

Ontario demoralizes Plymouth, 38 to 0

Ontario demoralized Plymouth with two pass completions for touch-downs in the first half there Friday night and then tore the Big Red apart for its 10th win in 11 games with Plymouth.

The score was 38 to 0, but it could have been 83 to 0.

Plymouth was never a factor after the third play of the contest. From his 35, Larry Taylor sought to pass. He aimed -- if he aimed at all -- for Jim Cutright. But Vernon Yancey, one of the Warrior stars this splendid night for football, nailed the throw.

From the Plymouth 38, Ontario scored in three plays. Two inside tackle shots netted eight yards. Then Bob Shafer found Doug Schwall all alone within a few yards of the Red goal and hit him squarely with a pass. Shafer ran the PATs and

Ontario had it locked up. LATE IN THE FIRST period, Kim Carter got off a poor punt that carried only 14 yards (it was his poorest of the season) and Ontario took possession at its 40.

In 10 plays the Warriors had scored Yancey gained 12, Shafer 15 and Dick Kaber seven before a penalty set Ontario back to the Red 23. From here Randy Gates, one of two Gates boys sharing quarterback duties, passed to Kaber for the score. Shabby Red defense contributed to the run.

Kaber bolted home for the PATs at 8:53 of the second period.

Plymouth managed to get into Ontario territory late in the second period on a pass interference penalty that gave Plymouth its initial first down at the Warrior 45. But three pass plays went for naught and Carter was compelled

to punt.

PLYMOUTH WAS S knocking on the Ontario goal when time ran out, unable to connect with three pass plays from the Warrior 24 after Jim Cutright intercepted an Ontario pass. With three seconds remaining, Taylor's throw was intercepted by Bill McClelland.

Ontario clearly had every advantage in the first half and deserved its laurels. Each team put the ball in play 30 times. Ontario scored seven first downs, 98 yards rushing and 53 passing and had lost 50 yards on four penalties. Correspondingly, Plymouth had two first downs, 28 yards rushing, no yards passing, with two penalties for 20 yards.

Bill Van Wagner did not play in the second half, owing to a leg injury. Ontario exploited his absence with its attack after the kickoff, marching 35 yards in seven plays, mainly over the position vacated by Van Wagner, to score its third touch-down. Kaber rammed in from five yards away. Mike Riley added the PATs.

Plymouth was to generate the only semblance of an offense in the next three series.

The Big Red moved from its 33 to the Ontario 38 before Carter was forced to punt. This he did splendidly, to the Warrior four.

AND ONTARIO WITH E-qual splendor put on a 96-yard drive to score. Shafer got five, Yancey five in two carries and Riley seven off tackle before Yancey, on a quick hitler off right tackle, broke through the Red secondary and sped 79 yards to score. The place kick for PAT was off

line. Ontario led, 30 to 0.

Plymouth took the ensuing kickoff from its 42 to the Ontario 37 before losing nine yards on an ill-advised screen pass play, whereupon Carter punted 37 yards to the Warrior nine.

The Warriors couldn't gain and returned the punt.

Carter got 14 yards in two tries and Taylor fumbled the snap from center to lose two before Taylor's pass for Cutright was intercepted by Shafer.

Coach Roger Copeland sent his second string onto the field at this point and it responded nobly.

A FIVE YARD PENALTY against Plymouth gave the Warriors a first down when they needed it the most. On first down, Dan Wolfe hit the middle of the Red line, wiggled free and ran 57 yards up the middle of the field to score the final TD. The drive covered 78 yards in seven plays. Ron Cooper ran the PATs.

It was a dull game, as is every game in which the mistakes of one team hand the victory to the other. Ontario did not win this one so much as Plymouth lost it. The new defense that Red players boasted about during the week managed to contain the Warrior ground game in the first half but could not cope with an aerial attack. The two scores produced thereby simply demoralized Plymouth. Without John Conley, Van Wagner (who carried on only one play and fell down) and the semblance of a crisp passer, the offense can't break an egg. The offensive line simply has not been doing its job well enough often enough. Score by periods:
