

Death Takes Mrs. Lybarger

Mrs. Elizabeth K. Lybarger, widow of Orrville J. Lybarger, passed away Tuesday evening at 9:30 at the Shelby Memorial Hospital where she had been removed on Monday. Mrs. Lybarger suffered a stroke Sunday evening and failed to rally.

Born June 12, 1886 at Tiro, she was the daughter of Anthony and Amelia Schott and at the time of her death was 60 years, 10 months and 8 days of age.

She has been a resident of Plymouth the past thirty-five years and during that time gained a host of friends who will miss her friendliness and cheerfulness.

Survivors include her son, Vincent at home; two sisters, Mrs. Fred Trucks of Bucyrus and Mrs. Peter Habig of Tiffin; two brothers, William Schott of Shelby and Joseph Schott, Columbus.

The body was removed to the McQuate Funeral home until time of services which will be announced for Friday morning at 9 o'clock from St. Joseph's Mission. Rev. Father Anthony Wortman will officiate at the funeral and burial made in Greenlawn cemetery.

Poppy Day To Be Held May 24

Poppy Day will be observed in Plymouth, May 24th, on the Saturday preceding Memorial Day with the American Legion Auxiliary organizing the sale. The poppies are made by hand by the American Legion disabled veterans from World War I and II. Wearing the flower is the National's annual tribute to the World War dead.

In 1922 the first poppies were made by veterans in the hospitals. The poppy was made the memorial flower of the American Legion and adopted at the National Convention in Cleveland held Sept. 27-30, 1920.

When the American Legion Auxiliary was organized in Plymouth in 1921, one of its first official acts was to make the poppy its official memorial flower.

The crepe paper poppy was developed by the American Legion and Auxiliary because it provided the maximum of work for the disabled men with the minimum expenditure for materials. Wearing the flower has come to mean honoring the dead and helping the living.

In 1924, it was seen that the poppy program led itself more naturally to the work of women than of men, and the American Legion gave the auxiliary complete charge of the national program.

Jeep Caravan

A special invitation is extended to all citizens of Plymouth and surrounding territory, by George Rogers, to come down to Mansfield this afternoon and see the caravan of forty Willys Jeeps.

Whether you're a business man, farmer, machinist, garage owner, or affiliated with the manufacturing industry, you'll find a jeep equipped with the device designed to save time and money. There will be jeeps with air compressors, hydraulic lifts, sprayers, post hole diggers, paint guns, welders, and fire fighting equipment. These are just a few of the many features that will be included in the jeep show.

The caravan is making a tour of the state, and as Mr. Rogers is the jeep dealer for this area, he will be interested in personally showing all of the features of the entire display. The caravan is due to arrive in Mansfield this afternoon and will be ready for display at two o'clock at the B. Rogers Co., 364 East Third St., Mansfield.

Farmers in this vicinity will find the show especially interesting. Many of the jeeps are of farm operations.

Form 2-County Lamb Pool, Elect Officers

NORWALK — A market lamb pool for sheep and lamb producers in Huron and Richland-counties and adjacent areas will be established as soon as final arrangements have been completed. It was announced by Guy Hummon, Huron-co. agriculture extension agent.

Officers elected to head the activity are Willard Fritz, Huron-co., chairman; Lester G. Lantz, Richland-co., vice chairman; Clarence E. Riggle, Richland, secretary-treasurer; and committee members: Lester Thudium, James McIntire, Fred and Clayton Albright, all of Huron-co., and Rosalind Robinson, Mackey, G. H. Sheppard, all of Richland-co.

The Cleveland Producers Livestock Co-operative Association was selected by the joint meeting as marketing agency to handle grading, weighing and sales at the pool.

Class To Give Play At Ganges May 13

The Senior class play, "The Ditty Dilla," which made such a hit in this community, has been asked to present it at the Ganges Hall in Ganges on Tuesday evening, May 13th at 8 p. m.

The play was presented here on the 18th of April and pronounced one of the best class plays ever given. It will be hilarious and laugh each member of the cast lived rather than acted their respective part. There wasn't a dull moment during the entire play and it moved at a breath-taking pace.

Admission for adults is 50c and students 25c.

Niece Passes Away

Mr. and Mrs. C. O. Cramer, Mrs. Doris Gooding and son Larry were called to Toledo to attend the funeral of Miss Peggy Lou Cramer, who was a granddaughter of Mr. and Mrs. Cramer. Peggy was a student at the University of Toledo and was 20 years of age. She was the only granddaughter of Mr. and Mrs. J. M. Cramer, who were the parents of the late Plymouth of the home of Plymouth. The funeral was held on Wednesday at the West-Columbus funeral home.

What Do You Think A Girl's Worth?

