

KILLED IN AIR CRASH

LT. R. M. WILLIAMS, GRAND-SON OF MRS. JENNIE HILLS, DIES IN PLANE WRECK.

Word has been received by Mrs. Jennie Hills of the death of her grandson, Lieutenant Raymond M. Williams, 230 1/2 Franklin Ave., Toledo, Ohio.

Lieutenant Williams, 26, a marine flier, was killed in a crash 10 miles south of El Torro Field, Santa Ana, Calif., late Friday, May 26.

Details of the death of Lt. Williams have not been received by his parents, Mr. and Mrs. Milton S. Williams, and funeral arrangements are incomplete.

Lt. Williams was a prominent singer in both the Monroe Street Methodist church, and the Highland Avenue Baptist church. He was also a member of the Toledo Choral society.

Born in Slów, Ohio, educated in Maumee High school and University of Toledo, Lt. Williams entered the marine corps in October, 1941, and received his wings in July, 1943.

While at the University of Toledo he was prominent in dramatic and musical circles, and a member of the Alpha Kappa Pi Fraternity. His father is mathematics teacher at Waite High in Toledo.

The young flier is survived by his wife, Margaret; 6 month-old daughter, Nancy Maureen; his parents, two brothers, Ensign David Williams, Coast Guard, in California, Maurice, in California, and sister, Dorothy, student at the University of Toledo.

MEMORIAL DAY OBSERVED HERE

Memorial Day found a warm sun and clear sky overhead... so quiet and peaceful in Plymouth were the morning hours... only to be broken by the air of martial music played by the Ganges Band as the parade formed on the Public Square for the annual trek to Greenlawn cemetery where graves of soldiers were decorated.

Headed by members of the Post American Legion, and members of the Legion Auxiliary, Boy and Girl Scouts, school children and citizens... they marched to the cemetery, and here at the resting place of fallen heroes, Supt. V. G. Keck, superintendent of the Shelby Public schools delivered an appealing address.

The absence of Plymouth boys, who are now in service, was very noticeable, as well as many annual visitors to the home town on this day. However, those of us at home paid homage not only to the soldiers of 1861-65, Spanish-American and World War I, but also said a prayer for our boys who are far-flung to all parts of the world.

Flowers At Cemetery
Greenlawn cemetery is a beautiful place at any season of the year, but in the Spring, with its sloping green hills, its gentle ravines, and neatly placed markers and stones, shaded by huge and graceful trees... Greenlawn in the Spring is beautiful, and on Memorial Day its beauty added to the solemnity of the day's exercises.

Plymouth can and should be proud of its resting place. At this time, more so than at any other, congratulations are to be extended to the cemetery board, consisting of Mrs. John Root, M. F. Dick and J. W. McIntire. It was their thoughtful planning and arranging the job of having the cemetery ready for Memorial Day. Recognition is also extended to Lawrence Ruff and his helpers in getting the work done on time, and for keeping it the neatest cemetery in this section of the state.

All graves, those of soldiers, and the loved ones of those who are buried in Greenlawn, receive a potted plant or a vase of freshly cut flowers—bringing the day to a quiet and peaceful end with a last look upon the green and colorful landscape until another Decoration Day.

HOUSE SOLD
Mr. and Mrs. Roy Johnson have purchased the Coy Hough property on West High street.

POPPY SALE HERE WAS SUCCESSFUL

Thanks to the splendid response of local citizens, and the assistance of the Girl Scouts everyone of the thousand poppies were sold last Saturday, May 27.

The sale was under the supervision of the American Legion Auxiliary and a total of \$120 was realized from the sale. The Girl Scouts were treated for their help in the sale, leaving net proceeds of \$17.00.

The Auxiliary wishes to thank all who purchased the poppies and the Girl Scouts who helped to sell them.

BOARD HIRES NEW TEACHER

DELPHI MAN TO SUCCEED SHEELY AS CUSTODIAN OF SCHOOLS.

Miss Ruth Harley of Ashland Ohio, has entered into a contract with the Plymouth School Board, accepting a position in the Plymouth schools as teacher of the commercial department. Miss Harley comes highly recommended for the position, having taught commercial work in Ashland College for the past nine years, holding evening classes, and doing secretarial work during the day.

Miss Harley is well acquainted with all phases of commercial work, and has the ability to place lessons before her students in an easy and attractive manner, which the average youngster will find it easy to accept. She will find it easy to acquire a good knowledge of typing, shorthand and bookkeeping. She will begin her work here with the Fall opening of school in September.

Another vacancy filled by the school board recently is that of custodian. Howard Beck, who has been custodian at the Ripley Center School for the past four years, has accepted a position here in Plymouth, and will succeed Chris Sheely as custodian.

All present teachers of the Plymouth staff have been extended contracts, and no contract has been returned. However, the teachers have the privilege of holding their contracts until August 1st. It is believed, however, that all teachers of the current year will return to their post at the September term.

