Let Contract For Water Line

A contract was let last Saturday by the Plymouth Board of Public Affairs to the Fauber Construction Co., Ashland for a water line extension north of town. The contract calls for the laying of 1600 feet of four inch water pipe which will supply property owners in the area.

The Fauber firm turned in the bid of \$4800, while Funk Engineering Co., of New London was only a few dollars behind.

Work on the extension will probably be started within thirty days, or as soon as material arrives.

The engineering of the extension was done by Charles Bissell of Shelby, whose estimate was well in line with the bids received.

The project is owned by James Reed and Lyda Grabach, who have property about one thousand feet east of where the extension ends.

He entered into an agreement to pay two thousand dollars to run an additional two-inch water line to their property.

Mr. Root will install plumbing in his cottage, while Mr. Grabach is building a house which he will finish this Fall.

There are other prospective water consumers in this immediate vicinity who will probably request water within another year.

The board has under advisement the construction of a six-inch water main from the pumping station to Route 61, so this line, if it will give the pumping station two outlets instead of one, will also give the mains a greater capacity.

In constructing the new water line in the Willow-Root addition the board kept in mind the possibility of a future need for water storage dispensing plants when and if this plant is built, and will be located in the northeast section of town. In opinion of the board, in this section, it is very likely that future home-builders will take advantage of selecting lots in this area which can be serviced very conveniently with water and electricity.

NORWALK MAN GETS FINED FOR FAULTY DRIVING

Wilbur E. Lawrence, 19, of Norwalk, R. 1, was fined \$10 and costs totaling \$6.50 in Mayor Robinson's court Tuesday night on a charge of reckless driving, after he narrowly missed two cars while driving through the Square at an unsafe speed.

Entering the Square from Trux Street at 8:30 p. m. Tuesday, Lawrence narrowly missed crash-avoiding a car driven by Ray Bright, while he was attempting to park in front of Brown & Miller's Hardware Store. The Lawrence auto struck a parked car belonging to Clarence Stevens of New Haven, and then glanced over to the Bright machine. Neither of the cars were totally damaged.

At the time of the near-mishap Chief Meiser observed the speed of the car, and heard the skidding wheels as Lawrence applied his brakes to avoid an accident. The marks were made on the pavement for a distance of forty-five feet. Lawrence failed to stop after being hailed by Chief Meiser, but was apprehended near Park when Officer Clegg contacted the Highway Patrol at Bellevue. Lawrence was returned to Plymouth Tuesday evening to face the charges filed against him by local officials.

BROTHER DIES

Funeral services will be held this afternoon, Thursday, at 3 o'clock from the Mitchell Funeral Home, Clinton Street, Toledo. Mr. Bevier, 68, Mr. Bevier passed away Monday evening at 6:30 in Frank Hospital, Toledo, where he submitted to an operation two weeks ago.

He apparently was getting along nicely when he suffered two heart attacks Monday, passing away while still in bed.

Mr. Bevier was born and raised in Plymouth, leaving here about forty years ago for Clyde, Ohio, where he was a policeman for the Jones and Laughlin Steel Company for a number of years. He was retired at the time of his death.

Survivors include his widow, Mrs. Anna Bevier, and the following brothers: George, Frank and Grover of Plymouth; David of Shelby and Abe of Lima, Ohio.

WET ROADS CAUSE TWO ACCIDENTS ON SATURDAY

Accidents in this area are on the increase due chiefly to wet roads and to wet and slippery pavements. Two accidents occurred Saturday evening within a half mile of each other on the Bowman Street Road.

At Plymouth, Jim Becker driving a '41 Buick car skidded off the road and rolled into a ditch. He was uninjured but received some abrasions on the right arm and was given medical aid at a local doctor's office. Barbara Blanckhus, a teacher in the city, was unharmed, all were from Mansfield and the car belonged to Barbara's father, J. G. Blanckhus.

The car, badly damaged, was taken to the Laube Garage at Shelby.

The other accident occurred on the same road about a half hour later. A man driving a car left field and drove a Chevrolet car into the ditch. He was unharmed but Tommy Tucker received lacerations on the right arm requiring stitching. The car was later removed to the Mansfield Hospital for x-ray after receiving first aid in Plymouth.

All three boys are from Mansfield, though the car was registered in Plymouth. The car belonged to Mr. Schmitt's father and was taken back to Mansfield by McPherson's of Plymouth.

American Legion Cooperates With Army-Navy Stations

Commander Glenn Hass of the Elkhorn-Parsel American Legion Post No. 447 announced recently that the Legion will cooperate with the National US Army and US Air Force Recruiting Station in their enlistment drive.

