

Eagles claw Plymouth

Long runs, interception lead to 20 to 0 victory

Monroeville's stout defense led the Eagles to a richly merited 20 to 0 victory over Plymouth Friday night.

The Eagles completely thwarted the Big Red offense and struck for two long-gainer touchdowns in the first period and an electrifying 56-yard run-back of an intercepted pass as time ran out.

Monroeville outgained, outblocked, outkicked and outought Plymouth in this one, the first success Monroeville has ever had over Plymouth.

The Eagles struck the first time after a Red mistake. Tim Christman intercepted Larry Taylor's pass and ran it to the Eagle 22. A 15-yard penalty against the visitors gave Monroeville first down at its 37. Charley Poths hit left tackle for 10, Bob Wilhelm was thrown for a three-yard loss and then Marc Jones belted off right tackle for 56 yards and the first score. He completely outran the outmanned Red secondary. Poths fumbled the PAT try and was short. The clock read 5:39.

Slightly more than three minutes later, Monroeville struck again. This time on second down Poths cracked through left tackle, turned in and then wheeled to his left and sped down the west sideline untouched for 46 yards.

Jones added the PATs. PLYMOUTH WAS COMPELLED to play catch-up football from this point but it did no good: the Red bench called every play and its offense simply could not get off a time. By the end of the half, Plymouth had ball control — 38 plays to 22 — and seven first downs to only five for the Eagles. The visitors had gained 68 yards on the ground and 70 through the air, for a total of 138, only

four less than the Eagles had collected entirely on the ground. Monroeville could not connect with a single pass throughout the game.

Neither team produced any fireworks in the third period. Plymouth punted 27 yards to the Eagle 27, where a 15-yard set-back put Monroeville in the hole at its 14. Plymouth pushed to the Eagle 16 but on fourth down Ray Hughes' shot off right tackle was short of the required yardage.

Wilhelm intercepted a Taylor pass aimed at Jim Cutright early in the fourth period to interrupt a Red drive. Monroeville drew a red flag and set out from its 29.

IN 18 PLAYS, THE Eagles were knocking on the Red door. At the Plymouth six, a Monroeville fumble trickled into Taylor's hands and Plymouth had stopped the Eagle march.

Time was running out and with less than 50 seconds on the clock Plymouth set out to obtain respect. It did so by going through the air, the only way Plymouth was able to gain on Monroeville all night. Taylor completed two straight, for 12 yards to Bill Van Wagner and for 21 yards to Kelly Clark. On first down, from his 41, Taylor dropped back for one final effort. Time had expired when Bob Ackerman intercepted at the Monroeville 44 and he ran unhampered down the east sideline to paydirt. Wilhelm's boot for the PAT was blocked.

Monroeville richly deserved to win this one. There were many Eagle heroes, but none so important as Jones and Paul Clark, who played a whale of a game on offense. So did Cliff Smith. Jones did all that was asked of him and more. He is a player of first

calibre and is entitled to all his honors.

Harriers shut gate on Wynford

for 15 to 40 win

Plymouth's cross country squad set a record here Thursday: it shut out an opponent for the first time in history.

The victim was Wynford, 15 to 40.

Plymouth took the first five places.

Tim Nesbitt was first in 10 mins. 7 secs., Ken Lucas second in 10:09, Jim Sutter third in 10:31, Brad Buzard fourth in 10:37, Mike Adams fifth in 10:39.

Combined time of 52:03 also set a record for five Plymouth runners.

In a companion meet, Wynford beat Lexington, 34 to 50.

Record falls

Tim Nesbitt and Ken Lucas broke the school record for the two mile cross country run as Plymouth downed Buckeye Central, 18 to 42, in a dual meet Sept. 14 there.

Nesbitt won first place in 10 mins. 6 secs., Lucas was second in 10:11.

Randy Conley held the previous record of 10:20 set in 1969.

Jim Sutter was third in 10:38, Mike Adams fourth in 10:46, Brad Buzard sixth in 10:47.

sets ride

Larry Aces Saddle club will stage a timed ride and Wiener roast Sunday at 10 a. m.

