

BORON

NOW

SUPER

PREMIUM

Sohio announces a New Boron Gasoline so far advanced it is a new class of motor fuel

with the greatest octane power ever offered Ohio drivers!

ONLY TWO SHORT YEARS AGO, Sohio announced a great new motor fuel discovery—The World's First Boron Gasoline. Today that gasoline has won such a high place in the esteem of motorists that it outsells the next seven leading premium gasolines in Ohio combined. And more and more drivers are using it every day.

But even before Boron gasoline was introduced, Sohio scientists knew that someday technical advances would make possible an even greater Boron gasoline, with even greater benefits for every car.

That someday is now here.

Continued testing programs over the past two years, employing the newest measuring techniques, have proved again and again the basic Boron gasoline benefits, and have demonstrated their value as the foundation for any further step forward.

Now, a multi-million dollar investment by Sohio in advanced refining equipment has made it possible to produce Boron gasoline components of a new and superior kind.

As a result of this research and manufacturing leadership, Sohio now announces a great new Boron gasoline so far advanced in every major quality that it is a new class of gasoline—super premium! It is a gasoline that is best for whatever car you drive . . . best for whatever car you'll buy.

OCTANE RATING OF PREMIUM GASOLINES VS. BORON—THE SUPER PREMIUM

Super Premium in Power!

The new Boron Super Premium gasoline has the greatest octane power ever offered Ohio drivers. Its octane power is so high that it meets the highest predicted anti-knock requirements of the newest cars to come in 1957. And any car now on the road, old or new, in Ohio will reach its greatest power potential on Boron Super Premium. It will be the standard in Ohio against which all other automotive gasolines are measured. The graph above shows how new Boron compares with present premium gasolines on the basis of octane power!

Super Premium in Smoothness!

New Boron Super Premium sets a new standard of engine smoothness unattainable till now.

Super Premium in Engine Cleanliness!

Because of the clean-burning characteristics of Boron Super Premium, engine deposits will be reduced to a point where the life of vital engine parts will be greatly extended. Valve life, for example, is so much increased that compression is kept high for thousands of extra miles.

Super Premium in Acid Reduction!

With Boron Super Premium, ring wear due to acid action can be reduced as much as 45% under tough, stop-and-go driving conditions. This has been demonstrated by radioactive piston ring tests in which Geiger counters measured the amount of metal worn from the rings.

Super Premium in Anti-Knock Compound!

New Boron Super Premium is made with costly aviation anti-knock compound rather than the common "motor" type used in other gasolines. This is the same anti-knock compound as that used in making modern aviation gasoline.

This major advance in Boron gasoline makes possible super premium power, smoothness, and engine condition benefits for all Ohio motorists.

Best for whatever car you drive
—best for whatever car you'll buy!

Special Announcement! Octane of Sohio X-tane gasoline has just been raised to a new all-time high!

F. Lincoln Arc Welding foundation, Cleveland, for which \$7,000 in prize money was allotted.

Young Baxter submitted a detailed paper describing his work on a garden tractor. He was the only Onoan to place in the contest. Active in 4-H work, he attends Willard High school.

Baumhart to meet 13th district voters at Norwalk Oct. 8-12

Rep. A. D. Baumhart, Jr., will meet Huron county constituents who would like to consult with him about problems relating to the federal government, next week in the Huron county courthouse, Norwalk. He will be there daily from 9 a.m. to 4 p.m. Monday through Friday.

In announcing his Huron schedule, Mr. Baumhart said "Despite the tremendous technological advances that have been made in the field of communications in recent years, there is no adequate substitute for face-to-face contact to enable a Member of Congress to learn the sentiments of his district and render the best possible service to his constituents."

"I hope that my Huron county constituents will feel free to call upon me during the week of Oct. 8 to discuss in person any problems they may have. I will welcome their views on legislative matters and will be happy to take up their specific questions or grievances with appropriate federal agencies. No appointments are necessary for these visits."

Mr. Baumhart said his Norwalk visit will conclude his 1956 grass-roots tour of his district, which began at Elyria Sept. 17 and later took him to Sandusky and Fremont. This week he is at the Sandusky county courthouse in Fremont.

The Congressman also points out that he has a permanent district office at 209 Sixth street, Lorain, to which his constituents are invited to direct inquiries. Beginning Oct. 15 he will have additional office space for the remainder of the year in the Feick building, Sandusky, as a public service, he said.

A FREE SUBSCRIPTION to the first correct identification of this farm too be BROUGHT, not telephoned, to the editor's office.

MRS. VAN WAGNER WRITES OF NEW HAVEN

Coach gives party for 26 athletes

Coach Roy Collins gave a supper Sept. 25 for 26 basketball and baseball players of New Haven High school.

