

Plymouth Schools Given High Rating By State Department

In spite of numerous handicaps in our local school system, Plymouth schools have been retained on the list of first grade schools by the State Department of Education. The news was received by Supt. E. L. Bailey the past week-end, following a visit the latter part of March by L. L. Louthan, high school supervisor, who inspected the local schools.

The report reveals "a superior record of service to the children and community and the administration of the school" is given a "plus" mark for many of its divisions, including organization, division of responsibility, program of studies, local supervision, etc. Under "instruction," the report is especially interesting and particular stress is made on the general interest in learning, reading and in social objectives. Under this heading the school, as a whole, received high ratings for pupil aptitude, use of teaching aids, organization of subject matter, and mastery of subject matter.

In commenting on our library facilities at the school, the report shows that a good situation exists, and that plans for further development are being made. The organization in this department is complete, but further attention to adequacy of the library are far below standards.

In regard to buildings and grounds, the local school received an "S minus" in general estimate. However, the recent addition to the high school building did receive much praise from the inspector, who placed his approval on the report by saying, "Recent addition very helpful."

Several recommendations were made and include those listed below:

1. Better artificial lighting system, especially in vocational rooms.
2. When circumstances permits, additional building.
3. A teacher's library.
4. A larger reading center.
5. The time of teachers in English and Social Studies.
6. Qualification of teachers who have temporary certificates.

While our school system has been under direct local criticism at various times, there are several factors that should be taken into consideration, and The Advertiser is taking the privilege of listing a few of them in behalf of our Board of Education, Superintendent and the teaching staff.

The first item we'd like to discuss is: "The type of teachers employed." Our school, referring to the Board of Education and Superintendent, has employed teachers which were believed to be the best they could get for the money offered them. There is a limit to salaries offered teachers by our

school, due mainly to a lack of funds. The shortage of funds will be tremendous within the coming year because of a lower revenue in sales tax money, which has been a great help in keeping the schools of the state operating.

Naturally, when we're competing with other school districts that have sufficient money to pay higher wages Plymouth cannot hope to get or retain veteran teachers every year. This year's personnel stands above the average and a better school spirit prevails.

Plymouth Village School District is the only district in this vicinity which does not have an operating library. Willard, New Haven, Shelby, Shiloh, and many others have additional money coming in which is derived from a special operating levy. It is something that Plymouth will face, sooner or later, if we are to maintain the kind of school system we want and must have in order to give the community the best possible in high school education.

Only through a conservative program which has been in effect by the board of education, have we come through so well. The board and all other officials and teachers are to be commended for the splendid cooperation shown in "getting by on the least possible."

We believe the citizens of the town realize the growing danger of an impaired school system, when the time comes, it is believed they will respond to a program which will insure for their children the best in educational facilities.—PWT.

WILLARD RESIDENT DIES

William Blake, 83, life-long resident of Willard, died at his home in that city Saturday night following a brief illness. He is survived by his widow and four sisters.

Funeral services were held on Friday afternoon at the Methodist church and burial made in the Steuben cemetery.

CIRCUS IS COMING TO TOWN—WATCH FOR IT!

No, it won't be Ringling Brothers Circus that arrives at the Mary Fate Park on Monday evening, April 26, but it will be a circus with wild animals, acrobats, clowns and many other feature attractions, for young and old.

So, come one, come all, to the Plymouth Cub Pack Circus, at the Mary Fate Park, Monday evening, April 26. The big parade will start promptly at 7:30.

Some of the performers, the performers themselves, and anyone else, who may care to come, are to bring their picnic supper, which will be served at 6:00 p. m. This will give everyone time to see the unusual parade on the side show, before the circus begins under the big top.

Further details concerning the feature attractions will be found in next week's paper, so watch for them, but in the meantime, remember to keep in mind, Monday, April 26, for the Plymouth Cub Pack Circus—the kind of circus you will never see again and never forget.

SHELBY PASTOR RESIGNS

Dr. A. B. Allison, pastor of the Shelby First Presbyterian church, has resigned, effective this Spring when he will retire from the ministry.

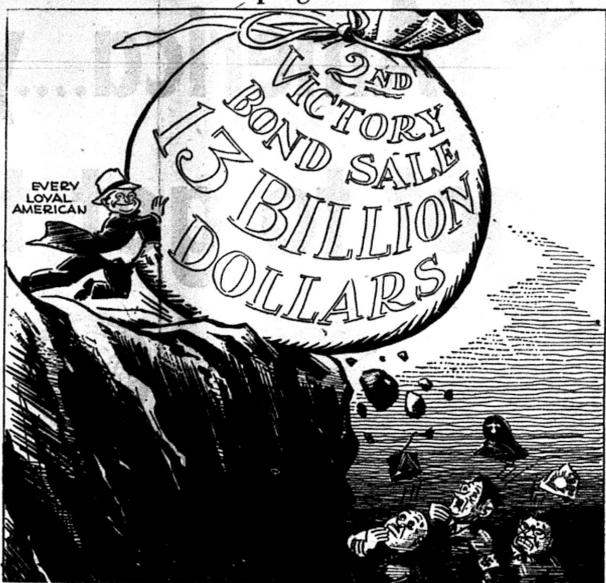

MILITARY RITES SET FOR SUNDAY

WILLARD — Military funeral services for Loren Allen Day, 30, a member of the crew of the Wasp, when it was torpedoed and sunk last September, will be conducted Sunday at 3 p. m., at the local Methodist church here with Rev. A. L. Baker, pastor of the church, and Rev. Paul W. Sharp, pastor of the United Brethren church, officiating.

Several navy men from Cleveland will act as pallbearers and a military ceremony will be presented by the American Legion. Day was the son of Mr. and Mrs. Vern Day. He died in a San Diego hospital Friday from pleurisy, resulting from swallowing oil when the Wasp went down.

Rev. H. L. Bethel was in Creston, Ohio, Monday, attending a conference of the Presbytery.

Are YOU Helping to Push It Over?

Has Ringside Seat At Farewell Appearance of Famous Visitor

GENE CORNELL TELLS OF A LUCKY BREAK WHILE VISITING IN HOLLYWOOD

One of the finest pieces of journalism we've read for a long time is in the form of a letter written to Mr. and Mrs. A. F. Cornell, by their son, Gene, who is stationed in California. Gene, with his chum, ventured into Hollywood on a sight-seeing expedition; he is treated to seats to hear the hall address by Madame Chiang-Kai-Shek—he is mistaken for a Hollywood actor no less than four times, and he tells of his experiences in a manner seldom expressed except by those of the profession. The fact that Gene never dreamed of his letter being published, made it so interesting and interesting that it is felt certain our readers will appreciate the description of the famous Chinese lady, his escapade in Hollywood and the humor with which it is told. The letter, in full, follows:

Dear Mom and Dad:

Yes, Doug and I have had a wonderful week-end and saw lots of things that I can't even begin to describe.

