

# Red favored to win third game tomorrow

Plymouth ought to be favored to win its third consecutive home game when Hopewell-Loudon comes here tomorrow to play at 8 p. m. It will be Band Parents' night.

Hopewell-Loudon has had fair success so far, with a 12-0 victory in the opener with Arcadia two weeks ago and a scoreless tie with Lakota last week. Both games were at home.

The scouts say the visitors don't have overpowering size but show some quickness. In Kerry Brickner, completing his career that has been marked by outstanding success against Plymouth, the Chiefs have an outstanding quarterback and runner. Two years ago, on a wet field here, he broke off a long one that took the Big Red, 9 to 6. And last year he sped twice to touchdowns on long runs.

What is outstanding about the Chiefs is their defense, which has not so far given up a point. Their running game is said to be sound and their passing game has been good enough to produce half of their points so far. Brickner completed a 30-yard play to Ken Hill, his favorite target, and this will be Plymouth's fifth engagement with Hopewell-Loudon. A narrow victory in 1974 snapped a 10-game losing streak. Plymouth has won three and lost one. The last two games have been played on soggy fields.

Refinement of its offensive attack is the aim of the Big Red coaching staff tomorrow.

The defense, which the staff said would stand up before the first game was played, has not

## Mrs. Lattimer succumbs at 64 at Mansfield

Mrs. Norris Lattimer, 64, Shiloh route 1, died Friday morning in Peoples hospital, Mansfield, of a lengthy illness.

Born Ruth C. Wheatcraft in Delaware county, she lived near Shiloh for 28 years.

She was employed 39 years by Westinghouse Corp., Mansfield.

She was a member of the Mansfield Christian Church and of the Westinghouse Veterans club.

She is survived by her husband, to whom she was married 32 years ago; a daughter, Mrs. Marie Gullett, Shelby; a step-daughter, Mrs. Opal Meseremith, Shelby; three brothers, Virgil, Milo and Clarence, Westfield; and a sister, Mrs. Pearl Bond.

There are five step-grandchildren and four step-great-grandchildren.

The Rev. Delbert Flora, Ashland, and Norwood Dunn, Shelby, conducted services at Greenwood funeral home. Burial was in Mt. Hope cemetery, Cass township.

done so badly. The offense has been brilliant at times but inconsistent. The aerial game has not been established, but Coach Mike McFarren is notorious for producing an outstanding passing game just when everybody says "Plymouth can't pass."

The running game is largely left in the hands of Capt. Jim Wallace and John Ross, Wallace carried 21 times and gained 96 yards against South Central. Ross was called on 17 times and gained 57 yards. Jerry Tash, the flanker, netted 38 yards in seven carries.

## One hero...

One of heroes in Friday's conquest of South Central: Defensive back Greg Gillum, who nailed bobbled pitchout in fourth period at Red 39-yard line, setting up final drive of 61 yards for winning score.

## Ramsey sells to Larry Fraley

Plymouth Laundromat and its building have been sold by Edward O. Ramsey to Larry Fraley, Shelby.

He took the property over Aug. 30.

He is also in the furniture repair business in Shelby.

Ramsey is retiring for the second time and plans to travel. For many years, he operated a motion picture theater in the village and later built and operated the Plymouth Drive-In theater.

## Deskins sues for \$15,000

Jerry Deskins, Plymouth, is plaintiff in a damage suit seeking \$15,000 for injuries received in a collision at Spring and Sandusky streets on Aug. 27, 1977.

Defendants are Michael and James Gowitza, Shiloh, and Marilyn Shepard, Shiloh route 2.

Deskins alleges Michael Gowitza, the minor son of James Gowitza, was the driver of a car owned by Marilyn Shepard that struck his halted motorcycle.

Deskins was struck by a car owned by Marilyn Shepard that struck his halted motorcycle.

because it never lost its poise. Despite the fact it was losing, 8 to 6, early in the fourth quarter, Plymouth held itself together. The talk on the bench was, "We'll get 'em!"

And get them they did. When South Central fumbled the pitchout, Plymouth made up its mind to take what it was given and make the most of it. The Big Red forward will tore up South Central inside and Plymouth Central drove 61 yards to score the winning touchdown.

Game time is 8 p. m. Lions club will serve a chili supper in the high school cafeteria at 6 p. m.

