

# Around the Square

By Phineas Whitteless

IT IS HARD TO BELIEVE that it is only two short weeks since Mr. Groundhog saw his shadow; with all the snow weather at the time, we doubt if he could even dig his way through the ice and snow and now there is a touch of spring in the air. Perhaps that is why he was out investigating the situation on Tuesday . . . or it could be that his home got too wet and soggy with the February weather. He was seen ambulating through Billy Wechter's orchard by Mrs. Ben Waddington. She also reports that the red bird was the numerous than usual and their songs are another sign of Spring . . . we hope.

MRS. ELEANOR SEARLE Whitteless has been invited to be guest soloist with the Air Forces Symphony, this evening, Thursday, February 19th, opening Washington's newest and strongest F. M. radio station, WASH. It is on channel 255, has a 15,000 Kilowatt power — 98.9 kilocycles and the program is from 9 until 10 p. m. at the Department of Interior Auditorium. Whether or not, it can be tuned in locally, we do not know . . . but you might try.

IT'S A BUSY LIFE our Eleanor leads . . . Easter night she will play solo parts in the Messiah with the Air Forces and eighty voice New York Avenue Presbyterian Church. Charles Dana Beachler conducting and a full symphony orchestra. Dr. Dan Beaman, on March 3rd, will sing the solo parts in the performance of Handel's "Samson," given by the Eleanor Searle High School of Music in Lakeland. While there she and her husband will help celebrate her father's, Dr. G. J. Searle's, 88th birthday. Eleanor and Dr. Searle is feeling fine and greatly enjoys his birthday greetings from friends, so here's your chance folks. Drop a card to him at 1014 1/2 St. West, Bradenton, Florida.

ALL THE LATEST dry cleaning equipment was given the "once over" recently — and Sunday when Robert Fogelson attended Wilbert Miller's Dry Cleaning Clinic and Mart, held at the Masonic Temple in Lakeland. Practically every business man on the Square made some public expression of how they appreciated getting off the snow slush, and then giving the pavement good sweeping. It's really a big help in keeping the interior of the stores clean when the Square is free from dirt and dust.

STREET COMMISSIONER Kramb has been highly praised this week for his work on cleaning up the Public Square made possible by the Public Works Department. Practically every business man on the Square made some public expression of how they appreciated getting off the snow slush, and then giving the pavement good sweeping. It's really a big help in keeping the interior of the stores clean when the Square is free from dirt and dust.

BEN SMITH is taking a couple of months off from his regular job of "P. R. H. Ben" by trying out a new business venture in Akron, with the idea of taking a rental service in the rubber city and so far it looks like a good thing.

**BUYS PROPERTY**  
Mr. and Mrs. Bert Carbaugh have sold their home in Willard and purchased the Albert property on Rt. 224 near Ripley Center.

**APPEAR ON RADIO**  
Nicholas Moll, owner of a general store at Colvierville, will tell the experiences he has had in many years of meeting the public, Tuesday at 9:30 a. m. over WKFD, Worthington on the Kitchin Kettle program.

**WE CAN'T PUT IT IN THE PAPER IF WE DON'T KNOW IT, AND WE WON'T KNOW IT UNLESS YOU TELL US.** Send your news items in early or call 58.

What: "Why are you racing around on a hot day like this?"  
Nite: "I'm trying to get something for my father."  
Wit: "Have you had any others?"  
Look at the date on your paper. Is it paid in advance? If not, some rummy.

## Rites Held For Mrs. Berberick

Funeral services for Mrs. Berberick, 82, widow of Charles Berberick were conducted Wednesday morning at 9 a. m. at St. Joseph's Catholic Church with the Rev. Fr. Anthony Wortmann officiating. The McQuate Funeral Directors were in charge of arrangements and the body placed in the vault in Greenlawn cemetery until burial.

The deceased passed away on Monday morning at the home of her daughter, Mrs. Ralph Leonard, at Bellevue, where she had been visiting, death due to infirmities of old age.

She was born August 29, 1865 in Plymouth and had made her home here her entire life. She is survived by four sons, Charles at Cleveland, Albert of Willard, Clinton and Theodore of Plymouth, three daughters, Mrs. Henry Kuhn of McConnesville, O., Mrs. Ralph Leonard, Bellevue and Mrs. Carl Jacobs of Cleveland; seven grandchildren and one great grandchildren also survive.

## Vanderbilt On All Star Squad

Six players have been named to the 1948 all county cage team selected by the coaches of the eight rural high schools, which make up the Richland County League. Selected as the county's offensive ace was Rollin Ford of Lexington, who scored 300 points.

