

MASO MEETING FRIDAY

ALUMNI BANQUET DRAWS LARGE CROWD; FINE PROGRAM IS GIVEN

The annual Alumni banquet of Plymouth High school was held Thursday evening, May 29, 1941, in the high school auditorium and a program presented that gave delight to its members and guests.

The auditorium was appropriately decorated in the high school colors, red and white crepe streamers in a canopy effect, and large bouquets of peonies and iris graced the platform.

At 7:00 o'clock Rev. H. T. Wintermute returned thanks and the following menu was served by the Women's Society of Christian Service of the Methodist church to a hundred and twenty-five people:

- Tomato Cocktail
- Wafers
- Coke Chicken
- Escalloped Potatoes
- Corn
- Rolls
- Jelly
- Pickles
- Vegetable Salad

The delicious dinner was served at eight tables, prettily decorated with flowers, white lighted tapers in silver holders and programs in red and white, with the picture of the Plymouth grade school inserted on the front page. The structure is now being razed to make way for a new school building.

The members of the Junior class—George Hershiser, president of the Alumni Association, was master of ceremonies, and introduced Mrs. Ida Spear Fleming, Class of 1903, as toastmistress, who presided in an interesting and happy manner and extended a hearty welcome to each member of the Alumni Association and their friends.

The class welcome was given by Mr. Hershiser, class of 1916, who said, the class of 1941, having successfully completed their requirements of Plymouth High School were cordially welcomed as members of Plymouth Alumni Association and he hoped they would be as proud to be a member of this organization in the years to come as he has been in the past twenty-five years. The response was by Robert Martin, who said in behalf of the class, they were proud to become members of the Alumni Association.

A pleasing feature of the program was the splendid rendition of piano solos by Louis Stambaugh, son of Mrs. Leo Westheimer.

ARMY CALLS AGENT

NORWALK—Dan Atzinoefer, for the last four years game management agent of Huron county, has been ordered to report for army training at Camp Beauregard, La. He is to leave Norwalk on June 10. Atzinoefer is an all around authority on game but has specialized in the study of the cotton tail rabbit. He wrote a thesis on that subject before he received his master's degree at Ohio State university.

OPENS POOL ROOM HERE

There's many a fellow in Plymouth who likes to play a game of pool and the news this week that George Lipper of North Fairfield has opened a first class pool parlor in Plymouth will be welcomed. Mr. Lipper calls his new place of business the White Front Pool room. It is located in the building next to the Telephone building.

Three of the latest type pool tables have just been installed and there is plenty of floor space. It's a nice, quiet recreation, and you'll only get a game. Stop in the next time you have a yen for a game.

SELTZER PARK POOL OPENED ON TUESDAY

The swimming pool at Seltzer Park, Shelby, opened at 10 a. m. Tuesday. Coach Bill Query, announced.

Children up to 16 years of age were admitted free on the opening day.

The pool was supposed to have opened last week but the opening was delayed by a leak.

PLYMOUTH PAYS TRIBUTE TO HEROES

GANGES BAND FURNISHED MUSIC; REV. J. C. CAMPELL DELIVERED ADDRESS; ALL GRAVES DECORATED.

Although the weather was ideal on Decoration Day, the crowd that turned out at the High school auditorium for the annual Memorial exercises was believed smaller than for some years. Perhaps this was due to the longer week-end which many people took advantage of to take holiday vacations.

Music for the parade was furnished by the Ganges band, considered one of the finest bands to come to Plymouth. The line of march began at the Public Square, headed by the band, and participated in by both Boy and Girl Scouts, D. of U. V. Spanish War Veterans, American Legion, Auxiliary and school children.

The graves of all veterans of all wars were decorated by the Ladies Auxiliary and the American Legion. At the school house, invocation was given by Rev. Wintermute and J. E. Nimmons introduced the speaker of the day—Rev. J. C. Campbell, former pastor of the local Methodist church, and now located in Cleveland. He spoke on "Let Us Keep Faith With Those Who Died." Following the benediction, ranks again and marched to the cemetery where the salute to the dead was fired. Taps were sounded by Richard Moore, the band played the Star Spangled Banner and returned again to the Square where they disbanded.

Many visitors were present at the cemetery, who annually return to beautify the graves of departed members of families and friends.

ACCORDIAN BAND HERE

The entertainment committee of the Business Men's Association announces it was impossible to secure a band for its regular Saturday night concert, but that it has secured an ACCORDIAN BAND out of Mansfield for the entertainment this Saturday evening 7th. It is an organization that has attracted the praise of thousands, and a very interesting program will be given.

Plymouth Band To Play
A week from this Saturday night, June 14, the Plymouth High school band, composed of 40 pieces, and under direction of R. Byron Griest, will make its first appearance.

For many years the question has been asked: "Why can't Plymouth have its own band?" So it seems now that we are on the right road. Don't forget to come out and give the youngsters a real boost, and we believe the business men will endorse the committee's recommendation. In booking the Plymouth band for a trial performance.

