Clear Fork Colts Rally for Tie, 14-14

By Mike Etzkin

FREDERICKTOWN — Mel Doup exploded to ignite a Clear Fork rally which carried the Colts to a 14-14 tie with the Fredericktown Freddie's Friday night in a Johnny Appleseed Conference high school football game.

Doup, who rushed for 170 yards in 30 carries and scored two fourth-quarter touchdowns, carried the ball in all but two of Clear Fork's (4-1-1 and 5-2-1) 10 running plays in the final period.

Fredericktown (2-2-2 and 3-3-2) did what it vowed and that was stop Clear Fork quarterback Mike Carroll and fullback Fred Reynolds. Reynolds was held to 25 yards, while Carroll gained only 11 on the ground and another 85 through the

air, half of which came on one pass with a minute remaining in the game setting up the tying touchdown.

Losing 14-6, Clear Fork marched 53 yards in eight plays with Doup going around right end the final four yards.

The big play was Carroll's pass. Running for his life to his left, he blooped the ball to Mark Sharp who ran under it and then cut back to the sidelines where he

was brought down on the four. The pass came on a third-and-10 situation.

Carroll took much of the tarnish off his passing performance (four of 21, two intercepted) when he faked into the middle and bootlegged to his left to go unmolested into the end zone for the final two points. It was a play Clear Fork instituted earlier in the week.

"The main thing we did in the second half was run away from their strength," Colt coach Gary Beal revealed. "They sniped near offense to our strength, so we tried to move to our weak side which gave us more of a man-to-man situation in blocking."

"We had to do that because they were stopping our fullback off tackle with that

nine or eight-man front, so we went with Mel Doup. We'd fake to our fullback and then give it to Doup as our second man around."

Fredericktown's defense and Clear Fork's own mistakes held the Colts in check until the 5:29 mark of the final frame. Clear Fork, which forced the Freddie's to punt nine times, started its initial scoring drive on Fredericktown's 48 with 4:14 left in the game following a punt.

After an incomplete pass, Carroll hit Rick Turner for 10 yards before Doup took over. He cracked through the line for seven yards and then came back on the next play with a 31-yard touchdown run.

Two breaks on punts set up Fredericktown's scores.

With 2:45 left in the first half the Freddie's were forced to punt. The punted ball touched a Clear Fork player and Jeff Levering recovered it for Fredericktown on Clear Fork's 48. Six pass plays later quarterback Joe Massaro found Norm Peters right over the middle for a seven-yard touchdown.

In the third quarter, Clear Fork was punting from its own 29-yard line when the snap flew over the punter's head and was covered on the one-yard line. Gary Mickle plunged over on the first play with four minutes showing on the clock.

Ontario Wrecks Big Red, 33-8

By Chet Bryant

PLYMOUTH — Among most coaches and their staff is a saying, and a reminder to their charges, that "A team that does not get called for infractions is doing nothing."

With this as a guide, the Ontario (6-0 and 8-0) Warriors should have run up a football score well over the century mark. Eleven times the Warriors were dealt with at the "flag" game here Friday night but still managed to overshadow Plymouth (3-3 and 4-4), 33-8, at Parent's Night.

By the time the bands had entered the arena for halftime activities Ontario's highly touted offense had rolled up a 26-0 score. The Warriors, behind the slants and slashes of halfbacks Jeff Strickler and Rick Bayer, scored the first four times they ran a series of plays.

Strickler, in leading the undefeated

Warriors, aided the Ontario offense with a first-period scoring strike to Ken Perry for a 35-yard completion, at 5:13 of the opening frame. Five minutes later Bayer sidestepped seven yards into the end zone to complete a 53-yard march.

The Warriors continued to display their offensive talents and moved into the second period with a quick six pointer, following a fumble recovery. Strickler, at 10:41, behind the blocking of Bayer and Brian Baumberger, climaxed the 33-yard scoring march with a touchdown run from six yards out.

It took Ontario 12 plays, covering 55 yards, to drive for its fourth touchdown.

Strickler, Ken Perry and Bayer found running room and moved to the six-yard line. Bayer finalized the march with his second scoring jaunt.

The most interesting part of the game came after intermission. Plymouth, behind 26-0, suddenly refused to roll over and play dead.

Jim Ross's interception, at the Big Red 33-yard line, sparked a Plymouth touchdown march. In three plays alternate backs had moved the ball to the Warrior 38.

