Shiloh-Plymouth Basketball Game Here On Friday Night

GAME OF THE YEAR TO BE PLAYED BETWEEN LONG RIVALS IN FAST GAME.

Once again Shiloh comes to Plymouth. Once more will they strive to prove their supremacy in putting the basketball through the hoop. Can they do it? That remains to be seen. It will not be long as on Friday evening the two teams clash on the Plymouth hardwood court. No one will know who wins until the whistle blows. All that is hoped is that a good clean game is played.

Shiloh has defeated the Plymouth Union teams, while Plymouth gained the nod over North Fairfield. We are certain that both teams will strive with all their might for that favored status. Shiloh has always been a keen friendly rival. Their sportsmanship has been splendid. It will be up to Plymouth to be very gracious hosts to our neighboring school.

Cheerleaders will go through the various antics and yells. Each school will have loyal roots present. It will be a treat to everyone to see and hear these young folks in their joy and glee.

Tradition has always played a great part in the rivalry between the two schools. With our own paths may be with the opposing school, we can still hope for a good clean game, played by the boys from two splendid communities. While there may be keen rivalry during the game, friendship will show up during the aftermath.

Come out and see this game. Come and get a thrill. Come and enjoy an evening of good wholesome sport. The time is 8:00 P. M., at Plymouth high school on Friday evening, Dec. 3.

Holiday Employees, Old And Young Must Have Social Security Number

Persons expecting to be employed during the holiday season to help take care of the rush in business must have social security numbers, Sam F. Smith, Jr., manager of the Mansfield field office of the Social Security Board announced today.

One reason this is so essential is that an account number and card assure the worker that all wages he receives, whether he works part or full time, will be credited to his social security number's insurance account. The account is kept by the Board according to the social security number issued to him.

Unless a person has a job in view, application for a number should not be made. As soon as it is certain that a person is going to be employed, application should be made to the nearest Social Security Board office.

Those residing in or near Plymouth may make application at the local post office. The social security field office in this area is located in room 103 Richmond Trust Bldg., Mansfield.

FORMER RESIDENT DIES

Word has been received of the death of Frank B. Callahan, 86, at Franklin, Ind., Sunday, Nov. 21, where funeral services and burial was held.

Mr. Callahan was a former resident of Plymouth where he was agent for the A. C. & Y. Railroad. He was preceded in death by his wife when he lived here. For the past 13 years he made his home at the Masonic home in Franklin, Ind., where he had a host of friends who will greatly miss him.

NOT ELIGIBLE

A worker who quits a job to get married or because of marital obligations is not qualified to unemployment compensation because of voluntary action, the First Ohio District Court of Appeals ruled.

WIFE IS SUES

Marjorie Luterman, 19, through her father, Helen Kessler Greenwich, has filed a divorce suit against Robert Luterman.

Young and Young represent the plaintiff.

CHRISTMAS PROGRAM

A Christmas Musical will be presented by the music department of the Plymouth High school on Wednesday evening, Dec. 22, at 8:00 o'clock in the auditorium. Presentation of familiar carols by the group school children and high school choral chorus will be a feature of the program, as well as several numbers by the instrumental group. Surprise are in store for the children.

There will be no admission charge, but a free-will offering will be collected to help defray the expense of the program.

The public is invited to attend this Christmas program.

Free Light Bills For All Patrons

BOARD APPROVES RESOLUTION WHICH MAKES ALL NOVEMBER BILLS FREE.

Santa Claus is coming to 515 electric consumers in Plymouth this week, for when Clerk James Rhine mails out the November electric bills on Friday, they will be marked paid.

Action to donate the November electric bills was taken the first of the month when board members, consisting of N. B. Shepherd, president, and Otis Downend and B. R. Scott, passed a resolution which made light and power bills for November free. The free bills include all users of electric power, residences as well as business places, and the entire gift amounts to approximately \$2,000.

This will be welcome news to electric consumers in Plymouth and it is a gift that is genuinely appreciated by all.

The light fund of the village totals almost \$23,000, and the Board felt that it was an opportune time to refund a small portion of the money to the patrons.