DIPLOMAS TO BE GIVEN GRADS TONIGHT

DR. SWARTZ TO DELIVER THE COMMENCEMENT ADDRESS; 27 TO RECEIVE DIPLOMAS

Graduation week for the 27 members of the Senior Class opened last Sunday evening with the Bacalaureate service in the school auditorium. The girls' glee club and the high school choir presented a number of selections with Mr. Willard Ross, accompanist.

Rev. H. T. Wintermute, pastor of the Methodist church, delivered the address, taking for his subject: "Are You Prepared," and using the Scripture lesson, read by Rev. Wolf of the Five Wise and the Five Foolish Virgins. Bringing the parable up to date, Rev. Wintermute stressed four important factors in the lives of youth now ready to enter the business world. Health, or the physical basis, even to the point of overcoming physical handicaps; the mental basis—the basis of technical training and character and spiritual life.

The lives of world-renowned characters were used as examples and will serve as a guiding post to those who heard this splendid sermon.

Members of the class, in navy blue caps and gowns, entered the auditorium to the processional hymn—From All That Dwell Below the Skies, played by Mrs. Ross. The prelude was played by Prof. R. Byron Griest, who also directed the selections of the choir and glee club. Invocation was by Rev. Bethel, pastor of the Presbyterian church, and benediction by Rev. Wolf.

Bacalaureate began the final week of school for the seniors who will receive their diplomas at the 62nd annual commencement tonight at 8 p. m., when Dr. Swartz of Bowling Green College will deliver the address.

Tonight's services are as follows:

- Section High School Band
- Medley G. E. Holmes
- Military Escort Bennet
- Processional—Pomp and Circumstance Elger
- R. Byron Griest, Pianist

Jacobs, Evelyn Lucille Sourwine, Thelma Marie Hough, Janice Hoffman, Robert Root, William Fazio, Joseph Hunter, John R. Coe, Roger Miller, Ellsworth Ford, Leona Fae Taylor, Betty Pickens, Barbara Pickens, Roy Marshall, Margaret Steele, Helen McDougall, Edwin Beeching, Eldon Gramflinger, Betty Jane Kendig, Norma E. Hatch, Keith Kitchin, John T. McKown, Robert Martin.

A NEW DAUGHTER

Mr. and Mrs. Roy Carter of Bell street announce the birth of a daughter, May 28, at Shelby Memorial hospital, named Holly Jean.

PLAN FOR BIBLE VACATION SCHOOL

NEW FEATURES TO BE INTRODUCED IN PROGRAM THIS YEAR

Plans are being made for the annual Daily Vacation Bible School which is to be held this year from June 16th to June 27.

First is the length of the school term. Previously three weeks were given for the school. This year the school period will be two weeks.

Second, a Beginners' Department is being added to the school to care for pre-school age children aged four, five and six. This group will meet separately in the Methodist church and will have its own program and leadership. Third, the handicraft and wood work departments, which need leadership at present, are scheduled to be located in the Presbyterian church, thus eliminating the shifting which was necessary last year.

Fourth, plans are being laid to canvass the town and the rural sections for children for the school. This canvass will be made next week-end and is expected to enroll many children who previously were not in the school. Lastly, plans are being made to supply transportation for the children from the rural areas to and from the school.

In such a program there is need for much help. Teachers for Bible and Mission Classes are needed. Volunteers are needed to make the school canvass. Drivers are needed who will give their cars twice daily to get the rural children and take them home. Helpers for recreation programs and for the school supervision are needed. A special need is for those who will work with the handicraft department.

The pastors of the Methodist, Presbyterian and Lutheran churches are cooperating in the school work and are anxious to get the staff and plans settled before the time for the school to open in two weeks. Anyone interested in the work may contact any of the three pastors. Workers in all lines are urgently needed if the school is to be held this year.

BUSINESS MEN HOLD MEETING

The Plymouth Business Men held their monthly meeting Monday evening at Wayne's restaurant where a splendid dinner was served. After dinner regular routine business was taken up. It was disclosed that due to the absence of A. D. Pointe a final report on the Spring festival was not available.

In the discussion of the restraining order which was granted to R. A. Dinger, it was voted to appoint a committee to cooperate with the council in filing a hearing for the case which will be held at an early date in Norwalk.

An entertainment committee was also appointed to book Saturday night entertainment for the next four weeks.

FREE FOOT CLINIC

J. E. Smeraglio, representative of the Scholl Manufacturing Co., will be in Plymouth Saturday, June 7, between the hours of 9 and 11 a. m. for a free foot clinic. Make your appointment early at M. Rogers Shoe Store, Plymouth, Ohio.

Dr. A. M. Saunders of Cleveland was calling on Plymouth and Shaker friends Memorial Day.

Visiting Mayors Will Tell Their Expeience of Municipal Plants

With the controversy on Plymouth's municipal light plant gaining momentum, it is very evident that the subject will be discussed from every angle before the special election which will be held on July 23.

Facts and figures mean very little to the average person unless they are explained in a simple and understandable manner, and that is one reason why the two mayors will be the main speakers Friday night at the high school auditorium. The meeting will begin at 8:00 o'clock and the public is urged to attend.

