TOLEDO-Third-seeded Marita DeMarinis of Shelby was eliminated from the girls high school tournament trail Saturday in Class AAA district action.

DeMarinis, the No. 1 singles player for SHS, was a 6-0, 7-5 winner over Kelly Watterman of Anthony Wayne in the opening round and eliminated in the quarterfinals by Kim Pacella of Toledo Notre Dame 6-0, 6-2.

"Notre Dame is a private girl's school where tennis their major sport and they have dominated the tennis in northwest Ohio," said Shelby coach Jan Catherwood. "Pacella is an outstanding player. She won the Detroit Open last summer."

"Marita played well and getting to the district was a good experience for her. Now she'll be working on her game this winter to be ready for her senior season in 1985," added Catherwood.

## Whippet harriers

GALION-Shelby's boys cross country team continues to bring home the championship hardware this fall.

In the sectional championship Saturday morning at Amann's Park, the Whippets coasted to a comfortable 23-point margin over runner-up Sandusky, thanks to the "typical" efforts of sophomores Jim Loveless, Doug Barnd and Jason Fortman and improving efforts from the rest of the pack.

Shelby, 1984 champions of the Northern Ohio League, rounded up 42 points while the second place Blue Streaks tallied 65.

## Edison halts error-prone PHS

By BRAD METZGER  
Globe staff reporter

MILAN-In the rematch of last year's Firelands Conference championship the Plymouth Big Red was soundly defeated 14-0 by the Edison Chargers Saturday evening before a sparse turnout.

The victory was sweet for Edison, losers 13-6 to Plymouth in the title bout the 11th week of last season.

Plymouth is not out of the league race yet, but PHS must win the remainder of the games on its schedule and hope for a few upsets in the southern division, according to coach Dick Roll.

On the first offensive series Plymouth marched with ease to Edison's 18-yard line, but a holding penalty pushed the Big Red back and forced a field goal attempt.

The 35-yard attempt was batted down and the Chargers recovered the ball on their own 11-yard line with 6:06 remaining in the first quarter. From that point the Big Red continued to move the ball, but untimely penalties, turnovers and mental mistakes prevented Plymouth from entering the end zone during the final 42 minutes.

Plymouth had the ball on a second down and eight just inside midfield and appeared ready to move early in the second period when the ball squirted loose during a backfield exchange and Don Leonard pounced on the ball for Edison. The recovery was then turned into a score a few plays later.

Edison then covered the 54-yard distance in eight plays with the final blow dealt by Edison quarterback Jim Hall who connected on a screen pass to Jeff Garlock on the right side. After shaking off several would-be Plymouth tacklers, Garlock reached the end zone with the 24-yard pass completion. Craig Sisson split the uprights and put the Chargers on top 7-0.

Plymouth fumbled the second half kickoff and gave Edison a perfect opportunity to light up the scoreboard, but a personal foul penalty prevented Edison from capitalizing on this turnover as the drive stalled at the Plymouth 14-yard line.

Once again, the Big Red put together an offensive drive which started deep in its own territory and reached the opposition's 40-yard marker, but the drive ended with a mishandled snap from center.

It was still anybody's ball game as the final period rolled around, but sacks, turnovers and penalties denied either team much advancement.

It wasn't until late in the final period when Rick Reinholt of the Chargers broke loose in the Plymouth secondary on a draw play and sprinted 46 yards for the score, putting the ball game out of reach for the Big Red. The PAT was kicked through the

Third place in the Class AAA race went to Tiffin Columbian with 80 points while Galion was next with 100. Completing the rest of the field were: Mansfield Madison (134), Ashland (149), Port Clinton (200), Vermilion (217), Fremont Ross (225) and Mansfield Senior (225).

Curt Rogers of Sandusky, the Class AAA individual champion from a year ago, nipped Loveless at the finish line to win the race. Loveless was clocked at 16:06.

Barnd took fourth with 16:11 and finished ahead of NOL champion Paul Worland who

## Tigers capture World Series

DETROIT (UPI) — If they had to, the Detroit Tigers probably could come from behind. But we'll never know.

The Tigers seldom got into that position this season. Sunday, they used that formula to beat the San Diego Padres 8-4 and close out the World Series in five games.

They sprinted ahead and kicked up dust at the slightest sign of challenge. Secretariat would have trouble with this bunch, and he won the 1973 Belmont Stakes by 31 lengths.

"The Detroit Tigers have pro-

ved we are the World Champions from start-to-finish," said Kirk Gibson, who drove in five runs with two homers.

"After our 35-5 start everyone thought we would fold, but we didn't fall to the pressure. Everyone thought we would lose the LCS, but we didn't. And they thought we would lose the World Series, but we won and we proved we weren't a fluke."

The Padres, especially without injured center fielder Kevin McReynolds, played only well enough to give quiche a bad name. But San Diego manager

Dick Williams praised his club and pronounced this season a good base for the future.

