Marvin's

The Yankees have so much talent that most folks figure they'll breeze to the pennant—without drawing a long breath.

Ray Boone and hope he doesn't exhibit too many thumps. Behind him are George Strickland, a good glove man but a weakling at bat.

Rizzuto conceivably could be the first link to weaken and when one goes, others are known to follow.

The 34 year old infielder still is strong again in his peak, but his prowess is diminishing with the years, and his throwing arm has become rather weak.

At the close of the meeting the recently elected officers will assume their duties for the Fall Term.

PHI, who is afraid of the knife, fought off the surgery. He had a lame wing at the end of the season, but he was having more trouble in the final days of both 1951 and 1952.

Should Phil's sore arm force him to the sidelines, the Yankees will have to depend on Jim Bridewiser for their short stopping.

Weiss tried to buy Willie Mitchell from the Browns but the Yankees shirking asked \$50,000 for this year's infielder, who is a 200 hit man.

Open House Friday For Religious Classes in Plymouth

Approximately 250 children in the local elementary school from the first through the eighth grade have been receiving instruction in religious education through the co-operation of the Plymouth Education Council of Northern Richland County for the past school term.

Tomorrow, Friday, May 8th Mrs. Wm. Henger, teacher, is extending an invitation to parents, friends or those interested to attend the regular class period in which the children will be taught for themselves what is taught for them and how the children proceed. The period is from 10 to 4:45 minutes and taught once a week.

The instruction in non-denominational, is not compulsory, and is supported by the churches in the community. The first and second grades, this year's study is based on Bible children; in the 3-4 and 5th grades, their subject has been Learning to Grow in the Bible. The sixth grade lessons are based on the Prophets while the 7th and 8th grades are studying the story of Faith, which is based on Bible stories or instruction, interspersed with worship and a song period.

The classes meet as follows: 9:30 to 9:40, sixth grade; 9:40 to 10:20, 3rd through 5th grades; 10:30 to 11:05, first grade; 11:05 to 11:50, fifth grade; 1:00 to 1:35, fourth and fifth grades combined; 2:35 to 3:15, 3rd and 4th grades; 3:15 to 3:45, 4th grade.

Mrs. Hettiger has approximately 1000 students in the Plymouth and Union Rural schools now under the council. Whether or not the instruction continues in Plymouth next year will depend upon the response of the local church members. Plymouth has been lagging in their proportionate share of expenses for church membership and if you are interested in having your child receive instruction next year, it would be well to make the question up with the pastors.

Set May 23 For Poppy Day

Mrs. Stacy Brown, President of Ebert - Parcel Unit #447, American Legion Auxiliary, announces that Saturday, May 23rd, will be observed as Poppy Day in Plymouth.

Mrs. David Scarfield has been named Poppy Chairman and will have charge of the sale and distribution of the poppies. The volunteer workers will consist of members of the Auxiliary and the Girl Scouts.

The American Legion Auxiliary, Department of Ohio has passed the one million mark in Poppy orders. Doctors in veterans hospitals consider Poppy making a valuable form of occupational therapy. The psychological effect of having work to do and being paid for it, rebuilds patients' pride and self respect. Their wages paid by the American Legion Auxiliary will help the little old folks all over the nation. As each completed Poppy leaves the hands of the disabled man, it means money to help for the necessities and comforts not supplied by the hospitals; a small amount of money to help the little old folks; a veteran's use when he goes from the hospital to face the battle of winning back a place in the economic life of the country, help toward buying food, fuel and clothing for his family at home.

The men beseech the Auxiliary to be permitted to make more and more poppies. The new boys' enemies and the business man's dollar are equally important. The purpose of the Auxiliary's poppy program is to place the symbol of heroic sacrifice above the heart of every true American, girl and boy at the same time an opportunity to serve the war's living victims.

APRIL WEATHER

April was a cold, wet, backward month. On only three days did the thermometer rise to 70 or above, with a high of 76 on the 9th, seven nights were in the 40's and 50's, and six in the 20's. The lowest was 24 on the 21st. The average for the month rolled 57.5 or 2.6 degrees below normal.

It rained, more or less, on 21 days for a total of 3.26 inches, or 32 inch above normal. The greatest was 1.77 inches on the 10th. Snowfall totaled one-half inch.