You're being asked this question because it's a bit hard for you to place a monetary value on any one girl in the community. But if you were to ask us: "What is the value of thirty-six girls?" Then the answer becomes easy. Let's look twenty years ahead, or even fifteen years, and what we may develop out of a group of thirty-six youngsters, who today are Plymouth's pride and joy. We may have an outstanding presence in two or three highly technical fields; we may have a half dozen nurses, but it's a sure thing that with the proper development we're certain of having thirty-six good, clean, home-loving citizens. And a community's value and pride is judged along by the character of its citizens.

Some fourteen years ago a movement was started in Plymouth for the organization of Girl Scouts. At that time, children had a problem of finding someone to act as leaders. It died off, but a few have managed to stick together, meeting now and then, when they could find a place. A few months ago, some new spirit must have come into the hearts of several Plymouth women, for quite a number of good mothers have volunteered their time and effort to build up the Girl Scouts, and they have done a splendid job. Now that the Girl Scouts are really organized with trustworthy leadership and guidance, their greatest need is some meeting place. They have plans for the purchase of a Scout Hut, and everyone is willing to cooperate, but that cooperation takes money. A canvass the past week revealed a few dollars here and there, which indicates that Plymouth citizens don't think very much of their youngsters. Getting right down to brass tacks, a few dollars here and there, look after our children in a more ardent manner. It's true you've been benefited for numerous

drives, and local merchants are pretty well fed up on being asked for handouts; we've sent money to foreign missions, and a dozen other things which divert our dollar into channels other than home needs. But all of the help you've extended elsewhere is not a direct benefit to you. But when you give to the Girl Scouts, you're not only improving the character of Plymouth's future citizens, but you're building up a faith in youngsters that can't be purchased at any price.

This organization has been thoroughly investigated as to membership, the sincerity of its leaders, its needs and aims, and we heartily endorse it as one of the finest movements ever staged in Plymouth. If you've been one of those who contributed a dollar, won't you fill in the blank below, and enclose nine more? You can't let the kiddies down now, and as far as we're concerned we don't intend to.

If you're a subscriber to The Advertiser and live elsewhere, you can get your name in the paper and a special write-up for \$5.00; fill in the blank below, send your contribution to The Advertiser, and proper credit will be given. Of course, we'd be glad for \$1.00. The main thing is to get the girls a place where they can meet and learn the things that are good for them. In closing this appeal, you'd probably like to KNOW just how your dollar is going to do. Well, the girls are buying a pre-arranged hut at \$500 cost, and it's going to take another \$500 for foundation and finishing. Of course, there's a possibility of it being located at a beautiful spot in the city. Do you want more? And remember this: "As the twig is bent so shall the tree grow."

Contribution Blank

P. W. THOMAS, Editor The Advertiser:

Enclosed find \$..... which is a donation to be used in the purchase of a Hut for the Plymouth Girl Scouts. I am deeply interested in the youth of our nation, especially the girls of Plymouth—those 36 Girl Scouts.

Lexington Girl, Shelby Boy Win League Contest

Mary Vanderbilt of Lexington high school and Herbert Tullis of Shelby high school were the winners for Richland county in the final examinations of the Anti-Saloon League of Ohio's written test held in Lexington, Saturday, May 1st. Each will receive a trip to Florida as their prizes for the highest grades among Richland county students.

Mrs. Vanderbilt scored 127. The points out of a possible 133 and Tullis scored 127. The finals, held in the Mansfield Senior high school, for both afternoon and evening sessions, were the winners for ten high schools of Richland county.

Others who took the final examinations were Fred Gore, Lexington; David Goldsmith, Belleville; Kenneth Livingston, Springfield township; La Vaughn O'Neil, Shiloh; Robert Croy, Plymouth; Russell Barr, Lucas; Marjorie Hoon, Lexington; Eva Crawford, Springfield township; Norma Richmond, Shelby; Bonita Long, Belleville; Ruth Winbigler, Shiloh; Phyllis Haines, Plymouth; Beatrice Guller, Lucas; Marilyn Genn, Mansfield and Freda Oswald, Butler.

Tests were based on information in booklets distributed among pupils for both afternoon and evening sessions, under the chairmanship of Miss Hazel Mitchell, assisted by Rev. Harlan Smith, and Miss Margaret S. Shields of Shelby and Mrs. Harold Sams of Plymouth.

Willard Trio Escapes Injury

Three young Willard women narrowly escaped serious injuries Saturday afternoon when the Chevrolet Convertible Coupe in which they were riding left the road and off the shoulder on Route 224 and turned over in the ditch. While all were completely shaken up and somewhat bruised, they were fortunate in not receiving more serious injuries.

