### Pilgrims Fall to Cardington 20-0

The Plymouth Pilgrims won their first grid game in recent years with a season's record of two victories and five losses, as they annexed their fifth defeat at the hands of the Cardington Pirates 20-0 on a mud laden gridiron last Friday night at Cardington. The local lads played a hard fought game all the way but it just seemed to be too much for them.

The Cardington eleven scored two of their three touchdowns after they recovered Pilgrim fumbles. Neither team could manage to score in the first quarter but the Pirates hit pay dirt for the first time early in the second quarter and were in the lead 7-0 as the first half ended. In the second half they managed a score in both the third and fourth quarters. The Pilgrims were just unable to do anything which worked out right and their own fumbles proved to be their downfall but just the same they held all the way but Cardington got all the breaks.

A heavy rain which fell all afternoon for its usual drizzle drenched the field and this made the going very muddy.

### Open House For Library To Be Held Friday Night

The Plymouth Library will open its doors at the new location in the Thomas property on Friday evening. The usual evening hours, from 7 until 9 will be observed, and an invitation is extended to the public to call at the new library rooms and inspect one of the best small libraries in Ohio.

Readers of all ages will be welcomed back and they will find many fine books on the shelves, along with the hundreds of volumes of fiction, non-fiction, children's stories, encyclopedias, and magazines which were moved last week to the newly decorated rooms.

The moving preparation of the new rooms was planned and executed by the Plymouth librarians, Miss Lois McKeller and Mrs. Lois Pennell, and assistants, and the local librarians, Miss Jessie Trauger, and the Plymouth Library Board, of which Mrs. Belle Bachrach is president.

### And Still It Grew

The location of the Girl Scout rooms and library shelves was in the second floor of what is now known as the Post Office building, the rooms now being occupied by Mrs. Josie Bachrach.

A plan was suggested to make the books available to the public on a certain day. The Girl Scout helped with the checking and cataloging and so the Plymouth Public Library was started. More space and shelves were provided and still the library grew.

### The Library now has three rooms for its books, and the shelving arrangement will be of interest and convenience to the readers. The children's and young people's room is especially attractive to young readers because of additional display space as well as the many new books. Attention is called to the Scouts, and at this time the Scouts could not continue to keep up the expenses of light, heat and rent. The library was open at that time on Monday afternoon from 3 to 4:30.

### The matter was taken up with the Village Council and this Council, because of the great interest in the project, passed a resolution allowing Mrs. Jeffrey.

### ON FINDLAY PROGRAM

Howard Kempf, Dean Morse of Shelby and the Blair brothers of Greenwich appeared on the Smiley Burnett show last Saturday night on the radio. The Blair High School under the sponsorship of the Co-Operative Club at that city.

### ERNEST L. BAXTER DIES SUDDENLY

Ernest L. Baxter, 57, farmer, residing on Walnut Road, Greenville township, and a former resident of Plymouth, died suddenly Wednesday morning at the Willard hospital. Although he had been in poor health for some time, his death was a great shock and unexpected.

Surviving are his widow, Hazel Carnahan Baxter; two sons, Kenneth at home and Robert of North Fairfield; a sister, Mrs. Charles Feichter of Willard, and her brother Clarence of Willard; two grandchildren also survive.

Born in Peru township July 27, 1891, he was the son of Alonzo and Emma Long Baxter. He was a member of the Plymouth Lutheran church and a former manager of the large LaDow Farms, west of Plymouth. He left here in 1936.

Funeral services will be held at the residence at 2:30 p. m. Saturday with Rev. M. P. Patznick officiating. Burial will be in Steubenville cemetery in charge of the Keiser funeral home of North Fairfield.

### Youth Killed In Hunting Mishap

Funeral services will be held this afternoon (Thursday) for James Markel Gamble, 19, victim of a hunting accident Monday afternoon in western Marion county in which he was shot by his own gun.

James and five other Shelby youth men of similar age, were on the hunting party that had gone to LaRue, about 12 miles west of Marion.

Young Gamble had shot a rabbit which he attempted to clean it. According to information from state highway patrolmen, Gamble had sat down to clean the rabbit, and was holding the gun between his knees with the barrel resting against his body. The 12-gauge shotgun was discharged sending the blast into the side of his head. Death resulted 20 minutes later in the Marion hospital.

