

# Fire destroys home as firemen hold dry hose

A dry water hydrant caused the complete loss of the Leo Barnes property when fire broke out in the rear of the home shortly before 11 o'clock last Thursday night. The loss is set at \$6,500, partially covered by insurance.

The house, owned by Barnes, but occupied by Mr. and Mrs. Dan Hicks and family, is located on Trux Street, just east of the A. C. & Y. railroad and is known as the old Truxon place. The blaze was discovered by Mrs. Hicks shortly after she had put her three children, Barnes, as a volunteer fireman, was again back at his home, assisting in the fighting of the fire. He took his place at the barn, making arrangements to vacate the hundred feet of livestock should the blaze be fanned over to the big barn. However, the southwest breeze which had somewhat perturbed the firefighters, died down, causing the fire to remain within its bounds.

At 10:45 two lines of hose had been connected up, one on the east side and one on the west. Firemen stood by with nozzles in hand, waiting for water. After a period of thirty minutes they went into action to fight one of the most stubborn blazes in years. Double rosin and asphalt shingles made it difficult to get at the blaze. After the fire had gutted the single story portion of the home in the rear, the blaze ate its way into the two story structure. The accumulation of smoke, heat and gases in the four rooms caused an explosion which blew the roof and the rafters out of the windows, smashing all glass windows in the home. Freezing weather didn't aid in the work of the firemen. The ground was covered with ice, and the night air was cold. They worked until 5:00 o'clock Friday morning before the engines were hauled to the house and the hose on the rack. About 3:00 o'clock Friday morning while they were still shooting water on the ruins, it was necessary to hold up the roof of the house as the hose were stretched across the tracks.

Prior to moving to the Barnes home some four months ago from west of Dublin, the Hicks had a miscellaneous lot of things, some of which were placed on the porch of the George Hackett home for the evening.

Leo Barnes, owner of the home, states that he had just passed the house fifteen minutes before the alarm was sounded. He had been in the house for some time, but did not notice any sign of fire or the smell of smoke as he left the barn on his way home.

It was but minutes later that Mr.

# Grover BeVier Rites Tuesday

Stricken shortly after midnight Friday, Grover C. BeVier died at the family home at 4445 Saturday morning from a stroke. About seven years ago Mr. BeVier suffered a paralytic stroke, and experienced another three years later. He rallied from both, but his physician advised him to take it "easy." During the seven years interval Mr. BeVier had time to visit with his friends and relatives, and news of his death Saturday morning brought much regret not only to those with whom he had become well acquainted in his leisure hours, but to the entire community, for Mr. BeVier was a life-long resident of Plymouth.

Born here February 15, 1884, the son of David and Mary BeVier, Grover spent his childhood in Plymouth and attended school here. On October 18, 1911, he was united in marriage to Lela later his wife and past owner of one daughter, Mrs. Robert (Isabel BeVier) Cornell. Mr. BeVier was 66 years, 24 days at the time of his death.

**Business**

Many years ago when Gus Artz was operating the Plymouth Bakery and making ice cream in the basement, Mr. BeVier purchased the business and past owner, John Sam Fenner was also making ice cream, and Mr. BeVier also purchased his outfit. Then Grover and his brother George went into the retailing of ice, and conducted this business for more than twenty years, selling out the business to Raymond Steele.

Since his active retirement from business Mr. BeVier took on the sales of monuments for the Marshall Cooper Co., of Bellevue, and later he was with the Norwalk Monument Co. For the past few years he assisted Alfred Senteria of Galion in an advisory capacity in monument sales.

As a citizen Mr. BeVier was active in the manufacture of cream, and later as a monument salesman, Mr. BeVier had the opportunity of coming into contact with hundreds of people, and his friendly disposition he was highly admired by the many business men whom he contacted throughout the years.

As a citizen Mr. BeVier held the respect of all. He was active in church affairs, being a member of the Presbyterian church. He found time to devote some of his efforts to the civic interests of Plymouth. Of a quiet disposition he was willing to lend his influence to offing those things that he were good. Last day morning Mr. BeVier made his last trip around the Square when he stopped in at various stores, and paid current bills for the month, including the light, gas and telephone bills. He has a stop at the Advertiser office Friday morning, renewing his subscription and where he visited for a few minutes.

It is the exception of the sight in one eye being affected recently, there was no apparent reason for (Continued on Page Four)

# Plymouth Schools Are Commended by State

Plymouth High School continues on the list of first grade schools in the state, according to school superintendent, G. R. Dennis, who made the announcement this week that the Plymouth schools were recently inspected by Glenn A. Rich of the State Department of Education.

