Farm Bureau Leaders Meet In Columbus

Several Farm Bureau Leaders from Huron County will be in Columbus, Jan. 5-6 to take part in the state-wide Farm Bureau Institute. Farm Bureau officials from nearby every Ohio county will be on hand. The institute will be held in order to provide training for leadership to those whose responsibility it is to head Farm Bureau programs in the various counties. Special emphasis will be given to the organization's legislative program—in an attempt to gear action of the Farm Bureau to the overall Farm Bureau program.

Three state issues have been listed by the Farm Bureau as most important for 1953: (1) Fair treatment of farmers in a state highway tax; (2) New Agricultural Center for Ohio State University; (3) Improvement of rural health and telephone service.

The farm delegates will be addressed at a luncheon by Rep. Walter C. Anderson, a prominent speaker of the Ohio General Assembly, who will discuss the "New Deal" picture it effects Ohio Farmers.

NEW YEAR'S DAY

The New Year spirit means companionship and fun. But make it plural—New Year's Day is a liquor that... and it can mean violent injury and death on a street or highway.

It's your life, of course, if you want to risk it. But you have the right to endanger other lives by driving without the full use of his faculties.

Willard Man Dies In Cleveland

Omar E. Armatrout, 66, Willard resident, died Friday noon in St. Luke's Hospital, Cleveland, after a brief illness. He had gone to Cleveland on Wednesday to spend Xmas with relatives and was stricken there. Armatrout was born Nov. 6, 1886 at Jamestown, Ohio, and went to Willard in 1926 from Ohio. He retired in May, 1951, as Chief engineer of the Willard Municipal electric plant due to ill health. He was a member of Grace Methodist Church.

Surviving are his widow, Myrtle; three sons, Gerald, William and Richard; all Willard; three daughters, Mrs. Hazel Tuttle, Erie, Pa., and Mrs. Barbara Ernberger, Shelby, and one daughter, Mrs. Myrtle. SHILOH YOUTH FINED \$25.00

Arthur Cole, 18-year-old Shiloh youth, was fined \$25.00 and costs with 30 days suspension of driver's license on an unsafe operation of a 1951 Buick Wildcat. Damage to the utility pole and phone equipment and the Clerk car amounted to over \$400 with no statement as yet regarding the damage to the blinkers.

LOCAL BOY MARCHES IN ORANGE BOWL PARADE

Did any of the local T-V fans watching the Orange Bowl parade in Miami, Fla., look for a young boy who was looking closely you might have seen Cpl. Russell Baker, son of Mr. and Mrs. Paul Baker, of Plymouth. He was a member of the second Battalion following the Marine Corps and was the last man in the outside rank.

MERRY CHRISTMAS FOR NEWLY ADOPTED SON

"It was the nicest Christmas we ever had," exclaimed Raymond & Earl Hankammer, Jr., to their new parents, Mr. and Mrs. Earl Hankammer, who recently adopted them. The boys, brothers, six and eight years old, are having the best of their lives in their new home and were thrilled when Santa Claus arrived Christmas eve with gifts. Both have entered the New Haven school and are rapidly making the acquaintance of boys and girls their own age.

PLYMOUTH MERCHANTS SEEK YOUR OPINION ON STORE HOURS TO BE ADOPTED FOR NEW YEAR

Now that Christmas is over and a new year is at hand Plymouth business men have a problem to solve, the opening and closing hours of stores, and the day on which the half-holiday should be. This subject has been discussed around the Square for the past few months, and no one seems to want to take the lead. Therefore, The Advertiser will endeavor to get opinions from the readers among buyers within the trading area.

During discussions it has been brought out with the Western Air Supply Depot paying its employees every other Thursday and most Plymouth stores closing Thursday afternoons, the stores are losing an opportunity for more sales. It must be remembered that the annual wages paid to employees of Plymouth Shiloh at the depot total more than a million three hundred thousand dollars a year. It must also be remembered that the business of the State Health Co., add up to about a half million dollars each year.

