Honoring the Band Parents with Parents' Night is particularly appropriate this year since this is our first season in new uniforms, for which the Band Mothers raised over \$3,200. These uniforms, pictured here, are a new style for Plymouth; high collar, shako hat, and reversible coat which has one white shield front for marching and one solid red front for concert work.

But the Band Mothers' work is never finished — new majorette uniforms are needed, additional uniforms will be required, and the regular band expenses go on as usual.

Help the band and visit the Band Mothers' Bazaar and Dance in the High School tomorrow, November 3rd, from 1 P.M. to 11 P.M. Games and prizes, food served in the home economics room, entertainment on the hour, and bazaar items of all kinds. Do your Christmas shopping early.

What Will YOU Say . . . When You Cast Your Vote?

ARE WE GOOD ENOUGH FOR THE BEST IN EDUCATION or will you deny us opportunities equal to those offered children in other schools?

DEMOCRACY DEMANDS EQUAL OPPORTUNITIES FOR ALL. We do **not** have this in education. Finances keep our children from having educational experiences available to many others.

WE CANNOT AFFORD to practice false economy in education. A cheap education is a cloak which the child must wear the rest of his life. Its shape and fabric will be exhibited for all to see. It is being made for him NOW. He can never replace it.

WE ARE BUILDING TOMORROW'S CITIZENS. Do you want something left out of the structure? It must be built to withstand whatever the future will bring. We need a stronger and more versatile product of the schools, not a cheap and inferior product.

THE 3 R'S ARE NOT ENOUGH. We have criminals who read and write very well. Our complex society will place great stain upon the character of our future citizens. We must be concerned with the development of more than the skill in getting a job.

TODAY IS TOO LATE FOR SOME CHILDREN. WILL WE HAVE TO SAY THE SAME TOMORROW? Today the children should be learning certain fundamentals in their classes. They will not have the same opportunity next year. Let's hope it is not too late for too many when we consider what we are doing with our schools.

DO YOUR SHARE NOW. Encourage your friends to join you in voting for the 3.1 mill operating levy for the Plymouth Local Schools next Tuesday.