MOTHER DIES SUDDENLY AT 62

MRS. JAY SNYDER STRICKEN WHILE VISITING DAUGHTER IN SANDUSKY.

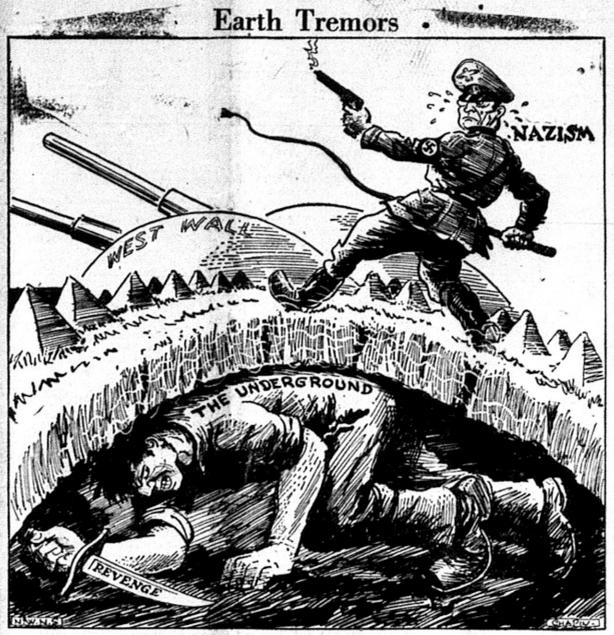

On the eve of spending Memorial Day in Plymouth at a family gathering and picnic, Mrs. Jay Snyder of Toledo, was stricken with heart attack while downtown in Sandusky, Monday, and passed away at the home of her daughter, Mrs. Paul Gundrum, of that city.

Plans had been made for the Gundrum family and Mrs. Snyder to enjoy Memorial Day at the Mary Fate Park, Plymouth, with another daughter, Mrs. James Ritchie and family. Suffering the attack she was removed to a physician's office, and later taken to the Gundrum home. A second attack at 7:00 p. m. proved fatal.

The Snyder family formerly resided in Plymouth, leaving here in 1927 for Greenwich, later moving to Sandusky, and for the past few years resided in Toledo.

Mrs. Helen Grace Snyder was born in Greenwich, Ohio, Dec. 15, 1881 and was a member of the Christian church of Greenwich. Her husband, Jay, of Toledo, she leaves two daughters, Mrs. Paul Gundrum of Sandusky, Ohio, and Mrs. James Ritchie of Plymouth; two sons, Cpl. Billy E. Snyder, U. S. Army Air Corps, and Donald F. Snyder of Sandusky. One brother, Warren of Cleveland and ten grandchildren, also survive.

The body will be removed to the home of her daughter, Mrs. James Ritchie on Thursday, where services will be conducted Friday afternoon at 1:30, and at the Christian church in Greenwich at 2:30. Rev. Johnson, pastor of the Christian church, will officiate. Burial will be made at the Greenlawn cemetery with arrangements in charge of the Miller-McQuate funeral home of Plymouth.

FORMER RESIDENTS REMEMBER BOY SCOUT ORGANIZATION FUND

The Boy Scout Hut Fund is \$20 richer today because several former Plymouth residents returned to spend Memorial Day with local relatives.

With a goal of \$1500 set, contributions have been coming in voluntarily and with a good word put in here and there by local civic-minded citizens, it is hoped that the entire amount will be reached in this manner.

Mr. and Mrs. R. E. Nixon of Cleveland were in Plymouth on Tuesday and talking over affairs of the town they very generously contributed \$10.00 to the cause; Mack Webber of Oberlin, also a native of Plymouth, who annually returns to Plymouth on Memorial Day, donated \$5.00, and Fred Nimmons, who makes Plymouth his home most of the time, gave \$5.00.

The finance committee very gratefully acknowledges these gifts as well as the following local contributors since the last published list:

Brown & Miller \$25; Ohio Fuel Gas \$15; Robert Loftis \$2; Paul Stoodt \$5; DeWitt Bakery \$5; C. L. Hannum \$10; Sam Stine \$1.00; Clarence Vogel \$2.00; Alpha Class \$5.00; F. T. Buzard \$5.00; Manley Cole \$10; Maxine Beam \$2.00; Mr. and Mrs. Roy McCarty \$5; Sale of Movie Tickets \$30; Geo. Rogers, \$10; Ross Sourwine \$10; K. I. Wilson \$1; Park Miller of Elyria, \$3.00; Al Griffith \$1; Ed Kinkotta \$3.00; Estey Smith \$1.00; Dan Clark \$1; Mrs. Iva Gleason \$1.00; Mrs. Lottie Murphy, Stockton, Calif., \$3.00; Lutheran Ladies Aid \$10; Van Robinson \$2.00.