SPECIAL NOTICE

Village Electrician Crawford asks that all users of electricity take notice that the power will be off in Plymouth on Monday, Dec. 6, between the hours of 1:00 and 2:00 o'clock. Be sure to remember to take the necessary precaution at this time, and to check all electrical appliances at this hour.

No Christmas Lights

Conforming with a request of J. A. Krug, director of the Office of Public Utilities, there will be no Christmas lights in Plymouth this year. It has been pointed out by Mr. Krug, that because of the shortage of daylight, necessary consumption of electricity is at its peak. There is almost a shortage of electric bulbs, which is one more reason, and for the sake of conserving electrical energy and cooperate in winning the war, the local board announces that Plymouth will have to do without its Christmas lights.

Small ornamental candles and lights INSIDE the home is permissible, but outside lighting of any kind is taboo.

Chicken Dinner Friday Night At Presbyterian Church; Starts At 5:30

Tickets for the chicken dinner tomorrow evening, Friday, Dec. 3, at the Presbyterian church, are now on sale. The committee, composed of Mr. and Mrs. Luther Fetters, and Harry Vandervort, report a goodly number of reservations have already been made.

Reservations may be obtained from members of the committee, or at the door tomorrow night. Serving will begin promptly at 5:30 with roast chicken, dressing, mashed potatoes, carrots and peas, choice cranberry or apple sauce, choice of pie or pudding, or tea or coffee.

Tickets are 75c for adults and 40c for children.

NO EXCHANGE OF GASOLINE BOOKS

Although five gallon gasoline coupons will be issued after Dec. 1, it is not necessary for motorists to exchange the B, B1 and C1 coupons they have on hand. These coupons will be valid for the amount specified until after their expiration date according to C. C. Canfield, chairman of the Huron county war price and rationing board.

Motorists are asked to simply use the above coupons as they have in the past, and not call the board office or mail the coupons in for redemption. With the advent of the coupon good for five gallons of gasoline, Mr. Canfield stated that applicants for renewal of rations would receive fewer coupons.

THE WEATHER

The average temperature for November was a little lower than a year ago, but we've had less snow, according to the weather report, issued by John A. Root, Plymouth's local weather observer. WHO WILL BE the censor? The Board of Trade in London, England, has discovered the reason for the mysterious run on non-rationalized blackout curtain material. Women and men are getting out of it. And a board spokesman said: "It will be most difficult to halt this practice. How is one - er to know?"

IT TAKES an old resident to notice the great change in the old home town. When the Advertiser Mrs. Harold I. Jeffery, who has been a consistent reader of the Advertiser for years writes, in renewing her subscription: "We have been away from Plymouth six years now and I wonder if you realize how many of the old names are missing and how many new names are appearing." Yes, we do, but "TIME Marches On!"

A BEAUTIFUL Red Irish Setter Bird Dog is taking advantage of the kindness and hospitality of Mrs. and Mr. J. H. Parsel, 121 High Street, and refuses to leave. THERE IS a long-legged pretty black cat, who has taken a liking to the W. L. Fortney home on Park Avenue. It has been somebody's pet, and the owner may make inquiry at the Fortney home.

WE ARE indebted to Mrs. I. H. Entler of Plymouth rural, for a clipping in the Advertiser of a Philadelphia Enquirer regarding Lt. J. H. Parsel, well known in Plymouth.

In a feature story by Gerson H. Lush, entitled "Worker's Eye-Opener," a picture is shown with Lt. Parsel, explaining Army mail handling to a group of new recruits. The portion of the article referring to Lt. Parsel is as follows:

First Lieutenant James H. Parsel explained that the WACs work hard "and do a real job," relieving men for combat duty. "It's not a job," said Lieutenant Parsel. "It's plain, honest-to-goodness, down-to-earth work." The lieutenant's husband was Captain Elmer Parsel of the Army Air Corps, who was killed in action in India. A commercial pilot in Georgia, she joined the WACs soon after "as a patriotic duty."

We appreciate the interest our readers take in sending in clippings or items that others might also enjoy them.

WITH SEVERAL more reports yet due, D. W. Einsel, chairman of the War Chest for Plymouth, states the community is now over \$100 above the goal of \$195 set for the village.

