

Winless Big Red underdog in BVC game with Crestview

Can Plymouth turn it around in the remaining three games and gain some self-respect in a so far dismal season?

Tomorrow's performance against Crestview can tell the story. The Cougars come here with a record that's only 20 per cent better than Plymouth's. It's 1-and-4, the victory was something of an upset over Ontario, a Class AA school with a Class C record. That came last week at Olivestown. And it came because the Crestview defense rose to great heights to throttle a so-so Ontario attack.

Plymouth's attack hasn't been seen. Leader of the Cougar defense is Vernon Dyer, a 195-pound near-six footer who plays middle linebacker. He was loaded with three sacks and recovery of two fumbles Friday night.

Here're scores last week —

Here're results last week: East Knox 8, Lucas 0; Crestview 14, Ontario 6; Danville 14, Plymouth 6; South Central 24, Black River 13; Edison 29, New London 7; Mapleton 7, St. Paul 0; Monroeville 10, Western Reserve 8.

The Voice of The Advertiser —

Sorry, but no thanks

The question of whether Richland county shall continue to collect the additional sales tax of one-half per cent will appear on the Nov. 6 ballot.

At this point it makes no difference whether it appears as a referendum or an initiative. Certainly there is reasonable suspicion that wires were pulled in the courthouse to thwart what obviously was, and is, the will of the people of the county, namely, that additional taxation is too important a matter to leave entirely to three elected officers.

The tax was enacted because the commissioners discovered that the faithful service of the long-time county auditor (he served longer than anybody in Ohio history) wasn't all that faithful. The accounts were in a heck of a mess and revenues were badly miscalculated.

Already the successor auditor has withheld paychecks for some agencies because the county has run out of money.

It's clear that fresh money is needed.

But is a sales tax the best way to get it?

Certainly a sales tax hits the poor fellow hardest. Low income consumers and those on fixed incomes are always those who suffer most when a sales tax is enforced.

Since the enactment of the 16th amendment, it has been axiomatic in this country that those best equipped to pay should pay the most.

The Ohio sales tax goes in the face of that.

We are not especially pleased with the manner by which the four judges of common pleas have conducted themselves in this fiscal crisis.

When the number of apples in the barrel won't quite go around, it's the duty of everybody digging into the barrel to cut back his digging. Surely there are some places — there are always some places — where expenses of the judiciary can be pared.

It may be that our friends and neighbors of Richland county will respond to the pleas of the commissioners and approve the additional tax. But they'll be doing it without our support.

The Cougar offense is directed by Fred Stimpert. His running backs are Scott Pruner and Troy Meek. And when he throws, his main target is Lyle Chronister.

Tomorrow's game is another first for Plymouth. It marks the first time since 11-man football was established here that a Plymouth team will play another school twice in the regular season. A Crestview is set for Olivestown on Oct. 26, the last engagement of the year for the Big Red.

It has been a disappointing year for Plymouth's new coach, in his first season as head coach anywhere. He served previously at Centerville and Lima Central Catholic. David Coulter knew when he took the job there was a monumental building task added to his coaching of the successful 1975 squad.

Here's slate

Here's schoolboy football slate for this week: TOMORROW: New London at South Central; Mapleton at Monroeville; St. Paul's at Western Reserve. Crestview at Plymouth; SATURDAY: Lucas at Seneca East; Black River at Edison.

Jeff Burrer may be able to play. He missed the Danville game because of injury.

Outcome of tomorrow's Blackfork Valley conference game will turn on Plymouth's offense. If it can score early, there is a chance that its defense can contain the Cougars, who nevertheless deserve to be favored in this contest.

Game time is 8 p. m. It will be Team Parent night.

First thing to say about Gary Ryman is that he's big. Next, he's important factor in Big Red line, which will be sorely pressed to contain Crestview's Cougars in Blackfork Valley conference game here tomorrow night. Besides, since it's parents night, Ryman will be anxious to show Mom and Pop it's all worth while.

