Five candidates seek election as sheriff

Five persons now seek to be sheriff of Richland county. Incumbent Richard Petty will seek reelection. He is a Democrat.

Two candidates are Republicans. These are Clarence Follock, Mansfield, and Mearl Nichols, who is a former deputy who is now the bailiff for the controversy.

Special Judge George Murray in Mansfield Municipal court, and Mearl Nichols, who is bailiff for Judge Ralph Johns in Mansfield Municipal court.

Walter Prosser, also of Mansfield, will be a Democratic candidate for the commissioner's seat now held by Terry Wolf, Lexington, a Republican, who hasn't said if he will seek reelection. His colleague, Mrs. Joan Thompson, a Democrat, has already thrown her hat into the ring.

Edward Olson, Mansfield, a Republican, hopes to win his party's nomination to please her.

Incumbent Common Pleas Court Judge Max Chilcote, 59, Ontario, will seek reelection as a Republican. He defeated Judge James J. Mayer in November of 1978 and when there were two months of Mayer's term remaining.

Chilcote, who grew up in Attica, where his father was chief of police and where he later taught and coached basketball, was appointed to complete Mayer's term.

The lines are drawn for a state fight in the May primaries for some Huron county offices.

Incumbent Commissioner Roy F. Palm, 66, North Fairfield, will seek reelection. He was elected in 1976 and reelected in 1980.

Thomas W. Carabin, the other Republican on the board of commissioners, will also seek reelection.

Douglas Colvin, formerly director of finance at Newark, and William Focht, trustee of Clarksville township, a Republican, are circulating nomination petitions for commissioner.

Incumbents seeking reelection at Norwalk are Richard B. Hauser, prosecutor, Lawrence Het, engineer, John Elminger, recorder, Thomas Heydinger, probate and juvenile judge, and William B. Holman, coroner.

Tuttle held after fight

Charles Tuttle took offense to a remark made by Coach Keith Diebler about Tuttle's brother, Joe, a reserve basketball player, before Friday's game and an imbroglio resulted.

Tuttle was handcuffed — he said by other than a policeman — and lodged in the village jail until 11 p.m.

He was charged with disorderly conduct.

The Christmas story

In those days a decree went out from Caesar Augustus that all the world should be enrolled.

This was the first enrollment, when Quirinius was governor of Syria.

And all went to be enrolled each to his own city.

And Joseph also went up from Galilee, from the city of Nazareth, to Judea, to the city of David, which is called Bethlehem, because he was of the house and lineage of David,

to be enrolled with Mary, his betrothed, who was with child.

And while they were there, the time came for her to be delivered.

And she gave birth to her first-born son and wrapped him in swaddling cloths, and laid him in a manger, because there was no place for them in the inn.

And in that region there were shepherds out in the field, keeping watch over their flock by night.

And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear.

And the angel said to them, "Be not afraid; for behold, I bring you good news of a great joy which will come to all the people;

for to you is born this day in the city of David a Savior, who is Christ the Lord.

And this will be a sign for you: you will find a babe wrapped in swaddling cloths and lying in a manger."

And suddenly there was with the angel a multitude of the heavenly host praising God and saying,

"Glory to God in the highest, and on earth peace among men with whom he is pleased."

TOM BAKER RODNEY HAMPTON MIKE MCKENZIE

Baker, Hampton, McKenzie chosen 'athletes of year' by The Advertiser

Not since the Class of 1958, with which Ted Fox, Ray Einsel and Eddie Taylor were graduated, has Plymouth High school had in one class such a coterie of outstanding athletes.

In a departure from long tradition, The Advertiser begins this year the selection of an outstanding athlete of the year, which arbitrarily begins on Dec. 1 of the preceding year and concluded on Nov. 30 of the year of the award.

Nominations may be made by any person, including the publisher and the sports editor, neither of whom participates in the evaluation of the nominees. This is reserved to a confidential board of persons knowledgeable in athletic matters and experienced in the community, most especially with community affairs. None knows of another's membership. Only the publisher knows the makeup of the board. Each member has agreed to serve without publicity; indeed, all but one insisted on absolute anonymity.

The publisher has made clear to the board that nominations are not limited to males, nor to those who are enrolled in a public school, nor to those attending school of any kind anywhere. Nominees must be domiciled in the Plymouth school district. This permits selection, at some future date, of a local athlete who excels at the college level or professionally. He or she must, however, maintain domicile in the district.

There were nine nominations for the award this season. After three ballots, three nominees survived. Two subsequent ballots were unable to settle upon one winner, so three have been chosen.

These, listed alphabetically, are Tom Baker, Rodney Hampton and Mike McKenzie.

