Come on up!
Come on down!

THIS is the story of a blighted romance. These Swiss sweaters have come to the parting of the ways. He keeps on climbing UP. She keeps on coming DOWN. Only a while ago they started out together, hand-in-hand.

This is also the story of your cost of living. It has been climbing steadily. Department of Labor statistics show that it has gone up 31% since 1939.

But wait a minute! National average figures show that the cost of electricity has actually been coming downward. Since 1939 — through years of war and shortages, rising prices and higher taxes — the cost of electricity has decreased 14%!

Actually, the average American family is now getting twice as much electricity for its money as it did 20 years ago. Negroes' electricity done so much for so little.

Your friends and neighbors in this company — under sound business management — made this possible. Your own increased use helped.

1947 - YEAR OF DECISION

Here's the question that makes all other questions unimportant: What kind of stewardship will man exercise over atomic energy?

Only goodwill and a sense of responsibility for the well-being of the world can guarantee the choice that will benefit, not exterminate, humanity,—that will revolutionize the patterns of power and transportation and con-

tribute to health and healing.

Since control is a matter of spirit and motive, alarmed scientists have called upon religion. The churches have responded. Methodist laymen, for example, as a part of their work for Christ, are launching a year of Christian stewardship, in which the control of nuclear energy is one of the emphases.

DOINGS IN CONGRESS

By Cong. Wm. Lemke

It is time to stop listen, think and look at ourselves — not always at the other fellow. How many of us are the unwitting stooges of false mass propaganda — mob psychology? During the war, Congress passed laws outlawing communism, fascism and nazism. It made it a crime to contemplate violence against the Government. It enacted a law that compelled a Federal employee to take an oath that he was not a communist, or connected with any subversive Americanism.

Prior to, during and since the war, some communists covered up their activities by shouting fascism and nazism from the housetops, but the word "communists" got into key positions, not only in the Executive Department of our Government, but in the army and the navy.

These did not hesitate to deny under oath that they were connected with the communist party. Now Carl Marzini, high up in the State Department, has been indicted. He was charged with having committed perjury when he denied he was a communist, and when he denied having participated under assumed names.

What is true of the State Department is true of many other departments. Underground communists have gotten into positions where they can be dangerous to our form of government. It is the undercover commies that are dangerous—not the Browners or the Posters. We have nothing to fear from the communists if they work in the open. We know that our people are too intelligent to want to accept the Russian system of government. We are sure that

Americans will not knowingly surrender their liberty—the right to read, think and say what they wish—for the privilege of a mere existence. Eighty percent of our people do not wish to become slaves of three percent who have the power of life or death—liquidation—over them.

Let us be on guard lest we become the unwitting stooges of this undercover group — this smear gang. We know that they have made inroads. We know that they have infiltrated colleges, churches, parent-teachers associations, labor and veterans organizations. If there ever was a time that we should think before joining any organization, it is now. It is no discredit to have been misled, but it is a discredit to continue to be misled when you know better. Let us wake up and drive the commies out into the open. Our nation still has the highest standard of living of any nation. Remember that if Russia has anything better than we have, we can get it if we want it, but we will not accept it at the price of surrendering our liberty.

LOCAL BOY WITH EIGHTH ARMY

IN KOKURA, K. USHU, JAPAN

December 28 — Edden R. Sourwine, son of Mr. and Mrs. Jess Sourwine of 2 Trust Street, Ky., Ohio, has recently been assigned to the 11th Field Artillery Battalion, a unit with the 24th Infantry Division, for occupation duty in Kyushu, southernmost of the Japanese homeland islands.

Private Sourwine entered the Army July 29, 1946, in Mansfield, Ohio, and prior to shipment overseas received eight weeks basic training at Fort Knox, Ky. Upon his arrival in the 24th Infantry Division areas on Kyushu, Sourwine found many improvement projects under construction. In an effort to equal military installations found in most of the Japanese homeland, the Division is furnishing its men with the best recreational and amusement facilities available.

Plymouth Wins Over Ontario

Coach Dick Casad's Ontario quintet was knocked out of a second place tie with Lexington in the Richland county league by Plymouth Tuesday night, 59 to 48.

The Plymouth five grabbed a 16 to 15 lead at the beginning of the second period and never dropped behind. Bob Hampton and Cornelius Vacker tallied 14 points each for Plymouth.

It was Ontario's fourth loss in eleven contests and Plymouth's sixth win in 11 starts. Howard Sannucks scored 16 points for Ontario reserves, 29 to 21.