Regular Rebekah lodge meeting will be Friday evening. Refreshments will be served.

Mr. and Mrs. Clifton Fink are the parents of their second daughter, Pamela Kay, born Sept. 21, and Mr. and Mrs. Richard Fink are the parents of a son, Bobbie Dick. Mr. and Mrs. Walton Fink are the paternal grandparents.

Miss Ida Ruth of Norwalk spent the weekend with Mr. and Mrs. Jesse Ruth.

Mr. and Mrs. Dan Solinger of Galion spent Thursday afternoon with Mrs. R. E. Van Wagner.

Mr. and Mrs. Harold Sleeman and daughter, Barbara, and Mr. and Mrs. Gaylord McCullough and daughter, Joni, were Saturday evening visitors at the home of Mr. and Mrs. Richard Weaver at Attica.

Mrs. Charles Slaughter spent Sunday in the Stahl-Arnold home.

Mr. and Mrs. Philip Lindeman and Mrs. Gerrit Shaarda of Celeryville and her guests Mr. and Mrs. Joe Fransens of Holland, Mich., were Sunday evening guests of Mr. and Mrs. Harry Postema. Mr. and Mrs. Wilford Postema and children of Plymouth were afternoon callers at his parents' home.

Mrs. Ed Getz was a Thursday and children, Mr. and Mrs. R. E. guest of Mrs. Iza McKenzie and

daughter at Willard.

Mr. and Mrs. Dale Osborn and family were Sunday supper guests of Mr. and Mrs. Harley Watkins at Mt. Gilead. En route home they called on Mr. and Mrs. Richard Rundells at Galion.

Mr. and Mrs. Donald Getz and family of Norwalk spent Saturday evening with his parents. Mr. and Mrs. Ed Getz.

Mrs. Charles Wyandt and children, Mr. and Mrs. Harry Du Bois and Mr. and Mrs. Alfred Gulvin were Sunday afternoon visitors at the home of Mr. and Mrs. Dane Plough at Marion.

Mrs. Cora Harrington of Los Angeles, Cal., is visiting her cousin, Miss Mattie Garrett.

Mr. and Mrs. Ralph Moore spent Saturday afternoon and evening with Mr. and Mrs. Robert Moore at Willard.

Mr. and Mrs. Willard Moore of Willard called on Mr. and Mrs. Ralph Moore Saturday evening.

Mrs. Carl Fife of Ripley and Mrs. Tisha Blinzley of Plymouth spent Saturday afternoon with the former's sister, Mrs. Leon McCullough.

Mr. and Mrs. Russell Miller and family of Willard spent Saturday evening with Mr. and Mrs. Robert Miller.

Mr. and Mrs. Dan Van Wagner and children, Mr. and Mrs. R. E. Van Wagner and Mrs. Della Stark

and Wilbur Figerist of Clyde spent Sunday afternoon and evening at Sandusky with Mr. and Mrs. H. R. Groscock.

Mr. and Mrs. Bert Snow spent Sunday evening at Mansfield with her brother and sister-in-law, Mr. and Mrs. Everett Vermillion.

Kenneth Snow of Findlay spent Saturday afternoon with his parents, Mr. and Mrs. Bert Snow.

Mr. and Mrs. E. J. Stahl attended the 50th wedding anniversary of Mr. and Mrs. Walter Cummings Sunday.

Live Wire Sunday school class party will be Thursday evening at the church with Mrs. Ruth Ray and Mrs. Earl Hankammer as hostesses.

David Baxter, son of the Willard Baxters, New Haven, is among 64 high school boys and girls living on farms or ranches throughout the United States to win \$25 in an arc welding program.

He ranked 42nd nationally in the contest, sponsored by the James

Will the worm turn?

Scientists will examine elementary pupils of the Lima public schools to ascertain if what was found about youngsters in the northeastern states applies in Ohio.

That is, that our youngsters are not so physically fit as their European counterparts.

For example, the tests in the New England states developed factual data which tended to show that our youngsters cannot perform simple exercises such as touching the floor with the fingers when the knees are unbent, raising the legs from the floor with the back flat against it, and similar manifestations.

Physical fitness has always been hard to sell in America, and we are not surprised that European children show better physical fitness than ours. For one thing, they participate more. Our children are sitters and watchers of television, of athletic events, or motion pictures. The European child doesn't have much access to television, and his parents are not so likely to have a car. Accordingly, he bicycles, or walks, to and from his school and his social engagements.

What is more, the Europeans have a military tradition that emphasizes physical fitness, and they are inured to it without a vigorous selling campaign. Witness the tremendous mass participation — entirely volun-

tary in character — in group gymnastics in the Scandinavian and Teutonic countries.