To start off with, Doug and I went to Los Angeles Saturday night and an elderly couple picked us up in a new Packard car. He was in the Spanish-American War and the last war, so he really enjoyed talking to us.

Anyway, they drove us all over L. A., past all the civic buildings, parks and down to Chinatown. We left there and went all around and went to the U. S. O. Stayed there a while and then started back to Ocean Park at Santa Monica. Some fellow, 43 years old picked us up and took us to S. M. to a bowling alley and we bowled a while and he had to meet a friend at 1:50 a. m., so he took us out to the park and we stayed there until about 4 p. m. He came back to camp and slept until noon. Got up, ate chow and started out again.

We thought we would go swimming but when we got out on the road to hitch-hike, we decided to go over and see what Hollywood looked like in the day time. We got to Hollywood, went to a drug store and had a Coca-Cola—they noticed all the people and cars going up a street so with nothing better to do, we followed the crowd. We were walking along when a police escort came tearing up the street so we went over to the curb to see who it was. The first car was full of Chinese people and in the second car I saw Madame Chiang Kai-shek. So then we thought she must be making a speech some place, so we snatched to attention with a sal-

utation to the Hollywood Bowl. There we saw her again in the car so we tried to get some tickets. Well, tickets couldn't be had for love nor money and we were pretty happy that we had seen her anyway. So we started back to the main part of Hollywood.

We were almost back downtown when a big car pulled over to the curb and a man and woman called us. We went over to the car and asked us if we wanted to see Madame Chiang Kai-shek. We replied that we certainly did and that we had tried to get tickets. They couldn't find a place to park (there was an awful mob) and it was time for the program to start. So she gave us two tickets. She said she thought they were pretty good seats and that her mother, Mrs. Cushing would be there and to tell her that Mrs. Hanley could not get in. Well, Doug and I just about ran all the way back. Here is the best part of the madam's ride in the SECONO row, about 15 or 20 feet from where the Madam gave her address. Mrs. Cushing and the rest of her family were there—by the way, you have ever heard of the Cushing? Worth a few million dollars. The rest I can't even begin to describe.

We were right in with all the rich people—"the upper 400"—on our left were all the movie stars which I'll list, behind them were three news reels, press, etc., on the right were the movie actors folk and behind us were about 25 or 30 thousand people. Back about 20 or 30 rows were the "bess hats"—generals, colonels, majors, and what have you. Well, to start off with, Spencer Tracy presented Henry Ford, who in turn presented Dr. M. Wassell, Commander of Medical Corps and a hero of Java. Then the Army, Navy, Marines, Air Corps and Coast Guard bands came out and were led by Rudy Vallee. They played a medley of the armed forces songs. Then came the arrival of the Madam in a car with the Mayor, Governor and a few generals and admirals. The car was about ten feet in front of us. Mary Pickford made a floral presentation with Joan Bennett, Ingrid Bergman, Marlene Dietrich, Irene Dunne, Deanna Durbin, Ray Francis, Judy Garland, Janet Gaynor, Rita Hayworth, Dorothy Lamour, Ida Lupino, Ginger Rogers, Rosalind Russell, Norma Shearer, Barbara Stanwick, Shirley Temple, Lana Turner and Lorea Young.

This all takes place within 15 feet in front of us! Then they played the National Anthem of China and the United States. So we being soldiers we snapped to attention with a sal-

(Continued on Page Four)

Around the Square

(By Phineas Whittlesed)

QUITE A SURPRISE to the family and friends when John Dicklew in from Albuquerque, N. M. last week-end for a short furlough with the home folks. John, a former FRH employee, is with the air corps, maintenance dept. Entering last June, it's not his first trip home... of course, he's added weight and looks exceptionally good... still carries that dry smile with him, but you can't tell what the motto is. Likes N. M. very much — weather's fine, and the Mexican serenitas finer, and as Ole Doc Helfer used to say—"It's a finer day."

ORDINARILY one loses weight when her "lover" is away, but there's a certain little fountain girl in town who is literally putting on pounds—it's not love, either, but since she's promised to be "true", she is eating regularly, sleeping ten hours, and not worrying. Well, the war is going to improve the nation's health in more than one way!

JOHNNY FACKLER, a "louie" in the anti-tank division, has been up in Vermont, but is now stationed in Virginia, where he is on maneuvers. Johnny was home for a furlough and stopped in to say, "hello." He got a little homesick on his way from Vermont to Virginia, when his group stopped in Baltimore for a brief spell. Right across the tracks he saw two Plymouth locomotives at work. And didn't he get out, go over, and caress them. Johnny said they looked awfully good to him, and believe me, I didn't want to part company with those babies. Fackler says when the war is over he is coming to Plymouth and sit and sit and sit—kinds like those boys down in Tennessee!

WITH THE 2nd War Loan going over in fine shape, Ed Ramsey was being thinking of going down to Washington to see if he couldn't get a most a first class admission tickets for a \$25.00 bond. It is believed he will get the transaction through.

WELL, YOU ALL know Henry (Happy Hank) Watts. He always shot a pretty good line around Plymouth, but word comes to me that he is also a first class shot in the Army. Out on the range he made a score of 176 out of a possible 200 points. He was shooting 200 yards with a 30 calibre gun. Out on the score of 80 he topped 83, firing 20 shots (slow fire) On the rapid fire try, Hank made 93 out of 100 points—20 shots rapid fire. He finished up second high man out of his company of 143. So, you see, Ole Henry is doing it in the Army as well as at home.

THE FACT that Plymouth has a very large number of machinists and apprentices within its bounds, we thought there might be some interest in the article on "Operating An Engine Lathe," which appears in the Spring edition of Science and Mechanics, and which is now on sale at shops and stands. I believe that the shop men will really appreciate this interesting story where he will get fully illustrated with drawings and photographs.

HARRY VANDERVOET, a World War vet, and who is in the personnel department of the Fate-Root-Health Co., left yesterday for the Veterans' Hospital, at Sunny Meadows, where he will get through check-up. He will be gone for about two weeks.

