

The report

Elsewhere today there is coverage of the annual report of the public schools.

We have dealt with the highlights.

It is encouraging that requirements for graduation have been stiffened. Beginning with ninth graders this year, all candidates for the diploma must present 18 units, including two units of mathematics. For our part, we shall not rest until four units of English and three units of mathematics are required.

The 10-year enrollment projection shows that by 1991-92, there will be 102 fewer pupils in our schools than we have now. This means slightly over four classrooms. Does it mean slightly over four teachers will not be needed?

Only a few years ago, the enrollment in our schools exceeded 1,500.

How and when to cope with this problem is a proper concern not only for those whom we elected on Tuesday, but for the others on the board, the administration, and most of all, the taxpayer who foots the bill. Even though the local taxpayer is paying only 28 per cent of the operating expense of our schools.

On fight

Having said here some time back that we think it's a good thing that Plymouth (and Crestview) have been accepted for membership in the Firelands conference, some critics have come forward with arguments to the contrary.

"It's not going to change a thing, we can't beat those teams anyway. Besides, most of them are too big for us."

That's the main theme. There are some variations, but the main one is what's important.

As Casey Stengel used to say, "You could look it up!" Which we did.

As of Nov. 1, male enrollment in the upper three grades in the 10 schools of the Firelands conference was:

Edison, 255; Black River, 168; Western Reserve 166; New London, 159; Crestview, 154; Mapleton, 153; Plymouth, 147; South Central, 125; Monroeville, 124; St. Paul's, 92.

Edison's awesome football team, which has not been defeated in over two seasons, derives as much of its excellence from the size of its enrollment as from the size of its players. It's bound to be: if a coach has so many more bodies to choose from, he's apt to produce a better team.

Six of the 10 schools have enrollments larger than Plymouth's, most of them more than five per cent larger. Three of them are 10 per cent or more larger.

Aside from Crestview, which in its early days of football was invariably a victim of Plymouth, we have not done so well in football and basketball against any of the teams in the Firelands conference. Even the smaller schools have a better record against Plymouth than does Plymouth against them. Memory recalls that a few seasons back, Monroeville's coach, mercifully no longer there, asked that Plymouth be taken off his schedule because "Plymouth is not competitive". St. Paul's declined to play Plymouth a few years ago because "they don't give us much of a game".

We hope those days, and the events that gave rise to those statements, do not return.

The opportunity is there. We are probably as evenly matched as we could be, given the circumstances of distance and number of schools of our size. There is hardly any cause now to blame it on the size of the other team's enrollment. What we now must do is increase the size of the fight in the Big Red.

Banner reports lower earnings

Reduced earnings during the first quarter of its new fiscal year were reported last week by Banner Industries, Inc., parent firm of Plymouth Locomotive Works, Inc., which employed 22 employees last week.

Net income for the quarter ended Sept. 30 was \$868,460, or 22 cents a share, down from \$1.45 million, or 36 cents a share, a year ago.

Banner blamed the decline on commercial airline cutbacks and reduced tonnage in its Commercial Luggage Motor Freight, Inc., subsidiary.

Net sales during the quarter amounted to \$52,784,748, up slightly from the figure of \$51,920,003 a year ago.

Net income was \$1,358,460, as compared with \$2,253,898 a year ago.

New sexton named; health insurance coverage rapped

Fire Chief Wayne E. Strine, Councilman Erv W. Howard and Village Administrator James C. Root held the floor during village council meeting on Oct. 27 with administrative details requiring official action.

The council heard a request from Police Chief David Gibson and Strine to be allowed to use the land at the water works for three winter sporting events, one each in January, February and March. It is a fund raising activity for both departments to buy equipment. The Fire Ladies would be in charge of food and their profit would go into equipment for the fire house rooms.

Councilman G. Thomas Moore asked if the police department could set up its special fund for such expenditures or if it should go into the general fund, since the personnel are full-time village employees. Because the firemen are considered volunteers, there was no question that the Firemen's association could engage in such fund raising.

Howard made the motion,

which was approved, to allow the use of the land.