April was a poor month for outdoor work, and considerable oats remained to be sown. However, the Railroad W. M. C. in March, wheat and pastures looked fine and maybe May will make up for one of the most disagreeable Aprils of record. — A. R.

Around THE Square

BURR KNAUS of the Hoffman Farms, west of town, was host to some 125 boys and their instructors last Saturday at the farm where they judged cattle and hogs. The schools represented were from Ashland, Richland, Huron and Crawford counties.

WE'VE got an interesting story coming up about the Hoffman farm, which is the beef and cattle program, and one that farmers will no doubt find interesting. Knaus has made an excellent record on the farm since becoming connected with it in 1934, and the huge operation is one that takes a lot of planning.

A REPRESENTATIVE group of business men was at council meeting Tuesday night to voice opposition to the installation of parking meters. The mayor and the councilmen gave them a welcome and listened to them attentively. The discussions they were assured that Plymouth would not have meters. Council had no plans or legislation prepared for the meeting on Tuesday night, but it was the intention of the mayor to make a survey of small communities that had meters — even this was not done. From opinions expressed by the business men, they are not in favor of meters, and at the end of the talks, they were given assurance that the matter would be closed.

IT IS REALIZED that every village in the state is hard-pressed for operating funds and we believe that if our citizens were to continue to enjoy fire and police protection, as well as a good street service, they would have to pay one or two mill levy on the property. If the town gets to this point, a levy might be the answer.

MAYOR WEST is seeking a good man for the street department to fill in on the job while Gustav A. present commissioner, is off and away. He will be gone for a month or a year, and the salary is worthwhile. If you're looking for outdoor work, contact Mayor West or Chief of Police Meiser.

CONGRATULATIONS go to the Plymouth fishing club for this week for this banking firm reached its four million mark in resources. Since its organization in 1903 the bank has enjoyed a steady and healthy growth. It is one of the few institutions today that do not make a service charge of any kind, and which do not doubt responsibility for its popularity. We feel that under the guidance of its president, J. E. Nimmons, and the fine staff of officers and clerks, the bank will continue to show growth both in finances and popularity—congratulations, to all!

BIG FISH STORIES begin coming in this time of year, and here's one from Tiro. We'll have to add the fish to our list of big fish. Pope, Tiro locker plant operator, had the thrill of landing a gruper measuring 33 inches and weighing 15 pounds, while fishing in the Gulf near Pensacola, Florida. The biggest fish got away, though, just like all the other stories. Pope the bank has enjoyed a steady and healthy growth. It is one of the few institutions today that do not make a service charge of any kind, and which do not doubt responsibility for its popularity. We feel that under the guidance of its president, J. E. Nimmons, and the fine staff of officers and clerks, the bank will continue to show growth both in finances and popularity—congratulations, to all!

Stork Club "Visits" Plymouth On Friday

Members of the Senior Class of Plymouth High School were honored socially last Friday evening by the Junior Class, by the banquet and prom which is an annual highlight of the school year.
 Residents of Plymouth may not have realized this, but the Stork Club, one of New York's famous night clubs, was moved to this locale for the evening, and was the setting for the social occasion. The Stork Club theme was used in all plans, from invitations to closing activities.

The auditorium was transformed into a smaller room by means of vertical pink and black paper curtains from ceiling line to floor. Stage, curtains, and black accessories were all decorated with Stork Club motifs. The banquet, furnished and prepared by the Junior mothers, was served at small tables around the center dance floor. The waiters in French dress and favors, which were small glass and canes, were passed by sophomore girls dressed as cigarette tray girls. White-coated waiters, assisted by waitresses, and directed by a head-waiter and hostesses, capably served the banquet and intermission refreshments.
 To complete the night club idea, uniformed doormen were on duty, as were check-room girls.

EARLY MORNING BLAZE DESTROYS PATRICK HOME

A family of 11 was left homeless and practically destitute early last Friday morning when fire of undetermined origin, completely destroyed the small house and contents of Mr. and Mrs. Joe Patrick and children near Rome.

The house, completely enveloped in flames, was past saving when the Shiloh Fire Department, summoned at 1:45 in the morning, arrived at the scene. Fire Chief Benedict reports it was almost a miracle that the 11 occupants escaped from the building unharmed.

