

Pilgrims Trounce Shiloh 53-30

By Dan Eby The Plymouth Pilgrims faced their fourth Richland County League game by defeating Shiloh 53-30. The game was on Shiloh's floor and was played last Friday.

After the first quarter found the Drummer boys holding a 13-8 lead the Drummer boys never made a contest of it.

The game was a fast-paced thirty-two minutes with Plymouth pulling away midway in the second period.

During the second period Plymouth figured 18 markers through the nets while the Drummer boys had to be satisfied with six.

The first half saw the Pilgrims score 31 points while Shiloh could manage only 14.

After intermission, the fired-up boys from Shiloh started a campaign to regain the lead but Plymouth had other ideas. Both teams counted 10 points during this quarter and therefore the Pilgrims still held a 17 point lead.

It was in the fourth and final period that Shiloh found themselves in the middle of a man-power show.

Although the Drummer boys had but four players they continued to wage a battle against their opponents.

The game ended with the Pilgrims winning 53-30. Joe Bettus was scorched the nets for 18 points.

Bob Rakestraw was high man for Shiloh, collecting 12 points while Roberts had 8 counters for his efforts.

The Plymouth Reserves continued smashing their way past their opponents by rolling over the Shilohs 26-10.

The game was strictly Pilgrims as they led from the opening minute throughout the entire contest.

The win was their seventh in a row.

Jan. 31 Deadline For Real Estate Tax

Huron County Treasurer, Harold B. Collier, makes announcement that in keeping with the usual custom the Treasurer's office will remain open next Saturday afternoon, January 26 until three o'clock.

This is intended for the benefit of those whose employment does not permit them to come in through the week.

The treasurer also reminded that the office never closes on Wednesday afternoon. This is in contrast to the opinion of many who think the Court House closes as do the banks.

Final date for closing the tax books is January 31, 1952 after which the usual penalty as provided by law applies.

Willard Nurse And Mother In Wreck

Miss Gertrude Baker, Willard hospital superintendent, and her mother, Mrs. Rosa Baker, 75, are reported in good condition following an auto wreck early Saturday morning.

Miss Baker and her mother were injured in an auto mishap which occurred one-half mile east of Ruggles on Route 224, when their car was struck by an auto from Michigan on leave. They were enroute to their cottage at Brady Lake, near Akron.

A car driven by Wells Warren, 21, of Howell Hill, who was accompanied by Robert Kammann, also of Howell, collided with the Baker car. The two men are sailors, and were going to their home in Michigan on leave. They were traveling west when the accident occurred. The impact demolished the new auto driven by Miss Baker, and doing slight damage to the Warren car.

The crash sent all four occupants to the Samaritan hospital in Ashland for treatment. It was reported that Miss Baker suffered a fractured left hip, fractured left ankle, slight concussion and severe cuts and lacerations. Her mother was also injured.

The driver is one of 100 thru-out the United States to win the top prize in one of four weekly contests. At the end of the contest a field of 400 for a \$10,000 grand prize.

Her entry, judged on originality, sincerity and aptness, was selected as a winner by an independent contest judging organization.

New Courses At New Haven School

Three new courses have been added at the New Haven school which began January 21. They include journalism, senior problems and driver-training.

Thirteen students signed up for journalism with Wilma Newmeyer being elected editor.

Senior problems, one of the new courses, had an enrollment of 22 students. The course is divided into nine units which include family relations, social and personal problems; housing; health and safety; recreation; civic participation; reflective thinking; vocational guidance and consumer economics.

In the driver-training course, 22 students enrolled to learn more about driving. The Guthrie Motor Sales of Willard is cooperating in this course by supplying a car with dual controls.

Driving methods will include safe driving, sportsmanlike driving and other fundamentals which are supplied in a text-book prepared by the American Auto Association.

The three classes will be taught by Mr. Slauter.

BROTHER DIES

NEW LONDON — Funeral services will be held at 2 p.m. today for Howard C. Huppert, 66, a farmer-nurseman, who died at his home in Ruggles township, at 7:30 a. m. Tuesday following a long illness.

A native of Richland county, Mr. Huppert moved to Ruggles fifty years ago.

Surviving are his widow Mae, three daughters, Mrs. Elyria George of Plymouth, Clayton of New London, one sister, Mrs. Frances Perkins of Nankin, and one son, Van Huppert.

Mr. Huppert was a member of the Ruggles Federated church and a past Master of Ruggles Grange. He was also a member of the Ruggles church, Rev. Plummer, pastor, officiating, with burial at Ruggles.

Quarry Monster!

We've heard the tales of Scott's Loch Ness. Of monster reptiles there. So thoughtily mounded and snaky formed.

They fairly raise the hair; But, frightful as these monsters are, We'd almost go on bond To venture they ain't got a thing On one quarry pond.

Bob Meiser sighted it last spring. Along with Merton K. A creature of 200 pounds. (At least that's what they say.) Its head was like a blasted egg. Its great shell, mud-dish green. Hope up before their startled eyes. Huge as a submarine.

