

Around the Square

(By Phineas Whittless)

NATURE is once again host to the greatest art exhibit known to man... hillside scenes and peaceful valleys blended into colors that no artist can reproduce, try as they may. Nature stages the biggest show on earth but the trouble with most of us we do not have the time or ability to see or understand its beauty. I think Fall is sort of a finale of a grand spectacle... then winter, the romance of snow and the quiet of its termination. So with the few remaining weeks, let's resolve to enjoy the beauties of Fall to its fullest.

IT'S ABOUT time for the American Legion or some other vicarious group to take some action on out-of-town solicitors. Saturday, a supposedly Disabled Veteran was passing the hat around the Square and hitting up citizens after the Square. He wore a cap with "Ohio" printed on it, but he claimed to be from Sandusky. The Local Post of the American Legion should and does get solid financial support from anything it sponsors but it burns me up to think the boys from the big cities come in and get the local boys' support of some worth... All drives sponsored by any patriotic organization generally get plenty of advanced publicity, and if any more of these fellows come asking for help, we suggest that you refuse a contribution unless they have the endorsement of the Editor and Editor-in-Chief of the A. L. In fact, the Community Chests being sponsored throughout the country are for all organizations, and that the Salvation Army and other organizations should be taken care of by these funds. Let's contribute to things that benefit Plymouth, and not to those that benefit organizations whose solicitors we know nothing about.

IT'S MIGHTY GOOD NEWS to see where Clarence Darling and Mrs. LeRoy Brumbaugh have gone back to their old jobs at the switchboard of the local telephone office. "Good evening" and "hello" are being improved with the right personnel, and I thought it strange the past week that we were getting "central" faster than usual.

GUS DICK is home after a short "tanker run" to South America. Gus served the Merchant Marine for a number of years. He will finish his service shortly after the first of the year. He states that the weather "down there" was exceptionally good, and that he saw about twenty winter months on a southern cruise.

I HAVE discovered one way of removing printer's ink from my hands: offer to wash to a friend, and when I'm through... well, you'd think I was a lawyer... I mean the way my fingers "clean up."

THE DEFINITION of a Man brought some repercussion, and one reader dares go so far as to define the fair sex. Here's what HE had to say about women: "A huntress who gets herself a man and proceeds to get fat. She is fast catching up with men on some of her offers to wash to a friend, and when I'm through... well, you'd think I was a lawyer... I mean the way my fingers "clean up."

LOCAL STUDENTS PASS T. B. TEST The results of the X-Ray examination of the students of Plymouth high school were very satisfactory. All sixty-nine of the students examined were reported as being without a trace of tuberculosis. The examination was given under the auspices of the Huron County Red Cross and paid for by the local business community. The ten, eleven and twelve grades of Plymouth school participated in the examination which was conducted at Willard High School several weeks ago.

Boosters Club Is Organized

At a meeting of the Plymouth Athletic Association held Tuesday night in the Jaycee Club room, a motion picture showing the name of the association to The Pilgrim Boosters Club. As there was a fair turnout of interested citizens, an election of officers was held with the following being chosen to head the club: President—Miles Christian; Vice President—Bob Lewis; Sec'y-Treas.—Tony Fenner.

One of the most discussed plans of the members present was the raising of funds through a "tag day" drive. The club needs cash to carry on the support of athletic activities of the school and to promote an interest in school athletic affairs. Plans of the tag day will be announced later. It was disclosed that the Club is sharing a part of the expense of installing an electric score board at the high school, and also the erection of new bleachers at the auditorium.

Several committees were appointed to look after certain activities of the Club, and they will report at the next meeting, to be held Friday, Oct. 25th, sharp, at the Jaycee Club rooms.

Every citizen is invited to attend this meeting, and those few who were represented in our youngsters are expecting you to be present at the next meeting.

Fire ruined Bids Received Here

COUNCIL HAS BUSY SESSION TUESDAY NIGHT; DEPUTY MARSHAL APPOINTED.

The mid-monthly meeting of the village council proved to be a busy session as bids were received for the new fire truck, and other matters of local importance coming up before the village fathers.

Bids all the way from \$4,000 to \$9,000 were received by the city for the fire truck, and those turning in proposals are as follows: E. H. Dillon, Cleveland, representing Mack International Truck Corp., \$8,979.53.