MARY ALICE WELLER tells me that she is now working at the Hitching Post. She thinks by getting to be an expert on cheese and hamburgers that it will be a help in her Home Ec work at school. Only I think she should take up home ec work first!

'GUS' Charles Dick, of the Merchant Mich. WAC, who has been spending a 30-day furlough with his parents, will leave this afternoon for Norfolk, Va., where he will visit his sister, Helen Dick, a member of the WACs prior boarding his ship for another trip.

GUS made his first trip early this year which took him almost around the globe. His destination was a Far Eastern port, and required 7 1/2 months time to make his journey. On the way back home his ship, at rounded the Horn, ran a 105-mile gale, which blew the ship "backwards" five hundred miles, even with the engines going full speed ahead.

A Recreation Hall For Teen Age Youth of Plymouth Is Discussed

The committee on social service of the Youth Fellowship of the Methodist church initiated a plan for a recreation hall for 'teen age youth. They presented it to the Youth Fellowship which voted unanimously for it. The plan was put before the Inter-church council Sunday evening, Nov. 21, and was again passed unanimously.

Each church is to have one adult and one youth on the executive committee. The committees will be announced later. Miss Doris Rhodes, our religious education teacher, will be on the committee. Let's back this matter and see that our youth are given a chance to have a better community.

Civilians To Get Canned Goods
Increased supplies of canned pineapple, canned grapefruit juice, asparagus, corn, pumpkin, spinach, tomatoes, beans, and figs will reach retail markets within a few weeks, the War Food Administration said recently. They are supplies owned and held by canners, but set aside for government purchase, which have been released to civilians.

More Farm Machinery in 1944
An improved outlook for new farm machinery in 1944 is foreseen by the War Food Administration. Raw materials authorized by War Food to make planting, tillage, and harvesting equipment during the year provide for about twice the quantity produced in 1943, or almost 80 per cent of the production in 1940—a year in which manufacture was relatively large. SHILOH NEWS

Summary Of Auction Sale

At the community auction sale held at the school building on Nov. 11, there was a total of 287 different sales. This, of course, meant that more single items than this number were sold, since many sales were composed of several different articles of merchandise. The total gross receipts amounted to \$481.84. The net commission earned by the school Home Economics department was \$33.08. The total cost of advertising is not yet known, but the net profit to the department should approximate \$20 to \$25.

Lunch sales on the day of the sale netted an additional profit of \$12. The total profit for the Home Economics department will amount to \$30 or \$40. Possibly the sale cannot be reckoned a definite financial success. But the community spirit exhibited and the kindly interest shown the school make the day a success despite the financial returns. Many residents of the community are insisting that the school sponsor this kind of sale again next Spring.

It is hardly possible to express fully the indebtedness owed to the auctioneers. Their generosity and cooperation were a real contribution to the day. Many thanks to Messrs. John Adams, Don Hamman, C. H. McQuate, and Roscoe Swartz, and to all others helping in the first Shiloh Community Auction Sale.

Minstrel Show Date Set Dec. 14

The High school glee club has decided to present the minstrel show on Dec. 14. The members, under the direction of Supt. Milley, have been practicing each week during the autumn months. Now that the Senior Class' play' has been given, the seniors and other members of the glee club can give their time and attention to the final touches of the minstrel. Choral numbers and solos and special numbers have been ready for some time. With the preparation of the cast, men, the show will be complete. Keep the night of Dec. 14 open for the minstrel show.

WEDDING ANNIVERSARY

Will Make Drive For Old Clothing

Mayor H. R. Nesbitt received a request to plan the drive for old clothing in this community.

Every householder is asked to contribute any garment that can be dry cleaned and used to aid those who have been made destitute on account of the war.

This call comes from the Ohio Civilian Defense Council and the sales division of the War Production Board.

The need is great and all those having garments of any kind for wear, which they do not need, are requested to leave them at Shafer's or McQuate's grocery stores.

There will be no soliciting and the time limit for this work is set to close by Wednesday, Dec. 8th.

MEMORIAL SERVICE

A fine letter was received by the Loyal Daughters of Mt. Hope Lutheran Sunday school from Ralph, which was dated Nov. 15, and read:

I received your most welcome Christmas package yesterday. I am sending you all my full-hearted thanks. I never dreamed of receiving a package from you, but now I have it, my thoughts and prayers will be for you as of always.

