The Norwalk High Truckers ground out 265 yards on the ground, good for two touchdowns, and played a sparkling game on defense to notch their first Northern Ohio League win of the season last night over the Bucyrus Redmen, 12-0, in their annual Homecoming game.

Halfback Harry Meagrow scored both of the Norwalk Touchdowns, both from two yards out. They came in first and last quarter.

Early in the game it looked as if the Truckers were going to play the same brand of ball that they played at Shelby last weekend. Receiving the opening kickoff, the Nammen moved the ball to their own 39 yard line. On the next play, the Big Blue fumbled, but Meagrow landed on top of the ball to save face.

With halfback John Scherer and Meagrow alternating the ball totting duties, the Big Blue moved the ball to the Bucyrus nine yard line and had a third down and one situation. But then, fumbleitis set in with this time the Redmen picking up the ball.

The Norwalk line held for three plays and the Redmen were forced to punt. A good rush was put on the punter, forcing him to hurry the kick. The result was a poor boot and the Truckers downed the ball on their opponents' 36 yard line.

Head For Paydirt

Scherer started things off with a gainer that accounted for one first down. In five plays fullback Taylor Hart was knocking on the goal line door as he smashed to the two yard line.

On the next play, Meagrow blasted into the end zone. Just 2:15 remained in the first quarter when quarterback Terry Albright's pass was intercepted for the extra points.

The Truckers had their hands on the ball on two occasions during the remainder of the first quarter and the entire second quarter. On both occasions, punter Eric Kohlmyer was forced to do his duty, but one time he crossed everybody up when he needed big yardage deep in his own territory and ended up running the ball 18 yards and picking up the first down.

A holding penalty, four plays later, nullified his bravery, and the Blue was forced to kick.

First half statistics showed the Truckers gaining six first downs while holding the Redmen to just three. They outgained the visitors, 158-59.

left on the clock when the Big Blue started their final drive for paydirt. The running of Hart and Meagrow proved to be the key factors in the drive. Hart especially did an amazing job of keeping his balance after being hit. On one occasion he was hit behind the line of scrimmage and was brushed on two other occasions but still managed to pick up 10 yards to move the ball to the Bucyrus five yard line.

Hart carried on the next play and banged to the two. He then led Meagrow through a gaping hole in the right side of the Bucyrus line for the touchdown on the next play.

With just 10 seconds left in the game, the try for the extra points was stopped when a fumble occurred in the backfield.

Taking no chances, the Truckers tried an on-side kick. Time then ran out before the Redmen could get off a play.

Gain Another 59 Oddly enough, the Redmen gained the same amount of yardage in the second half as they did in the first. 59 yards. This ran their total to 118 for the game. The Truckers bulldozed for 107 in the final half to give them 265 for the contest.

Neither team completed a pass.

Giants Even Series

By LEO H. PETERSEN UPI Sports Writer

NEW YORK (UPI) — The Yankees and the Giants both claimed an advantage today as they swapped battlegrounds and moved all even into Yankee Stadium for resumption of baseball's biggest classic Sunday.

When they go at it again, after shifting 3,000 miles from San Francisco's Candlestick Park, it will be southpaw Billy Pierce of the Giants against right hander Bill Stafford of the Yankees.

Rival managers Alvin Dark of the Giants and Ralph Houk of the homecoming Bronx Bombers each foresaw bright prospects ahead.

Dark pointed to his pitching staff, which he said would benefit tremendously by a day of rest necessitated through the transcontinental travel. He also figured that his club had been revitalized by Friday's 2 - 0 victory which squared this best-of-seven-game series at one all.

Houk Undismayed Houk, on the other hand, apparently was undismayed by an even split so far, asserting that "any time you play 500 ball on the road you're in pretty good shape."

Pierce, a 35 - year - old fugitive from the American League who spent most of his major league

career with the Chicago White Sox, is an old and cagey foe of the Yankees. Coming over to the National League for the first time this year, he played a vital role in the Giants' march to the pennant by winning 16 games and losing only six.

Stafford, 24, hurled some of the Yankees' best games this season even though his record is a seemingly mediocre 14 wins against nine losses. Essentially he is a fast ball pitcher who also relies on curves and sliders from time to time.