It's Just a Matter of Opinion— Say Educators

Jason C. Murlin, former Plymouth Faculty member and Superintendent of North Fairfield Schools, sends the Advertiser a clipping taken from the Newark Star-Ledger, a daily newspaper in New Jersey. It's a very timely article and one that has received prominent attention not only in this area but over the States.

Mr. Murlin states they have been having regular spring weather over in New Jersey. In fact it was so nice that he and his wife drove up to Bear Mountain recently. There wasn't a cloud in the sky and he had signs of "no skating" on them.

At Tomkins' College they say possibly 100-150 warships of different kinds. A sign labelled them "Excess naval supplies." They followed the Hudson River U. S. 9-W up and N. Y. 17 and U. S. 20 on return. The latter route follows the Ramapo River Valley.

The submitted article is as follows: WASHINGTON American school teachers' union is getting together on whether it is worthwhile to give pupils graded report cards, but as yet the students haven't been called in to settle the argument.

A sampling of teacher opinion by the National Education Association shows that some teachers would abolish grades completely, many favor the standard A-B-C-D system and still others recommend a variety of in-between methods of estimating junior's success in the classroom.

The union opposes grading claim it sets up false standards, makes the children strive for high marks instead of knowledge, and is an unnecessary burden since children vary widely in talents, causes jealousy and encourages cheating.

On the other hand, many teachers claim grades are an incentive to the child, help him appraise himself, give the parents better perspective and help in choosing individuals for specialization.

Another teacher considers grading a preparation for real life, when individuals are constantly being evaluated by friends and business associates.

Jason C. Murlin, dean of boys at Nutley Junior High in Nutley, N. J., reported an experiment which showed the "H, S and U" system most satisfactory. The child whose work was satisfactory according to his mental and physical ability received "H," the child who failed to make satisfactory progress according to his capacity received "U," only the few definitely superior children receive "H" for High.

Chosen President

Mr. Clay Stackhouse of Wakeman was elected President of the State Federation of Soil Conservation District Supervisors at the Annual Meeting of the Federation held recently in Columbus. This organization is composed of the Supervisors from the fifty-seven Soil Conservation Districts already organized in Ohio and serves in helping coordinate the activities within the various districts.

Mr. Stackhouse is Chairman of the Board of Supervisors of the Huron Soil Conservation District.

BOOSTER CLUB MEETING

Thursday Night, Feb. 6th Jaycee Club Rooms Around the Square (Continued from Page One)

he was leaving Wednesday for California, it certainly gave us a surprise. We always counted on at least one annual visit from this genial gentleman, but when he went away in Calif. I'm afraid he's going to be like Joe Bevier, "just thinking of us from now on."

Yep, Bill's been married six years... married life and Father Time has put somewhat of a mature appearance on him, but he's still a handsome cuss. I mean he got the personality to make a good insurance agent or salesman, and that's just what he intends doing... setting himself up in the insurance line. So, if you're a West Coast reader wish to transfer their policy, or to take out a real line of protection, just look up Bill... he'll plan the job in about four weeks at Oxnard, Calif., which we understand Los Angeles is a suburb. Bill's address will be forwarded to those who are interested in insurance. Good luck, fellow.

I'VE HEARD of fellows losing their shirts in a poker game, but until this week I've never known one man could lose eight shirts without knowing where they might be. Ed Curpen, who operates our local gift shop, has been told to go to Florida for several weeks. He sent eight shirts to the laundry (white ones, too), and they never came back. He began to worry, and we do mean WORRY. In fact, he was just about to cancel all reservations. Willard Wirth, ex-mayor, stopped in at Bob's Barbershop Wednesday, and Bob said him if he wanted his shirts. Bill seemed a bit dazed and dumfounded, and declared he had no shirts in the laundry. Upon examination it was revealed they belonged to Curpen, and when he received the news that "the lost had been found"...well, he was almost ready to leave at once on that same long journey. Curpen's Jewelry & Gift Shop will be closed from Feb. 10 to March 1st, now that the shirts have come home.

THEY'LL DO it every time— Bill Jump of Jump's Clothing Store, who served in the army for three years, placed a lot of men on KP in his day. The worn turned this week and Bill went on KP. It seems that "wife" had been away about ten days, and Bill had been doing a little cooking. Anyway his boss had expected home Tuesday, and Bill had to work all Monday night to get the kitchen in shape. He really got things shined up, for it he hadn't, who he might as well join the army! It was a good job Bill, but the next time, you better "eat out!"

Service when Cable is able. Sometimes people get a telephone ahead of their friends who have been waiting a longer time. The reason for this is that cable facilities are open in some locations, while not in others. Lack of cable facilities is a major cause for the delay in extending telephone service. For this reason we must make full use of existing cable capacity to meet as many demands for service as possible.