W. L. Burch of the Buffalo Fire Appliance Co., put in two bids, one for a Chevrolet chassis at \$7,100, and an International K-6 at \$7,500.

Carl A. Goodman, Union Supply Co., Toledo, had a bid in for \$6,870.

Harry Sutfin of Columbus submitted the following bids: Chevrolet truck, \$6,100; Dodge WH-48, \$6,472; and an International K-7 at \$6,580.

The Ohio Truck Equipment Co. of Cleveland submitted a proposal for a Chevrolet chassis, less chassis: No. 1 at \$4,075; No. 2 at \$5,317.

The Oren Fire Appliance Co. of Sandusky, Va., submitted a proposal on a Diamond T Chevrolet Model 509, standard equipment at \$8,730.

The John J. Doherty Co., Lorain, bid in a bid of \$6,922 for a truck on a Dodge chassis.

After hearing Clerk Brown read the bids, a short discussion was held and Mayor Lash asked that the bids be turned over to the fire and police committee and be studied by this committee. A village officer has been made by the committee, a special meeting of council will be called to hear the committee's recommendation.

Ask Code

C. O. Cramer, Donald Fetters and Francis Brub appeared before the council asking for the adoption of an electrical and plumbing code for the village. Following a short discussion the petition was tabled until a later meeting.

Appointed Deputy

In an effort to curb deliberate vandalism, members of the school board appeared before council and asked that the school custodian, Fred Forts, be given full powers to make arrests. The board has experienced undue destruction of property and it is hoped that with an officer of the law nearby such destruction can be overcome.

To Erect Sign

Vincen Taylor and Richard Mow appeared before the village fathers, and in behalf of the Jaycees, asked permission to erect large traffic signs at the north and south entrance of the village. The signs are so located as to cause motorists entering the village to give speeding a serious thought. The permission was granted and the project of the approval of the State Highway department was received.

Claims Sugar Is Exported

Congressman Alvin F. Weichel of the 13th Ohio District, has requested that the OPA stop exporting sugar to foreign families, and in making his plea on upon Paul Porter, Administrator of OPA, says: "On behalf of housewives I am requesting that the OPA immediately stop the rationing of sugar to American families, especially in view of the fact that the government is exporting sugar to foreign countries, and this sugar has been exported to foreign countries more than 500 million pounds of sugar from January 1, 1946, and is also being exported to Cuba after having purchased the Cuban sugar crop for America. OPA must be rationing on an all-out ration basis, and this government is exporting Americans' own sugar to foreign countries. Out in Ohio the people thought the OPA was to ration sugar to the people in America and not those that are so plentiful that the government is exporting them."

More details next week.

Fires Recently Blazed at Home

Within thirty minutes after discovering his summer kitchen ablaze, Dwight Silliman, 82, died from heart failure caused by excitement in seeing his home so dangerously threatened by fire.

The blaze was discovered by Mr. Silliman around 9:00 o'clock Tuesday night, after the family had retired. A sister, Miss Clara Silliman, and an aged brother, Will Silliman, resided with Mr. Silliman in the family home, four miles northeast of Plymouth on the New State Road. The fire started in the summer kitchen, a structure 14 by 20 feet, located just a few feet from the main part of the house.

At the outbreak of the blaze Mr. Silliman aroused his brother and sister, and went out to what he could to extinguish the fire. A few minutes later, neighbors, who had been in Delhi for the evening, saw the fire at a distance of a mile and a quarter, and hurried to the scene.

Mr. Silliman awoke his brother and sister, and went out to what he could to extinguish the fire. A few minutes later, neighbors, who had been in Delhi for the evening, saw the fire at a distance of a mile and a quarter, and hurried to the scene.

Mr. Silliman suffered a heart attack, which he failed to rally. Walter Silliman, saw Mr. Silliman topple, and went to his aid.

A call came into Plymouth for aid, but several fire trucks, outside of the corporation, and no working agreement has been entered into with Ripley township, the local department could not give help.

The fire department at Greenwich has a contract, and they responded to the call within a short time. The fire was under control after the arrival of the fire truck, and the Greenwich firemen are deserving of much praise for their splendid work in saving the Silliman home.