The mayor from North Baltimore will be present and will tell an interesting story of how the public utility has had this town in court for two and a half years when a municipal plant was started there. The mayor of Newton Falls will give interesting facts and figures on their municipal plant. Consulting Engineer Carl Simon of Van Wert will be on hand to answer all questions, pro and con, on the proposed plant. If you are undecided on how to vote on July 23, this will be a good opportunity to learn about the situation upon which you will have the privilege of expressing your opinion.

Make it a date—Friday night, June 6, at 8:00. In an open letter to the Board of Public Affairs Mayor Johns has brought out some interesting facts. The letter in full, follows:

GROUP LEAVES MONDAY FOR WASHINGTON

JUNIORS AND SENIORS OF HIGH SCHOOL TO VISIT THE NATION'S CAPITAL

A group of thirty-seven Juniors and Seniors of P. H. S. to gather with several of their teachers, will leave Monday morning at 6:00 A. M. by Greyhound Bus for a four-day trip to the National Capital. The itinerary will include an hour and a half tour of Gettysburg on the way, and an afternoon at the United States Naval Academy at Annapolis in Washington the group will visit all places of interest including the Capitol, Washington's monument, Mt. Vernon, Arlington cemetery, the Smithsonian Institute, and many others. Reservations have been made at the Ebbitt hotel for the party, where they will also take their meals.

The classes and their sponsors, Miss Faulkner and Mr. Moist, wish to take this opportunity to thank the Plymouth townfolk for their cooperation in making this trip possible. The sale of candy, hot dogs, magazines, movie tickets and activities such as the class plays and the annual, were used as means to raise the necessary funds.

The following students making the trip are: Barbara Pickens, Janice Hoffman, Leona Taylor, Jane Lippus, Keith Kitchin, Joe Moore, Dick Rule, Evelyn Butler, Clara Jacobs, Betty Jacobs, Edna Hackett, Bill Fettes, Gerald Scott, John Coe, Ray Ford, Vance Hoffman, Eldon Gramflinger, Joe Hunter, Edwin Beeching, Robert Martin, Ellsworth Ford, Willard Ross, Delores Bettae, Margaret Steele, Jean Derr, Marilyn Earnest, Helen McDougall, Alma Bland, John McQuown, and Bill Fazio. Accompanying them will be Supt. and Mrs. E. L. Bailey, Mr. R. Byron Griest, Miss Betty Wisecup, Mr. and Mrs. Donald Dunham and Mr. Sherman Moist.

NEW TENANTS

Mr. and Mrs. HARRY Baker of Ada, Ohio, are the new tenants in the property of Mrs. John Weaver on Sandusky street. Mr. Baker is the attendant at the Sohio Filling Station, and they have been residing at the Tourist Inn.

MORE ABOUT THE BOARD OF PUBLIC AFFAIRS

These three men are your public servants. They were elected by you to attend to the affairs of the municipal electric plant. It's their duty to run your affairs at all times and for your best interest.

Then why, we ask, did not your Board of Public Affairs join hands with your Council in its endeavor to get lower rates and a shorter term contract from the power company? Why have they tried to scuttle your ship? Why have they played into the hands of the power company in its efforts to get a strangle hold upon you for the next ten years?

Ask them these questions. You are entitled to know.

When they circulated Referendum petitions among you asking for the power company under the Constitution and another in November, 1941, they told you that they would let the matter up to the County Board of Elections as to what date the matter would be decided by you.

The Board of Elections has now fixed the date for a special election upon Ordinance No. 45 for July 23, 1941. The Board of Elections has made its decision. It's now up to your Board to take steps to withdraw the petition for another election upon the same subject next November.

You, the people, will make your decision on July 23. The Council has agreed to abide by that decision and take no further steps in the matter, but will go ahead and authorize a new contract for a ten year term—if you fail to approve Ordinance No. 45. We, your Council, tried in the interest of peace and economy, to get your Board of Public Affairs to abide by your decision in July, but upon the advice of the Power Company, they refused.

You, the people, their masters, now have the right to demand that they proceed at once to break the shackles that have bound them to the Power Company. Then and only then can we have a free and untrammelled election.

Remember, that even if you approve Ordinance No. 45 in July and the petition asking for an election in November is not withdrawn from the Board of Elections where it now lies, the Council can take no further steps until you have once again spoken in November.

We will all be waiting, and we hope, not in vain, for the sound of dropping shackles.

ONE HUNDRED AND TWENTY-FIVE ATTEND ALUMNI BANQUET HERE THURSDAY; VERY INTERESTING PROGRAM WAS ARRANGED

(Continued from Page One)

by Stambaugh of Mansfield, class of 1913, who played two sacred selections, "Face to Face" with variations, and "Faith of Our Fathers," as an encore.

Mr. Stambaugh broadcasts every Friday afternoon from Station WMAN, Mansfield. It gives the Alumni great pleasure to have their former members return for these occasions accompanied by their children.