As everyone knows, the "help situation" in this "help situation" is a real problem, especially in securing clerks for retail establishments. The average store observes 48 hours a week, and by being open Wednesday and Saturday nights, make a total of 52 to 54 hours each week per employee.

One phase which has been Plymouth stores have remained open on Wednesday and Saturday nights, closing on Thursday afternoons. With employment at a high level at all time high and most pay days coming on Thursdays and Fridays, it gives a serious problem to local business men whether it would be wise to close Wednesday afternoons and evenings and stay open on Thursday afternoons.

One phase which might relieve congestion on "over-the-week-end" buying is a change in pay days. A survey made in Beloit, Wis., reveals that the business community is an enterprising manufacturing city of 23,000 people. The survey shows that store traffic was at its highest on Thursdays, Fridays and Saturdays.

Beloit stores had to keep large sums of money on hand for cashing checks, sufficient clerks were being in "at" stores to handle the crowds of customers. The answer which changed the picture was a change in pay days. Beloit shifted their pay days from Thursdays, Fridays and Saturday mornings.

Store Hours Ballot

(Place an X in front of your choice—Make only one X) Drop in Ballot Box or Mail or Hand in to The Advertiser

I favor Plymouth stores CLOSING Wednesday afternoons and evenings, but remaining OPEN Thursday afternoons and evenings.

I favor Plymouth stores remaining OPEN Wednesday afternoons and evenings, but CLOSING Thursday afternoons.

I favor ALL Plymouth stores OPEN at noon on Mondays and remain OPEN each weekday from 8:00 to 6:00 p. m., except Saturdays.

I favor Plymouth stores remaining OPEN on Saturday nights only, and closing all other nights.

I would prefer pay days on Mondays and Tuesdays, rather than on Thursdays and Fridays.

COURT ITEMS

Joe Haun of Shiloh appeared last Wednesday evening before Judge William Ben Smith on a charge of drunkenness and disorderly conduct. He was picked up at the Bank Corner by Chief of Police Robert Meier. Circumstances warranted a fine, but he was severely reprimanded and warned.

Christmas Brings Word From Former Friends

The approach of a New Year seems to be a time for "inventory" and in this "stock taking" we usually careen and ruminate on give-and-take consideration to plans for the coming year. While this procedure is one which might be followed occasionally throughout the year, the coming of a brand new year seems to offer all of us a new starting point to renews our determination of purpose.

So the old-fashioned custom of wishing all our friends a Happy and Prosperous New Year—and we certainly do—seems to come to you—we hereby resolve that next year we are going to address and mail our Christmas cards in a more thoughtful and timely manner, or not later than the 24th day of December. Somehow the Christmas are getting closer, and we never seem to have the right amount of time necessary to send or do all the things we would like to do at the holiday time.

But we do appreciate the many cards and messages that come our way this past week and because there are others who would like to get their mailing addresses up to date, we are printing just a few.

Do you remember The Three Wolf's? Well, there weren't three when they lived in Plymouth, just two. But now there are three—the Big Wolf, the Little Wolf and the Middle size Wolf and they are residing at 10 N. Prospect Street, Oberlin, Ohio. The Big Wolf is Dr. Richard C. Wolf, associate professor of church history in the graduate school of theology at Oberlin. The Little Wolf is Rev. Wm. Rev. Wolf, pastor of the Lutheran Church. He and his family return to this area quite frequently and he has been in the area for some time past fall, the Wolf family resided in the east at New Haven, Conn.

Going back a good many years we can list Supt. and Mrs. T. S. Davis of Rocky River, Ohio, who add just a note to tell us that they are in the Dept. of Fraternity from Plymouth this past September. Before their home in Rocky River, they are going to Cleveland, Ohio, to be in the superintendent of the local schools. Their address is 201 Buckingham Road, Rocky River, Ohio.