Surviving are the parents, Mr. and Mrs. Delbert M. Gamble, and his brother, Delbert M., Jr., all of Shelby.

### THE SQUARE

By Phineas Whitless  
JIM SHUTT has time on his hands these days to figure out all the breaks the Plymouth football team had this season but did not figure out the break he got that gave him time to figure out the breaks. Jim is confined to his home with a fractured left ankle suffered last Friday in the game with Cardington in the second quarter. Jim plays center and evidently was in the center when the break came. After the swelling goes down, he hopes to have it placed in a cast this week-end and will have to be off his feet for some time to come. He has been supplying the Advertiser with the column this week and the Advertiser deeply appreciates his efforts.

THOMAS ROOT, advertising manager of the Fate-Root-Heath Company whose hobby is photography was recently complimented by the News Service out of Baltimore for the quality of his work and his excellent renderings. Tom had taken the picture at Willard when the Notre Dame Football team stopped enroute from Baltimore to play Mass for All Saints' Day in a Baggage Car provided by the B. & O. The picture appeared in a number of daily newspapers. Tom is the son of Mr. and Mrs. P. H. Root.

### WITH THE OPENING OF hunting season Monday, just about every fellow who could get off from work "went hunting."

On U. S. Route 224 hunters were traveling, in the pleasant territory in northwest Ohio. The highway was lined with cars for hours. E. B. Miller of Brown & Apple Hardware, tells me that a few years ago when the store first began issuing licenses as a convenience to local sportsmen, he issued two licenses a day. For the past two years more than four hundred licenses have been issued in this immediate vicinity.

### JAMES RHINE at one time was a most ardent hunter. Like a ball game... he never missed the first day. But, Madge, his better half, tells me Jim is too old now... he doesn't even know when the hunting season opens.

I remember when he'd go out on a winter day and snow covering the ground, he'd be out for a long time, he hopes to get where it NEVER snows. Yes, as the years roll by we look at things differently. Now a hunter, who is following the lines of least resistance.

### JUD MORRISON had his alarm clock set for 6:30 a. m. Monday so that he could get an early start to join his brother at Upper Sandusky for a day's hunt. But the alarm didn't ring. Mr. Morrison reached over, shut off the alarm. He arose at 9:00 a. m., and ambled off to get a hunting license and continue on his trip. Jud has a "technique" on living, which most people should possess.

### OF COURSE, most hunters are very considerate. Bro. Eichelberry, affable clerk at Brown & Miller, reveals a "good one" on himself. For the past two years he has asked permission from Burr Knams to hunt on the Hoffman Farms, west of Plymouth.

### "And for the past two years" he has hunted on Neal Slemmons' farm "without permission," said Bro. I didn't know the Slesman went so far south. It is the opinion of several local sportsmen that pheasant are scarce in this section, due mainly to fox. The lands west of town are ideal for the birds, but there are also a few very desirable ones. Perhaps a couple of roundups a year for Old Man Fox would be an incentive for the birds to stay around here.

### X-Ray Unit To Finish Survey

The X-ray survey, now in its last week, to date has given chest X-rays to approximately 6500 people.

The project is brought to Huron County by the Huron County Dept. of Health with the Huron County TB & Health Assn. acting as sponsor. Virtually all citizens have co-operated freely in making this unusual opportunity a success.

TB, a major disease and is easily communicated. There are 250,000 unknown and unreported cases in the U. S. at present, according to health authorities. Yet means are at hand to banish pulmonary TB. The tragedy is that more than 50,000 Americans die of it every year. Huron County has been one of the pioneer in these standards, in 1947. During the first eight months of 1947 it had spent more than \$6,000 in the care of its tubercular in sanatorium. This is an unnecessary expense if the disease can be eliminated.

The X-ray is the first step in discovering tuberculosis. The importance of this mass survey just now finishing in Huron County. Any X-rayed may still have it. It is a disease which will be at the Court House Friday morning and afternoon and Saturday morning, afternoon, and evening. The two units are in different localities throughout Norwalk from Tuesday to Saturday.