Root told the council that some of the village employees have become disillusioned with the coverage provided by the Prudential Life Insurance Co., which provided hospitalization and life insurance. Howard suggested he meet with a representative of the company to iron out the differences.

He also asked permission of the council to put a part-time meter reader on more hours. He wants him to check for water line leaks at night rather than in the day, when there is too much activity to accurately spot leaks.

The resignation of Burton A. Forquer as cemetery sexton was accepted.

William Taylor, who was his assistant, will take over the full-time position. He will be paid the minimum hourly wage, which will amount to about \$7,700 annually versus the salary Forquer received of \$3,400.

Four sworn as firemen by mayor

Four new members of Plymouth Fire department were sworn in by Mayor Dean A. Hines Oct. 27.

These are Mrs. Nathaniel Maggard, Mrs. Richard King, James A. Enderby and William Burkett.

Membership is now 31 persons.

Utility office sets work hours

Hours of the village utility office have been changed again for the convenience of persons paying bills.

It is now open from 8:30 a. m. until 4:30 p. m., and closed from noon until 1 p. m. for the lunch hour.

Two plead not guilty in court here

Attorneys for two accused in mayor's court obtained transfer of the trials to Shelby Municipal court Thursday night.

Ralph Cooper, Belleville, is charged with drunken driving. Terry Yahney, Pompano Beach, Fla., is charged with disorderly conduct.

Mayor Dean A. Cline issued a bench warrant against George E. Burton, Willard, for failure to pay a fine.

Donald L. Brooks, Jr., Plymouth, pleaded no contest to separate charges of disorderly conduct and domestic violence, was found guilty of each and fined \$50 and costs on each.

L. Gasparic, Plymouth, pleaded no contest to charge of public intoxication, was found guilty and fined \$70 and costs.

Junk car?

Old house? Call Strine!

If you have a car you want to get rid of as junk or if you have a building that cannot be used and you want to get rid of it also, call Fire Chief Wayne E. Strine or any member of the fire department.

They are looking for cars and houses to practice their fire fighting techniques.

Four sworn as firemen by mayor

Four new members of Plymouth Fire department were sworn in by Mayor Dean A. Hines Oct. 27.

These are Mrs. Nathaniel Maggard, Mrs. Richard King, James A. Enderby and William Burkett.

Membership is now 31 persons.

Shiloh signs new contract with sheriff

A move to improve police services in Shiloh was taken by its village board Oct. 28 when it signed a contract to pay \$11,000 a year to the Richland county sheriff for five day a week coverage.

The council was told that the two deputies assigned to the village spend as much time as possible there but are frequently called away on emergencies.

Drainage will be installed in Church street to hold off a suit for damages filed by Lige Sawyer. The village solicitor and Sawyer's attorney have worked out a solution: when the draining is in place, the suit will be dropped.

Three fires break out during week

Firemen dealt with three blazes last week.

On Oct. 28, in assistance of the Tro department, firemen dealt with a fire in the residence of Everett Story at Route 103 and Waynesburg road.

1,219 enroll on campus at Mansfield

The Ohio State university at Mansfield has the highest enrollment in its history, according to David W. Kramer, dean and director of the campus.

Enrollment of 1,219 students this fall is a 3.7 percent increase over the 1980 enrollment of 1,175. The figures were released as part of a report showing that OSU's total enrollment on all campuses is 57,604, a decline of 3.1 percent from last year's record enrollment of 59,448. This decline was due to a "successful effort to bring enrollment at the Columbus campus within limits established by the Ohio General Assembly."

Dean Kramer noted that the increase is in continuing students, those students who were previously enrolled at OSU-M and who elected to continue their studies at Mansfield.

"This probably is due to the state of the economy which makes it more and more necessary for students to keep their jobs and reduce living expenses by staying at home," the dean said. "We are pleased that the breadth of our course offerings and the quality of education offered in this region enables students to continue their education in these difficult times," he added.

12th grader to compete in contest

A 12th grader in Plymouth High school will compete in Kansas City, Mo., Nov. 12 during the annual FFA convention in the national FFA contest.

He is Ernest Wells, who will be joined by Dale Scheffler, 1981 graduate of Wyford High school, and Larry Miller, a 12th grader in Crestview High school.