A trail ride and ox roast are set for Oct. 9-10 at the home of the Henry Philipsees.

A motion picture projector has been bought, to be shared with the Rawhiders 4-H Saddle club.

Thirteen members were present for the Sept. 8 meeting in New Haven Township hall, when a movie on barrel riding was shown.

for new members

'Band Parents' club met Sept. 14 in the band room and will meet on the second Tuesday monthly at 7:30 p. m.

There are no dues. Either parent or both parents of a band member may join the club. Seats for all parents of band participants, from grades five through 12, will be reserved on or near the 50-yard line in Mary Fete Park stadium for home football games, the first of which is Oct. 11.

has baton coach for wife

New teacher of 10th grade English and problems of Democracy in Plymouth High school is Karl Pfaff, 3rd, who taught two years in Ash-tabula County Joint Vocational school, Ash-tabula.

A 1969 graduate of Kent State university, he was a member of Alpha Phi Omega service fraternity.

He and his wife, Barb-

ara, are living in Willard. She plans to open a school for baton twirling. A registered NETA teacher, she led pupils to 168 trophies in solo baton competition over the past five months. Among her charges are the Charmettes, Barberton and Alliance, 1970-71 and 1971-72 state champions.

FHA to meet

Future Homemakers of America will meet in Plymouth High school Monday at 7 p. m.

Officers elected during the organizational meeting Sept. 15 are Shirley Adams, president; Barbara Van Wagner, vice-president; Linda Garrett, secretary; Anita Riedlinger, treasurer; Janet Lynch, historian; Carol Erms, news reporter; Vickie Fazzini, parliamentarian; Sheila Binion, song leader.

The chapter plans to attend the subregional meeting at Marion Oct. 2.

Cadet Scouts ask for new members

Cadet Girl Scouts meet Tuesdays at 3:30 p. m. in United Methodist church. Any girl wishing to join may call 687-5485 or 687-5371.

New people seem more interesting in

And they look lots better too. Especially in comfy permanent press, polyester and cotton knit coveralls. With snap shoulder and snap crotch on infant sizes for boys and girls. Closed crotch for older girls. They come with a variety of necklines and in patterns and solids to suit your taste.

Sizes: 9, 12, 18, 24 mos.

Sizes: 2, 3, 4

Fall is Nature's time to plant grass seed!

Why not beef-up your lawn by having a "seed-in"?

Best way to add new life to a skimpy lawn is to plant grass seed right into the existing turf. A dependable choice would be FAMILY which, over the years, has been Scotts' best selling brand. This is a blend of bluegrass and fine fescues that does well both in full sun and partial shade.

Article No. 4

Just what has the Plymouth Village Council been doing?

We believe that we have made major improvements in streets and sewers. The second and third phase of the sewer improvement program will proceed more slowly due to assistance by the federal government. The council is expediting this as fast as possible. We are confident that all streets are in better condition now than they have been in for many years. The following is a list of many worth-while improvements accomplished during the past 2 years of our present council.

SEWERS

1. We rebuilt approximately fifteen new catch basins, cleaned all interceptors, and cleaned all catch basins.
2. We have paid off a \$40,000 note against the Sewer Fund that was created in 1965.
3. We have received guaranteed government assurances of approximately one million dollars to put in phase 2 and 3 of the Sewer Program.
4. We installed heating equipment in the Sewer Plant to prevent freezing, such as occurred before.

STREETS

1. We resurfaced and chipped nearly every street in Plymouth. We did extensive street repair on 28 miles of streets.
2. We upgraded the parking lot,

cleaned it up and removed unnecessary equipment.

3. We obtained \$5,000.00 State Issue #1 Funds to improve the traffic light system to meet state specifications, and will complete it as soon as the state gives us the go-ahead signal.
4. We have placed many new traffic control signs around Plymouth.
5. Snow removal and keeping streets free of ice has always been promptly taken care of.

Next week article #5 will cover the 4th of July Disaster storm, the Fire Department and the Police Department.
