

DEATH ENDS LONG ILLNESS

MRS. RAYMOND BROOKS PASSES AWAY THURSDAY; SERVICES SATURDAY

On Saturday afternoon the relatives and many friends of Mrs. Margaret Elizabeth Brooks paid their last tribute to her by their attendance at the services in the Methodist church. "It has been truly spoken, that 'the measure of a life is not judged by the length in years, but by how these years have been spent.'" This friend of ours will be sadly missed, of course, but the years of youth that were allotted to her could that she leaves is one of good.

Her death occurred on January 9, 1941, at the home of Mrs. Harry Brooks, just west of Plymouth, and ended an illness which had confined her to her bed for nearly seven months. Her health had been gradually failing for several years. She was 33 years of age.

She is survived by her husband, Raymond Brooks, her parents, Mr. and Mrs. Walter Holmes, two brothers, Raymond and Edward, at home, and other nearby relatives, and a host of friends.

She was born in Liberty, Crawford county, and spent her early life there. She attended and graduated from the Sulphur Springs high school, and later from the Tiffin Business college. On May 19, 1924 she was married to Raymond Brooks, and the remaining years of her life have been spent at their home near Plymouth. She was a member of the Methodist church and active in its organizations, and was also a member of the Addie Mays Missionary Circle of the Lutheran church.

Wherever she lived and worked she left a spirit of friendliness, and her interest in her various activities accomplished much. Although we shall often feel our loss by her death, how glad we are that we have had her companionship this far along the way. From her we have learned a lesson of cheerfulness, faith, kindness and courage.

These lines have been used so very often before, but they can be repeated again, for they so truly remind us of Elizabeth:

"I cannot say, and I will not say That she is dead. She is just away!

With a cheery smile and a wave of the hand She has wandered into an unknown land

And left us dreaming how very fair

It needs must be, since she lingers there, And you—oh, you who the wildest year

For the old-time step and the glad return

Think of her faring on, as dear

In the love of There, as the love of Here.

Think of her still as the same, I say,

She is not dead—she is just away."

—Riley.

RYTES HELD FOR MRS. WHEATON

Funeral services for Mrs. Jessie Cashman Wheaton, who died Tuesday at her home in Cleveland, were held Thursday in Cleveland at London church. Interment was made in London cemetery.

Surviving are her husband, Charles W.; two daughters, Mrs. Emma E. Glimore and Mrs. Arta W. Scott of Cleveland; two brothers, Ed and Sam Cashman of Shelby; also two sisters, Mrs. Mae BeVier and Mrs. Grace Artz, both of Shelby.

Silver King Bowling League Hangs Up A New Record At Mans.

The Silver King tractor boys a record in the Transportation Bowling league at the Meder Recreation alleys in Mansfield on Tuesday evening, Jan. 7.

Resuming league competition, after a three-week layoff, against Page Dairy, the team amassed a total of 979 pins in the initial game, breaking by five pins the old record of 973 held by Globe Steel. Dawson, Dick and Biller came through with games of 207, 207 and 201, respectively. There was a thunder of balls in the Meder alleys. A crashin' of toppin' pins. Nine-seven-eight. A record falls As the team from Plymouth wins.

They had to bowl, those Silver Kings; The whole team had to click, From Dashi'n Davey Shields on up

To Jarrin' Johnny Dick.

And bowl they did and win they did,

Let's give the team a cheer

And hope they roll a thousand more.

The season ends this year.

—"The Reporter."

BROTHERHOOD TO HOLD MEET

An important meeting of all men who are interested in continuing the activities of the Brotherhood is called for tomorrow night at 7:30 p. m. in the annex of the Lutheran church.

This meeting is intended not only for the men of the Lutheran church, but for all those men who have taken an active part in the Brotherhood in the past.

The work of the Brotherhood, its work more successfully, will be discussed in an effort to find the methods of conducting its work more successfully.

Three Local Boys Included In Quota

Three local young men and one from R. F. D., Shelby, will know here, are included in the quota of 115 young men who will make up Richland county's second contingent of volunteers and draftees for a year of training at Camp Shelby, Miss.

Those included in Draft Board No. 3, Richland County, are Wm. Lawrence Cornell, Monroe Henry Van Wagner, Wayne Melvin Gebert and Carl Burton Spensler, Shelby, RFD 3.

From Shiloh the following were called: James DeLancy Kuntz, Charles Ray Fox, James Robert Brown and John Albert Ray Lasser, R. F. D.

SAME TACTICS IN ROBBERY

Shiloh—Frank Beck had a harrowing experience at his home on Friday night. Mr. Beck lives south of town and raises vegetables on his farm.

About 8:30, two men went to his home on the pretext of purchasing potatoes and onions. They grabbed him, bound and gagged him, took \$25 in money and his gun. They then left, locking the door on the outside and threw away the key.

Sometime during the night Mr. Beck managed to free himself and in the morning called the county officials. The sheriff, Frank Robinson, with a deputy, immediately responded and made a careful investigation. It is hoped that the perpetrators of the crime will be found and given full punishment.

Mr. Beck, who lives alone, is not in good health, and was unable to meet those kind of men.

Monday morning, Mrs. Robert Lofland of Shiloh called on her grandmother, Mrs. Emma Landis,

FLU SPREADS, SCHOOLS CLOSE

SCHOOLS CLOSED AS TEACHERS BECOME AFFLICTED WITH DISEASE

In an effort to curb the "flu" in Plymouth, Supt. E. L. Bailey announced Tuesday afternoon that the local schools would close for the remainder of the week—reopening on Monday, Jan. 20.

A total of 146 were absent Friday due to illness and while a few of this number returned to school Monday, approximately 130 were still absent on Tuesday. In the fifth and sixth grades only sixteen were present; seven were reported absent in the first grade with other grades proportionately. At the grade schools, Miss Danner, Miss Akers and Miss Feikes were absent; several members of the high school faculty were also absent and with classes so disrupted, it was deemed wise to close them entirely for the remainder of the week.

The churches are cooperating with the community effort to counteract the epidemic and the activities of the church on Sunday will be open only to those above high school age. The theatre, gathering places of the younger element, at the grilles and other meeting places, are asked to cooperate as well as the parents to keep their children home and away from crowds as much as possible. Only by fullest cooperation can the community benefit.

Neighboring schools at Willard, North Fairfield, New Haven, Wakeman, Shelby and Gallon have already been closed and activities canceled.

A large number of adults, men in business and professional work are also 'sick in Plymouth, and practically every business house has one or more absent from their work. The Fate-Root-Heath Company was also badly handicapped by lack of workers.

While the epidemic is not proving fatal, it does cause much inconvenience to one's feeling, and precaution should be taken in avoiding being afflicted with it.

NAME CHAIRMAN FOR CAMPAIGN

MRS. MABEL McFADDEN TO HEAD "MARCH OF DIMES" IN PLYMOUTH.

Mrs. Ruth Friend of Norwalk, Huron County Chairman for the campaign for the Fight Against Infantile Paralysis, was in Plymouth Friday to contact a local chairman and outline tentative plans of the committee for this year's program.

Mrs. Mabel McFadden has accepted the chairmanship and will receive this week a quantity of literature and coin collectors to be placed in local business places. The "March of Dimes" cards are principally used for private contributions or for use of hostesses at card parties. The school contributions will be taken care of through the county school superintendent.

Mrs. Friend stated that during the past year the county fund has been used to benefit two children in the county, who have suffered from the disease. One youth has been supplied with braces necessary to the curing of his affliction, while another at the present time is receiving hospitalization with the aid of the fund.

The annual ball, which is the highlight of the campaign, will again be held in Norwalk and Plymouth will be classed in with the Huron county organization.

Responding to the nationwide enthusiasm which has been pouring into headquarters, Keith Morgan, national chairman of the committee for the celebration of the President's Birthday, is on a swing across the country.

(Continued on Page Eight)

S. S. ELECTS NEW OFFICERS

The annual election of officers for the Lutheran Sunday school was held on Sunday, Jan. 5th.

Orva Dawson was elected superintendent with James Root, assistant. Miss Arlene Ford was selected as secretary and Miss Grace Feikes as treasurer. The music of the school will be handled by Mrs. Robert Schreck, pianist, and Sherman P. Moist, chorister. Miss Grace Earnest returns to the control of the Beginners and Primary Department, while Mrs. Glenn Dick is in charge of the cradle roll department.

An attendance contest has been started with the school divided into equal sides. The contest has been underway for two weeks and already has resulted in the addition of more than twenty additional scholars to the weekly roll. Four weeks more of the contest remain and should show even a greater increase. The side which loses will give the winning side a Valentine Party as their reward.

WANTED: YOUNG MEN TO WORK

NYA REPRESENTATIVE HERE TUESDAY TO RECEIVE APPLICATIONS

A representative from the NYA out of Toledo will be in Plymouth next Tuesday morning at 11 a. m., at the Plymouth High school to accept applications from interested youth to work on local projects.

Those applying must be a citizen of the United States between the ages of 18 to 24 years; unemployed or working less than 100 hours per month. Youths 16 or 17 years of age will be accepted if they are graduates. Applicants accepted will receive \$18.20 for seventy hours of work which will be on local projects. The NYA is expanding its program to provide work for young men and women and those interested are asked to be on hand next Tuesday morning.

To Work On Park If present plans materialize, work will be done on Plymouth's new park, which will include fine grading, seeding, tree planting, construction of shelter house, tree trimming, construction of brick fire ovens and stone drinking fountains and painting.

Labor will be provided and paid for by NYA funds, but the village of Plymouth must cooperate by providing the materials, tools and supervision. This of course will take money and a canvass is in the offing for free will contributions.

DONALD AKERS OPENS OFFICE

Plymouth's youngest attorney-at-law, Donald E. Akers, now has opened his office at his residence at 53 W. Broadway, and plans to handle all practice from that location until such a time as he is able to find suitable office quarters in the business section.

Set Marriage Date For Miss Jean Curpen

The approaching marriage of Miss Jean Curpen, of Columbus, daughter of Mr. and Mrs. Edward B. Curpen, Plymouth, to Mr. James Hiatt Dones, son of Mr. Hiatt Slaback Dones, 483 King avenue, Columbus, has been announced for Saturday, January 25, at the home of the bride's parents, on Sandusky St. The ceremony will be performed at 3:30 p. m. by Rev. Richard C. Wolf, in the presence of the immediate relatives.