Another former Plymouth superintendent is L. E. Bailey, who now calls St. Johns, Ohio, "home." Mr. and Mrs. Bailey return quite frequently to Plymouth whenever they see many "children" invite them for a wedding or some special occasion. Mr. Bailey was head of the local schools for 12 years, and the youngsters entering school for the first time, also graduating under his guidance, twelve years later.

We can always count on the interesting letters throughout the year of their trips and experiences. Mr. and Mrs. Jackson and their children have travelled so extensively through the west and east they frequently see Mrs. Mary Lorch Fenton in Hollywood, Calif. Their present address is 1208 West Chestnut St., Burbank, Calif.

A "surprise" card came from Miss Clara Silliman from Miami, Florida. While there was no message, it was very kind and we are enjoying the "surprise" very much.

Another Plymouth native, who has been gone for sixteen years, is Mrs. H. Hoyt of Toledo, Toledo, Ohio. The Hoyts have recently moved into their new home at 4151 Talwood Lane, Toledo, Ohio, and are quite delighted with living in the "country." While it may be a suburb of Toledo, Ohio, they live two miles from a store and one mile from the highway. The Hoyts have to go to the Lane to pick up their mail from a rural mail box. There are no street lights, but every home has a street light. The Hoyts are very fortunate in that they have plenty of light but is very decorative and can be turned on from the home.

The Hoyts resided in Lincoln Avenue Toledo for 41 years but they are very happy in their new home. Their eight grandchildren keep them busy and the three older girls Barbara will graduate this year, Marilyn in Columbus and Nancy a freshman. They are all the children of Mr. and Mrs. Elliott Hoyt. Both Mr. and Mrs. Hoyt are very busy in their work on the home and the interior decorations were the work of Mr. Hoyt. Mr. Hoyt is in good health but his heart is somewhat impaired but continues with his work.

AROUND THE SQUARE

By Phineas Whittlesed

IF YOU THINK you need that rabbit's foot to help you get through 1953, you better start going—today, January 1st at 5 p.m. the 1952 open season on rabbits and grouse in Ohio closes. Personally, I can't see its charm or good luck—it didn't help the rabbit much, did it?

CHRISTMAS FOR Dick Salsbury, who now makes his home at the I.O.O.F. home in Springfield, O., was filled with memories and happiness because of the thoughtfulness of friends. Dick received 63 cards, a letter and numerous gifts, all of which added to the festivities of the day. Sunday, Mr. and Mrs. O. J. Nickler of the New Haven Road motored down to Springfield to see him and take him some gifts and found him washing dishes. Dick says he has "dishpan" hands, but it is one way to get them nice and clean. The Nicklers were shown over the grounds and the buildings and Salsbury was delighted to have visitors from home. Plymouth was his home many years when he ran the Coleman farm just north of town. Dick is looking forward to next summer when he hopes to return for a vacation.

FOSTER SMITH of Plymouth rural is a wise man when it comes to choosing working conditions and vacations. Last summer when the sun was beating down on us Ohioans, Mr. Smith went to a vacation spot in Florida, where he had a wonderful experience in a different climate. Saturday, he left for Florida to spend a vacation, which he says was "the best" of his worst. However, we can't complain, for this area has been blessed with exceptionally mild and good weather so far.

MRS. G. J. SEARLE who is wintering in Indiana, spent the holiday season with her daughter, Mrs. C. V. Whitney and family in Old Mansfield. Mrs. Whitney says she had a wonderful experience in a different climate. Saturday, he left for Florida to spend a vacation, which he says was "the best" of his worst. However, we can't complain, for this area has been blessed with exceptionally mild and good weather so far.

IT WASN'T that a Merry Christmas was for Mr. J. Hetter this year. On Tuesday before Christmas she entered the hospital in Shelby for x-rays of her ankle. The picture showed it was broken and she was kept in the hospital until Thursday afternoon. She'll be off her feet for some time. Her husband and three children were with her for two weeks previous, and it was only when her ankle began to act up that she suspected something was wrong. Her husband, F. J. and children Don, and Shirley Ann spent the day with his brother, Ray Hetter and family, south of Springfield, Mo. There she had two brothers for a total of four sisters present for the event.