Also on the honorary team were Leroy Dill of Union, Cornelius Vanderbilt of Plymouth, Sam Roberts of Butler, Howard Sunnucks of Ontario and Don Stake of Lucas. All of the players are sophomores.

LeRoy Dill, Union, and Rollin Ford, Lexington were placed on the first team by every one of the eight coaches. Cornelius Vanderbilt, Plymouth, was chosen on seven ballots as a first stringer, and on the other as a second team man, while Sam Roberts, Butler, scored six first team berths and a pair of second team choices.

Half the coaches in the league selected Sunnucks for first string, and the other half gave him second team choice, while six coaches chose Don Stake, Lucas, for second team and one put him on the top selection.

The all-star team, as picked, is a fine one. It has speed, height, scoring power, and plenty of defensive ability. It also boasts a combination of players who will be keen desire to win and good competitors in every other category.

**TOPS ON OFFENSE**  
Asked to name the outstanding offensive player in the league, every one of the coaches selected Rollin Ford for the added honor, and in choosing the No. 1 defensive star, four picked Sam Roberts, while the other half gave Jim Fry getting one vote each. One coach did not nominate an all-star defensive man.

**Crestline Man Is Chosen "Best Good Neighbor of 1947"**

CRESTLINE—Michael Bibich, kindly Crestline philanthropist and meat market operator, was chosen as the nation's "best good neighbor of 1947" by Tom Brennan, manager of the morning "Breakfast in Hollywood" program and will be the recipient of Brennaman's national "good neighbor award" which includes a \$1,000 savings bond and a five day all-expense trip to Hollywood.

Monday, Mr. and Mrs. Bibich left for Hollywood, where they will be guests of Brennaman. He will be interviewed by Brennaman Thursday and a recording of the interview is expected to be used Friday.

"Breakfast in Hollywood" program.

**LOTHERAN MEET**  
The thirty-one Lutheran men met Monday in the church annex. A potluck dinner was served and there was plenty for all.

Rev. J. B. Burch, of Lucas, addressed the men on a Chaplain's Duties Abroad Ships. Following the talk, he showed pictures taken by him on a tour of the sea during his last year of his service.

## Ontario Rips Up Pilgrimage, 36-35

Putting on a second half rally, which was climaxed by Howie Sunnuck's foul shot in the closing seconds of the game, the Ontario Warriors just managed to rip up the Plymouth Pilgrims 36-35, in Friday night battle.

In the first meeting of the two teams, earlier in the season, the Ontario quint also defeated the Pilgrims five by one point, 49-48. Had the Pilgrims, then, they would have been tied with the Warriors for third place in the league standings, but as it turned out the Warriors ended in third place and the Pilgrims in fourth.

During the first half it looked as though the Pilgrims would win in a walk as they held a 12-5 lead at the end of the first stanza and by half-time had increased their lead to 24-15. But something happened to the Pilgrim attack in the third quarter as they were able to gather only 3 points while Ontario racked up 11 so that the Pilgrims led by only one point, 27-26, at the start of the finale. Then in the fourth quarter with just a few seconds remaining in the game, Howie Sunnuck of Ontario sank a foul shot which was just enough to win for Ontario, 36-35.

Corny Vandenberg and Howie Sunnuck paced their respective teams as each netted 12 points. The Ontario reserves went on a scoring spree in the last minute of play to defeat the Pilgrim Juniors.

The Plymouth quint started off the game as if they might bring home a victory as they led 8-7 at the end of the first stanza. But Ontario found themselves in the second stanza and outscored the Plymouth quint 9-2, to lead at half time 16-10. In the third stanza, while Plymouth kept pegging away at the basket and Ontario connected a little oftener than Plymouth did as they racked up 7 points while Plymouth added 2-16 lead at the start of the finale. The Plymouth outfit held Ontario scoreless up until the last minute while they paced their score tied 23-23, the Ontario quint went on a scoring spree as they racked up 7 points in the last minute to win 30-23.

**RESERVE GAME**  
Saturday morning at 10:00 in the County Superintendent's office the drawing for the Richland County Tournament was held. The tournament starts on Wednesday, February 18th and runs through Saturday, February 21st.

Plymouth plays Union in the second round on Friday night while Butler meets Lucas in the first game. The winners of these two games will meet in the second game Friday night.