"DOC" HELPER HAS ANOTHER BIRTHDAY "A finer day," and a "finer birthday" to Elias Helfer, who will be just 81 years old on Saturday, Jan. 18. "Doc," as he is familiarly known, will spend the day in Mansfield with his daughter, Mrs. Florence Helfer Erwin and husband, where a birthday dinner and cake will be served the immediate family.

"Doc" seemingly never changes and enjoys every day, doing his own work, preparing his meals and even canning his own fruit in season.

NEW DIRECTORY NOW AVAILABLE

The new 1940-41 directory of the Ohio Seed Improvement Association, the designated agency for the certification of field crop seeds, is now available for distribution. This new directory entitled "Buyer's Guide of Ohio Inspected Seed" is a publication of forty-seven pages, listing over 550 farmer producers of Ohio Certified Seeds.

Most of the listed are growers of Ohio Certified Corn Hybrids, but also producers of Ohio Registered wheat, oats, and soybeans are included.

Producers listed in the new "Buyers Guide" from Richland county are:

L. R. Clever and Son, Shiloh, Rt. 2; Vance Clever and Sons, Mansfield, Rt. 6; D. R. Culler and Sons, Lucas, Rt. 1; Max Drake, Lucas, Rt. 1; Lester G. Laniz & Sons, Mansfield, Rt. 1; Clarence G. Tugend, Perryville, Rt. 2; O. E. Wells, Shiloh, Rt. 3; Cyrus Tucker, Shelby, Rt. 3.

Copies of the directory may be secured from any producer of Ohio Certified seed, county agricultural agent or Ohio State University, Columbus.

False Alarm

An overheard rumour caused considerable excitement in Plymouth Monday morning about 10 o'clock. A fire alarm was turned in by Ora Frumfelter, who occupies the Babcock property on Sandusky street, when his home became filled with smoke.

Investigation disclosed no damage, but possibly a celluloid article in the register was burned when the furnace became too hot, causing the house to fill with smoke.

MEET IN SHELBY TODAY

Annual policyholders meeting of Richland Equity Mutual Fire Insurance association will be held today, Jan. 16 at the First Lutheran church in Shelby. The all-day meeting will feature a dinner at noon served in the educational addition of the church. The election of directors for 1941 will take place.

Advertiser Begins Its 17th Year Under Same Management

It doesn't seem possible, but the calendar says so—The Advertiser will begin its 17th year under the management of P. W. Thomas on the 19th, which, to think of it, it was also a Sunday that we arrived and was shown over the town, including the stone quarry, by Jack Hampton, who was then in charge at that time. It was a cold blustery day and the Smith Hotel didn't seem much warmer, and we wondered what the years would hold forth.

Well, we can look back over the years now and find plenty of grief, sorrow, laughter, friends, and even enemies we suspect, at times. But on the whole, we can't complain—we have given our best—tried hard to please and hope that our readers will bear with our mistakes; assist us in putting out a good, newsy, clean sheet that will be an asset to the community, and that the years to come will be as pleasant as in the past. H'm, sounds like an after-dinner speech. We thank you!

PLYMOUTH HAS INCREASE OF 29

HOUSING PROBLEM KEEPS GROWTH OF VILLAGE TO MINIMUM

Mayor Wm. Johns received official notice this week from Geo. M. Neffer, Secretary of State, that Plymouth's population is 1403, according to figures just released in the 1940 census. This is an increase of 29 over the previous census of 1930.

A proclamation duly signed and sealed and similar to a certificate, has been received by Mayor Johns, reading as follows:

"The result of the Federal Census of Nineteen Hundred and Forty for the State of Ohio and the various political subdivisions thereof having been officially made known to me, I, Geo. M. Neffer, Secretary of the State of Ohio, complying with the provisions of Title XII, Division 1, Chapter 1, Section 3498 of the General Code of Ohio, do hereby make proclamation that the municipality of Plymouth, Richland County and Huron County, Ohio, according to said Federal Census of Nineteen Hundred and Forty has a population of 1403 and shall, from and after thirty days from date of this proclamation be known as a village by virtue of and in accordance with said title.

"IN WITNESS WHEREAS, I, GEO. M. NEFFNER, as Secretary of State of the State of Ohio, hereby set my hand and affix the official seal of the Secretary of State of the State of Ohio, at Columbus, this Ninth day of January, A. D. 1941.

"GEO. M. NEFFNER, SECRETARY OF STATE"

With Plymouth's only industrial plant, the Fate-Root-Heath Co., operating at a normal capacity for the past two years, and for the past year with a greater number on the pay roll than for some time, it is believed that the shortage of houses in Plymouth has forced many of the men who work at the shop here, to continue their residence elsewhere.

If suitable homes could be provided there is every reason to believe that the growth of Plymouth would be assured for the next few years.

MEN'S MEETING POSTPONED

The meeting for the men of the Plymouth Methodist church which was to have been held last Thursday evening was postponed on account of the illness of many of the men. The date has been changed to Thursday, Feb. 6, with the same speaker, Dr. Meister, and all men are urged to keep this date clear. Further announcement later.

BANK RE-ELECTS ITS OFFICERS

SUBSTANTIAL INCREASE REPORTED IN SAVINGS ACCOUNTS; GOOD YEAR

John I. Beelman will again head the Peoples National Bank for the ensuing year, assisted by its present staff of officers and directors, which were re-elected at the annual stockholders meeting Tuesday, Jan. 14th.

Reports given indicate a very good year with total resources amounting to \$90,000. The surplus of \$32,000 was increased to \$40,000, an increase of \$8,000. The officials also report that a 6 per cent dividend was declared to stockholders, and that the savings accounts were also substantially up.

The officers include John I. Beelman, president; J. E. Lofland, vice president; Carl Lofland, cashier; Earl Cashman, bookkeeper. Directors re-elected are N. B. Rule, Fred Nimmons, J. E. Nimmon, J. W. McIntire, John I. Beelman, C. M. Lofland and J. A. Root.

SHILOH NEWS

EMILY M. ROSE DIES AT AGE 86

ILL FOUR YEARS, MRS ROSE RELEASED BY DEATH FRIDAY

Miss Emily Maria Rose, 86, died Friday evening at the Nesbitt convalescent home. She had been ill and helpless for nearly four years.

She was born July 3, 1854 on a farm about one and a half miles east of town and was the daughter of Rev. Thomas and Betsy Anne Rose. Her father was a United Brethren minister. She was a member of the United Brethren church in Shelby. She was a life-long resident here, and was quiet and unassuming. Although unable to attend her church services for a number of years, she gave of her loyalty to both churches in this place.

She kept the old home until she was the last of a family of nine, and then on account of her infirmities, entered the convalescent home.

Surviving her are eleven nieces and nephews. Miss Anna Benton, Miss E. Floy Rose and Earl White of this place; Mrs. W. W. Young of Cleveland; Mrs. Ada Sage and Judson Rose of Cardington; Mrs. M. B. Munn of Shelby; Mrs. LeRoy Dickerson of Mt. Victory; Mrs. Hazel Harrison of Bellvue, George White of Dayton and W. C. White of Toledo. One sister-in-law, Mrs. C. H. Rose of this place.

Funeral services were held on Monday afternoon at 2 o'clock at the McQuate funeral home.

Rev. John J. Searle, pastor of the Shelby United Brethren church, officiated. Burial was made in Mt. Hope cemetery.

Relatives from out-of-town at the services were Mr. and Mrs. W. W. Young of Cleveland, Mr. and Mrs. C. G. Steele of Mans-

field; Mr. and Mrs. M. B. Munn, Mrs. C. E. Rose, and Miss Flossie Rose of Shelby.

RECEIVING HELP

FROM MANY
During the news report of "Mud" Gardner over WMAN Monday, he announced the many gifts of household furniture that Eugene Otto had received and thanked the donors for their hearty response. Mr. Otto said that most of the gifts were better than any he ever had. Mr. Otto's home was just south of Shiloh, a couple of miles, and he recently lost everything by fire. The call for Gardner made from the local station, was given quick response.

MEETING POSTPONED

The B-Square club will meet Wednesday, Jan. 22, at the home of Mrs. Robert Forsythe, L. C. an all day meeting. The meeting was postponed one week on account of the Institute.

LAST RITES HELD FOR HENRY DRIER

Mr. and Mrs. Herman Garrett attended the funeral of the latter's father, Henry Arthur Drier, which was held at the Barkdull funeral home in Shelby Saturday. Mr. Drier, 86, died at the Toledo hospital on Thursday. He was a native of Copley.

Surviving are the wife, one son and three daughters.

ATTEND CHURCH GROUP MEETING

Jesse Huston and E. L. Clevenger attended the Discussion Council held at Delphi on Monday evening for the Methodist churches of the Norwalk district.

Lutheran Church Notes

At the Congregational meeting of Mt. Hope Lutheran church on Sunday, C. C. Swartz and Lloyd Black were chosen members of the church council. Carl Coad, Jr., supply pastor. Sunday school at 10:00. F. C. Dawson, Supt.

Public worship at 11:00.

The Regular meeting of the Loyal Daughters class, which was to have been held Friday evening, Jan. 17, has been postponed on account of the sickness in this community.

REMOVED TO HOME OF SON

Mrs. Barbara McDowell, who has been at the Nesbitt home for several months, was removed to the home of her son, W. J. McDowell, on Sunday evening.

PAST MATRONS ENTERTAINED

Mrs. F. C. Dawson and Mrs. E. E. Pollock entertained the Past Matrons club on Friday evening in the club rooms of the Masonic Temple.

Mrs. Dawson presided for the business meeting. Miss Ollie Zeigler reported for the nominating, which recommended retaining the same officers for another year. The acceptance was unanimous.

A special feature of the evening was the initiation of the recent worthy matron of Angelus chapter, Mrs. Schuyler Zackman, into the club. Mrs. A. W. Firestone and Mrs. J. B. Zeigler had charge of the initiatory program. Cards and games were also enjoyed by the members.

FARM WOMEN ENTERTAINED

Nineteen members of the Rome Country Club enjoyed an all day meeting Wednesday at the home of Mrs. Thornton Kissell. This club has been active in sewing for the Red Cross.

SINGS OVER THE RADIO

Miss Ariene Garrett, daughter of Mr. and Mrs. Hobart Garrett, was one of the singers on the Amateur Hour on WMAN in Mansfield Sunday.