Should village assume debt of Mary Fate Park Pool, Inc.?

Should the village assume financial liability for Mary Fate Park Pool, Inc.?

Alan Gano, president of the corporation, submitted data concerning the 1979 season to village council Tuesday night. Farmers Home Administration, which funded in 1968 with a 40-year loan of \$72,000 at five per cent interest, earlier suggested the village do since the pool is not a paying proposition.

Only 94 memberships were sold for the 1979 season. These produced revenue of \$4,100. Casual admissions produced revenue of \$3,205.53. Revenue from concessions amounted to \$2,531.90. Donations totaled \$580, which added to a grand total of \$11,118.43.

Operating expense, includ-

ing wages, cost of concession supplies, utilities, insurance, chemicals and other charges, amounted to \$7,305.04.

Gano said the pool is about \$5,800 behind in payments to FHA over the last three years. Gross debt of the pool is \$69,353.

Councilman Michael R. Taylor suggested the council study the pool problem more thoroughly. Councilman Ervin Howard said that payment of the pool's loan by the village could be considered matching funds for park improvements, implying that federal assistance because of this would cut the cost of settling the pool's debt in half.

Alvin Kelley, acting as village income tax director, told the council he has completed a master file of residents and those working in the village.

He has contacted all employees and all he said, began withholding the tax as of Monday.

Of the several major employers in the village with 485 employees, he estimated just these will generate about \$5,000 a month.

He said this does not count the smaller employers, those who work out of town nor corporate tax payers.

He told the council that later he will make recommendations concerning how to deposit the collections and distribute them to the village accounts. He will also provide a job description for a permanent administrator.

He said, too, that he has visited other communities and is taking their "best methods of administering" to be used here.

Wayne Lash, district director of the Farmers Home Administration, Wooster, met with the council.

At his suggestion, the sum of \$45,940.33 which remains in the sanitary sewer construction account (the money is from the \$968,000 the village borrowed in 1972 to

Lions to meet Wednesday

Also, Frederick E. Ford, chairman, Adam L. Mumea, Joseph J. Lash, and A. L. Paddock, Jr., eight; Charles Woodmansee, chairman, Miles Christian, Peter Haver, William Dent and Byron and Bradley Ream, youth, and Homer, chairman, Larry O. Vredenburg, hearing and speech.

13 soliciting contributions for mentally ill

Mrs. H. Lee Welker of Plymouth announces that Bellinger workers will go house-to-house until Oct. 15, collecting for mental health.

Mrs. Welker is Bellinger chairman for the drive benefiting the Mental Health Association of Ohio.

Bellinger workers collecting in Plymouth are Mrs. William Flaherty, Mrs. Dave Polchak, Mrs. Jerry Julian, Mrs. Richard Paul, Mrs. James Fleck, Mrs. Theodore Ross, Mrs. Gary Lydy, Mrs. Larry Taylor, Mrs. Larry Houser, Mrs. Sam Haver, David Wilson and Mrs. Paul McClintock.

Persons living here but working in other towns where an income tax is in force may credit one-half of one per cent of that tax against the tax due here.

It is this provision that led the steering committee, headed by the referendum, H. Lee Walker, William B. Chronister and Larry Smith, to set the petitions in motion and

letter of intent from Columbia Gas of Ohio, Inc., which states it is taking the rate problem of the village to the PUCCO.

The company a year ago offered the village a two-year contract as its four-year one was expiring. The increase over the two-year period was to be 10.6 per cent. The increase was based on the company's 1976 costs. It was turned down, but the company did come back with a three-year contract, which the mayor had suggested. It had an increase of 1 per cent for the three years. The council offered to settle for a five per cent increase, which the company turned down.

Councilman David Howard volunteered to seek out James Babcock of the Consumers council in Columbus to see what help he can give the village, since now the company is basing its rate increase on June 30, 1978, to June 30, 1979, costs, which it will seek from the PUCCO.