## ATTEND AKRON MEETING

David Sams, Donald Cunningham, Robert Spensler, Mr. and Mrs. James Cunningham and Rev. Bethel attended a Missionary Conference at First Presbyterian Church, Akron, Monday evening. Speakers from Kearsburg, Fran, and Farway gave glimpses of the conditions in their countries so far as they affect the Christian Church. The four young men will be in Shelby, Ky. Sunday morning, giving a brief account of their impressions.

Funeral services will be held today at 1:30 p. m. at the Rev. J. T. Burcher will officiate. Burial will be in Fairview cemetery, at Gallon.

## World Day of Prayer Observed Here

The Community observance of the World Day of Prayer was held at the Presbyterian Church on Friday evening, February 13th. Considering the very inclement weather there was a good attendance. Twenty-one people participated in presenting the program set out for this service. Musical numbers were vocal solos by Miss Joy Lee Bradford and Iden Jackson and instrumental duets by Miss Joy Bethel and Mrs. Charles Dick, organ.

Members of the Committee responsible for the service this year were Mrs. Harry Dick, Mrs. Ford Davis, Mrs. James Root and Mrs. H. L. Bethel.

## Red Cross Drive Opens Monday

The annual campaign for the Red Cross Drive in the rural district of Richland County will open Monday, February 23rd. In Plymouth Harold Cashman has been named as the chairman and announces that this year's quota for the village is \$885.00. The quota for the county is \$6,100 and more than two hundred volunteers are expected to contribute every farmhouse in the county, villages and cities.

A "Kick-off" luncheon was held Tuesday at the American Legion Hall in Shiloh with Mrs. Dewey Reynolds, division chairman, in charge. Final instructions were given and while the drive in Mansfield is scheduled for March, the rural workers will begin this Monday, because of the condition of the roads and distances to be traveled.

Workers and territories locally are as follows:  
Mrs. W. W. With—East Side Sandusky Street  
Mrs. Glenn Dick—South Side Broadway, Bell & Franklin Sts.  
Mrs. George Eby—North Side Broadway, Park Ave. and Walnut Sts.  
Mrs. Carl Lofland—East Side of Plymouth, E. High and Birchfield Streets.

Mrs. Elton Robertson—Mills, and Railroad Street & West High  
Mrs. E. L. Earnest—West Side Sandusky and Dix Sts.  
P. I. VanBrun—School Faculty.

James Root—The Fate-Roath Company Office  
Mrs. Walter Myers—Plymouth Street, South of Tracks to Corporation and High Bell St.  
Edward Ramsey—Plymouth Theatre  
Mrs. Mark Caywood—Trux St. and Mulberry St.

Each individual will send out this week to various organizations asking for any contributions they may wish to make to this cause.

## \$150 Donated To March of Dimes

A check for \$150 was given this week to the Richland County Chapter of the March of Dimes for Plymouth's Contribution. This included the containers, and the various organizations which agreed to assist in the drive. In addition, to those named last week, contributions were received from the Catherine Taylor Class of the Presbyterian Church, the Alice Willet Class of the Lutheran Church and the Tourist Club.

A vote of thanks is extended to the individuals and organizations who contributed.

## DIES SUDDEN

Jacob W. Fetter, 78, of Vernon township, Crawford county, died unexpectedly of a heart attack at the home of his daughter, Mrs. Mabel Pfahler of Vernon township.

He had lived with Mrs. Pfahler for the last eight years, coming from Gallon. He was born in Crawford county on Dec. 15, 1869 in Vernon township, now grandchild of the Rev. J. T. Burcher of the Evangelical Union Brethren Church.

Surviving are two daughters, Mrs. Robert Sebastian of Gallon and Mrs. Pfahler, three brothers, Alfred of Shelby, Chester of Tiro and Charles of Crawford county; two sisters, Mrs. Emily Fisher and Mrs. Sherman Swaver, both of Gallon; two granddaughters and two great-grandchildren.

Funeral services will be held today at 1:30 p. m. at the Rev. J. T. Burcher will officiate. Burial will be in Fairview cemetery, at Gallon.

## Thieves Enter Buried Here Local Elevator

The first burglary in many years occurred in Plymouth early Tuesday morning when the Plymouth Elevator was entered and several hundred dollars in cash taken from the safe.

Entrance to the elevator was gained through a basement window on the second floor. The door leading room, located next to the B. & O. siding. The robbers came to the ground floor of the building through a door which crossed the driveway which houses the scales. They gained entrance to the men's rest room, and from there they attempted to knock a hole through the wall, believing this would take them into the office. The idea was given up, and instead they took the molding down and smaller glass in the door which opens into the office. After removing the glass it was an easy matter to reach inside the door and release the latch.