It is deplorable that with the myriad of facilities available — and have you ever been to Mary Kate park of a summer afternoon and seen how deserted it is? — our youth do not take sufficient pride in their bodies to be physically fit.

We have long maintained that European education is superior to American education (ours is extended to more boys and girls, true, but it is not so good as the European) and now that scientists show us that our boys and girls are not so healthy as the European children, it begins to make us wonder.

We wonder if some day the pendulum may not swing in the other direction, and America, which has been a leader in the world for a century and a half, may be eclipsed again by European effort and thought.

Douglas MacArthur said, "It is on these fields (referring to the athletic plant at West Point) that our battles are won."

There are many things he says with which we vehemently disagree, but we can't help but concur in this one.

Are we becoming a nation of softies?

NOW IT IS APPARENT THOSE CONSTRUCTIONERS are those of an educated white man bringing the English tongue to a savage heathen, obviously and painfully bound by the poverty of the language grasped by the unlearned and equally by the richness of the knowledge of the learner.

We are told the Indians understand it. To get the sense of what one says is all he can really ask for, but how wonderful would be each of us who speak, whether formally or informally, could invoke all the delightful nuances of the English tongue by saying words with precise meaning that we are sure will be understood in those meanings by our hearers.

To the small but pesky group of razz boys who complain of the routing to the Green Springs camp, it was chosen and described by the Ohio Highway Patrol. Don't argue with us, when we want expert information we go to experts.

And likewise to some among that group: it becomes you to stand-around on foreign fields and gripe about the facilities offered. Remember, when there's a puddle on the field, both teams have to play on it. What's fair for one is fair for another.

COMPLAINING ABOUT THE FACILITIES in advance of the game is the same as setting up an advance alibi. It's bush.

Look at the good side of things when you're a guest of somebody else. You wouldn't go to a friend's home and carp about the condition of his furniture, would you? Then why grouse about lighting less satisfactory than ours, or holes in the field?

There are good sides to every host. The Green Springs folks may not have laid out a first-class gridiron, but their school buildings were certainly A-1. Have our lads ever dressed in quarters so sumptuous?

And have you ever listened to visitors here complain about our dressing quarters?

It's nice to win. Nobody likes to win more than we do, absolutely nobody. But let's win like gentlemen. And if we have to lose, let's lose like gentlemen, too. No amount of moral or financial support to athletes gives one license to forget that rule.

The competent body at the library has a pleasant surprise for you, if you'll take the time. She can let you see the funniest book we've read in a long time. "The Green Springs Water," a salty yarn about the old days. And in this election year, you should read it. The love of no. Robert Denham's book is a gem of wit and behind the scenes of the Green Springs. It's first rate.

Sewer scheme laid out in easy stages

"So if we do get this sewer system, when will it go? What's the program?"

Plans have been up-dated so that every dwelling in the corporate limits of the village save a handful will be accommodated in the proposed sanitary sewer service. Initial plans were prepared by Alden E. Silson & Associates, Columbus. Subsequently, on orders of the state water pollution control board, two revisions were made, both to accommodate additions to the village.

Basically, the system would be comprised of three parts: a sewage treatment plant, two intercepter sewers, and multiple lateral sewers.

In principle, the laterals would be laid within five feet of the parcel or lot line of all but three lots in the village, all

THE SEWER TREATMENT plant would be installed in a plot condemned by the village from Godfrey ownership several years ago on the east side of Mary Kate park and west of North street road. The ground would be improved after a simple sewage treatment plant is installed.

System to be used: an activated sludge system.

How it works: raw sewage is pumped into two tanks, where aerating pumps working in shifts roll the turbid solution so that oxygen in the air can displace the solid wastes and nullify their harmful effect.

The resultant effluent after filtering through sand beds will run off into the Huron river, safe for human and animal purposes so far as the state is concerned. The sludge which dries from the effluent can be sold for fertilizer.

It doesn't smell, although strong odors of sewer gas do escape from the main valve when fresh sewage is let into the tanks. This smell dissipates rapidly.

THE INTERCEPTORS, two in number, serve the east and west sides of the village. Interceptor No. 1 starts near Greenway cemetery, follows northerly line through Birchfield street and in the east rear of Mulberry street, crosses Trux street, and follows the river line to the treatment plant.

Interceptor No. 2 begins at the top of the hill in West Broadway, runs east to Park street, makes a right turn to Light street, crosses in the rear of Pro-

perties in the west side of Sanson, the Willow Road addition to dusky street, then turns north to the treatment plant.

Laterals connect into these interceptors. Save for West Broadway, Trux street, and Mills avenue west of Plymouth street, all laterals run through alleys.

