Burkett Appointed On Council; J. W. McIntire Resigns From Board

Omar Burkett was appointed to serve on the village council to succeed Whitney Briggs, who takes over the mayorship to fill the unexpired term of Carroll Robinson. Burkett has served the village as councilman for one term, but was defeated last election by a very small margin of votes. Mayor Briggs made the appointment at Tuesday night's session and Burkett was sworn in by Clerk Cunningham. The two years that Burkett served on council he made a very good record for himself and was active on various committees.

McIntire Resigns

After having served on the cemetery board in Plymouth for some sixteen years, J. W. McIntire tendered his resignation as a member of the board, effective April 15. Mr. McIntire has been ill for the past few months and has been unable to attend the meetings regularly.

Describes Trip To East Coast

Bus Incident Reported By Mr. Lanius Gives New Version Of Mishap.

The Senior Class trip has been the subject of interesting conversation around Plymouth for more than a week, and a brief account of the vacation by bus, which began Sunday, June 11, is given by Mr. John Lanius, of New Washington, who, with the High School Principal, Mrs. Mabel Lanius, and Supt. Glen Dennis, accompanied the young people.

The Greyhound bus left Plymouth at 6:15 a. m., went to Akron and at our first detour on account of a fire in town, on to Mansfield to Route 30, on to Massillon where we stopped at the Greyhound Depot for breakfast, and into E. Liverpool and then on to Route 18 into Little Washington, Penn. Then on R. 31 to Monongahela and West Newton, and six miles out of West Newton, in the foothills of the Allegheny Mountains where the hills are like roller coasters.

We had just gone over the top of one of these hills when a group of ten cars were in our path and on our side of the road in a one-way traffic. There had been an accident four hours before we got where a man in a semi-trailer from Tiffin, O., had been killed. There were no flares or warning of an accident. The semi-trailer had hit a telegraph pole and had caused a barrel of oil and soap and insulators had been strewn all over the highway. Therefore in order NOT to hit these cars coming up the hill, we had to take a ditch. "Ditches" in Penn. are cemented waterways about 4 ft. wide, and rounded, so as to keep the water from washing the dirt from the sides of the ditch and tried to hit it.

Local Scouts To Attend Second National Boy Scout Jamboree

This summer will see the largest gathering of youth in the history of the western Hemisphere when more than 47,000 Boy Scouts and leaders from all parts of the nation and its territories will gather at Valley Forge, Pa., for the second National Scout Jamboree. Several hundred Scouts and leaders from other nations will be guests of the encampment which opens on June 30 and ends July 6.

The railroads of the nation will be rolling camps for about 75 percent of the Jamboree campers, or approximately 3,250 Scouts and leaders who will use nearly one hundred special trains. Thousands of Scouts will visit the nation's leading cities and scenic spots after the Jamboree.

Railroad associations, working with national Scout officials, are making it possible for Jamboree Contingents to go to Valley Forge by direct routes including side trips, at special railroad rates that will be in effect from June 1st until Sept. 30th.

America's newest "city" will occupy about six hundred of the 2,653 acres of Valley Forge park, owned and maintained by the Commonwealth of Pennsylvania which

NOTICE TO ADVERTISERS CORRESPONDENTS, CHURCHES AND CONTRIBUTORS

As has been customary in the past, the Plymouth Advertiser will close down the week of July 3rd for annual vacation. There will be no issue that week. Church notices, theatre ads, and others wishing notices for that week, should send them in for the two week period, the early part of next week.

NO ONE SUSPECTED SMALL BROWN BAG CONTAINED \$9,000

By BILL DEAN

Willis Garrison was carrying a small brown canvas bag with him April 28 when he met his landlady, Mrs. Clara E. Wolfe, on the street.

"I'm going to leave you for two or three days," he said. "I'm going to the hospital for a check-up."

Mr. Garrison, a retired B. & O. railroad engineer, had been in ill health for some time, according to his many friends, and died two days after entering the Willard hospital. He was 72 years old last November 24.

A member of the Elks in Willard for 29 years, Mr. Garrison had spent many hours since moving to Mrs. Wolfe's house on West Maple-st. playing "Hearts" with his fellow members. "They knew him only as a member who had worked thirty years on the B. & O. railroad in Willard, Garrett and Chicago."

He was known as "a big, good natured fellow."

Getting back to the little brown canvas bag—it is not uncommon for people entering hospitals to bring a few personal effects with them, and hospital authorities paid little attention to it.

When the 72-year-old man was shown under the bed with his black, "last-time several nurses had handled the bag for one reason or another, but no one had opened it because a patient's personal belongings are not ordinarily checked."

After the death of Mr. Garrison, Wayne Gebert, a relative from Plymouth, was notified. Mr. Gebert contacted the McClure funeral home to have the body taken from the hospital. Again, the canvas bag was handled by various people during the life-saving operation, and the funeral director's young son, before it arrived at the funeral home.

There at the funeral home, at the suggestion of Mr. McClure, the bag was opened merely as a routine procedure in such matters.

In that small brown canvas bag was a money belt containing approximately \$9,000, about half in government bonds and half in bills of \$20, \$50 and \$100 denominations.

During the 1929 crash Mr. Garrison lost considerable money, it was reported. The \$9,000 was evidently his life savings, and he preferred to take care of his own money in his own way, a brother explained.