ABOUT THE "MOST unusual Christmas Gift" request we've heard of was made by Jean Anne Cornell, daughter of Mr. and Mrs. Weldon Cornell. When her parents asked her what she wanted for Christmas, she replied: "I don't want a gift of any kind, but I'd like to entertain a girl friend without being bothered by her. I'd like to have a girl friend who would be like Celia Kibbler." The Cornell's went to the Children's Home in Norwalk, but were unsuccessful; they tried the Richmond County Welfare Dept. in Mansfield, but had no luck. And they went to Galion, and found a 13-year-old, Celia Kibbler, who was in the Crawford County Home. Jean Anne was highly pleased, and so was Celia. They had a wonderful time together. On Friday after Christmas Jean Anne gave a party for Celia and the girls were very happy. Marie Curran, Daber Huzovitch, Paul Mackley, Roberta Bachrach, Joan Postema, Nina Stroup, and Edna Stroup were also present. It was a very nice party and it was a pleasure to see that Jean Anne's idea for a Merry Christmas proved a most enjoyable one for Celia, and for all.

Return To Florida

A-1C Blair Arnold and Mrs. Arnold, who enjoyed a week's furlough visiting in the home of his parents, Mr. and Mrs. Lloyd Arnold of Shelby and his sisters, Mrs. Merton Jones and Mrs. Robert Busby, returned to Patrick Air Base near Rockledge, Fla., last Friday evening.

The one disappointment to mar their visit was the absence of Mrs. Arnold, who had never before visited Ohio, had hoped to see a white Christmas, but all Old Man Weather could provide that day was a light skiff of the flaky stuff.

LINDA RAMEY RECOVERING FROM BURNS

Linda Ramey, youngest daughter of Mrs. Betty Ramey, of Vine St., was admitted to the hospital with burns and lacerations when she stumbled in the kitchen of her home and upset a ketchup bottle filled with hot grease on Monday morning. She was taken immediately to the Shelby Memorial hospital, where she remained until Christmas Eve. Monday evening she was reported to be resting comfortably and able to move about the house a little.

RESIDING IN MANSFIELD

Mr. and Mrs. Myron (Bill) Guthrie are at present residing in their trailer home in Mansfield while Mrs. Guthrie employs on an electrical project near Delaware.

Both of them spent the summer months in Alaska, where Mr. Guthrie was employed in government work. They returned to Ohio in November, driving over the Alcan highway from Anchorage in their car. The trip covered 5,400 miles and took nine days and four hours to drive. Bill has promised to give a full account of his trip later, and we think it will make very interesting reading. Maybe this little reminder will jog his memory and hurry him up a bit. How about it, Bill?

Spend Holidays In Berea

Firechief and Mrs. Merton Benedict motored up to Berea on Christmas Eve and spent the Christmas vacation in the home of their daughter and son-in-law, Mr. and Mrs. Robert Pennell and family.

An incident that somewhat marred the jollity of the occasion was the sudden appearance of blood poisoning in a scratch on a finger of Pennell's little daughter Joanne's hand. She was taken to the hospital in Berea Thursday afternoon and was not released until Sunday.

Mr. and Mrs. Benedict returned to Shiloh on Saturday afternoon and brought their other little granddaughter, Jackie, home with them.

AS THE YEAR CLOSES . . .

With this issue, we end the old year and start the new. We wish this the year 1952 had but one more day to endure and it will be history.

We catch it pass with mixed emotions. In some ways, it has not been a kind year to us, and in some ways it has been more than kind. As the stars, it laid before us a broken leg which has more or less incapacitated us throughout its duration; but at the same time, it brought to our attention and to the attention of neighbors and organizations without whose assistance and kindness it would have been difficult for us to go on. It opened our eyes to the goodness inherent in our fellow men and women, and made us realize that no misfortune is so great as to have no one to help and compensate for it.