In principal streets, the sewer line would be installed between the curbing and the sidewalk. In some instances, this means that stately shade trees — notably those in the north side of West Broadway — would have to come down.

PLANS CALL FOR THE contractor to install the sewers and restore the streets to their original condition before he can obtain a contract for the lines.

Householders will be required to connect sanitary sewer lines between their homes and the laterals. The distance, which varies in each case. Where new lines must be laid, estimated cost is between \$2.80 and \$3.25 a linear foot.

Storm sewers will not be permitted to flow into the sanitary sewer. Down spouts will be connected to the present sanitary sewers, such as they are. In homes where the two flow down the same conduit, a change must be made.

The district sanitary sewer encompasses wash water, the village council makes clear. "What it doesn't include is rain water," the council asserts. "A separate provision will have to be made for that."

THE SYSTEM IS DESIGNED to accommodate normal growth for 15 years. This approximates a population of 2,300.

Should the village grow faster than that, no changes would be necessary, the engineers assert, in the sanitary sewers. Only the plant would need to be expanded.

Plymouth's problem is not that it lacks a sewer treatment plant, the engineers claim "but that it has no suitable sewers. And it's the sewers that cost money. But whether you have or not, you have a treatment plant. You still must have satisfactory sewers."

The city's state water pollution control board, which has renewed the permit to dump into the Huron river only until Dec. 15 has ordered the village to go ahead with the program. And that way it's on the ball on next month.

A 50-year veteran in the undertaking business, in which he was once engaged at Shiloh, William W. Young died at 83 at his home in Cleveland Thursday afternoon.

Born in Wayne county, Mr. Young had lived in Cleveland since 1901. He was married to Mrs. Ethel Young and had a daughter, Mrs. Young died at 83 at his home in Cleveland Thursday afternoon.

Since 1944, he had been president and principal partner in Young-McCadden Co., a funeral home, on whose premises he lived. His embalmer's license, dated 1903, had never been allowed to expire. It was one of the oldest in the state.

A daughter, Mrs. Janice McMillin, three grandchildren and a brother survive.

Funeral services were conducted Saturday afternoon in Epworth Episcopal church, Cleveland, and burial took place Monday in Mt. Hope cemetery, Shiloh.

LETTERS TO THE EDITOR

Sir: A white back you had a map of proposed water piping from Lake Erie. I wondered how close this might be. It seems to me it would be simpler and less expensive in the long run than digging dry wells or making ponds.

I wondered if there would be a way for people to help get this through. I talked to a beauty parlor operator who only works occasionally, and she said the rate for hauling had been raised from \$6 to \$8 a load for 12,000 gallons, and the sometimes had to have two loads a month. If she worked steadily, she would need more, which would be very expensive.

We are talking some of building a house and so we wondered how close this water proposition might be. I think it would be quite a relief to the people all around to have a good reliable source of water supply at a nominal cost.

Please do not print my name. I don't mind my thought in print, for I think it's something for people to be thinking about. I am sending this topic to Farm Bureau for a idea to be discussed this next year, if they haven't already planned their year.

Respectfully yours, Mrs. X

(Ed. Note: The projected tapping of the Lake Erie water supply is primarily in a planning stage. A prominent Cleveland banker leads the private association promoting the scheme.

The Soil Conservation service says "While it would certainly be desirable to have this water supply, it would not overcome

the need for farm ponds, which are for conservation purposes primarily, not for source of potable water. It would be foolhardy to overlook the maintenance of the richness of the soil. Farm ponds would be necessary whether or not the plan is instituted.")

Give your Junior Fire Marshals a helping hand...

they're working to make this a safer community

When Johnny or Mary comes home with a Fire Prevention Report, you're offered a real opportunity.

An opportunity to help your youngster along the road to good citizenship, to assist in a worthwhile community activity.

In cooperation with the Hartford Fire Insurance Company we, as your local Hartford Agency, are sponsoring the Junior Fire Marshal program as a practical way to interest boys and girls in fire prevention. The program has been endorsed by teachers, fire officials and civic organizations.

We're behind this effort 100%, as we're sure you will be. It is one more chance to make Plymouth a safer place in which to live.

On the Sidelines

By THE OLD TIMER

A winning football eleven builds interest in other football. How otherwise explain the Old Timer's perverse self-persecution last weekend, when he drove 320 miles to see three grid contests?

Why fans hereabouts haven't latched on to the fast and interesting style of football played by Heidelberg college at Tiffin is beyond O. T.

We watched the Student Princes in action against Ohio Wesleyan, which had done a passing fair job against Rutgers the week before, in Tiffin Public stadium, a handsome WPA-built structure which is the home of Tiffin Columbian.