Huron county voters will decide three county issues. These are the renewal of a four-tenths mill, five-year levy to fund the welfare program, a bond issue calling for new taxation at the rate of one-tenth of a mill for 20 years to raise \$360,000 to pay for improvements to Christie Lane school, the school for mentally retarded at Norwalk, and a new levy of eight-tenths of a mill to fund general maintenance, repair and resurfacing of county bridges and roads shall be approved.

The last issue is a proposal by the board of education of EHOVE Joint Vocational School district to obtain a five-tenths mill continuing levy for current operating expenses.

## Lower tax rate set by auditor

Taxpayers living in Richland county, side of the village will pay less during 1978 tax year, Richland county budget commission has ruled.

Reason: the resigned auditor, Norm L. Wolf, didn't roll back the millage on bond service accounts when the tax valuation rose.

The tax rate in Plymouth will drop from \$12.10 to \$9.88 for municipal purposes and from \$37.40 to \$35.40 for school purposes. Savings to a taxpayer occupying a house taxed at \$10,000: \$42.30.

## Sunday sale of liquors on ballot

Village voters will decide a liquor sales option in the general election Nov. 7.

The sale of beer and wine on Sundays after 1 p. m. is the question to appear on the ballot.

Voters in Precincts 1 and 2 in New Haven township will decide the question of whether sale of beer and wine for off-premises consumption shall be permitted.

All voters will decide on two state issues: No. 1, a constitutional amendment to modify the procedures by which voters may adopt, amend or repeal a charter form of county government, and No. 2, a constitutional amendment to remove a ban on prison labor, allowing the General Assembly to regulate prison work programs.

What it means is that the board plans to spend that much if bids can be elicited to fit in with it, to weatherproof the building against loss of heat and to improve lighting.

The architect, D. James Crawfis, will be told to prepare plans and specifications so that bids can be received early in the new year.

Extra-curricular assignments were made thus: William Flaherty, girls' athletic director; Lawrence J. Root, junior high girls' athletic director; Mrs. Amy Collins, tennis coach; Douglas A. Dickson, boys' track and field coach; Jack McClinton, junior high girls' track and field coach; Jerry Julian, junior high boys' track and field coach; Michael McFarren, girls' track and field coach; Debra Pruner, assistant girls' track and field coach.

Also, Miss Pruner, girls' basketball coach; Kathy Green, assistant girls' basketball coach; Richard Roll, girls' softball coach; Debra Poling, assistant girls' softball coach; Daniel Donoghue, elementary basketball coach.

Also, David Dunn, baseball coach; Kathy Knowles, high school musical; Robert James, 12th grade adviser; McFarren, 11th grade adviser; Roll, 10th grade adviser; Keith Diebler, ninth grade adviser; James National Honor society adviser; Dickson, student council adviser; Barbara Schamandan, girls' volleyball coach. McFarren resigned as girls' basketball coach, saying he thinks it unwise for a coach to be involved in two consecutive seasons of varsity sports. It was accepted.

Enrollment this year is down 101 pupils from last year, Supt. John Fazzino told the board.

It was a fact he took note of when he submitted a draft of 10 major goals and studies for his district this year.

These are:

1. Review and re-adopt school district and building educational philosophy statements.
2. Review personnel evaluation instrument and procedures.
3. Study pupil drop-out rate.
4. In view of decreasing enrollment, pupil selection of subjects, class sizes (particularly in high school); a curriculum study.
5. Re-evaluate school policy for pupil placement in special classes.
6. Develop procedure to identify handicapped pupils within the school and school community.
7. Continued effort in

Three readings. He reasoned that the village electrician should be paid more than \$4.90 an hour because of the skill and dangers of the job.

Councilman Ervin Howard said it can be reviewed again in January, to determine if the raise is warranted.

No action was taken on the suggestion that some \$8,500 be spent on resin for the water softening system, which the administrator suggested for the reason of the water and is in the red at the moment.

Councilman David Howard recommended three taps for health reasons, for Taylor at his home in Base Line road, for Dennis Beebe, West Broadway, and for Marion Neely, Beetman street. Taylor abstained from voting, Moore and Ramsey voted nay so the motion passed.

The mayor asked the council what it would do if she and her husband simply decided to hook on since so many others were. The councilmen granted.