Two lines of hose by fire trucks from a large cistern some three hundred feet from the burning building, the home and its contents were saved, however, the complete loss. The kitchen and contents were totally destroyed, and valued at several hundred dollars.

Dwight Silliman was the son of Horace and Abigail Silliman, who came here as pioneers from New York State. They settled in the home here, and here Dwight was born. He grew up to young manhood, and farming was his life's avocation. He and his sister, Clara, and brother Will, have maintained their residence in the family home, and Dwight never married.

Up to the time of his death Tuesday night, Mr. Silliman, despite his age, was active in the farming of the one hundred acres which are being looked after by Lawrence, a nephew. He had enjoyed good health all of his life, and only a few years ago did he let up in his farm work. As a resident of this community for 82 years he became widely known, and his name was a household name, but by his genial personality and kind habits.

Surviving are three sisters, Clara at Miami, Fla. and also of Cleveland, and Mrs. Mary Bacon at Miami, Fla.; two brothers, Will at home, and Ed Silliman of New Haven township, also a number of nieces and nephews.

Last rites will be held Friday afternoon, at 2:30 o'clock at the McQuate funeral home, Shiloh, with Rev. C. E. Burt of North Fairfield, officiating. Burial will be made in Mt. Hope cemetery.

Leaf Burning Does Damage

With the leaves cluttering the yard, it is but natural to get out, sweep them up, and burn them. Now, raking the lawn is perfectly OK, but burning leaves... that's another thing.

Last week a crew of workmen who put on the new street surface on Plymouth and Sandusky street, emphatically pointed out the danger of burning leaves on the new surface. Heat on this type of surface literally does more damage than the eye can see, and in order to preserve the new streets, Mayor Lash is asking the cooperation of everyone in the burning of leaves.

If you have a vacant spot around the yard, place the leaves there, and light them. Perhaps you're near an alley, which is a safe place to do away with them. In any event, never burn leaves on brick pavements, as this is harmful to the tar filler in between the bricks, and those bricks which have been covered with a macadam base or oil filler, should also be free of fire.

While an ordinance covers the burning of leaves on streets, it is believed by village officials that residents of the town who realize the damage a fire does, will refrain from the practice. A leaf burning program will be carried out at a later date to help rid your property and streets of leaves, and it will be well to be a little patient before burning them.

Senior Class To Sponsor Party

The mystic rites performed on Halloween are age-old, some of them dating among the Druids centuries before the Christian era. Many of these customs were brought to America by the early immigrants from European countries and have been observed through the years right down to today. All these rites and superstitions make Halloween one of the most ideal days in the calendar for a party. Everybody loves a Halloween party and this year the Senior Class is inviting you to be their guests at a Masquerade Ball on Friday evening, Nov. 1st in the High School Auditorium.

Doings in Congress

By CONG. Wm. LEMKE

THE MEAT—Where is it? Some say the black market has it. They have some of it, but not enough. If they had, we could get it.

I JUST returned from Sioux City where a group of Congressmen met to study the food situation. We went through all the packing houses in that livestock center city. There was no meat—there were no hidden lockers. We were told that the Army still took 21 percent of the packer's meat.

There are some bureaucratic blunders here. Two million servicemen do not consume 21 percent of the meat as compared with 78 percent by 128,000,000.

ONE FARMER testified, "I used to feed three hundred head of cattle. Two years ago I put up five hundred tons of meat. Due to the OPA and the uncertainty, I fed none last year, nor this year. I used to add fourteen thousand pounds of meat to my feed. This makes twenty-eight thousand pounds of meat lost in two years because I could not operate under the OPA regulations. Any farmer who has a few head of cattle under the OPA is crazy."

A MERCHANT testified, "I have a farm. My tenants had used 100 tons of meat. And I used this year when OPA went off, the tenant sold every pig including brood sows. There will be no pig on that farm next year. He claimed he could get more for the corn by selling it, than feeding it. He lost money following the government's advice on hogs in the past, and said he would not be caught again."

THE BUTCHERS and retail merchants emphasized the fact that the Department of Agriculture pencil pushing experts were mistaken as to the number of livestock on the farms, because they did not take into account that the average family consumes far more meat per capita now than before the war as a result of the higher income.

THE PACKERS and commission men testified to the same effect. They also said that under OPA regulations, the black marketers have no competition. OPA sets a ceiling on AA beef, but not on lower grades, and the black marketers, selling at their own prices, can pay AA prices for carcasses and next year.