Tiffin Calvert and Heidelberg. Led by shifty Walt Livingston, little All-American last year, the Student Princes overcame a first period Bishop lead and romped off with a 47 to 20 victory.

There are many reasons why Heidelberg football at Tiffin should draw avid followers locally. One is that Tiffin isn't far. Games are mostly at night. Another is that for a buck and a quarter, you can get close enough to see the game, there's no parking problem, no pressing mobs of people. The main one is you see a well-drilled, superbly conditioned football team that unleashes all its guns in the second half and keeps you on your feet most of the time. Small college football is just as interesting as big university football — and last week more so — and they tell us that when Denison plays at Tiffin (Jim Root, take note) on Oct. 20 and Muskingum, a traditional rival, on Nov. 10, a fan would be a fool to be absent.

Ish Hale, who learned his softball on local sandlots and at Willard, is a member of the army team which won the Korean softball title and is now battling for the Far East champ pionship. Hale is said to have batted .461 during the regular season, with 13 circuit clouts, and .500 during the Korean tournament, with four homers.

Haver boy joins Cub Scout pack

David Haver was assigned by Cub Packmaster Warren Hollenbaugh to den 1 at Thursday's pack meeting.

Mr. Hollenbaugh presented Gene Osborne, who is now a Boy Scout, with a framed memento of his Cub scouting.

The Wolf badge was presented to Clyde Lasch, Jr. and James Broderick and Richard Sprowles earned the Bear badge. All three are members of den 1.

Denner badges were given to Tom Adams, Den 4; Sidney Allen, Den 3; and Craig McQuown, Den 1. The assistant denner badges went to Chip Paddock; den 3; Richard Chapman, den 4; Dennis Ho, den 4; and John Foss, den 1.

Keeper of the Buckskin badges were awarded to James Arnold, den 4; David Wyandt, den 4; Timothy Redden, den 3; and Clyde Lasch, Jr., den 1.

Theme for October is puppets. The date of the pack meeting will be announced later.

Churches promote Sunday schoolers al rally day service

Pupils of First Presbyterian church Sunday school who were promoted to higher classification during Rally Day Sunday are announced by James Cunningham, superintendent.

Kindergartners promoted to primary were Kathie Willett, Janean Cunningham, Marjorie McDougal, Dickie Lehman, Janet Lewis, Patricia Hampton and Mary Jane Eichelberry.

Primary-to-junior promotions went to Diane Cunningham, Linda Eichelberry, Janet Brooks, Carol Roberts, Sunday Robinson, Learl McDougal, Lee LaFollette, Arthur L. Paddock, III, Charles Reeder and Thomas Young.

William Young, Royanne Cunningham and James Fetters received promotion from junior department to junior high department. Anita and Phyllis Wilford, William Taylor, Nancy Miller, Thomas Fetters, Barry Fetters, Vaughn d'Lee Faust and Holly Carter received promotion from junior high to senior department.

Jennifer Sexton was promoted from the nursery to the kindergarten department.

Lutherans to promote in Sunday school Sunday

Sunday school classes will be promoted Sunday in First Evangelical Lutheran church. All students are asked to be present to receive their promotions and new class assignments.

Seven graduate to primary class

Seven kindergarten Sunday school class pupils were promoted to the primary department during Rally day services at the Methodist church Sunday. They were James Coon, Bonnie Kookken, Cheryl Koken, Diana Willet, Susan Kennedy, Gary Mulvane and Cynthia Hampton.

Promotions from the primary department to the junior section went to Janis Coon, Judith Willet, Donna Teacle and Jennifer Haas.

Promoted from the junior group to the intermediate class were Dennis Sprowles, Patty Foraker, Richard Lewis, Linda Pitzen and Earl Hankammer.

From the intermediate group to Excelsior group three received certificates. They were Jean Pitzen, Nancy Lewis and LaVonne Port.

Certificates will be given at a later date to those who were absent Sunday.

Wiener roast to be held

A wiener roast will be held after the regular meeting of the Plymouth Grange tomorrow night. The grange will furnish wieners, marshmallows, potato chips, cheese, and coffee.

Members are reminded to dress warmly as the affair will be held out-of-doors.

Hospital Notes

Dismissed from Shelby Memorial hospital Saturday were John Briggs, Shiloh route 2, William Laser, and Donald Gates, both of Shiloh.

Hallow'en party set
by Nora Wyandt class

A Hallow'en party is planned for this month's meeting of the Nora Wyandt, class, First Presbyterian church.

Mrs. Adam Mumea will be hostess to the class at her home Tuesdays at 8 p.m.

Regular Bible study and devotions will be given by Mrs. Ralph M. Felix during the evening.