At the last meeting the council indicated it would like to see a financial statement for the year to date in relationship to what was appropriated in each fund.

For the first meeting in July, the mayor prepared a breakdown of the cost for the year. Then each fund had spent somewhere about 56 per cent of money appropriated for the year. Three months later, however, it was a different story. Just about every fund was in the red and overspent.

A total of \$681,727 was appropriated for the year, and only \$160,030.09 is left to run the village for the next three months.

Taylor said he wants to see a breakdown of how money was being spent in each fund. The mayor suggested he meet with the clerk and go through his ledger. He, in turn, requested that the clerk report to the council in a written form with the figures.

Even though electric rates have been increased, that fund is not pulling itself out of the red. The mayor appointed a committee of Councilman G. Thomas Moore, Taylor and Village Administrator James C. Root to make a rate study.

Dispute results in charges

A family dispute that began earlier in the evening erupted Saturday about 11:30 p. m. in the Public Square.

Charged with assault were Pamela Stephens, Earl R. Hicks, Pamela Stearns, Nancy Hicks and Kenneth, Alberta and Darlene Stephens. All posted \$100 bonds and were held Monday in mayor's court.

Lions give leftover roses to ill, aged

Everything was rosy in Plymouth over the weekend. Members of the Lions club distributed 450 dozen roses.

Eric J. Akers was chairman of the rose sale, and when it was discovered that some were not spoken for, he delivered 24 dozen each to Willard Area hospital and Hillside Acres Rest home, 16 dozen to Quality Care Center and to some of the older women in the village.

Community chest organizations meeting will take place Thursday at 2 p. m. Goal this year is \$5,000, says B. Mark Ream, president.

Local agencies wishing to participate in the chest this year must have a representative on the board of directors. If there is no representation at Thursday's meeting, the chest will omit the absence from distribution of funds.

Boy Scouts, Band Mothers, Girl Scouts, Salvation Army, Councils for Retarded Children, Stroh's Little League, Plymouth, Midgate, Plymouth Branch Library, Mary Fate park, Mary Fate Park Pool, Inc., Booster club, American Cancer society and American Red Cross received funds last year.

Ream at Tel. 687-2522 or Wayne H. Strins at Tel. 687-8942 will respond to inquiries at 687-4351.

Was fire of Pulliams arson?

Plymouth fire department answered a call Monday about 9:10 p. m. to the residence of Mrs. Birdie Pulliam, 402 Walnut street.

The blaze, which apparently started in the west side of the chimney, gutted the structure.

Fire Chief Wayne E. Strine called the state fire marshal to assist in the investigation of the fire.

1% village income tax in force since Monday

The one per cent municipal income tax took effect Monday morning.

All employers here are required to withhold one per cent of the gross wages of each employee. All businesses will pay a one per cent tax on their profits.

A referendum on the tax will be conducted during the general election on Nov. 6.

Danville wins over Red, 14-6

Two fumbles lead directly to both touchdowns

Plymouth made too many mistakes to deal with Danville here Friday night and went down to its fifth straight defeat.

The score in the Homecoming contest, before barely enough fans to pay the officials, was 14 to 6.

Danville is not a good football team and any kind of a consistent performance by its opposition would have put the Blue Devils to rout.

There were 15 turnovers in the game, eight of them by Plymouth, including six fumbles. Two of these led directly to Danville scores.

Neither team did anything in the first period. Bill Hudson intercepted Pat Mickle's pass at the Blue Devil 27 and ran it in to the 10. On second down, Plymouth and Scott Bell recovered.

Hudson intercepted again seven plays later, early into the second period, and Plymouth had another opportunity from the Blue Devil 25.

But there was yet another fumble and Danville took over at its 14. Mickle engineered a sustained drive that carried to the Plymouth 42. His pass was intercepted at the Red 21.

Plymouth fumbled at the 23 on second down, and Mickle promptly passed 11 yards to Bell. From the 12, he sought to pass again, found no receiver and ran through the befuddled Red defense for the score. The play came with 2:45 left in the half. Mickle passed to Dave Miller for the PATs.