BOX PARTY
The Girl Scouts are having a Valentine Box party next Monday p. m. after school. Each girl brings a box lunch and Martha Schreck will auction them off to the girls. Mariene Burrer is the chairman.

Most of the gifts for Holland are packed and ready to send. Anyone having anything to send may bring or send it that night and the boxes will be finished up to mail.

Plans for our Birthday Anniversary

versary will have to be discussed. Several of the girls passed tests on their first class work.

It was voted to send \$5.00 to the Juliette Lowe fund again this year. This is a fund to aid Girl Scouts in other countries.

MISS PEARL ELDER HOSTS TO TOURIST CLUB
Miss Pearl Elder was hostess to members of the Tourist Club on Monday evening. After partaking of a delicious dinner the president, Mrs. Ramsey, called the meeting to order.

Mrs. Stacy Brown was in charge of the lesson and chose for study and discussion: "What I Say Across the Rhine" by J. Frank Dobson. Mr. Dobson traveled through Germany as a civilian lecturer in the United States Army's Information and Education Division and tells of his experiences and conditions as they are today. Not one of the great hotels in which Berlin used to entertain the world is left. The entire picture is one of profound and almost unrelieved grayness.

Mrs. Stacy Brown will be the hostess on February 10th and Mrs. Eldon Nimmons will have charge of the lesson.

TWO BIRTHDAYS OBSERVED AT KINDERGARTEN

Two birthdays were observed the past week at the home of Mrs. H. H. Fackler, who conducts the Plymouth Kindergarten. On Monday, Lynn Cashman, son of Mr. and Mrs. Harold Cashman was five years old and to mark the occasion he was host to members of the morning group. All were present with the exception of Ruth Fitch who was absent because of chicken pox. Ice cream and cake were served.

On Friday afternoon, Billy Archer, son of Mr. and Mrs. Chas. Archer marked up his sixth birthday and the little folks were treated to cake, ice cream and favors. The class was all present to help celebrate with the exception of Max Caywood. Games, songs, and special entertainment marked both events.

Scarlet Fever Cases in Plymouth

Two cases of scarlet fever were reported Wednesday in the local schools. While the cases were slight, the school was closed and school authorities are asking the cooperation of parents in checking the disease by seeing their children are kept at home with the first indication of a sore throat or fever.

The health nurse from Mansfield visited the school Wednesday and states from seven until ten days is usually the period for contracting the disease from time of exposure.

The students are two sisters, one in the fourth and the other in the sixth grades and reside on Plymouth R. P. D. While it is necessary to institute proper precaution, precaution is absolutely necessary.

COMMITTEE MEMBER

Congressman J. Harry McGregor (Rep.), 17th Ohio District, has been assigned as a Member of the Committee on Public Works of the House of Representatives. Youth Sunday

Methodist Youth conducted fine Worship Services at both the Plymouth and Shiloh Methodist Churches. Twenty-seven youth took part in these services.

Miss Dorothy Brook and Paul Scott talked on the topic "The Stewardship of Possessions." Stanley Huston and Quentin Ream talked on the topic "The Stewardship of Talents and Time." Mary Ellen Thomas told the story of Bishop McConnell's mother who was left a widow and raised her five children in a christian home. Three of her sons went on to be ministers, one of course being Bishop McConnell. She was a tither and kept her money in an old coffee can. Sid Thomas and Juanita Brook read the Scripture Lesson. Ruth Ford offered the prayer. James Shurt, Nora Slocum, Douglas Amstutz and Anna Mae Hamman received the offering. Phyllis Haines and Juanita Brook sang a duet. The youth choir sang "O Master Workman of the Race" at the Plymouth church.

Our youth did a swell piece of work for which as their pastor I am grateful.

AT PRESBYTERIAN CHURCH

Young People took charge of the service at the Presbyterian Church Sunday. The attendance was the largest the church has ever had for Young People's Lesson. Robert Sponceller acted as leader and read the Scripture, the general theme was "Sharing" and three older young people spoke on different phases of the subject. James Cunningham spoke on: Youth Shares Christian Faith; Miss Fay Jeffrey, on Youth Shares Youth and H. Van der Vort on Youth Shares the Christian Answer. The Children's Choir sang a two-part anthem: Agnes Roberts and Betty Christoffer had for their subject: Lela Vandervort and James Watson also sang with Charles Wolfgang accompanying. The climax of the service was the litany of dedication, led by Robert Sponceller.

With D. J. Ford as chief of the kitchen, aided by a staff of experts, fifty-five men sat down at the Lutheran Church last farm day night to a pancake and sausage supper.

gram following consisted of the reading of several poems sent by the poet, which brought many chuckles.

