## COASTAL CITIES WELL PREPARED FOR POSSIBILITY OF ATTACK ACCORDING TO LETTER RECEIVED

While Plymouth is beginning to feel the pinch of war in a small degree, especially through the high cost of living, we are still more or less in a haze as to just what is being done in those cities along the coasts where possibility of attack is greater than in the inland city of Plymouth.

We are, of course, that preparedness is the first step in victory and are organizing the various Home Defense projects as prescribed but with the feeling perhaps that nothing will ever come of it.

On the coastal cities it is vastly different. In a letter to her parents, Mr. and Mrs. Charles Roberts of near Plymouth, Mrs. Donald Crall writes some interesting and descriptive information as to just what is being done at Oxnard, Calif.

Oxnard's flying school is rated

## BELLVILLE HERE FRIDAY

The Blue-Jays of Bellville will tangle with the visiting Pilgrims of P. E. S. in the Plymouth auditorium Friday night January 22 at 7:30 in two games. The results will be risking their perfect record, having won all ten of their games. The varsity will try to stretch their string of wins to nine in a row.

This will be Plymouth's first big test in the Richland County League. Bellville has had an up and down season, but succeeded in polishing off Union last week by a big score.

Be sure and be there Friday night. Support your home team! Blue-Jays and Pilgrims and 15¢ for students.

After the game a dance will be held for friends and students of the school. A nominal sum of five cents admission will be charged in order to buy some new records for the school.

## MOTHER DIES

MRS. JACOB GATES, 87, DIES IN SHELBY, FUNERAL TODAY.

Mrs. Jacob Gates, 87, died at her home in Shelby Monday night following a lingering illness.

Born in Butler township, Richland county, on February 4, 1854, Mrs. Gates lived in Shelby since 1892. She was a member of the First Church of Christ.

Surviving are two sons, Floyd and George both of Shelby; one daughter, Mrs. Ben Waddington, formerly of Shelby, and a brother, Beryl Miller. He is evidently kept very busy, flying five hours on Christmas Day, and a very strenuous day-by-day schedule.

Mr. Crawl is on call at the field and so sight-seeing and visiting isn't included in their schedule, and are always delighted to hear from the home folks and receive the news.

## BINGO PARTY

A bingo party sponsored by the members of St. Joseph's Church will be held at the American Legion Hall on this Saturday, January 24th at 8:00 p.m. Everybody welcome.

## ANNUAL DRIVE FOR INFANTILE PARALYSIS FUND OPENS HERE

Mrs. Ruth Friend, chairman of the Huron County Chapter of the National Foundation for Infantile Paralysis, was in Plymouth over the week-end making arrangements for the campaign to be carried on in Plymouth.

Mrs. Mabel McFadden consented to act as chairman and has already planned in several stores the small containers for the March of Dimes. This year the theme is the diamond anniversary of President Roosevelt and the mailing containers are diamond shaped with the words "Greetings to our President on his Diamond Jubilee Birthday" on the cover while the figure sixty with slots for the dimes represent his sixtieth birthday. Patriotic colors are used throughout.

In addition to the mailers, containers have been distributed and several "Wishing Wells" by placing a dollar in the Whishing Well and making a wish, it is guaranteed to come true just as quickly as any other way.

Postmasters this year are not

putting on their usual campaign because of the tremendously increased work in selling defense stamps but they are assisting the local committee. The campaign closes on January 30th the sixtieth birthday of President Roosevelt.

During 1941 two new cases were reported in the county but workers estimate that for every case reported there are five cases not reported because no permanent disability resulted; the unreported cases are believed to be the real carriers of the disease.

For the second time in a successive three years the number of reported polio cases in the United States for 1941 has topped the 9000 mark.

In these three years, 1939, 1940, 1941, more than 26,000 Americans have been invaded by the mysterious body-maiming virus of this disease according to information sent out by Keith Morgan, National chairman.

Ohio reported 487 cases.

## Civilian Defense Corps Being Organized in Plymouth; Your Help Is Solicited, Don't Fail!

Your country calls every patriotic person over sixteen years of age to register for volunteer service in the Civilian Defense Corps. Since Pearl Harbor every person who loves his home, his liberties and his country has been asking the question, "What can I do?" Here is the answer. Below is a list of possible tasks for volunteers in local communities.

"And as American flying schools training army fliers are the finest in the world, that makes Oxnard's school just about the best in the world," one official said.

Mr. Crawl is located at this field and according to Mrs. Crawl is exceptionally busy. He gets out at 6:30 and works with his flight all morning. In the afternoon starting this week he goes back and checks out instructors, who are later to be checked by the army. That is—when a man applies for work as an instructor, Mr. Crawl flies with him. If he thinks he is OK he passes him on to the army. Then the army sides with him. If they think he will make a satisfactory instructor they send him back to the school for so many hours of training. If he comes up to the standards they require, he is again passed on by the army and if good enough becomes an instructor.

Mrs. Crawl writes that she is also exceptionally busy. As a precautionary measure in case of bombings, etc., emergency hospitals are being set up along the coast. Mrs. Crawl's duty is to see that all equipment is gotten and readied for three of the hospitals that locate. She has now attended advanced classes.

A partial list for which Mrs. Crawl is responsible was given in the letter which included everything from 300 large safety pins to medical stretchers, stretchers, bandages, tables, candles, paper cups and even 600 bricks, bags and sheets, so that all is all every precaution is being taken and which requires considerable time and help to carry them out.

Mention was also made that they had received a note from Bill Miller. Bill is a former member of the Plymouth High School faculty and a brother of Beryl Miller. He is evidently kept very busy, flying five hours on Christmas Day, and a very strenuous day-by-day schedule.

Mr. Crawl is on call at the field and so sight-seeing and visiting isn't included in their schedule, and are always delighted to hear from the home folks and receive the news.

## WILLARD MAN DIES OF WOUND

Charles Niven, 29, of Willard, died in Memorial hospital at Norwalk Monday from a bullet wound in the chest.

Niven was found slumped over the steering wheel of his automobile near Peru on Jan. 3.

Authorities said a 22 caliber rifle

with one shell discharged was

found beside him. He was re-

moved to the Norwalk hospital.

Huron County Coroner J. B. Bradish withheld a verdict pending

an autopsy.

Surviving are his widow, Ger-

aldine; a brother, Raymond,

Willard, and two sisters, Mrs.

Theodore Featherill of Wil-

lard, and Mrs. Harold Billing of Toledo.

Funeral services will be held

Thursday at 2:30 p.m. at the

Secor funeral home. Rev. G. C.