So as the year closes we wish to extend our heartfelt thanks to the friends and neighbors who help us with gifts and deeds during the past year and whose kindness at Christmas time made the season a happy one for us.

To each and every one of you we extend Happy New Year greetings and the wish that the future months of 1953 will be happy and prosperous ones for all.

BOB LOFLAND CALLS HOME FROM FLORIDA

A phone call from Hollywood, Fla., on Monday to Mrs. Hazel Lofland from her son Robert and wife who are now making their home in the southern part of Florida.

Bob states he and his wife are really living the life of "Riley," feel fine, and had many cards and remembrances from the folks in this area for over the Holiday season. However, with the temperature standing in the 70's, the Florida atmosphere was missing. Bob is now working for the King Motors in Ft. Lauderdale, as a salesman. He is same professional as he was in Mansfield after leaving Plymouth as operator of the Lofland Dairy.

The Loflands reside in their trailer home at Ft. Lauderdale.

Mrs. Hazel Lofland was remembered with a bushel of choice fruit from her son and wife for Christmas.

Arrives Home In Time For Xmas

The very nicest present Mr. and Mrs. Carl Hough could wish for—that their son Donald, who has been in service in France, could join the family on the holiday, came true.

While he didn't get home in time to join the folks for dinner who were spending the day in Mansfield with another son, George, and family, he did get there before the evening ended so that the circle was complete.

After being stationed at La Pallice, France, for the past six months Don shipped out from Bremmenhaven aboard the General A. W. Greely, which received national recognition for the part it played in saving the survivors of the Flying Enterprise, and reached New York the day before Christmas. He immediately contacted his brother George and they agreed to keep his arrival a secret. He left New York early Thursday morning, Christmas, and arrived in Mansfield by 7:30 that evening.

Today, New Year, Don and another buddy, Cpl. George Cushman of Mansfield, who returned to the States with him leave for Jacksonville, Fla., to await their honorable discharge.

Don has served two years but will be on the inactive reserve list for the next five years.

Of all the places he visited overseas, he was most impressed with Frankfurt, Germany, both in appearance and the hospitality of the people. It was also interesting to note that when he left California for overseas, their ship took the long way around, going through the Panama Canal, the Gulf of Mexico, and up the eastern coast to Norfolk, Va., where they sailed for France. The trip took ten days.

Upon his return to Plymouth Donald hopes to find employment in this area.

BALKY CALVES BROKEN TO LEAD AN EASY WAY

A few weeks ago we heard the tale of a 4-H boy who walked until the day before the county fair to break his calf to lead, says Farm Journal.

The calf was stronger than the boy, so he tied it to the tractor drawbar and started dragging it. Result—the calf's neck was broken and it died.

There is an easier way. Just put a halter on the calf, and tie it up for two or three days, until it gets the feel of the halter. There'll be little tugging and straining after that, and it doesn't hurt the calf one bit.

Rules Governed Life of Store Clerk 100 Years Ago

California settlers of the gold-rush days were not all of the swashbuckling sort described in fiction. In a hardware store established in San Francisco in 1853, a prospective clerk was handed rules of the house before he could be trusted to do any selling over the counter:

Store must be kept open from 6 a. m. to 9 p. m. the year around.

Store must be swept; counters, bases, shelves and showcases dusted. Lamps trimmed, filled, and chimneys cleaned; pens made; doors and windows opened; a pail of water, also a bucket of coal, brought in before breakfast.

Store must not be opened on the Sabbath unless necessary and then only a few minutes.

The employee who is in the habit of being shaved at the barber's, going to dances and other places of amusement, will give his employer reason to be suspicious of his integrity and honesty.

Each employee must not pay less than \$5 per year to the church and must attend Sunday school regularly.

Men employees are given one evening a week for courting, two if they go to prayer meeting.