Sister Dies At Ft. Wayne

Funeral services for Mrs. Annis Miller, widow of the late Rev. Courland Miller, was held Wednesday afternoon, June 14th at 2 o'clock at the Smith funeral home in Ft. Wayne, Indiana. Burial was made in South Park cemetery, that city. Officiating pastors were Rev. Raymond Heine, of the Methodist church of Ft. Wayne, and Rev. Paul Krauss of Columbia City, Ind.

Mrs. Miller passed away the preceding Monday at the age of 67 years following a long illness. She was born Sept. 20, 1882 in Benzie County, Michigan. Later attended the Plymouth Public schools and had been a resident of Ft. Wayne, Ind. since 1938.

Survivors include one son Marshall Courland Miller of Ft. Wayne, Ind., one daughter Mrs. Betty Wright of Saginaw, Mich., and three grandchildren. One sister, Mrs. Iva Gleason of Plymouth; also survives. Her husband, also a former resident of Plymouth, preceded her in death in 1938.

Supt. Dennis Breaks Ground For Athletic Field

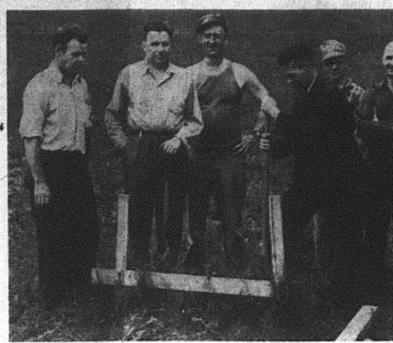

Photo by Tom Root

Another step in community progress was made recently when Supt. G. R. Dennis "broke ground" for Plymouth's athletic stadium and lighted field in Mary Fete park. Pictured above from left to right are: Elton Robertson, Harold Cashman, Joe Borrer, Supt. Dennis, Robert Lewis, Johnny Helbig and John F. Root. These men have been not only active in organizing the financial program for building the stadium and lighting the field, but they have given much of their time in actual work.

Place Order For Stadium Lights; \$10 Bonds Ready For 'Takers'

If any citizen in this area has held up buying a bond or a contribution toward the stadium and athletic field at the Mary Fete park because of any doubt as to the project ever materializing, may now feel assured that the purchase of a bond is a safe investment. Actual construction has been started and the program is well under way.

This week electrical equipment and lights were ordered for the field. Delivery has been set for July 15th. The Ohio Power Co. is being asked to string the light lines into the field. Transformers and poles have been ordered and they are expected to arrive at a very early date.

The Booster Club has entered into this project with a feeling that no one will let them down. Many have made pledges that are to be paid, and quite a number of citizens have already paid cash for their seats and bonds. It has come to the point now where CASH is needed if the project is to keep on schedule. The Club is paying cash for every item purchased, and right now, \$1700 is needed to finish the job.

If all seat and bond reservations were paid in full this week, and if an additional 170 (\$10) bonds were sold for cash this week, there would be sufficient funds on hand to pay for all the equipment and to complete the field in every detail.

If and when the equipment and materials are received by July 15th, there will be quite a lot of work to be done such as setting poles, placing hardware and stringing wire. With cooperation in securing sufficient money and donation of labor, the bleachers and first game of football in September.

Every school patron should make an effort to purchase a \$10 bond this week. Every public-spirited citizen should be willing to make an investment of \$10 which will mean progress for the community. These ten dollar bonds which are being sold are redeemable at the end of 1951, and certainly there should be sufficient number of progressive citizens who are willing to "lend" ten dollars for one year.

If you want to see this project completed on time make it a point to contact Harold Cashman, Elton Robertson, Bob Martin, Bob Lewis, Supt. Dennis, Johnny Helbig, or John F. Root this week and purchase a bond. We would like to note here that those who are supplying materials, such as cement and blocks, wire, etc., have made exceptionally fine concessions to the Booster Club because of the fact that the project is one which is invaluable to the community. If outside interests have been so willing to cut down their margin of profits considerably, we, as citizens, should not hesitate to lend our money to see the stadium and athletic field completed.

The Booster Club would like to keep the fund-raising program on a "voluntary" basis, eliminating any "house-to-house" calls, and it is believed that citizens of the community will respond splendidly in support of this program.

The bonds are made up in book form with ten \$10 bonds to a book. If you want to exchange a coupon for a ticket this fall, you may do so. If you do not use all of the coupons for games, you may exchange those that are not used for cash at the end of the 1951 season. So you have nothing to lose if you buy a \$10 bond book.

Invited to See Movies Slides On Friday Night

An invitation is extended to all interested to attend the showing of movies and slides of the Great North West on Friday evening, June 23rd at the Methodist church. The hour is set for 8 o'clock and the pictures will be shown by Mrs. M. Davis of Eatonville, Washington, son of L. Z. Davis of Plymouth. The pictures were taken by Mr. Davis and are unusually good.

SHIRLEY BIRATH, Plymouth Hi Junior, who has been working at the Hitching Post in between times, will leave next Wednesday with her mother, Mrs. E. Birath, for Brookings, S. D. They will visit with Mrs. Birath's son, Harry, and her daughter, Mrs. Eivor Magstad for two months before returning to Plymouth. Shirley says between the Indians and hoot owls for which S. D. is famous, she's expecting a hilarious time.

DEAN GRABACH is being very careful with a right forefinger these days. A ball struck him on the right hand late Monday while playing ball down at the high school diamond. But Dean is taking it like a man—it could have been worse. The mishap splintered a small bone in the finger.

