VALENTINE PARTY ENJOYED BY MEMBERS OF TWENTIETH CENTURY CIRCLE

The Twentieth Century Circle was entertained Monday evening at the home of Mrs. E. L. Earnest on Dix Street.

The program was a paper on the "Bank of Knowledge" which is our Congressional Library, by Mrs. Harold Cashman. She gave many interesting and historical facts and stated that over a million people annually visit this library; also that if all other documents were wiped out, the Library of Congress archives would still recover our civilization.

Mrs. H. L. Bethel gave a review of the book "Rising Through the Dust" by Archie P. Crouch, and the subject throughout was "Can Christianity survive under the Chinese Regime?" Mr. Crouch is widely known for his missionary stories and articles have appeared in many periodicals.

A delightful part of the program was the Valentine Gaiety put on by Mrs. Beryl Miller and Mrs. Charles Dick, which consisted

of contests with prizes and each member received a valentine. The dainty refreshments served by the hostess were in keeping with Valentine Day and other decorations were a beautiful bouquet of red roses.

The next meeting will be February 28th at the home of Miss Virgie Fenner.

TREATS KINDERGARTEN CLASS

Valentine Day is an exciting time for little tots and Friday afternoon Steve Hockenberry, the young son of Mr. and Mrs. Chas. Hockenberry played host at the afternoon kindergarten class of Mrs. H. H. Fackler. Pink and white valentine cookies were received by all present.

HOST ON SEVENTH BIRTHDAY

Thursday, February 10th, Barry Fetters, son of Mr. and Mrs. Luther Fetters of Sandusky St., entertained in honor of his seventh birthday, the members of the first grade and other little

friends from three to five-thirty, in the recreation room of their new home. The room was gaily decorated in red and white paper. Games were played and Barry received many gifts which the children enjoyed as much as Barry.

Mrs. Betty Fetters and Mrs. Dorothy Hockenberry assisted in serving the guests who were all seated at one long table, centered with a large birthday cake decorated with seven candles and they all sang favorite songs and each made a wish.

Favors were colorful cups filled with nuts and candy. Each child received a colored paper cup and horn thru the courtesy of his brother James.

Supt. VanBrunt took pictures of the group and as they left they were given a balloon from Barry, who wishes to thank each guest for his gifts.

SUNDAY DINNER GUESTS

Guests entertained at Sunday dinner in the home of Mr. and Mrs. Balis Kennedy and family included Mr. and Mrs. Dwight Briggs and family of Ganges, and Mr. and Mrs. Don Gates of Shelby.

The affair honored the twenty-first birthday of Bob Kennedy, who was home from St. Louis, Mo. over the week-end where he is attending the Bailey Diesel School.

GRANDDAUGHTER OF LATE MR. AND MRS. ALBERT KIRKPATRICK TO WED

Miss Elizabeth Kirkpatrick, daughter of Mr. and Mrs. John W. Kirkpatrick, 16214 Oakhill Road, Forest Hills, East Cleveland, is engaged to Mr. Jackson George Pollock, son of Mr. and Mrs. Harold E. Pollock of Forest Hills, Toronto, Ont.

Miss Kirkpatrick was graduated

from Hathaway Brown School. She spent two years at Hood College at Frederick, Md., has her bachelor of science degree from Flora Stone Mather College, and is now teaching at Caledonia School in Cleveland Heights. Mr. Pollock was graduated from Western College in London, Ont.

Miss Kirkpatrick in her girlhood days often visited her grandparents, the late Mr. and Mrs. Albert Kirkpatrick of Plymouth Street.

GUESTS IN KENESTRICK HOME

Guests entertained in the Kenestrick home were Mr. and Mrs. Walter Thrush, Plymouth, Miss Ruby Brown, Lakewood, Mr. and Mrs. George Schwemly and daughter Jane of New Washington and Miss Mary Schwemly and J. B. Fritz of Willard.

Other recent callers in the same home were Mrs. Emma Smith and Mrs. John Sehringer, Shelby, Rev. Smith and Rev. and Mrs. McKeen, Plymouth, Mr. and Mrs. Antwell, Lash, Troy, and Mrs. Thrush Willard, Elyria.

LITTLE TOTS TREATED

Bob and Judy Fetters shared honors as hostesses Monday afternoon when they brought Valentine cookies to Kindergarten class taught by Mrs. H. H. Fackler. Bob and Judy brought cookies with individual names for each pupil and Judy brought cookies nicely decorated in pink and white. All children were present except Alice Armstrong who is confined home with the chicken pox.