ATTENDS FUNERAL OF RELATIVE

Mrs. Grayce Dwire attended the funeral of her brother-in-law, Dr. H. E. Dwire, at Bucyrus on Friday. Mrs. Dwire and Mrs. Gloyd Russell were callers at the home on Thursday.

INSTITUTE PLAY

The play to help defray the expenses of the Institute, "High Pressure Homer," has been scheduled for Friday evening, Jan. 31. A complete synopsis will be given in next week's issue.

MORE SICKNESS

The flu epidemic in this community is on the increase. On Monday, 129 pupils were absent from the school.

Miss Vera Southwick was a Sunday guest of Mr. and Mrs. Willis Brock of Mansfield.

Mr. and Mrs. Paul Kranz and son Tommy were Sunday dinner guests at the home of the former's mother, Mrs. Sarah Kranz of Mansfield.

Mr. and Mrs. Hugh Boyce spent Sunday evening with Mr. and Mrs. Merton King at New London.

Mr. and Mrs. Harold Company of Mansfield were callers of Mr. and Mrs. E. H. Mellick, Sunday.

Mrs. Jean Gilbert, daughter of Jean, and son Charles, of Mansfield, were callers at the home of Mr. and Mrs. Jesse Huston Sunday.

Mr. and Mrs. Scott Donaldson of Mansfield spent Sunday with Mr. and Mrs. C. D. Nelson.

Mr. and Mrs. Hugh Boyce spent Sunday with Mr. and Mrs. C. D. Nelson.

Mr. and Mrs. Raymond Harnly of Mansfield spent Sunday afternoon at the home of Mrs. Grace Harnly.

Mr. and Mrs. Hobart Garrett and two children were callers of Mr. and Mrs. Fred Stroup of Shelby, Sunday.

Lawrence Stone and family and Arthur Stoner, all of Lexington, spent Sunday afternoon with Mr. and Mrs. G. S. Stoner.

Mr. and Mrs. Elmer Lantz and son Robert of Ashland, were visitors of Mrs. Catherine Arnold Sunday.

Mrs. S. L. Earheart of Mansfield, and Max Earheart of Columbus, spent Sunday with Mr. and Mrs. William Lookbaugh.

JURY PANEL OF 16 SELECTED

A petit jury panel of 16 prospective jurors for the January term of court was drawn Saturday by the Richland county jury commission.

The jury is scheduled to convene for its first session at 9 a. m., January 27. Approximately 15 cases have been scheduled for trial during the first six weeks, but it was expected that some of them will be settled before the trial date or continued because of the crowded calendar.

The panel from which the 12 jurors will be chosen includes names of 12 Mansfielders, one Shelby resident, and two from other sections of the county.

The prospective jurors are: Floyd Dickson, Washington township; Mrs. Edna Dent, 235 Rae avenue, Mansfield; E. F. Malone, 318 South Main street; Mrs. Ruth Brownscombe, 247 Dickson avenue; Mrs. Mary D. Shafer, 527 West Fourth street; Howard Almy, 123 Rae avenue; Russell Maume, 36 Highland avenue; Joseph Mocklin, 141 Vennum avenue; Mrs. Marjorie Brook, 31 Eucalyptus; Mrs. Helen Bacon, 123 Glenview; M. Dickinson; Mrs. Nora Blair, 408 Chevy Chase road; Henry A. Senert, 100 Dawson avenue; Frank Leddick, Plymouth; J. F. Hink, Weller township; W. R. Ervin, 110 W. Main street; Shelby; Mrs. Esther W. Fraser, 34 Brickman avenue.

Sportsmen Show

The fourth annual American and Canadian Sportsmen's show, recognized as the big event of its kind in the middle Great Lakes area, will be held in Cleveland's Public Auditorium March 22 to 30. Five halls under the big roof will be filled with exhibits and entertainment features covering the entire range of outdoor, life and sport with related conversation exhibits from federal, state and local agencies.

Twice a day tank-and-platform shows will be staged in the center of the main arena with Anders Haugen, twice captain of the American Olympic ski team in a daredevil ski slide as a special feature. Kynk demonstrations by real Eskimos will be added to the log-rolling, canoe-sitting, casting and retriever dog acts in the 35 by 75 foot tank. Hopi Indians from the southwest will set up a complete village in the Hall and Dave Irvin, who conquered the arctic in a 2,000 mile trek by dog sled, will bring an Eskimo village, complete with natives, huskies and northern bear.

Charles Otto Masters, formerly associated with the State Conservation Division, will conduct a clinic for fishermen.

Sportsmen's organizations throughout northern Ohio will participate in the advance ticket sale from Feb. 1 through March 16. The date selection this season will keep the show in operation over two Saturdays and Sundays. This arrangement promises to swell last year's record-breaking attendance of 25,000 since it will accommodate more out-of-town visitors.

MOVES TO SHILOH

Wm. Prelipp and family, who resided west of Plymouth, have moved to a property near Shiloh.

ACTION PICTURES OF WAR!

Now, each week with The Detroit Sunday Times, is the WAR PICTORIAL, a special added section with action pictures. The WAR PICTORIAL is one of many attractions which make the Detroit Sunday Times, "Michigan's Most Interesting Newspaper." Be sure to get The Detroit Sunday Times every week.

30 CENTS DOWN COSTLY PAYABLE

POULTRY, EGG MKT IS FORMED

BUCYRUS EGG AUCTION AND SHELBY EGG STATION OF CREAMERY TO MERGE

A group of poultrymen from all sections of Richland county met in Shelby Thursday afternoon to discuss and approve plans for merging the Bucyrus Egg Station and the Shelby Egg Station of the North Central Ohio Creamery, according to Marshall K. Whisler, acting company agent.

C. M. Ferguson, extension poultryman of Ohio State University, presented in detail the proposed plan for formation of a new poultry and egg marketing association.

Details of the plan were worked out after consideration of a survey of the poultry and egg marketing situation in the territory. Details of the plan represent the work of some 30 members of a steering committee selected by poultrymen of the 12 counties. Ernest Bishop of New Washington is chairman of the committee and Max Drake, manager of Malabar Farms, Lucas, has represented Richland county on the executive committee.

Ferguson explained to Richland county producers that the new association will be located in Shelby leasing from the North Central Creamery the facilities now being used by the local egg marketing station. Status of 500 shippers including 1100 Richland county poultrymen now being serviced by the two organizations will not be affected as they will automatically become members of the new association.

The combined volume of the new association will represent upwards of \$75,000 worth of business annually.

The auction feature on a twice weekly basis will be put into effect at Shelby when the merger takes place about May 1, 1941. It is anticipated that part of the volume will also continue to go to the terminal market in Cleveland, maintained by co-operative egg marketing associations in the state.

Details for plans for handling live poultry have not been worked out but it is anticipated that some provisions for this will be included.

Poultrymen of Richland county in considering the plan Thursday were unanimous in their approval. Several suggestions for changes in details were referred back to the steering committee for further consideration.

Other counties included in the territory served are Crawford, Huron, Seneca, Sandusky, Ottawa, Wyandot, Hardin, Union, Marion, Morrow, Delaware, Knox and Ashland.

JOLLY CLUB

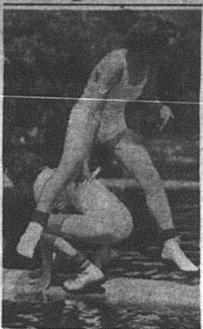

Mr. and Mrs. Harry Griffith entertained forty members of the Jolly club Friday evening at their home.

The business meeting was presided over by the president, Miss Luella Hunt. The program presented consisting of contests, readings and music was enjoyed by all present. Refreshments were served at the close of the evening. The next meeting in one month will be held at the home of Mr. and Mrs. Arthur Hunt.

WPA WORKERS MUST ACCEPT JOBS OFFERED

William B. Schmuhl, WPA district manager, in a bulletin to all project supervisors today placed particular emphasis on the warning issued for 1941 by Howard O. Hunter, acting commissioner of the Work Projects Administration, to the effect that all WPA workers must accept bona fide private employment if it is offered.

A similar declaration was issued last summer to aid the farm men when it was found that various WPA laborers were refusing farm work in the northwestern Ohio district.

Refusal to accept such work means loss of assignment on the part of the offender until such time as the work offered is no longer available. Workers who are charged with the responsibility of accepting such work providing they are capable of performing it, that the wage for such employment is not less than the prevailing wage for such work in the community where they reside, that the employment is not in conflict with established union relationships and such employment provides reasonable working conditions.

WPA workers were advised in the bulletin to seek employment with employers and to check with the local State Employment office in an effort to better their conditions.

Temporary work assignments do not exclude WPA workers from going back to projects. Immediately upon notifying the em-

ployment division of the WPA the worker is reassigned to an active project.

Any worker receiving steady employment and losing it is entitled to reassignment on a WPA project providing the job has been lost through no fault of the worker, the individual must still be in need and must have drawn all available unemployment compensation benefits.

FUR SEASON TO END

The Ohio Division of Conservation and Natural Resources called attention today to the fact that the open season on raccoon, skunk and opossum closed on January 15, as will red fox in the closed portion of the state. Mink and muskrat in the inland district will also enter a closed season on January 15 but may be legally taken in the Lake Erie district until March 15.

Counties in the Lake Erie district are: Lucas, Ottawa, Sandusky, Erie, Lorain, Cuyahoga, Lake and Ashtabula.

PERSONALS

Mr. and Mrs. Willard Ross motored to New Washington Sunday evening where they called on the latter's father, M. F. Hassler.

Sunday afternoon callers at the H. H. Fackler home were Mr. and Mrs. H. H. Nethero and family of Millersburg, Ohio.

Mr. and Mrs. Melvin Waltz of Crestline were in Plymouth on Tuesday evening visiting the latter's mother, Mrs. Louise Miller, and attending a party given in their honor by Mrs. Whitney Briggs.

Miss Mildred Woodworth of City Hospital, Cleveland, was a week-end guest of her parents, Mr. and Mrs. Thorr Woodworth.

Shiloh School News

Free Refreshment

The Loyal Daughters class of the Lutheran church has been buying milk for the undernourished children for the first and second grades of the school.

This week the Civics Club is going to buy the milk for the children.