THEY TESTIFIED that most of the cattle and hogs sold on the Sioux City market were shipped or trucked out to the cities in the East. There they were disposed of via black markets. Clinton Anderson's suggestion that the farmers were holding the cattle and his threat to take over the cattle, was treated as a joke—as cheap political bait.

There is a Bad Smell in the Platte Valley

In the issue of The Chicago Herald-American, Oct. 9th, there appeared a story by Robert P. Vanderpool, financial editor, who describes some of the waste incurred by government regulations in the productive Platte Valley. What Vanderpool says of the potato situation there, can be said of many other products which are in dire need by the citizens of this country.

Long before the birth of OPA government regulations had begun to creep into our economic life, and especially the farm industry. New Dealers in Washington realized that it wasn't going to be an easy job to get the people to depend on the government "for this and that," and in the period of a few short years, coupled with government control during the war, the average American citizen almost lost his right by getting the government "for this and that."

and then were told to haul them back again. If they were not called for in 30 days, they were to become the property of the farmer. If they were called for, the farmer would be paid an additional 17 cents per hundred for hauling them back to town.

So the potatoes are rotting. Maybe at the end of 30 days the farmers will be able to salvage part of the crop for their own use or for pig food. Meanwhile, the "support price" has been raised which will mean a few more dollars in the farmers' pockets, a slightly larger federal debt, higher potato prices for the housewife, and more spuds rotting.

It is the easiest thing in the world to get the government to blame this thing on the bureaucratic bungling, but it will take to remember, first of all, that potatoes frequently rotted in the fields or in storage places during years of extraordinary large crops long before the government took an interest in the situation.

SANTA CLAUS TO ALL
It also should be remembered that this so-called "support program" is part and parcel of the old government policy of playing Santa Claus to every one—the veterans, business, workers and the farmers.

The whole thing, in our opinion, is unsound, and one of the days will cause the national economy to crack wide open. But bear in mind that this program has been supported by both political parties and there has been but feeble or unorganized opposition to the whole idea.

There has been a lot of talk about the extravagance of the government, but few businessmen have protested the tax refunds, few workers have spoken against the 40-hour week, few workers have said that they wanted to be free and independent and did not care for floors under their prices, few veterans have reduced the handouts and few political leaders have risen to preach a program of blood, sweat and tears as the sure way of getting the nation back on a sound economic footing.

That smell in the Platte Valley is not just the potatoes; it comes from a decay in the national fibre.

WHERE ARE THE DEAD?

PART ONE
By DALTON F. McDOUGAL

When we think of the dead, the question that naturally comes to a person: "Is Man Mortal or Immortal?" Job ask the question: "Shall mortal man be more just than God?"—Job 4:17. The word "Immortal" is used only once in the entire Bible and then it is applied to God (Tim. 1:17) as one of the distinguishing attributes of the Deity. The word "immortality" is used five times thru out the Bible.

In First Timothy 6:15 the Scripture declares that God only has immortality. Then it is evident that man does not possess inherent immortality, he must receive it as a gift from God.

The four other places where the Scripture uses the word "immortality" (2 Tim. 1:10; Rom. 2:7; 1st Cor. 15:51-54) teach that immortality will be given only to those who obey the Gospel and that it will not be conferred upon these obedient ones till the resurrection of the righteous dead at the second coming of Christ.

Then again Man asks the question: "Can the Soul of Man Die or Does It Live on and on forever and forever?" The Book of Ezekiel 18:4, says: "The Soul that sinneth, it shall die." The original Greek and Hebrew words from which we have the words "soul" and "spirit" in our English Bible are used 1700 times in the Scripture; but there is not a single place in all these 1700 uses of soul or spirit is ever spoken of as being "immortal," "never dying" or of being capable of a conscious existence apart from the body.

On the contrary, the Bible speaks in the places of the Soul of Man dying or as being subject to death, (James 5:20; Matt. 26:35; Rev. 16:3; Ezekiel 13:19; 18:4; Job 7:15; 36:14; Judges 16:16 and Psalms 33:19; 78:50) Then in four places it speaks of certain souls being utterly destroyed, (Joshua 10:26; 55, 37, 39).