Such as it was, Danville had a clear advantage in the first half statistics. On 34 plays, it had seven first downs, with 73 yards rushing and 56 passing, with five completions in 12 attempts and four interceptions. Plymouth, conversely, with 28 plays, had just one first down, 20 yards rushing, none passing.

The Red offense was undependable, to say the least.

Plymouth kicked off to start the second half. Danville dismissed the punt on fourth down and

surrendered possession at the Blue Devil 42. Steve Tackett fumbled on third down and Danville was back in business. It was compelled to punt. Dale McCorman fumbled the ball and Danville recovered at the Red 18. Mickle was in the end zone on the fourth play. The clock read 3:51 of the third period.

An obvious try to place kick the PAT went astray because of a poor snap from center.

Plymouth made its third first down of the game with 7:22 remaining. Tackett threw to Scott Harris for 10 yards.

Setting out from the Danville 45, the Big Red ran out of downs at the 25, when with fourth and a foot to go, it was thrown back a yard.

On second down, Danville fumbled. Plymouth recovered and Tackett passed on first down. An interference penalty against the Blue Devil secondary gave Plymouth possession at the 15. On second down, Tackett threw a screen pass to James Jamerson, who fought his way through the Danville defense to the end zone. The run for PATs was short.

Danville came upfield with the kickoff and gained to the Red 28, where the Plymouth defense set the visitors back on two plays that resulted in a net loss of 12 yards.

The game's most time left but Tackett went to work. He passed four yards to Harris before throwing another interception that was picked off by Jim Durbin to end the contest.

Plymouth needs to undertake some severe regrouping to be competitive in its

remaining games.

'78 alumna wed at Shelby

A 1978 alumna of Plymouth High school, Miss Julie Ann Schriener became the bride of Kenneth Karel van Ooyen Sept. 16 in Most Pure Heart of Mary Roman Catholic church at Shelby.

The Rev. Gerald Ceranowski performed the double ring ceremony.

Philip Pearson was organist. Lynn McKown, Plymouth route 1, was soloist.

The bride, the daughter of the Robert Schriener, Plymouth route 1, was attired in a floor-length gown of polyester dacron organza over taffeta. Venice lace trimmed the fitted bodice, split neckline and long full sleeves. Her mother-in-law made her veil of Venetian lace. She carried yellow sweetheart roses, blue and white miniature carnations and baby's breath.

Miss Sandra Baker was maid of honor. Bridesmaids were Tina, Tabitha and Jenny Schriener and Bunny Prendergast. Jenny Schriener was flower girl.

Vincent Trago was best man. Robert and Timothy Schriener and Scott and Brian van Ooyen ushered. Robby Smith was ring bearer.

The Misses Paula Pritchard and Julie Metcalfe and Mrs. Dale Lisetzki served the wedding cake, which had nine tiers decorated with a fountain of goldfish and a hand-blown glass centerpiece. Miss Ann Lambert registered guests.

Son of the Karel van Ooyens, Shelby, the bridegroom is a graduate of Shelby High school and of Ohio State university, where he took a bachelor of science degree in accounting. He is employed by Ralston Purina Co., Lancaster.

After a wedding trip to Niagara Falls, N. Y., the couple is living in Baltimore.

ORDINANCE NO. 1279 AN ORDINANCE OF THE COUNCIL OF THE VILLAGE OF PLYMOUTH, OHIO, DESIGNATED AS A GENERAL PARKING ORDINANCE WHICH PROHIBITS PARKING VEHICLES IN CERTAIN DESIGNATED AREAS OF THE

VILLAGE, EXCEPT FOR SPECIFICALLY DESIGNATED PERIODS OF TIME AND IN SPECIFICALLY DESIGNATED MANNERS AND DECLARING AN EMERGENCY. WHEREAS: The members of the Council of the Village of Plymouth, Huron-Richland County, Ohio, deem it necessary for the uniform and efficient movement of traffic through said Village and for the safety of motorists and pedestrians to enact a comprehensive parking ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF PLYMOUTH, OHIO, ALL MEMBERS THERETO CONCURRING: Section I. Prohibition Against Parking on Streets or Highways.

