

NEW DEFENSE BONDS ARE NOW ON SALE AT LOCAL POST OFFICE, BANK

Public May Invest From Dime to \$50,000; "Easy Payment" Feature in Drive to Make America Impregnable.

The United States Defense Savings Bonds and Postal Savings Stamps were placed on sale in the local post office Thursday morning, May 1st, as part of the national effort to make America impregnable.

Postmaster Claude Sourwine announces that plans have been completed for this community, along with thousands of others from coast to coast, to do its full part at the opening of the savings program.

The new Defense Savings Bonds are similar to the familiar "Baby Bonds" of which more than five billion dollars worth have been bought by more than two and a half million Americans since 1935.

A Defense Bond may be purchased May 1, or thereafter for \$18.75. In ten years, this bond will be worth \$25.00. This is an increase of \$3 1/3 per cent, equal to an annual interest return of 2 1/2 per cent, compounded semi-annually. Any time after 60 days from the date of purchase the bond may be redeemed for cash.

\$5,000 Limit Set To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in one year.

The bonds are in denominations of \$25, \$100, \$500 and \$1,000, all of which are sold for 75 per cent of their maturity value and all of which mature in ten years.

For the smaller investor who wants to buy a Government Bond on easy payment plan, the post office will have a new series of Postal Savings Stamps at 10c, 25c, 50c, \$1 and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, an attractive pocket album in which to paste his stamps until he has enough to buy a \$25 bond or one of the higher denominations. Thirty millions of these albums are being prepared.

"America on Guard" is the cover design of the album in is color, featuring a United States battleship and an eagle bearing the American flag. On the back cover is a painting of the Minute Man statue by Daniel Chester French, which symbolizes the American citizen ever alert in defense of his country. The inscription is "America on Guard."

SCHOOL YEAR DRAWS TO CLOSE; ANNOUNCE SPEAKER PROGRAM

Commencement week begins on May 29, with the Alumni banquet. The school will participate with the entire community in Memorial Day exercises on May 30. Baccalaureate will be held Sunday evening, June 1, the address will be given by Rev. H. T. Wintermute. The pastors of the various churches will also have a part in the program for the evening. Commencement will be held on June 5. The high point of course, will be the presentation of the diplomas by Roy J. Johnson, president of the Board of Education. The speaker for the evening will be Dr. John Swartz of Bowling Green University. The pastors of the various churches will again take part in the program as well as members of the class and Supt. Bailey.

The programs for both baccalaureate and commencement are as follows:

- Processional. Invocation..... Rev. Bethel Music..... Girls' Glee Club Scripture Lesson..... Rev. Wolf Choir..... Junior Choir Address..... Rev. Wintermute Music..... Mixed Chorus Benediction..... Rev. Wolf

Secretary Mergenthau said that even a boy or girl who saved 10c to buy a Savings Stamp would help the country. He added that "you can safeguard your own money and your own future, while helping the national defense, by buying United States Savings Bonds now on sale at the local post office or at the Peoples National Bank."

BROTHER DIES

Word has been received here of the death of Joshua Snyder, 68, a former resident of this community. Death occurred at the home of his daughter, Lois, in Coldwater, Tenn., where he had been making his home.

Snyder resided on the Will Eric farm, near Shelby, thirty years ago. He is survived by his wife and two sons, John and Norris, of Warren, and daughter, Lois. Funeral services were held Sunday afternoon at 3 at the White funeral home in Warren. His brothers, Ira Snyder of Shelby, and Albert and George Snyder of Plymouth attended the funeral.

FARMER, 73, DIES

Harry J. Niver, 73, Norwich township farmer, died in Willard Municipal hospital Thursday following a lingering illness.

He is survived by two sons, Raymond and Charles, both at home; two daughters, Mrs. Isabel Featherling, Richmond township, and Mrs. Pauline Billings, Toledo, and one grandchild.

Funeral services were held Sunday at 3 p. m. from the Second funeral home in Willard with Rev. A. L. Baker, pastor of the Grace Methodist church officiated and burial made in Centeron cemetery.

BONDS SOLD

MANSFIELD BANK SUCCESSFUL BIDDER ON LOCAL SCHOOL BONDS

Plymouth school district's \$47,500 worth of bonds for a new elementary school were sold Friday night to the Farmers Savings and Trust Company, Mansfield, at two percent interest and \$232.50 premium.

Other bidders include the Farmers State Bank, New Washington, who offered two per cent and a \$5.00 premium; Seasongood & Mayor, Cincinnati, Ohio, two and a fourth per cent and \$1001 premium; Weil Roth & Irving, Cincinnati, two and a fourth per cent and \$723 premium; Field Richards Co., Cleveland, two and a fourth per cent and premium \$689; BancOhio Security Co., Columbus, two and a fourth per cent and premium \$660.75; Charles A. Hirsch & Co., Cincinnati, two and a fourth per cent and premium \$570; Van Lahr Doll Isporthing, Cincinnati, two and a fourth per cent and premium \$508.25; Stranahan, Harris Co., Toledo, two and a fourth per cent and premium \$422; Peoples National Bank, Plymouth, two and a fourth per cent and premium \$400; Ryan Sutherland Co., Toledo, two and a fourth per cent and premium \$373; Richard Trust Co., Mansfield, two and a fourth per cent and premium \$111 Citizens Bank, Shelby, two and a fourth per cent, and no premium.

The bonds, which represent the school district's share of the cost of the new \$77,500 building, will be payable over a 25 year period. The federal government is contributing \$30,000 in labor. National Youth administration workers are already raising the old building to make room for the new school. Work on the structure is expected to start as soon as the old building debris is cleared away.

DIES AT AGE 81

Mrs. Hannah C. Osborn, 81, died at the home of her son, Charles Osborn, New Haven, Thursday.