Senior Play

The members of the Senior English Class are going to present a play entitled, "Sauce for the Gossings". The characters are as follows:

- Mr. Taylor, the father.
- John Hedeon
- Mrs. Taylor, the mother
- Kathleen James
- Robert Taylor, the son
- Charles Harrington
- Elizabeth Taylor, the daughter
- Miriam Hoffman
- Mrs. Lee, the grandmother
- Grace Guthrie
- The maid
- Leona Winely
- James Ward, Bob's friend
- Kenneth Noble

EXAMINATIONS

The students of this school heard some startling news. Examinations will be given Thursday and Friday. We are ready to plunge into the questions and pull out some very good answers. Since these are mid-year examinations, the students want to get a passing grade.

FARMERS' INSTITUTE

The Farmers' Institute is to be held at the school auditorium on Tuesday and Wednesday, Jan. 14 and 15. A large and interesting program is in store for those who wish to attend.

For the last few years the Institute had to be postponed on account of sickness and bad weather.

This year we hope nothing will

occur to harm our Institute.

G. A. A.

The girls chose their captains for basketball. The captains are Grace Guthrie and Miriam Hoffman. The following are on Grace's team: C. Seaton, Joyce Wiethe, Dorothy Seaman, J. Washburn, Dorothy Dininger, Bettie Miller, which are called the Army Cadets.

The following are on Miriam's team: Donna Hoffman, Arlene Garrett, G. Stober, Marcella Clark, D. Deibler, Eleanor Garrett, B. Waterbeck and Leona Winely, which are called the Navy Sailors. We will play at noons and during our physical education period.

Just a reminder to the G. A. A. Our roller skating party is on Saturday, Jan. 18, at the Mansfield Coliseum. We hope to see all of you out.

HOME EC NEWS

The Red Cross sent us material to make little dresses about two weeks ago. With the assistance of Miss Pettit we are progressing very well. Some were on display at the Farmers' Institute.

SHALL WE THINK

The year of 1940 was filled with hardships and sufferings. The Continent of Europe was literally covered with the awfulness of war. Towns were destroyed. Homes were torn apart and children, the future citizens, were left homeless and with the terrible feeling of starvation.

If we have ever thought before now is the time to do it. Man refuses to settle his quarrels by a friendly settlement, but reverts to war. Nothing was ever settled or obtained from war.

Let us think in terms of patriotism, but not the patriotism that would plunge us into a great war.

Let us beware of propaganda which seeks to pull the wool over our eyes.

Let us beware of those pseudo-patriots who would toss us into this European turmoil.

Let us think as a good thinker.

BAND NEWS

The High school band of Shiloh will play at the Institute to be held in the auditorium Tuesday morning. The band will play three numbers. These will be "Military Escort," "Gypsy Festival," and "Thunder."

For the interest of the pupils the music club has purchased two new numbers. These numbers are "Deep Purple," "Atlantis Suite." The Atlantis Suite is the description of life and destruction of the mythical island that once joined the Americas and the old country.

We, I am sure, are going to enjoy these new pieces. Thank a lot, Music Club.

Last Friday at noon the 7th and 8th grade girls played volleyball. Doris Garrett's side played Martha Lofland's team. Doris' team won both games.

In English Friday, we played baseball. Howard Clark and Betty Rose were captains. Betty's team won 6-5. Some words were very hard.

Last Thursday Mr. Mansfield came with Mrs. Bishop to help teach First Aid. He helped the boys, while Mrs. Bishop helped the girls. We surely are funny looking sights when we get all bandaged up.

We wonder why Dick Clark

thought up in New York they get their milk from oxen instead of cows.

We wonder why a certain little boy couldn't say "Smith" right.

CHAPEL PROGRAM

Starting two weeks from this coming Wednesday our chapel programs are going to be put on by each separate room. The seventh grade has charge of it two weeks from Wednesday the following Wednesday we'll have a speaker. That way we'll have a class put on a program one week and a speaker the next. We hope to make this a success and get the school children more interested in our chapel programs.

FRESHMEN NEWS

At our T. E. C. meeting last Friday our topic for our speech was "Something in the Newspaper of Interest to Mankind."

Those that were given were very good. Miss Southwick warned us that this week our speeches would be a part of our semester tests. So get busy, Freshmen, and good luck. You'll need it!

Grace Guthrie wants to know if creosote is put on dead bodies.

THE ABSENCES

The flu epidemic is in our school, with 56 absent in the upper grades and 75 absent in the lower grades. This is the largest number of absences which we have had at one time this year. Last week there was 36 absent in the upper six grades. We are hoping that all who are ill will soon be on the road to recovery.

POSTPONING OF GAMES

Like all Richland county schools Shiloh cancelled all basketball games last week-end due to the flu. The Bellville squad were to play here Friday night and we were to go to Greenwich Saturday night. There were few on the team that have not had the flu and most probable to get it. The Bellville game will be played in February and the Greenwich game Saturday, Jan. 18. Do not fail to come.

SOPHOMORE NEWS

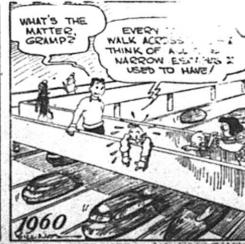

For the benefit of the class we are reading orally in our English class "The Autobiography of Benjamin Franklin." In order to understand the story better we look up the meaning of the words we don't know.

We have just completed the reading of "The Merchant of Venice." To arouse more interest we acted out the different scenes. There were many passages in it which are true to life, and we memorized them.

THANK YOU, FOLKS!

We are very proud of our school library, and we are always glad to get something to add to it, so we are very grateful to Mr. and Mrs. Leland Wolfenberger for giving to us the complete set of Fortune Magazines for 1939. These magazines are very educational and too expensive for us to purchase. Last year they gave us the complete set of Magazines for 1937-1938.

CHURCHES COOPERATE

Plymouth churches are co-operating with the community effort to curb the epidemic of "flu" and consequently the activities of the church on Sunday will be open only to those above high school age.

REMOVED HOME

Miss Thelma Carrick, who recently underwent an operation for appendicitis at the Willard hospital, was removed to her home in New Haven last Friday in the Miller-McQuate ambulance.

ATTEND FUNERAL

Mr. and Mrs. Lowell Keith and Mrs. Glenn Dick attended the funeral of Mr. Wm. Cook of Cleveland, which was held Sunday at Clarksfield. Mr. Cook is a brother of Mrs. Keith.

Resolution of Respect

In Memory of FRANK G. TYSON

Who Died December 25, 1940 Death has again entered our Chapter Hall, and called to the Eternal Home a dearly beloved sister who has completed her faithful labors here in ministry to the cry of the orphan and to the call of want and to the piteous wall of sorrow, and as a recompense has received the welcome plaudit, "well done," from the Great Master.

And, whereas, the loving Father has called our beloved and respected sister home, and she having been a true and faithful member of our Mystic Order, therefore be it

RESOLVED, That Plymouth Chapter No. 231, Order Eastern Star of Plymouth, Ohio, in testimony of its loss, drape its Charter in mourning for thirty days and that we tender to the family of our deceased sister, our sincere condolence in their deep affliction, and a copy of these resolutions be sent to the family.

Alberta Hoffman, Mabel Stewart, Harry Dawson.

"Over the hills and to the valley of endless years; Over the road of woe to the land that is free from tears; Up from the haunts of men to the place where angels are This is the road of immortality to the wonderful goal afar."

COAL BEING STORED

The Pennsylvania railroad has begun the storage of 1,000 cars of coal at the Crestline terminal for emergency purposes, which officials have not divulged.

In order to store the coal in Crestline, a mile of new track was laid north of the yard office, and the first of 20 trainloads has already arrived. It is estimated that the 200,000 tons slated for storage in the Crestline yard will make a pile 15 feet high along the new track.

Richland County Red Cross Knit Garments

A total of 11,301 garments have been furnished by the Richland County Chapter of the American Red Cross. Out of this number 10,044 made up the 324 complete infant layettes, each composed of thirty-one articles, while the other 1257 garments consisted of the following:

155 men's hand knitted sweaters; 90 women's hand knitted sweaters; 315 children's hand knitted sweaters; 130 women's dresses; 260 girls' dresses; 75 knitted peasant's shawls; 23 mufflers; 72 "beanies"; 50 hospital bed shirts; 50 convalescent robes; 25 surgeons' operating gowns; 12 boys' shirts; 324 infant's layettes, each composed of 31 articles.

Total number of garments for layettes—alone was 10,044. The above garments as listed totals 1,257. The entire total is 11,301.

In addition the chapter furnish 34,000 surgical dressings and already have started on their quota of 98,100 surgical dressings for the War Department of the United States.

These figures were released this week by Mrs. Gertrude B. English, executive secretary for the period October 21, 1939 to Jan. 1, 1940. Plymouth is a branch of the Richland county chapter and has taken an active part in supplying these garments. Mrs. G. W. Pickett is chairman of the local branch and has done a splendid job in contacting local women to assist in this worthy cause.

Some idea of the vast amount of work done by the Red Cross can be estimated when one realizes there are 3700 chapters in the United States and the above figures represent only one of the chapters.

LETTERS to the Editor

I am a politician. I am always looking for a good political job. One morning I met another politician (polished) on the street—that was a year or more ago). He told me he had heard there was some graft or something going on in the village and asked why I did not try for an office. I asked him how much. He said: "quite a bit." I asked if there was anything left. He replied: "there was quite a nice sum left when he left office a few years back." That was enough for me. I decided to try for it. After all, there is the salary. I made the fight and was two or three votes ahead of the fellow below me—in the electoral college. So, I am now a village official. I did find there had been some error or something in accounts, but I did not see how I could get in on it. One fellow did take a trip south but I did not like the resort he picked out, so I decided I would not try for it. Not yet.

At our first meeting there was a power feller showed up. I had never seen one before. He was a dandy talker and a nice fellow all around. He had some proposition—that if we signed for ten years we would get \$100.00 per month (it turned out it would go to the village) and we were about to sign when the Mayor piped up and said: "Now, boys, let's not be in any hurry—let's look around. Our lawyer man (he is the lawyer that every village has to keep us officials out of trouble) gave us the same advice." So we made a little investigation. We found that out of a list of some 200 villages of our size we were nearer heaven with our rates than some 195 other villages in our group. We tried to console ourselves by seeing, right there, that five villages in Ohio had higher rates than we did — so what?