Upon any street or highway outside a business or residence district, no person shall stop, park or leave standing an vehicle, whether attended or unattended, upon the paved or main travel

ed part of the street or highway if it is practicable to stop, park or so leave such vehicle off the paved or main travel part of such street or highway. In every event, a clear and unobstructed portion of the street or highway opposite such standing vehicle shall be available for the passage of other vehicles, and a clear view of such stopped vehicle shall be available from a distance of 200 feet in each direction upon such street or highway.

This section does not apply to the driver of any vehicle which is disabled while on the paved or improved or main traveled portion of a street or highway in such manner and to such extent that it is impossible to avoid stopping and temporarily leaving the disabled vehicle in such position.

Section II. Police May Remove Illegally Parked Vehicle. (a) Whenever any police officer finds a vehicle standing upon a street or highway in violation of Section I, he may remove such vehicle, require the driver or other person in charge of the vehicle to move the same, to a position off the paved or improved or main traveled part of such street or highway.

(b) Whenever any police officer finds a vehicle, unattended or left on a street, bridge or causeway, or in any tunnel, where such vehicle constitutes an obstruction to traffic, such officer may provide for the removal of such vehicle to the nearest garage or other place of safety.

Section III. Prohibited Standing or Parking Places. No person shall stand or park a vehicle, except when necessary to avoid conflict with other traffic or to comply with the provisions of this Traffic Code, or while obeying the directions of a police officer or a traffic control device, in any of the following places:

- (a) On a sidewalk, except a bicycle;
- (b) In front of a public or private driveway;
- (c) Within an intersection;
- (d) Within ten feet of a fire hydrant;
- (e) On a crosswalk;
- (f) Within twenty feet of a crosswalk at an intersection;
- (g) Within thirty feet of, and upon the approach to, any flashing beacon, stop sign or traffic control device;
- (h) Between a safety zone and the adjacent curb or within thirty feet of the curb immediately opposite the end of a safety zone; unless a different length is indicated by a traffic control device;
- (i) Within fifty feet of the nearest rail of a railroad crossing;
- (j) Within twenty feet of a driveway entrance to an fire station and, on the side of the street opposite the entrance to any fire station, within seventy-five feet of the entrance when it is properly posted with signs;
- (k) Alongside or opposite any street excavation or obstruction when such stopping or parking would obstruct traffic;
- (l) Alongside any vehicle stopped or parked at the edge or curb of a street;
- (m) Upon any bridge or other elevated structure;
- (n) At any place where signs prohibit stopping, standing or parking, or where the curbing is painted yellow, or at any place in excess of the maximum time limited by this Ordinance;
- (o) Within one foot of another parked vehicle;
- (p) On the roadway portion of a freeway, expressway or thruway.

Section IV. Manner of Parallel Parking; Handicapped Person. (a) Every vehicle stopped or parked upon a roadway there is an adjacent curb shall be stopped or parked with the side wheels of such vehicle parallel with and not more than twelve inches from the curb, unless it is impossible to do so without obstructing, in such case, the stop shall be as close to the curb as possible and only for the time necessary to discharge and receive passengers or to load or unload merchandise.

(b) No vehicle shall be stopped or parked on a road or street with the vehicle facing in a direction other than the direction of travel on that side of the road or street.

(c) Notwithstanding any provisions of this Ordinance, air compressors, tractors,

trucks and other equipment, while being used in the construction, reconstruction, installation, repair or removal of facilities near, on, under or over the street, stand or park where necessary in order to perform such work, provided a flagman is on duty, or warning signs and lights are used, as may be prescribed by the State.

(d) Special parking locations and privileges for the handicapped shall be provided and designated by the Village and all agencies and instrumentalities thereof at all offices and facilities, whether owned, rented or leased, and at all publicly owned parking garages.