Besides the son with whom she made her home, surviving are another son, Earl, Cincinnati; a daughter, Mrs. Elsie Stevens Cuyahoga Falls; a brother, Albert Redman, Marion, and 15 grandchildren.

Funeral services were held at 3 p. m. Sunday at the Secor funeral home with Rev. H. W. Reser officiating. Burial made at Prospect, her former home.

RESUMES TEACHING

Miss Florence Passell, local grade school teacher resumed her work Tuesday after several weeks' absence due to an injured ankle, suffered several weeks ago at a roller skating party.

COUNCIL HAS A BUSY SESSION

PETITIONS RECEIVED; BILLS APPROVED; REPORT GIVEN ON JOINT MEETING WITH THE BOARD.

With the opening of the regular monthly meeting of the Village Council Tuesday night, presided over by Mayor Johns, a busy session ensued which included many subjects for discussion.

Opening the meeting with the roll call to which all members responded with the exception of Councilman Root, the order of business routine was followed. A petition asking the Mayor and Council to retain Mr. W. T. Niles, who had served as village marshal for a month, and who tendered his resignation effective on May 1, was presented. The petition was signed by a number of business men around the Square, and was unanimously approved at the Business Men's meeting on Monday night.

Robert Clark presented a petition from sixty per cent of the property owners on Mills Avenue, asking that the village construct a curbing and gutter on the street. The expense of the curbing is to be born entirely by the property owners with the exception of the street and alley intersections. A resolution to start proceedings on this improvement was adopted and the matter referred to the street committee. A number of property owners on this particular street have recently built new sidewalks, and in order to get the necessary drainage of surface water, a curb has to be placed.

HOLD JOINT MEETING

Members of the Board of Public Affairs, Mayor Johns and a committee from the village council, and Solicitor Kimball held a joint meeting Monday night in regards to the two petitions which have been circulated by members of the Board of Public Affairs concerning a referendum on the payment of engineering fees for the construction of a municipal light plant.

It was pointed out by Solicitor Kimball that one petition requested a special election to be held on August 12, while the other petition called for a vote on the light plant at the regular November election. Inasmuch as the time limit of sixty days as allowed by law had passed before the petitions were filed, council could proceed with the necessary legislation. But it was suggested that one of the two petitions be withdrawn, namely the one setting the election date in November.

The mayor and council expressed their willingness to cooperate in holding a special election, and (Continued on Page Eight)

PLYMOUTH'S NEW PARK GAINS IN POPULARITY; SHELTER FINISHED

Plymouth's new park, the Mary Fate Memorial Park, attracted many local people as well as out of town visitors Sunday, the first real warm day of the season.

Visitors who had not previously been down or who had not been over the ground since last fall were astonished at the progress made this spring. It really is a beautiful spot, ideally located and now shaping up in good form.

At the entrance trees have been set symmetrically on either side with weigela bushes, the town's flower bed between them. This idea is carried out into the grounds and around the drive way, forming a complete circle. To the south, the fields have been cleaned of all underbrush, partially graded and seeded. To the north a "bumper" fence has been constructed which guards the playground from auto drivers who might disregard the "do not enter" sign, and which adds protection to children at play.

The biggest project undertaken this season was the erection of the covered shelter. This was almost completed Monday with the exception of painting. The roof is covered with blue, red and green mottled shingles and makes the biggest difference in the appearance of the park. Saturday a group of men, composed of D. J. Ford, Ellsworth Ford, Henry Watts, L. E. Brown and Fred Noggle, worked until dark roofing the shelter, almost completing it. These men donated their time as have many others, thus saving dollars for the park committee.

The shelter is large enough to accommodate 8 rustic tables and benches. These tables and benches are similar to those used in Roadside Parks and were purchased by the park committee from the NYA Center. Benches of like design and material have been ordered and will be placed at various spots over the park.

Last year's picnickers were greatly handicapped by lack of drinking water. However, water lines were laid early in the spring cement blocks laid and now two fountains will soon be installed.

Although the drinking fountains are not yet placed, water is available. Two outhouses, as a necessary, have been completed since the close of last season.

The park's playground is equipped (Continued on Back Page)

DESIGNATE NEXT WEEK AS ANNUAL "CLEAN-UP" WEEK

Following an annual custom, Mayor W. M. Johns has proclaimed next week as clean up week.

With the purpose of making Plymouth neater and a better looking place to live in, residents are asked to gather up rubbish and to give their premises, a general going over in preparation for the summer.

All rubbish is to be placed in suitable containers at the curb. Collection will begin on Monday morning, May 12th. Special emphasis is placed on the containers this year so that the collectors will not have to gather up the contents of boxes which break, etc.

THE WEATHER

Month of April, 1941 John A. Root, Official Observer

The month of April set up a record for being hot and dry, especially when compared with April, 1940. And a year ago last April there were 5.5 inches of snow. The records show no snow for the month just ending.

For an interesting comparison of the weather read the report in full:

Temperature Highest for the month 85, date 13 Highest one wind speed 75, date 30 Lowest for the month 26, date 22 Lowest one year ago 18, date 14 Average for the month... 53.4 Average one year ago... 44.2 Normal temperature... 47.5

Precipitation Total for the month... 1.23 in. Greatest in 24 hours... 0.35 in. (Date, 17th) Total one year ago... 5.90 in. Normal rainfall... 3.43 in.

Snow Fall Total for the month... None Total one year ago... 5.5 in.

Number of days With .01 or more precipitation 8 Clear... 15 Partly cloudy... 7 Cloudy... 8 Prevailing wind direction, NE. Showers Tuesday morning broke the long drought in this section but much more rain is needed to bring the ground into a normal moisture content.