In his report to the Plymouth Board of Education, a copy of which was sent to Supt. Dennis, Mr. Rich commended the school district, the Board of Education and Supt. Dennis for the new elementary building, the organization of the elementary program and for the progressive spirit which is manifested, not only at the grade school but also at the high school.

The entire report from the state is very favorable, and one which the board, superintendent and patrons can be justly proud. While the system has shown many improvements, the report did make a number of recommendations which are as follows:

In administration the schools received a "satisfactory plus" grade which includes organization, program of studies, school records, loyalty of the teacher turnover and testing program.

In instruction the schools made a good average, especially "Pupil attitude" which received an S-plus rating. The report indicates that the library is an important unit and should be used more. The furnishings, location of the library and number of books received a satisfactory rating, as well as the number of books and periodicals available. The elementary room libraries didn't rate too high, but plans for overcoming this condition are in progress. The library in general was very satisfactory, and the state inspector and received on the whole a good score.

In the study of studies, rooms and a lot of equipment were favorable with the exception of Art, Home Economics, which did not come up to the highest grades possible.

# Around the Square

**By Phyllis Whitlender**

AS ONE YOUNGSTER remarked to Supt. Dennis Monday: "Don't you know, this is a real opportunity for a school holiday." And indeed it was. Plymouth was the only county school open Monday in Richland county. The closing of the schools for the day was the result of a heavy layer of ice which covered this area making travel unusually difficult. The weatherman has been keeping us on ice practically all week, but there is some probability that the week-end will be mild and pleasant.

**ICE-LADEN** highways and walks could be blamed for a snow Monday night. However, the attendance was fair and the show was well received. Myra K. Cook, the management, cast and crew officials of Shelby are to be congratulated in staging a minstrel show of this type. It was thoroughly enjoyed by those attending. The Community club would like to extend thanks to everyone who attended and those who helped make the show possible.

**THERE ARE** several youngsters around the Square who are going to miss "Bun" BeVier. Mr. BeVier had a lot of time on his hand the past few years, and he took up a lot of time with the kids, in the Spring and Summer they'd come over and pass the time away on the porch with him; frequently he had his host with a coke or candy, he thoroughly enjoyed their manner of speech and phrases. The youngsters, as well as the community, will miss Mr. BeVier for quite some time.

# Senior Play Practice Gets Under Way

The Seniors have started play practice on their class play entitled "The Darling Brats," and the name really can be applied to the fullest extent.

For an evening of laughter, plan to attend the presentation on April 14th at 8 o'clock. You'll see "Zeke" Dannewirth with a very bad cold; Lois Wright as a beauty; the work of Jane Cashman, as a secretary; Jane Dorian, as an "imp"; Holly Pitzer as a spoiled and thoughtless high school senior; Marilyn Kliss as a nun, who can see nothing wrong with her niece and nephew whom she has completely spoiled; Charles Hamann, as Mary-Jane's fiancé; and a very high school boy; Wayne Matthews, as a high school gentleman; Pat Moomaw as a mournful "Gloomy Guy" and John Root as a gardener.

You'll really enjoy yourself if you come to the senior play.

# Mobile X-Ray Unit Here Friday

The Richland County Tuberculosis Association is sponsoring the mobile X-ray unit here on Friday, March 17th. Friday morning, March 17th the unit will be at the Fate-Root health company to X-ray the employees there. All Fate-Root health employees are urged to take advantage of this FREE SERVICE.

# OPORANS GET TOGETHER IN HARTLEIGH, TEXAS

Wayne Hunter and family who recently left this area for Texas are in Hartleigh, Texas. The weather is all sunshine and the smell of orange blossoms fill the valley. Recently nineteen Ohio boys from the Plymouth High School had a not too bad time in Hartleigh.

Mrs. Edgar Kacer of Route 13 was removed Wednesday afternoon in the McQuate ambulance to the Shelby hospital.

# Former Resident Dies in Louisiana

Word has been received in Plymouth of the death of Mark L. Myers, 71, Friday the 11th, of his daughter, Mrs. L. A. Shirley, 2700 Hardy Street, Shreveport, Louisiana. Death was due to a heart attack.

Mr. and Mrs. Myers made Plymouth their home until seven years ago when they left for Shreveport. Survivors include his widow, Iva; five sons, Armond J. of Vivian, La.; Lewis E. of St. Louis, Mo.; Walter E. of Lookout Mt., Tenn.; Morris L. of Andrews Field, Washington, D. C.; Lawrence (Ten) of Shreveport, La.; with arrangements in charge of Rose-Nath Directors and interment made in Forrest Park, of that city.