In vain they tried to snare the brute. They baited it each day. Firm hooks the size of grappling hooks. The monster tore away. Till summer wavered into fall. Now deep within the slime. Somewhere beneath the quarry ice. It waits for the summertime.

Yes, beware as the monsters are. We venture they ain't got a thing On Plymouth's quarry pond. —Clyde B. Caldwell

MCKINLEY BANQUET ON FRIDAY, FEB. 1

The annual McKinley Club banquet will be held on Friday, Feb. 1, according to an announcement made Wednesday afternoon by D. H. Gilhousen, president of the club.

The dinner will be served at 6:30 at the Norwalk High school auditorium. Fish and Turkey with all the trimmings will be on the menu.

In announcing the banquet date, Gilhousen stated that U. S. Senator Francis Case of South Dakota, will be the main speaker of the evening. All state, district and congressional candidates will be invited to be present.

Tickets will be on sale, and announcement will be made next week as to where they may be obtained. The program will also be printed in next week's Advertiser.

Last year more than 800 attended this annual affair.

GOOD ATTENDANCE AT PTA MEETING

Considering the inclement weather prevailing the Parent-Teachers' meeting held last Thursday night at the high school auditorium was well attended.

The program was presented to Health of High School Students. Mrs. White, who has charge of the southern half of Richland county, was in charge of the program, substituting for Dr. Wayne, who was unable to be present.

Also participating in this phase of the program were Mrs. Buzzard, girls' physical Education instructor, and Donald Frai, coach and boys' physical education instructor. Mrs. Sirine, principal of the grade school, also participated on the program.

One of the features of the evening's entertainment was the Negro spiritual sung by a group of children. The group, under the direction of Supt. Coon, sang two selections, "Every Time I Feel the Spirit" and "Swing Low, Sweet Chariot." These numbers were greatly enjoyed.

The membership committee reported 75 paid members of the association, and a financial report of the holiday dance and festival projects for the movie projector was also given. A rising vote of thanks was given to Mrs. Doris Gooday and her orchestra, to Fred Port and committees for the splendid movie contributed. The student council voted \$50 toward the movie projector fund.

A movie benefit is being planned at the high school auditorium in the near future, and a committee has been appointed to arrange the date so as not to interfere with the local theater. The committee is composed of Mrs. Clara Root, Mrs. Kenneth Myers, and Supt. Coon.

Following the meeting refreshments were served by Mrs. Gordon and Mrs. J. Helbig and Mrs. A. Mumma.

On February 21, the PTA meeting will feature a "Question Box" feature for the session, which will be under the direction of Mrs. Klaffen, art instructor. This should prove a most interesting meeting, and one which will be of great benefit not only to the PTA members, but to the schools and community.

SUFFERS HEAD INJURY IN AUTO-TRUCK WRECK

Charlie Wyandt, well-known New Haven township trustee and farmer, is confined in his home recuperating from a head injury.

Mr. Wyandt is injured in an accident about 5:30 Monday afternoon when an auto, driven by Fred Long, 24, Willard, crashed into the side of a truck, operated by Mr. Wyandt. Long's wife, Lucille, 22, who was riding with her husband, was treated at the Willard hospital for a bruised nose, arm and neck injury.

Wyandt was taken to his home following the accident, where he received treatment for a two-inch cut across the left side of his forehead. The impact caused by the car striking the truck threw Mr. Wyandt's head against an object in the truck cab, causing the head injury.

PROUDLY THE SQUARE

By Phineas Whittleson AFTER THE holiday season things really settle down in Plymouth. There isn't much to do except commiserate on the weather, or talk about our operation. Those of us who operate a business may take inventory, and most of us are getting the pencil and pad ready to figure out income tax reports.

On the whole, we're very snug in our little town, and some weeks the news is very slim.

THERE ARE a number of our beloved citizens who do not like the weather here all the time, so they have wandered down south, mostly into Florida. I think most of us enjoyed Harry Silliman's letter to the editor, in which he said we found it very interesting, and we'd like to have more expressions from those who visit Florida.

There are a number of you who have visited or anticipate visiting Marineland and is now chairman of the board.

THERE'S ALWAYS a "welcome" at 108 North 26th Street, Robert "Doc" and Mrs. Searle are spending the winter. Mr. and Mrs. C. V. Whitney arrived at their home in New York after a six-week tour of Europe in time for Christmas. They are now spending some time with her parents at Bradenton. A note from Eleanor states that her dad is feeling fine and is much improved.

"COUNTERPART" one of the horses from the Whitney Stables was voted the best three-year-old in the new racing museum, and the award for being the best horse of the year. Mr. Whitney also came in for an unusual honor, being given the "Burl" Whitney Award for having done the most to further thoroughbred racing in this country. The honor was bestowed mainly because of the opening of the new racing museum, which he is president. The special award will be presented at a dinner next August to be held in Saratoga. The Whitney will go to California in Spring to see Counterpart and other horses from their stables in action.