BIRTHDAY CLUB HONORS MEMBER

Sunday evening, Mr. and Mrs. Harold Sams were hosts to members of the Birthday Club honoring the natal day of Mrs. Dick Hampton.

The evening was spent socially with cards and refreshments served the following: Mr. and Mrs. Oliver Fairchild, Mr. and Mrs. Marian Frank, Shelby, Miss Helen Akers, Mr. and Mrs. Dick Hampton and the hosts.

Auto Tax Burden Reaches Record High of \$80.00 Per Vehicle

Youngstown, Ohio, January 27, 1949—Special automotive taxes will average a record \$80.00 for every motor vehicle registered in Ohio in 1948, according to preliminary estimates released today by John L. Marsh, Executive Secretary and Treasurer, Petroleum Industry Committee of Ohio. Mr. Marsh pointed out that this tax burden, which includes all special Federal and State levies on motor vehicles, has increased 69 percent since 1938.

"These are startling figures when we realize that they represent only the special taxes that motorists paid on their motor vehicles and motor fuel during the past year," he said, "but in addition to the \$80.00 burden of these special taxes, motorists also paid all the general taxes required of other citizens.

"The motorists have been called the most heavily taxed group in the entire State and it is easy to see why," he continued. "We hear a lot about the high cost of living, but what about the high cost of taxes?" he asked. "Here is a tax cost increase of approximately 69 percent in just one field of taxation in the last ten years.

"Already there are signs that the cost of living may be headed downward. But at the same time the automotive tax burden is at its highest point in history. It is true of most taxes, especially of automotive taxes, that the trend of tax rates is seldom downward. But since we're beginning to get some relief from the pinch of inflation, let's hope that this exorbitant tax burden will also decline with the return to normalcy. And failing that, the least we should do is to prevent tax rates from getting any higher," he urged.

But despite this year's all-time record burden of motor vehicle taxation, Mr. Marsh pointed out that "there are still those persons who propose to increase the State gasoline tax rate and thus heap even heavier taxes on Ohio motorists. But they overlook the fact that most car owners in this State already pay out more money each year in automotive taxes than in Federal income taxes. They should remember that, even with taxes, there comes a time when enough is enough."

FARM SALE DRAWS 1500

Livestock, grain and equipment on the G. L. Rogers farms in Midflin township were sold at public auction Wednesday for more than \$30,000, Rogers said.

A dealer for the sale of the 324 acres, comprising the two farms, was completed Rogers said, thru Earl Wright of Mt. Gilead, auctioneer for the sale.

The farms contained two modern farmhouses on the Park Ave. east road. There were between 1,500 and 2,000 persons at the farm during the auction. Cars were lined up for a half mile on each side of the road near the farms and in adjoining fields.

Dinner was served by the women of the Mt. Zion Lutheran church. Funds will be used by the church members for a new building. The former church burned in December, 1947.

Mr. Rogers is owner of the local Plymouth Elevator.

ATTEND FUNERAL RITES

Mrs. Emily Jeffrey of Canton, Mrs. Ethel Hostetler of Salem and Miss Hortense Arts of Upper Sandusky attended the funeral rites Sunday afternoon for Mrs. Marjorie Wade. They were all members of the same graduating class of the local high school.

Doings In Congress

By Congressman Wm. Lemke

Last week the House repealed the Republican reciprocal trade agreement which to some extent protected the American farmer, laborer, and producer against foreign competition of products produced by slave labor. It passed a reciprocal trade agreement resolution by which the President—the State Department—can enter into trade agreements with other nations and reduce the existing tariff seventy-five per cent.

I opposed this legislation in 1934 when it was first enacted. I felt that it was unconstitutional. The Constitution provides that

the President "shall have power, by and with the advice and consent of the Senate, to make treaties, providing two-thirds of the Senators present concur." These reciprocal trade agreements are treaties, and should be approved by the Senate.

I also opposed this legislation because it was an illegitimate child. Its daddies are the international manufacturers & bankers. In 1934, these one worlders—the Chase National Bank, the National City Bank of New York, General Motors, General Electric, Westinghouse and scores of other corporations—were out in the open and flooded Congress with their literature.

All these are engaged in buying and selling foreign bonds and in selling American manufactured products to foreign nations. They want the American producers to surrender their domestic market to these nations. This so that these nations can buy their bonds and goods with the proceeds from the products they sell in our markets—products that can be and should be produced by our own people.