Boosters appoint committees

Committees for the annual Turkey supper sponsored by FFA, Shiloh Boosters club include Mrs. Paul Ryan, cooking; Mrs. Robert Metcalfe, turkey roasters; Mrs. Charles Cobb, carryout orders; Mrs. Robert Smith, picnic; Bill Young, steam table.

Also, Keith Diebler, delivery; Mrs. John A. Turson, waitresses; Mrs. Daniel Hockenberry, coffee; Mrs. Charles Williams, rolls; Mrs. David Baker, telephoning; Sam Cook and Charles Reinhart, tickets.

Enrollment on Oct. 10 was 1,305, but attrition is expected to reduce that figure to 1,271.

Of the 1,305, 666 pupils were females, 339 males. All but seven are Caucasian Americans. Three are blacks, two are Hispanic, two Oriental.

Enrollment in the joint vocational school amounts to 78, there are 10 mentally handicapped pupils and two physically handicapped pupils. Fifty pupils are enrolled in special education, 32 boys and 18 girls.

Expenditures during 1981 amount to \$2,373,536.58. Receipts for the same period are \$2,320,538.48. Nearly 67 per cent of the general fund revenue derives from outside the district.

Cub Scouts to stage cake auction

Plymouth Cub Scouts will have their annual cake auction Nov. 17 at 7 p. m. at

Ehret-Parsel Post 447, American Legion. A quilt will be given away

Tickets are 50 cents and may be obtained from Mrs. Ronnie Combe.

Loss of 102 pupils by 1991-92 forecast

Diminished school enrollment for the next 10 years is forecast in the annual report of Plymouth schools.

Enrollment now is 1,271 pupils, with 80 pupils in the graduating class. By 1991-92, enrollment is predicted to be 1,169 pupils, with only 70 in the graduating class.

Enrollment on Oct. 10 was 1,305, but attrition is expected to reduce that figure to 1,271.

Expenditures during 1981 amount to \$2,373,536.58. Receipts for the same period are \$2,320,538.48. Nearly 67 per cent of the general fund revenue derives from outside the district.

State foundation payments amount to \$1,271,509.39, or 66.45 per cent. Real estate taxes account for 23.45 per cent, or \$448,573.42. Personal Property tax revenues total 4.79 per cent, or \$91,670.13. Other revenues contribute 5.31 per cent, or \$101,378.01.

Greatest part of the fund goes to pay instructional personnel. The figure is \$1,089,537.25, or 55.93 per cent. Administration costs amount to \$154,288.43, or 9.46 per cent. Fixed charges, which includes payments to the county board of education and to the county auditor, total \$266,630.94, or 13.68 per cent. Plant operation and maintenance eat up 8.76 per cent of the general fund, or \$170,658.71. Transportation costs total \$13,561.58, or 0.96 per cent. Library costs, \$42,125.78, account for 2.16 per cent. Other expenses amount to \$59,135.86, or 3.05 per cent.

High school report says the pupil-parent handbook needs to be revised, a weighted

system of averaging grades should be studied for implementation next year, communication among the staff, pupils and administration ought to be scrutinized, parents need to become more aware of the high school program, and the school needs to become more aware of the extra-curricular program.

Principal James R. Craycraft says in his report the needs have been dealt with. Enrollment in Shiloh a mounts to 625 pupils, 320 boys and 305 girls. There are 31 pupils in intensive education. Junior high school enrollment is 85 boys and 89 girls.

Enrollment in Plymouth Elementary school is 201 pupils. There are 13 teachers.

Principal Mark Sheehy notes that crossing guards are still not available. He aims to do a curriculum study for grades kindergarten through six and to study the grade cards and grading system.

Monawks tomahawk Plymouth; offense held to 161 yards

Undefeated St. Wendelin's came here from Fostoria last night ready to hunt bear with a stick.

Hunt bear, and Plymouth, it did, to the tune of a 34 to 13 victory in a game during which the Monawks throttled Plymouth's offense and forced its defense into some mistakes.