GENE JACOBS, who is "sightseeing" in Alaska under the auspices of Uncle Sam writes home that the weather is mighty fine up there. He was out the other day and thought he'd let his folks know so happened that his gloves were just sticking to his hands... 68 degrees below zero. We shouldn't complain about the weather.

SUTTLES SUPER MARKET is again offering a special 5 per cent cash discount to all churches in Plymouth. If you buy groceries Saturday at Suttles, just show your register receipt and turn it over to a representative of your church or organization, and they in turn can give you the special offer.

More than 250 lines of Spring and summer apparel for men were on display and the group was advised how to copy the glamour and appeal of topcoats, jackets, sweaters and many other items of men's wear during the sale.

Unusual bargains are "paying off" at Jump's Clothing Store. A big men's suit sale was announced last week, effective at both the Willard and Plymouth stores. Every suit in the house has been drastically reduced from its original price. As a result, men in this area have benefitted from the reductions.

Bill Jump, manager of the Plymouth store, states while many have been sold, there are hundreds of worthwhile suits remaining for the sale which ends Saturday, Feb. 2. He also pointed out that tremendous values are being offered on topcoats, jackets, sweaters and many other items of men's wear during the sale.

Mrs. Carl Willford, R.D. 1, Plymouth, has been admitted to the Shelby Memorial Hospital.

WE IMAGINE, too, that Jerry Caywood, who takes over the end-of-the-year management of the store, will miss Dan too. Both men have enjoyed a pleasant and friendly partnership in the grocery and meat business for five years, and their dissolution was one of the most friendly. We're glad that Jerry is remaining, and if knowledge, experience and personality have any bearing on business success, Mr. Caywood has a lot of it before him.

Balloons Released At Chicago Found On Area Farm

C. T. Pittinger of Shelby R. D. 1 reports the discovery of a balloon about the size of a bushel basket on his farm, one mile west of Ganges. The balloon was found in good condition and contained within it about 100 pamphlets of leaflets addressed to the "People of Czechoslovakia" which, according to an enclosed leaflet are the same in size and appearance as some 12,000,000 released and carried by scientifically controlled freedom balloons to prisoner people behind the iron curtain.

Termed "operation winds of Freedom," the leaflets bore messages of hope to those held captive.

The balloon found on the Pittinger farm, according to the enclosed informative leaflet, said it was released by the Crusade for Freedom in Chicago early in September to obtain data on the flight of the freedom balloons, and asked for contributions to the crusade.

LEAVES PLYMOUTH Miss Joy Bethel, faculty member of Plymouth school, for the past eight years, left here Monday morning for a visit with her parents, Rev. and Mrs. H. L. Bethel in Ashtabula, Ohio. She was accompanied by Rev. and Mrs. Ralph Felix who spent the day in the Bethel home.

Miss Bethel recently resigned to continue her work in education at the beginning of the next semester.

Feb. 15 Deadline For Marine Corps Officers Enlistment

WASHINGTON, D. C.—The Marine Corps said today that February 15 was the deadline for enrollment of mid-year college graduates in its officer Candidates Course, from which it seeks 1500 new officers during 1932.

The Corps is attempting also to enroll 2500 under-graduates before May 15 for its Platoon Leader's Class. After attending six weeks courses during two summers and obtaining baccalaureate degrees, platoon leader graduates are given reserve commissions.

The Officer Candidate Course instruction lasts ten weeks. Graduates from Officer Candidate Course and Platoon Leaders Course have a chance to compete in the five-months-long basic school for regular commissions.

All interested college students and graduates from Ohio and Michigan contact the Officer Procurement Officer, DHRC, Rm 500, Federal Building, Public Square and Superior Avenue, Cleveland 14, Ohio.

Gene Autry with Champ and Little Champ rides into Cleveland Arena, Sunday, Feb. 3rd for two performances at 2:30 and 7:00 p.m. The big 2 hour Western Musical Revue features Pat Buttram, Sully Burdette, the Jones Indian Dancers, the McKinley Ranch Boys with Johnny Bond, the Hilder Carl Cotner and many other western acts.

PLYMOUTH GIRLS EDGE SHILOH

The Plymouth girls basketball team opened their 1952 season with a win over Shiloh here Tuesday, 23-20.

It was a close hard fought game with the score being deadlocked at the end of the first quarter 6-4. The Plymouth girls held a one point lead, 11-10 at intermission but the Shiloh girls knotted the score at 18 all at the end of the third quarter. The Plymouth girls forged ahead in the final stanza with Elsie Reed and Helen Fox supplying the scoring.

Helen Fox and Donna Baker tied for scoring honors for the winners with eight points while Elsie Reed supplying the remaining seven. Jane Blackford of Shiloh was the high scorer for the night with 15 points.

Plymouth girls will travel to meet the Union girls January 29.

OPINION POLL QUESTION FOR THIS WEEK

Which do you prefer, a seven period day or an eight period day?

Jack B.: I like a seven period day because I get tired walking from one class to the next.