GEORGE ROGERS of the Plymouth Elevator is giving the farmers in this vicinity real service for everything they may need—at reasonable prices. Since opening the elevator, numerous requests have been made by customers that a full line of seeds be added. This was done, and has proved a benefit to the trade. Mr. Rogers states he is only selecting the best where he will get, and for this season he is offering two varieties of hybrid corn—Hooisecor, 422 and 405 at \$8.00 per bu., and Lantz Hybrid corn, 839 and W-38 at \$7.00. Soy bean seed will be available for those who wish them. At present the elevator is stocked with a complete line of

(Continued on Page 8)

Park Season Opens Within Two Weeks

Last Monday evening the Mary Fate Park trustees, consisting of Don Ford, Ott Kinsell, James Root, and a newly appointed member, Floyd Anderson, met in their regular monthly meeting. Mr. Anderson has shown a great deal of interest, and has done much work voluntarily in the park, and for this reason the mayor and council will appoint him as trustee at their next regular meeting.

Cliff Knight has accepted the appointment of Park Superintendent, and will start today, weather permitting, putting things in shape for the opening.

An effort is being made to obtain gravel for the drive, and several large dead limbs on the trees in the park must be removed. The Boy Scouts have volunteered to varnish the tables and benches, and unless something unforeseen develops the park should be ready for use within the next two weeks.

The citizens of Plymouth cannot be too grateful to Beryl Miller, the retiring member of the park board, for the hard work and time he contributed in helping to make the park what it is today. A park which any citizen of Plymouth can be justly proud of.

Scouts Collect Cans Saturday

ROUNDS OF STREETS TO COLLECT CANS WILL BE MADE THIS SATURDAY.

Plymouth residents are reminded today that the Spring collection of tin cans will be made Saturday when members of Troop One of the Boy Scouts will go along all streets to collect properly prepared tin cans and paper.

The cans must be placed in boxes, barrels and burlap sacks strong enough to permit handling. Only cans prepared in accordance with the War Production department instructions will be picked up. Those instructions are: After emptying contents, wash thoroughly, remove paper labels; cut off bottom as well as top and tuck in tops and bottom; flatten cans by stepping on sides of them, leaving enough space between flattened sides to see through them. Papers should be properly tied.

The troop hopes to realize approximately \$50 in this manner or enough to purchase two \$25.00 War Bonds. The troop has 84 boys now in the service and by purchasing a \$50.00 bond will enable the government to equip these boys with a mess kit each. The 24 names of these boys in service are now posted on the scout bulletin board.

Town and Farm in Wartime

THE 2nd WAR LOAN DRIVE IS ON!

America...you've got to get tougher!

RATION REMINDER
GASOLINE—“A” book coupons No. 5 good for four gallons each from March 22 to May 21 outside the Eastern gasoline shortage area. Good for three gallons each and must last from March 22 to July inclusive in the East shortage area.
SUGAR—Coupon No. 12 good for 5 lbs. Must last through May 31.
COFFEE—Stamp No. 26 (1 lb.) expires April 25.
FUEL OIL—Period 5 coupons now valid in all zones. Period 4 coupons expire April 12 in zone B; April 17 in zone A; expired April 6 in zones C and D.
SHOES—No. 17 stamp in war ration book one good for one pair through June 15.
POUD—Red C stamps, valid April 11, good for 16 points worth of meat, cheese and butter. Blue stamps D, E, and F good from March 25 through April 30, for 48 points.

“THEY GIVE THEIR LIVES—YOU LEND YOUR MONEY”

The Second War Loan Drive—which began April 12—must raise the astounding sum of thirteen billion dollars to support American armies that are now attacking the enemy. An offensive army requires ammunition and materials that cost staggering sums of money. For example—one night raid of 1,000 bombers over the Rhineland takes \$375,000 worth of gasoline. A million dollars worth of bombs may be dropped in that raid, and 10 or 11 million dollars worth of planes may be destroyed.

In the future, America's armies will undertake still greater attacks, and these in turn will require still more money. The 13 billion dollars must be raised in addition to the regular purchases of war bonds and stamps that our people are making now. Slogan for the Second War Loan Drive is “They give their lives—You lend your money”.

RATION BOOKS FOR SERVICE MEN

Service men who eat 10 or more meals per week away from the army post are entitled to Ration Book Two.

ARMY HAS VICTORY GARDENS

Some army camps have already started their Victory Gardens and many more will soon be seen at camps where suitable soil is handy to living quarters. They'll produce whatever the men prefer, or whatever crop seems best suited to the location. Army gardens are nothing new, but now they are to be on a larger scale. However, they will not interfere with training. The men who conduct them may do so only as voluntary off-time recreational activity. Food produced will be for the consumption of military personnel only and not for sale.

FARMERS GET POINTS FOR MEAT

When a farmer sells a slaughtered calf direct to a retail meat market, the market operator must surrender the right number of points to the farmer, says OPA. The farmer must then turn the stamps over to the ration board.

RETURN UNUSED GAS COUPONS

Unused gas coupons and books which are no longer valid are the property of the Government and must be turned in within five days after the close of the period of validity. Holders of unused first quarter “T” gasoline coupons, which have not expired, are asked to turn them in immediately to their local rationing boards.

MEN BACK TO FARMING

Local Selective Service Boards have been told to return men with experience in dairy farms. The program includes—1. Persuading 4F men between 18 and 45 with experience to return to dairy farms if they are not in an essential activity.
 2. Getting men over 45, not engaged in essential activity, to go back to dairy farming.
 3. Giving men 18 to 45 thirty days to get into agriculture or another essential activity, otherwise they will be classified as available for military service.

FROZEN VEGETABLES FOR ALL

There will be plenty of frozen vegetables in 1943 for the armed forces without cutting the supply

A MERICA—Let's be frank about it... so far, many of us back home have been fighting this war from an easy chair. Many of us have bought War Bonds out of extra cash, out of money we didn't miss too much. We haven't been really tough with ourselves.

But this war is a hard, down-to-reality war. And many of our boys are dying in it.

We've got to buy MORE

So your government asks you to buy Bonds and more Bonds—to get really tough with yourself. We're asking you to give up the frills and “extras.”

We know how human it is not to make sacrifices until the crisis drives us to it. In England they felt the same way until the bombs started falling.

Bombs are such persuasive things. But just as persuasive ought to be the spirit of our brothers, sons, husbands.

If you could see

Look at it this way—suppose you had a magic carpet that could take you to Africa and New Guinea. Suppose you could hear the groan of American boys wounded, and American boys dying. . . . Say now, how many Bonds would you buy?

That kind of war

THEY . . . are dying. And they will keep on dying until we drown the enemy in an over-

whelming torrent of bombs, bullets, guns, tanks, planes, ships, and shells.