# Program by Local Magician to Be Given March 24

That the hand is quicker than the eye will be demonstrated next Friday evening, March 24th when Sammy Hutchinson will present a program of magic. Billed as "Hutchinson's Wonderful Magician" he will feature The Straight Jacket escape, the Mystery Box, Bloodless surgery and Bunies and more.

Sammy is a senior and is giving this evening of entertainment as his contribution to the class. Tickets are 50c for adults and 25c for children. He is the son of Mr. and Mrs. Koscoe Hutchinson of Plymouth Rural and has presented programs in nearby towns and for special occasions for some time and is reported as being a good magician.

Between intermission two specialty acts will be presented with numbers by the band and selections by both high school and elementary grade groups.

**ON HONOR ROLL**

Gordon Seabolt, 56 W. Broad Street, Plymouth, was among the Ashland College students on the second honor roll for last semester.

Second honor roll students must have at least a "B" average for the Fall Office.

# Fredericktown Man To Talk At Banquet

Roy D. McKinley, superintendent of the Fredericktown schools, will be the main speaker at the annual athletic banquet, which will be held next Thursday evening.

The dinner will be prepared by the Home Ec. class, under the direction of Mrs. M. Mock, instructor. Seniors will aid in serving and the boys will also assist in preparing and helping with the dinner.

At the morning, chairman of the banquet committee, which is composed of Floyd Thompson, Francis Guthrie and Willard Wirth, states that practically all of the final details have been worked out, but he urges all the workers who can possibly do so, attend the meeting tonight, as complete arrangements for the affair will be discussed.

The menu for the boys will be Swiss steak, mashed potatoes and gravy, green buttered beans, relish dish, molded salad, apple pie, milk, coffee and mints.

The boys' Junior Marvin will be a big job in making this affair a success. They have the task of checking on the tables, glassware, silver, chairs, etc. It's taking a lot of equipment to handle the big crowd, and so far, everyone is cooperating splendidly.

Besides Supt. McKinley, it is expected that others will be here for the program. The committee has worked hard to make this annual event a real success, and a well-rounded program has been their outstanding aim.

The annual athletic dinner is not only an enjoyable get-together affair for sports-lovers, but the fact that letters are awarded the players make it a more interesting event.

**Football Letters**

Those players who will receive football letters next Thursday evening are Wayne Wilson, Don Rae, Roy Root, Jim Shurt, Jack Donnewirth, Harvey Wilson, Larry Hampton, Dean Grabaugh, Robert Schreck, David Sans, John Root, Larry Schreck, Alan Ford, Bill Taubert, Neil Kennedy and Dan Eby.

**Basketball Letters**

While the team didn't bring home the county championship cup they did do an outstanding job of playing some mighty fine games, and they will have a just pride when their letters are presented to them as a part of the program.

# Round-Square Dance Friday

Buy a ticket and "Swing your Partner" at the Round and Square Dance tomorrow evening, Friday, March 17th, at the High School Auditorium. It is been a long time since both round and square dances have been on the program but the seniors who are sponsoring the affair think it's a good time all around.

Tim Burrell, chairman of the publicity, Gerald Schneider, chairman of the refreshments and Holly Pitzer, chairman of the decorations committee. The "wearing of the Green" will be quite evident as will the decorations and theme of the evening, so you better come along and join the crowd.

### Book Arrives For Lenten Reading

"Mr. Jones, Meet the Master!" which is receiving much publicity in the daily newspapers and magazines, and which was reviewed in the Sunday's Cleveland Plain Dealer, is now available for Lenten reading at the Plymouth Library.

This book, about Peter Marshall, Chaplain of the United States Senate, was written by Eleanor Seattle Whitney and friends in Plymouth who were given the opportunity of reading it, since that it was to be given to the Lenten circle.

Ask the librarian about other books and stories that are best for Lenten reading for the Lenten season. Look to Lent as a time to read your friend's good book can do as much for a person's soul as a new bonnet for a fashionable lady.

American Weekly, the great magazine with Sunday's Chicago Herald-American, read "Millionaire Paupers," the fascinating story of such unusual boarders. Learn why psychiatrists say they save old stragglers and new dollar bills. Don't miss "Millionaire Paupers" Sunday in the CHICAGO HERALD-AMERICAN'S great magazine.

### Shrubbery Needed At Grade School

Money for about half of the planned planting of shrubbery at the new Plymouth Grade School has been secured, but the Mothers Club, P. T. A., would appreciate further help as soon as possible as the planting should be started around April 15.