For the remainder of the schedule Unit Two will be as follows: Nov. 18—Bridle, Benedict Ave. Nov. 18—2:5; 6-9 Nov. 19—Norwalk Court House 9-12; 1-4 Nov. 22—Norwalk Court House, 9-12; 1-4; 6-9.

### Lutheran Men To Hear Levering

Next Monday evening the men of the Lutheran Church will meet at 6:45 p. m. in the church. Dinner will be served and the election of officers will be held.

After the business meeting, the men will have the privilege of hearing Mr. Robert Levering of Mt. Vernon, Ohio. Mr. Levering was a prisoner of war under the Japs for three years.

Mr. Levering is a worthwhile message for all of us to hear. Robert is a brother to Don Levering who operates "Don's Restaurant."

## FRIENDSHIP CLASS HOLD GOOD MEETING

Thirty-six members and friends of the Friendship Class of the Methodist Church were entertained Tuesday evening at the home of Mr. and Mrs. George Young, Plymouth rural, with Mesdames H. O. Downend, J. E. Conn, and Iva Gleason associate hostesses.

A highlight of the evening was the splendid and entertaining lecture illustrated by slides on Korea, by Colonel Ervin H. Shade, a brother of Mrs. Young.

It is readily conceded that no entertainment is more pleasing and instructive than that relating to travel. Col. Shade in showing the maps of Korea, an empire in Asia, comprising the peninsula lying between the Yellow Sea and the Sea of Japan, and where he was secretary to a high government official during World War II, said that he would not have time to discuss all the phases, political, economic and military government. He told of Seoul, the capital, with a population of 1,000,000 people. The climate is healthy, bracing in the North, but colder in winter and hotter in summer than in corresponding European latitudes. Each farmer has about two and a half acres of land and among the outstanding products raised is rice, wheat, beans and cotton. The cattle are excellent. Iron ores are mined and there are copper mines in several places. Three-fourths of the trade is with Japan and over a fifth with China.

Cast is very powerful. In some districts people live in a very squalid condition but beggars are rare. They are a people that get pleasure out of most anything and are very saving.

China renounced her claim to Korea in 1895 and Japan began to display an active interest in Korea. Russia thereupon asserted her right in Korean affairs and by 1904 the rival interests of the two powers resulted in the Russo-Japanese War and the occupancy of Korea by Japan. Japan remained in Korea after her victory over Russia and in 1910 annexed the empire and renamed it

Cho-Sen. Col. Shade's talk was very enlightening, entertaining and was greatly appreciated.

Following the devotions in charge of Mrs. Florence Brokaw which was divided in three parts, led by Mrs. Iva Gleason on the subject, "Light for Our Darkness" included a poem by Mrs. Fred Ross and the prayer by Mrs. St. Clair family a basket of fruit owing to illness.

The Christmas party will be at the home of Mrs. Mabel McFadden, December 21st, with a 25c meeting. Mrs. C. R. McMeekin gave a letter from Mrs. Zela W. Worley of China, thanking the class for their gift and card of sympathy.

The secretary, Mrs. Bertha Senholtz, read the minutes which were approved. Mrs. Mabel McFadden reported that at the sale Saturday, the bake sale netted \$56.93 and the bazaar \$49.43. All so that they had beautiful Christmas cards for sale at 85c a box. It was moved, seconded and carried that the class send the St. Clair family a basket of fruit owing to illness. The Christmas party will be at the home of Mrs. Mabel McFadden, December 21st, with a 25c meeting. Mrs. C. R. McMeekin gave a letter from Mrs. Zela W. Worley of China, thanking the class for their gift and card of sympathy. Delicious refreshments were served by the hostesses and a very pleasant evening was spent by all.

## OUR OWN TELEPHONE QUIZ

Here in America we have 1 telephone for every 5 persons. What would you guess the number to be for Great Britain—France—Spain—Russia?

**THE ANSWERS:**  
 Great Britain 1 telephone for 12 persons  
 France 1 telephone for 10 persons  
 Spain 1 telephone for 62 persons  
 Russia 1 telephone for 128 persons

THIS is another powerful example of how much more good the American economic system does for us than any other system does for any other people.

The Independent Telephone Industry is proud to play its vital part in furnishing this service which contributes so much to our American standard of living—the highest the world has ever known.