Joe Lee K.: I like an eight period day because it gives me two study halls instead of one.

Leonard S.: I like an eight period day because I need it to get my home work done.

Miriam K.: I like an eight period day because it gives me more subjects to choose from.

Tom M.: I like an eight period day because if we only had seven periods, each period would be longer.

JUNIOR HIGH WINS FIRST TILT 25-14

The Plymouth Jr. High School basketball team romped to their first victory of the season Tuesday when they downed Ripley 25-14.

The young Pilgrims broke on top and lead at the end of the first quarter 17-2. After that Ripley was never really in the ball game.

Gene Fidler again headed the Jr. High with eight tallies while Heatherfee was tops for Ripley with five.

GOSSIP COLUMN

Dear Students:
As you have heard the saying "Little Pitches Have Big Ears" we have heard quite a few things that we are sure would be very interesting to you.

First let us find out how your arithmetic is. Everyone has been wondering the age of our teachers. By snooping around we have found the age of Mr. Poling.

Do you want to know his age? Read the following instructions and work them out.

Take the number of pounds in a bushel of wheat; divide it by the number of inches in a foot; add the number of cubic feet in a cubic yard; subtract the number of pounds in a bushel of oats; add the number of wings on a bee; multiply by the number of toes on a Leghorn hen; add the number of stripes in the U. S. flag; subtract the number of petals on an apple blossom; divide by the number of miles in a cent; multiply by the number of an ant's legs; subtract

the number of sides of a triangle; and add five.

As we were wandering through the halls, this is what we heard:
—The P. H. S. girls basketball team won another game which makes them undefeated. Think it could be luck fellows?

—Nothing like a change in boy-friends and Shiloh girls would be two boys to one girl. How about it J. B.?

—In the olden days young couples were usually not late to games because it was unlikely to have anything go wrong with the horse and buggy. But since the invention of the automobile, there could be a thing as a flat tire, isn't there Phil?

—We've often heard that the Shelby boys are nice but there is no need to have two Plymouth girls wanting the same Shelby boy because there are many more.

—If you would like to know why Shirley B. likes to have such leading practice at night, just ask Bob M.

—New students usually attract attention for a few days, but he has been attracted by L. A. for a few months.

—I might help the atmosphere in the study hall if you would keep her shoes on. How about it Sue?

—Don't you suppose class rings ever get tired of changing from one hand to another? Come on, how about leaving them on just one hand for the next few days?

—Until next week's gossip and happenings, Mike and Ike says, "So Long."

THINGS UNLIKELY TO HAPPEN AT P.H.S.

Varsity and Reserve cheerleaders doing the "Hello" together at a game.

Joe Lee Kennedy walking through the halls quietly.

Tom Rhine going to a height of 6 feet.

First short hand class satisfied with their new assignments.

The first year typing class typing over 60 words per minute.

Betty Lynch not practicing typing during the noon hour.

Mrs. Myers only opening the bookstore once a day.

Connie Hannum furnishing her own typewriter.

Noise coming from the shop.

Jean Donnemith not having her journalism memorized.

The buses making their regular trips in the morning and at night.

The Plymouth girls not mentioning the Shelby or Willard boys once a day.

Danny Eby just leaving shop once during the two periods.

The junior and senior girls sitting near each other during the sixth period in study hall.

The bulletin board being empty for one day.

A basketball game with no score at the end.

Joe scored 25 field goals and 20 fouls for a total of 70 points during his sophomore year. He made 61.3 percent of the total points in Plymouth's basketball games for 1950-51.

According to this year's record, Joe has improved with a score of 101 points in 39 quarters out of 10 games. He made 39 field goals and 23 fouls in 10 games. He increased his percentage to 20.1-4 percent, which is 14 percent over last year's.

Through an interview, we learned that Joe played one year on Reserve and two years on Varsity. He plays forward and he scores a better record with one handed shots and one handed jump shots. By observing the way Joe looked December 16, 1951, we knew it was his first year in Varsity Club.

Another sport Joe has participated in for three years is football. He has played one year on the Reserve team and two years on the Varsity squad.

Plymouth will look forward to seeing Joe back on the team next year.

OLIO SUPPLY GAINS MOMENTUM

The Plymouth Polio Drive is gaining good headway in the 1952 campaign. Contributions have been coming in rapidly this past week. A number of organizations have already contributed their sums. The biggest single contribution outside of the schools was the collection taken in the Fate-Roof-Heath plant by the Plymouth Order of Mechanics. This amounted to \$37.24. Mr. Russel Barbour was in charge of the collection. More money is still coming in from this shop. Thanks Fate-Roof-Heath.

About 60 dollars has been contributed by the school children, with still more coming in. The boxes that have been placed in the stores will be collected Monday, Jan. 28. Let's fill them for this cause.

AGREEMENT REACHED

An agreement for temporary support in the divorce action of Marlene Silliman, Willard, vs Earl M. same village, was approved by the Huron County court. They were married in 1937 and have no children.