Such locations shall be reasonably close to entrances, ramps, elevators and stairs. When a motor vehicle bearing the special handicapped parking placard in Ohio Revised Code 4503.15 is being operated by or for the transport of a handicapped person, the motor vehicle shall be permitted to be parked for a period of two hours in excess of the legal parking period permitted by the Village, its agencies and instrumentalities, where a local ordinance or police regulation provides otherwise or where the vehicle is parked in such manner as to be clearly a traffic hazard.

As used in this section, "handicapped" means having lost the use of one or both legs, one or both arms, or any combination thereof, or being blind or deaf or so severely disabled as to be unable to move about without the aid of a crutches or a wheelchair.

Section V. Willfully Leaving Vehicles on Private or Public Property. (a) No person shall willfully leave any vehicle or "abandoned junk motor vehicle" as defined in Ohio Revised Code 4513.63 on private property for more than twenty-two consecutive hours without the permission of the person having the right to the possession of the property, or on a public street or property open to the public for purposes of vehicular travel or parking, or upon or within the right of way of any road or highway for more than twenty consecutive hours or longer without notification to the Police Chief of the reasons for leaving the vehicle in such location.

For purposes of this section, the fact that a vehicle has been so left without permission or notification is prima facie evidence of abandonment. Nothing contained in this section shall invalidate the provisions of other ordinances regulating or prohibiting the abandonment of motor vehicles on streets, highways, public property or private property within the Village.

(b) Whoever violates this section shall be deemed a minor misdemeanor, and shall be assessed any costs incurred by the Village in disposing of such vehicle or other motor vehicle, less any money accrued to the Village from such disposal.

Section VI. Unattended Vehicles; Duty to Lock Ignition; Remove Key, Set Brake, etc. No person driving or in charge of a motor vehicle shall permit it to stand unattended with the fire stopping the engine, locking the ignition, removing the key from the ignition, effectively setting the parking brake and when such motor vehicle is standing upon any grade, turning the front wheels to the curb or side of the highway.

The requirements of this section relating to the stopping of the engine, locking of the ignition and removing the key from the ignition of a motor vehicle shall not apply to an emergency vehicle or a public safety vehicle.

Section VII. Opening Doors or Side Available to Traffic. (a) No person shall open a door of a vehicle on the side available to moving traffic unless and until it is reasonably safe to do so, and can be done without interfering with the movement of other traffic, nor shall any person leave a door open on the side of the vehicle available to moving traffic for a longer time than necessary to load or unload passengers.

Section VIII. Parking in Narrow Streets and Alleys. (a) No driver shall stop

stand or park any vehicle upon a street, other than an alley, in such a manner or under such conditions as to interfere with the free movement of traffic less than ten feet from the edge of the roadway for free movement of vehicular traffic, except that a driver may stop, stand or park any vehicle for loading or unloading of passengers or when necessary in obedience to traffic regulations, traffic signs or signals.

(b) No driver shall park a vehicle within an alley in such manner or under such condition as to leave available less than ten feet of width of the roadway for the free movement of vehicular traffic.

Section IX. Parking Vehicles on Street or Advertising; Permit Required. (a) No person shall park upon a street any vehicle for advertising purposes unless he has obtained a permit from the Chief of Police authorizing him to do so.

Section X. Passenger Zones and Loading Zones. (a) The Police Chief shall have authority to determine the location of passenger zones and loading zones and shall erect and maintain or cause to be maintained appropriate signs indicating the same.

(b) No driver of a vehicle shall stop, stand or park such vehicle for a period of time longer than necessary for the expeditious loading or unloading of passengers in any place marked as a passenger zone.

(c) No driver of a vehicle shall stop, stand or park such vehicle for a period of time longer than necessary for the expeditious loading or unloading of passengers, or for the unloading and delivery or pick-up and loading of materials, in any place marked as a loading zone.