FREE SHOW ON NEXT WEDNES.

Plymouth will enjoy its first free picture show of the season on next Wednesday night, when Ed Ramsey takes his truck on the showy back of the theatre, and turns on the light for the first show of the season.

For several weeks he has been busy painting trucks, overhauling movie equipment, and getting his caravan ready for the rounds of the summer.

With gas at a low ebb, people will find the outdoor show this year more attractive than ever, because of no gas, worm tires, and many other inconveniences which have been brought about by the war.

So plan to come to Plymouth next Wednesday night and enjoy a good free show, out-doors where it's nice and cool!

BEN WADDINGTON WILL CELEBRATE HIS 82ND BIRTHDAY ON JUNE 5TH

Blind the past five years, Ben Waddington still finds life worth living and has learned to help himself tremendously as well as assisting in small jobs around the home.

He enjoys company, has a splendid memory and keeps up with the times by means of the radio. Next Monday, June 5, he will be 82 years old and a shower of birthday cards from old friends, neighbors and acquaintances will add materially to his day.

He has been a resident of Plymouth the last twenty-six years and was employed at the F-R-H Company until his eyesight failed. He has four children, one son Walter of Shelby and three daughters, Mrs. David Hamilton, New Castle, Pa., Mrs. Otis Blaine, Burkettown, Pa., and Mrs. Byers Nicholson of Erie, Pa.

BROTHER DIES

ARTHUR J. BRANDT OF BIRMINGHAM, MICH. DIES IN CLEVELAND.

Funeral services for Arthur J. Brandt of Birmingham, Mich., will be held at his late home and burial made in that city.

The deceased has been in ailing health and passed away Monday in Cleveland where he had been receiving treatment.

Survivors include his wife, three sons, his mother, Mrs. Carrie Brandt of Milan, and three sisters, Mrs. D. W. Einsel of Toledo, formerly of Plymouth, Mrs. J. Z. Young of Toledo, and Mrs. R. D. McLane of Milan.

Mrs. D. W. Einsel of Toledo, and Mr. and Mrs. D. W. Einsel of Plymouth will attend the rites.

MOLLIE CROOKS DIES IN WILLARD

Funeral services for Mrs. Mollie Curooks, 68, who had been active in Willard women's clubs, will be held at the Presbyterian church at 2 p. m., Tuesday, with Rev. Homer A. Neff, officiating.

Mrs. Crooks died at the Willard hospital, Saturday, after a long illness. She is survived by her husband, Robert N., a son, Donald and a daughter, Mrs. Robert Hanville of Sandusky.

INDUCTED INTO ARMY
Raymond and Richard Sanders of Greenwich and Santos Medina of Willard, were included in the group of men sworn into the army from Huron county draft board No. 2, on May 23.

ON WAY WEST
Mr. and Mrs. Phillip Moore received word Saturday that their son Tom was being transferred from Great Lakes, Ill., possibly to some port west—no destination given.

AROUND THE SQUARE

IF HITLER could have seen that trail of twelve tractors plowing and tisking a 12-acre field for soy beans, he probably would have shouted: "I'm licked—it's that American way of doing things." But in reality, it was only a group of farmers, members of Plymouth Grange, that met on last Friday morning and turned under a field, disked and planted soy beans. The proceeds from the sale of the beans will be used for the improvement of the Grange Hall.

SIX MEALS A DAY

In spite of the fact that our nation has assumed the role of being the bread-basket of the world, we hear more and more of over-supplies of food. We hear that eggs are so plentiful that there is danger of food shortages...

Other food items, of course, are scarce and will be getting more scarce. But, in general, our farmers have shown that, even without the best equipment and without efficient manpower, they are able to produce more food than we could possibly consume without the help of millions of foreign appetites.

After the war, when plenty of machinery is available again, this means that we will have a choice of three possibilities: (1) Our farmers will have to curtail production...

Perhaps in our postwar planning we should include a program for eating six meals a day.

BIBLE SHORTAGE

We appreciate the fact that the government hasn't attempted to define what publications and what types of books are "important" in issuing regulations for the rationing of paper.

In general, therefore, we agree that the plan to allot paper on an equal basis to publishers of all kinds, regardless of text matter, is the safest method.

The demand for Bibles has been reaching new records since the war began because of paper and printing problems the supply has not kept pace with the demand.

With all the exciting action taking place in Italy and every eye on the invasion, the advance of a Chinese army of only 20,000 men across the Salween river and into northern Burma, does not appear to be of very marked significance.

There does not appear to be much doubt in the minds of military men that Japan can be forced to surrender unconditionally, provided the Allies—after the defeat of Germany—can attack her through China or through Russia.