ACHIEVEMENT BANQUET GIVEN IN HONOR OF SCHOOL STUDENTS

Students who had made outstanding records in athletics, music, and in commercial subjects were honored at an Achievement Banquet held at the high school Thursday night.

A delicious three-course dinner was served by the home economics department under the direction of Miss Wisecup, assisted by Miss Faulkner. The tables were attractively decorated in PHS colors, red and white, and Spring flowers.

Mr. Derr, who served as toastmaster of the occasion, called on Mr. Griest to make the music awards. Letters in the form of musical lyrics were awarded to those who participated in both vocal and instrumental organizations throughout their four-years in high school. Those that were honored were Janice Hoffman, Joe Hunter, Edwin Beeching, Leona Taylor, and Helen McDonald. Pins for participation in either vocal or instrumental music were awarded to Betty and Barbara Pickens, Betty Kendig, Thelma Hough, Bob Martin, Roy Marshall and Audrey Stotts. Medals were given Mary Alice Weller and Helen Gowitzka, soprano, winners of superior ratings in district contests. Willard Ross was awarded a medal for being the outstanding music student of the year.

Members of the girls' ensemble were also honored.

Coach Dunham presented the awards to those who had earned them in athletics. Varsity awards were presented to Bob Martin, and Keith Kitchin, football and basketball captains, who spoke briefly, Roger Miller, Dick Ruck, Jim Cunningham, Junior Leach, Bill Fazio, Joe Moore, Vance Hoffman, Sid Rhine, Harold Biller, Jim Rhine; Reserve numerals were given Tom Moore, Willard Ross, Quentin Ream, Robert Ross, Bill Van Wagner, Jim Crockett was given a certificate for acting as manager and will receive his letter next year as well as Junior Marvin, cheer leader.

Harry Vandervort awarded typing medals to Margaret Steele, Marilyn Earnest, Norma Hatch, Thelma Hough, Betty Pickens, Helen Gowitzka, Dorothy Sourwine and Betty Jacobs. Guests included members of the school board and their wives, the bus drivers and their wives, grade and high school teachers, Rev. and Mrs. Wintermute, Rev. R. C. Wolf and Rev. and Mrs. Bethel.

Supt. E. L. Bailey and President of the Board of Education, Roy Johnson, spoke briefly. The program closed with the singing of the alma mater.

BEHIND THE SCENES OF AMERICAN INDUSTRY

New York, May 8.—BUSINESS—the ultimate impact of the "war economy" on taxpayer and consumer has become vastly more recognizable in the last couple of weeks. Ever since the defense drive started experts have warned against being too elated over zooming industrial activity, rising payrolls, saying we had to discount much of the gains, because of the basically uneconomic nature of the destructive military goods being produced, as compared to constructive peacetime goods. But in the last fortnight it's become apparent that the degree of switchover from production of normal goods to that of military machinery and equipment is going to be far greater than almost anyone had anticipated. The eventual impact is two-fold: (1) Much higher taxes, starting right away, in effect, and (2) a less immediate, but nonetheless certain, decrease in availability of consumer goods. Argument is abundant on the contrary department's proposal for raising an extra \$3,800,000,000, but there's no doubt about inevitability of tax increases on some such scale as that, though with minor alterations in allocation.

FARM 'LIFE-LINE'—The gasoline engine, which forced the old gray mare into the "ain't what she used to be" status and completely revolutionized rural life, has now become a virtual "life-line amid plenty" for American farmers. According to a recent survey on shopping habits of farm auto owners, one third of all farm families depend entirely on their automobiles for doing their family marketing. "In fact," explained Joseph Frazer, president of the Willys-Overland company which made the survey, "14 per cent of car owners no doubt would have to abandon their principal shopping centers if they were deprived of their automobiles." This is because a large part of the regular replenishing of family needs is done at considerable distance from home, nearly half of the farm families traveling more than five miles to market. "Many rural car owners drive as much as 4,000 miles a year for household shopping alone." Reports from Willys dealers in rural areas, he said, show that many farm families are becoming increasingly aware of this important cost item—which averages about \$60 a year—and are seeking to reduce it by turning to low-cost, low-upkeep cars.

BITS 'O' BUSINESS—Following the same pattern as the extraordinary auto sales records of recent months—nudged along by customers' anticipation of curtailed production—sales of electric ranges and refrigerators are booming; they were up 55 and 41 per cent, respectively, for March—Department store sales for the nation continue to set a fast pace; for the week ending April 26 they were 17 per cent ahead of the same week of 1940, and for the four-week period, 23 per cent. Delegates to U. S. Chamber of Commerce convention in Washington cited quite a few instances where the priority of defense production requirements was keeping them from getting machines they need to expand—and in some cases merely maintain—their output; and just at a time when business is picking up. Technique of subcontracting is spreading primary contractors now, on the average, are dealing with 25 subcontractors, whereas in January the ratio was 1 to 15.

GROCERY GAIN—The first five-day week in the history of the grocery business will go into effect May 12 for 7,000 retail employees of the A. & P. eastern division. In announcing the new 8-hour week, John A. Hartford, company president, expressed belief the success of the move would lead to nationwide extension in the near future. Long hours have been almost traditional with the highly competitive food industry. "In spite of this," Hartford said, "the A. & P. has repeatedly broken with established hours in an effort to lead the industry away from the dawn-to-dusk schedule. We pioneered vacations with pay. Since 1916, we have shortened the working week for our employees by 25 hours. As a result," he added, "A & P's employees generally throughout the country have had the highest wages and shortest working hours of any workers in the food business." He pointed out that such gains never have been achieved at the cost of increased prices to customers or lower returns to suppliers. Salaries will remain the same, and stores will be open six days a week, of course.