TOMMY HATCH, young son of Mr. and Mrs. Ralph Hatch of Shelby Route, will think twice before he attempts to climb over a barbed wire fence again. He was not quite big enough to surmount that last top wire and got hung up where it hurt the most. He was taken to the home of Dr. Moffat for attention.

ONE OF THE MOST prized gifts presented to Mr. and Mrs. E. W. Phillips on their golden wedding anniversary was a quilt made more than fifty years ago by Mrs. Eva Tucker Heines, a teacher in the Lucas school when Mrs. Phillips was a student. The quilt, a basket design, names of students were embroidered beneath the handle, one of which was Mrs. Phillips'. The quilt was presented by a niece of Mrs. Heines, Mrs. Frances Clinker Blaine of Elyria.

THE BIGGEST sheep kill in the history of Richland county occurred Tuesday afternoon when a pack of dogs destroyed 30 sheep on the Carl Smith farm, north of Olivesburg on the Adario road. Smith set the loss at \$451. Nineteen of the sheep were large ewes, and 11 were fewer size lambs. The ewes were valued at \$35 each, and the lambs at \$26 apiece. Smith says he had been in a good luck day noon and surprised several dogs, but that he had no weapon. However, he chased the dogs from the field but only after the 28 sheep had been killed. Two other sheep had to be destroyed due to severe injuries.

IF YOU MUST DRINK — Give your wife eighteen dollars to buy a gallon of whiskey. . . . Buy all your drinks from her at fifty cents per drink. . . . Remember, there are 96 drinks in a gallon. By the time you have guzzled the first gallon she will have \$30 in the bank and \$18 to start in business. . . . She'll be 80 years old by the time you've finished your first gallon. . . . You'll have enough money to give you a respectable burial, educate your children, buy a car, house and lot, and marry a decent man after you die with snakes in your boots. —The Hub

Two Hundred Fifty Guests Greet Mr. and Mrs. E. W. Phillips On Golden Wedding Anniversary

A beautiful reception was given to Mr. and Mrs. E. W. Phillips, whose fiftieth wedding anniversary was an event of Saturday, June 17, when approximately two hundred and fifty friends, relatives and acquaintances greeted them at the First Methodist Church. Open house was held from 2 to 4 p. m. Mrs. Nina Reif of Mansfield, a niece, presided at the registration book.

When Mr. and Mrs. Phillips came down the aisle of the church to the strains of the Mendelssohn Wedding March, played by Mrs. Phillips' sister, Mrs. Otto Shoup, of Shelby, Mr. Phillips carried a gold headed cane, that his grandfather had carried in 1892 and given to him. A family record shows this is the 53th celebration in the Phillips' family.

Mrs. Ruth Davies, of Shelby, a great niece of the bride, sang "Put On Your Old Gray Bonnet" and "Dear Hearts and Gentle People" after which the relatives and friends extended their congratulations and best wishes.

They were assisted by their sons Herbert Phillips of Cleveland and Earnest Phillips of Mansfield.

All of Mrs. Phillips' sisters, Mrs. Nina McArdle, Mrs. Ethel Secrist McFarland and Mrs. Hallie Taylor, all of Butler, Mrs. Shoup of Shelby and Mr. Phillips' sister, Mrs. Blanche Carter, Perryville, Mrs. Fred Phillips, a sister-in-law of Mr. Vernon, were present for the affair.

Many lovely baskets of yellow roses, snapdragons and gladioli had been received, beside lovely gifts and cards, all suggestive of their golden wedding.

A bridal table was centered with a four-tiered wedding cake, topped with a miniature bride and bridegroom and decorated with gold bells and at each end of the table were vases filled with yellow roses.

The refreshments served by the Bethany Class of the Methodist church consisted of ice cream molds, centered with a yellow bell, cake, nuts in little gold shells as favors and punch. White napkins were imprinted with gold, 1900-1950, Jessie and Edd.

Mr. and Mrs. Phillips have lived here thirty-two years. Their wedding took place in the Methodist parsonage at Belleville, Ohio, Rev. Fred Stevick, officiating, followed by a wedding dinner at the home of her parents, Mr. and Mrs. William Trauer, near Butler. Besides their own sons, they have six grandsons, one granddaughter, and two great grandchildren.

Others from a distance were Dr. Frank Phillips of Washington, D. C., Mr. and Mrs. Judson Adams of

Killbuck, Iowa, Mr. and Mrs. C. Steinbruner, Dayton, and Mr. and Mrs. Homer Ellis and Miss Bertine Wightman, Cleveland.

A wedding supper was served at the Conger restaurant to Mr. and Mrs. Phillips and immediate relatives at six o'clock.

Joseph H. Moore Takes Bride At Hooper, Nebraska, June 8th

A wedding of interest locally took place on Thursday, June 8th in Hooper, Nebraska, when Miss Inez Claire Schwab was united in marriage to Mr. Joseph Henry Moore, at Grace Lutheran church, the Rev. Samuel Jensen officiating at 7:30 o'clock.

White carnations and white roses graced the altar, while two large floor beauty baskets of peonies and mock orange blossoms decorated the church. Four, seven-branched candelabra entwined with greenery furnished the illumination, and pew markers were large white bows with greenery.

A program of nuptial music preceded the ceremony with Miss Lois Stigle as soloist who sang "O, Perfect Love," "Through the Years" and the "Lord's Prayer."

The bride approached the altar on the arm of her father and was attired in a white palm beach suit with a blue nylon blouse, a white hat trimmed with white lilacs and blue net, and carried a white bible upon which was a white orchid with cascading ribbon streamers, and knotted with Stephanotis. Her only jewelry was a string of pearls, the gift of the groom.