Section XI. Oversize Vehicles. No person shall park any motor vehicle which is more than six and one-half feet in width and/or more than twenty-five feet in length on any Village Street or highway for more than two hours.

Section XII. Snow Emergencies on Streets. (a) In order to facilitate the cleaning of certain streets designated herein, the Chief of Police shall have authority to determine the location of the streets designated herein, and to remove all cars parked prior to the time weather conditions prohibit parking must be removed by the owners and operators.

(b) Whenever it is determined that two inches of snow has fallen and there is a prospect of a further snowfall, all cars parked prior to the time weather conditions prohibit parking must be removed by the owners and operators.

(c) After the United States Weather Bureau records indicate that two inches of snow has fallen and there is a prospect of a further snowfall, the Chief of Police shall order the removal of all vehicles parked on Village parking lots which have not been removed by the owners or operators.

(d) In addition to penalties provided when a car is towed to a motor vehicle pound, the car can be recovered only upon the payment of the towing and storage charges imposed. (e) The Police Department shall use all available means of disseminating information as to the existence of weather conditions requiring the removal of parked motor vehicles from the areas indicated. Such notice shall be disseminated through the radio, newspapers, television and all other available media to the extent feasible. The dissemination of this information, however, shall not relieve the owners of motor vehicles from the responsibility of ascertaining the existence of weather conditions requiring the removal of vehicles from the areas designated.

When the weather conditions described in this section require their removal, shall be deemed to be illegal parking and the owner or person in whose name such vehicle is registered shall be held prima-facie responsible for such violation.

Section XV. Angular Parking. Angular parking shall be required in the following designated areas: (a) On the east side of the public square between Porter Street and Sandusky Street.

(b) On the north side of the public square between Sandusky Street and the Elementary School; (c) On the south side of the public square between Plymouth Street and the Lutheran Church;

(d) On the east side of the public square in the triangle between East Main Street and Sandusky Street designated as a parking area. Section XVI. Prohibition of Parking in Public Squares. Parking shall be absolutely prohibited in the following areas:

(a) Sandusky Street - on both sides of the Elementary School between the intersection of Baseline Road to the north corporation limits, except that parking shall be permitted on the west side thereof between the West Broadway cutoff and Dix Street at the times specified by this Ordinance, and between Light Street and Huffman Street in places where services at the Catholic Church;

(ag) Whitney Avenue - no parking on either side of Whitney Avenue; (ah) Brazilian Street - no parking on either side of Brazilian Street; (ai) Pine Street - no parking on either side of Pine Street.

For the purpose of clarification, the right of side of streets, roads, and alleys from the public square outward to the corporation limits are designated as fire lanes in which parking shall be absolutely prohibited. Section XVII. Time Limits. All parking on the public square of the Village of Plymouth shall be limited to a maximum of two (2) hours during the hours of 8 a. m. - 5:30 p. m.

In the following areas, designated as loading areas, and conspicuously marked as such, parking shall be restricted to an absolute maximum twenty (20) minutes: (a) The most easterly space on the south side of the public square on the east side of the Broadway market;

(b) The two parking places on the west side of Sandusky Street immediately adjacent to the Utilities Office between the hours of 8 a. m. - 5:30 p. m.; (c) The two most northerly spaces adjacent to the Plymouth Pharmacy on the northern quadrant of the public square;

(d) The easternmost space of angular parking on the public square between Sandusky Street and Porter Street in front of the bicycle shop. Section XVIII. Waiver. Any person charged with a violation of any provision of this Ordinance shall be deemed to be a plea of guilty, waiver of court appearance and acknowledgement of conviction of the alleged offense, if that person fails in full satisfaction of the prescribed penalty for such alleged violation. Payment of the prescribed fine need not be accepted when laws prescribe that the number of such offenses shall require court appearance.

Section XXIV. Penalty. Any violation of this Ordinance shall be deemed to be a minor misdemeanor and upon conviction or entrance of a plea of guilty, the offender shall be fined not more than \$100.00. Each additional hour that the vehicle is parked in violation of this Ordinance shall be deemed a separate and distinct offense.