THINGS TO WATCH FOR—Smoother airplane wings and bodies; Douglas Aircraft is testing a new method for riveting together the thin metal sheets, a method that does away with projecting rivet heads. Outdoor bowling; a plastic alloy that will withstand heat and rain has been developed, and some folks say the outdoors ten-tens will flourish; vogue rivaling the famous midget of a decade ago. A "war use" for surplus cotton is that of fire-proofed cotton batting for air-raid shelters; tests are said to show that a seven-foot thickness of it will withstand a three-ton bomb dropped from 30,000 feet, whereas a one-ton bomb dropped from 15,000 feet will penetrate six feet of concrete. The "book-of-the-month" idea is being applied to phonograph records by Victor, with an album-of-the-month scheme by which a jury of critics selects the set, set, and subscribers to four such selections get a bonus (a reduction on additional record purchases) and a safety sun glasses for children; vogue rivaling the famous midget of a decade ago. NOTICE TO WHEAT FARMERS

New wheat growers who have not seeded wheat for harvest in 1939, 1940 or 1941, but who expect to plant wheat in 1942, and desire a wheat allotment, should file a written request for an allotment with the county committee before June 1, it was announced this week by Robert E. Finlay, Chairman of the Huron County AAA Committee. Farms on which no wheat was planted for harvest in any of these years will receive no wheat allotment unless this request is filed.

HOG CHOLERA IS ON THE INCREASE

Hog Cholera still remains the greatest enemy of the swine raiser. Losses have amounted to as much as twenty million dollars yearly. Entire herds have been wiped out within a few days after the first sign of the sickness were noted. Like many other virus diseases, hog cholera tends to follow a more or less definite cycle. The last peak of this cycle was the great nationwide outbreak of 1928. Now the cholera occurrence cycle again seems to be in the ascendancy. For example, the 4,861 major outbreaks listed in 1938 were a 30 percent increase over the preceding year. And these increases do not include the untold thousands of minor outbreaks which were unreported. A recent survey by the American Foundation for Animal Health in a representative midwest state revealed that there was an appreciable increase in autumn and midwinter outbreaks.

Many virus diseases can be prevented by good sanitation, careful feeding and common sense husbandry methods. With cholera, however, only proper immunization with serum and virus (attenuated method) offers positive protection.

Mrs. Mildred Jaster of Columbus, National Democratic Committee woman of Ohio, was the guest of honor at the Dolly Madison Tea which was held Tuesday afternoon in the ball room of the Mansfield-Leland hotel in Mansfield.

Mrs. Jaster addressed the group during the program scheduled for 4:00 p. m. Mrs. Max Lee gave a brief history of the life of Dolly Madison. Attorney Howard Gungwer also spoke at this time. Others on the program included Mrs. Doris Batschall of Shelby, reader, Janie Bunnell, who gave a group of piano solos, several of her own compositions; a dance number by Jean Schill, Marjorie Crowl and Betty Underwood, and vocal solos by Jane W. Brooke.

Margaret Cumberworth furnished piano music during the assembling of the guests. Guests were present from the Monticello Club from Ashland and the Martha Jefferson, from Plymouth and Shiloh. Tea was served from an attractive table by Mrs. Gorland, president of the Ashland group, and Mrs. Gebert, president of the Plymouth group. Those from Plymouth attending were Mesdames Henry and John Paehler, Ida Fleming, S. Bachrach, G. Brown, F. Sheeley, L. Gebert, L. Fetters, Marie Rule, W. Stroup, C. Lofland, and Mrs. Higgins; Misses Elizabeth and Katherine Weber and Marjorie Ehret.

WCS MEETS ON MAY DAY

On Thursday, May 1, members of the W. S. C. S. of the Methodist church, met in the church parlors in the morning for sewing. Needles always fly at this friendly and interesting gathering, and much sewing was accomplished.

At noon the luncheon committee attended the ladies to a May Day table, where a miniature Maypole was decorated with colored streamers and spring flowers. Other bouquets of pastel flowers were arranged along the tables, and around the room. Many compliments and thanks went to the following committee for the two-course lunch: Mesdames Harry Shurt, Earl McQuate, Isabelle Cole.

Mrs. Bert Ford has as the theme of her devotions, "Stewardship of Education," and Mrs. Florence Brokaw was in charge of the program which followed, with the same topic. The business session was presided over by the President, Mrs. George Hensher, and after a fine afternoon the group adjourned until the first Thursday in June.

ALPHA CLASS HOLDS BIRTHDAY PARTY

A birthday party concluded the year for the Alpha class when it met Tuesday evening in the church church annex. Twenty members responded to enjoy the birthday program and sack lunch. Mrs. Feichtner, secretary, gave a reading on "Birthdays," an original poem by Mrs. P. Myers and a poem by Mrs. Lizzie Trauger.

A beautifully "make-believe" birthday cake received the pennies brought by the members and a real cake was cut amongst them. Red, white and blue balloons were used as favors and spring flowers adorned the table.

The class will hold their annual summer picnic with the date to be announced later. Those who have not turned in their birthdate money may do so by getting in touch with Mrs. Chas. Barr and sales stamps collected during the summer months are to be turned over to Mrs. A. F. Donnienwirth.

The class will reconvene in October.

GARDEN CLUB MEETING

Mrs. Dave Scradefeld was hostess Friday evening to members of Plymouth's Garden Club. In the absence of Mrs. Eva Smith, who was ill, Mrs. Bartholomew conducted the lesson study on the subject: "Wild Flowers." Roll call was "Bring a wild flower and name it."

It was reported that the Weigela bushes planted last year in the Mary Felt Park are thriving and will add much to the attractiveness of the park.

The next meeting will be held with Mrs. E. R. Scott, who will also be the leader.