Miss Lois Schwab, maid of honor, wore a blue tailored suit dress with natural colored accessories and carried a bouquet of white roses and carnations tied with a blue bow.

Willard C. Ross, Jr. of Iowa City, Iowa, served as best man and ushers were Stanley and James Schwab, brothers of the bride.

Mrs. Schwab attended her daughter's wedding in a grey dress, white accessories and a red rose corsage. Mrs. C. C. Moore, mother of the groom chose a black and white print, black accessories and a shoulder corsage of red roses.

Following the ceremony, a reception was held in the church parlors where a color motif of blue and white was used. Refreshments were served buffet style from a prettily decorated table centered with a three tiered wed-

State University, at Bowling Green, ding cake topped with a miniature bridal couple. This was cut by the bride's sister, Miss Myrtle Schwab and Miss Evelyn Moore of Bucyrus, sister of the groom, poured. Janet and Barbara Schwab, sisters of the bride, presided at the gift table and guest book.

The new Mrs. Moore is the daughter of Mr. and Mrs. J. Frank Schwab of Hooper, Nebraska, a graduate of the high school in that city and also of the University of Nebraska. Mr. Moore is the son of Mr. and Mrs. C. C. Moore of Bucyrus, formerly of Plymouth, and is a graduate of the Plymouth high school, and Bowling Green

Ohio. Both Mr. and Mrs. Moore attended Biblical Seminary in New York last year preparing for the mission field with the Lutheran church. They are to be commissioned as missionaries on Oct. 15th in Bucyrus and will leave the latter part of October for Guntur, India. They will work this summer in New York City, making their home at 415 E. 143rd St.

Attend Wedding
Attending the wedding from this area were Mr. and Mrs. C. C. Moore and daughter Evelyn of Bucyrus, and son Richard Moore of Monroeville. Others from a distance were Mr. and Mrs. Willard Ross, Jr. of Iowa City, Ia., Mr. and Mrs. E. J. Penneck of Des Moines, Iowa, and Miss Esther Barnhart of Albuquerque, New Mexico.

Describes Trip To East Coast

(Continued from Page One)

culvert about 3 ft. high to stop the bus, but the front wheels hit it and went over the culvert, but the rear wheels hit it and landed the bus against it, making the bus lean over at a 50 degree angle.

It was really miraculous how our bus was handled. The driver of our bus was a brand new one. It had only been out on a few short trips. It had air-conditioning and everything up to date for lounging comfort. The brakes were in A-1 condition, and the driver wore medals of several year's experience. The whole fault lays with Penn. State highways dept. for not having flares or warnings of the accident ahead. We had previously passed a small hamlet named Turkeytown, where we journeyed back for dinner.

Fortunately the only casualties were skinned knees for John Root and the driver. The latter, who was thrown from one side of the bus across the aisle. She also suffered a strained ankle which later on the trip caused her much trouble.

Another bus was secured from Pittsburg, and our bus was righted up by three tow-trucks so we could start our business as usual and transfer to the other bus. The writer had the State highway called by phone, at Greensburg to take care of the traffic, as there were thousands of cars, many stuck in traffic, and what was going on. Being Sunday morning there were many on the road. It was really wonderful how the students co-operated at this time like this.

OTHER NOTES The group did take time to stop at Gettysburg and from the number of post cards of Gettysburg scenes that reached the group (there couldn't have been many posts left in the town!) They arrived in Washington near midnight and began their tour the next morning. At the Bureau of Advertising, F. B. I., Rosalie Turson became faint, and as Mrs. Lanus was taking her back to the bus she turned her ankle and fell, having to have a doctor and a nurse in attendance.

In Philadelphia they were met by Helen Dick Ecksterowicz, who was to show the group the city, but as was Flag Day many places of interest were closed. It was raining and we only toured Independence Hall and several places of historical interest.

Mr. Dennis took 500 ft. of colored movies of this trip, and these will be a most interesting feature of the F. meeting in August. The managers of all the hotels where the group stayed, and all the guides of our tours stated that the Plymouth group was the best disciplined and most courteous group they had seen this year. This is really a compliment when you realize that there had been about 300 schools making the tours from all over the United States.

At the church where Washington worshipped the statement was made to Supt. Dennis that only one of the group had been injured. That Seniors had made the tour, exceeded the courtesy and good behaviour of Plymouth's young people. Take a bow Class of 1950! Rosalie Turson had the pleasure of meeting her sister, Barbara, in New York City at the hotel, and Sam Hutchinson stayed in New York in his own hotel. Mrs. Geo. W. Healey, for a few days.

Called HOME Mr. Lanus continues — "The group traveled on schedule and not only in one pot long enough to get our mail and telegrams, when we reached the Piccadilly in New York, Thursday mail was received that had been sent from Philadelphia and Philadelphia and thence to New York. We received the telephone and phone call telling of the death of Carrol Robinson and made arrangements to fly to Columbus on the next scheduled flight. Upon arriving, R. K. Williams, brought-in, met the plane and brought us on to take care of the funeral on Friday. The plane left Newark air port at 1:15 a. m. for Philadelphia where fog encountered and we had to be grounded for one and one-half hours, having left Philadelphia about fifteen mile and then turned back."

NEXT WEEK The next week members of the Senior Class will give their version and comments on the highlights of the trip and the varied view points make it a most interesting story.