Crippled by the loss of some key players - James Jamerson was unable to suit up for this one - Plymouth was heartened by the return of some others, notably Co-Capt. Scott Harris, who's been out for a few games with a broken hand.

But they were not enough. The Monawks scored the second time they got their hands on the ball. Jeff Jacobs, pressed into service as a left-footed kicker, booted 33 yards to St. Wendelin 25. The Monawks kept it on the ground save for one play, and that the penultimate one, a pass that did not connect. In nine plays they

were in the end zone, the last one a 22-yard sprint by Jon Affholder. Mark Elchert kicked the PAT.

The clock read 3:35 of the first period.

The Monawks scored in the next series.

Plymouth sought to make first-down at its 49 and failed. St. Wendelin's mounted another attack and drove to the end zone in 12 plays. Brian Hagenmaier, who was to score two touchdowns and run for 106 yards this night, made it in from the four. Elchert again was accurate. Just over eight and a half minutes remained to the half.

Plymouth made its first first down in the next series but could not progress and Jacobs punted again.

The Monawks came up the field and fumbled on third down. Plymouth's Hawkins was Johnny-on-the-spot and recovered the bobble.

The Big Red returned the favor on the third play. The Monawks couldn't advance

and sought to punt. Plymouth blocked it and was in fine field position at the visitors' 31. When time expired Plymouth was knocking on the door at the Mohawk 20.

How clearly the visitors dominated the game in the first half was shown by the statistics. St. Wendelin's had six first downs with 160 yards rushing and 15 yards passing, having completed one of four throws. It had fumbled one and lost it once, had two punts for an average of 10 yards and seven penalties for 75 yards.

Plymouth, conversely, had two first downs, four yards rushing and 31 yards through the air, having tried 11 passes and completed three. It had lost its only fumble, had punted thrice for an average of 31 yards and had lost 10 yards on two penalties.

St. Wendelin's took the second half kickoff and broke it open with a 55-yard drive in five plays. Affholder burst home from five yards away. It was a terrifying display of crisp blocking and hard running. Elchert kicked the PAT.

Thwarted in the next series, St. Wendelin's punted. It had set out with good field position at the Red 45, thanks to a Plymouth fumble. But Plymouth could do no better and Jacobs punted. Kevin Coughlin fielded the punt at the Plymouth 41 and

darted down the north sideline for the score. Elchert again kicked the PAT. The clock read 4:05.

Plymouth launched its best drive of the night in the next series. Starting from its 24, the Big Red went to the air. Rod Hampton connected on a 19-yarder to Tom Baker and a 13-yarder to James Will. Later he threw nine yards to Richard Cunningham. At long last, from the 12, Harris's number was called three straight times. He burst home from the one with seven seconds left in the third period. His run for PATs was short.

On the next kickoff, Hagenmaier took possession at his 25 and sped 75 yards through the Red special team for the TD.

Only a St. Wendelin's fumble after a drive from its 37 had carried to the Red six stopped the Monawks from another score. Plymouth punted out and the visitors attacked once more. Another fumble at the Red 37 was recovered by Plymouth.

From here the Big Red advanced steadily to the Mohawk 47, where a five yard running gain and a 15-yard mask penalty gave Plymouth first down at the Mohawk 25. On first down, with just seven seconds left in the contest, Hampton found Darrel Hale alone near the goal line. Hale went in untouched. Will's placement for PAT was good.

Plymouth was clearly out-matched by a bigger, faster, more experienced and confident team. But not outgamed.

 Edison 28, Monroeville 0,
 New London 32, St. Paul's 0;
 St. Wendelin's 34, Plymouth 13;
 Lexington 38, Crestview 14.

Here's slate this week -

Here's schoolboy football slate for this week:
TOMORROW:
 St. Paul's at Monroeville;
 South Central at Mapleton;
 Edison at Western Reserve;
 Black River at New London;
 Plymouth at Danbury.

Bucks oust Red in volleyball

Buckeye Central ousted Plymouth from the Class A playdowns in volleyball at New Washington Saturday. The scores were 15 to 4 and 15 to 14.

Montelle Levering scored five. So did Becky Turson.