"My one wish is that some day soon I can return my thanks in person instead of by mail. I never was much for writing. I guess the good Lord will see that you receive your reward for the wonderful gift, because I haven't the paper to reward such a fine group of people.

"I haven't really said what I wanted to but I can't find the right words, so I guess I might as well close.

"And may the good Lord always keep you well and happy. "Yours as ever, "Ralph Runkle, Jr."

BE READY TO ANSWER THE ALARM FOR GAS EMERGENCIES

About a year ago we advised through advertising of the things which you would be asked to do if an emergency prevented our rendering normal service under extreme conditions. In March when this crisis was reached, your response to our appeal was magnificent. War industries continued their production of armaments.

This season the situation is far more serious. We know now that it will be necessary to come to you several times asking this cooperation. The frequency and duration of these conditions as well as the degree to which you will be asked to curtail natural gas will depend upon two factors. One is the severity of the weather. The other is the amount of gas which we are urging you to save now and throughout the winter on the regular conservation program.

The first call for an emergency may come at any time from now on. We've told Army officials and the War Production Board that you could be counted upon, not once, but as many times as curtailment is necessary this winter. Please be ready when the call comes. Meanwhile, save all possible gas in your everyday uses to help make conditions less severe this winter.

Some 42 suggestions for saving gas in your home or place of business are found in this folder. Ask for your free copy at our office.

F. H. A. ORGANIZED AT PLYMOUTH SCHOOL

For the first time in several years, members of the Home Economics department of the Plymouth schools have an opportunity of becoming members of a national association, the Future Homemakers of America.

Miss Josephine Miller, new Home Economics teacher, and delegate Mary Ellen Thomas, were in Columbus in October to attend the state convention and upon their return plans were made for the organization of a local chapter.

Officers chosen on Nov. 3 were Verna Rae Smith, president; Phyllis Miller, vice president; Mildred Harman, secretary; Phyllis Haines, treasurer; Mary Ellen Thomas, reporter, and Margaret Kemp, historian. Thirty-nine members were placed on the roll and the group voted to meet each Friday evening at the school with one social gathering at the various homes during the month.

Phyllis Miller invited the members to meet with her on Nov. 15 and the girls hemmed red cross wash cloths. Another item of interest was the talk by Mrs. Paul Treisch, home economist of the Gas Company, on the "Conservation of Gas."

On Dec. 13 the girls will meet with Miss Sue Hoffman.

BASKETBALL NEWS

Well, our boys started the season off right Tuesday night by beating Union by the score of 25-6. And so we draw a sigh of relief. Our first game over, and we come out the victors.

Next Friday we journey to Plymouth to play our old, old rivals.

Can anybody remember a time that Shelby and Plymouth met night's rivals? Anyhow, we're looking forward to a good game. And with Plymouth practically swamping North Fairfield last Friday it looks like we're going to have some pretty stiff competition.

The end of another six weeks! Can it be possible? Have twelve weeks of school actually passed behind us? Yes, I guess they really have. To some of us they have gone slow, but to most they have sped by on wings. And I suppose you can all guess what the topic of discussion is, now that Thanksgiving is over. "Gee, just 23 more days to Christmas." But isn't that natural?

Now that the class play is over our attention is called to the minstrel coming. There has been no definite date set as yet, but the choir has been working on special numbers, and the solos are practicing too. So please keep this in mind and keep watching for further announcements.

We have finally added up our magazine sales and have found they have come to a grand total of \$137. That amount is the class profit, not the total amount of money taken in. High salesmen was Betty Seaman. Running a close second was Harold Daup. Thanks, everybody, for helping us make that total. We certainly appreciate all the cooperation you gave us.

Although our Curtis books are in we don't intend to start selling them until next Spring.

SHOOTER!

Did you ever see the pretty girl Miss Mary was kissing the other noon? Um, hm. Is it possible we have a second Lily Dache in our midst at S. H. S.????