Hefelfinger, pastor of Trinity

Lutheran Church will officiate.

Burial will be in a Centerton cem-

etary.

## ATTEND FUNERAL

Mrs. Albert Feichtner and Mr.

and Mrs. Clayton Pugh attended

the funeral of Mrs. Wm. King at

Willard Wednesday afternoon.

Dick Faeier left Monday for

Warren, Ohio, where he accepted

a position with the Federal Ma-

chine & Tool Company.

Ohio reported 487 cases.

## BOOKS FOR SOLDIERS, SAILORS AND MARINE ARE COLLECTED HERE IN NATIONAL MOVEMENT

Plymouth Public Library here company or battalion has a day room where books are eagerly used by the men for an hour of rest.

Magazines will be accepted but will not be sent on to camp. These are sold and the money derived will be used for postage or freight charges.

Books of all kinds are being sought, fiction, history, or even school books will be put to good use. Look over the volumes in your bookcase and when the Girl Scouts solicit you be ready with a favorable reply and have the books ready for the pick-up service for the Boy Scouts.

## OHIO POWER TO GET CONTRACT

### MAYOR AND COUNCIL PASS NECESSARY LEGISLATION AT MEETING ON TUESDAY NIGHT

Authorization for the Board of Public Affairs to advertise and enter into a ten year contract for current was approved Tuesday night by the Mayor and Village Councilmen. All council members were present for the meeting, and voted for the ten-year clause.

The Ohio Power Company, furnishes power to Plymouth, and four years ago representatives at that time desired a ten-year contract to furnish current to Plymouth. Negotiations between officials of the company and the village didn't lead to any agreement. Later on the power company agreed to a rate reduction to the village of approximately \$1200 a year on our power bill.

For the four-year period ending Dec. 31, 1941 the average savings would have totalled around \$1,300 per year. In 1941 the average savings would have come to \$1,800. The savings, of course, are based on the amount of current consumed.

The question of a 10-year contract with the power company brought on a special election last July for the approval of a municipal power plant which was defeated by a vote of four to one against the municipal plant.

In the face of the opposition this expressed the council and mayor felt that in approving an ordinance calling for the advertising of a contract, that they were performing a duty which the public desired.

While Plymouth enjoys a comparatively low light and power rate, during the past years the light fund has grown to over \$15,000 and there is no reason why the fund shouldn't continue to increase during the coming years.

It may be a good suggestion to village officials to purchase Defense Bonds with at least half of the \$15,000 now in the bank. By doing this it will help the government to finance a war which will take every dollar available for the next few years.

## BREAKS BONE

Mrs. Murphy of Akron, sister of Mrs. Albert Feichtner of Plymouth, fell on the icy pavement and was unable to move a bone in her foot. Mr. and Mrs. G. A. Rothenhofer of Willard and Mr. and Mrs. Albert Feichtner of Plymouth implored to Akron Sun-

day to see her.

SEMESTER ENDS AT P. H. S.

The first semester ends this week at P. H. S. Grade cards will be handed to the students on Wednesday, and it is hoped they will receive the careful attention of each parent.

No new courses will be given the second semester with the exception that the study of commercial law will take the place of Salesmanship Class.

## IMPROVING

Roy Farnsworth who recently underwent an operation for appendicitis at Case, Shreve, and Co., is expected home soon after sick leave. He is the son of Mr. and Mrs. George Farnsworth of Plymouth. His condition is reported as satisfactory.

**PLYMOUTH IS LUCKY**

There is every reason to believe that the real pinches of war are to come within the next few months. Already with the tire rationing program in operation, and the inability to get new cars, along with many other items which will get consideration by the government in regard to our daily lives, we can safely say that we are lucky to live in a small town.

We have our local industrial plant which is doing a large share of government work; local men are not forced to make long walks to their work. However, there are a number of outsiders who sooner or later will have a transportation problem to meet. All in all, as far as our industrial activity is concerned, we can feel pretty safe in saying that our plant will be busy during the coming year.

Then there's the food problem. Within the few short weeks Spring will be at hand; then it will be garden time in Plymouth. In the cities one is hardly expected to "make garden," but how nice it is to have one, especially in the face of rising food prices. So by putting around in the dirt, we'll try to forget the higher taxes and hardships, and just be thankful that we're still thousands of miles away from danger.

As far as local business is concerned, the outlook isn't any too bright; yet, there should be a sufficient amount of merchandise, including clothing, food, and other necessities to carry us for a few months. But it won't be long before we'll see rationing of these items. In any event the shopper in our respective buying district will hesitate driving forty miles in order to save a nickel, and too, the new 1942 mail order catalogs will carry an estimated 10 per cent increase in prices on the majority of their listed items.

So, if we can take our extra pennies and buy a few Defense Stamps, and have a heck of a lot of faith, living in Plymouth during the "duration" shouldn't prove to be such a hardship.

**TIME TO BE SERIOUS**

With complete organization of Plymouth's Civilian Defense Council, the next step is toward those things which will help win the war, perhaps indirectly, but of vital aid to our nation's safety.

Mayor Derr, who spent three days in Columbus last week, brings back to us a definite purpose in the Civilian Defense program. While most of the program calls for educational development, yet there is a vital need in knowing what to do and how to do it when the emergency presents itself.

One of the main features which is outlined in the Civilian Defense effort is the establishing of a night school to consist of a 40-hour period; four hours school is to consist of a 40-hour period; four hours each week for ten weeks. Monday and Thursday nights are designated as the logical nights, and the session will last for two hours.

The subjects will deal with those categories that pertain to first aid; fire prevention, air raids, etc., and which should prove very interesting and beneficial even if we never have to use the knowledge gained.

**A SUGGESTION**

Reports from time to time have drifted into the office that some kind of precautionary methods should be taken to insure safe and sane driving past our high school. It is pointed out that the danger isn't in the morning hours when the children go to school, but when school is dismissed at noon. The little tots do the best they can in getting safely across the street, but there are some motorists who think that a child is more responsible and a better thinker than the driver. As a result the driver's attitude is very indifferent as to the safety of the children in school zones.

Since Plymouth has placed a full-time marshal into service, may we suggest that the proper officials talk over the matter with school officials, and see if it wouldn't be a wise move to have traffic regulation and protection, especially noon hour, and in the afternoon when school is dismissed.

So far no serious accidents have occurred, but there have been many "near ones." Let's don't wait until it happens before we act to insure the safety of the children.

**OHIO HIGHWAY FACTS**

The State highway system of Ohio receives the fourth lowest percentage in the nation of funds derived from imposts on highway users.