After gaining entrance into the office, through the use of a sledge hammer, chisel, and other tools, the robbers went to work to knock off the door and with a little "jiggling" the door was opened. It was very evident that the robbers were intent upon securing cash for they did not molest any of the checks and other papers that were in the money drawer, but they did scatter them over the office floor.

When John Ganzhorn entered the elevator at 7:30 Tuesday morning, he was somewhat surprised as to what had taken place during the night. He immediately notified George Rogers, owner, who resides in Mansfield. Mr. Rogers, accompanied by a couple of deputy sheriffs from the Richland county sheriff's office, and a fingerprint expert from Mansfield, were soon in Plymouth.

Several good pictures of fingerprints were taken, and the officers took notes of all evidence found, which included two distinct footprints which appeared at several points throughout the elevator building.

Ganzhorn stated Tuesday that ordinarily no cash is carried over during the night as daily deposits are made. However, being too busy to get to the bank Monday afternoon, the day's receipts were placed in the safe.

This is the first robbery in Plymouth since about 1840. About 12 years ago thieves broke into the same elevator and attempted to crack a huge safe, but were unsuccessful.

## Dry Federation Meeting Sunday

Next Sunday at 2:30 p. m. at the Methodist Church, there will be another Dry Federation meeting. You are invited to attend.

**WE SHOULD NOT USE ALCOHOL AS A BEVERAGE.**

1. It is not a stimulant but a depressant.
2. It destroys the nerve cells of the spinal cord. Even the first drink starts that destruction.
3. It narrows the vision of the auto driver and slows down his ability to stop his car, making him a menace on the highway. Your family may be killed by a drinking driver because thousands are every year.
4. The first drink weakens one's power to resist the temptation of the next drink. The more he drinks the more he takes a drink. And then the drunk takes the man.
5. What thousands of men and women broken homes. We have too many broken homes now!
6. Three out of ten moderate drinkers become drunkards.
7. What thousands of men and women do we want to contribute to the drunkard's life?
8. It always has been the enemy of the church.
9. It does not make more employment. It takes less people to operate the beverage alcohol business than any other business for the capital invested. You can't buy food, furniture, etc. with money that is put into the liquor business. Many businesses are against it.
10. It destroys the efficiency of the army and the navy in time of war. It hinders marksmanship.
11. It breaks down one's inhibitions and leads to immorality.

Mr. and Mrs. Verna E. Williams, 65, passed away Saturday morning at the home of her daughter in Cleveland where she had been a patient for the past six months. She had been in ill health the past two years and suffered a stroke from which she failed to rally.

She was the daughter of Albert and Sarah (Bodley) Knight and was born in Huron County, May 28, 1882. The early years of her life up to the time of her marriage were spent on the farm of her parents, in Boughtonville, Ohio. This union two daughters were born, Dorothy, now Mrs. Roy J. Dunbar, and Mrs. Herbert W. Paskins, of Cleveland.

Prior to entering the Rest Home she had made her home with her daughter, Mrs. Elsie Paskins the last fifteen years of her life. She is survived by her two daughters and four living grandsons, William and Donald Dunbar, and Thomas and Jack Paskins. A brother Harry Knight of Plymouth preceded her in death several years ago.

## McQuate Buys Modern Coach

With the arrival of a 1948 Henney-Packard combination funeral car and ambulance last week, Earl McQuate brings to Plymouth the latest in design and comfort to be found in an ambulance or funeral car. The new equipment to be used in the services of the McQuate Funeral Home.

A decision to buy this new unit was made last May by Mr. McQuate when he placed an order at that time. Last week, he received word from the manufacturer at Freeport, Illinois, that his equipment was ready for delivery. He went over by airplane and drove the new ambulance to Plymouth. Some of the highlights of the construction include a Packard Custom-built 156-horsepower commercial chassis. The engine is an L-head type, 8 cylinders in line, developing 160 h. p. at 3600 rpm. The recording system, controlled by a fifth and muffler are of standard design, made especially for this type of car. The frame is engineered to provide great rigidity.

Painted in a beam green, the construction is used with new corner braces on both sides and top of the intermediate rear cross member. The frame is so designed that the entire body and given unusual strength at all points.

The new ambulance is equipped with a series of special springs and shock absorbers, which assure the smoothest of riding over rough and uneven roads. Besides the shock absorbers, which are of the airplane type, a fifth and muffler are of standard design, made especially for this type of car. The frame is engineered to provide great rigidity.