REMOVED HOME

Al Williams was released Thursday afternoon from the Shelby Hospital and taken in the McQuate ambulance to his home on Plymouth Street.

Mr. Williams fell from a scaffolding while working and suffered a fracture vertebrae. He will be confined to his bed for the next four weeks.

Plymouth's Pace-Setting New Belvedere

Here's Plymouth's smart hardtop club coupe, the Belvedere, the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has gleaming, lively two-tone color: Black Top with Sable Bronze top; Belmont Blue Polychromatic with Sterling Gray top; Mint Green with Black Top. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and carries over the rear deck, giving the car the continental look. Sparkling chrome molding outlines the top and curves back to separate the two colors at their junction at the rear quarter-panel. The interior is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior.

Huron County Banks In Excellent Condition; Total Resources Reach Record \$45,802.61

The excellent financial and economic conditions prevailing in Huron County are shown by the fact that total resources of the banks of the county amount to \$45,802,611. This figure was obtained by combining the year-end statements of the various banks. This means that Huron County business concerns and individuals are entrusting increasing amounts of their business funds and savings to the banks, thereby making available funds which the banks employ in satisfying the financial needs of the community through the making of loans.

The official reports of condition made by the banks to governmental authorities disclosed that Huron County banks had on deposit with them \$42,631,181.27 and of this, \$15,521,151.79 had been used in making loans of all types to aid the conduct of business and to fulfill the needs of the citizens of the community.

The deposits show the people of the county to be keeping up with

or a little ahead of the nation in accumulating funds. While the total looks large, the bankers point out, it is made up of thousands of deposits ranging from the small household and savings accounts of the average person up to the working funds and reserves of business large and small. Figures on any one's personal or business accounts are never given out by banks except to the owner, so only the totals are reported.

Bankers stress the importance of loans in keeping the county's business moving along. Money lent to business concerns makes it possible for them to buy stocks of goods, improve their premises and equipment and do other necessary things. Loans to individuals permit them to buy goods from merchants and others and many of these loans make it possible for people to purchase homes or farms, thereby contributing to the stability of their communities.

An element of safety for depositors lies on the fact that the stockholders of Huron County banks have total investments in the banks of \$2,936,407.42. This is in the form of capital, surplus and undivided profits. Another protective feature is the substantial amount of cash and Government bonds owned by the banks. The total is \$24,953,943.22. The cash of course, is immediately available to satisfy the withdrawal of deposits, and the Government bonds may quickly be converted into cash.

For further protection of depositors, the Federal Deposit Insurance Corporation, an agency created by the Federal Government but paid for by the banks, insures deposit accounts up to \$10,000. Bankers point out that, although the limit per account is \$10,000, a man and wife, for instance, may have a total of \$30,000 of insured deposits in the bank—\$10,000 in the name of each and \$10,000 in a joint account.

There are eight (8) banks in Huron County: The Union Bank & Savings Company, Bellevue; Farmers & Citizens Banking Co., Monroe; Citizens Savings and Loan Banking Co., New London; Citizens National Bank and the Huron County Banking Co., Norwalk; Peoples National Bank, Plymouth, Ohio; Wakerman Bank, Co., Wakarusa; The Willard United Bank (with two branches Greenwich and North Fairfield) Willard, Ohio.

The Wheels and Hellcats will meet next Monday night to determine the winner of the first round of the new Independent League. Both teams have won two games without a defeat.

Monday the 21st, the Wheels won their second ball game and the chance to meet the Hellcats in the final.

The Wheels defeated the Red Devils 45-43 in a thrilling game. In the first quarter Teglovic and Echeberry combined to score 12 out of the 15 points, and the Wheels led 15-12. Then in the second quarter Teglovic crammed eight points through the nets and the Wheels led at half time 28-17. The Wheels lead was cut to five points at the three quarter mark. Then in the last quarter, Poling and Clark led an attack that tied the score at 43-43. With five seconds remaining Dean Grabach stole the ball and caged a lay up shot for the deciding points.

In the second game the play was much closer. The score was tied five times and the game finally went into an overtime. When the dust had settled and the smoke had cleared the Hellcats emerged the victors 34-30. Baker and Reynolds led the losers with 8 and 6 points while Reed topped the winners with 17 tallies.

Twentieth Century Circle Members Enjoy Evening Of Trips

A trip down the Mississippi river from Cincinnati to New Orleans aboard the River Boat Delta Queen was related Monday evening by Mrs. Belle Bachrach when she spoke at the Twentieth Century Circle meeting. Mrs. Eleta Fackler was hostess to the group for their semi-monthly meeting and the evening's topic centered around travel.

Mrs. Bachrach accompanied by Mrs. Lura Webber, and the Misses Elizabeth and Kathryn Webber made reservations in March for the October 1950 trip and thoroughly enjoyed their leisurely trip down "The Father of Waters."