The State highway system cannot be brought to an adequate standard for present traffic with sources of revenue now available.

The gasoline tax rate imposed by Ohio is lower than the average of the rates of all states.

Many bridges were not designed for today's maximum legal weight vehicles.

# "THE STUDENT PRINCE" COMES TO HANNA THEATRE IN CLEVELAND

As was previously announced "The Student Prince" the most tuneful and popular of all musicals will play an engagement at the Hanna Theatre, Cleveland, the week of January the 26th. Produced seventeen years ago by the Messrs. Shubert, "The Student Prince" has outdistanced all other contemporary musicals in longevity.

This will be the farewell engagement of this ever melodious, ever charming operetta, and those northern Ohio theatregoers and

music lovers to whom this has been one of the brightest spots in the theatrical firmament will have an opportunity to see it once more. If there is anyone in northern Ohio who never has seen it before, this probably will be their last opportunity to revel in the beautiful melodies and nostalgic charm that has endeared "The Student Prince" to audiences the world over.

Everyone knows the Cinderella story from which Dorothy Donnelly wrote the book of "The Student Prince." It hardly needs retelling. Everyone has heard and enjoyed the tuneful score composed by Sigmund Romberg, always beautifully sung by a competent cast and the famous male chorus which has so long been a feature of this production.

Bart Davis, the eighteen year old Detroit soprano who was considered the "find" of last season, is the Kathie and Robert Davis most recently seen in "Meet the People" sings the title role. To Detmar Poppen, Nina Varela, Joanne Tree, and James Donnelly is entrusted the comedy, and others in the excellent company are Jay Presson, Alex Alexander, William Castle, Richard Reeves, Robert Kennedy, Wilbert Liebling; Pierre De Reeder directs the orchestra.

**BETTER**

Peter Pitzen who suffered a broken hip is greatly improved. He is making his home with Mr. and Mrs. Jacob Pitzen of near Tiro.

No More Free Days  
For State, County  
Fairs, Managers Say

COLUMBUS, O.—"Free days" belong to the past for state and county fair patrons in Ohio.

Even though the management may not require an admission fee for certain days at 1942 expositions, Uncle Sam will be at the gate to collect the new federal admission taxes.

Ohio fair managers learned at a recent annual convention from A. E. Pfeiffer, a federal internal revenue agent.

The fair patrons exempt from the federal tax are those whose attendance is essential for the conduct of the fair, Pfeiffer said.

The new law imposes one cent tax for each 10 cents admission or fraction thereof. Tax would be collected from so-called "free admissions at the rate for a regular general admission."

## GANGES SOCIETY ELECTS OFFICERS

The members of the Women's Missionary society of the Ganges Reformed church elected officers for the new year when it was entertained last Wednesday afternoon at the home of Mrs. Carl A. Grimm on Church Street in Shelby.

Mrs. Ferrell was re-elected as president; Mrs. Leona Meyers, vice president; Mrs. Doris Clark, corresponding secretary; Mrs. Lucille Clark, recording secretary and Mrs. Lois Meyers, treasurer. Twelve members were present at the meeting which was presided over by the president, Mrs. Ferrell. The devotions were led by Mrs. Faye Zackman.

The group discussed organizing a Women's Guild at the Ganges church. The matter will be taken up at a later meeting.

The place for the next meeting in a month was not set.

## GARDEN CLUB STUDIES BIRD LIFE

Mr. and Mrs. William Wechter entertained the Garden Club on Friday evening January 16th. There were twenty members present and one guest, Mrs. Mary Hull of Chumbugo, Ind.

Mrs. Bartholomew, the President, had charge of the business session. There were two new members, Rev. and Mrs. Bethel. Mrs. Eva Keller had charge of the program, which was "Liberty Bell Bird Club." This was very interesting and is a club which has many members throughout the country. Its purpose is to study birds and to stimulate a desire to encourage the bird life that is useful and to discourage the birds that are destructive. The feeding of birds was urged, and in cold weather to remember that birds must have water as well.

The roll call was "Birds—that are useful—and everyone had many interesting things to tell about birds. The next meeting will be at the home of Mrs. Elsie Seaford, February 6th and the subject will be "Birds and Animal Life on the Desert." The leader will be Mrs. Grace Dick.

## RECEIVE ANNOUNCEMENTS OF MARRIAGE OF FORMER PLYMOUTH BOY

Plymouth friends received the following marriage announcement which will be of interest to many here:

"Lt. Col. and Mrs. Russell J. Caton announce the marriage of their daughter, Lucille to Mr. Albert William Reece on Thursday, the 25th of December, 1941, Camp Shelby, Miss."

Mr. Reece is the of the late Albert Reece and Mrs. Donald Frost of Bucyrus and made his home here for many years before the family moved to that city. The bride is a graduate nurse and is employed at the Bucyrus Hos-

pital.

## NON PARISH CLASS ENTERTAINED

Despite very bad weather and much sickness in the class, sixteen members of the Non Parish Class of the Methodist Church turned out Monday evening for the January party held at the home of Mr. and Mrs. B. Derr.

Routine business was discussed and taken care of followed by a session of various games. Refreshments were served at small tables by Mrs. Derr and her assistant, Mrs. Ira Ross.

The February party will be the annual Birthday party at the home of Rev. Winternute and wife. Others assisting will be Mrs. Markey, Mrs. Lowery and Mrs. Dunham.

## Tourist Club Members ENJOY HOSPITALITY

At a beautifully appointed, candle-lit table, with yellow and white muslin centering, Mrs. Stacy C. Brown served a three course dinner Monday evening to members of the Tourist Club. Covers for ten were laid and a splendid meal served.

The evening's lesson was taken from the National Geographic "Canada's War Effort" and reviewed by Mrs. C. L. Hannum. Current events were used at Roll Call.

In two weeks the group will meet with Mrs. Helen Hoffman with Mrs. Annabelle Knight as leader.

## NEW HAVEN NEWS

Mrs. Van Wagner

**UNDERGOES OPERATION**

John Rupley was taken to the Shelby Hospital last Wednesday night very ill. He underwent an operation there Saturday night. His condition is reported fairly good.

**RECEIVES HEAD INJURY**

Raymond Kipp was confined to the Willard Hospital a couple of days last week on account of a head injury which he received while working at the B. & O. R.

**IMPROVING**

Ernest Gillette, who underwent an operation for appendicitis recently at the Norwalk Hospital, was brought to his home last Wednesday. He is feeling quite good and able to be up awhile each day.