## Vandervort To Aid War Efforts

COLUMBUS, O., Feb. 18 — A sample copy of Form No. 1 for living veterans who may file their bonus applications beginning March 1, 1948 was released today by the Veterans Administration. General Chester W. Goble, Director of the World War II Compensation Fund.

"We are releasing this form to the veterans of Ohio so they can assist us in our educational and training program," General Goble said.

The Form No. 1 will be size 8 1/2 x 11 with 20 items on both sides and a place for the applicant to sign and make a sworn statement.

Attached and perforated to Form No. 1 are "General Instructions" and "Detailed Instructions" explaining exactly what is desired for each blank.

Between now and March 1st so all eligible veterans can file accurate applications for the World War II Compensation with as few mistakes as possible," General Goble said.

The General stated the bonus administration objective is an accurate and complete financial payment of the Ohio bonus.

"With the cooperation of newspapers, veterans organizations and other private and public cooperative agencies we intend to inform the veterans of their responsibilities in our program," he said.

General Goble explained that a staff of 20 district representatives is now working in all 88 counties to help local communities to provide an informed personnel service as the program will be available beginning on March 1st.

"If we are able to do this, we expect to reduce inaccurately filed claims to a minimum," General Goble stated.

Agencies desiring to help veterans must notify their county representative by announcing (Feb. 7) of the number of veterans they expect to serve. This must be done by February 20.

Harry A. Vandervort, of Plymouth service officer of Richland county soldiers and sailors relief commission, will be a busy man until the last county veteran representative is announced.

Vandervort last week was named county representative for handling bonus applications. As such he'll assist vets in filing applications and instruct groups which will aid in the filing procedure.

**Area Farmer Wins Corn Contest**

Mr. Harold Snavely has been named the 1947 Richland County corn growing champion for producing a yield of 85 bushels of corn per acre in a five acre plot on his farm near Belleville, O., according to a bulletin just received from the DeKalb National Corn Growing Contest. The yield was calculated on dry, shelled corn basis.

This winning yield earns for Mr. Snavely the DeKalb County Plaque presented each year to the farmer producing the County's largest officially measured yield in the DeKalb contest.

The contest was inaugurated nine years ago and has been entered by thousands of farmers in over twenty states and Canada each year. Other farmers who had fields entered in the contest this year included:

Paul Walker of Belleville, O. 82 bushels of Belleville, O.  
Joe Procker, Jr., Mansfield, O.

**Use Turpentine**

An artist, out sketching the countryside, ran across a quaint rural character and said to him, "I'll give you a dollar if you'll let me paint you."

The character didn't reply right away but picked up a blade of grass and began chewing on it. "It's easy money," the artist prompted, reaching for his billfold.

"That ain't it," the fellow replied. "I was just wondering how I would get the paint off afterwards."

A BAD BARGAIN  
Shortly after being married a brother was asked by the pastor how he liked married life. He replied that he was thinking of quitting his wife as she was making life miserable for him. "No, you cannot do that," said the parson, "you remember that you took her for better or for worse." "Yes, parson," came the rejoinder, "but she's a lot worse than I took her to be."

QUICK! HENRY . . .  
Some boys thought it would be great sport if they could fool a famous naturalist. They killed a centipede and then glued on to it a beetle's head, the wings of a butterfly, and the legs of a grasshopper. They packed it in a box and took it to the great man. "We found it in the fields," the leader of the group explained. "Can you tell us what it is?" "Ah!" exclaimed the naturalist, "did it hum when you caught it?" "Oh yes," came the answer, "it hummed like anything!" "Then," said the naturalist, "it is undoubtedly a humbug."

## GAME OF TAG

A notorious rattle-rouser once complained to Benjamin Franklin that the Constitution of the United States was a mockery. "Where is all the happiness it's supposed to guarantee for us?" he demanded.

"All the Constitution guarantees, my friend, is the pursuit of happiness," he said. "You have to catch up with it yourself!"

The entrance of the umpires at the Cleveland American League ball park has become a high spot in the proceedings. A 15-piece band entertains the customers before each game. After the field is cleared for the game there is a moment of silence—then the band strikes up Three Blind Mice—and in walk the umpires.

It pays to advertise.

### Conservation Council Will Meet in Norwalk

The annual meeting of the Huron County Conservation Council will be held at the court house at Norwalk on February 25, at 8 p. m. for their 1948 game hearing. This is expected to be a very important meeting as the clubs and farmers will probably bring up the subject of closed season on woodchucks and also the time of opening and closing hunting days during the open seasons on birds and game animals.