Mrs. Fleming, who interspersed her introductions with pleasing remarks and stories appropriate to the classes, called on Mrs. Irene Kochenderfer Scaffold, class of 1897, who represented the class from 1870 to 1890. Mrs. Scaffold said she was honored to represent the classes, and spoke of the pleasure of those days, which will never be known by the youth of today. With the advancement along all lines, many avenues of work open today which were unknown then and progress is the order of the day, but we should always keep high ideals before us.

Mrs. Grace Trauger Dick, class of 1895, represented classes from 1890 to 1900, and as this was the golden anniversary of the class of 1891, introduced Miss Lotta Brewbaker of Cleveland and the only member present.

Miss Brewbaker said the happiest days of her life had been spent in Plymouth and was very glad to be present on this occasion. She brought with her, her class picture, also her silver-spangled white fan and wore her class ring on which was engraved the number 13, as there were thirteen members in the class; namely, Jennie Wyandt Kochenderfer, Harrisburg, Pa.; Cora Lipsett McIntire, Plymouth; Hattie BeVier Keagy, Portland Oregon; Mildred Packer Elliott, New York; Lotta Brewbaker, Edith Shield Kappenberg, Charles Fenner, all of Cleveland; Carrie Hough, Seattle, Wash.; Mary Cannon McLaughlin, Dade City, Fla.; Durt Webb, Lakeland, Fla.; Mahlon E. Wilson, Salt Lake City, Utah; Frank Hoyt, California; and Rilla Trauger, Plymouth, the last two named are deceased.

The picture was taken by the late E. E. Weatherly, and was approximately 11x17 in size and it was quite surprising how this group have retained their boyhood and girlhood looks. How very serious the young men looked in their graduation suits and stiff collars, and those eight sweet girl graduates, all dolled out in white silk or wool dresses, trimmed with row on row of lace and each one carrying a spangled fan. Their culture was similar to the styles of today.

Interesting letters were read by Mrs. Dick from Mrs. Hattie BeVier Keagy and Mrs. Edith Shield Kappenberg, and we know of no class graduated from this school whose homes are so widely located.

The year of 1892, there was no graduating class at that time it was decided to have a four year high school course, but there was an entertainment by the Plymouth high school at the Methodist church, Wednesday evening, June 8th.

Mrs. Dick called on Dr. W. S. Sykes, class of 1894. This was the doctor's first visit back to the Alumni in many years, although his brother, Dr. H. Sykes, is a faithful attendant, had told him what a good time he missed each year by not attending. In his speech the Doctor gave an amusing epithet which he had read on a tombstone in the Olona cemetery recently. His father, the late Dr. W. H. Sykes, was a physician in Olona before coming to Plymouth.

An interesting letter was read from Harry B. Kirtland of Toledo, class of 1895, who referred to himself as being the lone daisy in a class of nine girls. Mr. Kirtland had presented a course in aeronautics to the Plymouth high school in the name of the class of 1895.

Suppl. E. L. Bailey then told of the course offered at the Plymouth Association has lost none of its charm and deep significance and with the singing of the Alma Mater and benediction by Rev. Richard C. Wolf, the program closed and dancing was enjoyed

to music furnished by Arthur Shreffler's orchestra of Shelby.

Among the out-of-town members and guests present were: Dr. and Mrs. W. S. Sykes, Miss Lotta Brewbaker, Dr. H. Sykes, of Cleveland; Mrs. Fred Charbonneau, Detroit, Mich.; Mr. and Mrs. Herman Thomas, Royal Oak, Mich.; Mr. and Mrs. John Hankammer, Mrs. Dora Baker Brooks, North Fairfield; Mrs. W. H. Andrews, Cincinnati; Mr. and Mrs. Clayton White, Ridgeway; Mrs. Jack Leary and daughter, Miss Mary Ellen, New London; Miss Marian Ruth Nimmons, Alliance; Mrs. Lawrence Stambaugh and son Richard, Mr. and Mrs. Louis Stambaugh, Miss Julie BeVier, Mrs. Harvey Lanehart, Miss Agnes Kurtz Sillman, Mansfield; Mrs. Minnie Hunt, Mr. and Mrs. Roscoe Majors, Miss Mabel Myers, Mrs. Harry Burdge, Miss Nina Aumend Bowly, Shelby; Miss Nellie Loveland, Marion; Mrs. Woodrow Racer, Mr. James Lindsey, Greenwick, Mr. Keith Gooding, Norwalk.

The details of the course and as a final part of the work the students were allowed to visit the airport in Cleveland.

The Cleveland airport would like fifty young men and women to become pilots that have had one year's training in aeronautics. Mr. Bailey also paid a fitting compliment to Mr. Kirtland for his gift to the school.

Mrs. Ethel Howard Hankammer, class of 1905, North Fairfield's talented reader, entertained with a splendid selection: "I'll Tell You What I Like Best."

Mrs. Minnie Hunt of Shelby, class of 1888, was called on and told an amusing story of a dog that was not for sale.

This being the twenty-fifth anniversary of the class of 1916, it was represented by Mrs. Gertrude Waite Majors, who called on Mrs. Ruth Rowall Lanehart, who said their class was glad to be back again and was represented by 50 per cent of the class being present. Miss Julia BeVier cleverly told of their class and the class prospect that was written 25 years ago.