That's why we're asking you, in this one month of April alone, to lend Uncle Sam 13 billions of dollars—by buying War Bonds. 13 billions of extra dollars—over and above any buying that you'd be doing anyway!

A lot of money

Of course, 13 billion dollars is a lot of money. It'll take sweat and tears to raise it. It'll mean going *without* now. But also—it will mean savings now—to buy later. It'll mean giving up *everything* you can't square with your conscience, so that we, us, our children, can have a better, more decent place to live in when this war is won.

The drive is on

So during this month of April, if someone calls on you to ask you to buy War Bonds in this 2ND WAR LOAN DRIVE, will you buy to the limit—and then buy more?

Better yet, will you go to your Bank, Post-office, or wherever you're used to buying your Bonds—and buy NOW? Will you lend extra money this month? Money that can hasten the day of Victory? Money that can help to save American lives.

Money buys money

Remember, what you're really buying with your money is still more money. For after all, these Bonds are *money!* Money plus!

Every dollar you put into War Bonds will bring you a dollar plus interest.

So the more Bonds you buy the better for you. Americans—Get Tough—with yourselves—for your country.

There are 7 different types of U. S. Government Securities—Choose the ones best suited for you:

United States War Savings Bonds—Series E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2½% Treasury Bonds of 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943; due June 15, 1969. Denominations: \$500, \$1000, \$5000, \$10,000, \$100,000 and \$1,000,000. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Price: par and accrued interest.

Other Securities: Series “C” Tax Notes; ½% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series “F”; United States Savings Bonds Series “G.”

THEY GIVE THEIR LIVES...YOU LEND YOUR MONEY!

The Ford Repair Shop
 Miller Furniture Store
 The Plymouth Grain Elevator
 Plymouth Oil Co.
 Brown & Miller Hdw.

UNITED STATES TREASURY WAR FINANCE COMMITTEE—WAR SAVINGS STAFF—VICTORY FUND COMMITTEE

available for civilian use, the War Department has announced. The pack of quick-frozen vegetables this year will be between 240,000 and 260,000 tons, according to present U. S. Department of Agriculture estimates as compared with a pack of 162,000,000 last year. The supply for civilian consumption will be equal to or more than that available last year.

SEED POTATOES

Retailers are now permitted to sell seed potatoes in any quantity for planting purposes only. The former requirement that they be sold only in lots of fifty pounds, or more, has been removed by OPA.

IMPORT JAMAICAN WORKERS

Ten thousand agricultural workers will be imported from Jamaica to relieve the farm labor shortage in critical areas in the U. S. through an agreement between the two governments. The Jamaican worker will not displace U. S. farm laborers nor reduce

established wage rates. Health authorities will check the physical fitness and when workers' contracts expire, the laborers will be returned to Jamaica. Similar agreements have been made with Mexico and the Bahama Islands.

FEWER POINTS LESS MONEY

Butchers no longer reduce point values of rationed meats and fats without at the same time lowering money prices, according to OPA. If the retailer lowers the point value, he must lower the price at least 25 per cent below ceiling. If he lowers the point value more than 25 per cent, the selling price must be reduced below ceiling in proportion, but in no case more than 50 per cent.

RUBBER TIRES FOR TRACTORS

A plan to assist farmers in their wartime food production will provide rubber tires and tubes for converting approximately 20,000 tractors and implements, originally equipped with steel

wheels, which have been brought about since May 1, 1942. Local OPA War Price and Rationing Boards will authorize conversions after certification of farmers' applications by U. S. Department of Agriculture county war boards. Reasons for certification are—1. Necessity of moving implement over the road from farm to farm. 2. Soil or topography such that tractor is seriously handicapped by not having rubber tires.

FOOD FOR DEMONSTRATIONS

Schools using foods for educational purposes, and other local demonstration groups, may get allotments of rationed foods by applying to their local rationing board, the OPA has announced. Many of these groups are conducting projects directly related to the Government's food conservation program.

FEWER TRUCKS

The number of heavy trucks that may be manufactured for civilian use has been cut from

3,550 to 3,017 by amendment of Limitation Order L-1-H.

RESERVE PEAS AND BEANS

Fifty-five per cent of dry edible beans and 90 per cent of dry peas and split-peas are to be reserved for military needs, and the use of our Allies. The average civilian will have about eight pounds of dry beans or 90 per cent of his usual supply and nearly 1 pound of dry peas, or about 75 per cent. For dry beans, this is about one pound more per capita than was expected for this year at the time beans were added to the list of rationed foods.

MORE CANNED FISH THIS YEAR

The amount of canned fish available to civilians from the 1943 pack should be somewhat larger than from last year's pack, according to the U. S. Department of Agriculture. Due to a smaller carryover of canned fish in 1942, however, the per capita supply for this year may be about three-

fourths of the 1942 civilian consumption.

NEW PRICES FOR SOYBEANS

New tires and tubes which have imperfections are now sold under separate maximum wholesale and retail prices set by OPA. The new prices are based on discounts of 20% from the maximum price for perfect truck tires and tubes, and 25% for other types.

WOMEN ON RAILROADS

Women employed on Class 1 railroads increased almost 60 per cent from September 15, 1942, to January 15, 1943. A survey by the Interstate Commerce Commission shows that in September 29,590 women were employed in 40 types of jobs on the nation's railroads. By January, the number had risen to 53,187 and the types of jobs to 74. State labor regulations do not prevent the employment of women in transportation industries.

EASTER OF FIFTY-EIGHT YEARS AGO IS RECALLED BY MRS. ISAAC DEWITT

Easter falls on the 25th of April this year, the latest date in fifty eight years, and the latest it will occur for the next ninety-five years.

Easter stands out as the most important event in the Christian calendar, giving forth promise of New Life. Nature begins to put on her new dress and the first Spring flower is eagerly sought and looked forward to.

For the first time in all of her five years, she was completely "dolled up" from head to foot to glitter with a blue silk parasol to carry. Her Easter bonnet was of white straw, trimmed with pink flowers and blue ribbons and her Easter dress was a light blue.

Guests entertained Sunday in the home of Mr. and Mrs. Park Mosier, were L. C. Mosier and wife of Ft. Knox, Ky., and Mr. and Mrs. R. Mosier of Cleveland.

Monday guests of Mr. and Mrs. J. W. Hough were Mrs. Bob Lindsey and son of Willard. Mr. and Mrs. D. G. Almdendinger of Marion were Sunday visitors of Mr. and Mrs. J. W. Hough.