Following this Mr. E. P. Scott, one of the outstanding laymen of the United Lutheran Church gave a vital and interesting talk. He was general chairman of the national convention of the Lutheran Church held in Cleveland last fall.

In his message Mr. Scott pointed out the need of all Christians to become well informed on what the church is doing.

F-R-H Show Talk

The prevailing Spring weather the first of the week makes one have a tendency to dream of that "garden spot."

We regret to report an accident which occurred last Friday in which Dale Kessler received a fractured right leg.

Harold B. Robnolt, who works on the night shift in the machine room, had a very painful mishap on January 16th.

Accidents in January seem to be on the upward trend. Sometimes I am inclined to believe we place too much trust in a piece of iron or steel.

"Dick Hautzenroeder, our tractor engineer, is going "big time." Hautzenroeder expects to leave within a couple of weeks to become associated with Harry Ferguson, Inc.

Hautzenroeder, a native of Mansfield, has been with F-R-H for the past ten years, taking over the tractor engineering division Dec. 15, 1936.

Ever Try to Make a Sale?

Why do you continue to hold on to this "or that article"? Is it because you do not know anyone who might be interested in buying it? Perhaps you may think because it is useless to you, no one else would be interested.

Why don't you give yourself a big surprise? Just give a description of the things you want to sell in a brief way, and run an ad in the For Sale Column of The Advertiser — and see how many inquiries you will get!

So many people have been surprised when they advertised, until they are confident more people read the want ads than ever we suspect.

The farmer who wants to buy or sell can do it with the greatest ease — whether it's a tractor, livestock, wagon, hay or grain — because we cover the farm field in North Richmond and southern Huron Counties.

Don't delay another week in advertising that extra article you have been wanting to get rid of — send or bring in your want ad and The Advertiser does the rest.

It's smart to read the Want Ads — for nine times out of ten, IT PAYS!

Links Skill Too!

With the Eighth Army in Yokohama, Japan—Colonel John P. Kaylor, of 83 Plymouth Street, Plymouth, Ohio, has recently been awarded the Army Commendation Ribbon for his "superior supervision of intelligence problems" as Executive Officer, G-2 (Intelligence) Section, Headquarters Eighth Army. Presentation was made by Lt. Gen. Robert L. Eichelberger, Commanding General Eighth Army.

The certificate of award praised Col. Kaylor for his work in setting up the Section for immediate occupational intelligence work upon arrival in Japan. "Subsequently he supervised the establishment and reorganization of the Command Post to meet changed conditions in Japan," Col. Kaylor, in his "report" summarized, "Contributed materially to this phase of the Occupation mission."

Col. Kaylor was graduated from Kemper Military School, Booneville, Missouri, before attending West Point, from which he was also graduated.

His wife, Mrs. Mary Kaylor, arrived in Yokohama on June 24, 1946. They reside together in quarters of the elegant Helm House in Yokohama.

Col. Kaylor is the son of Mr. and Mrs. F. V. Stout, also of Plymouth, Ohio.

Sylvia registers a smile of exhilaration while chalking up another low score on the links. WLW's lovely songstress capitalizes on a day off from her busy schedule to keep her golf game in swing.

She's the star of "Sylvia Slings," Sundays at 11:15 a.m. EST. In addition to appearing on several other WLW programs.

THIRD SIX WEEK PERIOD PERFECT ATTENDANCE

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

- Q. What educational benefits do I get under the GI Bill of Rights?**
- A.** If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.
- Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.
- Q. What about family allowances?**
- A.** For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.
- Q. What are my chances of going overseas?**
- A.** If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.
- Q. Can I still choose the branch of service I want to serve in?**
- A. Yes.** You can pick any branch which has quotas to be filled, if you enlist for 3 years.
- Q. Is there any pay I can reenlist in my old grade?**
- A. Yes,** you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.
- Q. Is there any other way I can reenlist in grade?**
- A. Yes,** if you held one of certain military occupational specialties, and were discharged on or after May 15, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.
- Visit your nearest U. S. Army Recruiting Station for answers to all other questions you may have, or for further details on the above questions.

the second team played pretty good. Little Zeke was out there guarding his man for all he was worth. When Ford shot that long one I think he was just as surprised as the crowd was when it went through. There was a good cheering section, too, considering it was an out of town game. It's that kind of basketball that really makes one appreciate the team.

OUT OF SCHOOL

Doris Gullette, Junior, and Jim Gullette, Seniors are out of school this week. News was received earlier of the death of their great-aunt in Kentucky and they are out of school to attend the funeral.