Our Mayor was rather insistent that we do something about it. We thought all we would have to do was to call this power feller back and tell him about it. We did. I had a long talk with him privately. He explained all about the power business to me. It seems that for the first bunch of kilowatts (that's the things they sell us), it costs them like the dickens to push them from their plant to Plymouth—there is a lot of line resistance or something. Then after that first bunch has been pushed over, the line gets smoother or greasier, and the next bunch comes over a little easier and for less money. Then there is the third bunch that comes over still easier—on account of the line being very smooth by this time. Then the fourth bunch comes over without any effort at all and is very cheap but before we start getting this bunch about the last day of the month and do not get much of it at the cheap price. Then the proceedings start all over again—the line is again covered with something that costs like hick to get these little kilowatts over and we start again paying. First, the high price, then the medium price and finally the low price. I felt sorry for this power man, and advised him we would try to do something about it.

There is a big fur buyer on our council and he got smart about it. He suggested that we extend the months to 60 days so we could get more of this cheap power.

We did not get anywhere with anything. I talked again to my polished political idol. He wanted to eat his cake and have it too. He wanted to just dicker around for a while longer. So, we are dicker and drawing our salary of \$4.00 per month, and the only rate proposed, so far, would have saved me 12 cents on my light bill last month, but when it comes to commercial users they stay by the heavenly rate. So what?

A VILLAGE OFFICIAL

MAIDS OF MISTS ASSIST RED CROSS

The Maids of the Mist Club met at the home of their president, Mrs. Ethel Ross, in Shelby, for an all day meeting last Thursday. After an elegant covered dish dinner the afternoon was spent in knitting four comforters for the local Red Cross.

On Jan. 23rd the club will again meet with Mrs. Clyde Foraker. This active farm women's club has just completed ten years of service and it is hoped this coming year will be its best under the capable leadership of Mrs. Will Ross, with the cooperation of its twenty-five members.

Ohio Farmers Boost Crop Profits

CHICAGO. — Treating Ohio farm manure with superphosphates will help provide a balanced supply of plant food that can be produced at a low cost, according to a statement issued here by the Middle West Soil Improvement Committee.

Such a measure, says the statement, will improve the soil fertility,

vide a sufficient quantity of the vitally important plant food elements — nitrogen, phosphorus and potash," the statement explains. "Moreover, today the average farm produces only a limited amount of manure. Hence it is necessary to add commercial fertilizers to reinforce the soil building qualities of the manure. It has been found that 20 per cent superphosphate provides an ideal addition to manure as a means of increasing the yield of crops.

How to Apply. "There are a number of ways of adding the superphosphate to the manure. The method may vary according to farm conditions, but it should be carried on continuously — fall, winter, spring and summer.

"One method of treatment is to add the superphosphate to the manure in the spreader as it goes out of the barn. Another is to add it as the manure is stored.

"Perhaps the simplest and most effective method is to scatter one or two pounds of superphosphate per animal per day in the gutter or trough behind the animal where the manure is collected. In this way the superphosphate is distributed more evenly through the mixture.

"The superphosphate not only acts to preserve much of the manure's valuable plant food elements that might otherwise be lost but adds to the manure an element in which it is originally most lacking — phosphoric acid. The superphosphate likewise prevents the loss of nitrogen in manure by absorbing the liquid ammonia and thus halting its escape into the air in the form of ammonia gas."

Ready for Application. help increase crop production and boost profits. "By itself, manure does not pro-

CLUB IN ANNUAL MEET

At the annual meeting of the Huron County McKinley club on Monday night in Norwalk, Dr. J. T. Gaskill, Plymouth, was elected to succeed Walter Broughton, New London. Clyde May, Norwalk, was elected executive vice-president and plans were discussed for the 37th annual McKinley banquet. The new president will name the committee for the banquet.

EYE INJURED

LeRoy Zeigler is having his right eye treated as a result of an injury received at his work while operating an emery wheel. It was a very painful accident and his friends are hoping for a speedy recovery.

RADIO STARS ON PROGRAM

Mr. and Mrs. Iden Jackson motored to Sycamore Thursday evening and attended the Eden school, where Zol French, the Spectator, the Buckeye Four, and the Plainsmen, from W.H.K.C. Columbus, were featured on the evening's program.

CHURCH NIGHT PROGRAM

The Methodist church is planning for a "Church Night" program for Thursday evening, Jan. 30. All members and friends are urged to save the date and watch for the program.

INJURED IN FALL

Miss Ida Ruth of New Haven, teacher in the Norwalk schools, had the misfortune to slip and break her leg in two places above the ankle, Tuesday. She was removed to the Norwalk hospital and later taken to her rooming house in Norwalk. She is well known in Plymouth.

CONTEST WILL

Henry Bland and others vs. Carl Lofland, executor of estate of Sarah Bland, deceased, and others. Action to contest will of the late Sarah Bland. Filed in Richland county probate court last Dec. 31, the will makes Anna da Moore and Glenn Moore, both of Plymouth, legatees.

The Coliseum

NORTH LAKE PARK, MANSFIELD, OHIO

Where Roller Skating Is An Enjoyable Pastime and Sport, excellent Discipline—Fine Floors and Equipment. Open Every Evening.

Roller skating is not only excellent exercise enjoyed by young and older people, but a sport that demands action and flash from its participants. At the Coliseum hundreds of persons every week enjoy the roller skating facilities afforded in this well conducted establishment located at North Lake Park.

It is the scene weekly of many groups and parties who have a glorious time skating on the smooth, well kept floors, built wide and long for graceful skating. Courteous attendants here supply you with the right skates and give special attention to beginners.

Beginners have decided advantages here in their first roller skating work because of the adequacy of floor space and learn very quickly with the excellent facilities available. Skating keeps one agile, if you are older, and it is a sport that one never tires of and never forgets how to do. With younger people it is decidedly enjoyable, capable of clean and an abundant amount of fun. It develops quickness in thinking and poise that remains with one a lifetime.

Decide soon to spend an evening at this enjoyable place. You will find it thoroughly enjoyable and a place where participants glide around to music on smooth, glasslike floors which the management of the Coliseum keeps in perfect condition.

WHY WORRY? I CARRY ANTI-WORRY INSURANCE—A Regular Ad In This Newspaper

Bennie Schenk

AUTO REFINISHING—57 DISTL AVE. MANSFIELD

Authorized Auto Refinishing Station for "DuPont Duco" and Enamel—Expert Men and Modern Equipment—Work Turned Out in Record Time—Every Job Under Personal Direction of Bennie Schenk. Proprietor of the Shop — Phone Adam 1348 For Particulars or Take Your Car In For An Estimate.

This establishment is under direction of an automobile painter of wide experience and is one of the most progressive features of the automobile organization of the community.

Plymouth people who are thinking of having their cars repainted for spring, so as to protect them against the weather, should see the excellent work turned out by Bennie Schenk.

They are making a specialty of applying "Duco," an automobile finish that is absolutely superior to anything in this line yet placed on the market. It gives a soft finish, unaffected by temperature, and will not crack, check or peel, and another advantage is that mud, dust and grit do no harm; is waterproof and quickly dries. Your car can be painted in a few days and thousands of cars are being finished with it every day over the country.

In this edition we wish to compliment Bennie Schenk upon the prominent position attained in the business life of this section and upon the modern and satisfactory work which is executed in this plant.

AUTO TAG FUNDS ARE RELEASED

Distribution of \$1,553,727 of automobile license tag funds to the counties, municipalities, villages and townships was announced today by Hal G. Sours, director, Ohio Department of Highways.

Figures prepared for Director Sours by Clyn W. Wallace, registrar of motor vehicles in the highway department, revealed that the \$1,553,727 brought to approximately 97 per cent the distribution to the subdivisions of the 72 per cent fund provided by state law.

The final distribution of the 1940 tag revenues will be made at a later date, Director Sours said.

Taxing districts, Registrar Wallace stated, may use up to 25 per cent of their share of this distribution for relief purposes, under legislative enactment.

Breakdown of the distribution in this area follows: Huron county: Bellevue, \$250; Greenwich, \$175; Monroeville, \$125; New London, \$181.25; N. Fairfield, \$60; Norwalk, \$1,425; PLYMOUTH \$50; Wakeman \$81.25; Willard, \$293.75; County, \$1,000; County 47 per cent, \$7,860.75 Total, \$12,042.00.

In Richland County the allocations are as follows: Mansfield, \$2,925; Shelby, \$556; Bellville, \$112; Butler, \$43.75; Lexington, \$56.25; Lucas, \$56.25; PLYMOUTH, \$7.50; Shiloh, \$50.

Editor's Note: Perhaps the state is sincere in allowing the transfer of automobile license revenues to be used for relief purposes. I have been very observant, and in

practically every case where a family is on relief, I find an automobile. So it is but natural that the relievers should be given help from this fund, because the state can't possibly spend all the tax money derived through automobiles on highways, for then we'd regain our national standing of several years ago as having the second best system of highways in the country.

What I can't figure out from the above distribution report issued by the State Department of highways, is the total and how the money is proportioned. Read the list over carefully and we believe you can see WHY Plymouth should be in either Huron county or Richland county. In my opinion, not only do we "get it in the neck" on the distribution of auto license funds, gas tax, sales tax, but on personal property tax. And just as long as we sit with folded arms, just that long we shall continue to get the "short cut" PWT.

At This Office You Are Assured A Thorough Examination Of Your Eyes And Glasses That Will Give Maximum Comfort And Efficiency at Reasonable Prices.

New eyes cannot be bought and every person should protect the eyes they have by being properly fitted with glasses at the first evidence of strain or sight difficulties. As important, however, is consultation with the optometrist qualified to fit you properly.

Hundreds of people testify to the valuable service rendered by Dr. A. Tootikian, whose office in Mansfield is located at 46 1-2 N. Main St.

You can rely upon them for complete and dependable eye examination and being fitted with glasses that will return the joy of strainless natural eyesight. Eyesight difficulties seem to be endless in their individualism and to be fitted correctly one should consult a highly recommended and competent optometrist, the ser-

vice you will be definitely certain of securing if you are a patient of A. Tootikian.

Automobile drivers in a large percentage should wear glasses when driving to prevent the unneeded strain that good glasses will give against the sun and constant watching of the street and highway.

At this office you will find eye-wear in the newest style, "personality" glasses as it were, glasses that suit your particular type and improve appearance.