## Holland-Nesbitt Nuptials Performed Sunday In Methodist Church

A very pretty autumn wedding was solemnized in the M. E. Church, Sunday afternoon at 2:30, when Miss Zella Holland of Shelby became the bride of Mr. Delmar Lee Nesbitt, in a double ring ceremony performed by Rev. Leonard E. Smith, pastor of the church.

Proceeding the ceremony, "The Sweetest Story Ever Told," "Allways" and "O Promise Me" were played on the organ.

To the strains of Lohengrin's wedding march, Miss Holland was escorted to the altar by her brother, Mr. Victor Holland of Creston, who gave his sister in marriage.

Mrs. Leland Pugh of Plymouth was matron of honor; Mr. Pugh acted as best man.

Mr. Kirby Nesbitt, brother of the groom and William Brissell, of Shelby, brother-in-law of the bride were ushers. The altar decorations were ferns, and bruyettes baskets of huge yellow chrysanthemums.

The bride wore a blue suit with white accessories; her corsage was made of white roses. Mrs. Pugh wore a grey suit with black accessories, her corsage was pink roses.

The mother of the bride was attired in black, while the groom's mother wore blue. Both mothers wore corsages of pink carnations.

Immediately following the ceremony, a reception was held in the church parlors, which was attended by about seventy guests. Autumn colors were used in the decorations, yellow prevailing. The table was centered by a four-tiered wedding cake, topped by a miniature bride and groom. Mrs. Constance Geisinger cut and served the cake. Mrs. William Brissell, sister of the bride, and Miss Bernita Nesbitt, sister of the groom, poured.

The new Mrs. Nesbitt is the daughter of Mrs. Ada Holland, of Beaverville, and is a graduate of the High School of that place, and is employed with the Shelby Salesbook Co.

The groom is the younger son of Mr. and Mrs. Harley Nesbitt, is a graduate of Shiloh High, and a veteran of World War two, having served in the South Pacific, with the 32nd Division of the A. A. C. After a short wedding trip to Niagara Falls, the couple will be at home on South Walnut Street, Shiloh.

"Oleo" interests are plotting to wipe the Ohio oleo law off the books

This law does not prevent poor folks from buying a cheap substitute. It thus prevents the oleo manufacturers from coloring their oil product yellow in imitation of butter.

Wipe out the yellow protection law in Ohio and Mr and Mrs Consumer will immediately pay an increased 10¢ for their oleo. Because of fraud and imitation, the farmer will sell less butterfat! Only oleo's big business will gain by that move

**Board Is Founded**  
 In March 1926 a Library Board was organized and the following officers elected: Mrs. W. A. Doyle, Chairman; Mrs. G. A. Arts, Assistant Chairman; Mrs. George Hershiser, Secretary; Mrs. H. Jeffrey, Assistant Secretary; Mrs.

Elmer Rogers, Treasurer. Mrs. Jeffrey was named Librarian and Mrs. Hershiser, Assistant. Other members who observed at various times on the Board were Mrs. Joe Bevier and Mrs. L. Z. Davis.

**Creative Reading Circle**  
 Too much credit cannot be given to the members of the Creative Circle, organized in 1928, as they have been and seem to be to have no limit. Funds were raised by bake sales, benefit parties, etc.

**Circle were**  
 Mrs. Jeffrey, Miss Pearl Elder, Mrs. George Eastman, Mrs. Edith Kappenberg, Mrs. Hershiser, Jean Seville, Mrs. P. H. Root, Mrs. Bert Anderson and Mrs. Bachrach.

Still serving on the present Library Board are Mrs. Bachrach, Mrs. Root and Mrs. Hershiser. Later this Circle group was augmented by new members for an active Library Board, and Mrs. Munn and Mrs. John Fleming served.

**Growing Larger**  
 Because of not enough space it was necessary to move again, and rooms in the home of Mrs. Cornelia Bevier Johns were rented. This location was satisfactory until it was found that a search for a new "home" for the still growing library was made. Inquiries were made by the Board members and Mrs. Laura Clark kindly consented to rent two first floor rooms of her property on the Square for housing the Library books.

This location proved to be the most satisfactory of all, for the convenience of the readers and the display of the books.