"No one expected us to be where we are," he said. "We got some great experience with some young people. We played hard all year..."

Gibson hit a two-run homer in the first inning, and added a three-run shot in the eighth. Along the way, the Tigers took advantage of every break they received and created some of their own.

Alan Trammell won the Series MVP on a knee that faces

surgery and Sparky Anderson became the first manager to win a World Series title in both leagues.

"We have had a lot of good publicity since the start," said Trammell, who hit .450 in the Series. "I think we would have gotten a lot of negative publicity if we would have played poorly in the middle of the season and, if we didn't win, we would have been called severe chokers."

"The saddest part of all this is that my daddy couldn't see this," said Anderson, whose father LeRoy died in May. His mother did attend.

Unfortunately, the magic in Detroit ended the minute Larry Herndon gloved the final out near the left field line.

Fans, some of whom had been drinking since noon, charged the field and tore the turf. The unruliness continued outside Tiger Stadium with several vehicles being set afire. Thank goodness it rained and cooled things a bit.

The Tigers won their first nine games, 35 of their first 40, and won the AL East by 15 games. They swept the playoffs in three games.

After one week, the only time all year the Tigers were tied with anyone was after two games of the World Series. They responded by winning three in a row.

It was the same way in Game 5. Every time San Diego had the audacity to make the game close, the Tigers took it personally.

Detroit grabbed a 3-0 lead in the first inning on Gibson's

homer and an RBI single by Chet Lemon, chasing Mark Thurmond and leaving the Padres' starters with a 13.94 ERA for the Series.

was fifth. Fortman turned in a 16:39 to take sixth.

"But as in the NOL, our fate rested with our other runners who again came through," said coach Terry Zuercher.

Timothy Lynch was 13th with 17:09, Mike Caskey was 17th with 17:14, Mark Hess was 22nd with 17:21 and Mike Hall was 39th with 17:55.

"Timothy took 24 seconds off his best time of the year and Mike put in his second super effort in two weeks. Mark Hess and Mike Hall also ran well for us," said Zuercher.

"We're not really sure of our

uprights by Sisson to give the Chargers a 14-0 lead.

Plymouth rushed for 128 yards as Scott Ryman led PHS with 88 yards on 18 carries and the stingy Plymouth defense held the Chargers to a scant 79 yards with more than half the yards coming on Reinbolt's 46-yard jaunt.

The Big Red passed for 109 yards and the Chargers' passing attack was held to only 79 yards.

Plymouth was flagged nine times for 81 yards and the Chargers were penalized seven times for 60 yards.

Turnovers were costly as Plymouth lost the ball five times while the Chargers had four miscues.

Plymouth outplayed its opponent by a large margin as the statistics showed, but the mental mistakes and turnovers cost the Big Red the ball game, according to coach Roll.

"We were consistent during the ball game. We moved the ball very well and played good enough on defense to win. But

Plymouth is 1-3 in the Firelands and tied for second place but now is in a must win situation the next three weeks starting against Black River Friday in a Firelands Conference ball game at Mary Fate Park.

competition at Toledo. We do know that Toledo has some very strong teams. We will have to run a great race to advance to state," Zuercher said.

7 The Whippets run Saturday at 3 p.m. at the very demanding Ottawa Hills Golf Course. The course is on Bancroft Avenue right next to the University of Toledo.

Individual qualifiers advancing from the sectional are: Worland and Greg Long from Tiffin; Rich Mathias, Dwayne Furr and Steve Oxer from Galion; and Pat Fahey from Port Clinton.

## OSU rallies from 24-0 deficit to beat Illini. 45-38

COLUMBUS, Ohio (UPI) — Prior to Saturday's Ohio State-Illinois Big Ten football game, Illini Coach Mike White called Buckeye tailback Keith Byars "an impact player."

But not even White could have known how much impact the 6-2, 232-pound Byars would have on the outcome of the contest.

Byars, the nation's leading rusher, got only 20 yards in the first quarter as the Buckeyes fell behind 24-0 before a stunned homecoming crowd of 89,937, the second largest in Ohio Stadium history.

But, by the time darkness fell on the giant horseshoe and under the eerie glow of the portable lights used for the first time at the stadium, Byars had indeed made the "impact" of which White talked.

He finished with 274 yards rushing in 39 carries, breaking Archie Griffin's mark of 246 set in 1973 against Iowa, and five touchdowns, tying another school mark set by Pete Johnson against North Carolina in 1975.

His final TD, a 3-yard sweep to the left, came with just 36 seconds to play and provided the

Buckeyes with a thrilling 45-38 victory. "It was a pitch to the tailback," said Ohio State Coach Earle Bruce. "I thought he'd outrun them to the corner and I knew he'd give it great, great effort to get in there, and he did. We were coming with an option play to the other side, but I'm glad we changed that at the last minute."

Trudeau threw TD passes of three yards to Randy Grant, nine yards to David Williams, eight yards to Cap Bosco and nine yards to Ray Wilson.
