with Mrs. William Kast, of Cleveland, and arrived in this little village early Sunday afternoon.

They returned home with a different route than they had taken on the way southward in 1930, were fine people to be acquainted with. The motor party also spent the night at a tourist rest called Perry Court, in Georgia.

These winter residents of Florida all seem very glad to be home, and one of them remarked that it was fine to be back in the Ohio springtime and that, though the winter was grand in Florida, she wouldn't go back to the south right now even if all her expenses were paid. (Three cheers for Ohio—we like life here even if the snow did spend the winter with us!)

and came through country boasting some of the finest scenery in these states. Of course, fruit trees were in bloom, and also other flowering trees. They drove thru and over the Alleghenies and the Smokies and crossed the Ohio to spend the night in Elizabethton. The states through which they passed were—Florida, Ga. Tenn., Kentucky, and then Ohio.

One interesting place at which they stopped on the way home was at the Country Parson's tea room. The managers are retired missionaries from South America, and besides having a fine over-night accommodation for tourists,

Plymouth Women Sew For Red Cross

Some women no matter how busy they are with their own homes and duties, always find time to assist in aiding others when called upon. So it is in Plymouth when the Red Cross asked for volunteers for sewing, knitting, crocheting and other work to be done for war refugees,

they immediately set aside their own work for the time being and took up the Red Cross work. While not as large as other chapters in the Mansfield organization, of which Plymouth is a part, proportionately they accomplished much more. Out of a quota of twenty-five "Passant shawls" assigned to the Mansfield Chapter, eleven were completed by Plymouth women.

Yarn is supplied by the Red Cross and the ladies do the work. The shawls are loosely knit from black yarn and are circular in design. Women doing this work locally are Mesdames J. T. Gaskill, John A. Rook, Neal Shepherd, A. F. Donnerwirth, Ed. Harry, Marie Gardiner, Mark Caywood, Goldie Mills, Mary Fleck, and Genie Dawkins. Mrs. H. J. Lippus knitted a sweater which had been requested.

Dresses, (Princess style), have been completed by Mesdames T. Woodworth, O. Lamoreaux, T. Ford, A. W. Bartholomew, Clay Hubbert, Julia Rowe, Dollie Young Harry Shutt, Carl Lofland, Lewis Gebert, Charles Beaver and Tena

Merriman. There is still work to be done and women who are willing to donate their services, may get in touch with Mrs. G. W. Pickens, chairman.

The quota assigned to Richmond county this year include twenty-five men's sweaters, and seventy-five children. A total of forty heavier dresses for women and eighty for children as well as mittens eleven inches wide and seventy-two inches long, have been requested.

The need in this great work is enormous and Plymouth women are doing their share to lighten the misery and burdens of war-torn Europe.

CARD OF THANKS
We sincerely wish to thank our neighbors, friends, Maids of the Mists, Plymouth Grange, Dr. Hamman and Moffat Shelby hospital and Rev. R. T. Crows, and to all those who sent flowers and furnished cars, and to those who assisted in any way, during the illness and death of our wife and mother.