JOHN ANDREW RANG DIES NEAR WILLARD WILLARD—John Andrew Rang, 83, retired farmer, died late Saturday night in his home on Burgin Rd., where he had lived the last fifty-two years. He had been ill for a year.

Survivors include his widow, Mrs. Mary Rang; one son, Edward Rang; six grandchildren and six great-grandchildren. Services were held at 2 p. m. Tuesday morning at the home of the Rev. Alvin Wylard, officiating. Burial in Wylard cemetery.

STORK ARRIVALS

Mrs. Pearl Hodges and Mr. Geo. Page of Shelby returned home Sunday from a family vacation at Camp Wood, Indian River, Mich. After spending the past ten days in Shelby with her daughter Mrs. Yeager Frank, Mrs. Elizabeth, Mrs. Anna Ross returned Monday to her home in Plymouth.

To Teach In California

Mr. and Mrs. Raymond Hatch and son David of East Lansing, Mich., are going for Los Angeles, Calif., by auto, where Mr. Hatch will teach in the University of Southern California for a six-week period. He will be professor of Personal and Guidance.

At the completion of his six-week course, he will go to San Diego, Calif., where he will teach for another five-week period.

Mr. Hatch is a graduate of Plymouth High school, class of 1929, taking his B.S. degree at Ashland College. He holds a M.A. degree from Michigan State and on June 5th received his Ph. D. from Oregon State college.

For the past four years he has been a faculty member of Michigan State College at East Lansing and expects to continue his work there this fall. Last Thursday was made an Assistant Professor in Personal and Guidance, which is quite a promotion.

At Michigan State Mr. Hatch is a member of a four-man team, which is an unusual organization in college circles. Most of his work is in the Department of Personal Service for the improvement and adjustment of the student body.

This past year he was consultant to the Department of Personal Service for the three Rivers, acting as intermediary between the schools and business.

Local Scouts to Attend Second National Boy Scout Jamboree

(Continued from Page One)

use food each day in units for ten persons and will be cooked that won't need to be fingered. Food will be cooked by the Scouts over charcoal fires. The Menhaden, N. J. Scout Jamboree, tested this and sample menus discovered new economical ways of its use such as an effect that it surprised even the Scouts and sent men to observe their results.

The food consumed each day will come to impressive totals. Chickens will have to work overtime as the Scouts expect to use 120,000 dozen eggs. More than 400,000 quarts of milk and 5,000 gallons of ice cream will be eaten and something like 45,000 loaves of bread and 55,000 dozen rolls. Breakfast cereals will come to two freight cars full. Over 100 tons of meat will be required including 25 miles of frankfurters, 25,000 cans of condensed milk, 65,000 cans of soup, 60,000 cans of fruit and 26,000 cans of fruit juices, in addition to large quantities of fresh vegetables. To help sustain the footers, 100,000 sugar and four and a half tons of salt will be used.

To a great extent the safety of Scouts and leaders going to the Jamboree and while away from home depends upon themselves. Self-reliance is the essence of Scouting. The excellent record of safety at the 1937 Jamboree stands as an example of what is possible with good planning, able personnel, adequate facilities and a measure of good fortune.

Before leaving home, all Jamboree participants will need to be examined by a doctor with a recheck examination given at Valley Forge by other physicians. Evidence of a successful vaccination against smallpox will be required. Each section of thirty-four Troop camp units will have a health log for first aid, temporary care and observation, if needed. Three medical doctors and four doctors' aides will be in each health log.

Each section will have its own water supply, shower baths, commissary department, including refrigeration for perishable food which will be delivered daily. A staff of inspectors will keep careful check on source and quality of all perishable food.

All cooking will be done by the Scouts. Paper dishes will be used and destroyed. Only cooking dishes, knives, forks and spoons will be used. A detergent fluid will disinfect as it cleans will be used.

A full program is provided for each day of the Jamboree. There will be music and morale features including Scout displays, camp fires, demonstrations, Scoutcraft, inter-camp visits and tours. Excursions will be made to the historic shrines in and near Philadelphia. A guide service of 200 adult leaders will be furnished by the Philadelphia Boy Scout Council. Similar guide service will be provided for the Crawford County camps following the Jamboree. These will include New York, Chicago, Washington, D. C. and other leading cities.

On the other four evenings events are scheduled and all 47,000 will participate. Outstanding American personalities will take part in all principal ceremonies. A dramatic opening ceremony will feature Friday evening, June 30, with pageantry telling the story of Valley Forge with the ragged Continental Army under George Washington.

The campers will converge from all directions to the arena. The ceremony will close with Scouts carrying torches across the grounds to light their sectional campfires. The Convocation on Sunday evening, July 2nd, will be a common dedication to "To God we're bound, in unity of religion under Scouting. Freedom of religion and the onward march of religion will be portrayed by pageants starting with the Mayflower compact, a nationally-famous boy choir will sing. It will be an impressive sight as 47,000 candles are lighted.

On Tuesday, July 4, Scouts will commemorate the birthday of a continent. The program that evening will include a fireworks display, fun, action and pageantry depicting the winning and development of a continent.

World Relationships—the Brotherhood of Scouting will feature the closing ceremony on the final evening, Thursday, July 6. Spotlighted on this evening will be the Scouts of other lands. Each of the 44 other Boy Scout organizations in the world has been invited to send a Patrol of eight Scouts and an adult leader. They will live in a Section Camp with the several hundred Scouts expected from Canada. The demonstrations will be international in character.