The Chairman, Mr. Clarence Bailey wishes to impress on everyone that you do not have to belong to a club or any other organization in order to bring up any question or take part in any discussion brought up for consideration.

Everyone interested in hunting and conservation are welcome to these meetings and all members of Granges, Farm Bureau Groups, Boy Scout Groups and any other club members are invited to attend and take an active part in the deliberations at this time.

JOE WALKER

### Pleasant Pain

#### A WEEKLY SERMON

"Why do we have all this suffering and pain in the world? To what avail is this pain and sorrow? Certainly it is not doing anyone any good!"

How often have we thought this or been asked about it? But have you ever really given a satisfying answer to this problem? You know, there is an answer — a very simple answer. Perhaps you can see the answer illustrated in this story.

One day a mother called to her small son, "Please, Johnnie, don't walk the picket fence." But like all children, mother's request was like a teasing dare for Johnnie, and as soon as mother turned away, he quickly disobeyed, climbed the fence and fell, maiming himself so as never to walk

again. Being told later of his misfortune, the child said to his mother, as only a child would say, "Mother, I know I'll never walk again; and I know it's my own fault; but if you'll keep on loving me, I can stand anything."

So it is with all our pains, whether they be the pains of a sick body or of a sick conscience; the pains of losing a loved one from this world or of losing some prized possession in this world. If only we can be sure that God still loves and cares, we can stand anything.

It is really not so much what people suffer that makes the world mysterious; it is rather how much they miss and waste when they suffer. Just as children put obstacles in their games to be overcome, so we should expect obstacles in life keeping us from our goal, our ultimate goal, which comes to us as a reward for leading a good life — an eternity of happiness with God in heaven.

It is really love that makes pain bearable. As long as we feel our pain is doing good for another, or even for our own soul, it is always easier to bear. A mother will watch her child out at the bedside of her sick child — now while some people will call it fatigue, she will call it love. And so when we suffer pain, let us offer it up to God, asking Him that we may bear it patiently. Think how small our pains really are, when we compare them with those which Christ suffered for us all. Why can't we use our pains as penances for our sins and the sins of the world? Why can't we use our crosses to become God-like? And then, by the strangest of paradoxes, our pain will become our happiness. I walked a mile with Pleasure. She chatted all the way.

But let me note the wiser. For all she had to say, I walked a mile with Sorrow. And n'er a word said she: But, oh, the things I learned from her.

When Sorrow walked with me

### Diesel Service On B. & O. Freight

In order to provide for the complete Dieselization of its freight service between St. Louis and Parkersburg, W. Va., during the second half of this year, the Baltimore and Ohio Railroad has begun a \$425,000 construction program for Diesel locomotive servicing facilities along this route. It was announced by Roy B. White, president of the Railroad.

The largest of the new servicing installations, costing nearly \$223,000, will be at East St. Louis, Ill. It will include storage and handling facilities for 100,000 gallons of fuel oil, and also for lubricating oil; a "drop table" for the removal of Diesel locomotive wheels, motors or trucks; repair platforms and a repair shop; a crane for handling engines and generators, and facilities for piping air, water and steam to the locomotives.

Nearly \$100,000 will be spent at Cincinnati to provide another 100,000 gallon fuel oil storage plant, repair platforms, a tool room and sanding facilities, a concrete platform, and piping for steam, water and air.

More than \$2,000 is being spent at Parkersburg, W. Va., and more than \$22,000 at Washington, Ind., to construct similar facilities.

Delivery of the twenty-two unit freight Diesels for the new service is scheduled to begin in April and will be completed this year.

### Announce Dates, Places for Meets

Fourteen approved conservation practices will be included in the 1948 Agricultural Conservation Program in Huron County. Robert E. Finlay, Chairman of the Huron County Committee, said that payments for these practices will total about \$40,000 dollars as compared to slightly

Your spring suit will have a waistline look like the suit of flaming rayon, with a capelet, shown above as pictured in the February issue of Good Housekeeping magazine.

more than \$99,000 last year. The use of lime will continue to top the list of practices performed, according to Mr. Finlay, while tile drainage probably will rank second in importance. Other approved practices include fertilizers for pasture and meadow improvement, mowing pastures, use of green manure crops, mulching materials, reforestation, terracing and contour plantings.