# If postmen strike, make fritters

By AUNT LIZ  
There is one postal employee who I am writing to bet will not go on strike, but he probably will not be able to make his rounds if the big sorting centers close down.  
I read about him in a paper we get. He is the very last of what was the pony express. During the summer months he can chest a little and use a jeep, but in the winter, he brings out his friendly horse, Ginger. He delivers mail along a 17-mile route in the hills of West Virginia to about 30 houses. I wonder how he downs 30 cups of coffee each day,

because I am sure he is invited into each house. He is quoted as saying that his route can take from four hours up to the whole day. That, I would guess, is dependent on who has baked what and has it ready. He must love his job.  
And is probably a great expert on anything that can be cooked.  
Since this is apple season everywhere, he must be indulging in fritters. The good people in those hills will have to time their cooking. I would suspect that they can look down the road and time his arrival.

All mailmen and everyone will like this recipe.  
Make a batter of one and a third cups of flour, two teaspoons of baking powder, a fourth of a teaspoon of salt and two-thirds cup of milk. Mix it and throw in one beaten egg.  
Cut two medium-sized apples into about a third-inch size. Sprinkle them with a little powdered sugar and sprinkle a little lemon juice over them. Let them sit for about a half hour, drain any liquid, dip them in the batter and fry away. When done, gently sprinkle each piece with a mixture

of cinnamon and sugar. Words can be fascinating. Put a couple of them together, and you can have a bright new word.  
HAVE YOU HEARD OF mulled cider, Windsor wine, kingwood brandy, raspberry wine, moon-silver wine? The list can go on much more.  
Sounds like something new to drink, and each one does sound down right tasty. But they are not drinkable.  
They are names of new shades of lipstick for fall.  
Then there's brandied cherry and datemat red, also not edible, but for your fingernails.  
And someone gets paid a fabulous amount to dream those things up.  
I can just hear someone asking where is my smoky teal and not a bird in sight. That and English ivy is not what you would think. They are eye shadows.  
These are the dream

children of probably the biggest name in cosmetics today and you have to give her credit because she started after Helena Rubenstein and Lizzie Arden were already there on the top.  
They really do add glamour to our otherwise dull daily lives. Somehow I do wonder how any of us can rush out and pay for eye shadow when the same amount would buy a beautiful little -- and I do mean little -- roast.  
Something is going to have to give, and frankly, I think it will be the roast. This week will tell the story of what the post office is going to do. It will be interesting. Will they go on strike just because we must send in an income tax installment? What will be federal government do?

# Cinevue to start

Continental Cablevision, Inc., Norwalk, will begin Cinevue, a new programming scheme, next month in the Plymouth, New Haven and Willard area.  
For a small additional monthly charge, four first run movies will be shown at various times each month. Two children's movies will be shown every six weeks and a classic motion picture will be chosen.  
Joseph Helms, Norwalk manager, said Sept. 5 each movie averages out to 92 cents.  
They will be shown on Channel 7, which is now the channel for local announcements and weather reports.  
These will be switched to Channel 6 and share viewing time with sporting events now carried.  
The village signed a 20-year franchise with the company in 1968. This does not need be changed because of changes in federal regulations which

supercede a local ordinance.  
Councilmen Edward O. Ramsey and Michael Taylor said the charges

for pole rental paid the village should be restituted since the company is offering more services for more pay.

# Red rally wins, 12-8

A sputtering offense got untracked for one mighty drive in the fourth period here Friday night and Plymouth managed a close 12 to 8 victory over South Central.

These two Class A teams were evenly matched and the outcome was in doubt until Greg Gillum fell on a Trojan fumble in the third play of the final quarter. The Trojans obtained possession after a 27-yard punt by John Ross went to the South Central 40. As the third period ended, South Central had second down at the Plymouth 49.

Yancey Toney passed 17 yards to Tim Hall and the Trojans were in business at the Red 33. On second down, Toney pitched out to Rod Severson. It was a poor throw and Gillum recovered the ball for a 10-yard loss.

It was here that Plymouth went to work. The Big Red drove 61 yards in 15 plays to score at 5:41.

Capt. Jim Wallace got left off left tackle, Jim Robinson straight ahead for five, Wallace got nine through right guard, Robinson gained six through right tackle, Terry Tash was limited to a single yard off right tackle. John Ross carried three straight times to the 15.

Here Plymouth was set back five yards for off-side. Wallace got six through left guard, Ross got four through right guard, Wallace downed two and Mike Herberick sneaked for the first down at the one.

ON THE NEXT PLAY, Ross burst into the end zone for the second touchdown.

An effort to pass for the PATs went awry when the ball was fumbled.