Dr. Arthur A. Schuck, Chief Scout Executive, will urge the Scouts to mingle with Scouts of other lands at all possible occasions and keep in touch by correspondence, in order to help bring about a true world brotherhood. The religious life of the Scouts at the Jamboree will be recognized in services conducted on what was the Grand Parade Grounds of the Continental Army. Scout of Jewish faith will hold their services there Friday evening and Saturday, June 30, and July 1, with an assembly on Sunday morning, July 2. On that day there will be a Catholic Mass, a Protestant Service and a Latter Day Saints Service. Chaplains will accompany many of the groups to and from the Jamboree.

Fifty Scouts and eight leaders will represent the Johnny Appleseed Area Council at the National Jamboree. The local Scouts who will attend are: Danny Eby, Post 1, Plymouth, will serve as a Jamboree Assistant Patrol leader. He will be accompanied by Roy Eckstein, James Brown, Robert Fogleson, Troop 1, Plymouth.

Notice

We will be closed week of July 3 to 10 for vacation.

Local Women Attend Ohio Demonstration Council Meet

Mesdames Gladys Stanley and Mary White joined Miss Mabel Spry and eight other ladies from Richland county in Mansfield last Tuesday morning and motored to Ohio State university where they attended a two-day session of the annual meeting of the Ohio Demonstration Council.

The meeting was held in the new Hugel's Hall auditorium, which is the new music hall, with Mrs. Fenton Brubaker of Lawrence county in charge.

During the meeting Miss Gertrude Kuehfuhs, assistant professor, School of Music O. S. U., entertained with special music. The combined county chorus of 153 women also entertained.

Among the speakers was C. M. Ferguson, Director of Agricultural Extension Services, who spoke of "Family Responsibility in Today's World."

Dr. Amalie Nelson, of Columbus, Homemaker and Psychologist, wife of a doctor and mother of two teenage girls, used as her subject: "Democracy Begins At Home."

Miss Minnie Price, State Home Demonstration Leader, talked on "The Road Ahead." She also introduced the other ladies of the State staff.

During the business meeting on Wednesday, the "Minnie Price" scholarship was awarded to a girl from Holmes county.

Mrs. Victor Stine of near Shelby was elected treasurer of the Ohio State Council for next year; Mrs. Henry Emig, Franklin county, president; Mrs. Sam Studebaker, Miami county, secretary of National Home Demonstration Council.

The past president of the council introduced six delegates from Ohio who will attend the conference of Associated County Women of the World at Copenhagen, Denmark, this fall.

Mrs. H. O. Edwards, Delaware

county, secretary of the Council, Mrs. Frances S. Clevering, Putnam county, past treasurer of the Council; and Mrs. Rebecca Olds, attended the A. C. W. W. three years ago at Amsterdam.

Tuesday evening at 6:00 buses took the ladies to Plumb Hall where they enjoyed a lamb barbecue and animal show.

Highlight of the evening was the International pageant put on by the Delaware Home Demonstration Council.

Civic Club Sponsors Band

The Civic Club of Shiloh is sponsoring a short series of hand concerts, the first of which is to be held Friday evening, June 30, on Main Street.

Harry Higgins Post No. 88, American Legion band of Ashland, at least thirty-five pieces strong, has been engaged.

All lovers of good hand music will be well repaid to turn out and hear them, as this is one of the best Legion bands in the state.

CARD OF THANKS

I wish to express my thanks and appreciation to Dr. Butler, Dr. Hannum and the Shelby hospital staff for the splendid care I received during my recent stay at the hospital. Many thanks also to all those who so thoughtfully remembered me with cards and flowers which I enjoyed very much.

NOTICE OF BIDS
Sealed bids will be received by the Clerk of the Board of Education for the construction of a new gymnasium floor in the Plymouth High School building, Plymouth, Ohio. The closing date for receiving bids is noon June 30, 1950. All bids should be addressed to the Clerk of the Board of Education, Plymouth, Ohio. Bids will be opened on Friday, June 30, 1950 at noon in the office of the Board of Education at the high school.

Complete specifications are printed herein, but a personal inspection of the present floor can be arranged by contacting the clerk of the Board. The successful contractor will be required to give a "completion bond". The final date set for completing the floor is September 1, 1950. The board reserves the right to reject any and all bids.

The specifications are as follows:
1. SCOPE (a) This part of the work will consist of leveling off the existing maple floor throughout the entire gymnasium area and the application of a new flooring over the present floor surface.
(b) The repair of this floor is requested as follows:
(1) Maple flooring over a left paper base, completely sanded and finished.
(2) PREPARATION OF PRESENT FLOOR: (a) At all high points of present floor, the maple boards on each side of high points are to be sanded in a longitudinal direction the full length of the raised portion of the floor, with countersinks flat-headed screws using 1 1/2 in. size. These screws are to be sufficiently countersunk to permit sanding of present floor.
(b) After all high points have been thoroughly sanded, at 45 degrees to the floor, with No. 2 sandpaper and power sander. This part of the operation shall thoroughly eliminate all ridges and high points of existing maple floor.
(c) At both sides of existing floor, remove one strip of maple floor and re-install a new strip so that it will have a straight edge the entire length of floor. This new edge strip is to be kept back 1/2 in. from sides of concrete curb at balcony side and brick curb at stage side.
(d) All fastening down of present floor is to be accomplished with countersunk flat-headed screws as hereinbefore specified.

