CAREY ROMPS OVER PLYMOUTH

The Plymouth Pilgrims ran into a host of speedy backs last Friday night when they journeyed to Carey and dropped a 67 to 7 decision to the Carey team.

Carey wasted little time in getting its first tally. A blocked punt gave them the ball on the Plymouth 12 early in the game and Bill Nye carried over on the first play from scrimmage. Nye later added TD's on runs of 50, 2 and 3 yards.

Charles Hall scored Carey's only touchdown in the second quarter when he galloped 86 yards on a reverse. Charles Nash scored one on a 50-yard sprint and Bill Cole went 47 yards for another TD.

Ten different members of the Carey team broke into the scoring column with 10 touchdowns and 7 extra points.

Plymouth broke a scoring famine in the fourth quarter when Larry Root passed to Larry Hanson for a pretty touchdown play which covered 80 yards in the final 15 seconds. Hampton gathered in the pigskin on the 50 and turned in a neat job of broken-field running for Plymouth's first score since the opening game. Louie Root passed to Larry Root for the seventh point.

100th Birthday Brings Plans For Celebration

Nicholas Metzger of Shelby, reached his 100th birthday yesterday, Wednesday, October 18, and the occasion called for a special celebration. A solemn High Mass was held Wednesday morning with his son, Rev. Chas. Metzger as celebrant.

A family dinner was held on Thursday at the home of his relatives, the family home on West Main Street. Open house was observed in the afternoon for friends and relatives. Mr. Metzger makes his home with his two daughters, Misses Colette and Blanche Metzger, who are nurses.

Another son, Clement A., still lives on the homestead near Shelby, the land for which was purchased from the government by his grandfather.

"Plain living and regular habits" is the secret of a longer life, according to this gentleman who is still able to be up and doing, although his hearing is quite impaired.

Another Centarian

VILLAGE TO BUY POLICE CRUISER

At Tuesday night's council meeting the village council decided to purchase a police cruiser. The purchase of a police cruiser was authorized by the council on Tuesday night. The cruiser will be around \$1700, fully equipped.

For the past two years Chief Kenneth Hays had an arrangement with the village for the use of his private car in his police duties. Councilmen feel that the village should own a police car and be able to own its own car.

Bids will probably be advertised for the car next week. Mayor Whitney Brigs and six councilmen were somewhat surprised Tuesday night when a statement for \$228.00 was received from the Huron county highway department. About a year ago the town spent \$900 on the Plymouth-East road and the bill for \$228 was for additional work on this road, but which seems to have been done without any authorization from the town.

GIVES REPORT OF BAND FUNDS

At the close of the summer concert season, a business man contacted at least some of his associates and asked what was their choice of the use of the balance left in the band fund contributed by them. Instruction was the answer. With Mr. Bishop serving in Uncle Sam's army, the board of education and administration looked around for a candidate. It was obviously not possible to hire a regular teacher, who could direct the band at that late date. It was agreed that we would ask Mr. Gilwert whether he would be willing to direct the band during the summer months. A salary figure was agreed upon, far in excess of the normal allowance in the salary schedule for the directing of the band. The board felt that since the business men preferred that the money they donate to the band should be spent for instruction, they were justified in transferring that money to the Board account for the purpose of procuring to our citizens by Mr. Gilwert.

Later the question of purchasing two sousaphones came up. At a recent meeting of the board, it was determined that they would pay the band master's salary and the money in the band fund should be spent for the two instruments so that the band could be organized.

Regardless of the slant one would look on the band, it has progressed nicely. A large part of the money would be spent for an out-of-town organization had it not been for a promotion of the idea of having our high school band for many years, and Miss Colette was head Maternity nurse.

Curlew And Cops Will Put "Quietus" On Pranksters

Pranksters will have a difficult time tonight and from now on until Halloween. Six extra policemen will be put on the local force today, and at 9:00 tonight the curlew will be sounded, which will send all children under 18 home. There will be no excuses for children under 18 to be out, and if they are they must have a written excuse from their parents.

The use of extra police and the curlew was decided upon after the pranksters stored a horse for the night at the high school, pulled out some 15 bags of seeds and cleanings and placed them on the highway near the Bachrach Seed Co., and the theft of a corn crib at the Leo Barnes farm. This all occurred Tuesday night.

Mayor Briggs instructed the police department to put on the extra men and to put into effect the curlew law. "We won't tolerate any destruction of property or any inconvenience to our citizens by Halloween pranksters. If it takes the last dollar the town has, we'll curb such ruffians play," said Mayor Briggs.

Chief of Police Meiser stated Wednesday night that his entire crew will work from 7 p. m. to 11 p. m. on Wednesday night. He urges all residents to call headquarters if strange noises are heard at any time during the night. He will be glad to answer all of the calls promptly, and we'll do our utmost to get our town the protection it needs during this "crazy" period," said Chief Meiser.

SUPPT. DENNIS took advantage of the wonderful weather he had Wednesday morning. He "peddled his bike" from the high school to the grade school building. The bike seemed a traffic hog, but he was able to keep it moving. Well, a little exercise is good for most anyone. Of course, with a new home under construction Mr. Dennis doesn't need to look around for exercise.