Thanksgiving vacation! Ain't it wonderful! Did everyone give thanks on Thursday to those dear Pilgrims who let us out of school for two, whole, wonderful days? Wasn't it too bad the F. F. A. had their rabbit feed on Wednesday night. Many of the fellows said they ate so much Wednesday night that they could only eat half a turkey (who said that!) on Thursday.

TOPS IN TOWN: Our new cheerleaders. I think they deserve a big hand for their work Tuesday night at the game—the capella choir—our varsity and reserve teams. Didn't they have a swell showing Tuesday night? "Pistol Puddin' Mama" and for those sentimentalists "My Heart Tells Me" — the croonings of W. H. M.

FACES IN PLACES: Donna and Shorty at Plymouth Friday night... the "old gang" down at Porythes... the sleepy faces on Monday morning... Paul, Dick and Scab just cruising around Friday night... Mr. Miley at the corner of Fifth and Main... Miss Mayne with that shocked expression on her face at the sound of that Ford horn, Wednesday night walking home from school... Mrs. Huston waiting anxiously for a letter from her husband.

THE NODOGO QUEEN OF NEW ORLEANS

Read — in the American Week-ly this past Sunday (Dec. 5) is a... of The Detroit Sunday Times... of the woman who, to satisfy her burning lust for gold, turned to this weird season of her with ancestors to blacken New Orleans' luxury-loving, romantic and sleepy. Get The Detroit Sunday Times this week-end every week.

SOLDIER WOUNDED

Mrs. and Mrs. George W. Payne of Shelby received word Monday evening from the War Department stating that their son, Robert, was seriously wounded in Italy on November 13. Robert had been in the service for fourteen months and was stationed at Ft. Devens, Mass., before going overseas in February of this year. He is connected with the 206th Military Police Unit.

NEWS FROM OUR

BOYS IN SERVICE

Home On Furlough
Pte Harold Edmondson of Kingman, Ariz., arrived last Thursday for a 14-day furlough with his wife, Mrs. Harold Edmondson and daughter, Judith Kay, at the George Hackett home.

Case Now Writs To Son Who Was In German Camp
Mrs. E. J. Phillips of Plymouth rural has recently been advised that she can now write to her son, Second Lieutenant Eugene Phillips, a war prisoner in Germany. Lt. Phillips was first listed as "missing," later to be found in a prison camp. His address is given in the soldier column.

PLYMOUTH BOYS MEET
Ben Smith, who was flown from Italy to Africa to recuperate in a hospital with malaria, writes he is again well and back on the job.

The last day at the hospital in Matore, he ran into Wilbur Mahaffey of Willard, who recognized him and in the course of conversation said he (Mahaffey) would soon be back in the States again. Sent to a replacement center, Ben was working on a roster of new recruits and who should report but Kenneth Sinsinger, giving his address as Plymouth, O. Needless to say, both boys enjoyed the meeting. Later Ben was returned via plane to Italy.

Mr. and Mrs. Glenn Moore have received word from their son, James Moore, P. 3/C, that he is now somewhere in the Caribbean Sea. "A fine way to enjoy my Thanksgiving and Christmas," says Jimmie. "No snow, and nothing but the hot sun, day in

and day out." He has been doing a number of 24-hour duty watches and is constantly on the outlook for trouble.

James expects to begin gunnery school this month, possibly training as a rear gunner. His ambition is to get to the West Coast.

Returns To Camp
Sgt. Charles Caugherty left on Monday for Camp Artabery, Ind., after spending a furlough with his wife, Mrs. Evelyn Steele Caugherty of Plymouth, and other relatives.

In The Navy
Junior Davis, son of Mr. and Mrs. Ernie Davis, has enlisted in the Navy and is now taking his boat training at Great Lakes.

Go Into Service
Harold Biller, son of Mr. and Mrs. Howard Biller, left Monday for Ft. Hayes, Columbus, to enter the Armed Forces.

Sgt. George Henry Watts, a patient at the station hospital, Ft. Douglas, Utah, is utilizing his time by writing letters and hoping for replies. "Hank" has had bad luck and could appreciate very much if his old friends in Plymouth would drop him a line. We reprint his letter to the Advertiser, elsewhere in this issue.