Baker excelled in baseball, basketball and football, in which he was a tri-captain of the highly successful 1983 team.

Hampton was outstanding as pitcher and outfielder in baseball, played all positions in basketball and was quarterback and all-Firelands conference offensive player and MVP representing the 1983 grid squad.

McKenzie was involved in track and field, played basketball with some distinction and won all-Ohio first team honors as placekicker among Class A players chosen by UPI. He also won all-conference honors as defensive and offensive player.

The committee was instructed to consider athletes in all fields of endeavor, specifically including but not limited to Midnet league baseball, girls' softball, golf, cross country, wrestling, volleyball, basketball, baseball, football and track and field, and to consider equally those who may excel outside interscholastic athletics.

Nominations must be made in writing and submitted to the sports editor before Dec. 5 of a given year. They must state, in such detail as the nominator may wish, the reasons why the nomination is made. They must be signed. The address and telephone number, if any, of the nominator must be appended.

All nominations will remain confidential. The board of judges will not be apprised of the identity of any nominator, even those he may be a parent, spouse, fiancé, sibling or other relative of the nominee.

Lasch scores 22 points, Red 'D' dunks Mounties

Plymouth played defense as it ought to be played for the second period, five of which led to scores; eight in the third quarter, of which six resulted in baskets, and seven in the final period, with six turning into Red hoops.

time the classic Red scores had found themselves, more or less to shoulder some of the burden.

Rodney Hampton, for example, had a sorry experience in the first half. He took only four shots at the basket and made one and he missed five throws without sinking one.

score 40 to 38 Plymouth went on a five point spurt to build its lead to 45 to 40 and led by as many as 16 in the final quarter before Mapleton bagged five unanswered points against second line players for Plymouth.

Rhonda Branham scored a career high of 27 points here Thursday night to lead Plymouth to a narrow 54 to 53 victory over Black River in Firelands conference play.

South Central got outstanding performances by the Ott sisters and outshot Plymouth there Dec. 13 to win a Firelands conference game, 48 to 43.

The Big Red forced the Mounties into mistake after stumbling through an unproductive and somewhat embarrassing first period and outshot the visitors in the final 24 minutes.

He didn't score a field goal until the second period clock read 2:25. He wound up with 13, six of them in the final period.

Mapleton fired 56 times and scored with 26. It missed 11 of 19 free throws, made 24 turnovers and collected 37 rebounds.

The Big Red won it at the foul line, where it canned 22 of 39 tries, being outshot, 22 to 16, from the field. Black River mad half of its 18 free throws.

Offensively, Plymouth found a new course of sustenance, a skinny 11th grader named Jeff Lasch, who produced a career high of 22 points and kept Plymouth in the game in the first half. Brian Vredenburgh scored a career high of 14 points, all of them from underneath, in his last game. The turnaround shot was marvelous, certainly not less so than the marvelous turn around of his physical condition. He was injured at Edinboro and did not dress at Margareta.

Plymouth trailed by two at the half and seized the lead at 6:07 of the third period, when Hampton covered the second of two free throws. His shot from the corner at 6:36 tied at 40.

Bank merger final; Willard United now First Buckeye

Merger of Willard United Bank and First Buckeye Bank, National Association, is complete.

banks were looking forward to joining forces in order to better serve their customers.

The decision to merge the two Toledo Trustcorp affiliate banks was announced in July. Regulatory approval cleared the merger. Consolidation is the result of a Toledo Trustcorp plan to operate three regional centers to serve each geographic region. The three regions are centered at Toledo, Defiance, and Mansfield. The Mansfield region is the newest area for the multi-bank holding company and covers five counties.

George W. Haigh, president and chief executive officer of Toledo Trustcorp, said the consolidation was a natural plan since Willard United Bank and First Buckeye Bank serve the same general region. "By consolidating their operation, we will be able to provide all communities presently served by both banks with expanded lending limits, commercial and retail services, and trust services," Haigh said.

Willard United bank had seven branch offices, in Willard, Greenwich, North Fairfield, Norwalk and Plymouth. First Buckeye bank has 23 offices in Mansfield, Ashland, Attica, Bellville, Crestline, Lexington, Ontario, Shiloh, Willard and Galion. The resulting bank has 30 offices and approximately \$400 million in assets.

