

Park to open gates for 37th time Monday

Mary Fate park will open its gates Monday for another season.

Monday's opening will be the 37th time for the recreation facility, given by H. James Root in the name of his parents, Mr. and Mrs. John Andrew Root, by deed conveying 15 acres on Oct. 3, 1939. Earlier, the Roots had offered the land for recreation purposes. On July 1, 1939, Plymouth Men's club met to discuss the possibility of a municipal park. Eight days later, a meeting decided that J. Elden Nimmons, then president of Peoples National bank, would be secretary-treasurer of a park fund. An estimated \$2,500 was needed to improve the site with a road-way, water lines and a small frame shelter house. On July 21, a general fund-raising campaign got under way. Every household was called upon.

On Aug. 27, 1939, Plymouth Civic club took over "A Park for Plymouth". H. James Root was chairman of the meeting. L. Z. Davis, then superintendent of schools, was chosen to head a committee to solicit all organizations for help. On Sept. 15, the community was invited to tour the site.

WHEN THE YOUNGER Root delivered the deed in October, in the name of his parents, who were then living, it was stipulated the park should be named after her mother, the late Mary Fate; that the village must set up an annual appropriation in its budget for the upkeep of the park and not levy a tax (this was changed later, when the Revised Code was altered to allow a taxing district to vote a tax of not more than one-half mill for recreational purposes), that the property was

to be used solely for park purposes; that no intoxicants would be permitted on the grounds at any time, and that erection of a dance hall was prohibited.

By this time, about \$500 had been collected by donations. On July 25, 1940, four large tables had been placed in the park and three fireplaces had been built for the use of picnickers, but there was no water line.

At about this time, a four member committee was chosen to see about improvements. Members were the late Edward B. Gurspen, the late E. Beryl Miller, H. J. Root and the late Otto Kinsel.

On Jan. 23, 1941, the National Youth administration offered help. Boys engaged by David worked under his supervision and were paid by NYA funds.

IN THE SPRING OF 1950, volunteers, largely organized by John Helbig, the late Elton A. Robertson, J. Harold Cashman, John F. Root and Francis J. Burrer, planned and installed the football field in the north section of the park. Subsequently the field was illuminated and high school athletic teams were permitted to stage football games and cross country racing there.

The grandstand in the south area of the field was paid for by public subscription and for many years the name of the subscriber was indelibly marked on the seat he had bought in the reserved section.

Today, the park is governed by a board of trustees consisting of three persons appointed by the mayor and confirmed by the village council for staggered terms. These are Robert A. Lewis, president; Eldon G. Burnett and Wayne H. Strine.

D. Douglas Brumbach is the village councilman who serves on the parks committee. Wayne M. Gebert is the caretaker.

Mary Fate park can accommodate about 800 persons at a given time. It is equipped with 80 picnic tables, most of which are located under or near a sun shelter; six outdoor grills, a modest playground section equipped with recreational devices that appeal to the very young, a large tennis court, a horseshoe pitching area and a shuffleboard area. Within recent years the park has been fitted with modern sanitary rest rooms.

A building erected to house Boy Scout activities was conveyed to the park some years ago and it is available for use by picnickers. The custodian reports an average of 60 families, organizations and churches that reserve use of the park during the season, which closes on Oct. 1.

If funds are available this year, the trustees intend to enclose the western edge of the park between Mary Fate Park Swimming Pool, Inc., and the Huron river with a permanent cyclone-proof fence.

The park's revenues during 1976 amounted to \$3,744.31, of which \$2,560.31 came from property taxes, \$427 from Plymouth Community chest and \$757 from reservation fees. There was a working balance at the beginning of the year of \$52,80.

Expenses during 1976 included \$123.79 to Ohio Power Co. for electricity, \$147 for liability insurance, \$1,410.48 for caretaker's wages, \$962.03 for repairs, supplies and materials and \$664.89, for a grand total of \$3,308.19, or \$436.12 less than actual income.

'57 alumnus to speak Monday in Memorial day ceremony

A 1957 alumnus of Plymouth High school now serving as law director of Willard will deliver the annual Memorial day address May 30.

He is Franklin D. Eckstein, son of Mrs. Royal W. Eckstein, Sr., and the late Mr. Eckstein, who was graduated by Wittenberg university, Springfield, with a bachelor of arts degree in political science in 1962. He had earlier attended Case Institute of Technology in Cleveland.