From there Plymouth utilized 21 penalty yards to help cover the remaining yardage to the end zone where Barry Wallace blasted into the middle of the line and across the goal.

Ontario came back with a fourth-period tally, at 1:10 remaining. Strickler zipped a 27-yard scoring aerial to end Steve Santmyer to a cap a four-play, 39-yard drive.

The Warriors came out on the long end, statistically, amassing 22 first downs and rushing for 315 yards. However, penalties (11) pushed the Ontario offense down the field for 106 yards. Strickler, for the third straight week, earned the bulk of Ontario rushing. The 168-pound halfback carried 18 times for 125 yards while teammate Bayer ran for 122 yards in 15 attempts.

Loudonville Explodes Past Bulldogs, 53-32

By Jim Brewer

LOUDONVILLE — Scott Browning, who has played all year in the shadow of teammate Bob Close for Loudonville, cast his own silhouette Friday night.

Browning, a 5-foot-10 senior fullback for the Redbirds, scored four touchdowns and rushed for 143 yards in 20 carries to spearhead a 53-32 Johnny Appleseed Conference victory over Crestline.

In an intense game, nine personal fouls were marked off by the officials and four players were tossed out of the contest.

With the win, Loudonville upped its JAC record to 3-2-1 and overall mark to 4-3-1. Crestline slipped to 1-5 and 2-6.

Rex Conway, junior quarterback for the Redbirds, had a fine passing performance, connecting on eight of 10

passes for 168 yards and a touchdown. He also had 5 1/2 yards rushing in nine carries.

Rick Biglin, Crestline's junior fullback, scored touchdowns on runs of three and two yards and totaled 74 yards on the ground in 16 carries.

Bulldog passer Bill Bauer hit 13 of 33 passes for 261 yards in a sizzling aerial performance. He had scoring tosses of 64 and 30 yards — both to end Fred Collins.

The game began with no indication as to it would be. The teams battled to a 6-6 tie after the first quarter, then Loudonville exploded. The Redbirds ran up 25 points in the second quarter to take a 31-6 bulge into the halftime lockerroom.

New NCAA Proposal To Reorganize Teams

MISSION, Kan. (UPI) — The NCAA has drafted a reorganization plan for its large college division based for the first time on an eight-sport athletic program instead of solely on a school's football team.

All 247 members of Division 1 and Division I conferences have been invited to discuss the proposal at a meeting Nov. 15 in Chicago called by the NCAA Council.

The proposal was developed by the NCAA Division Steering Committee and recommended by the policy-making council.

Membership in Division 1 now is dependent upon strength of football and basketball schedules. The proposal requires "institutional support of a broad-based, eight-sport athletic program."

The NCAA would determine which division — 1, 2, or 3 — a school would be in by how many varsity intercollegiate teams it sponsored.

The proposal says a school would have to meet "a minimum performance standard throughout the program," based on a table that would weigh the school's travel squads, financial aid commitment, intercollegiate schedule and success in NCAA competition. These evaluations would be on a sport-by-sport basis.

Each school would earn points for meeting each minimum standard, then

have to meet a minimum total of 80 points over a three-year period to qualify for and maintain Division 1 membership.

Should a school fail to achieve the minimum points over the three years, it would be placed in a tentative Division 1 membership for not more than two years. If it still failed to qualify with the minimum points after two years, the school would be reclassified to another division.

"First, any member would be eligible for Division 1 membership if it sponsors a broad athletic program. This must include at least eight sports, including football and basketball, and each sport must be conducted in Division 1," the NCAA said.

"Second, Division 1 institutions and conferences will not be guaranteed appearances on the Association's football television series. A member would have to qualify on the merit of its program. Appearance guarantees would be offered Divisions 2 and 3."

"Third, members of Division 2 and 3 could compete in from one to four Division 1 championships, depending upon program size in addition to the six common of all-divisional championships. Basketball would be included as a sport in which a member of Division 2 or 3 could compete in the Division 1 tournament."

Crawford Loses 'Squeaker'

CAREY — Carey (7-1) squeaked by Colonel Crawford, 15-14, to take sole possession of second place in the close North Central Conference in high school football Friday evening.