IN OLD NEW YORK, IN OLD Mrs. Hough to be hostess

Mr. and Mrs. Donald Shaver and Mr. and Mrs. Paul Root are in New York City this week.

Mrs. Eva Hough will be hostess to the Past President's Parley, American Legion auxiliary, at her home Wednesday at 8 p.m. This is the first meeting of the new season. All members are urged to be present.

Ladies aid to meet Tuesday afternoon

Ladies Aid, First Evangelical Lutheran church, will meet at the church Tuesday at 2 p.m.

All members are asked to be present and to bring their small churches.

Mrs. Brown to be installer of 8 et 40

Mrs. Stacy Brown will install newly elected officers of Richland County salon 450, 8 et 40, Oct. 31 at the American Legion home in Mansfield.

During the election Sept. 26 at Shiloh, Mrs. John Eichelberry of Shelby was chosen le chapeau. Other officers are Mrs. J. J. Cilla of Shiloh, le demi chapeau premier, Mrs. Nina Stock of Shelby, l'archiviste; Mrs. Sam Robertson, l'aumonier; and Mrs. Russell Shirk of Mansfield, le concierge.

Tests at the Ohio Agricultural Experiment station show that dry fertilizer applied to the soil at recommended rates gives better results than small quantities of liquid fertilizers sprayed directly on the plants.

Personal Items

Mrs. Edward B. Curpen will leave tomorrow for Dallas, Tex., where she will visit for several weeks with her daughter and son-in-law, Mr. and Mrs. James H. Dones.

Kathleen and Lettar Wright of Ada were Sunday guests at the home Mr. and Mrs. Lyle Biddinger.

Mrs. Dorrance Teacle and children left Sunday for Gadsden, Ala., where they will make their home. Mr. Teacle, who has been transferred there from the Wilkins Air Force Station, will join them in several weeks.

Venetian blinds laundered the new machine process. Tapes, cords and slats sparkling clean. Complete repair service. Tel-Mac Venetian Blind Laundry, Tel. 1515.

Mrs. Arthur Hall was a weekend guest at the home of the Rev. Robert F. Hall and Mrs. Hall.

Mr. and Mrs. Reed Orban and Mrs. Elizabeth Griffiths arrived Saturday from Lancaster, Pa., to spend part of the week with Mr. and Mrs. William Griffiths.

Don Willett, Harold Farrar and C. J. Henry spent Saturday night Sunday at Gem Beach.

Mr. and Mrs. Martin Krueger, Mrs. Marguerite Anderson and Mrs. J. H. Newmeyer spent Saturday at Kingswood Center and in the Mansfield vicinity.

Mrs. Maude Weirs of Bradenton, Fla., visited with Mrs. George J. Searle last week. On Sept. 26 Mrs. Searle, Mrs. Weirs and Mrs. Garrett Weirs of Celeryville drove to Oberlin to spend the day with Mrs. Dora Brooks.

Miss Jessie Trauger has been at the home of Mr. and Mrs. Floyd Steele since her release from Shelby Memorial hospital.

Mr. and Mrs. C. V. Whitney, Old Westbury, L. I., N. Y., left by air Tuesday for Paris, France, where they will attend the Arc de Triomphe race. The Whitneys will have two entries, Fisherman Career Boy, which latter will be ridden by Eddie Arcaro in the race Sunday outside Paris.

OES group visits at Friendship fete

Plymouth chapter 231, Order of the Eastern Star, was represented by Mrs. Stanley Condon, Mrs. Carl V. Ellis, Mrs. R. C. McBeth, and Mr. and Mrs. Orva Dawson Thursday at the 25th anniversary party of district 10 at Gallon.

When the Shiloh chapter held its Friendship night Sept. 26, eight members of the Plymouth chapter attended. They were Mrs. Condon, Mrs. McBeth, Mrs. Thomas Moore, Mrs. Lincoln Sprowles, Mrs. Iva Gleason, Mrs. Lulu Norris, Mrs. William Forquer and Mrs. Robert Kennedy.

On Sept. 24 at the 50th anniversary of the Nevada chapter Mrs. Condon, Mrs. McBeth, Mrs. Ellis, Mrs. Sprowles, Mrs. Frank Pitzen, Mrs. H. James Root, and George Ellis attended from the local chapter.

BIRTHS

Mr. and Mrs. Donald Shaver and Mr. and Mrs. Paul Root are in New York City this week.

WYANDT
HAPPY BIRTHDAY

Pins awarded girls for Scouting year

Gold star membership pins were presented to Girl Scouts and Brownies who have been active for the past year by Mrs. Carl M. Lofland in the elementary school Tuesday afternoon.