Farmers wishing to co-operate with the 1948 program must sign up by March 31, 1948. Meetings for this purpose already have been held in some townships. Dates for the balance of the meetings are given as follows:

- February 19—Ridgefield
- February 20—Clarksville
- February 24—Fitchville, Norwich
- February 26—New Haven, Richmond, Lyme
- February 28—New London
- March 2—Norwalk

## KINDERGARTEN CLASSES

**ENJOY BIRTHDAY AND VALENTINE PARTIES**  
Valentine week was a very busy one in kindergarten. On Tuesday Barry Fetters was six years old and treated the afternoon class to cup cakes and a beverage. In honor of the occasion Barry chose the songs, led the march and passed the birthday "nabkins." The candles were lighted, "Happy Birthday" was sung and after making a wish Barry blew out all of the candles with one big puff.

Friday was party day and serving. All the forenoon class was present but one. In the afternoon Margaret Dawson arrived with a big box containing valentine cookies, each wrapped in a pretty valentine napkin ready to serve. Then Ruthie Fitch walked in with a box of valentine cookies for the entire group. Later in the afternoon Lynn Cashman's mother arrived—and guess what? Yes, she, too, had heart cookies for everyone! Then as a complement to Barry's birthday party, Mrs. Fetters sent valentine cards filled with candy! The valentine box was filled to overflowing. After serving, the party was over, each child loaded with valentines, cookies and favors.

## O. E. S. MEETING

The next regular meeting of the O. E. S. will be Tuesday evening, February 24th. At this time there will be practice for the annual inspection which will be Tuesday evening, March 2nd. This will be the first inspection in the district.

## ST. CECILIA LEAGUE ELECT OFFICERS

The February meeting of the St. Cecilia League of St. Joseph Church was held at the home of Mrs. Ruth Fitch on Tuesday evening. Election of officers took place with Mrs. Mary Akers elected President, Mrs. Delores Phillips, Vice Pres. and Mrs. Carolyn Predder re-elected secretary.

Plans were made for a bake sale to be held on Easter Saturday. A lunch in keeping with St. Valentine's Day was served after which contests were held. Prizes were won by Mrs. Helen Stutler, Mrs. Delores Phillips and Mrs.

Mary Patterson. The March meeting will be held at the home of Mrs. Delores Phillips.

## TO ORGANIZE SOBORITY

A special meeting was held last Wednesday at the home of Miss Phyllis Haines to organize the Lambda Chi Omega National Sorority.

The organization is National with chapters in eight states. The purpose of the Sorority is to promote and stimulate interest in social charity and fraternal organizations.

**TOURIST CLUB**  
ENTERTAINED BY MISS VIRGIE FENNER

Miss Virginia Fenner was hostess to the members of the Tourist Club on Monday evening. After the serving of a delicious dinner, Mrs. Ruth Nimmons, president, conducted the business meeting. Mrs. Goldie Priest was leader and chose for discussion, "Indians of the Far West." The Indians of the Far West, living between the Rocky Mountains and the Pacific Coast, were in general the most primitive within the present boundaries of the United States. Nuts of the pine tree, or pinon, were the most important food. Abundance of this fall crop determined whether the Indians would pass the winter comfortably or in semi-starvation. Mrs. Priest presented each member with some of the nuts.

Response to roll call was current events.

**County-Wide Farewell Party For Mr. Hummon**

On Friday evening, February 27, Huron County farm people are invited to attend a county-wide farewell party for G. A. Hummon, County Agricultural Agent, who has resigned to accept the position as Business Mgr. of Ohio Agricultural Experiment Station, Wooster. The event will be held in the Newark St. Paul's Auditorium, located on Monroe Street between Milan Avenue and Wooster Street, at 8 p. m.

Mr. Hummon came to Huron County in July, 1922. In his nearly twenty years of service he has won many friends throughout the county. His efforts toward improving the productivity of the soil and improving the living standards of Huron County farm people stand out in his achievements. He has always worked diligently with the 4-H Clubs. A committee has planned for an evening of recognition to Mr. Hummon. The reception will begin at 8 o'clock. A brief program will follow. The people of the county will present Mr. Hummon with a gift in recognition of his devoted service. Members of the Home Council are planning for refreshments.

So that the committee can adequately plan for everyone, farm people are asked to place their reservations and contributions for the party in the hands of their local 4-H Club Advisors before February 20th if at all possible. The 4-H Advisors will then report to the committee on the number of people to expect from each township.