In 1963 he was graduated by the Army Intelligence school at Ft. Holabird, Baltimore, Md., and assigned as a counterintelligence agent. Later that year he was graduated from the German language school in Oberammergau, Germany. During 1963, 1964 and 1965 he served in 513th Intelligence Corps in West Berlin, having special duties in oversight of Communist activities. Upon discharge, he entered the college of law of Ohio State university and received there the juris doctor degree in 1968.

Since then he has been a partner of Joseph F. Dush in the general practice law in Willard. He is village solicitor of Shiloh, Greenwich and North Fairfield and until March was solicitor of Monroeville as well.

Eckstein's subject is "Never Volunteer". He is married and the father of two children. He is a member of Eheret-Patrol Post 447, American Legion, here and of Willard Lions club. He has just resigned the post of president of the board of directors of Willard Area hospital.

A parade will form in West Broadway May 30 at 10:15 a. m. The parade will march to Greenlaw cemetery for the laying of wreaths at the cenotaph, the firing of the volley to the deaf and the sounding of taps, which will be played

by Steven Shury and Todd Kranz.

WREATHS WILL BE laid by Miss Florence Danner, for the dead of the War of the Revolution; by Mrs. Carl C. Carnahan for the dead of the War of 1812; by Mrs. Gerald W. Gaywood for the dead of the War with Mexico; by Mrs. Carl V. Ellis for the dead of the War of the Rebellion; by Mrs. Lacey Williamson for the dead of the Spanish-American war; by Mrs. Harvey Robinson for the dead of World War I; by Mrs. James L. Jacobs, Sr., for the dead of World War II; by Mrs. Salvatore J. Giorioso, for the dead of the Korean conflict and by Mrs. Larry Laser for the dead of the Vietnam action.

The Rev. John H. Hutchison, Jr., minister of Plymouth United Methodist church, will pronounce the invocation and the benediction.

Mayor Elizabeth G. Paddock, a veteran of Ma-

rine Corps service during World War II, will lead the pledge of allegiance.

Miss Pamela Pritchard, Class of 1977, Plymouth High school, will read the order of General John A. Logan that first established Memorial day in 1868. Charles D. Mack, a classmate, will recite President Lincoln's celebrated Gettysburg address.

Are meters read properly? And if not, why not?

Whether utility meters are being read correctly and whether these data are being transcribed properly on the meter books and later by the billing machine occupied village council for a time May 17.

Councilman Toy Patton referred to the employee whose appointment was recommended by his colleague, Duane Keene, in December and said the

readings "are not any better now". Councilman D. Douglas Brumbach allowed that the complaint may be laid to both the reader of the meters and the billing machine, which has not been fully programmed.

Two persons suggested by Police Chief Robert L. Meiser will be considered as part-time patrolmen. They are Ronald Hamilton, Pine Grove Trailer

park, who is retired from the Army and had worked for the Shelby Police department, and Ronald Crossford, Wakeman, who has had police training.

They will, if hired, replace C. Lewis Truman, Jr., and Wilford Stover. The mayor read a communication from the liquor control board which states that a municipality may request a hearing before a liquor license is

renewed by the board. It states that each municipality will be notified before Oct. 1, which is the renewal date of each license. Previously, renewals were automatically made without the municipality having a chance to object. When a new license is to be issued, she explained, the municipality is notified and may request a hearing.

\$1.35 million suit filed by Cole

A light truck left Route 51 at the south edge of Plymouth on Mar. 12 and passenger, David M. Cole, Shiloh route 1, lost an arm when the truck struck an abutment. For this and other damage he is suing the driver, Steven W. Poth, Shiloh route 1, and his father, Walter E. Poth, Shiloh route 1, owner of the truck, for \$1.35 million in Richland county common pleas court. Cole alleges Poth was drunk.

Shiloh band gets II grade

Shiloh Junior High school band, which will march in Monday's parade here, competed in the Ohio Music Educators' association district X contest May 14 and came away with a II rating, "very good comments", reports the director, David A. Miller, 2nd.

Musicians in this contest are not required to sightread. They played "Blue Ridge Overture", "Moodal Overture" and "Overture: The Court of Henry VII".