On Oct. 27 Mansfield Christian defeated Plymouth 2 to 1. Scores: 15 to 5, 15 to 15, 15 to 15, 15 to 4. Miss Turson scored nine.

The Flames won the reserve match, 15 to 4 and 15 to 8. Kim Daron scored five for Plymouth.

On Oct. 28 Plymouth defeated South Central 2 to 1. Scores: 15 to 13, 3 to 15, 15 to 4. Annette Takos scored 19.

In the reserve match, Plymouth prevailed, 2 to 1. Scores: 15 to 5, 11 to 15, 15 to 5. Shelly Dent scored 17.

Here's route to Danbury for game

Fans wishing to see the Plymouth game at Danbury tomorrow may follow this routing:
 Proceed north in Route 61 to Route 698, thence to Peru Center road, thence to Route 20. Turn west to Route 99, proceed north to Route 4, continue to Route 2, proceed to Route 289. At first stop sign, turn right and continue about four miles to Danbury.

'Letter night' set Nov. 16

A fall athletic dessert will be staged in Plymouth High school cafeteria Nov. 16 at 6:30 p. m., when special awards will be handed to players of the football, golf and volleyball teams and runners of the cross country squad.

Levering 33rd; Beck places 62nd

Big Red competitors in the district cross country championships at Lima Saturday didn't do too well.

Montelle Levering finished 33rd in 16:08. Mike Beck placed 62nd in 14:15.

Red 28th in region after eight

Monroeville's Eagles ranked fourth in Region 17 after eight weeks of computerized gradings.

Edison ranked seventh in Region 10.

South Central's Trojans were placed sixth in Region 17. St. Paul's 16th, Plymouth 28th and Mapleton 29th.

Black River ranked 25th in Region 13, Western Reserve 19th, Crestview 29th and New London 29th.

Lions to host district parley

Plymouth Lions club will be hosts at a district dinner meeting Wednesday at 6:30 p. m. in St. Joseph's Roman Catholic church social hall.

The regular meeting will be at 7:30 p. m. Thursday in the Masonic lodge. The executive meeting will convene at 8:30 p. m.

Self-Employed?

Start building a RETIREMENT FUND for yourself at

First Buckeye Bank.

Self-employed individuals, like others, are finding that inflation and the rising cost of living are eroding the value of Social Security and other sources of retirement income.

Fortunately, you can plan a secure financial future by establishing a self-employed Retirement Plan with us.

FOR YOU TO PARTICIPATE IN YOUR KEOGH PROGRAM FOR 1982, YOU MUST ESTABLISH YOUR PLAN BEFORE DECEMBER 31, 1981

Look Over These Significant Benefits:

- Substantial Current TAX DEDUCTIONS - You may contribute each year up to \$15,000 or 15% of your earned income, whichever is less.
- TAX DEFERRAL Produces Additional Savings - The funds you set aside for your retirement and the earnings are not taxed until you retire. At that time you are likely earning less, have more exemptions, and are in a lower tax bracket.
- COMPOUND INTEREST Increases Your Fund's Value - Your fund receives earnings on both principal and accumulated interest producing even larger and faster growth of your retirement monies.

Wouldn't you like to have more money to live on in your retirement years? Call Bob Hilliard today - 522-2211.

Circus has delights for all, most especially grandparents!

By AUNT LIZ
There is nothing like two sets of grandparents reliving their early years.

We went to the circus at the Coliseum last week. Just to see that building is a real thrill and worth it. It seats 19,000, and was really not sold out the night we were there, but I heard on the radio that every blessed seat has been sold for a two-day appearance of the Rolling Stones.

This is beyond my thinking, since I still am on Guy Lombardo's, Sammy Kaye and Glenn Miller. No one will ever replace those guys for good music. And I am willing to bet that the average 16- to 18-year-old never heard those names. Frankly, I can go way back to Jeannette McDonald and Nelson Eddy doing the "Indian Love Call."

A lot of people may say, "She is old and over the hill." Very true, but no way can some of the memories of what a lifetime one has had be erased. It has been a great time. From the Beatles on, I really became lost. Now when I hear their music, I can really appreciate it. It is calm and rational compared with most of it today.