After 14 hours of work in the store, the leisure time should be spent mostly in reading.

CARD OF THANKS

We wish to thank Mrs. Howard Biller, the Plymouth Fire Department and all who offered us help in any way when our house was afire Saturday morning.

We wish to take this opportunity to thank the Plymouth Fire Department and all who came to assist at the time of our fire.

I wish to extend my sincere thanks to all who remembered me at Christmas. It was very much appreciated.

I wish to express my deepest appreciation to each and all who remembered me with cards and gifts to make my Christmas so much more pleasant.

It's wonderful to have friends as thoughtful and kind, and I wish to thank each and everyone of you who made my Christmas here at the L.O.O.F. Home in Springfield, Ohio, such a pleasant day. A happy New Year to you all.

Each Christmas eve, the Plymouth Northern Ohio operators hold a party to get together for lunch, exchanging gifts and dividing gifts sent in by friends.

This year the nine operators and their cheerleader, Mrs. Gleason, wish to thank the following for beautiful gifts: Backlund Co., B. & Miller Hardware, Peoples National Bank, Don's Grill, Hatcher Dress & Hat Shop, Fate-Roost-Health Co., Bevier Sales, Mr. & Mrs. Earl McQuate, Mr. & Mrs. Earl Shealy, Mr. & Mrs. Henry Fischer, Mr. & Mrs. Fredrick Blackford, Mr. & Mrs. Thor Woodworth, Dr. & Mrs. Hamman, Mr. D. J. Ford & family, Dr. & Mrs. Faust, Mr. & Mrs. Roy Johnson, Mr. & Mrs. Guy Priest, The Plymouth Advertiser.

We wish to express our sincere appreciation to Dr. Drury, Rev. Melching, Rev. Conces, the McQuate Funeral Home, neighbors & friends, for cards, flowers and acts of kindness at the time of the death of our father, Isiah Predieri. We thank you each and every one.

I would like my friends to know that I greatly appreciate the many acts of kindness, cards, flowers and gifts sent me during my convalescence. Especially do I appreciate the pretty white wool scarf sent by the Ladies of the Coast chapter of mums sent by Mr. and Mrs. E. Earnest and used at the Twentieth Century Circle meeting, the flowers sent by Mr. and Mrs. J. A. Weller from their daughter's wedding and the O.E.S. who remembered me with a handkerchief with the Order's emblem, and all others who remembered me in any way.

Christmas Brings (Continued From Page One) says the temperature on Dec. 13 was the warmest place in the nation, while Miami, Florida, had the coldest December in 56 years.

There are lots of other cards, all worthy of mention, including a reproduction of St. Paul's Lutheran Church over in Bucyrus with Rev. Pastznick as its pastor. Before moving to the neighboring city, Rev. Pastznick and family resided here and Rev. Pastznick was pastor of the local Lutheran Church. Then there were greetings from Rev. J. C. Campbell and wife from Akron. Rev. Campbell is a former pastor of the local Methodist Church.

And to each and everyone who thought of us at Christmas time with cards, messages and letters, we thank you, and hope the New Year will be full of happiness, contentment and good will.

March Of Dimes Campaign Opens In Huron-Co. Jan. 7; Name Chairmen

On the eve of the 1953 March of Dimes Campaign, we are all aware of the critical points in the National Foundation history. The National Foundation for the Crippled Children gave financial assistance to 90,000 polio patients, over 40,000 victims of previous years. The expenditure for the year 1952 was \$28,000,000 in March of Dimes funds. As the new year begins, there will be 58,000 patients still being cared for by the National Foundation Chapters who will need continued care and treatment thru all or part of 1953, before a single case is recorded for the new year.

THE PROSPECTS FOR THE FUTURE are bright with hope for the eventual conquest of poliomyelitis—but they are also bleak with mingling over the sustained upward trend of the disease in its epidemic form. No one can say what the future holds in store, but there is one thing which we are sure. A tremendous response to the 1953 March of Dimes can stem the ravages of epidemic poliomyelitis. The only way to do this is to keep up the values we place on the rights of children to grow up healthy and strong. The only way human beings can transform the possibility of a preventative against polio into the actuality of a polio vaccine.

