

Defensive halfback Dale Moorman will be sorely tested at Lucas Saturday. He's one of eight lettermen on the Plymouth squad. This is his final year of eligibility, since he'll graduate in June. He's only five feet six inches tall and he weighs just 136, but pound for pound, probably as tough a player as Coach David Coulter can call upon. In season he also wrestles with the Big Red mat squad.

St. Joe defeats harriers

Plymouth engaged Fremont St. Joseph's and Crestline in a triangular cross country meet Thursday and came away with second place.

Hopewell-Loudon downs Red; five turnovers too costly

Hopewell-Loudon throttled Plymouth's offense here Friday night and walked away with a 21 to 0 victory before a small house.

Plymouth was in Chieftain territory only twice and never threatened. The Big Red was limited to just 59 yards rushing and none by passing. The Chieftains rolled up 186 yards on the ground and 47 in the air.

The visitors took the opening kickoff and marched 68 yards in 15 plays to score.

Chris Goesche punched in from the Red one.

The big gainer was a 15-yard shot through his left tackle by Andy Clouse, a 185-pound 11th grader.

Two five yard penalties against Plymouth did not hurt the Chieftains in this drive. When they had obtained first down at the Red 16, Ed Gristo ripped through right tackle for eight and again for one. At the one, Plymouth was socked with a face mask penalty but the setback amounted to just three yards. Goesche performed his heroics and the Chieftains had a lead they never were to relinquish. The try for PATs by running failed.

Plymouth simply was unable to get untracked whenever it got the ball.

In its second series, which extended over the end of the

first period, Plymouth managed its first first down. Scott Harris poked through right tackle for 11 yards, Plymouth's biggest gain of the night up to then.

But on fourth down, Plymouth faked a punt and was thrown for five yard loss.

Neither team advanced out of its own territory for the remainder of the half.

After 24 minutes of what was essentially dull football, the Chieftains had both the scoring and statistical advantage.

Hopewell-Loudon had, with 42 plays, eight first downs, 118 yards rushing and 22 yards passing on two completions in seven tries.

The visitors had five penalties for 55 yards. By contrast, Plymouth in just 21 plays had two first downs, 22 yards rushing, none passing, having tried one aerial. Plymouth had lost 14 yards by penalty.

The Big Red took the second half kickoff and was compelled to punt on fourth down.

In the next series the home eleven got a big break but was unable to capitalize on it.

After one first down, the Chieftains were at the 50 on fourth down. They punted. Rick Hawkins blocked the kick and it dribbled around for a spell before Ralph Butler was able to retrieve it. He ran it in to the Chieftain 34.

But on fourth down, with 13 yards to go for first down Steve Tackett was intercepted by Brad McCormack.

A splendid 53-yard punt on fourth down in the next series set Plymouth back to its 10, whereupon Tackett fumbled at the 12. Mike Albarado recovered and Hopewell-Loudon challenged again.

Plymouth threw the challenge back. On fourth down, Paul Bishop passed 13 yards to Kevin Schaik but it wasn't enough for first down and the Big Red took over at the three.

Two plays later, Tackett was intercepted by Tom Bauer at the 35.

A major penalty set the Chieftains back and they were forced to punt. With first down at the home 32, James Jamerson ran for 21 yards and a first down at the Chieftain 47. But on first down, Tackett was gain intercepted, this time by Dennis Bricker, who dashed 53 yards for the second score.

Plymouth fumbled during the next series, the double reverse play again giving the Red the lead. The Chieftains recovered at the Red 30.

They needed just seven plays. Paul Bishop went the last two yards. Steve Hoover kicked the PAT.

Each team was to get its hands on the ball another time before mercifully, the clock ran down.

Here's slate this week—

Here's schoolboy football slate for this week:

TOMORROW:
 East Knox at Crestview; St. Paul's at South Central; New London at Western Reserve; Black River at Monroeville.

SATURDAY:
 Mapleton at Edison; Plymouth at Lucas.

Can Red reverse three defeats at Lucas?

Can Plymouth turn it around at Lucas Saturday?

The winless Vikings played poorly last week — even their coach said so — and will need to reach deeply to be respectable against a team that boasts a seasoned backfield led by Rick Hardin at quarterback and Marc Van Tilburg, who scored the Cub's only touchdown, and the only one in the game, against Centerburg last week.

Hardin isn't tall and he isn't big, but he gets the job done.

In addition to Van Tilburg, the running backs are Andy Meyers, who scales 185 pounds, at fullback and Scott Cox, another little scabback who weighs less than 140, at halfback.

In the line, Lucas has some strength. Paul Culler weighs 224 and Bryan Banks 205. Banks will be back next year. The pass offense of the Cub's

hasn't been tested much and Coach Bill Nard admits he's worried about it. But then Plymouth's passing game, by Coach David Coulter's statement, isn't much to shout about anyway.

The Lucas stadium lies behind the school. Lucas straddles Route 39 southeast of Mansfield. Game time is 8 p.m. Best route to the game: Follow Route 39 from Mansfield to Lucas, turn left at traffic signal and proceed two blocks to school.

Lions to dine Wednesday

Plymouth Lions club will meet for dinner Wednesday at 6:30 p.m. at the Town and Country restaurant, Shiloh.

A flea market is again planned at Plymouth High school Oct. 4.

Roses will also be delivered that day.

Send in the coupon above and we'll tell you about a special heating system that heats your home and water at a new, lower electric rate. It's called *Electric Thermal Storage*. ETS, for short.

It includes a furnace, a water heater, even individual room heaters, too.

ETS works differently from any furnace and water heater you might be using now. That's because ETS stores heat. At night, then, releases the heat to warm your home and provides hot water throughout the day.

Because Ohio Power can supply

electricity at a lower cost during the "Off-Peak" hours of 11 p.m. to 7 a.m., we can offer ETS customers a reduced night rate. This rate is in effect every week night, plus all weekend hours, too.

Add up those hours and you'll see that the lower rate applies to more than half the weekly hours your household uses electricity.

That can amount to substantial savings. So take the first step. Learn more about ETS by sending in this coupon. It'll bring you our ETS brochure. You'll find ETS is worth looking into.