Slip Dennis has a plan for the plantings, and anyone wishing to donate the money for a particular shrub or bush, etc., can designate just what they want to give and indicate it on the plan. Any donations of any sum whatsoever, from individuals or organizations will be much appreciated and the earlier the better, so that the Club will know just what it will be able to do.

Donations can be given to Supt. Dennis, Mrs. P. W. Thomas at the Advertiser's Mrs. Postema, Mrs. Eckstein, Mrs. Ervin.

This shrubbery will greatly add to the attractiveness of the Grade School Building. Let's get together on this project and get the planting done this Spring!

We have been notified that Mrs. Chestnut, the speaker for the Mothers' Club meeting of last week has graciously donated her fee for speaking to the Shrubbery fund. We are most appreciative of this and know our own townpeople will follow this lead made by a very civic-minded individual who is not even a member of our community. Note to all pessimists: There ARE a lot of good people left in this tired old world!

members of the family to become alarmed over his condition. The stroke came quickly and death sudden, which proved a shock to the family and the town.

Services Tuesday  
Last rites were held Tuesday afternoon at 2:30 o'clock at the McQuate funeral home with Rev. M. F. Baetznick, pastor of the Lutheran church, Bucyrus, officiating. The many floral offerings and the large attendance of friends were final tributes paid to a man who held and enjoyed the respect of his home town. Burial was made in Greenlawn cemetery with the McQuate funeral home in charge.

Surviving are the widow, Eda M., and daughter, Mrs. Robert Cornell; four brothers, George and Frank of Plymouth; Abe of Lima and David of Shelby, and a host of friends.

As a tribute to a loving husband and father, Mrs. LuDora BeVier, a sister-in-law, composed the following:

It is not in deep sorrowing,  
Nor would we grieve  
As homeward on your path you turn,  
Our midst to leave!

But know that He whose love directs,  
And does attend,  
Unites all paths, all hearts, all lives  
At journey's end.

Accept our gratitude, dear Lord—  
Words cannot say  
How glad we are you loaned us  
him

For one short day!  
And for this life so freely given  
We would release  
All selfish claim on him and find  
Thy Perfect Peace.

And In this Peace we feel his love,  
His spirit fall  
Upon our restless hearts and know  
He has not gone at all.

Attend Rites  
Relatives and friends who attended the rites from a distance included Mrs. A. C. Smith of Mau-

## Forrell-Bray Rites Performed March 4th In Ganges Church With Open Church Ceremony

Miss Glenna Belle Forrell, daughter of Mr. and Mrs. Kollo Forrell, R. D. 1, Mansfield, and Mr. Dennis Eugene Bray, son of Charles Bray of Norwalk, were united in marriage Saturday afternoon, March 4, in an open church wedding in the Ganges Community Evangelical and Reformed church. The Rev. Harlan J. Miller, the bride pastor, officiated at the double ring ceremony.

The altar was decorated with palms, two beauty baskets of daisies and white gladioli, and two candelabra with lighted tapers.

Preceding the wedding ceremony the organist, Mr. J. Frederick Wolf of Mansfield, presented the following selections: "Prayer Perfect," "Indian Love Call," "I Love You Truly," "O Promise Me," and "One Alone." Mrs. Robert Brook of Mansfield sang "Ah, Sweet Mystery of Life," "Through the Years," and "At Dawning" before the service and "The Lord's Prayer" at the close. The bride and both the organist and soloist are members of the Mansfield Choral Society.

The bride, given in marriage by her father, wore a chocolate brown suit, with a beige hat and brown accessories. Her corsage was a white orchid. Mrs. Dean Forrell of Shiloh, the bride's sister-in-law was the matron of honor. She wore a grey suit with pink accessories and a shoulder corsage of pink carnations.

Mr. James Meister of Milan, O., half brother of the bridegroom, was the best man, and Mr. Paul Dougherty of Norwalk and Mr. Cecil Althorst of Monroeville, friends of the groom, were ushers. The bride's mother chose a teal blue dress with navy accessories. Her shoulder corsage was of yellow roses.

An open reception was held following the ceremony in the social rooms of the church. A five-tiered wedding cake topped with a miniature bride and groom and surrounded by fern and acacia formed the centerpiece of the serving table. Miss Beatrice Boals, Mrs. James Melching, Mrs. Norman Sanders, Jr., and Miss Mary Myers assisted. Miss Betty Jane McFarland took

care of the guest book. Mr. and Mrs. Bray left for a ten-day trip through the East after which they will be at home at 28 Jefferson Street, Norwalk, Ohio.