The new Brownie pack, which numbers 28, will meet Tuesdays at 3:30 p.m. in First Evangelical Lutheran church under the direction of Mrs. Harold Ruckman. Mrs. Louis Lillo, Mrs. L. G. Williston and Mrs. Hugh Washburn.

Additional leaders are required to deal with large number of girls enrolled. Any person interested may call one of the present leaders.

Third and fourth grade Brownies will again meet Thursdays at 3:30 p.m., commencing today, in First Presbyterian church.

Fifth grade Brownies will meet Mondays in the Lutheran church. Girl Scouts will meet with Mrs. David E. Cook at her home Wednesdays at 3:30 p.m.

Public meeting set to discuss sewers

Oct. 15 was set by village council Sept. 26 as the date for a public meeting in the council rooms to discuss the proposed sanitary sewer for the village and to explain to the voters the need for the \$14,000 bond issue to be brought before them at the Nov. 6 election.

The time of the meeting has been set at 8 p.m.

Village council and the Cass township trustees have been summoned by the Richland county common pleas court to answer by Oct. 15 a petition filed by Leo H. and Irene Grace Swank of Shiloh.

The Swanks are seeking an injunction to stop sewage from being put through the tile in the Sawrk property, which lies in the south

part of the village. They also seek \$10,000 in damages.

Spinos visit kin here

Mr. and Mrs. Michael Spino of Euclid were weekend guests in the home of the latter's mother, Mrs. Edna Gieseman, in Mechanic street.

Joe Witchie of Mechanic street is in Washington, D. C., this week on business.

WCS meets Thursday

Women's Society for Christian Service will meet at the Methodist church Thursday for its regular monthly dinner and business meeting.

Hostesses will be Mrs. Dewey Hamman, Miss Artie Hopkins, Mrs. Emma Lutz, Mrs. Ivan McQuate and Mrs. Ruth Wagner. Mrs. Mary Brook will have both the program and devotions.

Home Builders to meet

Home Builders class of the Methodist church will meet at the home of Mrs. James Brook in Bowman street road Tuesday evening.

Mrs. Joseph Stanley will be assistant hostess.

Mrs. Orlie Pennell will have the devotions and Mrs. Ivan L. McQuate the entertainment.

Band elects president

Grace M. Wolfersberger was elected president of the Shiloh school band for 1956-57 at an election held at the school last week.

Other officers elected are Kay Elliott, vice president; Daniel Moore, secretary; Janet Banks, treasurer, and Mary Kathleen Daup, news reporter.

Ambulance calls

John Briggs was brought to his home in Ganges from Shelby Memorial hospital Saturday in McQuate's ambulance.

The ambulance brought Don Gates, also of Ganges, to his home from the hospital on Sunday.

Old 447 still stops, but brings no mail

To the surprise of many Shilohans Big Four train No. 447, slated to cease operation at the end of September, put off a stop here Monday morning on schedule but without any mail. That previously had been brought in by mail truck No. 1A, the train's announced successor.

Shorn of its mail coaches the train was composed of only two cars—a baggage car and a passenger coach. It was operating under compulsion the result of a railroad union filing a protest with the PUCO that it had not been properly notified of the train's removal from operation. As a result it and its sister, 448, are obliged to operate until the utility commission passes on the protest.

Mail truck No. 1A was one hour behind schedule on its maiden trip, but still arrived in time for the mail to go out on the rural routes. Acting Postmaster Glenn Swanger said, it is scheduled to arrive in Shiloh at 6:31 a.m.

The substitution of mail trucks Nos. 1A and 1B for trains 447 and 448 has left the impression in many minds. Swanger further stated, that all mail train service was ended for the village. This is not so. Three

Moves recorded in Shiloh

Mr. and Mrs. Carl Roberts and family moved Sept. 23 from the County Line road to the apartment in the home of Mrs. Lottie Fluke in West Main street.

Mr. and Mrs. Ernest Shaw and daughter moved Saturday from the property they recently sold to Mr. and Mrs. Vester Carty in Prospect street to the property they recently purchased from Mr. and Mrs. L. Landers in West Main street. Mr. and Mrs. Landers moved the preceding week to Shelby.

catch-mail trains still pick up and deliver mail to the village.

Catch-mail train No. 11, Cleveland to St. Louis passes through at 7:55 a.m., west-bound; No. 433, Cleveland to Cincinnati, west-bound, arrives at 1:15 p.m.; and No. 426, Cleveland to Cincinnati, east-bound arrives at 1:56 p.m. Truck 1B, replacing train 448, east-bound, is scheduled to arrive at 7:12 p.m.