Listed here are the names of the club advisors for various townships served by this paper: Richmond Township, Miss Ruth Miller Robert Neldermeier, Gordon Dawson; New Haven Township, Mrs. Albright, Frank Chapman; Ripley Township, Mrs. Arthur King, Mrs. Jay Walker, Howard VerBurg.

It is the hope of the committee that every farm family will be represented. This farewell party will be an opportunity for Huron Countians to show their appreciation for Mr. Hummon's devoted service.

Costs, raincoats and dresses go below cost this Friday and Saturday at Hatch's.

**Purchase Sows**

Two valuable sows have been added to the well-known Poland China stock at Lysle Hamman & Son farm near Shiloh. Mr. Hamman and his son were recent visitors at Wolcott, Ind., where they purchased two sows. One of the sows was Junior Champ, the Illinois and Indiana State Fair, and was made reserve champ at the Indiana State Fair. Her dam was grand champion at both fairs.

Both of the sows have been bred to Liberator, one of the greatest boars east of the Mississippi River, and is owned by Arnold Moore.

The Hammans have been in the "hog business" for many years. Boyd Hamman having started raising pedigreed hogs about thirty-three years ago, while his son Lysle began his career as a breeder some fifteen years ago.

The Hammans expect to conduct another one of their Fall hog Sales, at which time some sixty head of pedigreed Poland China stock will be offered for sale.

Hamman's Poland Chinas are well-known throughout the Eastern part of the United States as sales have been made in every state east of the Mississippi.

In bringing these two well-known sows to their herd the Hammans will have an exceptional strain to offer to those who want the finest in Poland China stock.

**Personal Tax Questions To Be Answered**

From time to time during the personal tax filing period, February 16th to March 31st, the Auditor's Office will attempt to answer questions in affirmative form, that come over the counter or in the mail for the purpose of disseminating information for the benefit of all concerned. So many confuse real estate taxes with personal taxes, and having read last week's article in regard to filing personal tax returns may become excited about their real estate tax for the second half which is not due until June 20th. The Treasurer in due time will mail statements in time for June 20th which has been the closing date for a number of years, so it will be easily remembered. Personal tax applies to property other than real estate that is used for business or farming purposes; which is filed on a voluntary basis but the department of Taxation has the power to question. There has been some confusion for a number of years about a new business starting after January 1st, since that is the listing day for a business already established. Those starting in business between January 1st and March 31st file a return for their fixtures and anticipated inventories. Those starting in business after March 31st and before July 1st, file a return within ten days after starting in business on the same principle. In the case of the purchase of an established business in the first six months

of the year, the purchaser should secure a statement that the personal taxes are paid from the County Treasurer, unless the purchaser wishes to assume the taxes.

The question has arisen about farm machinery; tractor, combines, balers and others that is used for custom work, whether the taxable value should be fifty or seventy percent, since it is a business. The Auditor's office, until advised to the contrary will continue to assess such farm machinery at fifty percent, the same as any other machinery used in agriculture.

The insert sent out with this year's farm returns was kept short to apply to general farming. In some instances there will be bees, foxes, mink or other animals and such products as apples, potatoes and others to add to the insert. The real purpose was to impress with the importance of an inventory for farm purposes as is required of every other business. Next year a comprehensive inventory of several pages will be sent out by January 1st, so farm inventories can be made more readily.

Mr. and Mrs. G. W. Pickens of Carey, Ohio, called on Plymouth friends Tuesday evening.

**Why Doctors Go Nuts**  
As the psychiatrist started to write up his case history, the patient slid behind a screen and began dressing.

"You know, doctor, you've changed," he said. "You used to have thick black hair and now you're bald. You were a stocky ruddy-complexioned man before. Now you're so thin and pale. I'm surprised, Dr. Crumpley."

"But I'm not Dr. Crumpley," replied the astonished physician. "So," the patient called gleefully, "you've even changed your name."

This year Easter Sunday, is March 28th and we take this means to advise all our old made-to-measure suit customers that suits to be made in time to wear on Easter must be ordered prior to March 1st.

We are now showing the three finest lines in the country and you will agree that the woollens are far and above anything shown for a good many years. In the three lines, National, English-American, and Kahn are hundreds of Spring patterns.

We invite you to look through these patterns and admire them with us.

**Kroger**

When a new Kroger executive job was recently created, the man who got it left his previous job vacant. So another Kroger man moved up to fill the vacancy and left his previous job vacant. This called for another promotion, and so on, until the one job has so far led to five promotions. At Kroger, there's always room at the top—and one move up makes many more.