IN HURON COUNTY In Huron County during 1952 there were fourteen patients hospitalized with five being positive cases. These five were all adults ranging in age from 22 to 43 years. The funds of the local Chapter were augmented by \$6,400 from the National Foundation for the Crippled Children's Paralysis Epidemic fund since the funds raised in 1952 were insufficient to meet the Chapter expenses.

**Nephew Marries
in Akron, Ohio**
Misses Margaret and Jessie Cole
returned Monday from Akron
where they spent the previous week
in the home of their brother C. V.
Cole and family.

On Saturday evening, Dec. 27,
at eight o'clock, they attended the
wedding of their nephew, James
Burnett Cole, to Miss Joanne Korb.
The marriage ceremony was per-
formed at the altar of the First
Methodist Church with Dr. M. S.
Harvey, pastor of the church, officiating.

The church was beautiful with
its setting of white Christmas trees
and red poinsettias, and with baskets
of white anemones and daisies.
Theremus. Two robed acolytes light-
ed the candles and stood at the
altar. A program of instrumental
and vocal music preceded the
double-ring ceremony.

The bride was lovely in a white
satin gown. For her bridesmaid,
she had chosen a college friend,
Miss Ruth Kendig of Athens. The
groom wore a blue suit and for his
best man had his brother, Jack
Cole.

Immediately following the cere-
mony a reception was held at the
church for a large group of relatives
and friends.

On Tuesday evening a reception
was given at the home of the
groom's parents, Mr. and Mrs.
C. V. Cole, for the bridal party and
friends.

The new Mrs. Cole is the daugh-
ter of Mr. and Mrs. Lairdon Korb
of Akron. She is a graduate of the
University of Akron, with Master's
Degree from Western Reserve and
has been doing social service work
in Akron and Cleveland. James
Cole, the groom, is also a graduate
of the University of Akron, with
Master's from the University of
Washington, Seattle.

The newly married couple left
to make their home in Seattle where
the groom has a teaching position
in the State University.

Round The Square
(Continued From Page One)
HAS ANYBODY lost a little black
cat terror dog, plus a barnyard?
One is making itself at home at
the E. B. Miller farm just north-
east of town and unless claimed by
the owner, will be given to the first
party interested in a cute little dog.

WELL, WITH a change coming in
Washington on January 20,
there's some reason why we should
wish everyone a Happy New Year.
If you have a headache Friday
morning, just lay in bed and re-
peat: "I'll never do it again."

IT WILL be appreciated if you will
take the time to check the bellows
in the paper this week, and send it
in or drop it in one of the boxes
around the Square. Your line of
thought on the closing hours of
Plymouth stores will certainly have
some weight in making a decision.
Thank a lot.

**SCHOOL RESUMES

as formerly.

ORGANIZATIONAL MEETING
There will be an organizational
meeting of the Plymouth Board of
Education on Monday evening,
January 5th at the School House.
The meeting is announced for 7:30
o'clock.

OFF TO FLORIDA
Mr. and Mrs. Foster Smith of
Plymouth rural, Mrs. Hattie Gar-
ret of New Haven and Mrs. Bertha
Hartman of Willard, left Saturday
by auto, for Charlotte Harbor,
Florida, to spend the month of
January.

BLIND COW RATES HIGH
L. W. Gano of Washington was
right proud of Skagit Kitties Seven-
up 2nd last year when she produced
14,737 lbs. of milk and 664.0
lbs of butterfat in her 305-day lac-
tation. You see, the cow is blind.
Gano thinks that she's probably
the champion blind milk in the
U.S.

Despite her blindness, Sevenup
gets around the farm well, Gano
reports. She follows the other cows,
Florida, to spend the month of
January.