RECEIVE CITIZENSHIP PAPERS TUESDAY

Mrs. D. O'Connell, who resides in the apartment of Mrs. Eva Smith, was notified Tuesday that she had successfully passed all exams and received her citizenship papers. Mrs. O'Connell was the only Russian to take the exams, although there were numerous former Balkan people.

LUTHERAN LADIES AID TUESDAY

The Lutheran Ladies Aid Society will be held Tuesday, May 13th at the church annex for all day meeting. A covered dish dinner, will be served at 12:30. Members are asked to attend.

AT LADIES AID

Mrs. Albert Feichtner attended the Lutheran Ladies Aid on Guest Day, held at the Willard church Tuesday.

GUESTS OF MRS. EVA SMITH

Recent callers in the home of Mrs. Eva Smith were Mrs. Phoebe Griffith and daughter Ruth, Mr. and Mrs. Earl White of Crestline; Misses Esther Thrush and Virginia Thrush of Mansfield; Mrs. Ella Link, Mr. Frank Ludwig and Jasper Fralick, all of Shelby.

MOTOR OVER NEW HIGHWAY

Mr. and Mrs. P. H. Root returned Sunday from several days' visit in Elmira, N. Y., with their daughter, Mrs. Rexford Baxter and family and also in the home of Mr. and Mrs. Dave Botenfield of Everett, Pa. They returned home via the new Pennsylvania Turnpike.

RALLY AT NORTH FAIRFIELD

A rally for young people in the 7th, 8th and 9th grades of the Methodist church will be held on Friday at 7:30 at the North Fairfield church. These young people expect to attend the Junior Camp at Camp Craig, near Medina, this coming June and plans are to be made at this meeting.

SUNDAY GUESTS

Guests of Rev. and Mrs. Bethel Sunday were: Carl Peck, Florence Bowdler, Miriam Day, Harriett Pinkerton, Lois Montgomery, Emma Howe, Mr. and Mrs. John Keller, Eula Jane and Robert Keller, and Joy Bethel, all of Kingsville, and Mr. and Mrs. Russell Bethel from East Cleveland. They came to be present at the installation service.

HOLDS OFFICE

Mrs. C. L. Hannum was elected treasurer of the Women's Auxiliary to the Richmond County church on Monday afternoon at the Women's Club in Mansfield. The new president is Mrs. Lincoln Fisher. This was the final meeting of the auxiliary until September.

UNITED WORKERS MEET AT MANSE

The United Workers of the Presbyterian church met Tuesday evening at the manse. After a brief devotional period, Mrs. Teal, the president, took charge of the business. Officers not present at the time of installation were installed by the pastor. Certain projects for improvement of the church property were discussed and a committee appointed to consider the improvement of class rooms and vestibule of the church. Plans were formulated for the Eastern Star Banquet on May 20. Ten dollars was given toward new books.

Hostesses on the evening were Mrs. Oliver Tilton, Mrs. Judd Keller, Mrs. Wm. Teal. One feature of the evening was the privilege the members had of seeing the improvements the trustees had made in the interior of the manse. The next meeting will be held at the home of Mrs. Oliver Tilton, Trux street, June 3rd.

FOURTH QUARTERLY CONFERENCE MAY 18

The fourth quarterly conference and annual business meeting of the Plymouth and Shiloh Methodist churches will be held at Shiloh, Sunday afternoon, May 18. Dr. Mearns, the district superintendent of Elyria, will preach at both churches in the morning. A basket dinner will be enjoyed at the Shiloh church at noon. Watch this paper for further announcement next week.

Mr. and Mrs. Guy Church of Columbus called Sunday on Mrs. Minnie Woodruff at the home of her daughter, Mrs. T. R. Ford and family.

REV. H. L. BETHEL IS INSTALLED IN LOCAL CHURCH

Sunday evening Rev. Howard L. Bethel was installed as pastor of both the Plymouth Presbyterian church and the Rome Community church. The sermon was preached by Rev. R. D. Winant, pastor of the Nankin Federated churches and moderator of the presbytery. The charge to the pastor was given by Dr. Andrews of Ashland and the charge to the congregation by Rev. A. B. Allison of Shelby. The Plymouth choir sang two selections and Mrs. Lois Montgomery of Kingsville, Ohio, sang a solo. Fourteen members of the Kingsville church—former home of Rev. and Mrs. Bethel, were present for the service.

A reception followed the installation service. The basement of the church was beautifully decorated with flowers and candles. Ice cream, cake, coffee and tea were served. Rev. Mr. Wolf and Rev. Wintermute gave addresses of welcome for themselves and their congregation; Mrs. Harriett Peck, in a few well-chosen words, gave a greeting from the local congregation. Mr. Bethel responded expressing his appreciation for the splendid spirit of cooperation existing among the churches.

OPERETTA CAST GIVES UNUSUAL PERFORMANCE

A disappointingly small but generously enthusiastic audience saw the high school operetta, "Miss Cherry Blossom," Friday evening and were unanimous in declaring it the best musical production and one of the most interesting shows seen in many years in Plymouth.

From the opening curtain which parted on a breathtakingly beautiful scene, a Japanese tea garden, to the finale the stage was a kaleidoscope of beautiful colors, rhythmic dances, sprightly comedy and harmonious music. Special mention should be given to each of those who took the leading parts. Mary Alice Weller in the title role captivated the audience with her lovely voice and charming stage presence. Plymouth audiences end the hope of hearing Mary Alice many times in the future due to the fact that she is only a Freshman. Opposite Miss Cherry Blossom, Jim Cunningham, as Henry Jones played the romantic role in an altogether adequate manner and his fine tenor voice complimented Cherry's in several duets, musical high points of the evening.