Yanks Still Favored Despite the impressive shutout win which Jack Sanford posted over the Yankees in the second game to make it all even, the Yankees still remained 7-5 favorites in man-to-man wagering to capture Sunday's game and 9-5 to win the series.

Houk was optimistic that two of his "cripples"—catcher Elston Howard and first baseman Bill Skowron—would be able to return to action in the third game which is expected to draw a capacity crowd of some 70,000.

With his pitching staff now in good shape, Dark went so far as to announce his mound choices for all three New York games—after which the series would have to return to Candlestick Park if one team does not sweep the action in New York. Dark named Juan Marichal for Monday's fourth game and southpaw Billy O'Dell, the first game loser, to start Tuesday's fifth game.

Tebbetts Signs 3 Year Contract With Indians

SAN FRANCISCO (UPI)—Birdie Tebbetts fulfilled an old "debt of gratitude" by taking over the Cleveland managership today and the Milwaukee team he left immediately went after Leo Durocher as its No. 1 choice to succeed him.

The florid, 50-year-old Tebbetts agreed to a three-year contract to manage Cleveland Friday, explaining that he made the sudden switch from Milwaukee "only because of a long-standing debt"

he felt to President Gabe Paul of the Indians.

Even as Paul and Tebbetts were shaking hands on terms, Milwaukee officials were making every effort to speak with Leo Durocher in Los Angeles about the possibility of his taking over the Braves.

Came About Suddenly "This thing came about so suddenly that I didn't know anything about it until yesterday morning," said Tebbetts, who worked under Paul as manager at Cincinnati from 1954 until he suddenly quit in mid-season of 1958.

"Gabe called me on the telephone and asked me to meet him at Candlestick Park," Birdie said. "I did and we talked for about two hours while the Giants were playing the Yankees."

"It was a terribly difficult decision for me to make because the people in Milwaukee treated me magnificently and I love Johnny McHale (president and general manager of the Braves)." Tebbetts was so torn in his decision that he telephoned his wife for help at Bradenton, Fla., finally contacting her in a beauty parlor.

Well, it happens Sunday. While the champion Packers Lions square off at Green Bay in their early - season showdown for first place in the Western Division, the amazing Redskins are favored to stay atop the Eastern Division with a victory over the Los Angeles Rams at Washington.

If the Redskins win Sunday, their 1962 record will top their combined victory total for both 1960 and 1961. And they are picked by 4 points to beat the winless Rams.

Green Bay is the choice by 9 points to beat the Lions in the clash between the NFL's only two perfect - record teams. Both have 3-0 records. The Redskins lead the East with two wins and a tie.

There is a Saturday night NFL game this week pitting the Philadelphia Eagles against the Steelers at Pittsburgh. This game, to be televised in the East, is rated a toss-up.

In other Sunday games, the New York Giants are the choice by 6 points over the Cardinals at St. Louis; the Baltimore Colts are favored by 3 at home over the San Francisco Forty Niners; the Cleveland Browns are 13 at home over the Dallas Cowboys, and the Chicago Bears are 6 over the Vikings at Minnesota.

Augusta Cops Tourney ST. ANDREWS, Scotland (UPI)—The Augusta, Ga., Country Club won the first international pro-amateur four - ball golf tournament Friday with a net best ball score of 246.

Plainfield, N.J. and St. Louis, Mo., Country Clubs finished second with 248 scores.

Chiefs Cut Six LONG BEACH, Calif. (UPI)—Ray Felix and Bob Hopkins, former National Basketball Association players, have been cut by the Long Beach Chiefs of the American Basketball League. Also dropped were Johnny Green of UCLA, Lavern Benson of Miami of Ohio, and Bill Florentine and Dave Jones of Long Beach State.

It is unlawful in Ohio to park or stand a vehicle within 10 feet of a fire hydrant.

Shelby, Bellevue, Willard Score Victories In League

Both the Bellevue Redmen and the Shelby Whippets picked up another victory last night in loop competition to remain undefeated in both league and overall season play, but the Upper Sandusky Rams, who were also without defeat, found the Willard Flashes too much to handle.