The doctrine of the natural immortality of the soul is not taught in the Bible. This is a heathen doctrine which was first taught by the ancient Egyptians in their heathen system of worship. From the Egyptians it passed to the Ancient Greeks and Romans, and from these sources it was erroneously made a doctrine of the Christian church in the second, third and fourth centuries of the Christian era, when corrupting churchmen corrupted the Gospel by an admixture of heathen ideas.

Part II will take up the three component parts that makes up the entire man.

PUBLIC SERVICE vs. PARTISAN POLITICS

A FRANK DISCUSSION

1. The qualifications of your Congressional Candidates are much more important than Party Affiliation. WHY? Roughly, only 10 per cent of the Party goes to the polls to nominate a Candidate. No choice of candidates was offered at either Democratic or Republican nomination for Congressman.

2. Your Democratic Candidate has not participated in any legislation in Congress. He is subject to neither praise nor criticism for what others have done.

3. Your Democratic Candidate is a successful businessman and engineer pledged and qualified to meet National Issues and pledged to Vote for the Public Welfare and pledged not to play partisan politics.

4. Wesley W. Purdy, Democratic Candidate has outlined a definite National and International Policy.

5. The following legislation sponsored by a Democratic Congressman and passed by Progressive Democrats and Progressive Republicans, who placed the National Welfare above Partisan Politics, marks new levels of accomplishment in GOVERNMENT, OF THE PEOPLE, BY THE PEOPLE, and FOR THE PEOPLE.

Federal Insurance Bank Deposits—Blue Sky Laws to Protect Small Investors from Wall Street—Old Age Pension and Insurance—Collective Bargaining—Public Health Service—Conservation of National Park Resources—Child Welfare Law—Rural Electrification—Home Owners Loan Corporation—Crop Insurance—Parity Prices for Farmers—G. I. Bill of Rights—Veterans Housing and many others. Do I hear any desire to repeal this legislation, even from those who fought it? Your Democratic Candidate believes that legislation of this type exemplifies that STEADY PROGRESS IN DEMOCRATIC PROCESSES which Reactionaries subvert a few years after they fought against it.

A CAMPAIGN OF HATE

- 1. Your present Congressman and a few other rabid Partisans offer you no constructive program. You are offered a CAMPAIGN OF HATE directed at all Democratic Candidates.
2. This CAMPAIGN OF HATE is indeed a WEAK REED to lean upon for re-election and is intended to DIVERT ATTENTION from your Congressman's voting record which is so reactionary as to mark him as a weak man in deed. Free Government Pamphlets and backslapping are a sorry substitute for Constructive National Legislation.

TAKE A LOOK AT THE RECORD:—Your Congressman VOTED AGAINST:—

- (a) Preparedness Before Pearl Harbor.
(b) Funds for Rural Electrification—June 22, 1943.
(c) Commodity Credit Funds (Crop Loans, etc.)—August 1, 1940.
(d) Soil Conservation Payments—June 22, 1943.
(e) Mustering-Out Payments.
(f) Crop Insurance—June 11, 1941. (Did come later.)
(g) Veterans Job Protection—August 12, 1941.

This is only a small portion of the Obstructionist Program. You Congressman threw out the Reds and Communists. SURE, but let us add the Incompetent and Reactionary to the list. LET us ask for CAPABLE MEN with CONSTRUCTIVE PROGRAMS, not for narrow partisan politicians who opposed preparedness, and who now OPPOSE VETERANS LEGISLATION. The most obscure Veterans has done a thousand times more for this nation than your present Congressman who drew \$88,000 in 6 years. This Congressman's only claim for re-election is that he is a Republican, nominated by about 10 per cent of his party at the Primary. Give RECOGNITION to your VETERANS by electing a Candidate who lives, acts and fights for Democracy and is a Veteran of ARMY SERVICE and NAVY SERVICE.

is ANYBODY satisfied?

Regardless of party, no citizen can feel satisfied with things as they are today. Certainly no one wants the inexcusable shortages of everything—the rapid rise in living costs—the constantly growing public debt and increased tax load. Certainly everyone has had enough of the monstrous army of bureaucrats which feeds at public expense and dictates to every man.