CLASS PLAY

Allen Kirkpatrick, the Senior Class President, has appointed a committee to read over a list of possibilities for the Annual Senior Class Play which will be held some time this Spring. Agnes Roberts, Robert Hampton and Margaret Kemp are now reading some of these plays and three or four plays will be presented to the class for approval soon.

WHAT'S GOING ON AROUND HERE? 1

The Sociology Class is still finding out what makes the Government tick . . . The Biology Class is studying about plant life and animal life . . . The American History Class is studying about the troubles of the beginnings of this nation . . . The Bookkeeping Class is trying to prove that 2 and 2 still makes 4 . . . In Chemistry Lab, the Juniors and Seniors proving their experiments . . . In Typing Class 45 words a minute is this month's goal . . . In Home Ec. Class the girls are learning to cook, sew and the million other things that go to make a home . . . Most of the English Classes are having English Literature and really enjoying it.

GIRLS GYM

A girls gym class has been started. Miss Jeffrey is teaching it and the first meeting held last Tuesday at 3:15, proved satisfactory. The only requirement is you must be in the 8th to 12th grades. The first month there will be six meetings. If, at the end of the month, there is still a good attendance, officers will be elected. This class meets from 3:35 to 4:00 on Tuesday and Friday. At the present time, basketball is the chief interest among the girls. All girls interested in Girls' Gym, see Miss Jeffrey or Phyllis Taylor.

BASKETBALL

Last Thursday evening at 7:30 the Freshman played the Eighth grade in basketball. Cornelius Vanderbilt was the referee and the two grades put up a pretty good fight. The Freshmen came out on top, though, and thus the game ended. After that game, the Plymouth J. C. played the Celeryville Tops in the auditorium.

MUSIC GROUP FORMED

Under the leadership of Miss Bethel, a Boys' Junior Club has been formed. This group consists of boys in the third through sixth grades. At the present time

there are fourteen members, and plans are being made to enlarge the group. The purpose of this group is to give individual help to correct and improve some of their singing habits. At their last meeting, officers were elected and the results are as follows: President—Tom Meiser, 6th Grade; V. President—Nelson Roberts, 4th grade; Secretary-Treasurer—Lee Steels, 5th grade; Librarians—Larry Root, 5th grade; Johnny Fetters, 3rd grade. Those in this group are Johnny Fetters, Jack McQuate, Nelson

Roberts, Otis Port, Francis Dorton, Lee Steels, Ronald Muma, Larry Root, Larry McFadden, Royal Eckstein, Tom Meiser, Lenny Gooding, Bob Mitchell, Burchell Sexton. Director—Miss Bethel.

PEP SESSION

Pep session for the Friday night game with Lucas was held Friday noon at 12:30. The Cheerleaders urged everybody to go to the game and yell for our side. One new cheer was introduced and when it was used Friday night, it went off all right. The Cheerleaders are doing their bit for the team, are you? ?

PILGRIMS' PRIDE
Everybody here at the high school were certainly thrilled at the outcome of the Lucas-Plymouth game. Those of us who were lucky enough to attend really got a good game for our money. When Ronald T. shot that foul that won the game, everybody went off their feet. The rest of the fellows played good ball, too and we were very satisfied that we won. Oh, yes, that reserve game. Boy, that was something. If you can't thought

How's Your Battery?

The chances are you THINK it's OK, but if a cold spell suddenly comes, will it start your car? Why not drive in today and let us check it over. It's a smart thing to do, for new batteries are hard to get. And we'll be glad to tell you just what condition we find your battery. When you stop to buy gas, it's a good policy to add water to your battery, for water is vital in maintaining the life of a battery. It's part of our service to give your battery water when it needs it.

What Day Did Christ Sanctify

PART II

By Dalton F. McDougall

Why has God selected the seventh day to be the Lord's Day? The Sabbath of the Lord . . . for in six days the Lord made heaven and earth, the sea, and all that in them, and rested the seventh day: Wherefore the Lord blessed the Sabbath day, and hallowed it." Ex. 20: 11.

The observance of the seventh day rests on three facts: 1. The Lord made the world in six days On the seventh day, or last of the week, He rested. 2. The Lord blessed the seventh day for man. 3. He sanctified, or set apart, the seventh day for man. Who was this Lord who made the earth in six days, and rested on, and hallowed the seventh day for man? The Apostle Paul in his writing to the Ephesians while at Rome has this to say, "which from the beginning of the world He hid in God, who created all things by Jesus Christ. Eph. 3: 9. The Lord Jesus Christ, through eternal Son of God, was the Father's agent in creation. Six