South Central could not gain an inch in four plays and was forced to punt. The boot carried 37 yards to the Red 27. Plymouth got it out to its 46 before punting the ball away with 1:42 left in the game.

### Golfers beaten

Buckeye Central defeated Plymouth in golf Sept. 6, 174 to 190.

Summary:  
Buckeye Central: Rick Kehrs, 43; Chris Heydinger, 42; Tom Shelby, 43; Doug Ackerman, 46.  
Plymouth: Jeff Ream, 40; Jerry Wheeler, 44; Randy Compton, 43; Chuck Williams, 63.  
South Central defeated Plymouth Thursday, 176 to 184.

Summary:  
South Central: John Ray, 35; Mike Oney, 43; Chris Graffice 51; Matt DeWitt, 47; Mark DeWitt, 56.  
Plymouth: Jeff Ream, 37; Jerry Wheeler, 43; Randy Compton, 56; Chuck Williams, 49; Steve Cramer, 65.

### Pirate sets new record

Mark Morgan, Black River, set a new Mary Fate park course record of 15 minutes 18 seconds Thursday when the Pirates defeated Plymouth in a dual cross country meet, 22 to 34.

Old record of 15:27 was set by John Meadows, Lexington, Sept. 15, 1977.

Scott Kennard set a new team course record of 15:40, breaking the time set by Dave Lewis of 16:31 on Sept. 15, 1977.

Summary:  
Morgan (B), first, 15:18; Ensign (B), second, 15:30; Kennard (P), third, 15:40; Schrader (P), fourth, 15:49; Derikito (B), fifth, 16:02; McConnell (B), sixth, 16:17; Smith (P),

The Trojans tried manfully to pull it out, but on second down the Red defense sacked Toney for a nine yard loss and on third down his pass to Steven-son would up a loser of four yards.

South Central drew first blood in the first period. Plymouth kicked off to open the game and South Central punted. The ball was dumbled in the secondary and South Central recovered. This is the greatest play in football. The Trojans returned the favor two plays later and Joe Miller recovered for the Big Red.

Plymouth got a first down but couldn't go farther and Ross punted 37 yards to the Trojan nine.

On second down, with six to go, Chris Howard burst through his right guard and dashed through the Red defenses for 87 yards and the first score. Randy Conway ran the PATs and South Central was ahead, 8 to 0.

PLYMOUTH SOUGHT to get even.

South Central opened play in the second period with a 33-yard punt to Plymouth's 22. The Big Red needed 15 plays to march 78 yards to the end zone. Ross punched in from three yards away. A pass for the PATs was not good.

A fine defensive play by Tash saved Plymouth from humiliation toward the end of the half. Severson broke through to left side of the Plymouth line and was free as a bird before Tash threw him down for a 27-yard gain.

South Central outgained

# Banner earnings reduced

Lower earnings than during fiscal 1977 were reported by Banner Industries, parent firm of Plymouth Locomotive Works Inc.

The fiscal year ended June 30.

Banner said the decline during the fourth quarter was attributable to expenses of its new coal waste reclamation project in Indiana. This program should begin to produce profits this year, Banner said.

Sir: I've been thinking, if I could make a plea to local people who have produce they aren't going to use, they ought to give it to

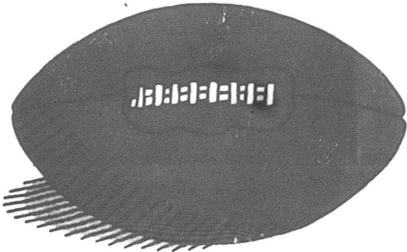

someone who doesn't have a garden or fruit trees. The pastors could announce it at church.

I have heard several say they have canned all they're going to.

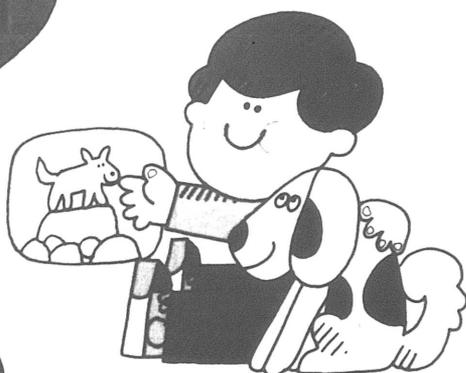

In Mansfield they are asking produce to be taken to the Salvation Army, which in another year could be done here, if someone would take charge and a place could be found where it could be taken.

Thank you. Sincerely, Mrs. Elton A. Robertson