Illustrated by pamphlets, pictures, menus and the daily "paper" from the boat, Mrs. Bachrach gave a word picture to her audience and told that the boat was built in Scotland, brought to the United States where it was first used by the government and later sold to the Greene family who used it for tourist trade. Mrs. Bachrach told of the beautiful scenery along the way stopping at Natchez, Miss., and taking a tour there; also of visiting the French Markets in New Orleans, the beautiful homes, antique shops and the wonderful restaurants noted for their food. By the time Mrs. Bachrach completed the description of her trip, those present made a mental note to include in their "Dream Book of Trips" a similar trip for themselves sometime in the future.

Mrs. Lois Cashman's topic was Commuter's Island, just outside New York. The population here is 191,000 and the island can be reached by boat or ferry, or by three or four bridges on one rail-

road, the B.&O. People live here that work in New York City and enjoy their fishing, hunting or truck gardens. Water is piped from New York City and while they have 250 men on the police force, the island is a hideout for crooks, yet the crime rate is low.

The island originally was purchased from the Indians, and settled at an early date. Later it was resettled by the British.

The President on Tour was given by Miss Jessie Traeger. This was the story of Dewey Long, who has charge of all communications of the president of the United States. Mr. Long has to see to all transportation by air, rail or boat and makes the trip before the president starts on tour to see that everything is all right. He is always with the president, has charge of reporters, photographers and whoever might be traveling in the group. This has almost been his life work; he was with President Roosevelt for 12 years and is now with President Truman. His work requires him to be away from his home most of the time.

Twenty-one members responded to roll call with various items. The hostess served delicious refreshments and the circle will meet on Feb. 4th with Mrs. Marion Rush Cashman.

Sunshine Club Has January Meeting At Rose Home

Mrs. George Adams was hostess Thursday to the Sunshine Club at the Marshall Rose home on Shelby R. D. 3 with 26 members, two guests and seven children present.

Thank you notes were received from Mrs. Jean Snyder, who is visiting her son, Carl, in Cuy-

N. O. Telephone Co. Increases Pay Rates

Increased hourly rates of pay for all employees of The Northern Ohio Telephone Company have been agreed upon to be effective from December 31, 1951. Wage negotiations between committees representing the Plant and Traffic Departments and the Management of the Company had been held during the last half of December and new contracts to extend for a period of one year were agreed upon by all parties on January 4, 1952.

Hourly rates for Plant Department employees are increased ten cents per hour with an additional increase for Employees with over fifteen years service and for construction Foremen and male Wire Chiefs, Traffic and Commercial Department personnel will receive an increase of five cents per hour with an additional one cent for Employees with over seven years service in the toll center exchanges. Increases for Traffic and Commercial Employees in other offices will be slightly less than in toll center offices.

These hourly wage increases exceed by several cents per hour the cost of living increase permitted by the Wage Stabilization Board Registration No. 8 which is based on

Birth Day Club Entertained

Last Thursday, Mrs. Louise Miller invited members of the Birthday Club to be her guests at a dinner with covers laid for twelve. Flowers were used as a centerpiece and following the dinner, the group played bridge with Mrs. P. H. Root winning 1st prize and Miss Kathryn Weber 2nd.

the BLS index increase since January 15, 1951. Accordingly only six cents for Plant and three cents for traffic and Commercial Employees can be paid until approval for the remaining portion of the total increase agreed upon is received from the Wage Stabilization Board in Washington.

The telephone Company also agreed to establish a pension, effective January 1, 1952, for all Employees upon reaching age 65 who have had twenty years service with a minimum pension including primary Federal Social Security Benefits of one hundred dollars per month.

The increased hourly rates of pay and the pension plan will, according to Colonel Wm. C. Henry, President and General Manager of the Company, increase the operating expenses of the Telephone Company \$187,000 for the year 1952.

PREBYTERIAN CHURCH HONORS MISS JOY BETHEL

Another courtesy was extended Miss Joy Bethel Sunday evening, when members of the Presbyterian church played hosts to her friends in the community, at the church. The affair was planned by Miss Florence Danner, Mrs. L. R. Fetters and Mrs. Ralph Felix who arranged a very nice program and presented her with a going-away gift in recognition of her services

both in the church and the schools. The program consisted of an organ solo, "Communion" by Leonard Smith, vocal solo, "The Holy City," Mrs. Richard Hampton; reading, "The bride's first dinner," Mrs. Ralph Hatch; piano solo, "Prelude, C. Minor," Bachman-off; Royal Eckstein; songs, Young Peoples' group and organ and piano duet, Mrs. Ralph Felix and Miss Bethel.

TO ATTEND PASTOR'S CONVENTION IN COLUMBUS

Rev. M. J. Reinein, pastor of the Auburn Baptist Church and Rev. Ralph Felix, pastor of the Plymouth Presbyterian church are expecting to attend the Ohio Pastors' convention in Columbus January 28th thru 31st.

Completion of the speakers' roster has been announced by Dr. B. F. Lamb, convention director and president of the Ohio Council of Churches.

Twelve prominent churchmen from throughout the nation have accepted invitations to address some 2,000 Ohio pastors at the convention, Dr. Lamb said.