Mrs. Walter Lindsay, Jr., was driving and it is thought the car got into the ditch because of the road and the lost control of the car. The other occupants of the car were Misses Dorothy Raper and Jean Hartsell. The group were coming from Willard when the accident occurred.

C. E. To Hold Spring Session

The annual spring convention of the Richland County Christian Endeavor will be held in the Belleville Presbyterian Church on May 4th.

An interesting program has been planned for both afternoon and evening services, under the chairmanship of Miss Hazel Mitchell, assisted by Rev. Harlan Smith, and Miss Margaret S. Shields of Shelby and Mrs. Harold Sams of Plymouth.

WEATHER

Rainfall for the month of April, 1947, up to 6:00 p. m. April 30th totaled 5.49 inches. This is the heaviest April rainfall since 1929 when it totaled 5.71 inches. It rained more or less, on 21 days; the greatest in 24 hours was 1.4 inches on the 20th and 21st. There were 14 cloudy, 7 partly cloudy and 9 clear days.

Despite heavy frosts, the temperature for the month was almost normal—47.8 degrees, an excess of only 2.1 of the degree. The highest was 78 on the 6th; the lowest 27 on the 3rd.

Although it was a bad month for farmers, with little plowing done and practically no coats sown. Wheat and pasture, though never looked greener, and if it will now just stop raining there will still be time to plant oats, although it is getting very late.

Seniors Plan Washington Trip

June 1st, at 9:04 p. m., twenty Seniors, two chaparrons, Mrs. and Mrs. John Lanus, will board the B. & O. "Ambassador" at Willard. They will arrive at Washington, D. C., June 2nd, at 8:00 a. m. and will leave Tuesday and Wednesday will be spent in Washington.

There will also be a grand double tour, seeing Arlington, Alexandria, Mt. Vernon and home and back to Gen. George Washington. Another point of interest which will be seen is Annapolis, home of the United States Naval Academy and capital of Maryland. One of the most pleasant of the planned tours is the Moonlight Ride on the Potomac River. Of course, there will be plenty of time to buy souvenirs, take pictures, and do all the other things that make the trip complete.

Complete arrangements as to how reservations have not been completed as yet, but M. J. Casey of the B. & O. Railroad is seeing to all arrangements. Wednesday, May 29th, at 9:15 p. m. and arrive in Willard, Thursday at 9:13 a. m.

Girl Scout Drive Lags

The campaign for funds to purchase a home for the Girl Scouts and Brownies is now in its second week. Although the house to house canvass ends on May 5th, anyone wishing to contribute after that date can leave their donations at the Peoples National Bank, Robby's or the Plymouth Advertiser.

The building which is to be purchased from the Attica Lumber Company is now ready and will be brought to Plymouth as soon as the campaign is closed. Funds have been a little slow in coming in and pledges made to the various solicitors should be turned in as quickly as possible.

If you are a member of the Girl Scouts, any of the following solicitors will be glad to call on you: Mrs. Jacob Schneider, Mrs. J. W. McFarland, Mr. John Beelman, Mrs. Harold Teal, Miss Jessie Cole, Mrs. Paul Root, Mrs. George Hershiser, Mrs. Elton Robertson, Mrs. Miles Christian, Mrs. Robert M. Hines, Mrs. Charles Myers, Mrs. Wilbur Shields, Mrs. Roy Carter, Mrs. Ernest Rooks, Mrs. Everett Haines and Mrs. Joe Burrer.

Kite Contest Winners Listed

High winds added to the interest of the Boy Scout Kite Flying Contest, held Saturday afternoon on the Riggle farm east of town. Over one hundred persons watched the twenty-five contestants struggle to get their kites in the air and then settle back with a sigh of satisfaction as they rose steadily in the high wind. Some kites did not fair so well, as it only took them a few seconds to put their kites up and watch them come plunging to the ground.

In the three stick class prizes were awarded as follows: kite letting out most string in two minutes, David Hutchinson, bill of fold from Jump's Clothing Store; smallest kite, Donald Smith; best kite, Donald Smith; best kite, Donald Smith; best kite, Donald Smith.

In the two stick class prizes were awarded as follows: kite letting out most string in two minutes, David Hutchinson, bill of fold from Jump's Clothing Store; smallest kite, Donald Smith; best kite, Donald Smith; best kite, Donald Smith.

Name Workers In Cancer Drive

Solicitors for the Cancer Campaign in Plymouth have been announced and are already on the job. This past week the coin collecting drive was placed through out the business section and in conjunction with the Shelby-Shiloh area, the committees hope to reach their goal of \$3000.

Among the names of the committee are: Willard Ross, Harold Cashman and Mrs. E. R. Haines. Cancer is gaining headway in the United States and one person out of five die of the dread disease. The efforts of the American Cancer Society are just beginning to show results.