Drug raid Man, 20, arrested here

A 20-year-old Plymouth route 1 man was arrested in a drug raid by Huron county police Thursday night.

Randall J. Strohm was held in Huron county jail for arraignment Friday afternoon.

He and five others, including two Willard youths, were taken into custody without resistance.

The six were charged with possession of and use of marijuana, cocaine and phenylethylamine.

Strohm is employed as a dishwasher in a local restaurant and it was there he was taken into custody.

Banquet set

Annual high school band and music banquet will be staged in the high school today at 6:30 p. m., when the music instructors, David A. Miller, 2nd, and Miss Janeane Cunningham, will distribute awards to the winners.

Last of the big switch

Last of the big switch appeared in front of police station Monday. What was ambulance of Fate-Root-Heath Co. was replaced by ambulance given to village by F-R-H when village bought another in Kansas City. Mo. David Gibson, right, security officer at F-R-H, constable of Plymouth township and parttime officer here, acquired it, repainted it and applied seal of Plymouth department, so vehicle can be used for police functions.

It was all done with approval of Police Chief Robert L. Meiser, left.

Time to look at mail box!

May 23-28 is designated by the postal service as mailbox improvement week to call attention to the need for providing mail receptacles designed to protect the mail from the weather and are neat in appearance, conveniently located and safe to use. Neat, attractive mailboxes make a significant contribution to the appearance of the countryside and the streets in suburban areas.

Mailboxes that meet these four requirements, contribute to a more efficient delivery operation. The result is an improved service to the entire route. Mailboxes of the approved traditional or contemporary design are required whenever a mailbox is newly installed or an unsuitable receptacle is replaced.

Where box numbers are assigned, the box number must be shown on the side of the box visible to the carrier as he approaches, or on the rear when boxes are grouped. Customers are encouraged

to group boxes wherever this is practicable, especially at or near crossroads, at service turnouts, or at other places where a considerable number of boxes are located.

Where the use of street names and house numbers has been authorized, the house number will be shown on the box. If the box is located in a street other than the one in which the customer resides, the street name and house number must be inscribed in the box. In ALL instances, the placing of the owner's name on the box is optional.

Mailboxes in rural routes must be sited in the right side of the road in the direction traveled by the carrier. Supports for mailboxes should be of adequate strength and size to properly support the box.

Upstairs store has new hours

Upstairs store will be closed Saturday and during all Saturdays of June, July and August.

The store will be open Thursdays from 9 a. m. to noon.

Here're rules to guide engageds

There is never a charge for publishing the photograph of a newly-engaged girl or of a newly-married bride. "Newly" means within 30 days.

Black - and - white glossy photographs are suitable for reproduction. Color photographs are generally unsatisfactory. The society editor will reject any photograph that will not reproduce well, to avoid offense to the bride.

Photographs of the affianced girl and/or the bride alone are preferred. In weddings, since it is her family that foots the bill, save for minor expenses, the society editor thinks the news story should feature the bride alone.

Photographs will be returned after a reasonable interval.

Photographs used first in other local media will not be published.

LETTERS TO THE EDITOR

Sir:

In regard to the special levies outside the 10-mill limitation, as the 4.51-mills in the Plymouth school district, I have concluded people's memories are short or the levy is critically needed. I believe the sophisticated features of the new and remodeled building is of state origin and not essential.

Secondly, after being ripped off in 1969 real estate appraisal and again in 1975, reappraisal is a cloak of disguise. My farm and home value went up one third in 1969 and doubled in 1975. Recent change in the law mandates reappraisal every three years.

The budget commission of Richland county cut the school rate to keep the pot from boiling over. They accomplished their goal in raising the value for future bond issues.

Thirdly, with four new schools now added to the joint vocational school in Shelby, the base is broadened and any issue that is voted on will pass. The county treasurer set 1.60 mills for several years, now the rate is 2.30 mills.

Bulldogs sign new cage coach, Redbird signs

By THE OLD TIMER
Jerry Quatman, an assistant coach at Edison High school last year, has been signed to a two year teaching contract and assigned as head basketball coach at Crestline High school, replacing Jim Glauer, a local boy, who resigned. Quatman is a 1970 alumnus of Thomas Moore college in Ft. Mitchell, Ky. Scott Browning, outstanding footballer at Loudonville for three seasons, has signed a letter of intent to enter Ashland college and Dr. Fred Martinelli, head football coach, is elated about it. A fullback and line-backer for the Redbirds, he'll be used mostly on offense by the Eagles, Martinelli says. He was all-Johnny Applesseed conference selection twice.