**NOTICE**

Mr. and Mrs. Claude Wilcox were supper guests Sunday evening of Mr. and Mrs. L. G. Graham.

Mr. and Mrs. Frank Albright and Mr. and Mrs. Clayton Albright of Peru, O., were dinner noon at the R. E. Moore home.

**PLAN REAPPRAISAL**

It was announced at the Norwalk court house that the regular re-appraisal of Huron-co. real estate will be made next year. Such re-appraisals are made every six years to comply with a state law. It is predicted that appraisals will be higher than many can afford largely to the improvements that have been made on property in the county the past few years.

**NOTICE**

The partnership of Points and Collins in operating the Garden of Eat'n in New Haven was dissolved effective Jan. 1, 1942 and is now owned and operated solely by Mrs. A. D. Points.

**MEN'S CHORUS TO MEET MONDAY IN CELERYVILLE**

Members of Plymouth's newly organized Male Chorus will meet Monday evening in Celeryville with Mr. John Cok. All interested are invited to come.

**CARD OF THANKS**

I wish to express my sincere thanks to the Alpha Class, Alice Willett Class, Order of Eastern Stars, and D. of U. V. for the lovely flowers, also to the many friends sending me cards during my sickness.

## NEED TEACHERS

One of the most crowded fields for a number of years was that of the teaching profession. Today there is a real shortage in this line and qualified teachers are going to be needed in elementary and secondary schools this next year. Around 50,000 rural and 10,000 vocational school teachers are required for next year, it is said. Due to the shortage it may result in the hiring of teachers who are not up to the standard requirement.

The greatest shortage seems to be in teachers of physical education, business, science, music, mathematics, home economics and industrial arts. Since these are specialized subjects, those trained in them have found places in the industrial defense picture with higher salaries forthcoming. Those in the educational field feel that by boosting the salaries of rural and vocational teachers we might remedy this situation.

**RETURNS TO PLYMOUTH**

Raymond Babcock returned to Plymouth Monda yafter more than four months' absence in the South. He stated he left Orlando where he had been making his home last Wednesday and traveled as far as Chattanooga, Tenn., where he visited his brother Ed, wife and wife until Sunday. He reached Willard Monday where he was met by his father Dr. C. W. Babcock.

Raymond took "French leave" after wrecking his father's car and hadn't been heard from since until last week. He reports some thrilling experiences but is now back in school in the seventh grade.

**LEAVE PLYMOUTH**

Mr. and Mrs. Ira Haindel who have been residing with Mrs. Ida Wentz on Maple Avenue have returned to their former home in Broughtonville.

**THE UPTURN IN MARKET PRICES**

## MR. AND MRS. E. S. OPDYKE OF GREENWICH HOLD OPEN HOUSE ON 60TH WEDDING ANNIVERSARY

Residing in a community for more than three-quarters of a century, the "Path to Yesterday" is overflowing with memories, some good, some not so good, sorrow, joy and happiness. Childhood friends may be gone only to be replaced with home-ties, new friends and neighbors.

Sunday, January 25th Mr. and Mrs. E. S. Opdyke who reside one and a quarter miles east of Greenwich, the first house east of the Fox farm, will hold "Open House," marking their sixtieth wedding anniversary.

Looking back to that other January 25th, sixty years ago, Mr. Opdyke recollects that it was he who invited his then fiancee to his bride-elect, Miss Mary Hodges of Shiloh, to Mansfield where the ceremony was performed at 11 a.m., by Rev. Smith at the Lutheran Parsonage.

The young couple had their wedding dinner at the Wiler House and then returned to their home two miles west of Shiloh where they resided for a number of years. With the exception of several years spent in Michigan the couple have lived in this community all their lives. For the past three years they have made their home near Greenwich.

Mr. Opdyke was born on Sept. 18, 1869, the son of the late William and Martha Opdyke three miles east on the County Line Road. He was one of seven children and was quite a coincidence that they have also had seven children, five of whom are living. Children and families who are expected home for the occasion are Mrs. Opal Wick, Mrs. Gurdia Martin, both of Greenwich. Eber Opdyke, who is superintendent of Welch's hospital at Mt. Vernon, Mrs. Ethel Benner of LaGrange,

and Mrs. Thelma Downend of Lakeland, Ohio. There are twelve grandchildren and nine great grandchildren.

Mr. Opdyke has one brother living, Osborn who makes his home at Colorado Springs, Colo.; one sister, Mrs. L. E. Major of Plymouth and one half-sister Mrs. Rae Palmer of Cleveland.

Sunday is expected to be a day of quiet with relatives and friends calling at the home of Mrs. Louis Geber for their monthly meeting. Eighteen members were present with Mrs. Charles Barr as devotional leader and the president, Mrs. Bartholomew conducting the business session. Roll Call was answered by a verse story.

The chairman of entertainment committee suggested a "Build the Day" for a Christian Work." The pastor will speak on the subject: "Surveying the Field."

The regular meeting of the session will be held Tuesday evening at the home of Mr. and Mrs. Wechter on Trux Street.

Choir meets this evening at the Church.

Announcement regarding Juniors will be made Sunday morning.

### THE GIRL SCOUT MEETING

The Girl Scouts met for their monthly meeting Tuesday, January 20, 1942.—The leader, Clela Lusch presided over the business meeting. The Girl Scouts have been asked to canvas the town in search of books to supply the Army camps, men in the navy, and hospitals. The Girls agreed to this and were assigned different streets.

Another important item brought up was that of buying defense bond. After some discussion a committee consisting of Lois Berberick, Ruth Ford and the leader was appointed to attend to buying the Defense bond.

This was followed by a series of games supervised by the Girls which closed the meeting. The next meeting will be held Tuesday, January 27, 1942.

### FRIDAY CLASS MEETING

Mrs. Elmer Markley was hostess to the Friday Class of the Methodist Church. Tuesday evening, January 20th. Assisting hostess were Mrs. Seeholtz and Miss Alta McGinley.

There were twenty members present and two guests, Mrs. Postle and Mrs. Mary Hull of Churubusco, Ind. Mrs. Fleck, the Leader, conducted the regular business meeting, and Mrs. Thomas Ford was the Devotional Leader.

Two hymns were sung, "Lead Kindly Light" and "I Would Be True," and the history of each was read by the Leader. The study being conducted in the Friendship Class is proving very interesting.

The collection for the evening was given to the Infantile Paralysis Fund.

Several contests were conducted by Mrs. Markley. Delicious refreshments were served by the hostesses. The next meeting will be with Mrs. Thurman Ford in February.