3. NEW MAPLE FLOORING: (a) Over the entire area of present maple floor after sanding as above specified, apply 15 lbs. resin sized floor felt, with built-in joints, as an underlayment for the new

maple flooring.
(b) All maple flooring to be thoroughly seasoned and must be protected from damage and from weather.
(c) Minimum length of flooring to be not less than six (6) feet.
(f) All flooring is to be properly graded and sandedpaper and put in first grade condition to receive final finish. Final sanding is to be accomplished with No. "00" sandpaper just prior to gymnasium floor treatment.
(g) All new flooring is to be kept back 1/2 in. from walls to allow for expansion. This 1/2 in. area is to be filled in with a cork strip and later covered with a 3/4 in. shoe mould.
(h) After the last sanding of the gymnasium floor, thoroughly buff with No. "00" steel wool and when floor has become smooth, clean, dry and dustless, apply according to manufacturer's directions and using sufficient material to cover 500 sq. ft. per gallon; one application of Hiltzday's Gymnasium Finish or U. S. Chemical Company's special wood preservative or equal.
(i) Paint the basketball court with black lead 2 in. wide. Layout to be exact and approved by School Superintendent before it is painted in.
(j) After all markings are thoroughly dry, buff with No. "00" steel wool and using sufficient material to cover 600 sq. ft. per gallon per application, two coats of gymnasium finish heretofore specified. Allow 24 hours and buff with No. "00" steel wool between each coat. Final buff must leave floor free from all streaks and burn marks and must be perfectly smooth for acceptance.

Hadaacol Helps Wife Keep Her Family Well and Happy

HADACOL HELPS FOLKS SUFFERING FROM DEFICIENCY OF VITAMINS B₁, B₂, NIACIN AND IRON

Mrs. Edward H. Newton, 4368 Reading Road, Cincinnati, Ohio, feels that a wife's chief responsibility is attending to the welfare of her family at all times. HADACOL has been a big help to her in keeping her husband and little nephew well and happy.

Mrs. Newton's family, like so many, were suffering deficiencies of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains. HADACOL brought such wonderful results to her husband, who had suffered from stomach distress that Mrs. Newton gave HADACOL to her three-year-old nephew, Bobby Newton, with equally gratifying results.

Mrs. Newton's Statement
Here is Mrs. Newton's statement: "I gave my little nephew HADACOL because he was pale, he had no appetite; he was run down and he caught colds repeatedly. After taking HADACOL, he has an appetite, has color in his cheeks and he is healthier all the way. My husband has always been troubled with his stomach. After taking five large bottles and three small bottles of HADACOL, he eats anything and is not bothered with his stomach. Mrs. Newton has recommended HADACOL to many of her friends.

"Help You Feel Wonderful! Who's not have a similar happy experience happen to you? Now don't keep putting it off—don't wait until you're in the gutter. Who's that you'll start taking HADACOL tomorrow. START TAKING TODAY! It's only \$1.00 you'll realize the wonderful benefits that people by the thousands are getting from HADACOL, you wouldn't delay a single minute.

Hundreds of Doctors
... have prescribed HADACOL for their patients, have requested quantities of HADACOL for their own clinical use and for their own families. The fact that HADACOL is scientifically formulated, compounded so that it contains therapeutic quantities of Vitamins B₁, B₂, Niacin and Iron to supply deficiencies of these vital elements and is enriched with helpful amounts of Manganese, Calcium and Phosphorus (in liquid form), help to account for its increasing acceptance by doctors.

... with the first few bottles you take, or your money back guarantee. So give this remarkable HADACOL formula a chance to help you if you suffer from any sickness caused by deficiencies of Vitamins B₁, B₂, Niacin and Iron. Remember that HADACOL is amazingly different and amazing effective because it treats the real cause of the conditions you suffer from by supplying the deficient elements of Vitamins B₁, B₂, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Don't be satisfied with temporary relief, unless you're getting the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only \$1.00 for Trial size Large Family or Hospital size, \$3.50.

SCOUTS HIKE AT MOHICAN

Girl Scouts from Troop 1, Plymouth, enjoyed an outing and hike at Mohican State park last Thursday. Those who went for the day were Mary Robertson, Betty Carter, Daher Huzovich, Peggy Burrell, Carol Evans, Janet Smith, Sue Farrar, Jessie Steele, Georgianna Pitzen, Shirley Goldsmith, Mary Alexander, Jeanette Bettac, their leader, Mrs. Paul Mumford, Rev. Paul Mumford, Mr. and Mrs. Joe Huzovich, and Mr. George Hershiser, Scout leader.
Mr. Clark Garber, of Butler, who is a scientist and botanist as well as a teacher in the Solgshur Springs school, took the group on a tour of the park, and the old state coach trail which was part of the trail between Columbus and Cleveland, was of special interest to the girls. They also visited the State Memorial to the war dead, and on the 3 mile hike many native plants and flowers were identified for them by Mr. Garber. The waterfall, under which is a cut-back in the rock and which can be reached by the hikers, proved to be a big attraction and dates and names cut into the rock walls were a source of interest. The earliest date found by the girls was 1846. Indian folk-lore and legends were told by their guide for the day, and a trip to a near-by conservation dam was then made by the scouts and the adults accompanying them. All in all, it was a day that the girls will long remember, and they regretted that part of their troop were kept at home by illness.