The class members are: Floyd Majors, Akron; Lawrence Gaskill, Three Rivers, Mich.; Gertrude Waite Majors, LaRue Beelam Brumbach, Flossie Clady Stone, Nina Aumend Bowly, of Shelby; George Hershiser, Carl Heath, Helen Hatch Hough, Plymouth; Ruth Rowall Lanehart, Julia BeVier, Agnes Kurtz Sillman, Mansfield, Flossie Carpenter, Phillips, Willard, R. F. D.; Helene Myers Keiser, Lakewood, O.; Lawrence Buzzard is the only member deceased.

This was a splendid representation for after graduation not many classes ever meet together again.

Here, we pause, in memory to members who passed on this year:

Nellie Butler Randall—1892.
Grace Longnecker Blackford.—1926
Mary Culp McCormick—1876
Ida Sykes Scharck—1891
Miss Helen Akers represented the classes 1920 to 1930, and called on Mrs. Flora Snider Leasure of New London, class of 1923, who recited an original poem pertaining to her class and then read the poem, "The Old Home Town."

Two piano solos played by Mrs. Dorothy Straub White, class of 1927, entitled "Clair de Lune" by Debussy and "Autumn" by Chaminade, were greatly enjoyed as were the solovox solos played by Mrs. Doris Cramer Gooding, class of 1934, entitled, "When Day is Done," "Home," and "Home Town." Miss Geraldine Ramsey represented the classes from 1930 to 1941 and introduced Mrs. Gooding.

The toastmistress then praised Miss Helen Akers and Miss Florence Danner for the clever invitations and artistic programs they had prepared, as well as the officers, Mrs. Alverda Pickens, Miffiam Pump, George Hershiser, Norman McQuown and all who assisted in making the alumni banquet a success.

Mr. Harshiser then announced the following officers elected for the coming year:

President—Norman McQuown
Vice President — Miss Geraldine Ramsey.
Second Vice President — Whitney Briggs.
Third Vice President — Miss Audrey Stotts.
Secretary—Mrs. Arline Schreck
Treasurer—Miss Helen Akers.
Mr. Bailey also presented a letter dated January 25, 1935, addressed to Mr. Lyman E. Strong, care Robinson & Strong, Paris, Richland County, Ohio, when Plymouth was named Paris, and was presented by W. H. Spencer Strong, Sandusky, class of 1897.

The letter was nicely framed. Letters at that time were folded and served as an envelope as well and sealed with the office stamp. The rate for postage was not discernible, but nevertheless, the remembrance is appreciated by Mr. Bailey.

Time has changed, but the Alumni Association has lost none of its charm and deep significance and with the singing of the Alma Mater and benediction by Rev. Richard C. Wolf, the program closed and dancing was enjoyed

to music furnished by Arthur Shreffler's orchestra of Shelby.

Editor's Note:—The above article was written by Miss May Fleming, a member of the class of 1894, who has never missed an Alumni banquet since her graduation. This is a record that few, if any, can equal. Miss Fleming also keeps a complete file of each year's class and supplies information weekly to the Advertiser that otherwise would be unobtainable.

Huron Co. Court Notes

Norwalk—The grand jury, last Wednesday afternoon, reported 13 indictments of which all but four are secret. Walter and Charles Golliver, brothers, Clarksfield, were indicted on the charge of stealing farm property. Indictments charge them with both petit and grand larceny. Both are accused of systematically stealing farm property, particularly articles that could be sold for junk.

Arthur Root and Fred Hersh, also indicted, are charged with the theft of farm property. Henry Barnett, New Haven township, was not indicted. The charge of stabbing his uncle was ignored by the grand jury. It was given out that none of the other indictments is of more than ordinary importance.

Members of the grand jury were Leon A. Coy, North Fairfield; Ruth Jennings, RFD 1, Greenwick; F. B. Loffand, Plymouth; Ross VanBuskirk, Plymouth; Gay Bedell, RFD 2, Norwalk; James B. Derr, Plymouth; Walter Noble, Willard; Ella Smetz, RFD 2, New London; Corvis Huffman, RFD, Greenwick; Miss Ruth Mehl, Willard; Samuel Chapsin, RFD 2, Norwalk; Richard Chapman, Willard; Clyde Ellis Greenwick; Valentine Tidswell, RFD 1, North Fairfield; Mrs. Marion Beckwith, RFD Willard.

LONG, LONG TRAIL . . . Parade season's here, and these young ladies know now why Washington is called "City of Magnificent Distances" after marching in 10th annual School Patrol parade there.

BLOWS FOR DEFENSE soon will be struck by these giant hammers being installed with record speed to turn out aircraft forgings at Aluminum Company of America's Cleveland plant. Firm's \$20,000,000 self-financed expansion calls for forging and sand-casting capacity triple that at start of war; extruded shapes, sheet, plate and rivets, double. Ingot capacity will soar from 327 to 725 million pounds.