Bishop G. Bromley Oxnam, Methodist bishop of New York, and Dr. James W. Clarke, pastor of the Second Presbyterian church, St. Louis, Mo., will speak at two

fellowship suppers to be held simultaneously in two hotels. They will alternate between the two gatherings.

Dr. Edward W. Stimson, pastor of Cincinnati's Knox Presbyterian church and chairman of the convention, will conduct a worship service at each session.

Dr. Raymond L. Bailey, pastor of the First Baptist church, Columbus, will be the officiating minister at the convention's communion service.

An old bicycle chain is a perfect substitute for ropes or cables on farm gates where weights are used to close the gates. According to Successful Farming magazine, the chain passes through a pulley as easily as a rope and won't rot away due to wet weather.

A new work apron is now on the market that has, among other things, pockets for carrying water and soap. Reported in Successful Farming magazine, the apron allows you to carry the water right to the job. Its pockets are spillproof so that you can use it when washing windows and woodwork. Detergents and abrasives do not hurt the apron.

Successful Farming magazine reports that old windmills over the countryside are finding a new use — as television antennas.

PICTURES AT LIBRARY DISPLAY TALENT OF LOCAL YOUTHS

Did you ever try to put on paper the story of a book you have read? Not a review or a synopsis of it, but an illustration of picture? Under the supervision of Miss Joy Bethel a group of young folks from the 9th grade, have given self expression to "The Combat" "Lady of the Lake", "As you Like It" and "Treasure Island". The drawing, "The Combat" was the work and imagination of Otis Port, Frances Dorian and Billy Ellis who assisted with the pen and crayon coloring by Dorothy Binion and Janet Norris.

The other three pictures are the work of Otis Port and are done in water colors and crayon. "The Lady of the Lake" and "As you Like It" are pastoral scenes while "Treasure Island" depicts the pirates and water scene. All of them are exceptionally good and those who have seen them have made some very fine remarks about them. Those who have not seen them are invited to come to the library and view the work of these future artists.

WINDOW STICKERS TO SAVE STEEL

Columbus, Ohio—The State of Ohio will conserve about 1600 tons of valuable steel by issuing window stickers instead of steel license plates this year, according to Registrar of Motor Vehicles, R. E. Foley.

Foley said, "Motorists in purchasing new stickers must have their registration card and certificate of title with them or no sticker will be issued."

Window stickers will go on sale March 1. Persons having special plates will not receive a letter this year from the Bureau of Motor Vehicles. They are to purchase a sticker at their local Deputy Registrar's office at no additional cost.

The law states that the window stickers used for motor vehicle license tax must be placed in the lower right hand corner of the windshield.

Window stickers will come in different colors, according to the type of vehicle. Passenger cars will be blue; trucks, yellow; trailers, white; and dealers will be red and purple. The state is expecting to sell over 3,200,000 stickers this year to vehicle owners.

IN AUTO ACCIDENT

Ira Metcalfe and son of Mt. Vernon were injured Saturday in an auto accident near Sunday, O., and taken to the White Cross Hospital in Columbus. Details were not learned.

Mrs. Metcalfe will be recalled when she and her husband conducted the Rome store for seven years, and after selling almost seven years ago, went to Shenandoah to make their home. Mrs. Simmons was a member of Angulus chapter, O. E. S., and is survived by her husband, John F. Simmons and five sisters.

Shot Wounds Shiloh Youth

Richard Wheatcraft, 17, was accidentally shot by a companion, William Koker, 15, at the latter's home, Sunday evening, about 6 o'clock. He was taken to the Shelby hospital where surgery was performed to remove the bullet which had lodged in the large intestine, just below the right kidney. His condition is fair.

Richard had been staying at the Koker home since Christmas, and was planning to enlist in the Navy. He and William had been shooting targets with a .22 calibre rifle during the afternoon, and had left the gun on the stairway upon entering the house. The boys were doing chores for Mrs. Baker and when they were about to leave the Koker house to go to the Baker farm at chore time, William picked up the rifle to take with them when it was accidentally discharged.

Simmons Rites Held Tuesday in Mansfield

Mrs. Helen Simmons, 66, died Sunday morning at Mansfield General hospital following an extended illness.

She was born in Newark but had lived the greater part of her life in Mansfield and vicinity.

She and her husband conducted the Rome store for seven years, and after selling almost seven years ago, went to Shenandoah to make their home. Mrs. Simmons was a member of Angulus chapter, O. E. S., and is survived by her husband, John F. Simmons and five sisters.

Funeral services were conducted at the Wappler Funeral Home Tuesday, with Rev. Stafford, pastor of the Shenandoah Christian church, officiating. Burial was made in the Mansfield cemetery.

Toll Charge Hearing Is Delayed

The hearing before the Ohio Public Utilities Commission of a complaint filed by Jay M. Crooks, Shiloh, R. D. 1, concerning telephone toll charge between the Adario and Savannah exchanges have been set back a week.

Crooks said he received a letter from the commission stating that the date has been changed from Jan. 23 to Jan. 30. It will be held in the State Department building, Columbus.