All clothing and furniture was burned, including an electric stove and refrigerator.

Mr. and Mrs. Patrick and the nine children, ranging in age from 6 months to 16 years, are at present housed in the homes of neighbors in and near Rome.

Organizations and individuals have been generous in their offers of assistance in the form of furniture, clothing, etc., but until Mr. Patrick locates a house to shelter his family such offers must be held in abeyance.

The dwelling and contents, according to Patrick, were partly covered with insurance and he hopes to rebuild in the near future. In the meantime, he is seeking to rent a house somewhere.

But everything that we have
You yew-alls sure have got—
Dwellings, cars and outdoors,

And just as many chillun,
Perhaps a few uns more.

We're glad to see you come;

No matter where he's from,
With everything you've buyin',
By everything you give
You're helpin' us in makin'
A better place to live.

Minstrel Show

Huge Success

Last Thursday evening, during their monthly pack meeting at the boy scout hut, the cub scouts of Plymouth presented an "Old Black Joe" minstrel to a capacity audience of 72 friends and parents.
In true minstrel tradition the boys were decked out in "black" face with swallow tail coats, white gloves and top hats.
The program was arranged and directed by the April program chairman, Robert Young. Mr. Young whose vast experience in participation of black face shows throughout the area served to thrill the boys with the spirit of the great shows of an almost unknown era to them.
The end men, Tambo (Larry Taylor) and Bones (Jack McQuate) along with the jokers, Mr. Jackson (Everett Eckstein), Hambone (James Caywood), Fork Chop (James Markley), Joey (Dicky Lewis) and Sam Jones (Lewis McPherson) brought down the house with their humorous jokes and riddles. Especially the two comedians of the show, Benny Shaver and Dennis Sprowles, whose ringing laughter and knee-slapping antics were one of the high lights of the entire presentation.
Solos "Old Bill Bailey" by Rufus (James Fetters) and "Oh Suzanna" by "Lazy Bones (Bobby Wechter) accompanied by Mr. Young on the guitar presented the audience with two of the truly fine voices of the organization.
A whistling and dancing duet by Sambo (Fate Christian) and Amos (David Roberts) made a very entertaining act.
"Camp Town Races" a piano Solo by Deacon Jones (Jack Root) and a humorous poem recited by Rattle Bones (Gary Utis) was presented in true minstrel style.
A quartet of Lazy Bones, Andy, Rastus and Bones (Carter, McQuown, Boyle and Sprowles) singing "Old Black Joe" and using wooden puppets painted as minstrel end men partners provided a act which served to keynote the whole show.
During the program the boys presented a guest star Miss Susan Shaver whose dancing style and use of the rhythm sticks promises a bright future for this young lady.

BUSINESS SESSION
Before holding the minstrel show the cubs held a short business meeting. Donning Indian headbands and feathers and denoting their rank the cubs gathered around a campfire before their chief, Three Bobcats, Dennis Sprowles, Louis McPherson, and Gary Utis from den No. 2. The chief informed them of wolves and den members and their badges by the Cub Master Roy Carter. To the beat of tom-toms the other braves performed a war dance around the new wolves to honor their advancement.
GIVEN RECOGNITION
In recognition of their newly appointed duties the Asst. Cub Master presented Denner's stripes to Everett Eckstein and David Roberts, assistant denner stripes to Benny Root and Jimmy Caywood and Keeper of the Buckskin badges to Bobby Wechter and Billy Young. Mr. Young receiving the badge as Billy was absent due to illness.
Golden arrows were presented to Benny Shaver and James Markley for successfully passing 10 electives beyond the requirements of their present rank.
Larry Taylor, retiring den chief of den No. 2, was honored by the cub masters and given a grand howl of thanks by all cubs present for his past services.
Jack McQuate the new den chief was presented to the group and was presented to the group and awarded his den chief's warrant.
After the regular pack meeting a committee meeting of all cub cubs was held and Miles Christian appointed as den dad to den two to replace Mr. Stevens who has moved to Shelby.
The theme for May is "Collecting Things" and the boys are anticipating a most enjoyable month of cubbing under the direction of Mr. Lincoln Sprowles, the chairman of the month.
Many thanks to leaders, Den Mothers, parents, and all who helped with the Minstrel project.