Bellevue outlasted Harry Bozarth and Company on their home field, 23-16, while Shelby ganged up on Gallon and after a 32-point second period, settled for a 46-0 win. Willard lost everything but the final score, but still managed to score 14 points and a 14-8 victory over the previously unbeaten Rams.

SHELBY 46 - Gallon 0 GALLON — The Shelby Whippets rolled to their fifth straight win of the season last night and did it with the least effort of any. Halfback Dick Miller scored three touchdowns and an extra point in the rout at Gallon.

The Whippets picked up six points in the first quarter when Dan Weaver went over from 14 yards out.

Chuck Wetzel opened a 32-point second period with a 66-yard gallop and the scoring spree was underway. After this run, Miller scored from 14 yards out again, Jim Henkel picked off a Gallon pass and went 61 yards in the other direction, Miller scored from 16 yards out, with fullback Dennis Gates getting the extra points, and then to end the slaughter before halftime, quarterback Bill Baldrige threw a 40-yard aerial to Henkel. This made it 38-0 at halftime.

Shelby used the reserve team for the entire second half. The only TD during the next two quarters was a 55-yard run by Miller. He also went over for the points after.

The Whippets picked up 339 yards on the ground while holding the Tigers to 51. They picked up an additional 55 in the air and won the first down contest, 9 to 3.

BELLEVUE 28 - TIFFIN 16 BELLEVUE — All-league halfback Marc McClain proved to be the sparkplug last night as Bellevue dropped the Fighting Tornadoes by a 16-point margin. He carried the ball 14 times and picked up 132 yards for a 9.8 average.

The winners scored one touchdown in the first quarter as halfback Ted Rhudy went over from the four yard line. They added two more in the second period

when Rhudy went in from the five. Fullback Wayne Warden picked up the extra points. Before the half was over, Culler hit McClain on a 43-yard aerial for their third score. The cagey Redmen QB then hit end Tom Lopenan on the pass for the extra points to give them a 22-0 halftime lead.

Quarterback Harry Bozarth scored from the four yard line in the second quarter to make it 20-6 and then hit end Tom Young for the points after.

Bellevue bounced back with a score in the final period when Culler plunged over from the one foot line but then missed on the points after.

The final score came on a 29-yard pass play from Bozarth to halfback Tony Simpson. Cliff Dull ran the extra points to end the scoring.

WILLARD 16 - UPPER 8 UPPER SANDUSKY — Halfback Amos Bolen put on a dazzling display of running in this NOL contest. He set up both Willard touchdowns with great runs and managed to score one of them.

After a scoreless first quarter, the Flashes started a drive on their own 45 yard line and in six plays, including two good sized pass plays, Bolen breezed around right end for 17 yards and the six pointer. A pass to Dave Link from quarterback Scott Swarner made the extra points successful.

The Flashes then scored their second and final touchdown in the second quarter. It came after a brilliant runback by Bolen on the kickoff. He dashed to the Upper 31 before being dragged down. In eight plays, Link went over from the four yard line.

Upper then hit the scoreboard

for the first time on the kickoff as Jarry Case went 84 yards for the six points. Fullback John Roth picked up the extra points to make it 16-8.

The Rams then completely outplayed the Flashes for the rest of the game but fumbled the ball on three occasions. They once moved to the four yard line where they had first and goal to go. They also lost the ball on the Willard 17 and 7.

The Rams led in first downs 12-5, and in net yards gained, 150-83.

Defensive end, Eric Kohlmyer then put on a dazzling display of defensive prowess. With third and seven on the 45, Kohlmyer fought off a Bucyrus blocking back and got to the ball carrier after a two yard gain. Then, on the all-important fourth down play, he blitzed through the left side of the Redmen line and caught halfback Jesse Hobbs for a six yard loss to stop the drive.

On the second play the Truckers fumbled the ball with middle guard, Ron Ridge, recovering. Bucyrus then returned the favor three plays later, however, as Hobbs lost the piskin. This time tackle Earl Stoltz got their first.

Start Final Drive Less than four minutes were

Left on the clock when the Big Blue started their final drive for paydirt. The running of Hart and Meagrow proved to be the key factors in the drive. With just 10 seconds left in the game, the try for the extra points was stopped when a fumble occurred in the backfield.