Section XXV. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, welfare and safety of motorists and pedestrians and for the uniform and efficient movement of traffic through said Village. Passed this 18th day of Sept, 1979. Elizabeth G. Paddock, Mayor. Attest: Raymond Brooks, Clerk. \$27.4c

So she's got fleas; but doesn't everybody in fall?

By AUNT LIZ
Fall is settling in, the trees are becoming a dimmer shade of green, and the sunflowers are blooming like mad along the roadside. It is downright pretty.

But it is also flea time. We all have fleas at the moment, and our poor dog is like a drenched pooch. He has been dunked in more tubs of water in the last week than in the last year.

Perhaps this is a subject which should be left unsaid, but I am willing to bet we are not the only house having this problem. Let us be honest, an ordinary flea simply knows he can move in everywhere and it does not care if the house has this or that, it is home.

That is the price you pay for having a really faithful animal who greets you at the end of the day with pure love and considers himself a lap dog, although he weighs about 30 pounds, when you are trying to watch a good TV movie. His oversized head kind of gets in the way of the screen, and he will not budge so you can see. So the movie ends up like a radio program.

He also loves good food, and very unfortunately he gets to lick pans. We are so lucky to have good guests who always eat everything we serve, so there're no leftovers.

The last time we had guests for dinner, our dessert was very easy, just ice cream with some of the very fermented liquid of that mixture we mixed up years ago with various summer fruits and then forgot. You should have smelled the stuff. It was fragrant. He loved every lick left in four little dishes. He can clean a dish up better than I can wash one, and one day I know I will accidentally put one away thinking it is clean.

We have discovered that

Mrs. R. Harold Mack was among the guests at a shower Sunday at the home of Mrs. David Rogers, Attica, in honor of the Mack's daughter-in-law, Mrs. John Mack.

James D. Caywood, Vermilion, visited his mother, Mrs. Gerald W. Caywood, Sunday.

Mr. and Mrs. John Mann, Calcut, W. Va., were weekend guests of Mr. and Mrs. Frederick Lewis.

Mr. and Mrs. Wayne H. Strine were guests of her mother, Mrs. Elmer Alt-house, Galion, Saturday for her 83rd anniversary.

John Ross, son of the Stanley Rosses, returned Saturday from Ft. Dix, N. J., where he has been for three month's basic training with the National Guard.

Mr. and Mrs. Donald Miller, Richmond, Va., were Saturday guest of his aunt and uncle, Mr. and Mrs. Thomas L. Webber.

Mr. and Mrs. Donald H. Levering left Saturday morning for Adams, La., where they joined their son, Gary, for a week's vacation in Mexico City, Mexico. The trip is his gift for their 40th anniversary.

our dog relies the left overs of homemade chicken soup and he will lick up the carrots like mad. When we do a dish like this, we simply put in everything we own, even though no respectable cook book would do so.

He loves any tidbits which happen to fall on to a plate from a bacon and lettuce sandwich, and it is a pure crime to leave one nice bite for him on the plate.

We may go without, but our furry friends do not. I can remember one year and I think it was an anniversary present to one of our children that we gave them a hysterectomy for their new dog. It

'76 alumna a backpacker

A 1976 alumna of Plymouth High school, Diane Nesbitt, daughter of Mr. and Mrs. Delmar Nesbitt, 15 South Walnut street, Shiloh, recently participated in a two week backpacking and canoeing program in the Adirondack Mountains.

She was one of 25 Mt. Union college students selected to enroll in the specially designed interdisciplinary psychology, sociology "group dynamics" course. The students spent two weeks in the wilderness learning outdoor skills, testing themselves physically and studying group dynamics.

After their return to campus, the students enrolled in "Group Dynamics", a course in which they will analyze their wilderness experience.

A junior at Mt. Union, Miss Nesbitt is a business administration major.