OFF TO THE NAVY

Tuesday morning, Mr. and Mrs. Balis Kennedy saw the last of their five children leave home with that indescribable feeling of mixed emotions that is common to parents who are accustomed to having a group of young folks around for over 25 years.
Neil left at 7:30 for Mansfield to join another group of young men who were headed for Columbus for reassignment. Neil is in for a four year period and for a while it was a race between the army and navy to see who would get him. He enlisted in the navy but was called for the army, however the navy won out and Neil will be another one of the local boys "off to see the world."
His brother Jo Lee is also in service, while two older brothers, James and Robert have served their time and a sister Olive Kennedy Jensen is now residing in Nashville, Tenn.

May Day Wedding Unites Eleanor Shaarda And Orlando J. Herweyer in Marriage

The very first day in the "Mercury Month of May" was chosen by Miss Eleanor Shaarda of Celeryville for her marriage to Mr. Orlando J. Herweyer of McBain, Mich.

The nuptials were performed at six-thirty in the Richmond Evangelical United Brethren Church with Rev. Kenneth Zimmerman, pastor of Atica, officiating at the double ring ceremony.

The church, while not so large, was filled to capacity with relatives and friends who came to witness the ceremony, and was decorated with unusual appointments and motifs suggestive of the month.

Each pew was marked with a white satin bow which was tied a silver May basket filled with red flowers. Guests were ushered by Jack Herweyer of McBain, Mich., brother of the groom and Bob Shaarda, brother of the bride. The front of the church was transformed into a Spring Garden with a white trellis archway intertwined with red roses under which the young couple exchanged their vows. On either side of the trellis were palms and flower arrangements, while in the distance could

be seen the cross, lighted tapers and flowers on the altar table. The archway was made by Mr. Marshall Huffman, a friend of the family, and will be used in the couple's garden in Michigan.

During the seating of the guests, Mrs. Tom Shaarda, Jr., presented a half hour of nuptial music, Miss Senetta Moll was soloist. At the close of the ceremony Miss Moll sang the Lord's Prayer and a Benediction.

THE BRIDE
The bride who approached the altar on the arm of her father, who gave her in marriage, was beautiful in an imported lace and net over satin bridal gown. It was made with a high neckline, stand-up collar, fitted bodice, with lace insert, and tiny covered buttons in both front and back to the waistline.

The sleeves were of fine net with pleated ruffles at the wrist, and the skirt ended in a Cathedral train. Her finger-tip veil wore virgin style was attached to a coronation lace crown. Her only jewelry was a pearl necklace. Her bridal bouquet was a heart shaped arrangement of orchids centered with an orchid corsage which she wore with her going away outfit.

ATTENDANTS

Attending the bride as Matron of honor was Mrs. Kathleen Cok, co-maid of the bride, and bridesmaids were Jane Westover, sister of the groom from McBain, Mich., and Finlayson of the groom from New Haven and Marilyn Brown, cousin of the bride from Lima, Ohio.

All the attendants wore white strapless gowns, with lace capes and fashioned alike. The brides were lace, with full flowing floor length skirts and carried a partially opened May umbrella filled with red rose buds and Lilies of the Valley.

Flower girl was three year old Deborah of the groom, who wore a white satin dress, with lace capes and a flower girl's train. The ring bearer was six-year old Randall Cok of Celeryville, cousin of the bride, who carried the rings on a heart shaped white satin pillow. The best man was Richard Herweyer, brother of the groom, from McBain, Mich., and attendant was Frank Westover, brother-in-law of the groom. All the men, including the ring bearer, wore white coats and dark trousers with red rose boutonniere.

Mrs. Shaarda attended her daughter's wedding in a powder blue, rayon embroidered on net dress, over taffeta, with white accessories and a shoulder corsage of orchids.

Mrs. Robert Risley of Oakwood, Ohio, the maternal grandmother, chose a blue figured nylon dress with navy accessories and she also wore an orchid corsage.

The new Mrs. Herweyer is the only daughter of Mr. and Mrs. John Shaarda of Celeryville, graduated from the New Haven school and has been employed as clerk-typist at the Wilkins Air Depot.