29 runs — 15 for Lexington — in one game!

Plymouth squandered a big lead against Lexington in Johnny Applesseed play here Thursday and a seventh inning rally fell short as the Big Red went down, 15 to 4. Each team collected 16 hits in a loosely played contest that was marked by a bizarre incident. A spectator, a parent of a Plymouth player, asked veteran umpire Trent Snavely to put a stop to alleged depredation of the high school locker room and corridor. Snavely said he was powerless to do so, that his authority did not go beyond the confines of the field. Coach David Dunn later

confirmed to The Advertiser that he was compelled to mop up urine that was directed against the corridor walls. School authorities are said to be investigating the incident. Relations with Lexington have been touchy ever since the then Minuteman basketball coach, Dan Roseberry, drove his team a 1 to a lopsided 119 to 54 victory over Plymouth, keeping his first string together on the floor until less than a minute remained. Last winter, a basketball game at Lexington wound up in a free-for-all involving some Plymouth players and fans.

Net record finest ever

Big Red tennis squad has completed the most successful season since the sport was instituted here. Under Coach William K. Northrup, 2nd, who is leaving the system this year, the squad won 10 and lost four in dual engagements and was 15-and-5 overall. Combined with the fine record of last season's team, the two season slates is 29-and-8. Plymouth competed in three major competitions, the Fredericktown Invitational, which it won by sweeping four of the five divisions; the Johnny Applesseed conference championships, staged for the first time this season, in which the squad was runner-up, and the sectional tourney, in which Bob Davis was a semi-finalist and advanced to the district at Bowling Green, where he was eliminated. Fees included two Class AAA school, six Class

AA schools and six Class A schools. Against this opposition Davis was 18-and-6, Jay Haver was 16-and-6, Jerry Hartman was 17-and-4, all in singles; Jeff Ream went 12-and-5, Tom Gowitzka 13-and-6, Dennis Cook 9-and-9 and Jerry Wheeler 10-and-8, all in doubles. Davis and Haver will be graduated June 5.

By AUNT LIZ

With graduations and hot weather coming simultaneously, it is punch time.

There are trillions of recipes, some very simple, some medium simple and some downright frivolous.

The Foster and the Larry F. Keinaths, the James Mocks, Mrs. Nettie Eckstein, the Sidney Praters, the Daniel Robinsons and Chester Brothers will be among the Jehovah's Witnesses who will attend a two day meeting in the assembly hall of the church in Willoughby.

249 vets here

During the annual Memorial day services, special honor will be given to 249 veterans buried in Pioneer's Rest and Greenlawn cemeteries.

Eleven residents of the village lost their lives during war time, but not all of them are buried here.

Three died in the Civil War and are buried in Pioneer's Rest. They are Thomas Smith Bodine, who died in the prison camp in Andersonville, Ga., on Mar. 27, 1864; Walter Baker, who died in a hospital at Mitchellville, Tenn., in December, 1863; and Lieut. Thomas Bodley, who lost his life in the Battle of Chancellorsville on Sept. 19, 1863.

Samuel Ebert, who died while serving in World War I, is buried in Greenlawn cemetery.

Seven lost their lives in World War II. Eugene Cornell and Ray Ford are buried in Greenlawn, Elmer Parsel is buried in Louisville, Ky., Lester Willford in Italy, Charles Rhine in France, Elwood Kuhn in Gailton and Russell Steele in Maple Grove cemetery, New Haven.

The easiest is just mixing two things together in the right proportions, like one quart of ginger ale and one pint of grapefruit juice. This amount will serve eight and can easily be increased to serve 1,000. This is a nice, tart, cooling mixture.

Mr. and Mrs. Doris Crabtree, Stark, Fla., is visiting Mr. and Mrs. Joseph Maynard.

Patricia Mack, Boulder, Colo., is visiting her parents, Mr. and Mrs. R. Harold Mack. She will leave Thursday.

Mr. and Mrs. Stephen Plesnick, Berea, visited her mother, Mrs. Walter C. Dawson, Saturday. Mrs. Dawson went to Berea with them for the night and came home Sunday.