Their success in the proper fitting of glasses deserves the highest recommendation and their conscientious service in correcting and eliminating incorrect vision is testified by scores and scores of persons who have consulted them and used their service. Their large clientele is proof of their ability.

WMAN BROADCASTING STATION

Ohio Theater Bldg., Mansfield; 1370 On Your Dial

WMAN Management Constantly Strives to Provide Entertaining and Constructive Programs — That Local People Appreciate the Service Is Evidenced In the Dials Regularly Tuned to WMAN, Now Members of B. M. L. Permitting the Maintaining of Most Complete Transcription Library Available.

The community that can boast of a radio broadcasting station like WMAN in its midst is fortunate because there is no civic asset that serves in so many diversified ways the residents of a single locality. Regardless of the fact that there are in existence throughout the United States several hundred broadcasting stations, the station in our immediate locality serves local people in a personal way and is a distinct asset to the community.

WMAN brings news and events of local color, daily occurrences in which we are intimately interested.

Efforts to provide better programs, the newest and best in popular and classical music, interesting and worthwhile talks of an educational nature, features for the children and group members of the family are evidenced in the programs heard over WMAN. Visualizing the desires of every household possessing a radio is a difficult matter

and the arranging of programs no small task but at this station much time is devoted to the selection of diversified programs that they will meet the likes of radio listeners.

WMAN are now members of the B. M. L. This permits them to carry the most complete stock of transcriptions available anywhere. This enhances the musical and worthwhile talks of an educational nature, features for the children and group members of the family are evidenced in the programs heard over WMAN. Visualizing the desires of every household possessing a radio is a difficult matter

While radio has enjoyed a tremendous growth and unprecedented popularity, there has been no let-up in plans and efforts to always furnish the best and this is true of the management of station WMAN. Again we wish to repeat that this station serves local people in this vicinity like no metropolitan station is equipped to do and deserves the unqualified support and interest of residents throughout the community.

The Mansfield Provident Company

18 W. Third, Corner Walnut, Mansfield Phone Canal 2381

You Can Borrow Money Here If You Can Pay It Back — Borrow Sufficient Money To Pay Your Bills, Including Taxes or to Finance or Re-finance Your Automobile — Pay Back in Monthly Installments—Prompt Service.

Everyone worries about money problems at some time and when these circumstances arise one naturally hesitates to approach friends or relatives for assistance and it is at these times that the service of the Mansfield Provident Company comes to the fore with prompt, confidential service, instantly relieving worry and embarrassing situations.

You can borrow money here to finance purchase of a new car, to refinance the one you own, to pay off debts, to meet definite obligations, including taxes, to buy stock or equipment or for any immediate legitimate reason.

The entire transaction is between yourself and a representative of this company.

If you are purchasing a car on time-payment plan and are experiencing difficulty in meeting the payments, you can re-finance on their plan and thus reduce the monthly payments. Or if you

need ready money you can obtain a loan, pay off what you owe on the car and use the balance for immediate needs.

The staff is congenial and polite, the service friendly and understanding. These features appeal to persons who wish to secure money for the necessary and immediate needs with the least amount of trouble or notice. They actually do for the individual what the bank does for the business man—loan money for contingencies or progress. This financial credit as accorded by this company is rendered in the same sense that stores extend credit for merchandise on deferred payment plan.

The Mansfield Provident Company is in business to serve you promptly and helpfully with ready cash.

Their headquarters are located at 18 W. Third St., corner Walnut in Mansfield.

BEHIND THE SCENES OF AMERICAN INDUSTRY

NEW YORK, Jan. 13.—BUSINESS with the whole national effort being concentrated on building up of national defense and providing the "arsenal for democracy" pledged by President Roosevelt, the whole complexion of the business and industrial picture is more and more determined by "Washington." The President's budget message gave some idea of defense-spending pace that will prevail, influencing all other lines of business and production — stepping up most (through payrolls, employment), curbing some (because of priorities in materials, personnel, machines.)

So here's the budget message boil-down on spending: During the fiscal year starting next July 1, FDR plans (or hopes) to spend \$10,811,000,000 on defense. That's at an average rate of \$30,000,000 a month, twice the present defense-spending rate. And the pace will be getting faster and faster month by month, so that, sometime between now and June of 1942 the outlay for armaments will be running above a billion-a-month!

LOW-DOWN—Nutmshell analysis of one phase of the defense materials supply situation, according to J. G. Forrest, financial editor of the New York Times, in his Sunday column: "There is ample metal aluminum to provide for the defense program as it is known to the Aluminum Company of America, based on long-term estimates made by the company in conjunction with the Defense Advisory Commission, the aircraft industry and contracts being awarded by the government to aircraft companies from month to month. Deliveries, in general, are being delayed on account of the case of orders for fabricated parts, which are deviations from the original estimates or orders, where the manufacturers forgot to order certain parts, or in ordinary manufacturing difficulties such as the breaking of a die or similar incident." Citing one aircraft manufacturer's claim that he had been forced to lay off men by "shortage" of parts, the writer said the aluminum "shortage" was found to involve a single type of forging, the order for which had been inadvertently cancelled by the customer.

EIGHT UP — Reflecting national income gain is a comparative table, by sections and nationally, for eight key categories in the general business picture for the first nine months of 1940 against same period of 1939. All eight, nationally, were on the "up" side—passenger car sales by 27 per cent; gasoline consumption by 6; household refrigerator sales by 39; sales of ordinary life insurance (a column that in several previous tables showed minus while most of the rest were plus) up by 2 per cent; value of checks drawn, up by 3 per cent; farm income, by 7; electric power output, 12; and heavy construction, up 10.

ABC's — Alphabetical abbreviations are as American as hot dogs and baseball. Such compact terms as MPH, RFC, AAA, RPM, KWK — and, of course IOU— are keys to our governmental and industrial IQ which unlock meanings PDQ. So it is not surprising that another such term should now be sought by John L. G. Celler, president of the B. F. Goodrich company, to express the "true performance value" of some 10,000 products of the mushrooming synthetics industry. The spectacular growth of that industry itself reflects our national passion for grasping things quickly. Up to now, he says, many consumers have regarded synthetics as mere "sub-

stitutes," and have shied away from some on a first-cost basis, not aware that many synthetics are superior materials with superb style, color and durability. "One approach to the cost problem might be the creation of a new term, like FOB or COD, to express original cost plus value up to 1,500 synthetic items. This novel idea indicates a new approach to the sales problem of modern synthetics."

RE-EMPLOYMENT GAINS — Since the bound-to-be expansion of payrolls in defense industries during the first quarter of 1941 will coincide with seasonal employment gains in agriculture, Uncle Sam's total unemployment may in the next few months dip close to the 5,000,000 level. The number of idle was estimated at 7,200,000 at the beginning of December by the National Industrial Conference Board. Employment is already running at close to the 1929 pace, both in agriculture and non-agriculture fields, so the current unemployment must of potential workers' supply of potential workers' supply since '29. This expansion is estimated to be at the rate of about 600,000 per year. "The NICB estimates that by the end of March the defense industries will have absorbed 3,450,000 workers—since early in 1940."

THINGS TO WATCH FOR — A new addition to the diverse line of packaged fruit and vegetable juices—concentrated watermelon juice! — Recording of semi-serious and serious concert music by some of our hottest danceband tooters, with clarinetists Benny Goodman and Artie Shaw in the van — the latter has just put a "Concerto in F" on wax, that tuted him in the virtuoso brackets. . . . A small aluminum device that clips onto any right-handed No. 2 golf iron, converting it into a left-handed club for use when a bad lie against a tree or other obstruction makes it impossible to swing from the right side.

\$100,000.000 for having been a good \$12 a week office girl. No Cinderella romance has ever equalled this of the little American stenographer who won Britain's eccentric peer, and now becomes England's richest widow. Read about her in the illustrated feature in *The American Weekly*, the magazine distributed with next week's Sunday Chicago Herald-American.

Many Changes Made in 1940 Revenue Act

Important changes have been made in the Revenue Act of 1940, with respect to the liability of individuals for filing of income tax returns. Under the new act the amount of gross income—not net income—determines the liability for filing the income tax return.

Individuals under the following circumstances are required to file the returns covering the calendar year 1940:

Single individuals, or married individuals not living with husband or wife, having a gross income of \$800 or more.
Married individuals living together having a combined gross income of \$2,000 or more.
Every citizen or resident of the United States will be required to file a return for the taxable year 1940 if his gross income in 1940, regardless of the amount of his income, comes within the amount specified above for his particular status. A return must be filed, even though, by reason of allowable deductions from gross income and of allowable credits against net income it develops that no tax is due.

Form 1040A should be used for gross income of not more than \$5,000 derived from salaries, wages, interest, dividends, and annuities of more than \$5,000; or if any part of your income is derived from other than salaries, wages, interest, dividends, or annuities. Form 1040 should be used regardless of the amount of your income. While returns must be filed on or before March 15, 1941, with the collector of internal revenue, from the district in which you reside, it is urged that they be filed as soon as possible after Jan. 1.

If in doubt as to your liability for the filing of a return and if your employer has no blank return forms available, make request of the collector of internal revenue for the district in which you reside, or of any deputy collector stationed in your vicinity, for the 1940 individual income tax return and the printed instructions accompanying the form. Failure of individuals, under the circumstances outlined above, to file returns will subject them to the imposition of the penalties prescribed by law.

FERTILIZER'S USE IS INCREASED ON FARMS IN OHIO

COLUMBUS, O.—Farmers of Ohio have increased the tonnage of fertilizer used on their land by 30 per cent since 1934, according to a statement issued here by the Middle West Soil Improvement Committee.

"Ohio farmers utilized 345,585 tons of commercial plant food in 1939," says the statement, "compared with 263,773 tons in 1934."

"This increase indicates that Ohio farmers appreciate the place fertilizer must occupy in modern farming conditions. Ohio soils

are becoming older. They have been tilled continuously for nearly a century. The reserve of virgin fertility stored in them during the thousands of years of soil formation which preceded the advent of farming is becoming rapidly exhausted.

"This means that replacement of vital fertilizing elements removed by growing crops is necessary if profitable crop yields are to be obtained. Higher yields must be produced if farm products are to compete successfully on the market with products grown on more highly fertilized soils."