**CANCER CLINIC**

The first institute on cancer ever to be held in Huron will be held in the New London High School on February 4th, as announced by the Women's Field Chapter of the American Society for the Control of Cancer. Last year in Huron fifty-seven persons died of cancer and in Ohio 9,446. The medical profession tells us that while cancer is the second cause of death today many persons have died needlessly because of the lack of early diagnosis and early treatment. The aim of the W. F. A. for 1942 is to see to it that every home in Huron has information regarding cancer.

The activities of the W. F. A. of the U. S. C. are directed by medical advisory committee and in cooperation with the state and county medical societies. All technical information is given by doctors of medicine.

The meeting will be open to the public without charge. A movie "Choose to Live" will be shown. Speakers will be announced later.

Carter rides a motorcycle and when he rounded the corner of the onion storage building, he saw a couple of suspicious-looking characters which bore the resemblance of Japs. It was just an "off-hand" glance that betrayed Carter, for the Japs turned out to be Mexicans who are employed on the muck farms, and who were loading onions at the storehouse.

**RESERVES BEAT SHILOH 24-13**

Plymouth Junior Varsity had no trouble downing Shiloh after they throttled little Bob Swartz.

Mr. Meyer was instantly killed Saturday when a railway crossing accident in Shiloh occurred.

Mr. Meyer was driving across a double-track crossing of the Big Four railroad

while a freight train passed.

Assuming that the track was clear after the freight had passed, Meyer started to drive across and his truck was hit by a NYC passenger train.

The truck was carried along the right-of-way a distance of 500 feet.

Mrs. Emma Bistline of Shelby, who was standing near the crossing, was seriously injured by a piece of the truck which struck her.

Mrs. Bistline is in the Shelby hospital.

Meyer is survived by his widow four daughters, Mrs. Marian Kearney and Mrs. Josephine Kuhlman, both of Norwalk; Iva Smith, Wakeman and Doris at home; and two sons, Edward and Charles both at home.

**JOINS NURSES**

SHELBY—Miss Ruth Kirkpatrick, supervisor of surgery at the Shelby Hospital, will join the hospital for several years, left Saturday for Cleveland to join a group of 120 nurses who have been called for duty at army posts.

She is attached to the Lakeside unit assigned to the Fourth General Base hospital.

Although the hospital has not been revealed, they expect to go to southern camps after leaving Cleveland.

**Called to Service**

Eugene Phillips, son of Mr. and Mrs. Ed Phillips, will leave January 26th for Maxwell Field, Alabama.

He was recently an airplane cadet and had been employed in the Tool Room of the Fate-Roo-Hearth Co.

Howard Moulton, Foreman of Department "A" at the Fate-Roo-Hearth Company has received his appointment as machinist second class in the Naval Reserve and will leave for service January 30th. He received his primary training under the C. P. T. at Mansfield. Both the above men reside in or near New Haven.

**ATTEND FUNERAL**

Mr. and Mrs. Irvin Ross, Mrs. F. B. Stewart, Mrs. Jasper Fralick and son Robert of Shelby, Pa. last Thursday to attend the funeral of their cousin, Mrs. Anne Dobbin.

**We're in the Army, Now!**

Word has been received by their respective parents, that both Ben Smith and Paul Root successfully passed their physical examination last week at Ft. Hayes, Columbus.

They are now stationed temporarily at Ft. Benjamin Harrison Indiana and expect to soon be transferred to the Paul Bear Field, not far from Ft. Wayne.

The boys state they had their choice of three training camps, one in Michigan, Mississippi and the one which they chose in Indiana.

At time of writing they were just killing time, waiting for uniforms and orders.

Both boys hope to enter the Air Corps, Paul in the Flying Division and Ben in the Ground Reserve.

**CLEAN SLATE FOR RESERVES**

After getting off to a poor start, the unbeaten Plymouth High Reserves finally pulled the game out of the fire and defeated the Greenwich Reserves 21 to 13 Tuesday night. The teams played evenly throughout the first period and were all tied up at twelve all at the three-quarter mark. After Greenwich lost several players with the foul route, the P. H. S. team won the final period holding their opponents to a single counter. This made it ten straight for the P. H. S. reserves, and clinched for them the Twin Valley League Reserve Championship.

**DISMISSED FROM HOSPITAL**

Aquinas McKown of Route 1, Plymouth has been released from the Shelby Memorial Hospital.

Mr. McKown was injured in an auto-truck collision some weeks ago on the New Haven road.

## GOOD REPORT

The Red Cross drive for Shiloh and Cass township was closed for the second time, when the chairman Mrs. Fern Reynolds and her assistants sent to the county fund, \$141.70.

This was an exceptional report, when we consider the fact that one section of the township was not canvassed.

Another call will be sent out in April and plans are already being formulated to reach every locality. Each call meets with a better response than the preceding one.

### FARM CLUB ELECT SECRETARY

Eighteen members of the Get-Together club enjoyed a covered dinner Thursday at the home of Mrs. D. W. Brickley.

The afternoon program was opened with the singing of "America." Readings were given by the hostess and Mrs. Wilma Racer. Mr. P. D. Downend conducted a contest.

The program for the year was read by the president, Mrs. Bertha Weber. During the business session Mrs. Stella Clark was elected secretary to succeed Mrs. Mary Brook who resigned.

An innovation from the regular form will be a program prepared by Mrs. Dessa Griffith and her committee for the next meeting, also response for roll call, suggested by Mrs. Esther Willet and committee.

Mrs. Loyal Racer and Mrs. Wilma Racer will entertain the club on the next regular meeting, the third Thursday in February.

### CLASS PLANS WORK

The party for the Loyal Daughters class on Friday evening at the home of Mrs. E. J. Stevenson, was attended by nineteen members.

Lunch was served at a long table with red, white and blue candles. And all the appointments were very tastefully planned, with the patriotic colors.

Mrs. Pearl Darling served and Mrs. Beatrice Guthrie served the salad. The class have planned to sell the Avon products and they are in charge of Mrs. L. D. Wollfberger.

### BRIDE AND HUSBAND HONORED

Plans have been made by the Romeo Club and their friends to extend their hearty congratulations to Mrs. Keith Dawson, Saturday afternoon of this week. The affair will be at the home of her parents Mr. and Mrs. O. E. Wells and will be a presentation of miscellaneous gifts.

Mrs. Dawson is now located at Camp Robert, Calif., a member of the 191st field artillery.

Capt. Miles W. Haberly recently decorated Keith with a silver field medal, for the most soldierly in his regiment, during arm maneuvers and in care of his equipment and truck. He had previously received the rating of P. F. C.