For the past two years, your cancer society has helped establish a cancer clinic in Shelby and is now realising results. A new laboratory, staffed with efficient technicians and equipped with the latest equipment, has become a reality at the Shelby Hospital because of the generosity of people in this vicinity thru the Cancer Campaign. Your help is again solicited.

Around the Square

AFTER BEING OFF from work for the past seven weeks with the flu, Harry Page went back on his job at the Westinghouse in Mansfield, this week. In the few minutes spent with Harry, it told me the many operations which stoves and refrigerators go through, and it makes one want to see just how such appliances are built. It is estimated there are thirty-three million of consumer belts and chains in the plant, and as a final test for refrigerators and stoves, they are run through a 24-hour "hull dance" test which will show any defects in the enamel. That "hull dance" referred to means "shaking" without the girls.

DOC BABCOCK and his volunteer firemen want to thank the public for the splendid support given them on the benefit show at the Plymouth Theatre Sunday and Monday. The money raised from the venture will be used in the purchase of raincoats for the firefighters. There are fourteen men on the list of volunteers, plus the chief, and from what we hear they are planning to start a "Back the Green" fire protection 24-hours a day.

HERE'S A SEASONAL TIP for motorists from the Ohio State Safety Council: Spring brings out the sap in drivers. Be prepared to prevent an accident—ever the one the other guy might cause. Back the Green. Organize a drive to keep our highways clear.

THINGS TO COME — Breakfast food in packages which may later be used as play blocks by the junior. And a container for seed powder which sprays it around a garden as effectively as a spray gun. . . A glue with great adhesive power than previous compounds. It is highly resistant to boiling water or ice water. . . A motion picture camera which is said to be capable of taking pictures in a speed of 200,000 a second with good resolving power. New in principle it has a set of lenses in a row which operate by means of a second lens system to a single layer of film on a drum. . . Concentrated clam chowder, made so that it may be made into either a thick or thin chowder. . . Magnesium furniture for children. . . Shoes soled and heeled with sheet aluminum.

The new staid class prizes were not awarded as there was only one contestant, David Sams, who incidentally had a very beautiful kite but was unable to get it off the ground. The prizes along with others not qualified for in the above classes were won by: Mrs. Genn, Tom Station, socks, from Cashman Shop; pair of Bernard Garrett, flashlight from Brown & Miller Hardware; Ronald Norris, Theatre tickets; Ronald Norris, Theatre; Tom Station, haircut and bottle of shampoo from Bob's Barber Shop; John Peters, Eversharp pencil from Webster's Drug Store; Lanny Gooding, billfold from Brown & Miller's and Durward Vogel, indoor ball from Fortney's Pool Room.

A box of Hershey bars from the Black & Gold was not won and was distributed to the entire group of kite flyers. Each contestant was also given an ice cream cone thru the courtesy of the new owner of the Hitting Post.

The committee composed of Willard Ross, Harold Cashman, Pateznick, D. L. Smith and H. W. Ross wish to thank all those who helped. Also a vote of thanks to E. R. Peters for the use of his portable electric stove, to John Peters and Ed Witt for the PA system, Ed Ramsey for his voice, the judges F. E. Guthrie and R. W. Carter and C. E. Riggle for the use of the field for the contest.

WORKING AT HARRY'S MKT. Mrs. O. M. Lamoreaux who has been clerking at the Shutt Grocery Store has resigned and accepted a position at the Hitting Post Market. She began on her new work Monday morning.

DUE TO BETTERING in April and May, the weather in a spring planting. The weather is causing much concern locally over the outcome of 1947 crops. However a few days of sunshine and a little wind will do us good. Let's ground letting farm work get started—every week late!

CALLING NEW INDUSTRIES TO THIS AREA THROUGH NATIONAL ADVERTISING

NATURAL ABUNDANCE IN YOUR OWN BACKYARD TO MAKE MORE JOBS FOR MORE AND MORE OHIOANS THE OHIO POWER COMPANY

WE ARE continuing to direct the attention of industrialists to the advantages of locating here in Ohio, in a series of national advertisements, of which this is one. We believe that no other location surpasses the State of Ohio in an abundance of natural resources and we enjoy the privilege and opportunity to publicize both the natural and developed assets of the 555 friendly towns we serve.

F-R-H Shop Talk

The month of April saw quite a few changes in faces throughout the plant. Some new ones have been added, and a number of employees will be missing due to various circumstances. To the new ones we extend a warm welcome. . . . To the old ones, we regret to see them leave and wish for them much success in whatever endeavor they might pursue. Introducing the list of employees hired during the month of April we find Florence Cole, Monroe Collins, Charles Hockenberry, Carmilus Hale, Ross W. Bonney, Evelyn L. Kimes, Ralph C. Davis, Oakley Barnett, Arthur Stein and Clinton Craft.