The bride is a graduate of Union High School and was formerly employed by the Tappan Shoe Company, Mansfield. Mr. Bray is a graduate of Norwalk High School and is employed as an engineer in Avary, Ohio.

Out-of-town guests from Norwalk, Mansfield, Shelby, Greenwich, Shiloh, Tiffin, and Union, New Jersey, attended the wedding.

### FIRE DAMAGES RATHSKELLAR

The Shiloh fire department was called to the Rathskeller early Sunday morning and was able to extinguish what could easily have been a very disastrous fire. About 1:30 o'clock Jean Moser and Gerald Alfrey were passing the building and noticed a blaze through the front window under the post office, and promptly turned in the alarm. James Purdy, assistant fire chief, was still at work in the garage next door to the fire house, any there was no delay in getting to the scene of the blaze. Water pressure was excellent and the fire was soon under control and was kept confined to the front end of the ceiling. The kitchen was completely burned out, stools and bar ruined and a television set destroyed.

With Molly Burr showing the way with 16 points and Barbara Fox not far behind with 12 points the P. H. S. Girls' Team beat Shiloh Girls 42-29 on the Shiloh Floor last Thursday afternoon.

Playing "Girls Rules" which gave each team 6 players the teams met for the second time this season with Plymouth coming out on top both times as they won the first game on the Plymouth hardwood 31-22.

The high scorer of the team is Molly Burrer with 27 points in two games her closest rival being Barbara Fox with 19 points in as many games.

### Scout Hut Officers Named

Members of the Scout House Committee met Thursday evening at the Scout Hut and elected the following officers for the year: James Davis, Chmn.; D. J. Ford, Vice Chmn.; Mrs. Robert Lewis, Sec'y; and Mrs. Robert McInire, Treas. Mrs. Geo. Hershiser was named Executive Secretary of the group.

This group includes members from each of the Scouting organizations in Plymouth. Its purpose will be to supervise the Hut and its use and raise the necessary tr-

manies to carry o nth particular phase of the scout program. The highest job facing them at the present time is the moving of the Girl Scout Hut to the site of the Boy Scout Hut, combining them as one unit.

The first of their projects was carried out Saturday when James Davis, Gordon Brown, Robert MacMichael and Geo. Hershiser moved the oil stove from the Girl Scout Hut to the Scout Hut to provide auxiliary heat. The unit was completely set up and is located in the South East corner of the building.

At the same time this group of men, repaired damage done to the ceiling, relocated the black boards and knot boards and rehung the Moose Head.

Those organizations desiring to use the Hut will please make arrangements with Mrs. Hershiser so that the time and dates may be set upon the calendar. Scouting organizations will also follow this rule. After the dates of the regular meetings are set it will first come, first served. Very little interference has been experienced thus far and with a little foresight the Hut can be used many nights each week. It was put there for the use of the Scouts and it is desired that any organization use it when it is not in use for that purpose.

**Money Taken At High School**

More than \$40 was filched from the box office at the high school Friday afternoon while five junior classmen were placing coke cases in the booth. The money was taken in Friday noon by Mrs. Mock who conducted a sale of workbooks. She temporarily placed the cash behind a pile of books on the shelf, with the intention of turning it into the office before school closed for the day.

Supt. Dennis had gone home for the day and at about 6:30 he realized that the cash had not been turned in. He made a quick trip back to the school, arriving there before 7:00 p. m., but the proceeds had been taken.

The money was taken between 3:30 and 7:00 o'clock, and so far there has been no clue to the guilty person. It is regretted that an incident such as this has to occur in our public schools, and certainly the party who took the cash will have an uneasy conscience for a long time.

**4618 DOG TAGS SOLD IN HURON COUNTY**

4618 Dog owners have secured licenses for their dogs, but it is estimated there are in the neighborhood of 400 additional dogs for which licenses have not been secured. On April 1st, the dog warden, equipped with a complete

list of all licenses sold until that time, will begin his search for unlicensed animals.

**JAMES WARD ILL**

News has been received that James Ward, formerly of Plymouth, is seriously ill at the home of his son, Lloyd Ward, in Norwalk. Mr. Ward lived for many years in Plymouth on Bell and High Streets, and at one time worked at a cigar factory located on the north-east side of the Square.

**BILL WIRTH AND DAN GRAUBAUGH** must have had some inside weather dope. They took off a couple weeks ago, accompanied by Dean Graubough, for a visit in the warm sun of Arizona. They stopped at several points of interest in the West. It's a bit coincidental that while they were gone Plymouth experienced some of its most severe weather of the winter. We hope they'll find it nice here on their return this week.