Mayor bans BB, boys unhappy

Mayor Robert Moser is issuing a stern warning to all boys using BB guns in the village. Any boy caught using a BB gun inside the corporate limits of the village he states, will have his gun confiscated and his parents held responsible for any damages he may have inflicted.

Several complaints have been brought to his attention of late concerning damages being inflicted by the guns, including several street lights being shot out.

A village ordinance strictly forbids the use of the guns inside the village and dealers are not allowed to sell pellets to anyone under the age of 18 unless accompanied by a parent.

Building permit issued

A building permit has been issued by village council to Dan Murphy for the construction of a purchase of 24x36 ft. on the lot in North Walnut street which he recently purchased from Mrs. Bessie Dewey.

Witchies guests

GUTHRIE BACK HOME

Mr. and Mrs. David L. Witchie of Mechanic street were Saturday evening dinner guests in the Herbert Ganayards in Ashland.

Myron (Bill) Guthrie, telephone engineer with the Hirsch Construction Co. of Columbus, arrived home Sept. 3 to spend a brief vacation from his duties in Newfoundland, where he has been employed for the past several months.

Another siren put in to warn firemen here

The prolonged wailing of the fire siren at the regular 7 p.m. practice hour Monday was a test of an additional siren alarm installed last week in the home of Cheser Bell in East Main street.

The Bell phone is hooked up with that of Ivan L. McQuate. During McQuate's absence Mrs. Bell has been taking the calls at her home. However, in the case of a fire she would have to dash over to the McQuate residence to press the switch releasing the siren.

The installation of the additional alarm makes this unnecessary.

Burrer snaps bone

Donald Burrer, son-in-law of Mr. and Mrs. Donald Hamman of West Main street, was admitted to Willard Municipal hospital late Friday night for treatment of a fractured collar bone suffered in a fall from a bicycle.

Burrer, who but recently returned with his wife and son from California, was riding the bicycle in North Delaware street near the Methodist parsonage when it spilled him, flinging him so that he landed on his right shoulder near the edge of the asphalt.

He was released from the hospital Saturday and is now convalescing at the home of Mr. and Mrs. Hamman.

ORDINANCE NO. 31-56

AN ORDINANCE OF THE COUNCIL, VILLAGE OF PLYMOUTH, OHIO, PROVIDING FOR SUPPLEMENTAL APPROPRIATIONS AND DECLARING AN EMERGENCY.
BE IT ORDAINED BY THE COUNCIL, VILLAGE OF PLYMOUTH, OHIO, THAT:
SECTION 1. The following funds are hereby appropriated for the uses and purposes stated and the Clerk and the Treasurer are authorized to issue vouchers for the same.
 1. From the Safety Fund for police expenditures, Three Hundred Fifty Dollars (\$350.00).
 2. From the Cemetery Fund for tools and equipment, One Hundred Fifty Two and 44/100 (\$152.44).
 3. From the Park Fund for improvements and miscellaneous expenditures, Five Hundred and Twenty Dollars (\$520.00).
SECTION 2. This ordinance is an emergency measure necessary for the immediate preservation of the public peace, health, welfare and safety and shall go into effect immediately, the reason for this emergency being that the appropriations and funds herein provided for are necessary in order to maintain the services in the departments concerned.
 Thurman R. Ford
 President of Council.
 Passed this 2 day of October, 1956.
 Attest: Carl V. Ellis
 Clerk of Council 4-11c

Square dancing Saturday

Square dancers are invited by Plymouth Village Saturday at 9 p.m. to dance to Harold Bendel's orchestra, Shelby. Donation at the door is 50 cents.

Masons to meet

Work will be done in the E.A. degree Monday night by Richard Lodge 201, F. & A. M., in the township.

Notice of Election on Issue of Bonds for the Village of Plymouth

Notice is hereby given that in pursuance of resolutions of the Council of the Village of Plymouth passed on the 17th day of July, 1956 and the 7th day of August, 1956, there will be submitted to a vote of the electors of said Village at the regular election to be held in the Village at the regular places of voting therein on Tuesday, the 6th day of November, 1956, the question of issuing bonds of said Village in the principal amount of \$150,000 for the purpose of the construction of sanitary sewers and sewage disposal plant.

The maximum number of years during which such bonds are to run is twenty-five years. The estimated average additional tax rate outside of the ten mill limitation as certified by the County Auditor is 2.86 mills for each one percent of valuation which amounts to 28.6 cents for each one hundred dollars of valuation.

The polls of said election will be open 6:30 a.m. and will remain open until 6:30 p.m. Eastern Standard Time, of said day.

By order of the Board of Elections of Richmond Township:
 Thomas R. Ziegler
 Date: Sept. 5, 1956 13-20-27-4c