NOT MARSHMEN, nor deep-sea divers; just mechanics and inspectors carrying, washer-woman style, propeller hub-caps as they go about spring overhauling chores on giant transport planes at New York's bustling LaGuardia Airport.

LETTERS TO THE EDITOR

Citizens of Shelby receive a 20 per cent reduction in their light bills.

This could have been a headline in a recent issue of the Shelby Daily Globe.

Our Plymouth Advertiser could have displayed a headline something like this:

10 per cent of our people receive something like \$ 5.98 reduction in their light bills, 90 per cent receive a reduction of a nickel and dime, while others receive a slight boost in their bills.

Then we could have gone on to say, that representatives of the Ohio Power Co. have freely recommended the above schedule of rates which have been adopted.

It was stated that the reduction does not involve any decrease in the rate to the village, but after considerable study it was decided that the reduction should be avoided from the village to avoid disturbance of the profits now enjoyed by the serving utility.

That's Plymouth, Shelby obeyed the law by giving the same 20 per cent reduction to ALL their consumers. Of course, Shelby has a municipal plant. Plymouth? Well, we are supposed to have a municipal outfit, too, but some vest, why even the Board members admit their rate is too high, and yet, when we ask for a reduction the power company recommends an illegal rate and we adopt it.

Whose sock is this coming out off? Why, that old darned up pair of ours, that's whose.

In one of his letters a Board member asks if we are going to

throw away \$90,000.00 of the people money through the medium of a municipal plant without giving the people a chance to decide by vote whether or not they want it.

MUNICIPAL PLANT

In your issue of May 29th, Mr. Pickens states that Arlington, O., municipal plant generated 608,640 KWH last year, at a cost of \$11,431.00 plus \$3,650.00 for depreciation and alterations, a total of \$15,081.00.

Mr. Wirth states in the same issue that our Village purchased 628,200 KWH last year, at a cost of \$10,263.49.

On the basis of these figures Plymouth obtained 19,560 KWH more than Arlington, for \$1167.51 less money, not counting the \$3,600.00 set aside for depreciation and alterations, some of which was probably non-recurring.

Here is a direct comparison of a diesel plant against purchased power. Under the proposed contract the village would save approximately \$1,200.00 a year, making the power bill about \$9,064 against Arlington's \$11,431.00.

Hurry up, boys, and build the plant so we can lose some money.

Purdue University made a survey of municipal plants and reached the conclusion that in towns under 5,000 population municipal lighting plants could not compete with the large utilities. I would add not only financially, but also quality of service which no small plant could equal.

Shiloh's 40-Piece High School Band to Play At Ohio State Fair

Richland county will be well represented at one of the greatest demonstrations of high school music talent ever attempted in this state at the Ohio State Fair, August 23-29.

Twenty-eight bands, two choruses and four specialty groups representing 1,609 musicians from 31 high schools in 24 counties have already accepted Governor Johnson W. Bricker's personal invitation and have made definite entries in this 7-day music festival.

More than a dozen other schools located in these 31 counties and six additional counties have indicated they will also send musical groups to represent them at

the State Fair. Gov. Bricker's invitation to participate in the event was extended to all Ohio schools. Entries may be made at any time prior to July 1.

Entries already received and assigned to dates indicate that Richland county will be represented by the 40-piece band from the Cass Village School at Shiloh under the direction of Frank Spirk. It is scheduled to participate in the Wednesday concert program.

Kroger Employees To Receive Their Vacation With Pay This Year

Nearly 16,000 employees of the Kroger company will receive vacations with pay this year. W. E. Carter, Cleveland branch manager in charge of Kroger stores in this area, announced today.

Crop And Feed Loans To Farmers

Emergency crop and feed loans for 1941 are now available to farmers in Richland and Huron counties and applications for these loans are now being received at the offices of the county agents in Norwalk and Mansfield.

ago the length of service requirement was reduced so that every employe with as much as one year of service was included on the vacation list," he added.

Albert H. Morrill, president of the firm, recently sent descriptive booklets on Kroger operations and Cincinnati points of interest to all Kroger employes, inviting them to include a visit to Kroger's general offices in Cincinnati on their vacation trips.

After a similar invitation by Morrill last year, approximately 600 Kroger employes and their families visited the Cincinnati office and plants.

These loans will be made, as in the past, only to farmers whose cash requirements are small and who cannot obtain a loan from any other source.

As in former years, the money loaned will be limited to the applicant's necessary cash needs in preparing and cultivating his 1941 crops, or in purchasing or producing feed for his livestock.

Borrowers who obtain loans for the production of cash crops are required to give as security a first lien on the crop financed, or, in the case of loans for the purchase or production of feed for livestock, a first lien on the livestock to be fed.

Science Cuts Soil Improvement Cost

Bumper Corn Crops Are Reward for Good Soil Management.