Farewell Dinner
A farewell dinner was held Sunday in the home of Mr. and Mrs. Clarence Barnes as a courtesy to Mr. Barnes, who leaves today for the Armed Forces.

Those present were Mr. and Mrs. William Moon and family of Shelby, Mr. John Moon of Greenwich, Mr. and Mrs. Walter Moon and family of Wellington, and Mr. and Mrs. L. C. Brown of Plymouth rural.

Honor Huron County Hero
The USS Chaffee will be launched at Charleston, S. C. on next week-end in honor of Ensign Davis Elliott Chaffee of Hartland

township, Huron county, whose plane was shot down during the battle of Guadalcanal.

MISS 1943 "VERSION OF CINDERELLA WOULD BE GLAMOROUS PAULINE DRAKE"

—Exclusive to WLW
Great Gildersleeve" (WLW, Sundays, 5:30 p. m., CWI), is the 1943 version of Cinderella.

From 9 a. m. until midnight, she's a glamorous radio and motion picture actress, known as one of Hollywood's loveliest red-heads. When the clock chimes 12, she slips out of her fur coat, ties a turban around her head, pulls on a pair of slacks, and heads for Douglas Akerscraft, where she works the graveyard shift.

"I still had lots of energy left after my regular job of acting was over," explains the petite miss, "and I didn't feel I was doing a full share just making coffee for the USO or dancing with the soldiers at the Hollywood Canteen. I wanted a definite part of the war effort — to feel I was doing something really important.

"It took a lot of talking to convince them at Douglas that I was serious. I had a two weeks audition that was longer than anything I'd ever experienced in the movies or radio, but I finally was taken off probation and accepted."

Parsel Air Supply
—(Continued from Page One)—
vices, or just want to make sure they never suddenly wake up to discover they are slaves to tyrants.

A steady stream of patriotic workers has come to the personnel employment section of the Dept. each day during the new drive for workers. But many more are needed, especially able-bodied men for loading and unloading box cars and handling supplies in the warehouses. Many of these men later will be trained for better jobs at higher pay.

Some of the types of jobs now open are:
General Mechanic's Helpers, who operate tugs and fork-lift machines, stack supplies in warehouses, and help in car loading and unloading operations. These men have the satisfaction of actually handling the goods that in a short time will be unpacked and used by their brothers, sons, cousins and friends fighting in Italy or the South Pacific. Senior Laborers, female, who check supplies as they are shipped and received at the Depot, place supplies in bins, pack and unpack boxes and cartons, drive tugs and lifting machines. These women know that a job must be kept in the house in good shape so that no time is lost in shipping because supplies are not recorded or poorly packed so that they arrive in damaged condition.

Storekeepers are also needed in considerable number. These workers see that supplies are properly placed in bins, keep accurate records of the location of each kind of Air Corps property in the locator files in the warehouses, and help assemble supplies for shipment. The importance of this job is clear when it is realized that in the class of supplies alone there are 10,000 different items of aircraft hardware. In that class there are 500 different sized bolts.

Under Clerk Typists are needed to type out the hundreds of orders required to insure that all supplies will quickly arrive at their correct destinations. These typists also prepare the many Air Corps forms and reports, and do a great deal of typing work as required. Under Clerks "post to stock record cards," which is Army Book keeping of a special kind. They help the Depot Supply Officer by making accurate records of all Air Corps property which he is responsible for receiving, storing and shipping.

These are but a few of the many jobs open at the Shelby Air Depot. And every one of them is directly connected with the war effort of the United States and the United Nations. If supplies are not shipped from Shelby in time to be put on a convoy, they will be late in reaching the fighting front, and may hold up a vital air raid on Nazi or Jap armies, factories or shipping yards. This is why so many people are

taking work at Shelby where they can be directly fed by the soldiers at the front that these civilian soldiers and those fighting soldiers are really in double-harvest.

manufacture of repair parts will be unrestricted.

Suspend Slaughter Quotas
To facilitate marketing and slaughter of record numbers of livestock produced by S. farmers, slaughter quotas for civilian consumption until further notice have been suspended by the War Food Administration.