**Thanks to Mrs. Jeffrey**  
 At this time the Mansfield Library offered to pay for the services of a librarian and because of her splendid work Mrs. Jeffrey was offered a permanent job as the Plymouth Librarian but refused because of other plans. Mrs. Jeffrey had served all these years gratis, as librarian, and because of her interest and work she should receive much credit for the successful growth of the Plymouth Library.

**Branch Library**  
 After it was decided to become a branch of the Richland County Library system, funds were received from Richland and Huron counties. The change was made in the spring of 1937, and Miss Jessie Trauger was hired as librarian and still capably serves in that office. Much new shelving had been added and both the public interest and the number of books on the shelves grew steadily.

During the past several years, new furniture and other equipment, has been added, which was purchased with gifts from Mr. and Mrs. Cornelius V. Whitney. A new lighting system was installed and venetian blinds added much to the attractiveness of the room.

**School Children**  
 The Plymouth School has derived much benefit from the Library, and both the grade and high school teachers have used the many books available to further the student's interest and study along many subjects. At various times special books have been purchased at the request of some teacher.

**Now a New Home**  
 As the Library was so satisfactorily located, another move was not contemplated until the sale of the Clark building was made by Mrs. Lotta Clark Ux. of New London to Mr. and Mrs. Wagon Cornell, owners of the Black & Gold Soda Grill.

For a time it seemed as though the search for a new home for the Library books was hopeless, and then Mrs. P. W. Thomas agreed to consider renting a part of her property on the Square, to the Library after the renovation of the old Shafer residence had been completed. The location was fine, and after an inspection of the rooms was made, the Library Board became very enthusiastic over the possibilities of the place. The Mansfield Librarian, Miss McKeller, and her assistant the County Librarian, Mrs. Pennell, approved the move and have contributed both time and much work.

**Request for Help**  
 It was decided that a special floor covering was necessary because of traffic and sound requirements, and a campaign for funds met with good results. A

list of the donors to this fund has been made from time to time in the Advertiser, and so will not be published again here, but a sincere thanks goes out to all who helped.

Present Library Board members who have helped in the planning and moving are Mrs. Bachrach, Pres.; Mrs. Harry Trauger, Vice Pres.; Mrs. Harold Shaffer, Sec.; Mrs. P. H. Root, Treas.; Miss Virginia Fenner, and Mrs. Frank Fitzen.

Special and sincere thanks goes to the following who have helped greatly in the recent work: all of the Thomas family, Dan Henry, Lewis Steele, James McDougal, of the Girl Scouts, and if there is any other name that has been in-

advertently missed, thanks goes to them too.

**About Books Now Out**  
 No charge will be made against books now out, due after Oct. 17th, if they are returned by Monday night, Nov. 22, after the Library is opened. A fine will be made, however, against books kept out after Nov. 22, so all readers having books are asked to return them promptly.

**Service and Appearance**  
 Paint, varnish and new woodwork, new venetian blinds, a new serviceable floor make the three library rooms most attractive and bright. Plymouth can well be proud of both the appearance of the Library and the number and value of the books on the shelves.

Subscriptions to all the most popular magazines are carried, and copies are available at all times.

**National Geographic**  
 Through the contributions of several people, copies of the National Geographic magazine are available from the year 1914 thru 1948, and are constantly used by both adult readers and student.

**Plans For the Future**  
 The Library Board is very grateful for the assistance given by the Public and will now be planning for the acquiring of a Neon Library sign, fire place equipment and accessories, and other additions.

An now in closing—the Board reminds you to come in and see YOUR Library!

### Newsprint Price Up \$4.00 Per Ton

The Great Northern Paper company, principal supplier of newsprint in this vicinity, Saturday announced another increase in the cost of the white paper on which newspapers are printed. The latest increase is \$4 per ton, and is effective Nov. 1, according to an Associated Press dispatch from New York, where the price change was announced.

The new price boost is the second in three months and another in a long series which began nearly 10 years ago. It sends the price of newsprint to \$100 a ton in New York.

**BIRTHDAY DINNER**  
Mr. and Mrs. Carroll Robinson spent Thursday, November 11th at Monroeville, Ohio, guests of Mr. and Mrs. Henry Myers. Mrs. Robinson and Mrs. Meyer celebrated their birthdays by having a turkey dinner. Mrs. Harold Stutz of Monroeville was also a guest at the dinner party.