CHICAGO. — Teamwork between science and industry was cited as the reason why farmers pay less for fertilizer than for practically any other commodity they purchase. A statement made public here by the Middle West Soil Improvement Committee quotes A. L. Mehring of the U. S. Department of Agriculture to the effect that American farmers now save \$200,000,000 a year due to reductions in the cost of fertilizer resulting from scientific research. Mr. Mehring is quoted as follows: "Chemical research made possible the development of an American polish industry. It was likewise directly responsible for the discovery of methods of fixation of atmospheric nitrogen and for their development into commercial processes that produce materials suitable as fertilizers. "Chemical research also resulted in various improvements in processes connected with the production of superphosphate. These results of research, as well as many others, have increased the supply of fertilizer materials and lowered the cost of producing them. "The large decline in fertilizer prices is probably due in large measure to such discoveries as these, because no other logical explanation could be found to account for them."

ENGINEER WRITES INTERESTING LETTER ABOUT LIGHT PLANT

To the Editor of the Plymouth Advertiser:

I have read with interest the article signed by W. Wirth in your recent publication of The Plymouth Advertiser concerning the issue of the proposed Municipal Electric Light plant, and I assure you it is not my desire to provoke an argument, but for the sake of fairness and to present an accurate picture of the situation to your citizens a reply is necessary. I respectfully ask you to give me the necessary space in your newspaper.

Mr. Wirth comments on the information furnished on Page 9 of the engineer's preliminary report but leaves out an important part of the information, which part is not so favorable to the opponents of the Municipal plant issue. Plymouth paid to the Ohio Power Company in 1940, \$11,823.90 for 628,200 KWH, an average KWH cost of approximately 2c per KWH. In 1939 the village paid \$11,129.19 for 584,600 KWH and in 1938, \$10,813.25 for 569,120 KWH.

In order to avoid criticism and to be conservative we used the purchased power cost figure of \$10,263.49, which would be the cost for 628,200 KWH if you had obligated the town to the power company by signing a contract for a period of 10 years. It should be remembered that the power company advised the village they could not reduce their wholesale price for electrical energy unless a contract was entered into for a period of 10 years.

In no place in our report do we state that the plant will be paid for by the difference between the cost of buying current and generating electricity. By this misconstruction of the report the article in the paper is entirely misleading and inaccurate. We do state that the plant will be paid for by the issuance of Revenue Mortgage Bonds, which do not become a lien on the real estate. These bonds are retired, interest and principal, by the total revenues of the entire utility system, after operating expenses are deducted.

It is stated plainly in our financial table the present cost of labor and administration of the present distribution system. These figures were obtained from the City Auditor's records, to which has been added a percent to take care of a possible rise in the present price of incidental and miscellaneous materials purchased. I believe the present cost of operating the distribution system could be decreased.

The main opposition to the Municipal Plant project arises from the fact that in event you generate your own electricity you will not pay the Ohio Power Co. \$10,000 or \$11,000 a year, but you will pay a similar amount for the maintenance and cost of operation of the plant (purchase of oil and

fuel, labor and administration and maintenance) plus interest and principal payment, and the difference between the gross revenue obtained from the sale of electrical energy to customers, and such total cost of operation, plus debt service charges (payment of principal and interest) the balance will be to profit. The greater profits can only be made possible by generating your own electrical energy and passing these profits back to you citizens in reduced rates at frequent intervals.

Mr. Wirth states that the interest on the bonds is \$2628.00 per year, etc. Again his statement is incomplete. The interest for the year when the first principal payment is made is \$2628.00 and decreased rapidly as the bonds are retired, the last year interest is paid, in 1955, is \$148.00. So I ask you citizens to keep in mind the correct figures. You need no copy of figures. See the original report on file together with the financial table, it is complete.

In conclusion I wish to state we have had no difficulty in having bonding companies make reasonable offers on bond issues of this character, even in communities where also the distribution system would have to be built. Your situation is considerably more favorable because you own your own distribution system. A bonding company does not purchase bonds for a project that is not feasible, and already there has been interest displayed by a number of bonding companies for the purchase of the Plymouth proposed issue.

Respectfully submitted,
Carl J. Simon,
Engineer.

No content to raise a family in the tree, they swoop down without the least provocation, tapping passersby on the shoulder or flapping their wings in people's faces. Dr. and Mrs. J. T. Gaskill are getting a little weary of their tactics and are on the hunt for some of their own.

BETTY MOORE, THE YOUNG daughter of Mr. and Mrs. Wm. Moore, was seen Tuesday morning lugging a large white dog home from school. Asked if the dog couldn't walk, she replied disingenuously: "Of course, but the little brat doesn't have sense enough to go home."

OUR TRAFFIC COP IS NO RE-specter of persons. He was seen Tuesday afternoon handing the little white tab to an out-of-town offender who had parked his sport car in front of a crossing on the Public Square. Yep! We might be a country town but we got our regulations!

PAUL RUSSELL HAS SENT IN his civil service examinations to become a chauffeur on the newly-created Plum Brook Ordnance site near Sandusky. Paul used to steer the old army truck on the battlefields in France, and he figures he can take care of a driving job where there ain't no shells a-flying around. Although he admits it would be a little tame, if his examinations are accepted he will go to work next Monday.

