

MRS. JONES

## '66 alumna tax director

A 1966 alumna of Plymouth High School is the new director of taxation.

Mrs. Paul E. Jones, nee Janet Carey, 226 West Broadway, was named by Mayor Dean A. Cline during the Dec. 28 meeting of village council.

Daughter of Mr. and Mrs. Ray Carey, she worked for 16 years as a legal secretary in the office of the late Donald E. Akers and later for his son, the former mayor of the village, Eric J. Akers.

For the last year she has conducted an accounting and tax consulting office in her home.

She will receive \$5.45 an hour for 1,000 hours annually plus all benefits accorded other village employees.

Her appointment was confirmed by the council members, with the exception of

Councilman G. Thomas Moore, who objected to the ordinance spelling out her position.

It states she will work under the direction of the clerk-treasurer and in his or her absence, under the village administrator.

Moore said this put the position "under two bosses," which he does not consider an efficient way for her to work.

Previously, Mrs. Moore, who served as the tax director, was responsible only to the council and mayor.

The enabling ordinance also states that when the tax work is slack, additional help may be performed for the clerk administrator.

Mrs. Judith Hedges, village utility clerk, was appointed her assistant to perform when she is not in the office.

## '77 alumnus wins medal in Air Force

A 1977 alumnus of Plymouth High school, where he excelled in football and wrestling, has been awarded the U.S. Air Force Commendation Medal for distinguished service between Oct. 14, 1977, and Feb. 28, 1982.

He is Forrest W. Dent, son of William Dent and the late Mrs. Dent.

## \$1,483 added to fund

A long dispute over title to funds collected by the Firebelles, a now defunct organization of wives and mothers of firemen, ended last week when they were donated to the Jaws of Life account. They amounted to \$1,483.

## '68 alumna back from trip to Manila

A 1968 alumna of Plymouth High school now on the staff of University of Northern Iowa at Cedar Falls has returned from a two-month trip to Manila, Republic of the Philippines, where she attended the nine-day conference and assisted conference chairman Tony Santos and other executives in preparing reports on the proceedings used in evaluating the conference.

"I returned to Manila this year as an interested IIFYE (International Youth Exchange) alumna," said Miss Carolyn Seymour. "She also visited the host families with whom she stayed on her first trip to the Philippines."

Miss Seymour lived in Manila for 14 months as a legate to the Youth Development Project from 1972-73. She was one of two persons selected by the National 4-H Council to travel to Manila to help the Filipino people expand and develop their youth programs.

At this year's conference, over 500 participating delegations from around the world

were able to construct a manifesto detailing ways that developed and developing countries could address the problems of world hunger, according to Miss Seymour.

She added that suggestions from the conference were presented to the Philippine ambassador, who may choose to take them to the

## Electric rates rise by 9%; Root gets raise

An electric rate increase of nine per cent was approved by village council at its last meeting of 1982 on Dec. 28.

During a special meeting Dec. 21, the electric rate study by John Sawvel and associates was reviewed.

Sawvel recommended the increase, which enables the village to recover operating expenses, which include the monthly bill from Ohio Power Co., which sells power wholesale to the village. It also includes the cost of capital improvements and ensures that the village's reserve electric balance is maintained for unforeseen emergencies, which Sawvel says should be \$80,000.

Sawvel suggests that 15 per cent of the income should be set aside.

Residential rates increase several dollars a month. The current charge for 400 kWh is \$22.40, an increase to \$26.

General service rates will increase 15.59 per cent. Large power users will increase three-tenths of one per cent and village charges will go up 4.5 per cent.

Revenue producing departments of the village, such as water and sewer, will pay their share. Non-revenue producing departments, such as the fire, ambulance and street lighting, will be subsidized.

The study pointed out that large power users such as Mack's Market are paying a fair share for power than smaller users. Sawvel accordingly made an adjustment which results in a savings for those users.

The rate increase comes not soon, since Ohio Power has raised its rate, James C. Root, village administrator, told the council that without the increase, the village is losing about \$3,000 monthly.

The anticipated pay schedule was also approved. It gives village employees a 25 cent hourly raise.

The salary of the village administrator was increased \$1,220 from \$18,580 to \$20,100.

Approval was given for an administrative ordinance for 1983, which may have slight changes made later as the clerk-treasurer receives more information from the county auditor as to tax collections due the village.

## Pirates scuttle Plymouth, 73-67, despite rally

Black River turned out the lights on Plymouth at Sullivan Dec. 21, in at least two ways.

The Pirates turned on the lights to try to eliminate the arena and then they put the quietus on Plymouth's free throw shooting.

As a result, the Big Red went down to its sixth defeat of the season and extended to 20 its losing streak.

The score was 73 to 67.

Plymouth ate up a huge Black River lead to creep within four of the Pirates with 3:34 remaining.

Mike Clifford led Black River to a 16 to 8 advantage after eight minutes and the Pirates held that bulge at the half.

They increased it by four in the third quarter.

Plymouth rebounded back. With only 46 seconds left, John Terres threw in a rebound to restore the Pirate lead to four points and it was all over.

Plymouth missed 14 of 27

free throws, Black River four of nine.

The Pirates got off 58 shots at the basket, converting 34. Plymouth managed to make 27 of 63 tries.