For the same period, we find ourselves saying farewell to Francis Moreland, who returns to self-employment; John Reese and Doyle Newman, who have accepted positions elsewhere; Paul Vanderpool, who became patriotic and re-enlisted in the army; Perry Curtis and James Watson, Andrew Light, Ray A. Ramey, Paul Cramer, William Foreman, Bruce Snyder, Richard Moore, John Groover, Woots Vanderpool, and Robert Lute-man. Best of luck, fellows.

Fred Ross had the misfortune of having a piece of emery dust lodge in his right eye on April 21st, while grinding a casting. The mishap sent him to a specialist, and he remained in the hospital, and re-estimated in every thing comes out OK. The accident wasn't quite as serious as it might have been, but it proved a little discomfiting. Mr. Ross has been working at FRH for three years and for the past few months has been on the tractor assembly line.

Eye injuries seem to predominate at times, at least this is the case during April. Frederick Bauer knows how badly foreign substance can make an eye feel, for he had a piece lodged in his eye April 23rd, while working out in the locomotive assembly. The outlook is good now, and we hope that by the time this goes to press, all the pain will be missing.

Tom Kusnic is a pretty hefty chap, but a core box, weighing 150 pounds tried to get away from him Tuesday of last week, and in his effort to regain control, he strained his left side and tore a muscle. Off for a couple

of days, Tom is back on the job, and taking it a little easy. I think the Navy slogan is what we think most of when danger lurks, and that is: "clear the deck," but Tom was brave.

Cleaning off a casting he had welded with a hammer and chisel, Ralph Predieri had the misfortune of having a "chip" go into his right eye, which kept him from work for four days. Predieri works in the foundry, and this is the first mishap he's had for quite a spell. . . . But like the other two reported this month, the eye is a very delicate instrument, and is rather sensitive. . . . Ask the fellow who knows.

If any of you think a day at Chippewa Park would be an enjoyable event for the shop and town, why don't you say something to Red Burns, Jim Root or Tommy Thomas. The Community Club is greatly interested in helping sponsor this picnic, but needs a little encouragement.

Not so many months ago one of the boys recalled to me his experiences in Rio de Janeiro. . . . the magic of Brazilian moons. . . . beautiful serenades. . . . raven hair and dark eyes. . . . rosy lips. . . . and a desire to marry an American. Ah, yes. . . . what dreams. And now I hear he's going to remain in Plymouth. . . . a smart girl who doesn't live any further than New Haven, and she isn't of Spanish descent. Strange, isn't it, how our loves and fancies change.

"Women alone do not possess all the curves" avers Paul Mills, who works on the night shift in the tool room as a grinder. And after spending a few minutes with him recently, it can readily be understood why he'd make such a statement relative to "curves." It's his job to keep all cutting tools properly ground, and to do this, you've got to know degrees, radar, clearances and tolerances. . . . soft steel, medium steel and hard steel. . . . But Paul takes all the difficult grinding jobs as a matter of routine, and through the lone shift he hums and whistles, while the sparks fly. There are about a dozen different types of grinding machines in the tool room, and there is a machine almost for every type of grinding. Accura-

cy is the one word mostly thought of in the tool room, and especially grinding, for here just one slip of one fiftieth of a thousandths makes a difference.

Mark Caywood and Gus Dick are also artists in the grinding profession, and it's the kind of work where every job is different. Caywood has grown up in the tool room, and Dick got his finishing work in a Cleveland plant during the early days of the war. A watchmaker does no finer work than the men in FRH tool room, and the only difference is that the type of work or product is generally bigger than a watch, but narrow it down to the same proportion, FRH tool men are just as exacting. It is so natural for me to say something nice about Rolls VanWagoner, James Rogers, A. L. Healy, Mike Dick, Ned Earnest, Floyd Anst and Mark Caywood, and the others, for they've all had a hand in doing repair work on presses and long type setting machines, and as long as these men are on the job. . . . well, I have no worries of a breakdown.

Clancy Roe, our congenial and smiling truck driver, was called home Wednesday shortly after noon on account of an injury to his son Gordon. It seems that Gordon was on a hay mow, and decided to take a plunge, and in doing so, he fractured his ankle. The youngster has had previous mishaps, and we hope the injury is quick-healing. Our sympathy to Mr. and Mrs. Roe in this latest accident, and wish for Gordon an early recovery.