PLYMOUTH IS WELL represented on the Huron County page jury this week. Serving from left are Mrs. E. Carpenter, Mrs. Paul Root, and Gus Dick. Jury duty isn't the most pleasant task, but the new jury floor, which has been rebuilt this summer at a cost of several thousand dollars. The horses belong to Betty Williams. The night crowd which was found around the horse's neck gives a pretty good clue, and it is "feared" that someone is going to get a shock... in the very near future.

THOSE WHO have been worrying the past couple of weeks about Robert Taggart and the way they think their minds "Red" has gone to work. He recently started as a salesman in the appliance department at Montgomery Ward in Mansfield, where he sells stoves, refrigerators, radios, television sets and most everything else you may need for the home. "Red" wishes to thank all of his patrons who so generously gave him a goodly portion of business while he conducted his night cleaning shop here. He extends them a welcome to visit him at his new job.

A BEAUTIFUL white finish is being applied to the front of Curpen's Jewelry & Gift Shop, which gives added appearance and much more to the Montgomery Ward store. The front is finished with brick, and a special paint is being used for this particular material. The husband and wife brighten up the Square quite a bit.

SATURDAY is the sweetest day of the week for the folks in the Black & Gold and Webber's have a fine assortment of candy that will please mother, the wife, sister or girl friends. The trouble with most fellows is that they'll spend two or three bucks for a box of candy before they're married and get a few more. The little woman is lucky if she gets a few peppermint drops. So men, refresh your memories and surprise the women by purchasing a real box of candy.

Family Observes Anniversary
The Thirtieth Wedding Anniversary of Rev. and Mrs. L. E. Smith, of Plymouth, was celebrated Friday at home of their daughter and family, Mr. and Mrs. Robert K. Meyers, and son Emil, of McDonald, Ohio. Also present, and observed with them, was another daughter of the Smith's Mrs. Albert Pontius, of Cuyahoga Falls. As Rev. Smith was a former pastor of the Methodist church at McDonald, they also renewed the acquaintances of many former friends and parishioners.

McDonna, which is situated near Niles, Ohio, has been in the news lately because of the home building project. Mr. and Mrs. Meyers have just moved into one of the U. S. Steel Corporation Gunship homes, which were advertised and written about in the August 19th issue of the Standard Evening Post, 250 of which are providing residences for families hit by the housing shortage.

Band Mothers Elect Officers; Announce Coming Projects

Mrs. C. O. Cramer was chosen chairman Friday of the Band Mothers Club when they met at her home to discuss and outline the year's activities for the school band. To assist Mrs. Cramer, Mrs. Donald Fetters was chosen as treasurer and Mrs. George Hershiser, secretary.

The general project of the group is to endeavor to raise funds to purchase uniforms and the general welfare of the band.

To stimulate interest, Saturday, Oct. 28 was announced as the date for a free concert on the public square, weather permitting. This

will also be used to start off the drive and designate November 4th as the beginning of Tag Week. It is the hope and wish of the club to have our band in uniform by Decoration Day, so sufficient time is allotted for various spaced projects and not to burden the community too greatly at any one time.

Working with the Mothers Band Club is the American Legion, who are co-sponsors with the committee. They turned over last week funds derived from the home talent play, "It's A Date," which will be used for this purpose, and which the committee greatly appreciate.

AREA FARMER GROWS FLORIDA CORN TALL HERE

—E. A. Long Photo

Richland county soil must agree with Florida corn.

Harry Stroup, who operates the Lebanon Stock Farm south of Plymouth, is shown above standing in a patch of corn which grew from seed sent up from Florida. Many of the stalks grew to a height that topped fifteen feet.

It all came about when Walter Estabrook, former Shelby resident and now in the post office department in Florida, visited the Stroups last year. Estabrook told about difficulty in raising corn in the Everglades region in Florida. He said the corn grew to a height of five feet and the ears were about three feet from the ground. They wondered how the corn would do in Ohio.

So last winter Mr. Stroup received from Estabrook a small five-pound sack of Florida seed. This year he planted the Florida seed in a corner of his field. Being smaller, the seed drilled much heavier than the Ohio variety. But apparently that small seed packs a wallop when planted in Ohio soil.

Many interested persons visited the patch of corn and stalks were carried away for exhibition over a considerable area.

You've heard of Iowa corn. Some Iowa people visited the patch and admitted nothing like that grew in their state.

The ears were about three feet higher than Mr. Stroup was each in the above picture. The corn is exceedingly hardy and seemed quite resistant to frost. When the field was harvested the kernels were just beginning to dent. It was all put in the silo.

DID YOU KNOW?

That 129 years ago tomorrow our beautiful and bountiful state of Florida was added to the Union. Florida was so named by Ponce de Leon, who landed on the coast on Easter Sunday, 1513, and claimed it for Spain. The United States purchased Florida from Spain for five million dollars in 1819. Andrew Jackson, military

commander of the territory, took part in the formal transfer at Pensacola, on July 21, 1821.