Every agreement that has been entered into under this legislation has favored the international manufacturer and banker against the best interest of agriculture & labor. Around 1936 so many Canadian cattle were shipped to South St. Paul that the American farmers could not market their livestock for even as low as 6c or 7c a pound. Their domestic market was absorbed and taken over by the Canadian producers.

Again during the 1936 campaign most of the donkeys that our Democratic friends wore on the lapels of their coats were manufactured in Japan by labor that worked for 4c or 5c a day. Last fall we had a support price of \$2 per hundred on domestic potatoes. Under the reciprocal trade agreements, the Canadians shipped potatoes into North Dakota and other states, and sold them below the support price.

The Canadian potatoes were consumed while the American potatoes accumulated. This forced the Secretary of Agriculture to lower the support price. Because of this performance—a support price on one hand and a reciprocal trade agreement on the other—the American taxpayer that purchased Canadian potatoes will have to help pay millions of dollars in taxes to the American producers.

Willard Man Loses Case, State Court
COLUMBUS—Leonard Picklesimer, Willard, lost an appeal for damages in the Ohio supreme

court last Wednesday.
The court ruled that when Picklesimer accepted \$900 from the Baltimore and Ohio Railroad for injuries suffered in a fall into an open coal pit while refueling a locomotive, he set up a bar against receiving further damages.

The Willard man had sued the railroad for \$40,000, alleging company agents obtained a settlement from him through fraudulent representations as to the extent of his injuries.

The Huron-co common pleas court held he could not sue the company for additional damages on the fraud charge, without returning the \$900—which he had not done.

Surviving are two sisters, Mrs. West and Mrs. Cora Kunkel, Tiffin, Ind., and one brother, Jesse Wise, Humble, Texas.
Services were held Monday at 2 p. m. from the John West home and burial at Omar cemetery north of Attica.
Miss Wise was a frequent visitor in Plymouth at the home of the late Mr. and Mrs. Kirk Wilson and had many friends and acquaintances here.

Payments For Year Revealed

EMPHASIS PLACED ON SOIL SAVING.
The 1949 Richland county farm plans under the federal Triple-A program are ready for the signatures of farmers who must indicate by April 1st whether they will comply, county AAA Chairman Guy Taylor stated this week.

man Guy Taylor stated this week. The Triple-A has approved 12 soil conservation practices for the county and set up the amounts farmers will be paid for carrying out the practices, Taylor said. Letters have gone out to 3,500 farmers informing them that the new farm plans are ready to be filled out and they must be completed by April 1st.

The approved practices and the amount they pay are:
Contouring intertilled crops, \$1.50 per acre; establishing contour strips, \$1.50 per acre; establishing soil waterways, \$2.00 per 1,000 square feet; green manure crop (plowing down rye or sweet clover), \$1.50 per acre; mulching materials on vegetable land or orchard, \$4 per ton.
Liming material, \$1.70 and \$4 per ton; fertilizer on pasture, payments depend on analysis used; mowing pasture, 50 cents per acre; construction of open farm ditches, 10 cents per cubic yard; tile drainage, 40 cents per cubic yard; tree planting, \$1 per 100 trees.

Taylor said part of the actual cost of carrying out these practices will be paid by the federal government if the practices are applied by farmers in accordance with the soil-building requirements.
\$1,607 payments were made on 31,607 tons of limestone meal, and 735 tons of hydrated lime which was applied to the land. Assistance also was given on 321

tons of superphosphate which was applied to pasture lands. The 1948 figures are still unavailable.

Discuss Road Plans for 1949

The 1949 Richland county road plans will be outlined at the annual county road meeting on Feb. 24 at the First Methodist church, Mansfield.
County Engineer Walter E. Fusk said the all-day meeting is for trustees of the county's eighteen townships and that guests will include the state officials of the Ohio Trustees' association and Richland county and Mansfield city officials.

There will be talks and discussions, but the program has not been set up, Fusk said. The week starting Feb. 23rd will feature meetings of township trustees with county officials to go over township road programs.
The women of Circle Three of the First Methodist church will serve the luncheon at the annual road meeting.

SEEKS DAMAGES
The Wesco Mfg. Co., Wellsville, O., has been named defendant to two damage suits totaling \$100,000 filed by Mary E. and Delbert C. McLaughlin, Greenwich. The actions are the outgrowth of a traffic mishap Oct. 16th, last, on Route 224, two miles west of Greenwich, involving the plaintiffs' car and a vehicle owned by the defendant.