TAKE PART IN SHELBY DANCE REVUE FRIDAY
Little Misses Diane Ruckman and Daber Huzovick appeared on June 9th in the dance revue presented at the Shelby High School as Miss Carolyn Wilkinson presented her pupils in "Carolyn's Capers."
Diane, daughter of Mr. and Mrs. Wilbur Ruckman, had a part in two dances, Hawaiian Babes and Baby Dolls. Daber, daughter of Mr. and Mrs. Joe Huzovick, appeared as Lady Dubarry.

Plans 10 Room Spanish Type Residence

TIRO—Glenn Bruce, proprietor of the Tiro Auto Service and Sales has started construction of a new home on State Route 98 northeast of Tiro.
Bruce recently purchased five acres of ground from the Heckert brothers on the south east side of the road. This site is across the road from the former home of Mr. and Mrs. Cleo Griffith.
Mr. and Mrs. Bruce plan to have a 10-room Spanish type house located on a hillside. The Tiro Farm Tools excavated for the basement and Chapin & Chapin of Norwalk are leveling off the ground.
The Bruce family is living on the Charles Warner farm at the present time.
Before moving to Tiro the Bruce family resided first in New Haven and later in Plymouth when Mr. Bruce was employed in the Fate-Root-Heath Co.

Reaches Quota

With a quota set for \$300 the solicitors in Plymouth, with Thor Woodworth as chairman, went over the top in their campaign and turned in a total of \$379.84 to assist in the battle against cancer.
Last year \$327 was collected in the cancer campaign, and it is hoped that the increase in donations indicates a growing interest in the fight against the dreaded foe of the community.
A Thank You goes to all the fifteen solicitors and to those who contributed to the cause, from Mr. Woodworth and those of the district who have helped the drive.
Mr. Woodworth is also Chairman of the Shelby-Plymouth-Shiloh district, and on Thursday evening attended an executive meeting of the organization at the Shelby hospital.
Me J. E. Nimmons of Plymouth also attended this session.
Anyone who wishes to do so can attend and go through the Cancer Clinic at the Shelby hospital, which is held every two weeks. For information call the hospital. At the last clinic held seventeen attended.

GRAND REPRESENTATIVE HONORED AT UPPER SANDUSKY

Grand Representative Adda Irwin of Upper Sandusky was honored recently when the Upper Sandusky chapter entertained District No. 10 at a reception.
Those attending from Plymouth chapter were: Mesdames Edith Rose, Martha McBeth, Deona Dawson, Lulu Norris and Alice Ford.
When a baby's cry annoyed Quinzell, cruel outlaw, Jesse James saved his life, proving he could be as gentle as a woman in soothing a child. Read "Jesse James and the Baby," by Homer Crox and E. E. Osto, in The American Weekly, with this Sunday's (June 25) issue of The Detroit Sunday Times.

ORDINANCE No. 207

AN ORDINANCE FIXING THE RATE OF PAY FOR LABOR HIRED BY THE VILLAGE OF PLYMOUTH. THE BOARD OF TRUSTEES OF PUBLIC AFFAIRS, THE CEMETERY TRUSTEES AND THE PARK BOARD OF THE VILLAGE OF PLYMOUTH, OHIO.
SECTION 1. The wages per hour for unskilled labor employed by the Village of Plymouth, the Board of Trustees of Public Affairs, the Cemetery Trustees and the Park Board of the Village of Plymouth, Ohio, shall be \$1.50 per hour.
SECTION 2. The wages per hour for semi-skilled labor employed by the Village of Plymouth, the Board of Trustees of Public Affairs, the Cemetery Trustees and the Park Board of the Village of Plymouth, Ohio, shall be \$1.25 per hour.
SECTION 3. The wages per hour for skilled labor employed by the Village of Plymouth, the Board of Trustees of Public Affairs, the Cemetery Trustees and the Park Board of the Village of Plymouth, Ohio, shall be \$1.00 per hour.
SECTION 4. The wages per hour for unskilled labor employed by the Village of Plymouth, the Board of Trustees of Public Affairs, the Cemetery Trustees and the Park Board of the Village of Plymouth, Ohio, shall be 85c per hour.
SECTION 5. That all ordinances or parts of ordinances inconsistent herewith are hereby repealed.
SECTION 6. This ordinance is hereby declared to be an emergency measure, necessary for the immediate preservation of the public peace, health and safety, and shall become effective July 1, 1950. The reason for such necessity is that the rates of pay herein provided for are necessary in order to obtain competent services under the Village of Plymouth, the Board of Trustees of Public Affairs, the Cemetery Trustees and the Park Board of the Village of Plymouth, Ohio.
Passed June 20, 1950.
ATTEST: D. G. CUNNINGHAM, Clerk.
WHITNEY J. BRIGGS,
President of Council

Mrs. Stine Chosen By State Group

Mrs. Victor Stine, Shelby, R. D. 3, was elected treasurer of the State Home Demonstration council at the annual meeting held June 12 and 13 at Ohio State University. Ten representatives from the Richland council were present at the meeting. Mrs. Stine has served as president of the county council, district president of five counties and representative from Shelby to the Richland county council.

SHINGLING CHURCH

Work has begun on shingling the St. Joseph Catholic church this week, with asbestos shingles, beautifying the church very much. The church is also holding a two-week vacation school at the Plymouth high school.

CARD OF THANKS

We wish to extend our most sincere thanks to Mrs. Ray Dinninger and Mrs. Earl McQuate, Mrs. Ralph Ream and other members of the Bethany Class for so ably assisting us with the 50th Anniversary celebration of our parents, Mr. and Mrs. E. W. Phillips. Mr. and Mrs. Herbert Phillips.