"The increasing use of fertilizer also indicates that farmers have found them profitable. Surveys have indicated that every dollar spent for fertilizer results in an average increased value of crops amounting to about three and a half dollars."

OHIO DUCK HUNTERS

According to figures just released by the U. S. Fish and Wildlife Service, Ohio ranked 17th in the number of duck stamps sold in America in 1940 with 20,680 stamps sold.

Total number of stamps sold in the United States was 1,111,561, at \$1 each. The big ten are: Minnesota, Michigan, Wisconsin, California, Illinois, Texas, Washington, Iowa, Louisiana and New York. Next come Missouri, Oregon, Nebraska, Montana, Colorado, South Dakota and then Ohio. Ohio duck hunters have doubled in number in the past five years.

ON WARTIME BASIS

Tiffin University, effective this week, will operate on a regular wartime basis, virtually the same basis on which it operated during the last war, when 50 per cent of the entire output of the college were placed in Federal civil service positions. The employment department of the college has recently placed thirty-five young men and women in Federal civil service positions. Another large group has been placed with various industrial firms working on national defense orders.

The U. S. Civil Service commission conducted a civil service examination in the college building last Saturday for students qualified for typing and shorthand and typing combined.

SEEKS DIVORCE

A divorce has been petitioned for in common pleas court, Norwalk, by Marian E. Steinmetz, Plymouth, through her attorney, Frank J. Hiltz. The defendant is Fred M. Steinmetz of Willard.

People, Spots In The News

DEMOCRATIZED . . . These dachshund pups, born last Election Day in Van Nuys, Cal., were named after the Presidential candidates and their wives, plus Vice-President-Elect Henry Wallace. Owner Herman Janesky feels these symbolically democratic names should protect pups from any "fifth column" suspicion stemming from their ancestry.

PLANE PROTECTION . . . Mass production of self-sealing rubber fuel tanks which enable new combat planes to carry on despite machine-gun fire is under way in Goodrich factories in Akron, O., where a \$3,000,000 order for them has climaxed a two-year research and development program.

SCOTTISH 'NAVY' . . . Home Guards of a Scottish town have organized a motor boat patrol for use on canals and waterways to guard against invasion. Modest equipment includes Lewis gun mounted in bow, and outboard motor.

Society & Club News

Mrs. C. L. Hannum Entertains Tourist Club Members at Shelby Inn

On December 13th the Tourist Club, with Mrs. C. L. Hannum as hostess, met at the Shelby Inn for a delicious dinner with eleven members present. After the dinner the club returned to the Hannum home for the program.

Mrs. Knight, leader, chose two articles from the November Geographic magazine. The first "Burma Road, Back Door to China," which told of the difficulties in building the 2100 mile road over many mountain ranges and the difficulties in keeping the road open in the rainy season on account of the many land slides.

The Burma Road is of much

interest in the news of the day as it is most important in getting war supplies into China.

The second article was "Saba Crater, Treasure of the Indies." Saba is a small, almost inaccessible island in the West Indies, belonging to the Netherlands and can only be reached by small open boats manned by native Sabaans, who know the rocky channels. On this island is one school, three churches and one policeman. There is no newspaper and they get the news through short wave radio.

Mrs. Ralph Hoffman will be hostess at its next meeting.

JEFFERSONIANS MEET

There were fifteen members and one guest present for an all-day meeting of the Martha Jefferson Club at the home of Marjorie Ehret on the Plymouth-Shelby Road on January 7. A generous pot luck dinner was served at the noon hour to which all did ample justice.

Mrs. Lucy Downend presided at the business meeting in the afternoon. Current events featured the roll call response. Mrs. Fleming conducted a quiz-bee on general topics. My, my! How little we know!

Heretofore, the first Tuesday of each month has been the regular meeting day, but owing to the inability of certain members to be present on this day (Tuesday), the meeting will convene on the first Wednesday of each month. Please bear in mind this change of date, and Mrs. Sam Bachrach has invited the group to be her guests for the February meeting, which will fall on Wednesday, the 5th.

NONPAREIL CLASS MEETING

Mr. and Mrs. J. B. Derr will open their home Monday evening for the January meeting of the Nonpareil Class of the Methodist church. Assisting host is Mrs. Willard Ross; devotions, Rev. Wintermute, and program committee, E. E. Markley and Earl McQuate.

STELLA SOCIAL CIRCLE MEETS TODAY

The Stella Social Circle will meet today with Mrs. Don Zinsel, Sr., for their regular meeting. Anyone wishing to go may notify Mrs. Gladys Fetters or Mrs. Mabel Stewart, who will be glad to call.

Mrs. H. C. Sourwine, Pres.

LUTHERAN AID HOLD ALL DAY MEETING

Mrs. Lillian Voisard, newly-elected president of the Lutheran Ladies' Aid, assisted by her officers, conducted the all day meeting Tuesday at the church annex. A covered dish dinner was held at noon with yearly and monthly reports given during the business session. Eighteen were in attendance. Devotions were in charge of Mrs. Hills. The February meeting is scheduled for the second Tuesday of the month.

Other officers installed were Mrs. Dwayne McFadden, first vice president; Mrs. Chas. Wentland, second vice president; Mrs. A. F. Donnerwirth, treasurer and Mrs. J. E. Nimmons, secretary.

TEMPERING MENUS

by PAULINE SCHOFIELD

"Peanuts Come Into the Kitchen"

The fair, circus, carnival, and ball games have all helped to put the "peanut" on the map. This enthusiasm should not be so confined, for they can play a very important role in everyday food preparations. Many housewives are familiar with peanut butter and sauces that call for peanuts, but are unaware of their use in many other products such as cookies, breads, muffins, doughnuts, cakes, puddings, and salads.

A special week, January 23 to 31, is set aside to acquaint everyone with more uses for peanuts. This versatile food actually possesses extraordinary food value. There is perhaps no other vegetable that has such a wide range of food possibilities. They not only contain vitamins A, B, C, D, and E, but are also very rich in oil and proteins.

If this is your first venture in peanut cookery, you're in for a big surprise and a lot of pleasure.

Peanut Crunch Cookies

- 1 C. shortening
 - 1/2 C. brown sugar
 - 2 eggs
 - 1 C. peanut butter
 - 3 C. all-purpose flour
 - 1 tsp. salt
 - 1 tsp. baking powder
 - 1 tsp. baking soda
 - 1/2 C. chopped salted peanuts
 - 1 Tbsp. cold water
 - 1 tsp. vanilla
- Cream shortening, add sugar and eggs. Beat until light and creamy. Then add peanuts and blend thoroughly. Sift together the flour, baking powder, baking soda, and salt to the first mixture and lastly fold in the nuts, vanilla, and water. Shape the dough into small teapoonful portions and roll in the hands to shape to a ball. Place on greased cookie sheet and press at right angles with a fork that has been dipped in cold water. Bake about 15 minutes at 350 degrees. Makes 2 1/2 dozen clusters.

Chocolate Peanut Clusters

- 8 sq. or 1/2-lb. dipping chocolate
 - 1 1/2 C. roasted red skinned Spanish peanuts
- Melt the chocolate over warm water or in a double boiler. Add nuts, stirring until well coated. Drop from teaspoon on waxed paper and keep in a cool place until firm. Makes 2 1/2 dozen clusters.

Spiced Fruit Salad

- 1 1/2 C. boiling water
 - 1 pkg. lemon-flavored gelatine
 - 1/2 C. pickled peach or pear juice
 - 2 C. pickled peaches or pears, drained
 - 1 to 2 lettuce leaves
 - Crushed or ground peanuts
 - Mayonnaise whipped with a bit of cream
- Boil cloves in the boiling water until only one cup remains. Strain. Dissolve gelatine in this hot liquid and add the pickled fruit juice. Fill molds about 3/4 full of pickled fruit cut into small bits and finish filling with the hot liquid. Takes from 8 to 9 molds. To serve, unmold on lettuce, garnish with crushed peanuts and mayonnaise. An excellent variation for this recipe is to allow the gelatine to set until almost stiff, whip it to a white froth, then add the spiced fruit.

Banana Peanut Bread

- Mix and sift 1 1/2 C. sifted flour, 2 tsp. baking powder, 1/2 tsp. baking soda, 1/2 tsp. salt and stir in 1 C. bran and 1/2 C. chopped peanuts. Cream 1/2 C. shortening until soft; add 1/2 C. sugar, 1 egg, and 1 tsp. vanilla. Beat until light. Add dry ingredients alternately with mixture of 1 1/2 C. mashed bananas and 2 Tbsp. water, mixing well after each addition. Turn into greased loaf pan and bake in moderate oven, 350 degrees, for 40 to 50 minutes. Cool thoroughly before cutting. Makes 1 loaf 8x4 inches.

INSTALL OFFICERS AT ATTICA

Mrs. Lenora Wise of New Haven assisted by other members of Willard Tent, installed the officers of the D. of U. V. Attica Tent, on Monday evening. Forty-two were in attendance at the affair from Tiffin, Willard, Attica and Plymouth.

Those from here were Mrs. W. C. McFadden, Mrs. Judd Keller and Mrs. Carroll Robinson.

MAIDS OF THE MIST CLUB SEW FOR RED CROSS

Mrs. W. B. Ross of Shelby, opened her home Thursday to members of the Maid of the Mist Club. Mrs. Arnold and Mrs. Schringer were welcomed as guests by the club. This was an all day meeting with dinner served at noon. During the day the group was engaged in doing Red Cross work.

FRIENDSHIP CLASS MEETING

The January meeting of the Friendship Class of the Methodist church will be held at the home of Mrs. Hazel Anderson on next Tuesday, January 21. As assistant hostesses are Mrs. Downend and Mrs. T. R. Ford.

PERSONALS

Mr. Chauncey Wilson and Mrs. Martha Byrd of Bluffton, enroute from attending the funeral of their sister-in-law, Mrs. Henry Wilson at Warren, O., were week end guests of Mr. and Mrs. K. I. Wilson.

Mr. and Mrs. Ed Phillips and

ALPHA GUILD MEETING

Mesdames Louie Derringer, Chas. Barr and J. T. Gaskill will be joint hostesses on next Tuesday, Jan. 21 at the church annex. Members are also reminded to bring their sales stamps.