Commander Hass stated that in this early phase of the advance in two of the four counties, he has been assigned to the Norwalk Recruiting Station by the Commanding Officer of the Ohio-Kentucky Department.

Dr. Mohr, executive director of the advance movement, stated that the advance in the first seven counties will be conducted on the dividing line of two counties.

Eleven others, none from the Mansfield area, were admitted on a trial membership basis.

The Conference will hear an optimistic report from Dr. E. Harold Mohn, Chicago, on work accomplished in the first seven counties of the "Advanced for Christ and His Church."

Be Alive on the Fifth

Hundreds of people are killed every year by accidents during the Fourth of July holiday.

That plain fact is borne out year after year by figures from the National Safety Council.

Why are they killed?

It is easy to advance a lot of deeply philosophical reasons. The human spirit loves to live in the adventurous, take-a-chance American spirit. The animalistic desire of man to man.

But there is no need to do any heavy thinking about the reasons for the hundred deaths toll. The reasons are quite simple, really.

For one thing, more people are driving automobiles. When more cars on the road and they are traveling farther, the chances for accident go up proportionately.

For another, more people are having picnics. When more people are eating outside, there are more fires.

And there is the simple fact that many Americans are taking their summer holiday—that will bring you home relaxed and refreshed, that will see your children safely in bed to dream of the day's pleasure.

These are the simple things that will make the difference between safety and tragedy.

During this holiday, some parents permit their children to play with fire and explosives that on any other day would bring swift and certain rebuke. Even adults

or they are pounding along on the first leg of the race, or they are racing a lot of people and doing the same thing, and it becomes a sort of race. Driving too fast, passing when the road is obstructed, driving other cars too closely—all seem important in the senseless race to save a minute.

Beaches are crowded, too. A lot of people are trying to overestimate their skill or their endurance. Children excited by holiday fever elude adult supervision. Amateur boat drivers find that small boats require a practiced hand and prudent conduct.

There are the simple things that will make the difference between safety and tragedy.

Kipling said it: "Teach us to light in simple things and mirth that has no bitter spring."

CARD OF THANKS

We wish to express our thanks to Dr. David M. Hooper, medical side and travel agents for their care given us during our recent stay at the hospital.

Also, to Misses Thelma Grove Grange and all who sent cards and gifts or helped in any way to make our stay more pleasant.

Young Couple Exchanges Nuptial Vows In Open Church Ceremony

Miss Dorothy Lucille Brook, daughter of Mr. and Mrs. James Brook, Shelby, R. D. 1, became the bride of LaVern William Oswalt, grandson of Mr. & Mrs. Wm. Koehnleider, in a double wedding service performed in the Methodist church in Shelby, Sunday at 4:00 p. m. Open church was observed and Rev. Leonard Smith, pastor of St. Paul Methodist church, was the officiating minister.

The church was decorated with palms, two large beauty baskets in white, many small and two sprays of candelabra.

Mr. Otis Shoup presided at the console, playing "The Sweetest Story Ever Told." Through the years their dear son, LaVern, and Love You Too," Miss Dorothy Oswalt and Misses Marvel Oswalt, cousins of the groom, sang "Because," "The Lord's Prayer" as solos and a duet, "Indian Love Call."

The bride, given in marriage by her father, was attired in a formal gown of white summer taffeta with a portrait yoke of sheer lace. The bodice had a wide neckline and the yoke low over the shoulders. Was edged in a circular bertha of taffeta edging in chenille lace. The deep lace collar was edged in lace, under which fell the wide skirt and long train. The small heart shaped bouquet was of chenille lace and stems. The dress was as used on the gown and held its full silk illusion veil. She carried a white Bible topped with an orchid and showered with baby breath.

Miss Stanley Huston, sister of the bride, served as matron of honor, and Miss Carol Andrews of Mansfield, maid of honor. The junior bridesmaids and Marjorie Kay Marshall of Mansfield, also a cousin of the bride, was flower girl.

Mr. and Mrs. Vic Munn also spent a week with their son who attended their grandson, Jim's first communion on June 12th at St. Bernard's Church in Mt. Lebanon.

LAMBDA CHI OMEGA GIRLS HAVE "TUFF" TIME AT PICNIC

Twenty girls of Lambda Chi Omega held a picnic at the Mary Park Park on Tuesday, June 21st. All managed to have a very nice time in spite of several threats of raining rain.

Those at the Cleverville Club picnic almost had the girls move in with them under the pavilion. We were glad, though, that it did not rain that hard. The first part of the picnic we were going to move. Zanette picked up the pan of beans and spilled them down the front of her. Then we decided not to move after all.

Post-Zanette.