Mr. Herweyer graduated from the McBain High school and operates the McBain Body Shop in that city.

After a month's wedding trip to the west coast, the newlyweds will make their home in Lima, Mich.

WEDDING RECEPTION

TALKING IT OVER—

By J. K. WEAVER
Huron County Representative
Forty members of the freshman class of Monroeville High School, accompanied by two teachers, visit-

ed Columbus today. They visited the Ohio State Museum and ate their lunch in the Ohio Union on the Ohio State campus. They attended a session of the legislature in the House, and at the time of this writing, they are on a guided tour through the Capitol building.

This is a day that many of these students will remember for a long time. A trip of this kind is practical education, and will in many instances, stimulate interest in state government. I urge more school groups to arrange for trips to Columbus. I will be very happy to assist in the arrangements.

A visit to the legislature is also excellent education for adults, who in addition to visiting a legislative session, should attend a committee hearing. The purpose of a committee hearing is to receive information on both sides of a question. If you ever get the idea that a proposal has only one side, I would suggest that you put it in the form of a bill, and have said bill introduced in the legislature. You may think that you have a very simple bill, but after the proposal has received hearings in both the House and the Senate, you may change your mind as to its simplicity. There is nothing like a series of committee hearings to bring out both sides of the question. Although it is not wise to let your temper get out of control during a hearing, it sometimes happens. Monday of this week, the assembly met in joint session to hear the ambassador from Israel. This gentleman was born in South America. He gave a very interesting address, and had complete command of the English language.

Tommy Dorsey At Chippewa Lake

Chippewa Lake Park will present the world premiere of the reunited "Fabulous Dorseys" — Tommy Dorsey and his orchestra featuring Jimmy Dorsey, world's greatest saxophonist — Thursday, May 14.
The Chippewa engagement will be the first together for the Dorseys since they parted in 1934 to form separate bands. Since then

Tommy has made over 300 records of which 70,000,000 copies have been sold. Jimmy's total is slightly over 40,000,000.
The Dorsey date at Chippewa is of special significance to Ace Bridge, Chippewa Ballroom Manager, because Ace was with the famous brothers in Scranton the night almost 20 years ago when they battled and broke up.
"We're honored to be the first in the nation to present the reunited Dorseys," Ace says. "It took a lot of effort to get them especially since their nationwide TV show which is to be about 10 days after they play at Chipp had already been hailed as a musical and theatrical "first". But Tommy and Jimmy are old friends."
The Dorsey engagement is another of Chippewa's big diamond jubilee attractions.

Plymouth groups; Vaughn d'Lee Faust, Karen Moore and Jean Ann Smith.
Judges for the contests were Victor Faber of Napoleon and Beverly James of Cleveland.
States represented were Michigan, Indiana, Illinois, Kentucky, Ohio, Pennsylvania, Delaware, West Virginia and Colorado.

MOTHER DIES
Funeral services for Mrs. Mary C. Alger, 82, wife of Frank C. Alger of Mansfield were conducted at Wagoner Funeral home in that city Saturday afternoon and burial made in the Mansfield cemetery. Rev. Matthew G. Madden, of the First Congregational church, officiated at the rites.
Mrs. Alger passed away last

Wednesday at Mansfield General Hospital, following a brief illness.
Mrs. Alger was born Jan. 27, 1871, in Mansfield, daughter of Johnston and Cephania Coffinberry Beck and had spent her entire life in that community. Her grandparents were among the first settlers in Mansfield. She was a member of the First Presbyterian church.
Surviving besides her husband, are a son Russell L. Alger of Mansfield; a daughter, Mrs. Edward Ramsey of Plymouth and five grandchildren.
RELEASED FROM HOSPITAL
Mrs. Carl Fenner was released Monday from the Willard hospital where she underwent surgery the past week. She is getting along nicely.

Mother's Day

—May 10, 1953

Dear Mom:

It surely was wonderful to be able to talk with you on Mother's Day even though I was miles away. Talking by telephone is the next best thing to being home. It was lucky I called early or I might not have been able to get the call through - seems like every one wants to call home on this day. Hope to be with you on next Mother's Day.

Love

Roger