The full soprano voice of Helen Gowitza and the rich tenor voice of Bob Ross proved a delight to the audience as they sang their various solos and duets. The acting of both the characters was commendable and their excellent speaking voices were noteworthy. Historic honors should go to Willard Ross in the comic role of Kokemo, which was played with such enthusiasm that the crowd was constantly provoked to laughter. Edwin Beuchings as Togo, likewise gave a fine interpretation of his villainous role. Roger Miller and Edward Croy in non-singing roles, read their lines extremely well. Nor should the chorus be overlooked, for some of the most beautiful scenes were presented when the geisha girls sang and danced and when the American girls and men blended their voices in the tuneful music of the operetta.

The entire cast was colorfully costumed. The geisha girls in the varied hued kimonos and Japanese fans presented a beautiful picture. The lighting effects and make-up added much to the production.

Much credit should be given to R. Byron Griest, musical director and Sherman Mott, speech director, who combined their talents in music, speech, costuming and staging in this production. Mr. La Mar Fleagle assisted with the lighting; Mrs. Willard Ross generously gave her time to play the accompaniment.

LETTERS TO THE EDITOR

Dear Mr. Editor:

Mr. Dawson's epistle to us Plymouthites makes it plain that he wants us to know that he was elected to the Board of Public Affairs to look after the public interest and that under the law he has done "just that." Does he know of any outside interests he might represent? We hope he is so interested in the welfare of the citizens of Plymouth that he would not think of representing any other interests.

Mr. Dawson has been rather liberal with his criticism of the Mayor and Council for not signing a new year contract with the Power Co. He would have us believe that, if we sign this contract, we would have at the end of 15 years a surplus of \$144,000.00 but fails to mention the small sum of \$180,000.00 the Power Co. will take out of our village. This looks like a good thing for the town and the Power Co., but not very good for the people who pay both items or \$330,000.00. At any rate, it is, according to law, the duties of the Mayor and Council to execute a contract with the Power Co. and not the duties of Mr. Dawson. Is he just meddling or does he have some trouble? He admits he is signing several municipal plants but fails to make any comment whatever as to whether or not those plants are a success or a failure. It is reasonable to assume that if he had found those plants to be a failure he would have used the entire front page of our local paper in telling the people so. The facts are, the plants are a success.

This protector of our interests is now engaged in trying to prevent payment of \$350.00 to an engineer, who the Council retained to assist them with their power problem, but he is heartily in favor of paying a Power Co. \$132,000.00 in the next ten years if he can get our signature to a contract. He strains at a gnat and swallows a camel.

Next, he uses his best a strange "supreme trio or triple alliance," and asks our citizens if we are going to permit this to continue. No. All that is necessary is the Mayor's signature to a ten year contract, then the "supreme trio" will not longer haunt us for ten long years. However, at the end of that period another "supreme trio" more terrible than the present might arise. In that event we suppose Chick would take up his bed and leave town.

Supremely yours,
H. H. Fackler,
G. W. Pickens.

Classes Sell Magazines

The Junior and Senior classes of PHS are selling the publications of the Curtis Publishing Company this week. The list they offer for sale includes such popular magazines as The Saturday Evening Post, Ladies Home Journal and Country Gentleman as well as a list of thirty other best sellers. The classes realize a profit of fifty per cent on the sale of each Curtis Publication.

Townpeople wanting these magazines are urged to get in touch with a class member or you may call the high school, No. 57, and leave your order. The money raised will be used for the Washington trip. The fund has very nearly been raised and needs only a little pushing to put it across. Won't you help?

MOTHER'S DAY AT LOCAL METHODIST

The observance of Mother's Day is planned in the Plymouth and Shiloh Methodist churches as a beautiful and reverent service without sentimentality, but with an emphasis on the fine values of motherhood.

There will be flowers at the door for all mothers who do not come with them. As a special service to all mothers who are unable to walk to church, it is planned to call for all who need transportation. If you know of anyone desiring to have transportation provided (either yourself or someone else) please call the pastor before Saturday.

DONATE MONEY TO BOY SCOUTS

The Business Men's Association held their regular monthly meeting Monday night at Fortney's night club, where a very pleasing dinner was served at 6:30. Following the dinner regular routine business was transacted with Richard Hendricks, president, in charge.

Reports were made on the coming Spring Festival and other important matters were discussed. The organization unanimously approved a petition asking the village council and mayor to try and retain Mr. Niles as marshal.

James Root, in behalf of the Boy Scouts, asked the help of the organization in the Scouts summer activities. \$50.00 was voted to help in this work. The money will be used in sending the Scouts to the summer camp to be held at Seltzer Park, Shelby, in June.

The next regular monthly meeting of the organization will be held in the Mary Fate Park when the members and their wives will join in a pot luck dinner.

CHANGE DATE FOR PLAYLET

The date for the presentation of "Leave It To Mother" has been changed from May 22 to May 15. This change is being made so that the senior play will not fall on the same night as the festival which the business men are planning.

This play, a clean and refreshing comedy, is a human and moving story that concerns the average American family. It is the type of family that's to be found in any American community and it is indeed interesting to watch the unfolding of this entertaining play which was written by Miss Joyce Andrews. In many places where it has been presented it was such a success that repeat performances had to be given to satisfy the demand.

The Central character is a mother who is prim and old-fashioned and whose entire life is devoted to her family. But all characters have an excellent opportunity to demonstrate their ability and to offer five character actions. Both young and old will enjoy this play which makes you laugh one minute and feel sad the next. It's a good time that you can not afford to miss, so plan to attend "Leave It To Mother" next Thursday night, May 15, at 8:15. Come and bring a friend!

PLANS SHAPING UP FOR FESTIVAL

Plans for Plymouth's four-day Spring Jubilee announced for Wednesday, Thursday, Friday and Saturday, May 21-24th, inclusive, are rapidly going forward.