Miss Pearl Elder is back at her desk in the accounting department, and we're glad to report that she's looking fine, and is feeling much better, following an operation a few weeks ago. . . . our receptionist, Madeleine Smith, is living the life of Riley these days, with a continuance of the phone strike. Long distance calls in normal times were about 80 per cent of a day's work at the switch board. But office stenogs and distaphones are doing double duty in letter writing. . . . with the month of May at hand the girls are planning June vacations. . . . some of them bear, to be permanent (if marriage can be called that). . . . repair orders may be piling up, but not out in George Ellis' shipping room. Ellis keeps his tables cleared and his floor clean. . . . must be efficient help and forethought. . . . Miles Christian, up in the drafting room, was called home Tuesday to his home in Tennessee, due to his father's

illness. . . . and back to just one more line on safety: Of the seven-hundred serious eye accidents in industry that happen every 24-hours, sixteen of them could have been prevented by the use of safety goggles. According to statistics issued by the Society for the Prevention of Blindness, 96 per cent of eye accidents can be prevented by the use of goggles.

Martha Jane Lofland Becomes Bride of Howard Clark

A double ring service was read for Miss Martha Jane Lofland, daughter of Mrs. Hazel Lofland, Shiloh, Ohio and Howard E. Clark, son of Mr. and Mrs. Nyle Clark, Shiloh, Ohio, Saturday evening, April 26th at 8:00 p. m. The wedding was performed by Rev. Henry E. Boehm in the Mt. Hope Lutheran Church. The bride wore an aqua marine dress with black and grey accessories. The necklace she wore was a gift of the bridegroom. Her corsage was orchids. She also carried a white Bible. The bridegroom's sister, Miss Janice Clark, served as the maid of honor. She wore a corsage of pink carnations. Serving as best man was Robert Lofland, brother of the bride. The mother of the bride wore a corsage of white carnations, while the mother of the bridegroom wore a corsage of pink carnations. Only the immediate families of the bride and bridegroom were present at the ceremony. Following a wedding trip to Tennessee, the couple will live in Plymouth, Ohio. Both the bride and groom were graduates of Shiloh High School.

Clean-Up Days In Full Swing

Clean-up days in Shiloh began yesterday, April 30th and will continue today and tomorrow, Thursday and Friday. Our Fire Chief has called upon every citizen of the town to make a special effort to clean up not only the ashes and rubbish which has accumulated the past year but to check chimneys and smoke pipes. A safe property is most likely a clean property, and all accumulation in basements and attics should be disposed of. Help keep Shiloh a clean and healthy place to live.

Data On Our American Legion

NOTE: This is the fifth in a series of fourteen articles explaining the aims and workings of the American Legion.

THE FORTY AND EIGHT

World War II veterans who render outstanding service to the American Legion may qualify for election to membership in the Forty and Eight, the fun and honor society of the world's largest veterans organization, whose miniature engines and box cars have been popular features of national convention parades for years.

This was announced here today by Commander Alvin H. Garrett of the Garret-Riest Post No. 503 of the American Legion, as he reported on the Northern 1947 membership drive. The local post, he said, now has an enrollment of 93.

"Membership in the 40 & 8 is by invitation," Commander Garrett said. "The 40 & 8 is organized by counties. There is a vote in nearly every county of the nation. The society now has a membership of 75,000."

Members of the 40 & 8 are known as "voyagers," according to the local post commander. "These voyagers are the shock troops of the American Legion," Commander Garrett said. "During 1946 they brought 534,966 members into the Legion. Le Societe was organized in Philadelphia, Pa., in February 1920. By national convention action in 1921 it became the 'corps de elite' of the Legion, outstanding in good works as well as in fun."

In addition to supporting all Legion programs, Commander Garrett said, the 40 & 8 has its 8-point 1947 program providing for recruiting members for the Legion, building its own membership, sponsorship of a nurses' training program, operation of trained, uniform ritual teams for induction of new members into Legion posts, child welfare, dissemination information about Hooker's Disease, raising milk funds for underprivileged children and funds for saving children's sight, rendering assistance to returning veterans and hospital visitations.

A Great Bunch - Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment. There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians. I went over to cover the meeting.

JACK CLEMENS'S CONWAY

"Bird Dog"
 (Infielder)
 Born in Bryan, Texas, July 30, 1919. Throws right. Bats right. Height: 5 ft. 10 1/2 in. Weight: 172 lbs. Hair, brown. Eyes, hazel.

When Jack Conway was a senior at the University of Texas he captained their baseball team to the Southwest Conference championship and their first undefeated season in twenty years. His sparkling play at shortstop with the Longhorns attracted Indian scout "Red" Alexander and he was signed and sent to Springfield for experiment.

Two summers later, in 1941, he again figured in a championship, this time with Wilkes-Barre in the Eastern League. With the Barons, his ball hounding ability earned him the nickname of "Bird Dog" and played an important part in their march to the title.