Major Davis is the nephew of Mr. and Mrs. Chas. Davis of Plymouth and is well known here, having visited here many times, and was a baseball player of some reputation in New London team several years ago.

Miss Marian Ruth Nimmons Becomes Bride of Sgt. Earl Cashman Tuesday Afternoon

A beautiful home wedding uniting two prominent members of Plymouth's younger social set took place Tuesday afternoon at 2:30 o'clock in the home of Mr. and Mrs. J. E. Nimmons, when their only daughter, Marian Ruth, became the bride of Sgt. Earl Cashman.

The double ring ceremony was performed by the Rev. Dr. E. Young, pastor of the Shelby Lutheran church, in the presence of a small circle of relatives and friends.

The Tri-Delta Sorority colors, silver, gold and blue, were carried out, both in the home decorations and the gowns of the bridal party. The southeast corner of the living room was converted into a veritable Spring garden with golden forsythia, blue sweet peas and roses arranged against a background of palms, while two beauty baskets of white and yellow snapdragons and yellow carnations were placed in front. Candles stood on the mantelpiece and buffet and during the ceremony the only illumination was that of the tapers. Two of the large cathedral candles on the mantel had been used at the bride's mother's wedding.

Miss Nimmons had chosen a Bride's Blue, floor length gown with matching Juliette cap of flower petals and shoulder length veil, and carried a point lace handkerchief, an heirloom that had been in the Finfrock family for years. A gold bracelet, the gift from the groom, was her only ornament and she wore a shoulder corsage of yellow rosebuds.

Miss Helen Cashman, sister of the groom, was bride's maid and her frock was floor length jonquill yellow, with matching Juliette cap. A lavalier, gift from the bride, golden slippers and a corsage of pink lilies tied with gold ribbons completed her costume.

Sgt. Cashman was attended by Sgt. Robert Baker of Shelby, who is also stationed at Yuma, Ariz., and returned home with Sgt. Cashman for the wedding. The gift from the groom was an attractive billfold.

Mrs. J. E. Nimmons attended her daughter's wedding in a gray street dress with royal purple and fuchsia accessories. Mrs. Cashman was attired in a navy blue frock and both wore corsages of red roses. Mrs. I. E. Finfrock, grandmother of the bride, and Mrs. Jennie Kirkendall of Shelby, grand-

mother of the groom, were also remembered with red corsages.

Immediately following the ceremony, an informal reception was held and guests were invited to the dining room where the bride cut her wedding cake.

This was a beautifully decorated, tiered cake topped with a miniature soldier and bride. The cake knife and wedding ribbons saved from the fiftieth wedding anniversary of the bride's maternal grandparents, Mr. and Mrs. L. E. Finfrock. Presiding at the punch table was Miss Phyllis Fikler, sorority sister of Mrs. Cashman and the guests were served by Misses Mary Jane Cashman and Janice Ramsey, who were dressed in blue and rose, respectively.

Both Sgt. and Mrs. Cashman are graduates of Plymouth High school of 1939. Mrs. Cashman is a member of the senior class of Mt. Union College, and will complete her course in June. She is a member of the Delta, Delta, Delta Sorority, Dip and Strike Geology Honorary fraternity and is majoring in English.

Sgt. Cashman is the son of Mr. and Mrs. Samuel H. Cashman of Shelby Route, and prior to his induction into the armed forces, was a member of the Peoples National Bank. He is now located with the 448th (AA) Battalion at Yuma, Arizona, and will return there at the expiration of his leave. The young couple are now on a short wedding trip to Cleveland.

Out-of-town guests at the wedding included Dr. and Mrs. D. B. Young, Mr. and Mrs. S. H. Cashman, daughters, the Misses Helen and Mary Jane, Mrs. Jennie Kirkendall, Mrs. Mabel Bricker and Sgt. and Mrs. Robert Baker of Shelby; Sgt. Richard Artz of New Jersey, home on furlough, Miss Hazel Hillborn of Tiro, Miss Phyllis Fikler of Medina, Wm. Trauger of Mansfield, and Fred Nimmons of Norwalk.

LUTHERAN LADIES AID MEET

The Spring atmosphere prevailed in the home of Mrs. J. A. Root Tuesday, when 25 members of the Ladies' Aid met and enjoyed the beautiful bouquets of Spring flowers throughout the home, even though the weather man sent a surprising snow storm.

A lovely covered dish dinner was enjoyed at the noon hour which was followed by the business meeting, presided over by Miss Donna Russell. Mrs. Jack Port led the devotions. Reports were also given by different committees. The associate hostesses were Miss Dana Stine, Mrs. Voisard and Mrs. Myers.

The May meeting will be held at the home of Mrs. Lizzie Trauger with Mrs. Lena Derringer and Mrs. Christ Sheely as assistants.

TOURIST CLUB ELECTS OFFICERS

The Tourist Club met on Monday evening with Mrs. K. F. Webber. A delicious dinner was served to ten members.

Miss Virginia Fenner was the leader and chosen for study. The British Commonwealth of Nations, a very timely and instructive article from the National Geographic magazine.

Officers chosen for next year were: Mrs. S. B. Bachrach, president; Mrs. K. F. Webber, vice president and Mrs. P. H. Root, secretary and treasurer.

The club will close its activities for the year with a covered dish dinner at the home of Mrs. H. A. Knight on May 10.

SOCIAL CIRCLE ENTERTAINED

Mrs. E. L. Major and Mrs. P. H. Root delightfully entertained on Thursday at the latter's home, members of the Stella Social Circle, at the April meeting. The attendance was splendid and following the business meeting the group agreed to take for their project this year the purchase of some candelabra for the Stars. A social hour followed the business session. Miss Ethel Major was a guest of the club.

Very delicious refreshments were served at the conclusion of the afternoon.

Mrs. C. A. Robinson will entertain the group in May.

AT SHELBY MEETING

Mesdames Carroll A. Robinson, E. W. Phillips, Mabel McFadden, Jud Keller, Clifford Stevens, C. Cramer, Keith Gooding, Misses Florence Danner, Zanette and Betty Briggs, attended the meeting of the D. of U. Vs at Shelby on Thursday evening. After the business meeting the evening was spent socially and a poke lunch was served.

BIRTHDAYS REMEMBERED

Mr. and Mrs. Roy Stauffer and family of Shelby and Mrs. and Mrs. Willard Wirth and sons, were Saturday evening guests of their mother, Mrs. Mabel Wirth, at her home on West Broadway, to honor her birthday anniversary. She was remembered with several nice gifts and cards.