Workmen do not enjoy losing wages through strikes. Industry does not want non-productive factories. Farmers do not want their produce withheld, or detoured to black markets. Merchants do not like to refuse customers for lack of things to sell.

it's time to call a halt

Let's vote out of existence the wild political theories. Let's put the brakes on unbridled government spending. Let's say "THIS WAY OUT" to the meddling bureaucrats. Let's kill with ballots the constant succession of fake emergencies which throttle the production of plenty and bring about scarcity.

Let's get rid of the New Deal in Ohio by electing Thomas J. Herbert as Governor, together with an entire Republican state administration and Legislature. Let's send John W. Bricker to the United States Senate, together with every other Ohio Republican candidate for Congress. Your mark under the Republican eagle on your ballot will do the job NOW.

THE TELEPHONE PUZZLE

If it takes 3 pairs of wires to connect 3 telephones and 12 pairs to connect 6 telephones, how many are needed to connect 12 telephones? The answer is 66! Puzzling, isn't it? As these pairs of wires increase, expensive central office equipment increases in proportion. Each additional telephone means wire service for you without raising your telephone bill. And here's something else. Each additional telephone installed adds to the cost of providing telephone service for you and everyone else.

RESOLUTION OF RESPECT

In Memory of Brother **WILLIAM C. HOUGH**, who died October 6, 1946. "LEAVES HAVE THEIR THINGS TO FALL AND FLOWERS TO WITHER AT THE NORTH WIND'S COLD BLAST; BUT THOU, O DEATH, HAST ALL SEASONS FOR THINE OWN."

One again a Brother Mason, having completed the designs written for him on life's tressel board, has passed through the portals of Eternity and entered the Grand Lodge of the New Jerusalem, and hath received as his reward the white stone with the new name written thereon; and WHEREAS, The all-wise and merciful Master of the Universe has called from labor to refreshment our beloved and respected brother, and he having been a true and faithful member of our beloved Order, therefore be it RESOLVED, THAT Richland Lodge No. 201, F. & A. M., of Plymouth, O., in testimony of its loss, frame its Charter in mourning for thirty days, that we tender to the family our sincere condolences, their deep affliction, and that a copy of these resolutions be sent to the family.

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing; and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.
First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).
Come the end of the week, she began to sidget; couldn't even read the Clarion, it looked so unamused; didn't have any appetite with nobody to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al).
From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty right when you're separated. And they are, too!

The Alice Willey Class of the Lutheran Church met in the church annex Tuesday evening, for a hard times Halloween party, with Mikled Eby, Ruth McGinty and Norma Patton as hostesses. Various were the outfits donned by the ladies and first prizes went to Schreck and Mrs. Paetznick, who tied.

The rooms were tastefully decorated in keeping with Halloween with strings of pumpkin faces tied on black streamers, festooned with orange balloons. During the business meeting, contests were held by all with prizes going to Clara Roy, Mrs. Paetznick, Lola Earnest, and Mrs. Elia. A delicious luncheon was served at long tables attractively decorated with bouquets of biters-twisted to twenty-three members and two guests. All departed at a late hour after spending a most enjoyable evening.

The November meeting will be held at the home of Donna Russell.

ANNOUNCE MARRIAGE

Announcement is made of the marriage of Miss Betty Willier of Willard and Mr. Kenneth M. Seibert of Centerton on Saturday, Oct. 5th. The ceremony was performed by the Rev. G. C. Hefflinger, using the double ring ceremony at the Trinity Lutheran Church, Willard.

Following the ceremony, a reception was held in the basement of the church for some fifty friends. Later Mr. and Mrs. Seibert left for a week's stay in North Carolina. Upon their return, they will make their home with Mrs. Nellie O'Hara at Centerton.

The new Mrs. Seibert is the daughter of Mr. and Mrs. Clarence Willier and a granddaughter of Mrs. Mary Colyer of Plymouth.

CHINESE RICE BOWL PROGRAM WELL RECEIVED

A collection of \$35.00 for China relief work was taken at the Rice Bowl program given at the Chapter room of Plymouth, O. E. S., the evening of the last regular meeting.

Worthy Matron, Mrs. Mabel Lanius, at the request of the Worthy Grand Matron of Ohio, planned a very interesting evening, and capably acted as mistress of ceremonies.

Associate Matron Clara Root had arranged a most unusual and interesting display of authentic

objects of art, clothing and pictures from China.