We were late getting started, so when it came time to roast the hot dogs, our fire was nearly out. Therefore, some of us ate cold, raw hot dogs. The rest of the food was delicious, though. To top it off Ford Davis came over and gave us all ice cream from the Community Creamery.

Those present were the Misses Wilma Ford, Patricia Bettac, Delores Bettac, C. Jean Smith, Evelyn Bettac, and the Madams Zanette, Fred, Anna, and Miller. Cynthia Ream, Lucille Ross, Dorothy Redden, Lila Leininger, Daphne Myers and Marilyn Davis. One member was unable to attend due to illness.

Miss Florence Danner
Chosen to State Office
At Annual Encampment

The Sixtieth Annual Encampment of the Daughters of Union Veterans of the Civil War, along with other allied orders of the Grand Army of the Republic, was held the week of June 19th at the Delta Inn Hotel in Columbus, Ohio.

Attending from Esther Taylor Bricker Tent were Mrs. Mabel McFadden, Mrs. Minnie Lyman, Mrs. Fred Kellier, Mrs. Etta Byers, Mrs. Glenn Rowe, Miss Helen Akers and Miss Florence Danner.

The group had come to close the Grand Army of the Republic of Ohio while one was left to do so, but due to the quite sudden death of Commander John H. Grate, the last G. A. R. Commander in Ohio, the G. A. R. of Ohio was closed.

Beautiful memorial services for the last survivors of the Ohio G.

Ford Clarifies Park Board's Stand On Football Playing At Mary Fate Park

Mr. P. W. Thomas, Editor
Plymouth, O.

I am writing this letter in answer to your unqualified statement in last week's Advertiser in regard to the Park Board's stand on playing football at the Park.

First, I want to state that the Park Board has taken NO action in regard to playing football at the park this fall.

Second, I would like to state that I did not write the School Board to remove the posts from the field.

Last fall, a representation from the Athletic Booster club met with the Park Board, and requested that the Park Board High School football. This request was granted by the unanimous vote of the Park Board for the 1948 season only.

The same representatives or the Athletic club also agreed to remove all posts and obstructions from the field after the 1948 football season was over, if they failed to do so. When I contacted them this spring about the mat-

ter, all I got was "buck-passing."

You're statement in last week's

School Board says:

"Perhaps the Park Board has a

very good argument for closing

the grounds to football, but cer-

tainly it should be one of the

reasons." SUBSTANTIAL there-

the rumors which are going

around town that the posts in-

terfere with the playing of soft

ball. And, I would like to re-

iterate that the Park Board has

taken no action in this matter.

I think that is a substantial rea-

son. If one of the boys had been

in charge of a ball bat, it would

be without doubt, have been disas-

trous. I reiterate those

posts were definitely a hazard.

Not sure who gave you the

information you printed, but it

was absolutely a misstatement of

facts, in regard to any action the

Park Board has taken and in

regard to any so-called orders

to the School Board.

Any action the Park Board

may take in regard to football at

the park this season or any agree-

ment we make will be with the

School Board, which should have

been done last season, then the

agreement would have been car-

ried through to a satisfactory end.

On the other hand, the Athletic

club told me that I was admitted

against football at the Park. I

invite him to look at the minutes of

our meeting and see how I

missed the point.

One "busy-body" around the

Square said "Well, I seen by the

Advertiser that Don Ford is

going to have a football team

in the park, I guess he'll be

kicked out of the Park."

So, you see, Tommy, what a

misstatement of facts can lead

to trouble.

The Park Board meets the

second Monday of the month at

8:00 o'clock and we would be glad

to have anyone sit in with us any

time. This park is for the public

and we would like to have people

doing our best with our small

budget to make it as attractive as

possible.

Respectfully,

Don Ford Chmn. Park Board

Attest: M. H. Burns,

MAKE PLANS TO REVAMP FARM

Frank Moritz, who, with his brother, William, recently purchased the Maxwilton farm southeast of Mansfield, stated he is planning to turn the old beef cattle farm to a modern dairy farm by fall.

Some of the big farms are handling their cattle on a feed basis, and the property formerly owned by Mrs. E. Hartman.

Moritz is a registered Holstein bull and eventually intends to have from 80 to 100 cows on the farm. His present herd of registered Holsteins numbers

about 20, mostly here.

The dairy project will require the complete revamping of

the barns which are set up for

beef cattle. The barns on the

farm are old and need to be removed.

Besides dairy cattle, the Moritz

brothers are raisers of pure-

bred Hampshire pigs.

TIMELY INJUNCTION

A temporary injunction was issued in the divorce action of Ruth P. Dye, Plymouth, vs. Harry P. Dye, same village. The couple married at Napoleon, have three children. The plaintiff al-

leges neglect and cruelty.