Mrs. Mary Fleck, who makes her home with Mrs. Wirth, was also the recipient of gifts from friends as her natal day was on Sunday.

VISIT FAMILY

PFC Eugene Johnston, who is stationed at Niagara Falls, N. Y., made his parents, Mr. and Mrs. J. C. Johnston, a surprise visit Sunday, arriving home only for the day.

Other members of the family gathered to welcome him home and included Mr. and Mrs. Victor Weaver and sons of New London, Mr. and Mrs. Standley Johnson and family of Greenwich, Mr. and Mrs. Clarence Vogel and family of Plymouth, Mrs. Flossie Miller and son Junior, of New Washington, and Mrs. Eugene Johnston.

AT SHELBY AFFAIR

Mr. and Mrs. John Andrews were among those present Tuesday evening at the Inductees party given at Shelby. Mr. Andrews expects to leave Tuesday of next week to enter the service.

MANY BONDS ARE SOLD

According to estimates furnished by The Peoples National Bank more than \$9,000 have been sold to customers in the first three days of the Second War Loan drive. The total for the first of the week amounts to approximately \$60,000, as the Peoples Bank purchased \$50,000 in bonds of this issue.

There has been no active organization in Plymouth for the Second War Bond drive, but those who desire to know more about the bonds as an investment, may inquire of J. E. Nimmons at the local bank, James Root, at the Fate-Root-Health Co., or P. W. Thomas at the Advertiser. They will be glad to give you any information desired in regard to bonds available at this time.

Owner Share-Ride Car Is Held Liable

An Ohio Supreme Court ruling has made automobile owners participating in share-the-ride agreements liable for injuries to passengers in case of accident.

Owners are liable because they accept payment from fellow workers, the tribunal held, commenting it "is just as important to the war effort to provide security for the worker as it is to conserve the tires of the vehicle in which he is transported."

The decision reversed a Cuyahoga county declaratory judgment holding share-the-ride agreements came under Ohio's automobile guest law which relieves owners of liability except in cases of "wanton misconduct" in driving.

HOSPITAL INSURANCE NOTICE

Under the Blue Cross hospital insurance plan (Akron Hospital service) maternity benefits are not available unless both husband and wife have been enrolled as members for at least 12 months.

CHANGE IN MEETING DATE

The April meeting of the Non-Parrel Class of the Methodist church has been changed and will be held on Monday, the 28th, instead of the 19th, as announced. This change was due to the Holy Week meetings held each evening. Mrs. Phillip Moore will be the hostess, and her assistant is Mrs. James Derr.

NOTICE
The Schneider Lumber Co. will CLOSE every Thursday afternoon until further notice.
F. A. SCHNEIDER, Prop.
15-22-28c

INFANT DIES

Mary Fenner, 17-day-old infant daughter of Mr. and Mrs. Mike Fenner, died at the Shelby hospital Wednesday evening, April 7, at 10:15 o'clock. The child is survived by her parents, three sisters, Sallie, Rose and Josephine, and one brother, Anthony.

Funeral services were held at the home Saturday morning at 10 o'clock with Father Clement Geppert, officiating, and arrangements in charge of the Miller-McQuate company. Burial took place in Greenlawn cemetery.

SILHOUETTES

Church Celebrating 125th Anniversary

The celebration of the 125th anniversary of the First Methodist church, located at Corner River and Prospect streets, Willoughby, is now in progress.

The program commenced Sunday, March 28, and will continue each Sunday through the month of April, closing with a duplicate service at 9:30 and 10:45 on Easter Sunday. Holy communion and candle light services will be held Thursday evening, April 22, at 8 o'clock, and the Good Friday service will be from 1:00 to 3:00 p. m.

Prominent bishops and superintendents from Cleveland, Chilli-cott and Mansfield districts, and former pastors, are the speakers. The present pastor and his wife, Dr. and Mrs. Clyde P. Barnes, have many relatives and friends interested in their welfare, and that of their church. A short history of its growth follows:

The first church was organized in 1818 and the members met in the log homes of the members. The first church was built in 1834. The pews were made of hewn logs, and the first pulpit, built in 1834, was a box structure which was remodeled in 1860, and thirteen years later, in 1873, the frame structure was sold to the Willoughby by Christian church.

The new brick church, which was dedicated in 1875, cost \$18,000. It was one of the first churches in that section to have a pipe organ, gas lights, a Sunday school, and a ladies' society. The present church building cost \$60,000, was dedicated in 1906 and was a gift from Mrs. Julia Boyce. The present parsonage, built in 1907, cost \$14,000, and is an endowment fund, a memorial organ, a memorial baptismal font, and a number of modern improvements.

ABOUT OUR SOLDIER BOYS

Howard Sloan is enjoying a 10-day furlough from Ft. Monmouth, New Jersey.

John Wayne Reynolds, F 1/2 of the U. S. S. Calvert, surprised his mother Saturday morning when he came directly home for a few days' visit.

Evs. Robert E. Dawson, who has been stationed at Camp Christ, Texas, is at home for several days, and will report at Peru, Indiana, where he will be an instructor for several months. Robert received his furlough on March 30.

William F. Kopina of the U. S. S. Harry Lee, and one of the three Kopina boys in service for Uncle Sam, is at home for several days on furlough.

Mr. and Mrs. John Caldwell of the County Line Road, received a message on Monday from their son, Clyde, at the Army Air Base, Venice, Fla., that he would arrive home this week.

James Ruckman, piloting a 4-motored plane, had the pleasure of a visit with M. C. Guthrie at Trinidad, recently.

Sgt. Robert Moser didn't suppose he would have any birthday celebration as long as he was in service, but his wife surprised him one evening last week when he returned to eat the cake and all the trimmings and a few of their friends present to make the party complete. That happened in Paris, Texas.

Change of address: PFC Kirby M. Nesbitt, 206 M P Co., APO 308, Care Post Master, New York, N. Y.

Corrected address: Joe Wichita, P. O. Box 100, Co. C, U. S. A. T. T. C., Naval Training School Co., 87th and Anthony Sts., Chicago, Ill.

CONCERT SATURDAY NIGHT

The Shiloh high school choir announces a concert for Saturday evening, April 17, at 8 o'clock in the school auditorium. Everyone is invited. Admission 25c adults, children, 15c.

NOT MISSING ADULTS

The mumps have been eliminated from the school, and among the adults, too, for several weeks. Lester Seaman is just recovering, and Bob Hamman is missing high school on account of the "pesky thing."

OPERATES ON INJURED ARM

Relatives here have received word that Paul Heifner, who had a serious operation on his

arm at Mercy Hospital, in Pittsburgh, Saturday.