Following the conclusion of the program, the men of the O. E. S., James Root, chairman, invited all present to have Chow Mein rolls and tea. The Chow Mein had been prepared by Chin's restaurant in Cleveland, and so added the final Oriental touch and was thoroughly appreciated.

Miss Bethel, teacher of music in the Plymouth Schools, had spent much time and work in the securing of Chinese songs and directing of the chorus work and solos of the students who participated. Larry Root played the Chinese National anthem, Johnny Peters sang a Chinese Fairy Tale, and very lovely and harmonious songs were presented by Phyllis Haines, Ruth Ford, Olive Kennedy and Agnes Roberts. Miss Bethel also played a short piano solo interpreting the Chinese mood.

Sue Hoffman read several humorous Chinese folk stories kindly lent by Mrs. E. Haines, who had received them several years ago from China. Chinese scrolls and black and white ribbons displayed were also from Mrs. Haines Chinese packet.

Gwen Webber gave her delightful interpretation of an Oriental dance, and in her colorful costume was a lovely ornament as well as an interesting dancer. Bob Ross, Orva Dawson, The-

ora Kennedy and John Lanius were soloists of the evening, each singing a song referring to friendship or brotherhood. It is always a pleasure to hear these talented singers. The male quartet then sang "On the Road to Mandalay." Mrs. Eva Ross and Mrs. Lucy Teal were the accompanists for the singers.

Just before the luncheon was served, Orva Dawson and Robert Fogleson competed in a contest by eating (1) rice with chop sticks, and by trying to transfer beans from one container to another with chopsticks. Besides members and friends of the local Chapter, visitors were present from Shiloh and Willard.

Farm Women Clubs Meet

The annual meeting of the Richland County Federation of Farm Women's Clubs was held Wednesday, Oct. 9th at the Methodist Church in Shiloh. The morning session opened with group singing led by Mrs. E. Grimes of the Franklin Arts Club. Mrs. Blake Millon of Rome County Club led the devotionals. A woman from the B-Square Club was given by Mrs. Edith Huston and the response was by Mrs. Edna Kemp of the Maid of the Mist Club. Mrs. E. Grimes, vice-president presided during the entire session. During the business meeting and roll call club secretaries gave reports of their club activities and projects during the past year. About 100 women responded to the roll call. All the clubs showed much interest in the Minnie Price scholarship, a project intended to aid girls in following extension leadership as a vocation. A silver offering was taken for the Minnie Price Club. Mrs. J. B. Zeigler of the White Hall Club.

A dinner was given by the ladies of the Methodist Church in the basement at noon. The afternoon session opened with presentation of new officers. Mrs. Ina Boyce was chosen president. Fern Reynolds, vice-pres., Francis Stroup, sec., Grace Holtz, treasurer.

Leadership was the theme chosen by Rev. M. Paetznick stressed the importance of following what is right at all times. He outlined Faith in God, faith in each other and service as the three essentials of great leadership. A reading by Mrs. Harry Lytel titled "Old Aunt Lucindy" was presented by the Get-to-gether Club. The Bus Club presented a duet by Mrs. Everett Stevens and Mrs. Dean Hall. One of the high lights of the program was a talk on "Table Tennis" by Mrs. M. Paetznick.

ANNOUNCEMENT
Mr. and Mrs. Fred F. Brunn of Mt. Gilead formerly of Shelby Rt. 1, announce the engagement of their daughter, Marilyn Marcella to Joseph A. McQuate, son of Mr. and Mrs. C. N. McQuate of Shiloh. The date of the wedding is indefinite, possibly some time next year. Both are graduates of Shiloh high school.

Mr. McQuate spent the last year and half in the Navy receiving his discharge in August.

MCGREGOR TO SPEAK
Congressman McGreggor will speak at the Shiloh high school auditorium on Friday evening, Oct. 25th at 7:30. Other notables who will be present include John C. Luther, candidate for State Representative, C. B. McClintock, candidate for Judge of Court of Appeals, and C. L. Shoup, candidate for Richland County Commissioner.

In announcing the meeting, Mayor Glenn Swanger states: "We would be pleased to have the auditorium filled. This is a great opportunity for the community to meet their Congressman, who has shown a real interest in our village."