Patterned somewhat after the Fall Festival, new ideas will also be incorporated and new displays and entertainment brought into town. The Square will be roped off as in former festivals with the ferris wheel, merry-go-round and other amusement attractions for enjoyment of both young and old.

Wednesday night the free movie will attract hundreds of people in this vicinity to Plymouth; Thursday evening the Buckeye Rangers from Columbus have been secured, while Uncle Rube Sanderson, radio star of WMAN, will be here for a personal appearance Friday evening. Saturday the big attraction will be the Crestline Band, under the supervision of Maurice Davis. This band was one of the highlights of the fall festival and will be a good drawing card this Spring.

The Fate-Root-Heath Co. will again lead the field in displays, while an innovation this Spring will be the style show under the supervision of Mrs. Stella Hatch. Another display will be the auto show with Ed Ramsey as chairman. For the little folks a pet

SHILOH SCHOOL NEWS

JUNIOR NEWS

The annual Junior-Senior Banquet is to be held this year on Saturday evening, May 10, at the Leland Hotel in Mansfield. Dinner will be served at 6:30 o'clock and a theater party will be held at the Elmer Theater. The main feature will be the movie, "The Great Lie" starring Bette Davis.

SENIOR NEWS

The seniors are happy to announce that their play was a success. The play went smoothly and everything went very well.

We wish to thank all the people who came to our play and we hope that you were satisfied. We shall try to reciprocate in the future.

We are happy to learn that we received over fifty dollars from the ticket sales.

The seniors are planning a dance to be sponsored by their class on Friday night, May 16. We have an orchestra and hope that you will come and enjoy this dance. There hasn't been a good dance this year at the Shiloh High School auditorium and we are planning this one especially for that reason. Forget your troubles and come to the school and plan to spend an enjoyable evening.

F. F. F. NEWS

On Wednesday evening, May 14 the boys from Shiloh F. F. A. journey to Weller for their long awaited Pest Hunt Feed. They are planning on having a softball game before they eat. The boys worked hard in this contest and were rewarded by winning. We are ready to go and reap the fruits of our victory.

HOME ECONOMIC NEWS

Last Wednesday the home economics were all very happy for they were going to Mohican State Park for supper. Each girl had her task to do and did it very well.

It usually seems that something happens when a group plans a good time, but this time it could not be spoiled for anything. We are sure that everyone had just as nice a time as they prepared for.

The girls wish to thank Miss Pettit, Miss West and Miss Southwick for taking us to the park in their cars.

WARNS FARMERS TO SAVE WOODS

You may cash in on your farm woods by clear cutting now, but it will be cash out of your pocket in the long run.

That's the warning from J. A. Merrill, Forester of the CCC Camp, Mansfield, Ohio, who says that the present tendency of many farmers to overcut and overfell is a menace to the national defense program. He urged all farmers to protect the farm woodlands and adopt systematic management practices.

"Too many farmers are over-anxious to cash in while prices are high, even though by so doing they eliminate all possible returns for many years to come," Merrill said. "Lump sum selling, followed by slash or clear cutting, frequently leaves the owner not only with little or no growing stock on the ground, but often brings him low price for the materials cut. Furthermore, slash cutting leaves the ground susceptible to soil erosion."

A three-point program, involving protection from grazing, protection from fire, and selection cutting is recommended by the U. S. Department of Agriculture. Selection cutting, it was pointed out, has many advantages. Volume, quality, and good prices can be secured only from large logs. Small, immature trees left after a selection cut respond vigorously through stimulated growth. Also, selection cutting makes possible annual and periodic harvesting. Do your own logging, do it on a systematic basis, and you'll reap your own reward in both cash and a sustained farm woods, was Merrill's advice.

A Beautiful Legend

A beautiful legend is going the rounds in conservation circles. It has to do with Dogwood, whose beauty is now waning for this year. The legend, as quoted by The Ohio Conservation Bulletin, runs thus:

This legend comes from out of the centuries of the past. Because of its hardness, it is said that the wood was chosen for the cross on which Christ was crucified.

The dogwood was saddened to be used for such a purpose and the Savior, seeing its distress, promised: "Never again shall the dogwood grow large enough to be used for a cross. It shall be slender and bent and twisted, and its blossoms shall be in the form of a cross with two long and two short petals. In the center of the outer edge of each petal there shall be small prints, brown with rust and stained with blood. The center of the flower will be a crown of thorns. All those who see it will remember it was on the dogwood that I was crucified and this tree shall not be mutilated or destroyed, but cherished and protected as a reminder of the agony and death upon the cross." It is just a legend and history does not back it, perhaps, but it is a beautiful way of explaining the markings of the flower.

YOUTHS MAY OBTAIN WORK

During the school vacation months any boy or girl, 16 to 25 years of age, may obtain employment with the National Youth Administration, Area Director Kirkland Sloper revealed today. Youth 16 to 18 years of age will be required to obtain summer work permits and will be permitted to work 70 hours a month. Wage schedules for youth on the pro-

gram provide for 26 cents per hour, or \$18.20 per month, for B workers, and 26 cents per hour, or \$24.50 for youth with A ratings. This revision of NYA requirements will permit many youth to continue their education, Sloper said, since the relaxed requirements will permit aid to students ordinarily outside the range of the program. Those interested in obtaining employment in Huron County should visit the NYA interviewers at one of the offices in accordance with the time schedule shown below.

MONDAY—HURON CO.,
North Fairfield, Post Office, 8:30-4:00.
Greenwich, Post Office, 8:30-4:00.
New London, Post Office, 8:30-4:00.