Paul, injured his arm last fall and has been unable to use it, and there was no feeling in his fingers.

Young Heifner went to the home of his aunt a few weeks ago for the purpose of an operation. Electrical treatment will be given his hand as soon as his arm heals.

ATTEND OPERA

Misses Ava Pettit, Edith West Virginia Richards, Ruth Smith and Beulah Dawson were in Cleveland attending the opera, Aida, on Friday evening. Most of the ladies remained during the week-end.

A NEW DAUGHTER

Mr. Art Weaver and daughter, Lonna Sue, was brought to their home Friday morning from the Shelby hospital. The new girl was born March 30.

CHANGE OF FARM AND PROPERTY OWNERSHIP

Norris Gilger sold his 80 acres off the north side of his farm to the Peerless Lumber Co. of Sandusky. This company is now using all the timber, which includes a sugar camp.

H. B. Paine has purchased 55 acres of the Peerless Lumber Co. which he has added to his farm.

Mr. and Mrs. Foster Campbell of Massillon have purchased the property of the late Mrs. Ella McBride, which is located on W. Main street.

Mr. Eugenia Dawson has purchased the property of the late Mrs. Carrie Griner on South Walnut street.

VISITS PARENTS

Prof. Ralph Barnes of Williston, L. I. visited his parents, Mr. and Mrs. A. A. Barnes, Saturday night and Sunday. Mr. Barnes was enroute from a business trip to Dayton to the Sperry Company office at Brooklyn, N. Y. A. J. Willet joined his nephew for dinner on Sunday.

AMBULANCE TRIPS

Mrs. Frank Guthrie was taken to the Shelby hospital on Sunday afternoon in the McQuate ambulance.

Mrs. George Swanger was removed in the ambulance from her home northeast of town to the Shelby hospital on Tuesday.

BIRTH OF DAUGHTER

Born, Monday evening, April 12, to the Shelby hospital, a daughter to Mr. and Mrs. Raymond Richards. Mrs. Richards will be remembered as Doris Hamman.

SERIOUSLY ILL

BEN SMITH TELLS OF LIFE IN AFRICA

Letters from home are still the most important event in the life of our soldier boys in distant lands. In fact, according to Ben Smith, the boys in his group actually live for them. It is a great occasion when the mail comes in, sometimes in huge quantities. Ben, writing to his folks from somewhere in Africa, stated that he received in one mail a Reader's Digest, an Advertiser and 25 letters, including several cards. Words can't express how happy he was to receive them and for that matter, so were the other boys.

At the time of writing Ben was sitting in his tent, which he shares with three other boys. The word tent isn't exactly the proper word he says, it is more of a hut—dug several feet deep in the ground, which is enclosed with plywood several feet high on three sides. Across the tops are stretched their pup tents. All in all, it affords fairly good protection from the weather. The weather has taken a change for the better. During the daytime it was quite warm, but the nights are extremely chilly, sometimes downright cold.

Believe it or not, a bath rats proper recognition, not only in Ben's letter, but also in the daily column of Ernie Pyle, roving reporter, who stated he had had his first bath in several months and couldn't take it, coming down with a seven-day cold.

Ben's description of a bath goes like this: "I finally got that bath and it was something I'll long remember. Several other fellows and I hitch-hiked to this particular town and while waiting for the place to open, I had a shave and a haircut—fourteen francs. Upon returning to the bath house I found that most of the British and U. S. Army were there. However, I finally found a place to lay my clothes (the exact spot in which I was standing) and clamped my way into the adjoining room.

Here it was warm and damp with only a few occupants. As I could see nothing but bare walls, I was wondering what to do when I discovered another door. Upon opening and entering my first thought was that I should faint. The steam and the heat were intense. Finally, with difficulty, I located an ancient wooden bucket and a place to fill it with steaming water. In another corner—cool water with which to add to the hot. Even then I had trouble washing because with so many persons present, it was impossible to bend over. But with the aid of a friend I went about my business. Some minutes later with a feeling of weakness I bade farewell and struggled to the dressing room. Perhaps some day I'll return—I'll probably have to.

Bob Hunter, another local boy in Africa, sent a card to Ben, who had reason to believe he was in the same locality, but was disappointed in not being able to hunt him up. As yet he hasn't seen Richard Major either, but is still looking, although he has run into several boys from Shelby.

One of the picturesque memories Ben will retain in later years is the Arab village carved out of rock from the side of the mountain when he was driving a captain and other officers to a villa.

The scenery was beautiful and he saw things he never before knew existed.

He has received his Christmas gift from the community and he really appreciated this and thinks it was mighty swell of Plymouth to remember the boys.

The rate of exchange has changed with the price of francs increasing with fifty instead of 70 equivalent to the dollar, although there are very few ways of spending their money outside of purchasing a few trinkets to remember the home folks.

The boys have some good times in between times and have a large tent on the post used as a day room. Every night it is crowded with fellows listening to the radio, reading and writing and playing cards. Several good programs from the States are tuned in with great enjoyment. But the boys are not quite as gullible as the Germans would like to have them. One program from Germany comes in quite frequently. The broadcast is especially for the boys overseas and the idea behind it is to make them homesick and to spread numerous lies. Famous old American songs are played and of course everything is spoken and sung in perfect English. Ben says "Quite a thing! The boys really receive some good laughs."

That the soldiers are well fed is quite apparent. For breakfast, fried eggs and sausage—very delicious, in fact Ben ate five of the ones and that morning their Sergeant bought a pig, so pig would be on the menu soon.

He closes all his letters with best wishes to the folks back home and his appreciation of the many kindnesses he has received.

Richard Moore Safe

Two letters in six months just aren't enough to keep the home folks from worrying, so Mr. and Mrs. C. C. Moore asked the Red Cross to assist them in locating their son, PFC Clinton R. Moore. "Rich" is in the Marines and according to the Red Cross, he is shifted so frequently that mail coming or going fails to make connections, but they did find out that he is safe and well.

The first letter since he has been in the South Pacific came last October and then no more until February 8th. However, the word that he was safe came the first of the week and that was a great comfort. His latest address is listed under the address column.

BOB NIMMONS NOT IMPRESSED WITH NATIVES OF IRAN.

Fred Nimmons of Norwalk, who is in Plymouth this week, received a V-Mail letter from his son, Bob, Monday morning from "Somewhere in Iran." Written on March 14, Bob had received no mail since reaching his destination.