SAFETY PROGRAM

The Shiloh road meeting for Home Demonstration Project (Accident Prevention in the home) will be held Thursday afternoon, Jan. 31, with Mrs. G. D. Seymour, corner of Prospect and Main St. The time is set for 1:30 p.m.

The program will emphasize causes of home accidents and what we can do to prevent them. Bring with you some handy gadget which you use at home as a safety device. A prize will be awarded for the best safety gadget.

Extension Work Will Explain Legal Status

1. Can you give 3 reasons for making a will?
 2. Can you list 4 points in witnessing a will that must be carefully carried out?
 3. Can you give 3 points to be carefully observed in making a will?
 4. Can mere words of exclusion in a will cut out a child from his inheritance?
 5. If a child is born after a will is written and has not been provided for in a will, can he receive his share of the estate?
 6. Does "undue influence" over a person at a time the will is drawn affect its validity?
 7. Do you know how property is divided in case there is no will?
 8. Is it true that a man cannot disinherit his wife by his will?
 9. Can a will become out of date?
 10. If a man or woman dies leaving no will does the surviving spouse get one-half of the estate and the child one-half?
- If you can not answer these questions, you are invited to attend one of these meetings; the first at First Lutheran church in Shelby at 8 p. m. January 25, the second at Union High School, at 8 p. m. on January 30th.
- These meetings are held as a part of the Richland County home demonstration program, planned for you, your family and friends. Come. A representative of the Richland County Bar Association will be the speaker.

FORD TRACTOR POWER and DEARBORN IMPLEMENTS

Dearborn Lift Type Implements for the Ford Tractor are real farm production tools! They can be attached quickly and, with the exception of the Heavy Duty Loader which have their own hydraulic pumps, are raised and lowered by Ford Tractor Hydraulic Touch Control. They speed work and help cut costs on scores of jobs. Come in, see them!

DEARBORN FIELD CULTIVATOR
Works 7-foot width, up to 8-inch depth, depending on soil! Great for renovating pastures, fitting stubble land for seeders and scrapers... and many other uses! Helps retard water and wind erosion.

DEARBORN SUBSOILER
Breaks soil as deep as 18 inches! Fine for breaking hard pan, for ditching or loosening ground for loaders and scrapers. Steel beam and point are both reversible. A great tool!

DEARBORN UTILITY BLADE
Excellent for terracing, maintaining lanes and driveways, backfilling, windrowing manure. Wide adjustments.

DEARBORN STANDARD LOADER
Quickly mounted! Operates by Ford Tractor Hydraulic Touch Control—lifts 750-lb. load to 7½-ft. height. Attachments available includes kits for converting to Heavy Duty Loaders.

Village of Plymouth, Ohio,
Dec. 8, 1952. 1-1066

NOTICE TO BIDDERS
Sealed proposals will be received by the Board of Education of Shiloh Local School District, Shiloh, Ohio, Richland County at the office of the clerk of said school district at Shiloh School, at 12 o'clock noon, Eastern Standard time on Friday, February 8, 1952, for the furnishing of materials and labor necessary to install furniture equipment and window shades in the Shiloh School building. The proposed work shall be in accordance with plans and specifications prepared by A. H. Moellenkamp & Associates, Engineers, Lancaster, Ohio.

Plans and specifications are on file for inspection as follows: The office of the Clerk of the Board of Education at the Shiloh School, Shiloh, Ohio, Richland County.
The office of A. H. Moellenkamp & Associates, Engineers, 868 Lunceon Blvd., Lancaster, Ohio.
Proposals will be received for shop equipment, class room desks and chairs, teacher's desks and chairs, window shades and window blinds.

All proposals shall be made and considered by the Board of Education in accordance with the General Code of the State of Ohio and be on blank forms furnished by the Clerk of the Board of Education or by the Engineer. All proposals shall be enclosed in a sealed envelope addressed to the Clerk of the Board of Education of Shiloh Local School District, Shiloh, Ohio. The outside of the envelope shall contain the name of the bidder and the branch of the work to be bid.

No bids may be withdrawn for a period of 30 days after the opening of bids.
Proposals shall be signed by the bidder, giving business address. In the case of firms or corporations the proposal must be signed by the legal authorized officers.
Each bid must contain the name of every person interested therein, and must be accompanied by a certified check or cashier's check on a solvent bank in the sum of not less than ten per cent of the total amount of the bid or by a bond in a like sum executed by an approved security, trust, or guaranty company.

Said check or bond shall be satisfactory to the Board.
If the bid is accepted a contract will be entered into and its performance properly secured.
Securities submitted by the unsuccessful bidders will be returned after the award of the contract is made and a performance bond in the amount of 100% of the contract has been executed by the successful bidder.
Copies of the plans and specifications may be obtained from the Engineer's office.
The Board reserves the right to reject any or all bids and to waive defects in the proposals.
By order of the Board of Education of Shiloh Local School District, Shiloh, Ohio.