Florida is a mecca for fun-loving and health-seeking vacationists. It has hundreds of miles of beaches bordered by the Gulf and ocean. It has many recreational advantages unrivaled anywhere in the South or East.

disappeared to last Tuesday afternoon? Could it be they were sent to Shelby to get their Senior pictures taken?

It seems as though the seniors were excited Friday noon when they received their proofs of the pictures.

It seems as though every morning an announcement is made over the loud speaker that the juniors will have a class meeting. Must be really busy, juniors!

It has been made that Mollie Jo Hall was seen last Friday night with tobacco in her pocket. Have you taken up chewing, Mollie?

I wonder why Bob Clark was late to second year typing class the other day? Could it be, Bob, that Miss Campbell was giving you a lecture about taking her picture?

Who is the boy in the senior class who is always passing a DRY fountain pen around?

I wonder why Iona was in such a hurry to get into the gym the other morning? Ask her.

Who has received their play books, "The Haunted High School" so don't be surprised if funny things start happening. Might get ideas from the play. Never can tell you know.

Who is the teacher that is always carrying a cigar box under her arm? Where do you get all those boxes, Miss Schillinger?

Who has Miss Mary Seaman been doing to school? Could it be Whittney?

Why was Bev. Dent so anxious to go to the sophomore party on Friday night?

How many pillows do you need under you, Jack, when driving your car, and by the way, where did you get such a big car? Now, where's Girl?

I wonder why Wilma Millon was complaining that her hands were sore after the sophomore party Friday night. Could it be that Bob Rakestraw and George Doyle were too strong.

Which every week for the snooper, kids? Interesting things may appear!

Happenings In The Girls Gym Class

Since the weather was rather rainy last Tuesday and Thursday, we had phys. ed. in the auditorium when we played volley ball. We chose two volley ball teams with Martha Porter and Marilyn Baird as the captains. We played three games Thursday and the latter team got beat three times.

The gym suits haven't arrived as yet, so we are still patiently waiting for them and we are also waiting for another game of soft ball. The Hit 'N' Run Sophomores are still emerging ahead in soft ball.

Senior Class News

It is a very busy time for the seniors. Last Tuesday Mr. Pittenger took the whole class to Shelby on one of the school buses where we had our class pictures taken. On the following Friday Mr. DeVito brought our proofs back to school. Next Monday we will take group pictures of the seniors.

On Thursday morning the entire class was dismissed from school to canvass the town to sell annuals. Remember, folks, if you haven't placed your order for an annual, get in touch with any senior class member and do so. They are \$1.75 in full or \$7.75 down-payment. You won't want to be without the 1951 annual so place your order before October 27.

The class has selected for their class play "The Haunted High School" in a 3-act mystery comedy. On Monday morning the books and parts were passed out. The date for the play has not been definitely decided upon but will be around the first week of December.

St. Paul's Lutheran church in Bucyrus where her brother and sister-in-law were commissioned Sunday morning, also provided the setting for the wedding Sunday evening when Miss Evelyn Marie Moore was united in marriage with Arthur Carl Rehm.

Open church was observed for the exchange of vows at 7:30 p. m. when Miss Moore, daughter of Mr. and Mrs. Clinton C. On the receiving line the bride approached the altar which was decorated with twin seven-branched candelabra and yellow chrysanthemums in two baskets and two memorial vases.

Over navy blue taffeta the bride was wearing a ball-train-length gown of navy Chantilly lace fashioned with a roll collar, cap sleeves and full skirt. The rhinestone clip and earrings were gifts of the bridegroom. To complement her ensemble the bride wore a navy blue felt hat with a navy veil. Atop a white Bible she carried white gardenias.

As matron of honor, Mrs. Alice Davis of Mansfield was wearing

gray taffeta, black velvet accessories and a bouquet of yellow mums.

Reception At Moore After the ceremony the bridal party greeted about 150 guests at the Moose hall which was decorated with yellow mums brought from the church. Three-branch candelabra illuminated the table which a wreath of mums encircled the base of the four-tiered cake decorated with yellow rosebuds.

In the receiving line the bride's mother was wearing a taupe dress with black accessories and a corsage of yellow mums. A similar dress contrasted with Mrs. Rehm's gray dress and black accessories.

RUMMAGE SALE AND BAKE SALE SUCCESSFUL

Despite the inclement weather of last Saturday the Rummage Sale and Bake Sale sponsored by the Friendship class at the Methodist church netted a splendid sum for the church building fund. The Friendship Class wishes to give a very sincere "thank you" to all those who helped so generously with their project.

Beginning next week the sewing society will meet each Wednesday at the church to prepare material for rugs, and on those days will offer for sale at extremely low prices the many coats and dresses now on hand. There still are many very good bargains. On those days, also, both chenille and rag rugs will be on sale.

A part of the clothing collected for this project is being sent both to home and foreign mission schools.

AN APPRECIATION

As I am no longer affiliated with the Huron Valley Gun and Supper Club, I wish to take this opportunity to thank all my friends and acquaintances for their patronage and for wish the club the best of success.