HONORED WITH SHOWER

Mr. and Mrs. Vernon Cole of Shelby, RFD 3, recent newlyweds, were honored Thursday evening with a miscellaneous shower at the home of Mrs. Cole's parents, Mr. and Mrs. Ross VanBuskirk on the North Street Rd. Sixty-five neighbors and friends were present to participate in the affair and enjoy an evening of cards and a social time. Dainty refreshments of ice cream, cake, crackers and coffee were served. The honored couple were the recipient of many beautiful gifts.

Philip Postema Takes Bride Miss Hazel Roberts, Cleveland, daughter of Mr. and Mrs. J. T. Roberts, Norwalk, and Philip Postema, son of Mr. and Mrs. Harry Postema, Willard, were married at 7 o'clock Friday evening by the Rev. Van Laar in the parsonage of the Christian Reformed church at Celeryville.

The couple will reside at 3211 W. Blvd., Cleveland. Those present at the ceremony were Mr. and Mrs. J. T. Roberts, Mr. and Mrs. Harris Postema, Mr. and Mrs. Paul Mayberry and Miss Bernadine Postema.

RETURNS HOME Mrs. Elmer Parsel and Robert Croy left Wednesday morning for their home in Salt Lake City, Utah, after spending the past three weeks in the Ben Parsel home. Lieut. Elmer Parsel, who is at Lakeley Field, Va., will return for a fifteen-day stop at Patterson Field, Dayton, before returning to his station at Salt Lake City.

ENTERTAINS BRIDGE CLUB Mrs. Nellie BeVier entertained the Two-Table Bridge Club, Wednesday evening, at her home on Trux street. First and second prizes were awarded Mrs. H. H. Fackler and Mrs. Ray Dinninger. Dainty refreshments were served. Mrs. Floyd Downend of Shiloh, and Mrs. Jennie Hills, were the guests present.

ENGAGEMENT IS ANNOUNCED Mrs. Sam Fenner is announcing the engagement of her daughter, Miss Dorothy Orner, Plymouth, to Emerson Shields, son of Mrs. Verda Shields, Willard. The couple will be married on Feb. 2. They will reside at 133 Garden avenue, Marion, O.

WOMEN'S SOCIETY

HOLDS ALL-DAY MEETING "Health" was the lesson reviewed last Thursday when the W.S.C.S. met in the Methodist church parlors for their January meeting. Mrs. Willard Ross conducted the service with the assistance of Mrs. Morrow and the devotions were in charge of Mrs. Brokaw. A splendid dinner was served preceding the business session and sewing done by the ladies in the morning. The dinner committee were Mesdames W. C. McFadden, A. D. Points, P. W. Thomas, Ira Ross and Walter Thursh.

PERSONALS

Mrs. E. L. Parsel of Salt Lake City and Mr. and Mrs. Glenn Frakes spent the week-end at Dayton, guests of Lt. Elmer L. Parsel.

Sunday afternoon guests of Mrs. Emma Landis were Mr. and Mrs. Frank Schiffer, and the latter's mother, Mrs. Mary Byers, of Shelby. Dinner guests Tuesday in the home of Mrs. Henry Cole were Mr. and Mrs. Elmer Stotts and Mrs. Genie Dawson.

Mr. O. M. Lamoreaux is at Jewett, Ohio, in the interest of the Fale-Root-Heath Co. Mr. and Mrs. O. M. Lamoreaux will motor to Fremont, Friday, and Mr. and Mrs. Wm. Golden will return home with them for a week-end visit. Mrs. Golden is a sister of Mrs. Christine Johnson.

Mr. and Mrs. R. R. Ross were Sunday guests of Mr. and Mrs. Arnold Knoll of Willard.

Deadline for Dog Tags January 20th

Monday, Jan. 20, is the deadline for purchasing dog tags and owners are reminded that after that date a penalty will be added. For the convenience of dog owners, the auditor's office in Mansfield will be open until 4 p. m. Saturday afternoon, Jan. 18. Cost of tags is \$1 for male and spayed female dogs and \$3 for females. Tags may be ordered by mail if the dog owner includes a description of his dog, including its age and breed, and the proper amount to cover the cost of the tag. Orders should be addressed to the county auditor at the court house. Owners on the Huron county side of the village may purchase theirs at the Peoples Bank.

DEATH ENDS

Meanwhile, scores of prominent Americans continued to inform national headquarters that they will accept membership in the national committee and declared their determination to fulfill the year's slogan: "Help the Youngster Around Your Own Corner." Under the leadership of Secretary of War Henry L. Stimson and Secretary of the Navy C. Frank Knox, commanders of the armed forces and directors of selected service joined the battle against the crippling invader. Chief of Staff General George C. Marshall was among the first to pledge his support. Industry gave its assurance of whole-hearted backing to the drive. Among the leaders in this battalion are F. L. Fisher, vice president of General Motors corporation, Edwin F. Chinlund, president of Postal Telegraph-Cable company. Soethens Behn, president of International Telephone and Telegraph company. Labor's forces this year will be led by William Green, president of the American Federation of Labor; Phillip Murray, president of the Congress of Industrial Organizations and Sidney Hillman, president of the Amalgamated Clothing Workers of America and a member of President Roosevelt's recently created super-defense commission. The first of thousands of "Home Parties" was given by Mrs. Roosevelt on Jan. 14; the "March of Dimes" will be conducted from coast to coast on a scale never before attempted in Washington, D. C., the "Mile-O-Dimes" will share the spotlight with the gala festivities planned for Jan. 30, President Roosevelt's 59th birthday. Stars of the stage, screen and radio have pledged their full participation in the 1941 "March of Dimes of the Air," directed by Eddie Cantor.

MARRIAGE LICENSE ISSUED A marriage license has been issued at Mansfield to Emerson D. Shields, Willard and Dorothy A. Orner, Plymouth.

CARD OF THANKS The family of Mrs. Elizabeth Brooks is greatly indebted to neighbors, friends and relatives for the many acts of kindness shown during her illness and death; for the many floral tributes, Rev. Wintermute, the pallbearers and all those who assisted in any way; it was all very much appreciated.

Transfer of Property Ethel M. Smith, et al, to Isaac W. Lykens, lot 31, Shiloh.

Mr. R. R. Ross is ill at his home on W. High Street.

HURON GIRL WINS CONTEST

Mary Jane Lawrence, North Fairfile High school girl, who represented Huron county in a district Prince of Peace contest in the Washington Street Methodist church, Tiffin, Sunday night, was awarded a gold medal and will have the right to enter the state contest.

Second place went to Marilyn Horst, near Postoria, who represented Hancock county. She will be an alternate to the state contest. Other speakers were: Lois Steuall, Lucas county; Oscar Olson, Jr., Lorain county; Robert Barr, Ashland county; Louise Tanner, Wyandot county, and Jayne Dudley, Crawford county.

SLOWLY IMPROVING Mrs. Herbert Myers, Shiloh, whose right leg was amputated two weeks ago, is slowly improving, according to reports from the Willard hospital.

PLANT FOOD LACK IMPORTANT CAUSE OF CROP LOSSES

CHICAGO.—Frosts or losses on crops harvested on Midwestern farms were largely determined by the presence in or absence of important plant foods from the soil, according to a statement by the Middle West Soil Improvement Committee. "Millions of dollars have been lost from wheat and corn crops because of a lack of phosphoric acid, potash or both of these elements," says the statement. "Millions more were lost from corn that failed to mature properly."

"During the growing season advances, all growing crops show early detected signs of plant starvation. For example, corn which lacks nitrogen fails to thrive and develops streaked, yellowish-tinted leaves. A fall-tale clue of phosphoric acid deficiency is lateness of maturity and poorly formed kernels. When potash is sorely needed, growth slows down, leaves scorch, the corn is susceptible to diseases and parasites. "Undershotting" wheat reveals disabilities including stunted growth where phosphoric acid is lacking, and poorly formed grains and a blighted appearance when potash is needed.

"Legume crops reveal marked evidence of distress when plant food starvation sets in. Alfalfa and clover that need potash develop a spotty, measles-like eruption that spreads over the leaves. "From the experience of this year's crop, Middle West farmers may determine how the lack of important fertilizing elements spelled crop losses."

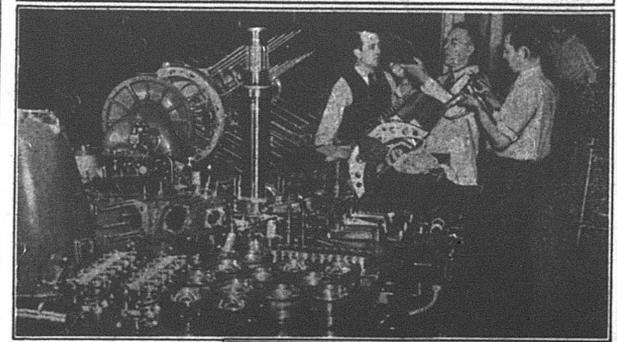

Transfer of Property Ethel M. Smith, et al, to Isaac W. Lykens, lot 31, Shiloh.

Mr. R. R. Ross is ill at his home on W. High Street.

HURON COUNTY COURT NOTES

Catherize Taylor estate; final accounting filed. Elizabeth Underwood estate; Norman C. Underwood appointed administrator. Bond of \$1700 filed. A. C. Brown, H. B. Knapp and Harry McLaughlin appointed appraisers.

Making Motors for Air Defense

Appearances to the contrary, these pictures of Allison airplane engines in production are in reverse sequence. At right, a motor being readied for its first test run. Above, the same motor in the "near down" department for inspection after the run, as required by the Army Air Corps for all aviation engines.

INDIANAPOLIS—Production methods of the automobile industry are receiving their first test in turning out non-automotive defense products at the Allison plant here where General Motors is building liquid-cooled airplane engines at a current rate of 250 a month. Designed for use by the Army Air Corps and the British government, these engines, the first of their kind ever manufactured in this country, are built to high-line specifications. Each part is subjected to rigid tests and checks before assembly, and the completed engine is given an eight-hour test run during which it is brought up to full power. Then it is completely torn down, inspected for wear and imperfections, reassembled, given a final acceptance run and packed in a moisture-proof transparent wrapper for shipment. Currently employed in the 1,000,000 square feet of buildings occupied by the Allison plant are 7,800 men. Another 1,700 men are making Allison engine parts at the Cadillac Division in Detroit. A year ago the Allison plant occupied 50,000 square feet of floor space and employed 800 men. By next Fall further additions to the plant will have been completed and new equipment installed.