Mr. and Mrs. David Willbur and their two children, Modesto, Cal., will arrive tomorrow for a three week visit with her mother, Mrs. Albert Marvin, Jr.

Mr. and Mrs. John Fazzini spent the weekend with their daughter and son-in-law, Mr. and Mrs. Burton Stahl, Centerville.

Mr. and Mrs. Harold Sloan and his mother, Mrs. Myrtle Sloan, Shiloh, visited Mrs. Myrtle Lake and Mrs. Hazel Lake, Shelby, Sunday afternoon.

Mr. and Mrs. Dale Woodworth, Warsaw, Ind., were weekend guests of Mr. and Mrs. Robert N. MacMichael.

Mrs. Joseph F. McCurdy returned last week from Lakewood hospital, where she underwent surgery.

Mrs. G. Thomas Moore, deputy grand matron of district 10, OES, was a guest of the Yellow Springs chapter Friday. Tonight she will attend the inspection of the Fremont chapter.

Pool to open here Monday

Mary Fate swimming pool will officially begin its season Monday at 1 p. m.

The pool will be open until 6 p. m. if there are enough swimmers, it will reopen at 7 p. m.

The weekend of June 4 and 5, hours will be from 1 p. m. until 9 p. m. On June 8 it will be open full time for the summer months.

William K. Northrup, 2nd, assisted by Diana Nesbitt, will manage it. Life guards are Dawn Cobb, Elaine Burton and Dana Tuttle.

The schedule for swimming lessons will be announced later.

Cancer fatal to W. Hayes

Woodrow Hayes, 64, died unexpectedly of cancer at his home early Tuesday morning.

He was born Oct. 16, 1912, in Drift, Ky., and was a retired coal miner. He lived here 17 years.

He is survived by his mother, Mrs. Emily Howell, Plymouth; a daughter, Mrs. Glenn Meade, Plymouth; three sons, Carl J., Plymouth, John D., Shelby, and Oscar E., Monroeville; two half-brothers, Hubert Howell, Canton, and Joe Howell, Tippicanoe, Ind., and seven grandchildren.

Funeral services will be conducted tomorrow at 1 p. m. from Hall Bros. Funeral home, Martin, Ky. Burial will be in the Martin cemetery, Drift, Ky.

pints of ginger ale.

If you add cherries to your ice cubes, it gives the effect of Christmas in June and is pretty.

This serves about 10 and can be increased accordingly.

Now for a honest-to-goodness recipe to serve 60 from a very large punch bowl. This is not so complicated as you might think.

Brew a quart of tea. Cool it, then pour into the bowl. Meanwhile, mix two cups of sugar with one of water and boil it until the sugar is dissolved for a syrup. When the tea is cooled, add two quarts of cold water, two cups of lemon juice, one quart of orange juice and six cups of cranberry juice.

Just before it is to be served, add the syrup and a cold quart of ginger ale. It is a good idea to taste it for the right amount of sweetness while adding the syrup.

ANY THIRSTY GRADUATE should enjoy all three, but a wedding or an anniversary calls for something a little different.

Mrs. G. Thomas Moore, deputy grand matron of district 10, OES, was a guest of the Yellow Springs chapter Friday. Tonight she will attend the inspection of the Fremont chapter.

Harnessing energy used to be simple.

Years ago, most energy needs were met by what you had in your right arm. Or by something you kept in a stall, in your barn.

Today, meeting energy needs is a gigantic undertaking. And a complex problem. Because the need is still growing.

Even conservative estimates tell us the demand for electricity alone will double in the next 15 years.

Just keeping up with this increase is going to be tough. It's going to take new facilities. But major facilities take from five to ten years to build.

And a lot of money.

Building a power plant today, for instance, costs five times what it did 15 years ago. And it was costly even then.

Besides that, everyone knows how the

price of fuel used to generate electricity has skyrocketed since 1973.

But, while we continue to make every effort to hold down our costs in meeting your future energy needs, there are some things you can do to help conserve that energy and keep your costs in line at the same time.

By using your electricity wisely. Insulating your home properly. Checking into more energy efficient appliances and systems, like the heat pump.

And by understanding that the generation of electricity is a costlier and more complicated process than it used to be.

When you get right down to it, the best way we know to harness the energy we all need for the future is by working together today.

Working together is the only way.