TUESDAY, HURON CO.,
Willard, Library, 10:00-10:45
Plymouth, Post Office, 11:30-12:00
Bellevue, City Hall, 1:30-3:00.
FRIDAY, HURON CO.,
Norwalk, Ohio State Employment Office, 10:30-12:30.

The Toledo office building of the National Youth Administration located in the Factories Building, corner of 18th & Woodruff, is open Monday thru Friday from 8:30 to 4:00 and Saturday from 8:30 to 12.

AERONAUTICAL ASSOCIATION NAMES STAFF

Seven directors were elected Friday night at the Huron County Aeronautical Association meeting held in the Elk's Club in Norwalk. Directors for a three-year term are: John Laible, Charles Clark of Wakeman and Leighton Battles. Two year term directors are Wilbur Terry, Dr. P. M. Gibbons and Gene Esker. One year term—Lawrence Gehring of Monroeville.

Following the election of directors was the election of officers by the new directors. The elected officers are: President, Leighton Battles; Vice President, Wilbur Terry; Secretary and Treasurer, John Laible.

A large turnout was present including aviation enthusiasts from Greenwich, Willard, Wakeman, Monroeville and Sandusky. Miss Verna Moll, Norwalk's only aviatix was present.

It was announced that A. J. Baltes has donated the use of his equipment to use at the airport until it has been completed.

The next meeting will be held Friday night, May 9th, at 7:30 in the Elk's Club, Norwalk. A nice representation from each community in the county is desired. Membership fee is \$1.00.

ped with swings, sandpiles, slides, teeters, outdoor gymnasium, merry-go-round and horseshoe courts. The "bottoms" were filled in with many truck loads of dirt when the road to the north was cut down and now forms an ideal athletic field, even to the sloping grade above the "bottoms" making it into an amph-theatre.

All the trees were trimmed and give the appearance of being well-kept and tidy. No trees were removed except scums and underbrush and even on the hottest day, visitors in the park last summer remarked that a cool breeze could always be enjoyed there.

All the work is being done with NYA help under the supervision of L. Z. Davis who receives only a small salary and even then has turned back into the treasury a portion as his donation in addition to all the work he has done. Unstinted praise is due Mr. Davis for his part in making the Mary Fate Park a realization instead of a "pipe dream" for who else in Plymouth would take the responsibility of supervising a project of this kind and at such small remuneration?

Now that the park is fast becoming such a beauty spot and one in which every citizen of Plymouth should take pride, the park committee asks every parent to take it upon themselves to advise their children to help keep it so. The Park is for the pleasure and enjoyment of all who care to take advantage, but there have been instances, when pranksters with a perverted idea of what fun is, have abused the privilege and destroyed property.

The park committee composed of E. B. Curpen, E. B. Miller and James Root have gone ahead with their plans in spite of many discouraging obstacles and lack of funds and will soon reap the satisfaction of a task "well done." Pledges made the past year or this year will be greatly appreciated if a portion or all can be paid and as much of the unfinished work accomplished as soon as possible. Cementing the floor of the covered shelter will not be attempted at present—at least not until more funds are forthcoming.

It won't be long now until the season is in full swing and everyone in the community is invited to bring their picnic baskets to the park and enjoy a meal in the outdoors. Firewood is plentiful and the ovens are working fine with two more to be added soon—so if you prefer to cook your meal or "hot dogs" just include them in your basket. You'll agree that Plymouth's new park is an ideal spot for such an occasion.

COUNCIL HAS

(Continued from Page One)

stated that they would like to have it in August or at an earlier date. However, in granting the cooperation to hold an election the Mayor and Council Committee asked the board members for their assurance of no further referendums if the majority of the people voted in favor of the light plant. The board did not give this assurance at the meeting Monday night, but requested a few days in which to think it over.

Mayor Johns pointed out Tuesday night that no further action will be taken on the light plant until he receives word from the board as to what they desire. Whether they wish to withdraw the two petitions now on file and let the light plant proceedings continue to a certain stage and then file a referendum, or whether the board wishes an early election—that is the decision council is awaiting.

ISSUES WARNING

Anticipating the closing of State Route 61, during the coming Spring Festival to be held the latter part of May, Ray A. Dinsinger sent the following letter to the Mayor and Council which was read, and is as follows:

 INSURANCE AGENCY
 Automobile
 Casualty Fire
 Also JOHN HANCOCK
 Mutual Life Insurance
 Prompt Courteous Service

April 30, 1941.

Mr. Wm. Johns, Mayor.

"Plymouth, Ohio,
 Dear Sir:

"I notice by last week's issue of The Plymouth Advertiser that the merchants are contemplating a Spring festival upon the Square soon. I have no objection to a festival but wish to state that I will not again submit to having Route 61 (Sandusky street) closed off past my place of business.

"If any attempt is made to close off the street I shall be compelled to go to law about it. I have been advised that neither the village nor the state highway department have the right to close a public street or highway for such purposes.

"If it is attempted again the village will find itself in a law suit.

"Respectfully,
 Ray A. Dinsinger."

TO INVEST IDLE DOLLARS

Several thousand dollars which have been idle in the "inactive fund" of the village, will be put to work. A resolution was passed at Tuesday night's meeting calling for the investment of this money in interest-bearing bonds. It is estimated the village has lost several hundred dollars due to the fact that this money has been idle—bearing no interest. It is likely that most of the money will be invested in government bonds.

ORDINANCE ON WAGES

An ordinance fixing the wages paid to skill labor and common labor was passed Tuesday night. All skill labor is to be paid at the rate of 75 cents an hour, while common labor will receive 50c an hour.

The ordinance also included the payment of special policemen at the rate of \$2.00 per day.

CLOSES ALLEY

A resolution was passed and ordinance adopted for the closing of the alley on the east side of the Harry Shutt home on Woodland street. This alley has not been in use for a long number of years.