Must Collect Points for Pork
Although WFA has temporarily lifted its restrictions on the amount of pork a farmer may deliver to persons living off his farm, he must continue to collection points for all rationed meats, OPA said recently. If pork is transferred point-free, it means that a great deal of this food will find its way into the black market and will be unavailable for legitimate consumers.

Reduce Bean Prices
Reductions up to two cents a pound in wholesale and retail prices for dry edible beans will result from recent OPA action reducing the price spread between country shipper and wholesaler. Country shipping point prices were limited.

Service Buttons Distributed
Plastic gold-coated lapel buttons for use by civilian citizens to signify honorable military service on and after the declaration of a period of national emergency, Sept. 9, 1939, are being distributed through agents throughout the country, the War Department has reported. The insignia on the button is an eagle with a circle, the wings extending beyond the circle's edge. Persons whose army service has been terminated under honorable conditions will be permitted to wear the insignia.

Seed Potato Ceiling
Maximum prices for domestic and imported "certified" seed potatoes have been set by OPA at \$1 above established ceilings for U. S. No. 1 tablestock potatoes, and for "war-approved" seed potatoes at 50 cents above tablestock potatoes.

Can Hold Shoes 30 Days
Without ration payment dealers may not hold shoes bought on will-call or lay-away plan, or by special order, longer than 30 days after they become available for delivery. OPA has announced.

Control of Apple Sales
Sales by apple growers and shippers who package their apple in boxes with a net weight of not more than 26 pounds are not under price control if not more than five boxes are sold at one time to one buyer and if shipped by parcel post or express. However, when these packages are resold by wholesalers and retailers, they are under price control, OPA said.

Western Gas Aids Attack
Gasoline drawn largely from West Coast Rocky Mountain areas is powering land, sea, and air attacks on Bougainville and bombings of Rabaul, according to OWI on the basis of Army and Navy statements. Gasoline is saving wounded men by enabling them to be flown in transport planes to hospitals far behind the lines.

SUFFERS HEART ATTACK
Mr. Brickley of the Shiloh road is confined to the family home suffering from a heart attack on Monday morning.

'Round the Square

but think how mad we Americans are over this flower," said Dick. Down there, they are as common as hollyhocks, and other flowers in our town.

LARRY ROY, young son of Mr. and Mrs. J. J. Roy, and one of three sons, didn't know whether to be thankful or not on last Thursday, Thanksgiving Day. In the yard Wednesday afternoon with several other youngsters, Larry had the urge to play football, and everything was going along nicely until one of the boys tackled Larry, fracturing his left leg between the knee and ankle. He will be laid up for five more weeks, but the teacher has seen to it that he has his lessons, and so Larry will have to study at home.

There is every reason to believe that L. Z. Davis agrees with Sherman in what he called war. Davis, who is Plymouth's new-agent, handling many papers, has to deliver two complete routes—the boys quit. The help problem is getting more critical all the time and it keeps Mr. Davis in a good bit of hot water as to just how to cope with the situation.

At any rate—the papers must be delivered, even if L. Z. had to do it.

BOB SCHRECK is delighting a number of his friends with a new kind of a Chinese Pocket-book. The book, which is a little tricky to open—makes a quarter turn into a nickel—at least Ed Ramsey says so—but if we had anything to say, we'd state that Ramsey makes the nickels turn into quarters. But, anyhow, Bob's had a lot of fun!

HAVE YOU wondered why the recent editions of the Advertiser were printed on colored paper? If so, we'll just say that a shipment of newspaper became long past due. However, you'll agree they were pretty colors—but not so easy on the eyes! Let us hope we won't have to resort to making the old home town paper a bright sheet again!

HOW ARE YOU getting on that Shiloh-Plymouth game Friday night? It's going to be a tough and hard game, anyway you take it, but Plymouth might go in and save our "rep." Better come out and see this game, because there is going to be plenty of action!

EVER SINCE I read the menu for the supper at the Presbyterian church Friday night, I've been hungry. And if you happen to have an appetite, better go down Friday night and get filled up; see the details elsewhere in this issue.

AFTER YOU'VE finished reading the Advertiser today, go into the kitchen and get that waste fat ready for the market. Save your waste fat daily—it is one thing we need to give the boys the bullets to shoot the Japs for us!