He states "the natives here are dirty as dirt, but friendly, if you can get that close to them. I'll take mine as far away as I can. They live in little straw huts. God only knows how they keep warm at night. The land reminds me a

lot of West Texas. We are living in tents for the first time since I have been in the army and they aren't bad at all. The food, too, is good.

From what we've seen of the British subjects so far, Ruth need not worry about me bringing home a Cohen or Kelley. Give me any of the 48 right now.

I will write whenever I can, and please tell my friends to do the same. I am in good health and although we are well taken care of here, I think there are better things in store for us."

Love to all,
BOB.

Addresses of Local Boys in the Various Services

PFC Clinton R. Moore, 352440 Co. G, 2nd Battalion, 1st Marine, Care Postmaster, San Francisco, Calif.

(Change of Address)
PFC Eugene L. D. Johnston, AAFTC, Class 30, Camp Bell, Niagara Falls, N. Y.

Pvt. Willard C. Ross, Jr., Co. D, 126 Tng Bn, 1st Reg. TDRTC, Camp Hood, Texas

(Change of Address)
Pvt. Clarence E. Rhine, 50th Sta. Hqs., APO 3784 Care P. M., New York, N. Y.

PFC James E. Barber, Care U S Army Motor Machine School, 4431 Finney Ave., St. Louis, Mo.

ASSIGNED TO CAMP

Pvt. Edwin H. Griffith, R. D. 1, Shelby, has been sent to Fort L. B. Wood, Mo., to take his basic training for the armed forces. He formerly operated the Sohio Filling Station on Sandusky street, Plymouth, and is the son of Mr. and Mrs. Harry Griffith of the Bucyrus Road.

James J. Predieri of Plymouth, has been sent to Camp Joseph Robinson, Ark.

ADDRESS CHANGED

Lieut. Col. and Mrs. Cornelius V. Whitney are making their home for the present at 101 E. Melrose St., Chevy Chase, Maryland. The Colonel is home on leave from the African war front and during his stay in the States, they will make their home at the above address. Mrs. Whitney is the former Eleanor Searle of Plymouth.

RETURNS TO DUTY

Pvt. John Dick will return on Friday to Albuquerque, New Mexico, after a 10-day visit with his parents, Mr. and Mrs. Harry Dick.

MOVING TODAY

Mrs. Natelle Motley is moving today from Sandusky street to her home on Dix street. Mrs. Motley recently sold her home on Sandusky street to Mr. and Mrs. A. F. Donnenwirth.

BOY SCOUT NEWS

Kenneth Eichelberry was elected troop scribe and Elden Burkett, troop bugler, at the regular meeting Tuesday night. The Pine Tree patrol leads in

the inter-patrol contest by a margin of 45 points. The Elk Patrol will meet tonight at the home of Russell Baker, patrol leader. Pine Tree patrol met last evening at the home of Elden Sour-

wine, patrol leader.

The Sea Scout Patrol meets tomorrow night in the troop rooms at 7:30 p. m. Robert Hale has completed second class and Elden Sourwine, first class.

AMBULANCE TRIP

Mr. William Lawrence was removed Saturday afternoon in the Miller-McQuate ambulance from the Shelby Memorial hospital to her home on West Broadway.

HEAR FROM SON

Mr. and Mrs. Bradley Roberts received a letter from their son, Theodore, who is in the U. S. Navy, somewhere on the Pacific, Thursday, April 8. The last letter received was in September. He wrote he was on another ship and that he was transferred to this ship, was in the hospital, and had received no mail from home since last November.

CHANGE OF RESIDENCE

Mr. and Mrs. Harry Briggs, Sr. and family expect to move soon from their home on the west edge of town to the Sourwine Hotel.

AROUND THE SQUARE

(Continued from Page One)—farm and garden fertilizer and feeds for every purpose. John Ganzhorn is manager.

ED RAMSEY states he has signed up for Columbia Pictures which will bring Rita Hayworth to our fair town—but only in pictures! Rita's first appearance here will be in "You Were Never Lovelier." Ramsey's doing a good job of bringing the best of Plymouth—nothing more need be said! !

KIDS WILL BE KIDS, but that's no reason why they should enter the Holtz property on North street, smash windows, pour paint on hardwood floors, pour toilet facilities and do other malicious damage to the extent of several dollars. This all happened during the past winter, and a deed which should be regretted by those who perpetrated it.

AND, TOO, THE depredations continue, not only on private property, but by thoughtless boys who enter the local schools, break windows and do considerable damage. Once in a while isn't so bad, but when it comes to being a common practice, then it's time for the village officials to step in. The taxpayers should be recognized as the parties furnishing the money for "higher" education, and they are given, by law, protection from vandals and thieves. Therefore, we suggest to the mayor and police department, that with the next incident of this nature, even to the breaking of a pane of glass, that the county authorities be notified, and some effort made to curb this spurge of destruction by the dumb clucks who don't want to learn. With modern methods of detection, it is not necessary to SEE the boys, but with the use of finger-printing devices, the intruder can easily be traced. And to insure a perfect net of detection, we suggest that every school child be fingerprinted.

UNTIL I HEARD of the property destruction and the entering of the school, I was a little in sympathy with the youngsters in having some place to go, and something to do. But now, I am con-

vinced that I should not feel sorry for them, for their parents. Any youngster who deliberately breaks glass or destroys property, shouldn't have any sympathy at all, but rather a good strapping and probably thirty days on bread and water. But that's the way life is; the more you do for others, the more frequently you get booted.

THREE WEEKS ago Dick Hendricks left the old town for the army. Today, he is somewhere at Camp Polk, La., sweating it out under the warm southern sun. By the letters he has written home, the army life ain't so easy—not until you get used to it. Dick, always an immaculate dresser, says when he got his G. I. haircut, he just sat on his cot with a helmet over his head! In fact the last letter home was so—well, shall I say it was impossible even to take excerpts from it. However, Dick, being a good staunch New Deal Democrat is taking it on the nose—and he's for his Uncle Sam—even if it hurts to the bone. You can write him at this address: Pvt. Richard Hendricks, Service Co., 8th A. D., APO 258, U. S. Army, North Camp Polk, La.

*Only the Clothes are Different
The Spirit is the Same...*
EASTER

The pompously dressed, slickly mustachioed gallants of former years attending Easter services in heavy, swallow tailed coats, stiff shirts and wide foppish neckties have given way to smoothly dressed men, briskly purposeful... but the feeling of reborn hope is still as new and bright as the April sun! Times may change and customs in dress undergo modern transformation but now as then, durable, quality fabrics in styles that conform to the dictates of the times are demanded by discriminating men.