The official name of the newly consolidated bank is First Buckeye Bank, National Association. Collins says. He said both

ORDINANCE NO. 25-83
AN ORDINANCE TO PROVIDE FOR THE ISSUANCE OF NOTES IN ANTICIPATION OF THE ISSUANCE OF BONDS FOR THE PURPOSE OF CONSTRUCTION OF AN ADDITION TO THE FIRE HOUSE OF THE VILLAGE OF PLYMOUTH, AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Ordinance No. 24-83, passed December 13, 1983, this Council authorized the construction of an addition to the fire house of the Village of Plymouth, and it appears advisable in lieu of issuing bonds for said purchase at this time, to issue notes in anticipation of the issuance of such bonds; and

WHEREAS, the Clerk as fiscal officer has certified to this Council that the estimated life of the aforementioned acquisition is at least five years, and that the maximum maturity of the bonds herein after referred to is twenty-five years, and the maximum maturity of the

notes herein after referred to, to be issued in anticipation of said bonds is January 2, 1984; now therefore,

BE IT ORDAINED BY the Council of the Village of Plymouth, State of Ohio, 6 members thereto concurring: Section 1. That the amount of \$65,000.00 for the purpose of construction of an addition to the Fire House of the Village of Plymouth.

Section 2. That such bonds shall be dated approximately January 2, 1984, shall bear interest at the estimated rate of eight per centum (8%) per annum, payable semi-annually, until the principal sum is paid, and shall mature in twenty-five (25) substantially equal annual installments after their issuance.

Section 3. That if requested by the purchaser, such notes shall bear interest after maturity at such rate of interest not to exceed eight per centum (8%) per annum as may be required by the purchaser until the principal sum is paid. Such notes shall be subject to redemption prior to maturity at par and accrued interest, and shall be issued in such numbers and denominations as may be requested by the purchaser thereof.

Section 4. Such notes shall be executed by the Mayor and Clerk and bear the seal of the corporation, shall be payable at a depository bank of the municipality at the amount and designated by the Clerk; and such notes are awarded, and shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this ordinance.

Section 5. Subject to the rejection of such notes by the officer in charge of the Bond Retirement for investment in such fund, such notes shall be sold by the Clerk at private sale at the par value thereof together with any premium and accrued interest thereon and at an interest rate not exceeding that specified in Section 2 of this ordinance; and the fiscal officer is hereby authorized and directed to deliver such notes, when executed, to such purchaser upon payment of such purchase price. The

proceeds from the sale of such notes, except any premium and accrued interest, shall be paid into the proper fund and used for the purpose for which such notes are being issued under the provisions of this ordinance. Any premium and accrued interest received from such sale shall be transferred to the Bond Retirement Fund to be applied to the payment of the principal and interest of such notes in the manner provided by law.

Section 6. The Village of Plymouth hereby covenants that it will restrict the use of the proceeds of the notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage interest under Section 105(c) of the Internal Revenue Code and the regulations prescribed under that Section. The fiscal officer or any other officer, including the Clerk of Council, having responsibility with respect to the issuance of such notes is authorized and directed to give an appropriate certificate on behalf of the municipality, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances and reasonable expectations regarding the amount and use of the proceeds of such notes pursuant to said Section 103(c) and regulations thereunder.

Section 7. Such notes shall be in the full and general obligation of this municipality and the full faith, credit and revenue of this municipality are hereby pledged for the payment of the same. The price to be received from the sale of the bonds anticipated by such notes, and any excess funds resulting from the issuance of such notes, to the extent necessary, be used for the retirement of such notes at maturity, together with interest thereon, and are hereby pledged for such purpose.

Section 8. That during the years while such notes run there shall be levied on all the taxable property in this municipality, in addition to all other general taxes annually not less than that which would have been levied if bonds had been issued without the prior issuance of such notes. Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each year are certified, extended and collected. Said tax shall be placed before and its preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in a separate and distinct fund, which, together with the interest collected on the same

shall be irrevocably pledged for the payment of the principal and interest of such notes or bonds in anticipation of which they are issued, when and as the same fall due, provided, however, that in each year to the extent the revenue from the General Fund is available for the payment of such notes and bonds and is appropriated for such purpose, the amount of such tax shall be reduced by the amount of the income so available and appropriated.

Section 9. It is hereby determined that all conditions and things required to be done precedent to and in the issuance of such notes, in order to make them legal, valid and binding obligations of this municipality, have happened, been done and performed in regular and due form as required by law; that no limitation or indebtedness of taxation, either statutory or constitutional, will have been exceeded in the issuance of such notes. This ordinance was adopted by the Council in hereby directed to forward a certified copy of this ordinance to the appropriate County Auditor.

Section 11. That it is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees on or after November 28, 1975 that resulted in formal action, were in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

Section 12. This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, property, health, safety and welfare of this municipality, and for the further reason that the immediate issuance and sale of this ordinance were adopted in an open meeting of this Council and that it is necessary to provide funds for the Village to purchase an ambulance for the Ambulance Division.

Section 13. This Ordinance shall take effect and be in force from and after the earliest period allowed by law.