Anyway, the circus was a real ball. We had been invited as members of the press to a nice buffet, which was great. Real circus fare, hot dogs, dill pickles, cold meats, potato salad. All very tasty and nicely served.

The media, mostly from the Cleveland area, and those with little kids turned out with their cameras.

That is where we really missed the boat. We did not think of a camera.

And there is Grandma Elizabeth feeding popcorn to a large, large elephant who was really enjoying the attention. He was eating and being petted like mad.

You would think when one gets as old as I am, there simply are no new experiences left. There was. Never have I fed an elephant.

I was a little selfish and only gave the "little" guy a couple of kernels so I would not interrupt his diet and wanted to be sure I had enough to munch on during the evening.

The circus itself was fantastic. Somehow we all think that people who are part of

such things are really miserable. These were skilled people who worked their way up to the greatest circus company our country has. No way are they popping pills or indulging in too many drinks. They could not do what they do each day if they did. These were proud people, families who were bringing up their children in their acts.

The circus is much more respected in Europe than it is here because their skills are more recognized. The Europeans respect this, and this you will not like. The difference here is that the average American expects to be entertained, no matter how long it takes to develop his skills.

Everyone can ride a bicycle, but who can ride one on a thin, narrow wire?

Not me, said the little

Auxiliary, St. Joseph's Roman Catholic church, will stage a round and square dance in the church hall Nov. 14 from 9 p. m. to 12:30 a. m. Last Resorts will play. Tickets are \$2.50 each available at the door.

World Community day of Church Women United will be conducted tomorrow from 10:30 a. m. in Shiloh United Methodist church. Luncheon will be served at 11:30 a. m. Public is invited.

Newsy notes...

Mrs. Foster Smith and Mrs. Harry Sybrandt have returned from Florida, where they visited the R. Carl Davies in Charlotte Harbor and the Wayne Davies in Ft. Myers. Mrs. Sybrandt also visited the Jason C. Murline in St. Cloud.

Garden club to meet Monday

Mrs. Thomas DeWitt will be hostess to the Plymouth Garden club Monday night at her home. The meeting will be a Christmas workshop.

brown bear, who cannot ride a two wheeler.
Another thing, there is such skill where a lovely short young woman can handle a bunch of 12-foot polar bears and make them behave. The safety precautions were terrific as far as we as spectators were concerned, but there is that gal caged in with those lovely white things. Then a guy got going with his tigers. One acted such like our dog, did not want to do what he was told. I can handle a cocker, but not a real live tiger. He did! The beast sat down.
Don't ever miss a real circus if you have to eatbread and water for two months. But do not take kids who're too little. It is too much for them. It was a really long program and I bet half the audience fell asleep. Wait until they are 10 or so!

HAVING A GARAGE SALE?

Then you'll want to tell as many people as possible about it! And the best way to do that is with a Classified Ad in this newspaper.

In these inflationary times it should be comforting to note that, although we're your hometown power company, we're also part of the American Electric Power System. It's a 7-state network of generating plants that is supplied by an extensive coal delivery network and linked by the most efficient power lines available. Plus it has a central computer complex that makes sure we deliver the most economical electricity every minute of every day.

So, as a result of all this, we've been able to keep your electric rates below the national average.*

Another increase in interest rates for U.S. Savings Bonds.

9%
Growing Bigger... Faster

That's the good news about U.S. Savings Bonds.

The Series EE Bonds you buy today grow bigger, with an increased interest rate of 9%. And they do it faster, with a shortened maturity period of only 8 years. Interim rates have been improved, too. Bonds earn 6% after 1 year and 8 1/2% if held 5 years.

These changes make Bonds much more desirable. And with the Payroll Savings Plan, it's easier to save more, in a shorter time.

In fact, almost all outstanding Savings Bonds will benefit from a 1% increase to their next maturity.

So take another look at Bonds. They're still easy to buy through the Payroll Savings Plan; they're safe, guaranteed. Take a look at the tax benefits. The new interest rates. The shortened maturity.

And you'll see Bonds do make sense.

For you, and for your country.

Take stock in America.