Carey jumped out to an early lead in the first quarter when Steve Nye caught a 37-yard pass from Keith Traxler, to give the Blue Devils a 7-0 advantage. Colonel Crawford (6-2) countered with Carey Hamilton and two touchdowns in the second frame to swing the lead in its direction.

Colonel Crawford was not to be counted out, however. The Eagles came back in the final period to scare the color out

The Eagles' standout was Hamilton, who ran for two touchdowns and 108 yards rushing. Steve Myers ran for 93 yards for Carey.

Bobick Meets Unbeaten

LAS VEGAS, Nev. (UPI) — Duane Bobick, the silver medalist at the Munich Olympics four years ago, bids for his 33th straight victory today against another unbeaten heavyweight, Fred "Young Sanford" Houpe, in a nationally televised 10-rounder.

Bobick has been installed as a 12-5 favorite in the fight at 4:30 p.m. EDT in the new 7,500-seat Aladdin Theater of the Performing Arts here.

"We hope Bobick is taking the fight lightly—overlooking Fred," said trainer Bill Slayton, who helped prepare Ken Norton for his third meeting with Muhammad Ali.

"I'm not one of those cocky type guys but I am confident," added Houpe, who is 12-0 with 11 knockouts.

Bobick, ranked fifth among the heavyweight contenders by the World Boxing Council, has 32 knockout wins, including his most recent triumph on national TV Oct. 2 over Chuck Wepner.

He came in at 214 pounds at Friday's weigh-in while Houpe, who was once managed by comedian Redd Foxx from whom he got the nickname Young Sanford, scaled 195.

FORGOTTEN MAN — Mike Phipps, the starting quarterback for the Cleveland Browns at the start of the season, should be ready for the Browns' game with Cincinnati Sunday. Pensacola Lead Held By McGee

PENSACOLA, Fla. (AP) — Chipper Jerry McGee had the lead but Jerry Pate had the position and the hot hand going into today's third round of the \$125,000 Pensacola Open Golf Tournament.

"I've got to believe Pate is the man to beat," McGee said after his hard-won, one-under-par 70 had given him sole control of the lead at 13 after Friday's second round.

"He had a phenomenal round today," McGee said. "Right now he's five shots back, but his knowledge of the course, particularly of the greens, ought to be worth four shots in the last two rounds. He's gonna be tough."

McGee's effort, which had to overcome two consecutive bogeys followed by a drive he called "the ugliest thing you ever saw come off a golf club," put him at five under par for two trips over the 6,549-yard Pensacola Country Club course.

Tommy Aaron, with a 71, was one shot back at 138. John Schlee and Bob Murphy, who had shared the first-round lead with Aaron and McGee, blew to 76s and were well back at 143.

Tied at 139, two back of the leaders and defending champion, were Lee Elder, Frank Beard and Mac McLendon.

Ashland Stung by Tornadoes

ASHLAND — Ashland threatened twice in the second quarter, but a sluggish offense couldn't push the ball over the goal line against Dover Friday night, as the Tornadoes posted a 14-0 Cardinal Conference football decision.

The Arrows (1-5 and 1-7) got as close as the Dover seven-yard line in the second stanza and had to give up the ball on downs. The hosts marched to the Dover 13, still in that canto, but again had to turn it over without scoring.

Shelby Blues In 'Must' Game

The Shelby Blues face a "must" game situation Sunday at 2 p.m. when they travel to Strausburg to battle Tuscarawas Valley Vikings in a key Ohio Football League scrap.

The Blues, sporting a 4-3 league record, can assure themselves a play-off spot in the conference semifinals with a victory. A loss by more than seven points would cost them the berth, because of a complicated tie-breaking system.

"We've had a week lay-off going into this one, and that doesn't do you much good," said Shelby coach Bill Castle. "I'd rather have played. We just have to hope it doesn't hurt us too much."

The Blues will be headed by running back Dave Crenshaw, who "has come on real strong," according to Castle. Henry Gibbs is a top pass-catching threat and is usually on the receiving end of Gary Clever's aeriels.

"As a whole, we've had good improvement on our offensive and defensive lines and this makes us pretty confident going into this one," noted Castle.

"We've had a few nagging injuries, but we should be in pretty good physical shape," he added.

Linebackers Todd Albert and Bob Putnam key the Blues' defense going in while Charles Harmon heads the defensive line.

If Shelby wins versus the 3-4 Vikings, it will take on Columbus Norsemen the following Sunday at home in the OFL semifinal.