There is one thing that is pretty discouraging, but it need not be bad for the Allies. China is able to keep on fighting. The reconquest of that vast, mountainous, "jungle" portion of the

CHAPTER IX

Dr. Warner upon meeting the postmaster wrote two letters to the Matron, owner of the Pole Star House. One of these letters is from the British Government offering her to hold herself ready to take care of evacuees, unless she wishes to direct the evacuation of her relatives.

"Oh, do excuse me,"

John Wynter turned as Fergus Letter spoke. "I am so sorry," he said, "but I am in a hurry."

"All right, I will,"

Netta Jackson, waiting for Monsieur to arrive, all upon her letter with a beating heart, having mastered the contents, she stood there with her eyes closed.

"Your affectionate nephew,"

"Ah...!" It came from Monsieur in a low, still whisper. He sat with his head bowed in his hands.

"It is you who have done it for me,"

"The next morning, sir," Fraser lifted a pale face.

"The next morning, sir,"

"I understand from your letter, it stays here with my neighbor, which will do away with the necessity for writing a second letter, which in itself is a hectic time, is a consideration."

"The next morning, sir,"

"I know his aunt very well," said Odetta, who was sitting up in bed, her eyes fixed on the door.

Doings in Washington

By CONGRESSMAN WILLIAM LEMKE

LAST WEEK WAS A RATHER stormy one in the Lower House. In the fore part the House passed a bill raising the interest rate on Federal Land Bank Loans from 3 1/2% to 4%.

THE GOVERNMENT STILL makes loans to foreigners at a rate far below 3 1/2%. It still makes gifts of farm implements to foreign people. It still lend-leases and cost-plus. The RFC makes loans to industries below the 3 1/2%.

JUST BECAUSE THE FARMERS got two or three good crops, and a price somewhere near cost of production some of the farm representatives deserted us. The minority leader, Mr. Hope, of Kan-

HELL DIVING'S HIS JOB ..LENDING IS YOURS!

WITH guns blazing and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that

war is a bloody business; that their lives, as well as yours, are at stake.

Is it asking too much of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan MUST raise 16 billion dollars. It is the greatest financing drive the world has ever known... to back up the greatest invasion drive the world has ever known.

Back the Attack! - BUY MORE THAN BEFORE!

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean obligation for your children, security for you, funds for retirement.

LETTERS FROM OUR BOYS IN THE SERVICE

The Advertiser is in receipt of several letters this week from the boys in the community who are now serving their Uncle Sam in some outlandish places. The first one is from Delmar Nesbitt from New Guinea and dated May 8th. Dear Tommy:

We sure do miss your papers in a very big way and right now I need it most, as I'm really in a God-forsaken place. Swamps and woods all around and mosquitoes thicker than all get out. We had our first beach landing without much opposition, but I don't see what we want this place for.

Are there many fellows from home on furlough? Sure wish I could get one to good old Shiloh, the best place in the world. We don't have electric lights here, so I write by candle light, but it is better than nothing.

I haven't seen the two Plymouth boys lately, as we are now in separate gun sections. Ray Simon and Dave Clark, both of Shelby, I see most of the time. In fact Dave is in my gun section. We talk of the skating rink at Willard most of the time.

I was wandering around the other day and I ran into Ruckman's section, but he was out snooping around, too, so I didn't get to see him, and as I kept going I heard some one yell "Moose" and it happened to be Montgomery.

How are things going with you? You should be getting fat, because they lifted meat ration. I'm glad you are getting it, as we don't.

I want to thank the people for writing but I never get much time to answer. That's about all for this time.

Dr. and Mrs. C. W. Babcock and better known as "Dutch." He is located in Italy and even in the thick of the fight, takes time out to write and remember the efforts of the community.

Dear Tommy: I have been going to write for a long time but never get around to it. See by the paper the Boy Scouts are trying to get enough money to build them a hut. It's a fine idea and I know they will win out.

I can remember when Plymouth didn't have a picture show, a decent ball diamond, tennis courts, Boy or Girl Scouts, a park and the school was crowded. That was when I was a boy. We didn't have a curfew either. When there is no need (if there ever was) for a curfew.

You can count me in for \$5.00 and I think everyone in the service from Plymouth will do the same.

As ever,
C. E. Babcock.

The third letter is from William (Cider) Reed to his parents, Mr. and Mrs. W. D. Reed of Bell St. Hello, Folks: Well, I have done quite a bit of travelling since you last heard from me. I am now at Master Field, Miami, Fla. It is about 10 miles out of Miami. There is some of the most beautiful country down here that I have ever seen. Everywhere you look you see palm trees, and the homes are really nice.

We started from Yellow Water Guntery School last night at 7:30 and got into Jacksonville at about 8:15, then we stayed in Jacksonville until 10:30 or 10:45. We arrived here at 9:30 this morning. We have been running all over the place gettings things squared away.

We have been taking physicals, moving overseas bags and gear all around and getting checked in

and almost everything you can think of.

When we started down here, there were about 77 of us; 40 of the fellows went to Banana River for P. Bn. training and that left 37 of us to come on down here. Twenty of us are radiomen and 17 are ordnance men. The ordnancemen went over to the main side for TB's (Avengers) and we came here for SED's. I don't know when we will start school, but I suppose we will start as soon as our pilots arrive. When we were getting flight physical today some of the pilots were getting their flight physicals too.

We have a long distance telephone here in the barracks and as soon as I think I can get a call through and have the time, I will call you up. You can put my new address in the Advertiser, if you want to, because I won't be able to do much writing while I am here. When we start school we will have to go 7 days a week.

I will close for now and when I get a chance, I will write again. Answer soon. With love,
"Cider."

TOWN and FARM IN WARTIME

Ration Reminders

Meats, Fat—Red Stamps A3 through T8, good indefinitely. U8, V8 and W8 become valid June 4 and remain good indefinitely.

Processed Foods—Blue Stamps A3 through Y8, good indefinitely.

Most Plentiful Foods—Onions and eggs over most of the country.

Sugar—Sugar stamps 30 and 31, each good for five pounds indefinitely. Sugar stamp 40, good for 5 pounds of canning sugar through February, next year.

Gasoline—In the 17 East Coast states, A-10 coupons good through August 8. In states outside East Coast area, A-11 coupons good through June 21.

Fuel Oil—Periods 4 and 5 coupons, good through Sept. 30. New period 1 coupons for the 1944-45 heating year will be as good as when they are received from local boards.

Shoes—Airplane stamps 1 and 2 good indefinitely.

OWI Reports On Food Situation

Although farm population of the United States is four million less than during the last war, American farmers produce 90 per cent more food in 1943 than in 1918. The Office of War Information said in reporting need for four million volunteer farm workers until after harvest this year. With the aid of the War Food Administration and the Office of Price Administration, OWI reported on the current food situation. Comparing this year with last—apples, peaches, pears and cherries will be more plentiful; slightly less fluid milk and cream will be consumed, less chicken will be available; eggs will be plentiful. Other high-lighted—wartime increases of income and food have caused millions of Americans to increase their diets; rationing will be needed until the war is over; current point-free meats will remain reasonably plentiful; some cuts of the better grades less plentiful; the present holiday on canned vegetables is only temporary and on some meats may be temporary; the 1943-44 citrus fruit production will be 10 per cent higher than last year; the last half of 1944 will show less butter and lard, but more margarine, shortening and vegetable oils than during the first half; sugar supply is adequate, but no increase in household allotments is in sight this year. For nutritional reasons, the report recommends home production of vitamin C-rich foods, such as tomatoes, and consumption of milk, meat and enriched cereals as sources of riboflavin and niacin.

Weather Stripping For Homes

Weather stripping felt and the wood to keep stripping rigid will be in good supply at retail stores, the War Production Board said. A fair amount of zinc for stripping double hung windows will be available, as well as insulating mineral wool and asphalt roofing, which should be ordered now, before Fall rush for these materials, WPB says. Rubber and copper weather stripping are not available for the individual consumer.

Gas For Farm Volunteers

Persons who volunteer for spare time labor on farms and in food processing plants this summer may apply for special gasoline allocations to get to and from this work, OPA announces. The applicant

must arrange to carry at least four persons, including the driver (or as many as the car will hold) and must show there is no other adequate transportation.

Reemployment For Veterans

To be entitled to reemployment rights under the Selective Training and Service Act of 1940, the veterans must be honorably discharged and must apply for reemployment within 40 days after he is relieved from training and service, according to National Headquarters of Selective Service. A soldier placed in inactive status and transferred to the Enlisted Reserve Corps at his own request to engage in essential industry, loses his reemployment rights if he does not apply to his former employer for reinstatement within 40 days after his transfer. A veteran has recourse to the courts to collect back pay if his reinstatement is improperly delayed by the employer.

Sugar Stamp 37 Invalid

Sugar Stamp 37 in War Ration Book 4 will never be used, OPA announced. Because many housewives mistakenly sent this stamp to their local boards when applying for homecanning sugar, instead of the correct stamp—sugar stamp 37—OPA has announced that sugar stamp 37 will not be used at all, so that no one will suffer for this mistake.

OPA ROUND-UP

After the recent lowering of the age limits for Merchant Marine trainees, more than 7,000 young men, between 16 and 17½ years old, applied at U. S. Maritime Service enrollment offices, and about 600 have already been ordered to report to training stations. . . . All War Food Administration restrictions of farm slaughter of livestock and delivery of meat has been removed.

WPB reports a proposal for limited resumption of the manufacture of shotguns, rifles, pistols, and revolvers has been submitted to WPB. . . . There is no prospect of authorizing the production of any new radio receiving sets for civilians this year. . . . A tentative production goal of 9,464,000 tons

of normal superphosphate for the agricultural year, 1944-45, has been approved by the Chemical Bureau.

OPA says watermelon prices to be established soon will mean a sharp reduction at retail from last season's inflated prices. . . . Lard has been removed from all rationing restrictions, since the present supply is considered adequate for all civilian needs. . . . The old-type B and C gasoline ration coupons—B2 and C2 without serial

numbers—may not be used by consumers on and after June 1.

Recent successes of the Allied forces in Italy permitted the follow-up through the Liri valley for a smashing attack on the Hitler line. Following the fall of Cassino, the German high command threw all the reserves at its immediate disposal against the Allied advance and succeeded in driving the vanguard of American forces east of Terracina, central railway to the Pontine plain, 58 miles southeast of Rome.

Lands Safely With Half a Plane

Ensign E. Black, navy Helicot pilot, of Brigham, Utah, climbs from his shattered plane after one of the most remarkable landings on record. Shot up over Palau, Ensign Black started back for his carrier to land on his carrier by a shore off a whale and the tail of a shark, with about half of his plane left, he made the landing with a few seconds.

Write a Letter . . .

If you really want to see a soldier smile . . . watch him at mail call; see him grab the letter from home

Yes, a letter from home means everything to any boy in any part of the world. There are 500 soldiers and sailors from Shiloh, New Haven, Plymouth and vicinity that should get a letter a week. It doesn't matter any difference from whom he receives mail — just so it is a letter — from Uncle Joe, Aunt Susie, Sister Mary or Brother John — perhaps you're just a friend or passing acquaintance — it's "a letter from home" no matter who writes it — the important thing is to keep the letters coming!

NEW AIR MAIL ENVELOPES

The large size with plenty of room for addresses. Specially printed with red and blue borders — exceptionally light weight.

THIN AIR MAIL PAPER

The size will match the large envelopes — takes pen or pencil — doesn't blur — writes smoothly. In convenient pads of 100 sheets.

BOXED STATIONERY

We have a good supply on hand — boxed bond — 100 sheets and 100 envelopes to match — with your name printed on both envelope and paper, for only \$2.00

Impressive Program Marked Memorial Observance Here

One of the finest programs for Memorial Day for several years was held Tuesday afternoon at the High school auditorium. The entire program showed much preparation.

Mayor E. J. Stevenson, chairman, was loyally supported by all who shared the presentation. The hall was nicely decorated. R. H. Howard, who lead the congregational singing, distributed the music to be used throughout the audience. Four pieces of music was on each sheet, three pertaining to patriotism, and one to prayer.

All the music by our home talent and the Shenandoah quartet deserve the highest praise. "Rose of No Man's Land," by Mrs. W. W. Nesbitt was especially effective.

Miss Janice Black, valedictorian of the class of '44, gave Lincoln's Gettysburg Address with such expression and feeling, that made the truths contained in the address clear to all.

The address of the afternoon by the best public speaker in Shiloh, Rev. T. C. Henderson, was a masterpiece. His subject "Memorial Day" was no rambling discourse, but a scholarly well constructed speech based on facts in history and experience. We wish that the entire address could be published, for the benefit of everyone.

We are thankful for his inspiration and influence for good in our community.

The clear tones of taps by Blaine Hawfield deserve special mention.

white bouquet of white roses and white carnations.

Charlotte Seaton, the maid of honor, was attired in a navy blue and white formal, and wore a corsage of white carnations. Don Arnold served as best man for Mr. Boyce.

Virgil Wolf and Bill Van Wagner acted as ushers.

Mrs. Seaton attended her daughter's wedding in a light blue dress with beige accessories. She wore a corsage of pink rose buds.

Mrs. Boyce, the mother of the bride groom wore a blue dress with navy blue accessories. Her corsage was of white rose buds.

Preceding the ceremony nuptial music was presented by Miss Lucille Holt. Flo Mellick, the soloist sang, "O Promise Me," "Because," and "I Love You Truly." Miss Mellick wore a white formal and a corsage of yellow roses. The pianist was in a red and white formal and she wore white carnations.

A reception was held at the home of the bride's parents, for relatives and friends. The home decorations were pink and white.

The bride is the daughter of Mr. and Mrs. Clark Hammett and a graduate of the class of '44 of an Ohio high school.

The bridegroom is the son of Mr. and Mrs. Sherman Boyce of North Plymouth. They left immediately after the reception, their destination not revealed.

They will make their home at 67 1/2 Bentley Ave., Mansfield.

POLITICS . . . weather

So far I haven't heard anyone blame politics for the kind of weather we have had. I believe that to that is about the only thing to which some people haven't attacked a politician.

I know as everyone does, that in a presidential year like this one to thousands and tens of thousands of political objectives, but I don't think either party goes quite as far as some of the more rabid political conversationists would have us believe.

I don't agree, for example, that the Roosevelt star will be in its highest ascendancy on the day we go to the polls to cast our ballots. Even if the President would like to release a day-before-election picture of himself pertaining to the election, I don't think this happy event could be that well timed or that either candidate would prefer to enter into the spirit of our election in such a way.

And some other things which I don't believe are — that Chester Bowles ended meat rationing purely for political purposes, that we will get all the gasoline we want before election whether the supply is being rationed or not, that Hershey is saving fathers from the draft in order to sway them at the polls, that the more candy and chewing gum will soon be plentiful in order to influence the "kid-

SECRETS . . . candidates

On the other hand, I cannot help but feel that there is a lot of "behind closed doors" manipulation being carried on by both parties which offers a challenge to our democratic form of government. The voters are in the dark of elections the people are being given only a token opportunity to express their opinion.

In the Republican primaries in many states the people have been forced to vote in secret. In the party convention without having any knowledge as to whom those delegates are voting for. In many cases, being asked to vote with their eyes shut and to leave the room when the voters are. In many cases, being asked to vote with their eyes shut and to leave the room when the voters are. In many cases, being asked to vote with their eyes shut and to leave the room when the voters are.

In the Democratic party even worse than anyone voting for democratic delegates is pretty common. It is casting a vote for President Roosevelt.

But in both parties the taken-for-granted candidates, President Roosevelt and Governor Dewey, have been unwilling to disclose the details of their campaign. The governor feels that he shouldn't do so because he said he wouldn't run when he was made governor and the President probably takes for granted that everyone knows he is a candidate.

Meanwhile the public is forced to accept the primary election as a national guessing contest.

FRANKNESS . . . voters

The Republican general staff may not think it psychologically expedient for Governor Dewey to say he will run until he is "drafted" at the Republican convention. But personally I think he is apt to lose the confidence of a lot of people if he starts up the road to the White House with a lot of secrets under his hat. I think most of us voters, if we are still to be considered, would appreciate an "I will run" or "I won't run" spirit of frankness.

And the same applies to the President. If he should decide that he is a candidate to succeed himself, the Democratic party would be at a total loss to know whom to nominate—and no matter whom they picked the choice would have to be made without an expression of preference on the part of the rank and file members of the party. If the President does intend to run the public has a right to know. In assumption, there is no reason in the world why he shouldn't come out and say so right now.

At a time when we are fighting a war to preserve and strengthen our democratic government "of the people" it somehow seems very dangerous for our presidential applicants to give such little consideration to the wishes of the people. Both men know that the majority of voters want to have a frank statement on whether or not they are candidates. That should be all that is needed to force them to put their cards on the table.

THANKS, FOLKS

SINCE THE opening of my Market back in 1940, you have been very kind and considerate. I have enjoyed a wonderful business through your patronage. I have been ever thoughtful and appreciative of every individual purchase, large or small... and best of all, I've enjoyed every day in business.

Now, that I am leaving the Market to enter business with Uncle Sam, I want to thank each and everyone for the confidence and good-will extended me, and for the patronage that made my store a real success.

Thanks, a lot folks, and I'll carry the memories with me wherever I go.

INSPECT AUXILIARY POWER UNIT TO BE USED IN EMERGENCIES

Despite shortages of many items caused by the war, Plymouth has a new addition at the water plant, of which its citizens can be justly proud.

Through the efforts of the Board of Public Affairs and Village Electrician Clyde Crawford, much of the equipment in the old light plant has been revamped and placed into service in the addition recently completed at the water plant.

The auxiliary generator was installed as an emergency measure in case of power interference of our regular source. The building which houses the auxiliary unit is 12x28 and is constructed of brick to match the water plant structure. It houses a 125-horsepower LeRoi gasoline engine and a generator, capable of developing 2300 volts. Through the use of the same voltage as now used in the transformers, of the Ohio Power Co., Plymouth electric consumers are always assured of having power for electrical equipment, and the operation of pumps at the water plant.

However, it is well to bear in mind that in case of an interference with our regular power line, the auxiliary will not generate sufficient power to carry the combined light and power loads of the village.

The revamping and construction of the auxiliary power unit was started in October, 1942, but has been "pieced-meal" through until its completion.

The board members, composed of N. B. Shepherd, Otis Downend, and E. R. Scott, with the village council and mayor, C. R. Crawford and P. H. Root, recently inspected the new unit and officially dedicated it as part of the light and water department.

MAIL FATHER'S DAY GREETINGS OVERSEAS NOW

Wives and children of American soldiers serving overseas, who are contemplating the sending of Father's Day greetings, were urged today by the War Department to get them into the mails at once in order to insure delivery prior to Father's Day, June 18.

With overseas army mail volume at a record peak and in anticipation of a heavy additional volume of Father's Day greeting cards and remembrances, the Army Postal Service states that only through prompt mailing of such greetings can these be delivered on time throughout the world.

"Like all overseas army mail, envelopes bearing Father's Day greetings should include the soldier's army serial number, his rank, organization, APO number and the postmaster at the Port of Embarkation, through which the mail is routed."

MARRIAGE LICENSES

Wm. Utterdyke, 61, Ravenna, celery farmer, and Bertha Blok, 51, Willard, factory worker. Rev. Carl Henderson named to officiate. Maurice M. Brinson, 24, Greenwich, farmer, and Anita Hasel, 25, Greenwich, teacher. Rev. Bryenton named to officiate.

Bible School Opens With Enrollment of 52

The Daily Vacation Bible school opened Wednesday morning, May 31, with an enrollment of 52. This was divided as follows: Beginners 10; Primary 16; Juniors 19, and Intermediate 7.

This number is considerably below the enrollment of last year, but owing to the holiday a number of children who would have attended were still out of town. However, it is hoped that parents will see to it that their children are enrolled as quickly as possible. The session lasts only eight days and valuable time is lost by late enrollment.

In addition to the staff originally announced, Mrs. C. A. Brown is assisting Mrs. E. R. Haines. The best of study help have been obtained and lessons taught that are very instructive and helpful in years to come.

DIES AT SHELBY

Funeral services for Miss Eldora Sutter, 73, were held Saturday at 8:00 p. m. at the Sutter funeral home with Rev. D. M. Haynes officiating. Burial was made in Oakland cemetery, Shelby.

A life resident of Shelby, she taught many years at Grant and Central schools and was principal at Hayes for 19 years, retiring in 1929.

She is survived by four brothers and one sister, Harry of Tiffin; Walter of Washington, Pa.; Carlton of Cleveland Heights, and Mrs. Florence O'Neil and Ben Sutter of Shelby.

AGED RESIDENT IN SHELBY HOSPITAL WITH BROKEN HIP

Mrs. Martha Brown, who makes her home with her son, Ben Parsel of the Bucyrus road, is a patient at the Shelby Memorial hospital with a broken right hip.

FARMER PLOWS UNDER CASH

Cyril Kramer, Clarksville township farmer, whose barn was blown down by a tornado, April 27, last year, has had every hard luck. While he was turning over a six-acre field of soil land, his purse, containing \$87 in money and valuable papers fell out of his pocket and was plowed under.

This recalls the time when a calf in Sherman township swallowed a good-sized roll of bills. The calf was butchered and the bills were found undamaged.

Heads C. E. Society

Two hundred thirty-five young people from over Richland County attended the Richland County Christian Endeavor Union convention Sunday afternoon and evening in the Shelby United Brethren church.

An especially good program was presented with the Plymouth Harmonette (Mary Alice Weller, Juanita Ruckman, and Luella Vandervoort) singing two numbers at the supper program.

Harold Sams was re-elected as president of the Union, and Mrs. Judd Keller is corresponding secretary. Those from Plymouth attending were Messrs and Mesdames Keller, Dick Hampton, Harold Sams, Harry Vandervoort and Willard Ross.

AMBULANCE TRIPS

Frank Cross of the Shiloh road, was removed Tuesday in the Miller-McQuate ambulance to the Shelby hospital for x-ray and treatment.

Mrs. Brotha J. Brown who fell and broke her right hip Saturday morning, was removed from the home of her son, Ben Parsel, on the Bucyrus road, to the Shelby hospital, in the Miller-McQuate ambulance.

WORK IN SHELBY

Naomi Lawrence and Rose Alexander began work at the Miller Products in Shelby, Monday morning. This morning, Ruth Ford, Olive Kennedy and Miriam June Johnston started at the Shelby Gum Company.

UNDERGOES OPERATION

Davis Sams, son of Mr. and Mrs. Harold Sams, underwent an operation for removal of his tonsils on Wednesday morning at the Shelby Memorial hospital. Dr. Dowds performed the operation.

GRADUATES FROM STATE

A class of approximately 440 will be graduated from Ohio State University, Saturday, June 3, in the university's sixty-seventh annual commencement. Dr. Kenneth I. Brown, president of Denison University is the speaker. Miss Zetta M. Brooks, daughter of Mr. and Mrs. Harry Brooks, and a teacher of the Elvira school, will receive her Master of Arts Degree.

Ask Pledges To Be Paid For Religious Education Program

The Board of Religious Education requests that all pledges to support that program in our public schools be paid in full as soon as possible in order that the business of the year may be completed.

AUTO USE TAX STAMPS ON SALE AT POST OFFICE

Motor vehicle use tax stamps for the coming year will go on sale at the Plymouth post office today, June 1, Postmaster Claude Sourwine announces. Printed in purple this year, they will cost \$5.00 for a year's driving.