**COACHES DINE AT GARDEN OF EATEN**  
Football coaches from towns and cities of Northern Ohio enjoyed a chicken dinner Monday evening, November 11th at the Garden of Eaten. Coaches from Norwalk, Bellevue, Upper Sandusky, Bucyrus, Gallon, Crestline, Shelby and Willard were present with covers laid for eighteen guests.

**OFF TO ARKANSAS**  
Mrs. Burton Forquer will leave soon for Little Rock, Ark., where she will spend a vacation with her sister, Mrs. Ruth Lenhart who is a teacher there.

Mrs. Burton Forquer spent last Saturday in Cleveland. Mr. and Mrs. Frank Cline and son Rommie spent the week-end in Mansfield with Mr. and Mrs. Charles Young Jr. and son Danny. Rev. Leonard E. Smith and family were Sunday dinner guests of Mr. and Mrs. Cecil Boardman of Greenwich.

**Round The Square**  
(Continued from Page One)  
you. I went in the store and bought one chest after chest of silver - all kinds of it. Ed has fancy names for each pattern, and it seems everybody understands how to use some piece of it. So I says: "Curpen, a woman has no soul who looks at this stuff and doesn't want a set of it." And I mean it. I've seen some of the old hammered solid silver that was beat up by some pirate which later went to some Eighteen Century ruler, but none of it looked as shiny and nice as

Community Plate, Tudor, Holmes & Edwards and Wm. Rogers 1897. Now, ladies, just get disatisfied with that old-worn-out tarnished silverware you're now using and come to Curpen's and get one of these wonderful chests. Don't forget to say: "I read your ad." That's all that's needed to convince him, and you'll see Santa Claus can come around to our house at Christmas time.

**DOGGOONE**... While I'm enjoying this very mild weather for November, I hear that local farmers are worrying somewhat about their corn. Don Ford tells me that we need a couple of heavy frosts, a little freezing weather, etc. to dry out the corn, or the farmers have to do a lot of extra work by "turning it." Down in Kentucky "I said they don't do it that way."

**JUST THIRTY MORE SHOPPING** days until Christmas. Amazing, isn't it, where the time goes. Really, you'll appreciate Christmas just a little more if you'll start shopping this week. Plymouth has some mighty nice stores, and you'll find exactly the same merchandise here as in large cities, and at lower prices. This year, just for the fun of it, compare BRAND names and prices. You'll come to Plymouth to shop.

**THERE ARE SEVERAL** stores offering the "Lay-Away" plan. You select the item you want and the store will lay it a way for you until Xmas. It means that you may not have the cash now, but that you expect your Christmas Club or bonus check, but by that time selections may be gone. However, through the Lay-Away plan, you take your choice now, and pay later. Very easy... if you have your Christmas Club or bonus coming.

**"IN TIMES OF TRIAL,"** said the Georgia preacher to his congregation, "that brings us the greatest comfort." And from the back row a voice shouted: "An acquittal."

**SUCCESSFUL** Farming Magazine says: Vary cottage cheese by adding a tablespoon of finely chopped pickle, cucumber, olives or chives to each cup of cheese. Perhaps Bob Lofland should try out this recipe first and see if he can recognize his own cottage cheese.

**HAROLD CASHMAN**, who specializes in making out income tax reports between shoe sales at his store, related a little incident during filing time. His son Lynn walked up to him and said: "Daddy, what is untold wealth?" "That which does not appear on income tax reports," son."

**DUSKY WILLOWS** and Forsythia brightened the Science rooms down at the local high school the first of the week brought in by Holly Pitzten. - This changeable weather has even the flowers confused.

**BUT THE ORCHID** of the week goes to Mrs. Margaret B. Wentz who will mark up her eighty-third birthday Saturday. Mrs. Wentz lives alone in her home next to the old grade school Bldg. does her own housework and with the exception of a sprained ankle is in good health. Mrs. Wentz noticed a small snake crawling across her yard evidently stirred up by workers at the school building and in attempting to kill it, she turned her ankle. Most of us would have turned our ankle running away from it, much less killing it. Anyhow, Happy Birthday to Mrs. Wentz.