The following year he moved up to Baltimore but his efforts were cut short after only two months when he entered the armed forces for a three and a half year stretch.

After his discharge he reported to Cleveland for spring training and earned himself a spot with the Tribe as utility infielder. It wasn't long after the opener that he was dropped into the second base slot when no-body else could seem to get going around the lefthand sack.

Although the position was new to him he turned in a workmanlike performance and went on a brief hitting streak which helped the Tribe to several victories. Inasmuch as he's demonstrated that he can fill in capably at three different positions he will probably be carried by the Indians this summer as a utility infielder.

SCHOOL NEWS

Seniors Entertained
 Thursday night, April 24, Mrs. Orville Gullett and Mrs. Richard Hampton entertained the Seniors at the home of Mrs. Gullett. Refreshments were served by the hostesses. This was a delightful party and, on behalf of the Senior Class, I would like to say thank you again, Mrs. Gullett and Mrs. Hampton, for your thoughtfulness in giving us a party.

New Additions
 The first grade has three new members. They are Wanda Barnett from Mansfield, Ruth Ann Scott, Shiloh and Patricia Brown of Shiloh. The second grade can also boast two new members: Donald Barnett of Mansfield and Loretta Brown of Shiloh. Welcome, Kids.

Thank You Agnes
 Last week at Agnes Robert's party, we all said 'thank you' for her party and just to show how much we really appreciated it, I am going to say 'thank you' again.

Freshmen Dance Huge Success
 Friday night, the Freshmen, with the aid of Miss Lawrence, their sponsor, had a successful dance. The auditorium was decorated with Freshmen colors, yellow and blue, and the soft colors and lights added much to the atmosphere of the dance. All kinds of records, everything from jazz to modern boogie, were played on the school record player. David Hutchinson won the cake which was the door prize.

Refreshments were sold by the class and a large crowd enjoyed a delightful evening.

Shaw's Dance
 Friday night the Shaw Jewelry Company entertained all the Seniors of this area at a dance in the Mansfield-Leland Hotel Ballroom. The majority of this year's graduating class attended and from all reports, the dance will be remembered as a highlight of this year.

Commencement & Baccalaureate
 Announcement was made by Mr. Van Brunt that the speaker for Commencement, May 22, will be Mr. Robert White, Dean of Education of Kent State University. Rev. M. P. Paetznick will be the speaker at Baccalaureate, May 19th. Special music is being arranged by Miss Bethel.

Junior-Senior Prom
 Friday night, May 2nd, is the big night for the Junior-Senior Reception. The Juniors will en-

ertain at dinner the graduating Class. This occasion is one of the highlights of both years and everybody is looking forward to a wonderful evening.

Eighth Grade Test
 Friday, April 25th, the Eighth Graders took a State Test given to all eighth graders all over the state. The highest grades have not yet been reported but when the results are obtained from the State Board of Education, certificates of merit will be awarded to the highest grades.

White Elephant Sale
 The Senior Class has canvassed most of Plymouth for

the White Elephant Sale which they plan to have Wednesday night, May 7th, at the high auditorium. Collections will continue, so if you are house-cleaning and find some "pink elephants" in your attic, call upon a Senior and he will be glad to relieve you of the surplus. Pictures, hats, clothing, furniture, books, kitchen utensils, shoes, records, dishes, vases, and just anything you happen to see around the house you would like to get rid of, are the kinds of elephants that we are looking for. A bake sale will be in connection with the sale, refreshments will

be sold, amusements will be there to occupy and make your time pleasant. If you are looking for a good bargain don't forget the SENIOR WHITE ELEPHANT SALE, WEDNESDAY NIGHT, MTY 7th, 7:30-10:30 p. m. at the PLYMOUTH HIGH SCHOOL AUDITORIUM.

Pop's on K.P.

Poor Pop! How willingly he took over when Mother got the grips. But Mother will have a nervous breakdown when she sees what's happened to her favorite kitchen! Pop hasn't yet caught on to Mother's way of keeping house electrically. He hasn't yet learned that dependable electric service can take a lot of work out of housework—not only in the kitchen, but in every room of the house. For electricity is like many extra pairs of hands for the housewife—and the house-husband, too, when he takes over K.P.

But there's one thing Pop does know, because he's the last who pays the bills. He knows that electricity is just about the smallest item in his family budget—even though he may not realize that the average family gets twice as much electricity for its money as it did 20 years ago.

It costs so little—and it does so much! Yes, electricity is a big household bargain that comes to Pop—and to you, too—through the practical experience of your friends and neighbors in this company, under sound business management.

Learn in the New Electric Hour—the HOUR OF CHARM. Begins, 1:30 P. M. EST, CBS.