ANNOUNCES COMING MARRIAGE OF DAUGHTER
Announcement is being made of the approaching marriage of Betty Ann Rose, daughter of Mr. and Mrs. Marshall Rose of Shiloh and George C. Adams.

The ceremony, which will be an open church service, is scheduled for Friday evening at the Lutheran Church with Rev. Paetznick reading the service.

ATTEND HOMECOMING
Shiloh people attended the homecoming at the Rome Church last Sunday. About 140 former members of the church attended from surrounding communities.

Among the Shiloh people who went to Rome for the occasion were Charles Hamman, the A. D. Hamman, Mr. and Mrs. Harry Hahn and the Schyller Zachmanns. Grover Hunter, who resides in Florida, sent a check for \$50 and a total collection of \$282.00 was contributed by those who have an interest in the church. This will be used to paint the building. A fine dinner was served at noon by the ladies of the church.

MASQUERADE PARTY
The Royal Daughters of Mt. Hope Lutheran church will hold a masquerade party on Friday evening at the church parsonage.

SHIRLEY JANE CAMPBELL BECOMES BRIDE OF ROBERT FRED HAHN

Of interest to friends in this community was the marriage of Sunday afternoon of Shirley Jane Campbell, daughter of Harold DeWayne Campbell of Shenandoah and Robert Fred Hahn, also of Shenandoah.

The double ring service which was held at the Shenandoah Christian Church, was preceded by a half hour of nuptial music. Ann Sirly Louis played I Love You Truly and Oh Perfect Love. Marvel and Doris Oswald sang Oh Promise Me and The Lord's Prayer. The bride was given in marriage by her father at the altar, which was banked with garden flowers and lighted by seven white satin and she wore a finger-tip veil of white net trimmed with lace. She carried a white prayer book and a corsage of white gardenias. Norman Campbell was her sister's maid of honor. Her gown was of ice blue and her corsage was yellow gladiolus and white chrysanthemums. Phyllis Lomax, bride's maid, wore a gown of powder blue and carried a pink corsage of gladiolus, Charles Carver and Betty Hahn, nieces of the groom, were flower girls. John Hahn of Gallon, served as his brother's best man.

Ushers were Alfred Hahn of Mansfield, brother of the groom, and Richard Gramley of Mansfield. The vows were read by the Rev. Luther Hahn, brother of the groom, assisted by Rev. John McDonald.

Immediately following the wedding a reception for several hundred guests was held at the Shenandoah Hall. For her wedding trip which will take the young couple to Niagara Falls, the bride chose a pin stripe suit of gray. The former Miss Campbell is a graduate of the Union School and was formerly employed at the Mansfield Tire & Rubber Co. The groom, known to friends as Shiloh at "Bob" drives a Pure Oil truck for the Shiloh route. They will make their home for the present with the bride's father in Shenandoah.

HOME ON LEAVE
Signalman First Class Roy Shaffer, brother of Mrs. Roy Heifner, is home on terminal leave after five years in the Navy. The former Shiloh boy will soon receive his discharge.

MOVING TO NEW YORK
Mr. and Mrs. A. K. Koser and children expect to leave Saturday for Dunkirk, N. Y., to make their home. Mr. Koser has been associated with the Koser Bros. Grocery and Baking Co., here the past year, and resigned to accept a position with the Case Com. Food Production Plant.

They have sold their property on Portner street to Mr. Frank Koser of Sandusky, and it will be tenanted by Mr. John Zimmerman from Sandusky. Mr. Zimmerman has had thirty years of experience as a baker and Koser Bros. will continue to render the same excellent service and baked goods.

HATED CO-WORKERS AND FRIENDS... CONSTIPATION THE ROOT OF HIS TROUBLE

Mr. Elmer Nelson, of Thrush Avenue, St. Louis, Mo., writes: "I was so miserable with stomach gas that I hated my co-workers not sharing my trouble. Then a fellow left a note on my bench telling me about Pru-lax. That receipt did the job. Down at the shop, they tell me it's a joy to work with me again."

Pru-lax is the laxative containing Cascara and Senna herbs that do a thorough but gentle job of flushing the bowels. People suffering gas pains, vertigo (dizziness), lack of pep and energy, feel like a million after just one bottle of Pru-lax. Caution: Use Pru-lax only as directed. Money back if not delighted with results.