MISS ELIZABETH BLACK BECOMES BRIDE OF REV. OSWALD S. GOERNER AT BEAUTIFUL CHURCH CEREMONY IN MANSFIELD

Miss Elizabeth Black became the bride of Rev. Oswald S. Goerner on Monday afternoon. The ceremony took place before the altar of the First Lutheran church in Mansfield, which had been banked with palms, ferns and white and pink poinsettias, with tall lighted seven branch candelabra on either side of the altar. The bride was given in marriage by her father, F. Lloyd Black of this place. She was lovely in a formal wedding gown of chantilly lace and marquisette over white satin. Her wedding veil was one worn by a close friend, Mrs. R. W. Hugh of Bucyrus.

The circular veil and full length train was attached to a pearlized headpiece of orange blossoms.

Her only jewelry was a strand of pearls, a gift of the bridegroom.

She carried a lace handkerchief of her grandmother's, and a white prayer book with gardenias in a shower effect.

Nuptial music was played by Mrs. Clayton Bell, G. A. Goerner of Aurora, Ill., uncle of the bridegroom, was the vocalist.

Rev. Grover E. Swoyer, pastor, read the single ring service. The ushers were Franklin Black of Toledo, brother of the bride, and Eldon Sherrock of Mansfield.

The attendants for the bride were gowned in pastel colors and were in similar styles. The matron of honor, Mrs. John Rachel, Jr., of Mansfield and sister of the bride,

Louis Young Dies
 In Shelby; Burial is Made Near Greenwch

Funeral services for Louis Young, 74, were held Thursday afternoon from the Barkdull parlor in Shelby with the Rev. W. L. Peters, pastor of the First Baptist church of Shelby, officiating. Burial was made in Maple Grove cemetery, near Greenwch.

Born August 18, 1856 at Ripley, Ohio, Young went to Shelby 34 years ago, to make his home. He has been employed at the Shelby Salesbook Co., during that period.

Survivors include two sons, Leonard and Orle of Shelby; four daughters, Mrs. B. F. Wink, Marion; Mrs. George Mitchell, Lucas; Mrs. Newton Briner of south of Shelby, and Mrs. Marian Smith of Shelby; one sister, Mrs. Ella Blackmore of Delphi; also a number of grandchildren and great-grandchildren.

INSTALLS NEW DISPLAY RACK

Jerry Caywood announces that he has installed a new vegetable display rack and will in the future carry a full and complete line of fresh fruits and vegetables. Mr. Caywood has enjoyed an unusual growth in business since opening up, and he invites the people of this vicinity to make his store their "one stop" shopping center, for here one can buy groceries, meats, vegetables, and fruits as well as baked goods.

Methodists To Have Group Picture Made

An interesting feature of the Rural Life Sunday Observance of the Plymouth and Shiloh Methodist churches for next Sunday will be the taking of a group picture of the congregation after the worship services at each place. These pictures may be secured later by those who desire them.

The service will feature a special and different worship service built around the value of rural life. Each family to be present with all members, is to receive an interesting and attractive picture.

BILL HARRIS HIRED PARK SUPERVISOR

Announcement is made this week by the Mary Fete Memorial Park committee that Bill Harris has been hired as park supervisor. Mr. Harris will be on duty from 1 to 8 p. m. seven days a week, and will also have charge of all table reservations.

The park is in fine condition now and Mr. Harris will look after the interests of the park in seeing that property is not destroyed and will look after the general upkeep of the grounds. The cooperation of all park-goers is asked.

AUNT DIES IN CHATFIELD

Mrs. Lowell Keith received word Wednesday of the death of her aunt, Mrs. Catherine Sheely, who passed away Wednesday morning at the Bucyrus hospital.

Mrs. Sheely had been in failing health the past year and was 71 years of age at the time of her death.

Funeral services will be held Friday afternoon at 2 o'clock from the College Hill church in Chatfield, and burial will be made in the same village. Mrs. Sheely has numerous friends here who regret to learn of her death.

TO LEAVE PLYMOUTH

H. G. Kochheiser of Plymouth street has been transferred to Bellville as foreman on the B. & O. Railroad. The family has been residing in the Balduff property but will leave as soon as a house can be found in Bellville.

TROOP NEWS

Seven members of the Pine Tree Patrol under the leadership of Wayne Ross, patrol leader, held their first camp of the season over the holidays. The patrol left early Friday morning for the camp on the Hershel Ross farm northeast of town. Three tents and a flag pole were set up in a circular clearing in the middle of the woods. The boys had one swell time considering the rain and the visits to two seemingly very tough bulls.

The menu included BEANS baked in the ground all day, macaroni and cheese, bacon and eggs, spinach, peas, meat loaf, milk, green vegetables, and all trimmings, even toast and strawberry jam for breakfast.

One of the highlights of the camp was the trip from the house to the woods and back. All the equipment was thrown on a one horse wagon and the boys rode along. Quite a thrill if you have never tried it.

Bugler Eldon Burkett put the boys to bed at 9:45 p. m. and called them at 7:30 a. m. (or before).

Assistant Scoutmaster Don Emsel accompanied the Scouts.