Store Sold

The South Side Grocery store in Shelby was sold this week by Arthur McGaw to Donald Hassler, who immediately took possession. Mr. Hassler also purchased the building from Otto Maher.

The Hassler family had intended going to Greenville, S. C., but because of family illness, they felt it best to change their plans and stay among friends and relatives. Mr. Hassler formerly owned and operated the Red and White Store purchased by Willard Ross and George Chessman of Plymouth.

The store is affiliating with the Clover Farm Stores to strengthen its buying power, but is independently owned and operated.

nest market continues to be and operated by Cleon Hohler and Eugene Crall.

IN MANSFIELD HOSPITAL

Elias Helfer was taken in the McQuate ambulance from his home to the Mansfield General Hospital on Friday.

CARD OF THANKS

I wish to thank my many friends for their cards, flowers, plants, gifts and many tempting dishes in my recent illness. It was greatly appreciated by me.

Discuss S. S. Act

In an interview recently, Edward P. Blonston, Manager of the Mansfield office of the Social Security Administration stated that his office is actively engaged in a constant educational and informational program regarding the Social Security Act.

Blonston remarked that in the past several weeks he has spoken before the Steelworkers C. I. O. Local Number 3037 in Shelby, the United Paperworkers of America, C. I. O., No. 202, Mt. Vernon, Ohio.

High schools throughout the five-county area of the Mansfield office have manifested their interest in this program as it is included in their studies in Civics, Economics and Sociology.

Meetings have been conducted with students at the high school in Butler, Gambler, Fredericktown and Lexington and Mr. Blonston will meet with the schools at Centerville, North Robinson and both the college and high school at Ashland in the next few weeks.

"Not only do we discuss the Social Security Act," said Blonston, "in addition we remind the groups of the necessity of arranging their financial plans for the future and how the government is attempting to assist them in their plans for financial security."

Cancer Funds May Be Mailed To P. O.

In co-operation with the current fund-raising drive of the American Cancer Society, the Post Office department has announced that all contributions to the drive now can be mailed simply to "Cancer," in care of any local post office, postage free.

According to the postal bulletin signed by Postmaster General Robert E. Hannegan, local post offices will in turn mail the contributions under separate cover to the American Cancer Society, Ohio Division, at Cleveland.

MOVE TO NEW HAVEN

Mr. and Mrs. Dale Osborn and family who have been residing on the C. E. Riggle farm on the Shiloh Road, moved Saturday to New Haven to make their home for the present with Mr. Osborn's parents, Mr. and Mrs. Chas. Osborn.

New tenants on the Riggle farm will be Mr. and Mrs. William Moser and family of Attica.

HURON COUNTY RESERVE OFFICERS MEET TUESDAY

The Reserve Officers Association of Huron County will meet in Willard at the American Legion Post on Tuesday. The first troop school will be held at this meeting and following, combat pictures of both theatres will be shown.

All members of the Officers Reserve Corps in Huron County are invited to attend.

Child Injured

Six-year-old Johnny Page, son of Mr. and Mrs. Robert Page, of Galion, received only minor injuries and contusions when struck Monday afternoon by a car driven by Shelby Burden of Grove Avenue, Galion.

The child ran over from between two cars near the Wilson Printing office, South Market Street, into the path of Burden's car.

He is a grandson of Joe Page of Shiloh.

RUG CARPET & UPHOLSTERED FURNITURE cleaned in your home by modern DURACLEAN Method.

This modern treatment cleans with a new consideration for the life and texture of fine fabrics and floor coverings. It eliminates wear and shrinkage hazard of scrubbing methods. Twist weaves, hooked rugs, Orientals and delicate fabrics are gently cleaned. Antiseptic rug (including a 200-year-old \$18,000 Savonnerie) have been safely Duracleaned. Unlike liquid and wet suds cleaners which float surface soil deeper into the upholstery or rug pile (to penetrate later back to the surface), the dirt and grease are removed by adsorption. Original rug slings are not disturbed.

SCOUT NEWS

Early Bird Hike

Twelve Scouts and the Scoutmaster enjoyed the annual early bird hike. This year fourteen species were seen in spite of the high winds during the morning.

The group left the Square shortly after 6 a. m. going to Camp Clark where breakfast was prepared. One group even had chicken and biscuits for the meal. G. E. Hershiser conducted Sunday School after which the group left for town.

Our thanks to the many people who purchased tickets for the recent show sponsored by the Troop. Kenneth Eichelberry was top man with over fifty tickets sold. Roy Johnson was the first Scout to turn in money from the sale of all tickets given out.

Spring Camp will be held at Camp Blackford next week-end. There will be no cost for food for active Scouts.