OFF TO EUROPE

Miss Ruth Bell of New York, daughter of Mr. and Mrs. E. A. Bell and well known in Plymouth left with Mrs. G. F. Linn, also of New York, on June 27, when they boarded the "Ile de France."

They will land at Genoa against July 10, and go to Paris where they will visit Miss Bell's sister and her husband, Mr. and Mrs. R. H. Allen. Mr. Allen is connected with E. C. A. in Paris. From Paris they will visit all the neighboring countries to see as much of Europe as possible before coming back home in September.

HINTS ON COMBINING

The combining season is just around the corner. Due to the variation in wheat price this summer and expected prices for next year, farmers must plan now to hold their wheat longer than usual.

Agent suggests that farm-spoil in storage should be removed by spraying their grain bins with a 5% DDT solution or emulsion. All the grain must be treated before combining a moisture test on the wheat should be taken, especially if farmers are planning to store for a very long period. Mr. R. Peterson, of the Ohio Department of Marketing, has suggested the following simple moisture test which can be useful to the individual farmer without causing an extra trip to town.

"Get a few ounces of ammonium chloride from the drug store. This is a salt that drug companies use in compound sugar syrup.

"Place one-half teaspoonful of the salt in a small dry bottle and cork securely. Go to the head of the grain bin and fill the bottle about two-thirds full of grain and cork. Shake the bottle and hold it upright. This takes about a half minute. If the salt still runs freely through the grain it is all right to start the combine. If the salt sticks to the side of the bottle, the grain will

be stored on the farm, some ar-

rangements must be provided to dry the wheat. It may be forced ventilation, or it may simply mean spreading the wheat fairly

(2 or 3 feet deep), over a larger area and turning it if it shows signs of heating."

Miss Janice Jean Atyeo Becomes Bride of Galen Penwell in Lutheran Church

Pure white satin fash. lat the New Haven Schools played again the gown worn by Miss Atyeo when she became the bride of Galen Penwell, Sunday afternoon in Plymouth Lutheran Church. The bride is the daughter of Mr. and Mrs. Ernest Atyeo of New Haven and Mr. and Mrs. Albert Penwell of Mt. Sterling, Ohio are the parents of Mr. Penwell.

Rev. M. P. Paetznick, pastor of the Lutheran Church in Bucyrus returned to officiate at the double wedding in Plymouth Lutheran Church. The bride is the daughter of Mr. and Mrs. Ernest Atyeo of New Haven and Mr. and Mrs. Albert Penwell of Mt. Sterling, Ohio are the parents of Mr. Penwell.

Miss Kinnear, music supervisor

was held in place by a tiara of pearlized orange blossoms.

Attendents were dressed alike in white eyelet, with a sprig of pink carnations and Mrs. Williamson, yellow carnations.

Best man was Farrell Williamson of New Haven and guests were seated by Mr. Junior Palmer of New Haven and Robert Penwell of Chillicothe.

Following the wedding, Mrs. Penwell chose a green print frock with white accessories and a shoulder corsage of pink carnations. Mrs. Penwell also wore pink stockings with her blue satin dress with white accessories.

Following the wedding a reception was held in the Church Annex for one hundred and fifty guests. Refreshments were served from a buffet table centered with four-tiered wedding cake, flanked by two boxes of cakes, flowers and candies.

The new Mrs. Penwell is a graduate of New Haven High School, class of 1948 and Mr. Penwell graduated from the Chillicothe High School.

Following a wedding trip thru the South, the young couple will make their home in Elyria, where Mr. Penwell is employed as a machinist at the National Auto Parts Company.

— WILL ENTER UNIVERSITY OF TEXAS AGAIN

Edna Frances Myers plans to take her placement examinations the early part of July, to enter the University of Tennessee, in Chattanooga, Tenn., and Mrs. Myers and their daughter recently moved from Plymouth to make their home in Chattanooga.

DINNER AT "THE SOMBRERO"

Miss Jessie Trauger, Plymouth Librarian, was the honored guest on last Thursday evening when members of the Library Board and their wives were entertained at "The Sombrero." After a delicious meal, Miss Trauger was given a gift, a double strand of pearls, in appreciation of her services with the Board. Returning to Plymouth from this fine restaurant, which is located between Bucyrus and Upper Sandusky, she spent the night on the pleasant porch of Mrs. Belle Bachrach. Attending the dinner besides Miss Trauger were: Mrs. Bachrach, P. H. Pease, C. H. Miller, Miss Virgie Fenner, Mrs. Harold Shaffer, and Mrs. Frank Pitzen.