### BRIDGES CLUB ENTERTAINED

Mrs. L. M. McQuate was hostess to the Merry Wives club at her home Tuesday evening.

Lunch was served at small tables and the prizes and tallies were from Mexico. Mrs. R. E. McQuate of Plymouth was a guest.

### INJURED BY FALLING

Mrs. Ira Backenroth fell while on her way to a neighbors home, on Monday. She was taken in the McQuate ambulance on Monday evening to the Shiloh Memorial hospital.

### SHOWER FOR YOUNG COUPLE

Honoring Mr. and Mrs. Dean Amstutz, the Rome Country club and friends gave the young couple a miscellaneous shower at the home of the former's parents, Mr. and Mrs. Orley Amstutz on Friday evening. About fifty were present, and their gifts were many and practical.

The houses served refreshments. Mr. and Mrs. Clyde Clayton of Ashland were guests.

### CHANGE OF PROPERTY

A. W. Lash executor of estate of Rosa A. McBride to Harry A. Garrett lot 128, Shiloh.

### CARD OF THANKS

I wish to express my thanks to the daughters class of Mt. Hope Lutheran Sunday School for the beautiful cyclamen sent me during my illness. It was greatly appreciated.

MRS. JUD SLOAN

### Joe Price of Planktown Placed in Custody

Joe Price, 31, was taken into custody by deputy sheriffs after he had torn up a courtroom served on him a court Sunday in Justice of Peace C. D. Nelson's court and on Monday in municipal court in Mansfield.

He was placed in jail on a charge of assault and battery.

The Price family live on a small farm on the road leading north from Planktown to Old Salem.

His wife told the officers that he had torn her clothing and burned it in the yard in an attempt to keep her from going out with friends.

### SOLICIT BOOKS

The local Red Cross under the supervision of Mrs. Dewey Reynolds are co-operating with the county unit, by establishing a book and magazine center for Shiloh and community.

Postmaster D. E. Bushey has kindly consented to make room at the post office and any one having books to leave them at that place.

They will then be taken to the Mansfield Library where they will be sorted and then sent to the army and navy.

### YOUNG MEN IN SERVICE

Albert T. Ferrell, son of Mr. and Mrs. Frank Ferrell has been sent from Ft. Eustis, Va., to Camp Gordon, Augusta, Ga. just recently.

Dale Reynolds, son of Mrs. Claude Reynolds left for Ft. Hayes last Friday.

David Gano, son-in-law of Mr. and Mrs. C. E. Renner left Mansfield for service in the army.

### VACATIONING IN THE WEST

Mr. and Mrs. George Wolver left on Wednesday for the Pacific Southwest and will return by way of Hot Springs, Ark.

### SEWING ALL DAY

As a result of the increased attendance and interest in the work of the Red Cross at its last meeting, plans were made for an all day meeting on Friday of this week. Remember every woman who possibly can come for the entire day or for only half a day will give the work a big boost. If you come for all day bring a sack lunch. Plenty of work and a good warm room for the work. You will be welcomed.

### W. H. Pittenger Has

#### Miraculous Escape

W. H. Pittenger had a narrow escape from death early Saturday evening when returning from Plym-

wood. A tire on a rear wheel blew out, causing the car to swerve and cross the road striking telephone pole, breaking it completely off. The car then ran into a field and turned over several times.

Charles Pittenger, who was badly shocked but unhurt, had made his way to the Clincherville home near where the accident happened. The car was badly wrecked, strange to relate there wasn't a broken glass.

### HOME ON FURLough

Virgil Kissell left on Monday afternoon for Ft. Benning, Ga. after ten days furlough with his parents, Mr. and Mrs. Sherman Kissell.

### VISITS SISTER

Mrs. Edith Gallagher spent a few days at the home of her sister, Mrs. W. W. Nesbitt. Mrs. Gallagher who is an evangelistic soloist, had finished an engagement at Carey and was enroute to East Liverpool for similar work.

### BIRTHDAY OBSERVED

Mrs. Emma Champion very quietly celebrated her 85th birthday Thursday. She received many cards of well wishes and a number of callers. Mrs. Champion is not in very good health.

### ADMINISTRATRIX APPOINTED

Mae B. Cline of R. D. 2 was appointed administratrix in the case of Glenn L. Cline deceased.

### CLINE RITES

Funeral services for Mrs. Gertrude Cline, 71, of Ganges, were held Monday in the Ganges church at 3 p. m. Rev. Carl Grimm pastor, officiated. Burial was made in the Ganges cemetery.

Mrs. Cline died at the Shiloh Memorial Hospital Friday night and the body was removed to the McQuate funeral home.

The Price family live on a small farm on the road leading north from Planktown to Old Salem.

His wife told the officers that he had torn her clothing and burned it in the yard in an attempt to keep her from going out with friends.

### AFFLICTIONS IN

#### ONE FAMILY

Often we hear of bad luck, as we speak of it, in one family, but in the Marks family something unusual and frequent and severe.

Mark was a brother of Mrs. E. J. Joseph and they usually frequently came from their home in Toledo to visit or call at the Joseph home and naturally made acquaintances. There were only four in the family, and seven months to the day the mother passed away there had been three major operations in the family.

Jimmie, the young son, underwent a major operation recently, but has been removed to his home and recovering nicely. Friends are hoping their troubles in that home will be over for some time.

### GAME POSTPONED

A benefit basketball for the Red Cross which had been planned for the last Saturday night of this month has been postponed until later in the season.

### Home From Hospital

Miss Doris Clark was brought to her home from the Willard Municipal hospital, Sunday.

### SET DATES FOR

#### RICHLAND CO. FAIR

August 25-26 has been approved as the dates for the Richland County Fair this year unless it is cancelled because of the war.

This action was taken last Wednesday at Columbus when the Ohio Fair manager's meeting was held. County Commissioner Miller recommended that it be cancelled but members of the fair board were reluctant to take action now, believing the fair and other entertainments are needed to keep up the nation's morale.

If the fair should not be held, provisions will be made for county 4-H clubs to exhibit their projects at a junior fair, board members agreed.

Speaking Jan. 27 at University hall on the Columbus campus, Bromfield will use "What We Want to Look Forward to" as his subject.

### TAX BILLS IN RICHLAND COUNTY WILL BE LATE

Richland County Treasurer Charles C. Payne announces that it will probably be another month before real estate taxes will be paid at his office.

Tax books probably will not open before Feb. 15 because tax duplicates won't be ready until then. He said statements will be mailed to property owners before the books open, notifying them in plenty of time the amount they owe over the first half of the year.

He also advised taxpayers not to call at his office expecting to pay their taxes until the statements have been mailed.

Payments cannot be accepted now, he pointed out, because the duplicates showing the amount of taxes due have not been received from the auditor.

Speaking Jan. 27 at University hall on the Columbus campus, Bromfield will use "What We Want to Look Forward to" as his subject.

## SHILOH SCHOOL NEWS

### BASKETBALL

In a county league game Plymouth beat Shiloh 31-17. Shiloh was leading 14-8 at the end of the first quarter and Plymouth was leading 23-18 at the end of the third quarter. Both teams battled on even terms the last half.

Russell was high point man for Shiloh with 10 points. Reed was high for Plymouth.

The reserve game went to Plymouth 13-25.

### OSY DEFENSE SHOP

The Federal Government has approved two full time teachers. This approval has come because of the increased enrollment in our OSY Classes. Starting January 19th Mr. Bartholomew and Mr. Young will be running on full time. There are 26 enrolled now in the course. New equipment is slowly arriving. Friday evening we recycled our electric grinders. The Board purchased from Ira Bowman an acetylene welding outfit.

We have an approval to repeat this course at the close of the eight weeks period which will be on February 26th. Any one interested in taking a similar course should report to Mr. Joseph or Mr. Nesbitt on or before March 2 when the new course will start. This is an excellent chance for the Out of School Youth to receive technical training at no cost other than their time.

The question has been asked, "Are the boys who are enrolled in school at the present permitted to use this equipment?" Mr. Nesbitt is teaching in his regular class the same courses which are offered at night. We extend an invitation to any one who is interested in visiting these classes.

### SENIOR CLASS NEWS

Saturday night at the Shiloh-Plymouth basketball game, the Senior class raffled off cakes. We had five very nice cakes. We are happy to say that we made out very well on them. We cleared \$8.10.

### JUNIOR CLASS NEWS

Did you notice something peculiar about some of the boys at the game Friday night? Of course you did because they were the boys of our class. They were marked because they wore aprons. But please don't get the idea that they had them for show because they pitched in and helped the class sell hot dogs, pop and candy. Boys, we sure appreciated your help. Keep up the good work!

Remember the game Saturday night with North Fairfield. We will have pop, hot dogs, and candy as usual. Our headquarters will be in the Home Ec. Kitchen. Patronize the Junior Class.

### EIGHTH GRADE NEWS

Miss West, our English teacher, decided to have each member of the class write a diary, starting with January 5th and ending with January 16th. Parts of these

were read on Friday in place of the club program. The boys just LOVED the idea. Dick Clark, our president, called the meeting to order. After the minutes and the roll call, old business was discussed. Then the program was given.

The Seventh and the Eighth Grade Girl's Basketball Teams had a game Friday. Donna Garrett's team defeated Betty Rose's with a score of 17 to 6.

### THE SNOOPER !!!!!

Saturday, January 17th proved to be an unlucky day for two of our teachers. Both Mr. Joseph and Mr. Pfeiffer had a "bang up" day. And I'm not kidding.

Don't forget, the bus for roosters will be going to Lucas Friday night. We want to have a whole load so plan on going to the game. Bring all your friends with you!

When George Harrington met a man in the lower hall last Monday morning, he said, "Hi, Bud, what're you sellin'?" Was his face red when he discovered the so-called "salesman" was the magician which entertained us in Chapel that afternoon.

We wonder why the Forquins went over to see Douglas Arnstutz last Friday night instead of coming to the basketball game.

### G. A.

At last our meetings and games have returned to normal. We had a meeting in our Gym period last Friday and decided it was time to have a party. Of course no one objected. The President appointed several committees to work on the party. The members on the entertainment committee are Margaret Calahan, Dorothy Deibert, and Joan Hoffman. The members on the refreshment committee are Janice Moser, Blanche Smith, and Martha Loft.

We also have a Chapel Program coming up soon. The members on the Chapel Program Committee are Mary Brook, Eleanor Garrett, and Marcella Clark.

### SEVENTH GRADE NEWS

Our seventh grade class is reviewing the states and capitals in our geography. Last year we knew every one of them but this year we seem to have some difficulty with them. We hope, as we go along, they will be easier for us.

### CHAPEL PROGRAM

On Monday, January 10, the Freshmen had charge of the program. It began with three numbers by the band composed only of Freshmen under the direction of Mr. Sparks. Joan Hoffman read the Devotionals which consisted of the 23rd Psalm. We were then entertained by an excellent magician with the help of some of the Freshmen boys. The program was concluded by the band.

## YOUR INCOME TAX

With the new Income Tax Laws which go into effect this year The Advertiser each week will publish informative articles on this subject.

The Revenue Act of 1941 provides a simplified method of computing income tax in the case of individuals whose gross income is derived wholly from salary, wages or other compensation for personal services, dividends, interest, rent, annuities or royalties, and not exceeding \$3,000. A new Form 1040A has been provided for taxpayers who are entitled to and elect to use such method. A table on the reverse side of this Form shows the amount of tax on increasing amounts of gross income after the proper allowance of \$400 for each dependent, if any.

The tax under the simplified method is the same for each \$25 block of gross income and the taxpayer need only ascertain in which block his gross income (less allowance for dependents) falls to determine his tax. A flat deduction of 10 percent is made in arriving at the amount of tax shown in the table for deductions such as charitable contributions and taxes paid, so that the taxpayer who uses this method does not lose but gets an automatic deduction of 10 percent.

Under the simplified method the status of a person on the last day of the taxable year is the determining factor in determining the exemption limit of \$600 for single persons and married persons not living with husband or wife, and \$1,500 for married persons living together as well as the credit for dependents.

A husband and wife living together on the last day of the taxable year may file separate returns on Form 1040A if the gross income of each is from the prescribed sources and does not exceed \$3,000, or they may file a single joint return on that Form if their combined income is from the prescribed sources and does

not exceed \$3,000.

The use of the simplified method is optional with the taxpayer. If a new election has been made for any year, it is irrevocable for that year. If the taxpayer files a return under the simplified method for the taxable year, he may not thereafter file a return under the general provisions of the law for that year. Conversely, if he files a return under the general provisions or any taxable year, he may not thereafter file a return under the simplified method for that year. However, a new election is allowed for each succeeding taxable year.

NORWALK — John E. Wise, Willard, Thursday night was elected chairman of a committee of Huron co. residents, organized to boost the sale of defense bonds and stamps. R. E. Ward of New London was chosen executive secretary.

Chairman for the various communities are Norwalk, H. S. Bowes, Bellevue, Daniel Seiter and G. E. Bowman; Monroe, Leo Cook; Wakeman, C. F. Clark; North Fairfield, B. E. Harvey; New London, R. E. Ward; Greenwich, F. L. Ruppert; Plymouth, Fred Buzzard; Willard, Frank Landefeld and E. J. Hannan.

Rural district chairmen are O.

K. Austin, Lee Earnhart, Leo Cook and Guy Hummon.

### CHILD IMPROVING

Mr. and Mrs. C. A. Robinson were in New London Sunday afternoon calling at the home of Mr. and Mrs. Robert Martin and family. Julia Ann, a two year old daughter, had the misfortune to fall from her tricycle several weeks ago and badly injure the third finger on her right hand. It has been placed in a cast and is getting along nicely.

### NEW SON

Mr. and Mrs. Robert Fellows of Route 1, Plymouth, are the parents of an infant son born Friday at the Shelby Memorial Hospital.

not exceed \$3,000.

The use of the simplified method is optional with the taxpayer. If a new election has been made for any year, it is irrevocable for that year. If the taxpayer files a return under the simplified method for the taxable year, he may not thereafter file a return under the general provisions of the law for that year. Conversely, if he files a return under the general provisions or any taxable year, he may not thereafter file a return under the simplified method for that year. However, a new election is allowed for each succeeding taxable year.

## BEHIND THE SCENES OF AMERICAN INDUSTRY

**NEW YORK**, Jan. 22 — RE-BOUND. Following the December bombing of an equipment store sales, attributed to the sobering effect of war's outbreak, the nation's shoppers have resumed a record-breaking spirit. For the weeks ending Jan. 3 and Jan. 12, national store sales show 27.4 and 32 per cent gains, respectively, over corresponding weeks of the previous year. This is in spite of the fact that those same weeks a year ago were themselves recording tremendous gains — were, in fact, topping even fabulous 1929 in volume of goods sold. However, in the present case higher prices account for approximately half of the dollar-volume increase being shown.

**WASHINGTON** — Just about the biggest single development in America's war effort since fateful December 7th is the nomination of Donald M. Nelson, former Sears-Roebuck executive and later head of SPA3, to be the one-man, absolute boss of all war production and procurement. Here's the informal but forcible keynote he struck in his words going to be happening now to our business and industrial habits: "It's going to be happening now to our business and industrial habits: 'It's going to be happening so many old routines, and doing so many things that never have been done before that it will make your hair curl!'" He went on to warn that it's going to be "hard to swallow" many of the things that may have to be done to industry. Among them are: Pooling of tools; redistribution of skilled workers; curtailment of what may have come to be known as ordinary functions of ownership, management and labor; the upsetting of commercial and industrial arrangements of years' standing; the trampling on all sorts of privileges and prerogatives.

**BITS O' BUSINESS** — Production quotas for auto parts are being revised upward (because, unable to get new cars, we'll have to do more part-replacing on the old). A "Victory Model" bicycle was ceremoniously launched in Washington. Stripped of copper, nickel and chrome trim, it weighs 34 pounds, compared to the average 55-pound 55-pounder, is designed for adults. American Airlines, with 38 percent gain in passenger traffic in 1941, became the first air transport company in the world to top the million mark in passengers in a calendar year; its actual total was 1,202,818. . . . OEM's contract distribution division says small manufacturers are to be assigned one per cent of all available raw materials to help them keep their plants going . . . The steel scrap shortage is still serious.

**NEW YORK** — Wars bring new ways of doing back old ones in new attire. Remember "camouflage," "strafing," "sautee" and "doughboy" of World War I? Here's a brand-new one, a child of World War II: "Imaginering." A combination of imagination and engineering, it's defined as "the fine art of deciding where we go from here," and it just grew (like Topsy) in the research laboratories of Aluminum Company of America. With the war program taking off, present output, and with the greatly expanded capacity, the aluminum industry has surplus of its war products, aluminum in aluminum—as in many other industries—are burning the midnight oil to develop "imaginative" new uses for their products. They'll serve the double purpose of helping boost general living standards and keeping industry from being "becalmed" after the war. "Imaginering" seemed to be the best way to get this sort of research pretty well.

**CONVERSION**—Auto manufacturers and labor have buckled on double shifts to tug away on the biggest war job in the world war drive, aiming at \$5,000,000,000 worth of arms production in 1942. A "conversion committee," equally representative of management and labor met and, according to Cyrus S. Ching, the OEM chairman, showed "utmost co-operation," in contrast to previous struggles over unionization and other issues. Meeting was said, after a six-hour meeting, to have been amicably settled. An unusual agreement had been reached on consideration of many key problems such as seven-day operation with swing shift, "trainee" programs, and surveys of labor potentials, both men and women.

**SPECIALISTS** — With a wartime job to do, America's poultrymen look to further specialization, and wider use of efficient produc-

tion methods, to reach the 1942 goal of four billion dozen eggs and 750 million "eating" chickens. Production of poultry as a "cash crop" has increased steadily in eastern states in the last 10 years. Howard C. Pierce, specialist for the A & P, told the U. S. Missouri poultry products short course. He cited the example of Delaware poultrymen, who went into mass production methods to supply the mass distributor for large eastern markets, and found the combination of efficiency in both production and distribution resulting a reduction of the consumer's poultry dollar to the producer. Delaware poultrymen have, in fact, increased the number of chickens sold by 17 per cent in the last decade, he said—and now more than 2,000,000 day-old chicks go into brooder houses every week on the Delaware-Maryland-Virginia peninsula. Most of these are raised for the table.

## CALL SENT OUT FOR WORKERS

Ohio offices of United States Employment Service have been asked to assist the U. S. Army Air Corps in recruiting approximately 100,000 aircraft workers, needed for the vast expansion of air depots and sub-depots both in this country and overseas, according to C. W. Handley, manager of the Mansfield USE office, where the necessary application forms may be obtained.

Among the aircraft workers needed are propeller mechanics, engine mechanics, sheet metal, instrument mechanics, wood workers, sheet metal workers, machinists, welders, leather and canvas workers, and foremen.

Applications are not desired from persons employed in any private industry vital to the national defense program or in a national defense agency of the federal government. All applicants accepted will be inducted through the regular United States Civil Service procedure. Original applications will be made at air depots in the continental United States. Salaries range from \$1,680 to \$2,600 a year. If transferred to Panama or Hawaii, there is an increase in salary of seven and one-half to 25 percent for most positions.
